

Questions and Answers for RFP #101519-01

Answers are given in blue.

Will there be a separate bid for purchase of classroom & library books?

That has not been decided at this time. Classroom and library books are not within the scope of this contract.

I am trying to see if Audio-Visual Equipment and Services are part of the RFP?

Audio-visual technology is included in the scope of this RFP, as stated in Appendix B on p. 29 of the RFP.

What cooperative is this RFP associated with?

Region 10 ESC is soliciting responses to establish contracts which will be available through the Equalis Group cooperative. For more information on our cooperative you may reference our website at <https://www.region10.org/programs/equalis-purchasing-cooperative/overview/> or the Equalis group website at <https://equalisgroup.org/>.

We offer K-6 Social Studies and Science print and digital publications and would like to clarify if this bid includes instructional materials?

Lesson Plans and Curricula are included within the scope of Educational Supplies, as stated in Appendix B on p. 29 of the RFP.
