LEAD AGENCY AGREEMENT

The purpose of Region 10 ESC soliciting this Request for Proposal is to create a Lead Agency Agreement for AUTOMOTIVE AND TRUCK REPLACEMENT PARTS, TIRES, ACCESSORIES AND RELATED EQUIPMENT AND SERVICES for use by public agencies supported under this contract. Region 10 ESC, as the Lead Agency, as defined in Attachment A, has come together with the Equalis Group to make the resultant contract (also known as the “Lead Agency Agreement”) from this Request for Proposal available to other public agencies not only locally, but also nationally, including county, city, state, special district, local government, school district, private K-12 school, higher education institution, other government agency or non-profit organization (“Public Agencies”), for the public benefit through the Equalis Group’s cooperative purchasing program. Region 10 ESC will serve as the contracting agency for any other Public Agency that elects to access the resulting Lead Agency Agreement.

Access to the Lead Agency Agreement by any Public Agency must be preceded by its registration with Equalis Group as a Participating Public Agency in Equalis Group’s cooperative purchasing program. Attachment A contains additional information on Equalis Group and the cooperative purchasing program. Equalis Group provides marketing and administrative support for the awarded vendor (“Supplier”) that promotes the successful vendors’ products and services to the Participating Public Agencies nationwide.

Participating Public Agencies benefit from pricing based on aggregate spending and the convenience of a contract that has already been advertised and competitively awarded. The Supplier benefits from a contract that allows Participating Public Agencies to directly purchase goods and services without the Supplier’s need to respond to multiple competitive solicitations. As such, the Supplier must be able to accommodate a nationwide demand for services and to fulfill obligations as a nationwide Supplier and respond to the Equalis Group documents (Attachment A).

OPEN RECORDS POLICY ACKNOWLEDGMENT AND ACCEPTANCE

Be advised that all information and documents submitted will be subject to the Public Information Act requirements governed by Chapter 552 of the Texas Government Code.

Because contracts are awarded by a Texas governmental entity, all responses submitted are subject to release as public information after contracts are executed. If a Respondent believes that its response, or parts of its response, may be exempted from disclosure to the public, the Respondent must specify page-by-page and line-by-line the parts of the response, which it believes, are exempted from disclosure. In addition, the Respondent must specify which exception(s) are applicable and provide detailed reasons to substantiate the exception(s). Respondent must provide this information on the "Acknowledgement and Acceptance to Region 10 ESC's Public Information Act Policy" form found on the next page of this solicitation. Any information that is unmarked will be considered public information and released, if requested under the Public Information Act.

The determination of whether information is confidential and not subject to disclosure is the duty of the Office of Attorney General (OAG). Region 10 ESC must provide the OAG with the information requested in order for the OAG to render an opinion. In such circumstances, Respondent will be notified in writing that the material has been requested and delivered to the OAG. Respondent will have an opportunity to make arguments to the OAG in writing regarding the exception(s) to the TPIA that permit the information to be withheld from public disclosure. Respondents are advised that such arguments to the OAG must be specific and well-reasoned--vague and general claims to confidentiality by the Respondent are generally not acceptable to the OAG. Once the OAG opinion is received by Region 10 ESC, Region 10 ESC must comply with the opinions of the OAG. Region 10 ESC assumes no responsibility for asserting legal arguments on behalf of any Respondent. Respondents are advised to consult with their legal counsel concerning disclosure issues resulting from this procurement process and to take precautions to safeguard trade secrets and other proprietary information.

After completion of award, these documents will be available for public inspection.

Signature below certifies complete acceptance of Region 10 ESC's Open Records Policy, except as noted below (additional pages may be attached, if necessary).

Check one of the following responses to the Acknowledgment and Acceptance of Region 10 ESC's Open Records Policy below:

We acknowledge Region 10 ESC's Public Information Act policy and declare that no information submitted with this proposal, or any part of our proposal, is exempt from disclosure under the Public Information Act.

(Note: All information believed to be a trade secret or proprietary must be listed below. It is further understood that failure to identify such information, in strict accordance with the instructions below, will result in that information being considered public information and released, if requested under the Public Information Act.)

We declare the following information to be a trade secret or proprietary and exempt from disclosure under the Public Information Act.

(Note: Respondent must specify page-by-page and line-by-line the parts of the response, which it believes, are exempt. In addition, Respondent must specify which exception(s) are applicable and provide detailed reasons to substantiate the exception(s).

A. INTRODUCTION

I. Background on Region 10 Education Service Center

Region 10 Education Service Center ("Region 10 ESC" herein "Lead Agency") on behalf of itself and, potentially, all state, local governments, school districts, and higher education institutions in the United States of America, and other government agencies and non-profit organizations (herein "Public Agencies") solicits proposals from qualified Respondents to enter into a Vendor Contract ("contract") for the goods or services solicited in this invitation.

Contracts are approved and awarded by a single governmental entity, Region 10 ESC, and are only available for use and benefit of all entities complying with their respective state procurement laws and regulations (public and private schools, colleges and universities, cities, counties, non-profits, and all governmental entities).

II. What is the role of Equalis Group

Equalis Group assists Region 10 ESC in helping other public agencies and non-profits reap the benefits of national leveraged pricing, with no cost to the participating member. Equalis Group leverages one of the largest pools of purchasing potential. This is accomplished by competitively soliciting proposals and awarding contracts for commonly purchased products and services.

III. Purpose of Region 10 ESC

The mission of Region 10 is to be a trusted, student-focused partner that serves the learning community through responsive, innovative educational solutions. It is Region 10's intent to:

- Provide governmental and public entities opportunities for greater efficiency and economy in procuring goods and services.
- Take advantage of state-of-the-art purchasing procedures to ensure the most competitive contracts.
- Provide competitive price and bulk purchasing for multiple government or public agencies that yields economic benefits unobtainable by the individual entity.
- Provide quick and efficient delivery of goods and services.
- Equalize purchasing power for smaller agencies that are unable to command the best contracts for themselves.
- Help in assisting customers with use of best business practices.

IV. Customer Service

- Region 10 ESC is dedicated to making its contracts successful for both its members and its awarded vendors.
- Region 10 ESC is committed to providing its members and awarded vendors with high quality service.
- Region 10 ESC has dedicated staff available to answer questions, offer guidance and help in any way possible.

B. SCOPE

It is the intention of Region 10 ESC to establish a contract with vendor(s) for AUTOMOTIVE AND TRUCK REPLACEMENT PARTS, TIRES, ACCESSORIES AND RELATED EQUIPMENT AND SERVICES. Awarded vendor(s) shall perform covered services under the terms of this agreement. Respondents shall provide pricing based on a discount from a manufacturer's price list or catalog, or fixed price, or a combination of both with indefinite quantities. Electronic Catalog and/or price lists must accompany the proposal. Include an electronic copy of the catalog from which discount, or fixed price, is calculated. Multiple percentage discount structure is also acceptable. Please specify where different percentage discounts apply. Additional pricing and/or discounts may be included.

Each service proposed is to be priced separately with all ineligible items identified. Services may be awarded to multiple vendors. Respondents may elect to limit their proposals to a single service within any category, or multiple services within any or all categories.

Region 10 ESC is seeking a service provider that has the depth, breadth and quality of resources necessary to complete all phases of this contract. In addition, Region 10 ESC also requests any value-add commodity or service that could be provided under this contract.

While this solicitation specifically covers AUTOMOTIVE AND TRUCK REPLACEMENT PARTS, TIRES, ACCESSORIES AND RELATED EQUIPMENT AND SERVICES, Respondents are encouraged to submit an offering on any and all products or services available that are necessary to fulfill the needs of the services being requested.

C. KEY DEFINITIONS

Days: means calendar days.

Lead agency: means Region 10 in its capacity as the government entity advertising, soliciting, evaluating and awarding the contract.

Procurement: means buying, purchasing, renting, leasing or otherwise acquiring any materials, services or construction. Procurement also includes all functions that pertain to the obtaining of any material, service, or construction, including description of requirements, selection and solicitation of sources, preparation and award of contract and all phases of contract administration.

Responsive Respondent: means a person, company, firm, corporation, partnership or other organization who submits a proposal which conforms in all material respects to the invitation for bids or request for proposals.

Solicitation: means an invitation for bids, a request for technical offers, a request for proposals, a request for quotations or any other solicitation or request by which we invite a person to participate in a procurement.

Specifications: means any description of physical or functional characteristics, or of the nature of a material, service or construction of item. Specifications may include a description or any requirement for inspecting, testing or preparing a material, service or construction item for delivery.

Vendor: means any provider or seller of goods and/or services that has a contractual relationship with Equalis Group or Region 10 ESC.

D. GENERAL TERMS AND INSTRUCTIONS TO RESPONDENTS

SUBMISSION FORMAT AND COMMUNICATION

It is the responsibility of the vendor to make certain that the company submitting a proposal, along with appropriate contact information, is on file with Region 10 ESC for the purpose of receiving addenda.

- I. **Response Submission:** All submitted proposals must contain one (1) bound, signed original copy of the solicitation response, and two (2) electronic copies on USB flash drives. Vendor must also submit one (1) electronic proposal free of propriety information on a USB flash drive to be posted on Vendor information page if awarded a contract.

Responses must be sealed. Faxed or electronically transmitted responses will not be accepted. Sealed responses may be submitted on any or all items, unless stated otherwise. Proposal may be rejected for failure to comply with the requirements set forth in this invitation.

Region 10 ESC reserves the right to cancel solicitation, reject any or all proposals, to accept any proposal deemed most advantageous to the participants in Region 10 ESC and to waive any informality in the proposal process. Participating agency or entity also reserves the right to cancel solicitation and reject any or all proposals if it is advantageous to the school district.

Deviations from any terms, conditions and/or specifications must be conspicuously noted in writing by the Respondent and shall be included with the response. (See Appendix D).

- II. **Proposal Format:** The electronic narrative portion and the materials presented in response to this Request for Proposal should be submitted in the same order as requested.

Hard copy responses must be provided using 8.5 x 11 paper clearly identified with the name of the Respondent's company and the solicitation name and number on the outside front cover.

Include a copy of the entire RFP document that you are responding to, prior to your tabulated response. This means that all pages prior to the Appendixes must be included before Tab 1. Tabs should be used to separate the response into sections. The following items identified must be included behind the tabs listed below. Respondents failing to organize in the manner listed may be considered non-responsive and may not be evaluated.

CONDITIONS OF SUBMITTING PROPOSALS

IX. **Amendment of Proposal:** A proposal may be amended up to the time of opening by submitting a sealed letter to the location indicated on the front page of this solicitation.

X. **Withdrawal of proposals:** Withdrawal of proposals prior to the opening date will be permitted. Withdrawal of proposal will not be allowed for a period of 120 days following the opening. Pricing will remain firm for 120 days from submittal. However, consideration may be given in cases where Respondent advises that it made a clerical error that is substantially lower than it intended. In such case, Respondent must provide written notice of their desire to withdraw, along with supporting documents, within three (3) business days of receiving the acceptance letter. Any contracts entered into prior to Region 10 ESC receiving notice must be honored.

No Respondent should assume that their withdrawal request has been accepted unless, and until, they receive written acknowledgment and acceptance of their proposal withdrawal.

XI. **Clarifications:** Region 10 ESC may, by written request, ask a Respondent for additional information or clarification after review of the proposals received for the sole purpose of eliminating minor irregularities, informalities, or apparent clerical mistakes in the proposal. Clarification does not give Respondent an opportunity to revise or modify its proposal, except to the extent that correction of apparent clerical mistakes results in a revision. Region 10 ESC will not assist Respondent in bringing its proposal up to the level of other proposals through discussions. Region 10 ESC will not indicate to Respondent a cost or price that it must meet to either obtain further consideration nor will it provide any information about other Respondents' proposals or prices.

XII. **Best and Final Offer:** Region 10 ESC, in its sole discretion, may request all Offerors in the competitive range to submit a Best and Final Offer. Offerors must submit their Best and Final Offers in writing. If an Offeror does not respond to the request for a Best and Final Offer, that Offeror's most recent prior offer will be considered to be its Best and Final Offer.

XIII. **Specifications:** When a solicitation contains a specification that states no substitutions, no deviation from this requirement will be permitted. Respondent must comply with the true intent of the specifications and drawings and not take advantage of any unintentional error or omission. In cases where no type and kind of product is specified, Region 10 ESC specifications have been developed to indicate minimal standards as to the usage, materials, and contents based on the needs of the members.

References to manufacturer's specifications (Design Guides), when used by Region 10 ESC, are to be considered informative to give the Respondent information as to the general style, type and kind requested. Responses proposing goods, materials or equipment regularly produced by a reputable manufacturer shall be evaluated by Region 10 ESC which will, in its sole discretion, determine whether such proposed goods, materials or equipment are substantially equivalent to the Design Guides, considering quality, workmanship, economy of operation, and suitability for the purpose intended. Respondents should include all documentation required to evaluate whether or not their proposed goods, materials or equipment are substantially equivalent to the Design Guides.

XIV. **Quality of Materials or Services:** Respondent shall state the brand name and number of the materials being provided. If none is indicated then it is understood that the Respondent is quoting on the exact brand name and number specified or mentioned in the solicitation.

However, unless specifically stated otherwise and in accordance with purchasing laws and regulations, comparable substitutions will be permitted in cases where the material is equal to that specified, considering quality, workmanship, economy of operation and suitability for the purpose intended.

XV. **Samples:** Upon request, samples shall be furnished to Region 10 ESC free of cost within seven (7) days after receiving notice of such request. By submitting the proposal Respondent certifies that all materials conform to all applicable requirements of this solicitation and of those required by law. Respondent agrees to bear the costs for laboratory testing, if results show that the sample does not comply with solicitation requirements. Submissions may be rejected for failing to submit samples as requested.

XVI. **Deviations and Exceptions:** Deviations or exceptions stipulated in response may result in disqualification. It is the intent of Region 10 ESC to award a manufacturer's complete line of products, when possible.

XVII. **Change Orders:** The awarded vendor shall follow the requirements of all specifications and drawings as closely as construction will permit. Should existing conditions or limitations require a major change or rearrangement, the change shall be allowed only upon issuance by Region 10 ESC of a written change order.

Participating agency and awarded vendor shall establish a procedure for identifying and approving changes to the work. Procedure shall include provisions for field change orders. Change orders shall be properly documented in writing.

- XVIII. Manufacturer's Representative:** Respondents submitting proposals as a manufacturer's representative shall be able to supplement offer with a letter from the manufacturer certifying that Respondent is an actual dealer for that manufacturer and that the Respondent is authorized to submit a proposal for that product, and which guarantees that if the Respondent should fail to satisfactorily fulfill any obligations established as a result of the award of contract, the manufacturer will either assume the Respondent's obligations or arrange for fulfillment through another competent dealer to complete the balance of the project.
- XIX. Formation of Contract:** A response to this solicitation is an offer to contract with Region 10 ESC based upon the terms, conditions, scope of work, and specifications contained in this request. A solicitation does not become a contract until it is awarded by Region 10 ESC. A contract is formed when Region 10 ESC's board or designee signs the Vendor Contract Signature Form. The prospective vendor must submit a signed Vendor Signature Form with the response, thus eliminating the need for a formal signing process.
- XX. Estimated Quantities:** Region 10 ESC anticipates that a substantial number of participating members will enter into contracts resulting from this solicitation; however, Region 10 ESC makes no guarantee or commitment of any kind concerning quantities or usage of contracts resulting from this solicitation. The annual volume for this contract is estimated to be within a range from \$25 million to \$50 million annually by year three (3) of the contract. This information is provided solely as an aid to contract vendors in preparing proposals only, and performance will be determined by other factors such as awarded supplier's competitiveness, and overall performance and support of the contract. The successful Vendor(s) discount and pricing schedule shall apply regardless of the volume of business under the contract.
- XXI. Multiple Awards:** Membership includes a large number of potential entities which may utilize this contract throughout the nation. In order to assure that any ensuing contract(s) will allow Region 10 ESC to fulfill current and future needs, Region 10 ESC reserves the right to award contract(s) to multiple vendors. The decision to award multiple contracts, award only one contract, or to make no awards rests solely with Region 10 ESC.
- XXII. Non-Exclusive:** Any contract resulting from this solicitation shall be awarded with the understanding and agreement that it is for the sole convenience and benefit of participating members. Region 10 ESC and participating entities reserve the right to obtain like goods and services from other sources.

AWARD PROCESS

- XXIII. Award or rejection of proposals:** In accordance with applicable laws, rules, and regulations for public purchasing, award(s) will be made to the responsive and responsible Respondent(s) whose proposal(s) is/are determined to be the lowest cost and most responsible to participating agencies, price and other factors considered. Region 10 ESC reserves the right to use a "Market Basket Survey" method, based on randomly selected criteria to determine the most responsible response. To qualify for evaluation, response must have been submitted on time, and satisfy all mandatory requirements identified in this document. Proposals that are materially non-responsive will be rejected and Region 10 ESC will provide notice of rejection to the Respondent.
- XXIV. Evaluation Process:** In evaluating the responses the following predetermined criteria is considered:

Products/Pricing (40 Points)

1. All products and services available
2. Pricing for all available products and services

3. Pricing for warranties on all products and services
4. Ability of Customers to verify that they received contract pricing
5. Payment methods
6. Other factors relevant to this section as submitted by the Respondent

Performance Capability (30 Points)

1. Ability to deliver products and services nationally
2. Response to emergency orders
3. Average Fill Rate
4. Average on time delivery rate
5. Shipping charges
6. Return and restocking policy and applicable fees
7. History of meeting the shipping and delivery timelines
8. Ability to meet service and warranty needs of members
9. Customer service/problem resolution
10. Invoicing process
11. Contract implementation/Customer transition
12. Financial condition of vendor
13. Website ease of use, availability, and capabilities related to ordering, returns and reporting
14. Respondent's safety record
15. Instructional materials
16. Other factors relevant to this section as submitted by the Respondent

Qualification and Experience (20 Points)

1. Respondent reputation in the marketplace
2. Reputation of products and services in the marketplace
3. Past relationship with Region 10 ESC and/or Region 10 ESC members
4. Experience and qualification of key employees
5. Location and number of sales persons who will work on this contract
6. Past experience working with the government sector
7. Exhibited understanding of cooperative purchasing
8. Past litigation, bankruptcy, reorganization, state investigations of entity or current officers and directors

13. Other factors relevant to this section as submitted by the Respondent

Value Add (10 Points)

1. Marketing plan and capability
2. Sales force training
3. Other factors relevant to this section as submitted by the Respondent

XXV. **Competitive Range:** It may be necessary to establish a competitive range. Factors from the predetermined criteria will be used to make this determination. Responses not in the competitive range are unacceptable and do not receive further award consideration.

XXVI. **Evaluation:** A committee will review and evaluate all responses and make a recommendation for award of contract(s). The recommendation for contract awards will be based on the predetermined criteria factors

outlined in this solicitation, where each factor is assigned a point value based on its importance. Recommendation for award of a contract will be presented to the Region 10 ESC board of directors for final approval.

XXVII. Past Performance: A vendor's performance and actions under previously awarded contracts regarding a vendor's actions under previously awarded contracts to schools, local, state, or federal agencies are relevant in determining whether or not the vendor is likely to provide quality goods and services to our members; including the administrative aspects of performance; the vendor's history of reasonable and cooperative behavior and commitment to customer satisfaction; and generally, the Respondent's businesslike concern for the interests of the customer.

XXVIII. Taxes (State of AZ Respondents only): All applicable taxes in the offer will be considered by the School District/public entity when determining the lowest proposal or evaluating proposals, except when a responsive Respondent which is otherwise reasonably susceptible for award is located outside of Arizona and is not subject to a transaction privilege or use tax of a political subdivision of this state. In that event, all applicable taxes which are the obligation of Respondents in state and out of state, shall be disregarded in the Contract Award. At all times, payment of taxes and the determination of applicable taxes and rates are the sole responsibility of the Contractor.

PROTEST OF NON-AWARD

XXIX. Protest Procedure: Any protest of an award or proposed award must be filed in writing within ten (10) days from the date of the official award notification and must be received by 5:00 pm Central Time. No protest shall lie for a claim that the selected Vendor is not a responsible Respondent. Protests shall be filed with *Ms. Sue Hayes at Region 10 ESC, 400 E Spring Valley Rd, Richardson, TX 75081*. Protests shall follow Region 10 ESC complaint policy EF(LOCAL), a copy of which is available at <https://pol.tasb.org/Policy/Code/374?filter=EF>, and it must be on a form provided by Region 10 ESC, which will include the following:

1. Name, address and telephone number of protester
2. Original signature of protester or its representative
3. Identification of the solicitation by RFP number
4. Detailed statement of legal and factual grounds including copies of relevant documents; and the form of relief requested
5. Any protest review and action shall be considered final with no further formalities being considered.

NON-COLLUSION, EMPLOYMENT AND SERVICES

XXX. By signing the Offer and Acceptance form or other official contract form, the Respondent certifies that:

1. It did not engage in collusion or other anti-competitive practices in connection with the preparation or submission of its offer; and
2. It does not discriminate against any employee, applicant for employment, or person to whom it provides services because of race, color, religion, sex, national origin, or disability and that it complies with all applicable federal, state, and local laws and executive orders regarding employment.

LIMITATION OF LIABILITY

XXXI. Waiver: BY SUBMITTING A PROPOSAL, OFFER EXPRESSLY AGREES TO WAIVE ANY CLAIM IT HAS OR MAY HAVE AGAINST BOTH EQUALIS GROUP AND REGION 10 EDUCATION SERVICE CENTER, ITS DIRECTORS,

OFFICERS, OR AGENTS AND THE MEMBERS ARISING OUT OF OR IN CONNECTION WITH (1) THE ADMINISTRATION, EVALUATION, RECOMMENDATION OF ANY PROPOSAL; (2) ANY REQUIREMENTS UNDER THE SOLICITATION, PROPOSAL PACKAGE, OR RELATED DOCUMENTS; (3) THE REJECTION OF ANY PROPOSAL OR ANY PART OF ANY PROPOSAL; AND/OR (4) THE AWARD OF A CONTRACT, IF ANY.

XXXII. NEITHER REGION 10 ESC NOR EQUALIS GROUP SHALL BE RESPONSIBLE OR LIABLE FOR ANY COSTS INCURRED BY RESPONDENTS OR THE SELECTED VENDOR IN CONNECTION WITH RESPONDING TO THE RFP, PREPARING FOR ORAL PRESENTATIONS, PREPARING AND SUBMITTING A PROPOSAL, ENTERING OR NEGOTIATING THE TERMS OF A CONTRACT, OR ANY OTHER EXPENSES INCURRED BY A RESPONDENT. THE RESPONDENT OR SELECTED VENDOR IS WHOLLY RESPONSIBLE FOR ANY SUCH COSTS AND EXPENSES AND SHALL NOT BE REIMBURSED IN ANY MANNER BY REGION 10 ESC OR EQUALIS GROUP.

RECITALS

WHEREAS, both parties agree and understand that the following pages will constitute the contract between the successful vendor(s) and Region 10 ESC, having its principal place of business at **Education Service Center, Region 10, 400 E Spring Valley Rd, Richardson, TX 75081**

WHEREAS, Vendor agrees to include, in writing, any required exceptions or deviations from these terms, conditions, and specifications; and it is further understood that if agreed to by Region 10 ESC, said exceptions or deviations will be incorporated into the final contract "Vendor Contract."

WHEREAS, this contract consists of the provisions set forth below, including provisions of all attachments referenced herein. In the event of a conflict between the provisions set forth below and those contained in any attachment, the provisions set forth below shall control.

WHEREAS, the Vendor Contract will provide that any state, county, special district, local government, school district, private K-12 school, technical or vocational school, higher education institution (including community colleges, colleges and universities, both public and private), other government agencies or non-profit organization may purchase products and services at prices indicated in the Vendor Contract upon registering and becoming a member with Region 10 ESC; and it being further understood that Region 10 ESC shall act as the Lead Agency with respect to all such purchase agreements.

WHEREAS, Equalis Group has the administrative and legal capacity to administer purchases on behalf of Region 10 ESC under the Vendor Contract with participating public agencies and entities, as permitted by applicable law.

ARTICLE 1- GENERAL TERMS AND CONDITIONS

1.1 Equalis Group shall be afforded all of the rights, privileges and indemnifications afforded to Region 10 ESC under the Vendor Contract, and such rights, privileges and indemnifications shall accrue and apply with equal effect to Equalis Group, including, without limitation, Vendor's obligation to provide insurance and other indemnifications to Lead Agency.

1.2 Awarded vendor shall perform all duties, responsibilities and obligations, set forth in this agreement, and required under the Vendor Contract.

1.3 Equalis Group shall perform its duties, responsibilities and obligations as administrator of purchases, set forth in this agreement, and required under the Vendor Contract.

1.4 **Customer Support:** The vendor shall provide timely and accurate technical advice and sales support to Region 10 ESC staff, Equalis Group staff and participating agencies. The vendor shall respond to such requests within one (1) working day after receipt of the request.

ARTICLE 2- ANTICIPATED TERM OF AGREEMENT

2.1 **Term:** The term of the Contract shall commence upon award and shall remain in effect for a period of three (3) years, unless terminated, canceled or extended as otherwise provided herein. The Contractor agrees that Region 10 ESC shall have the right, at its sole option, to renew the Contract for two (2) additional one-year periods or portions thereof. In the event that Region 10 ESC exercises such rights, all terms, conditions and provisions of the original Contract shall remain the same and apply during the renewal period with the possible exception of price and minor scope additions and/or deletions.

2.2 **Automatic Renewal:** Renewal will take place automatically for one (1) year unless Region 10 ESC gives written notice to the awarded supplier at least ninety (90) days prior to the expiration.

ARTICLE 3- REPRESENTATIONS AND COVENANTS

Scope: This contract is based on the need to provide the economic benefits of volume purchasing and reduction in administrative costs through cooperative purchasing to schools and other members.

Compliance: Cooperative Purchasing Agreements between Equalis Group and its Members have been established under state procurement law.

Respondent's promise: Respondent agrees all prices, terms, warranties, and benefits granted by Respondent to Members through this contract are comparable to or better than the equivalent terms offered by Respondent to any present customer meeting the same qualifications or requirements.

ARTICLE 4- FORMATION OF CONTRACT

4.1. **Respondent contract documents:** Region 10 ESC will review proposed Respondent contract documents. Vendor's contract document shall not become part of Region 10 ESC's contract with vendor unless and until an authorized representative of Region 10 ESC reviews and approves it.

4.2. **Form of contract:** The form of contract for this solicitation shall be the Request for Proposal, the awarded proposal(s) to the lowest responsible Respondent(s), and properly issued and reviewed purchase orders referencing the requirements of the Request for Proposal. If a firm submitting a proposal requires Region 10 ESC and/or Member to sign an additional agreement, a copy of the proposed agreement must be included with the proposal.

4.3. **Entire Agreement (Parol evidence):** The contract, as specified above, represents the final written expression of agreement. All agreements are contained herein and no other agreements or representations that materially alter it are acceptable.

4.4. **Assignment of Contract:** No assignment of contract may be made without the prior written approval of Region 10 ESC. Purchase orders and payment can only be made to awarded vendor unless otherwise approved by Region 10 ESC. Awarded vendor is required to notify Region 10 ESC when any material change in operations is made that may adversely affect members (i.e. awarded vendor bankruptcy, change of ownership, merger, etc.).

4.5. **Contract Alterations:** No alterations to the terms of this contract shall be valid or binding unless authorized and signed with a “wet signature” by a Region 10 ESC staff member.

4.6. **Order of precedence:** In the event of a conflict in the provisions of the contract as accepted by Region 10 ESC, the following order of precedence shall prevail:

- Special terms and conditions
- General terms and conditions
- Specifications and scope of work
- Attachments and exhibits
- Documents referenced or included in the solicitation

4.8 **Supplemental Agreements:** The entity participating in the Region 10 ESC contract and awarded vendor may enter into a separate supplemental agreement to further define the level of service requirements over and above the minimum defined in this contract i.e. invoice requirements, ordering requirements, specialized delivery, etc. Any supplemental agreement developed as a result of this contract is exclusively between the participating entity and awarded vendor. Neither Region 10 ESC, Equalis Group, its agents, members and employees shall be made party to any claim for breach of such agreement.

ARTICLE 5- TERMINATION OF CONTRACT

5.1. **Cancellation for non-performance or contractor deficiency:** Region 10 ESC may terminate any contract if Members have not used the contract, or if purchase volume is determined to be low volume in any 12-month period. Region 10 ESC reserves the right to cancel the whole or any part of this contract due to failure by contractor to carry out any obligation, term or condition of the contract. Region 10 ESC may issue a written deficiency notice to contractor for acting or failing to act in any of the following:

- i. Providing material that does not meet the specifications of the contract;
- ii. Providing work and/or material that was not awarded under the contract;
- iii. Failing to adequately perform the services set forth in the scope of work and specifications;
- iv. Failing to complete required work or furnish required materials within a reasonable amount of time;
- v. Failing to make progress in performance of the contract and/or giving Region 10 ESC reason to believe that contractor will not or cannot perform the requirements of the contract; and/or
- vi. Performing work or providing services under the contract prior to receiving a Region 10 ESC reviewed purchase order for such work.

Upon receipt of a written deficiency notice, contractor shall have ten (10) days to provide a satisfactory response to Region 10 ESC. Failure to adequately address all issues of concern may result in contract

cancellation. Upon cancellation under this paragraph, all goods, materials, work, documents, data and reports prepared by contractor under the contract shall become the property of the Member on demand.

5.2 **Termination for cause:** If, for any reason, the Vendor fails to fulfill its obligation in a timely manner, or if the vendor violates any of the covenants, agreements, or stipulations of this contract, Region 10 ESC reserves the right to terminate the contract immediately and pursue all other applicable remedies afforded by law. Such termination shall be effective by delivery of notice, to the vendor, specifying the effective date of termination. In such event, all documents, data, studies, surveys, drawings, maps, models and reports prepared by vendor for this solicitation may become the property of the participating agency or entity. If such event does occur then vendor will be entitled to receive just and equitable compensation for the satisfactory work completed on such documents.

5.3 **Delivery/Service failures:** Failure to deliver goods or services within the time specified or within a reasonable time period as interpreted by the purchasing agent, or failure to make replacements or corrections of rejected articles/services when so requested shall constitute grounds for the contract to be terminated. In the event that the participating agency or entity must purchase in an open market, contractor agrees to reimburse the participating agency or entity, within a reasonable time period, for all expenses incurred.

5.4 **Force Majeure:** If by reason of Force Majeure, either party hereto shall be rendered unable wholly or in part to carry out its obligations under this Agreement then such party shall give notice and full particulars of Force Majeure in writing to the other party within a reasonable time after occurrence of the event or cause relied upon, and the obligation of the party giving such notice, so far as it is affected by such Force Majeure, shall be suspended during the continuance of the inability then claimed, except as hereinafter provided, but for no longer period, and such party shall endeavor to remove or overcome such inability with all reasonable dispatch.

The term Force Majeure as employed herein, shall mean acts of God, strikes, lockouts, or other industrial disturbances, act of public enemy, orders of any kind of government of the United States or the State of Texas or any civil or military authority; insurrections; riots; epidemics; landslides; lighting; earthquake; fires; hurricanes; storms; floods; washouts; droughts; arrests; restraint of government and people; civil disturbances; explosions, breakage or accidents to machinery, pipelines or canals, or other causes not reasonably within the control of the party claiming such inability. It is understood and agreed that the settlement of strikes and lockouts shall be entirely within the discretion of the party having the difficulty, and that the above requirement that any Force Majeure shall be remedied with all reasonable dispatch shall not require the settlement of strikes and lockouts by acceding to the demands of the opposing party or parties when such settlement is unfavorable in the judgment of the party having the difficulty

5.5 **Standard Cancellation:** Either party may cancel this contract in whole or in part by providing written notice. The cancellation will take effect 90 business days after the other party receives the notice of cancellation. After the 90th business day all work will cease following completion of final purchase order. Region 10 ESC reserves the right to request additional items not already on contract at any time.

ARTICLE 6- LICENSES

6.1 **Duty to keep current license:** Vendor shall maintain in current status all federal, state and local licenses, bonds and permits required for the operation of the business conducted by vendor. Vendor shall

remain fully informed of and in compliance with all ordinances and regulations pertaining to the lawful provision of services under the contract. Region 10 ESC reserves the right to stop work and/or cancel the contract of any vendor whose license(s) expire, lapse, are suspended or terminated.

6.2 **Suspension or Debarment:** Respondent shall provide a letter in the proposal notifying Region 10 ESC of any debarment, suspension or other lawful action taken against them by any federal, state, or local government within the last five (5) years that precludes Respondent or its employees from participating in any public procurement activity. The letter shall state the duration of the suspension or action taken, the relevant circumstances and the name of the agency imposing the suspension. Failure to supply or disclose this information may be grounds for cancellation of contract.

6.3 **Survival Clause:** All applicable software license agreements, warranties or service agreements that were entered into between Vendor and Customer/participating member under the terms and conditions of the Contract shall survive the expiration or termination of the Contract. All Purchase Orders issued and accepted by Order Fulfiller shall survive expiration or termination of the Contract.

ARTICLE 7- DELIVERY PROVISIONS

7.1 **Delivery:** Vendor shall deliver said materials purchased on this contract to the participating member issuing a Purchase Order. Conforming product shall be shipped within 7 days of receipt of Purchase Order. If delivery is not or cannot be made within this time period the vendor must receive authorization from the purchasing agency for the delayed delivery. At this point the participating entity may cancel the order if estimated shipping time is not acceptable.

7.2 **Inspection & Acceptance:** If defective or incorrect material is delivered, purchasing agency may make the determination to return the material to the vendor at no cost to the purchasing agency. The vendor agrees to pay all shipping costs for the return shipment. Vendor shall be responsible for arranging the return of the defective or incorrect material.

7.3 **Responsibility for supplies tendered:** Vendor shall be responsible for the materials or supplies covered by this contract until they are delivered to the designated delivery point.

7.4 **Shipping Instructions:** Unless otherwise specified, each case, crate, barrel, package, etc, delivered under this contract must be plainly labeled, securely tagged, stating Vendor's name, purchase order number, quantity contained therein, and delivery address as indicated in the order. Deliveries must be made within the hours of 8:00 am – 4:00 pm. Deliveries at any other time (including Saturdays, Sundays and holidays) will not be accepted unless arrangements have been made in advance with the receiver at the delivery point. Vendor understands that it is their responsibility to ensure compliance with the delivery instructions outlined in this agreement.

7.5 **Additional charges:** Unless bought on F.O.B. "shipping point" and Vendor prepays transportation, no delivery charges shall be added to invoices except when express delivery is authorized and substituted on orders for the method specified in the contract. In such cases, the difference between freight or mail and express charges may be added to the invoice.

7.6 **Buyer's delays:** Region 10 ESC will not be responsible for any late fees due the prime contractor by the participating member. The prime contractor will negotiate with the participating agency for the recovery of damages related to expenses incurred by the vendor for a delay for which the Region 10 ESC member is responsible, which is unreasonable, and which was not within the contemplation of the parties to the contract between the two parties.

ARTICLE 8- BILLING AND REPORTING

8.1 **Payments:** The participating entity using the contract will make payments directly to the awarded vendor.

Payment shall be made after satisfactory performance, in accordance with all provisions thereof, and upon receipt of a properly completed invoice.

8.3 **Progress payments:** Progress payments may be made by the participating agency to the contractor on the basis of a duly certified and approved estimate of the work performed during the preceding month, if both parties agree to such a payment schedule. All progress payments must be invoiced to the participating member. It is the responsibility of the member to review and approve any estimates of work completed. If the member issues a written statement to the Respondent that the estimate of work is not approved and certified, the member may withhold an amount from the progress payment that the member reasonably expects to incur in correcting the deficiency set forth in the written finding, as permitted by applicable State law. In such cases, the Respondent agrees to hold member harmless for any deficiency payment.

The prime contractor must agree to pay any subcontractors or material vendors within seven (7) days of their receipt of the progress payment, unless otherwise agreed on in writing between the parties involved. The contractor shall pay Equalis Group progress payments in accordance with this paragraph.

At the time all bonds are in place, the prime contractor and the participating member will agree upon a schedule of payments based on identifiable milestones. Acceptance of final payment is a waiver of all claims except unsettled claims previously made in writing.

8.4 **Tax Exempt Status:** Since this is a national contract, knowing the tax laws in each state is the sole responsibility of the Vendor.

8.5 **Performance and Payment Bonds** (in applicable states): Upon execution of a contract between participating agency and prime contractor, performance and payment bonds shall be provided to the member as required by pertinent state law. The prime contractor agrees to notify the participating member in writing of this requirement before accepting any work orders. If the prime contractor fails to deliver any required performance or payment bonds, the contract with Region 10 ESC may be terminated. The contractor may be asked to supply copies of performance and payment bonds to Region 10 ESC for administrative purposes.

An irrevocable payment bond in an amount equal to 100% of the price specified in the contract between the prime contractor and the participating member shall be executed by a surety company authorized to do business in the state of the member or in the ruling jurisdiction of the member. This bond will protect all persons supplying labor and material to the prime contractor for the performance of the work provided in the contract. Such bonds are taxable at the contractor's tax rate. An irrevocable performance bond in an amount equal to 100% of the price specified in the contract between the participating member and the

prime contractor shall be executed by a surety company authorized to do business in the state of the member or the ruling jurisdiction of the member.

8.6 **Retention:** When fifty (50) percent of the work is completed, one half of the amount retained shall be paid to the prime contractor if the prime contractor requests payment and if the participating member is satisfied with the progress of the work. After the work is fifty (50) percent completed, no more than five percent of the amount of any subsequent progress payments shall be retained, unless the governing board of the participating member determines satisfactory progress is not being made, at which point ten percent retention shall be reinstated.

Ten (10) percent of all contract payments shall be retained by the participating member as insurance of proper performance of the prime contractor. Participating member shall deposit retained amounts into an interest-bearing account, if required by applicable law governing the participating member. Interest earned on the retained amounts shall be paid to the prime contractor upon completion of the project, or as otherwise required by applicable governing the participating member. Prime contractor agrees to identify the amount to be retained on invoices to participating member for each progress payment.

If the participating member and the prime contractor agree to a substitute security, the prime contractor must provide participating member with a signed and acknowledged waiver of any right or power of the obligor to set off any claim against the member.

8.7 **Reporting:** Vendor shall electronically provide Equalis Group with a detailed line item monthly report showing the dollar volume of all member product sales under the contract for the previous month. Reports shall be sent via e-mail to Equalis Group offices at reporting@equalisgroup.org. Reports are due on the **fifteenth (15th)** day after the close of the previous month. It is the responsibility of the awarded vendor to collect and compile all sales under the contract from participating members and submit one (1) report. The report shall include at least the following information as listed in this section:

ARTICLE 9- PRICING

9.1 **Market competitive guarantee:** Vendor agrees to provide market competitive pricing, based on the value offered upon award, to Region 10 ESC and its participating public agencies throughout the duration of the contract.

9.2 **Price increase:** Should it become necessary or proper during the term of this contract to make any change in design or any alterations that will increase expense, Region 10 ESC must be notified immediately. Price increases must be approved by Lead Agency and no payment for additional materials or services, beyond the amount stipulated in the contract, shall be paid without prior approval. All price increases must be supported by manufacture documentation, or a formal cost justification letter.

Vendor must honor previous prices for thirty (30) days after approval and written notification from Region 10 ESC if requested.

It is Vendor’s responsibility to keep all pricing up to date and on file with Region 10 ESC. All price changes must be provided to Region 10 ESC, using the same format as was accepted in the original contract.

9.3 **Additional Charges:** All deliveries shall be freight prepaid, F.O.B. destination and shall be included in all pricing offered unless otherwise clearly stated in writing.

9.4 **Price reduction and adjustment:** Price reduction may be offered at any time during contract and shall become effective upon notice of acceptance from Region 10 ESC. Special, time-limited reductions are permissible under the following conditions: 1) reduction is available to all Members equally; 2) reduction is for a specific time period, normally not less than thirty (30) days; 3) original price is not exceeded after the time-limit; and 4) Region 10 ESC has approved the new prices prior to any offer of the prices to a Member. Vendor shall offer Region 10 ESC any published price reduction during the contract period.

9.5 **Prevailing Wage:** It shall be the responsibility of the Vendor to comply, when applicable, with the prevailing wage legislation in effect in the jurisdiction of the purchaser (Region 10 ESC or its Participating Members). It shall further be the responsibility of the Vendor to monitor the prevailing wage rates as

established by the appropriate Department of Labor for any increase in rates during the term of this contract and adjust wage rates accordingly.

9.6 Administrative Fees: The Vendor agrees to pay administrative fees to Equalis Group based on the terms set in Attachment A. All pricing submitted to Region 10 ESC shall include the administrative fee to be remitted to Equalis Group by the awarded vendor.

ARTICLE 10- PRICING AUDIT

10.1 **Audit rights:** Vendor shall, at Vendor's sole expense, maintain appropriate due diligence of all purchases made by Region 10 ESC and any participating entity that accesses this Agreement. Equalis Group and Region 10 ESC each reserve the right to audit the accounting for a period of three (3) years from the time such purchases are made. This audit right shall survive termination of this Agreement for a period of one (1) year from the effective date of termination. In the State of New Jersey, this audit right shall survive termination of this Agreement for a period of five (5) years from the date of final payment. Such records shall be made available to the New Jersey Office of the State Comptroller upon request. Region 10 ESC shall have the authority to conduct random audits of Vendor's pricing that is offered to eligible entities at Region 10 ESC's sole cost and expense. Notwithstanding the foregoing, in the event that Region 10 ESC is made aware of any pricing being offered to eligible agencies that is materially inconsistent with the pricing under this agreement, Region 10 ESC shall have the ability to conduct an extensive audit of Vendor's pricing at Vendor's sole cost and expense. Region 10 ESC may conduct the audit internally or may engage a third-party auditing firm. In the event of an audit, the requested materials shall be provided in the format and at the location designated by Region 10 ESC or Equalis Group.

ARTICLE 11- PROPOSER PRODUCT LINE REQUIREMENTS

11.1 **Current products:** Proposals shall be for materials and equipment in current production and marketed to the general public and education/government agencies at the time the proposal is submitted.

11.2 **Discontinued products:** If a product or model is discontinued by the manufacturer, Vendor may substitute a new product or model if the replacement product meets or exceeds the specifications and performance of the discontinued model and if the discount is the same or greater than the discontinued model.

11.3 **New products/Services:** New products and/or services that meet the scope of work may be added to the contract. Pricing shall be equivalent to the percentage discount for other products. Vendor may replace or add product lines to an existing contract if the line is replacing or supplementing products on contract, is equal or superior to the original products offered, is discounted in a similar or to a greater degree, and if the products meet the requirements of the solicitation. No products and/or services may be added to avoid competitive procurement requirements. Region 10 ESC may require additions to be submitted with documentation from Participating Members demonstrating an interest in, or a potential requirement for, the new product or service. Region 10 ESC may reject any additions without cause.

11.4 **Options:** Optional equipment for products under contract may be added to the contract at the time they become available under the following conditions: 1) the option is priced at a discount similar to other options; 2) the option is an enhancement to the unit that improves performance or reliability.

11.5 **Product line:** Vendors with a published catalog may submit the entire catalog. Region 10 ESC reserves the right to select products within the catalog for award without having to award all contents. Region 10 ESC may reject any addition of equipment options without cause.

11.6 **Warranty conditions:** All supplies, equipment and services shall include manufacturer's minimum standard warranty and one (1) year labor warranty unless otherwise agreed to in writing.

11.7 **Buy American requirement:** (for New Jersey and all other applicable States) Vendors may only use unmanufactured construction material mined or produced in the United States, as required by the Buy American Act. Where trade agreements apply, to the extent permitted by applicable law, then unmanufactured construction material mined or produced in a designated country may also be used. Vendors are required to check state specific requirements to ensure compliance with this requirement.

ARTICLE 12- SITE REQUIREMENTS

12.1 **Cleanup:** Vendor shall clean up and remove all debris and rubbish resulting from their work as required or directed by Member. Upon completion of the work, the premises shall be left in good repair and an orderly, neat, clean and unobstructed condition conducive to the Member's business purpose.

12.2 **Site Preparation:** Vendor shall not begin a project for which Participating Member has not prepared the site, unless Vendor does the preparation work at no cost, or until Participating Member includes the cost of site preparation in a purchase order to the contractor. Site preparation includes, but is not limited to moving furniture, moving equipment or obstructions to the work area, installation of wiring for networks or any other necessary pre-installation requirements.

12.3 **Registered sex offender restrictions:** For work to be performed at schools, Vendor agrees that no employee or employee of a subcontractor who has been adjudicated to be a registered sex offender will perform work at any time when students are or are reasonably expected to be present. Vendor agrees that a violation of this condition shall be considered a material breach and may result in the cancellation of the purchase order at the Participating Member's discretion. Vendor must identify any additional costs associated with compliance of this term. If no costs are specified, compliance with this term will be provided at no additional charge. Vendor is also responsible for ensuring that their employees or contractors who have direct contact with students are properly fingerprinted and background checked in accordance with local state law, if applicable.

12.4 **Safety measures:** Vendor shall take all reasonable precautions for the safety of employees on the worksite, and shall erect and properly maintain all necessary safeguards for protection of workers and the public. Vendor shall post warning signs against all hazards created by its operation and work in progress. Proper precautions shall be taken pursuant to state law and standard practices to protect workers, general public and existing structures from injury or damage.

12.5 **Smoking/Tobacco:** Persons working under the contract shall adhere to local tobacco and smoking (including e-cigarettes/vaping) policies. Smoking will only be permitted in posted areas or off premises.

12.6 **Stored materials:** Upon prior written agreement between the vendor and Member, payment may be made for materials not incorporated in the work but delivered and suitably stored at the site or some other location, for installation at a later date. An inventory of the stored materials must be provided to Participating Member with the application for payment seeking compensation for stored materials. Such materials must be stored and protected in a secure location, and be insured for their full value by the vendor against loss and damage. Vendor agrees to provide proof of coverage and/or addition of Participating Member as an additional insured upon Participating Member's request. Additionally, if stored offsite, the materials must also be clearly identified as property of buying Participating Member and be separated from other materials. Participating Member must be allowed reasonable opportunity to inspect and take inventory of stored materials, on or offsite, as necessary.

Until final acceptance by the Participating Member, it shall be the Vendor's responsibility to protect all materials and equipment. Vendor warrants and guarantees that title for all work, materials and equipment shall pass to the Member upon final acceptance.

12.7 **Maintenance Facilities and Support:** It is preferred that each contractor should have maintenance facilities and a support system available for servicing and repair of product and/or equipment. If a third party is to be used to provide maintenance and support to the participating member, Respondent must notify Region 10 ESC of that third party information. All technicians, applicators, installers shall be fully certified, trained and licensed to perform said duties.

ARTICLE 13- MISCELENOUS

13.1 **Funding Out Clause:** Any/all contracts exceeding one (1) year shall include a standard "funding out" clause. A contract for the acquisition, including lease, of real or personal property is a commitment of the entity's current revenue only, provided the contract contains either or both of the following provisions:

"Retains to the entity the continuing right to terminate the contract at the expiration of each budget period during the term of the contract and is conditioned on a best efforts attempt by the entity to obtain appropriate funds for payment of the contract in the subsequent fiscal year."

13.2 **Disclosures:** Vendor affirms that he/she has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor or service to a public servant in connection with this contract.

Vendor has a continuing duty to disclose a complete description of any and all relationships that might be considered a conflict of interest in doing business with participants in Equalis Group.

Vendor affirms that, to the best of his/her knowledge, the offer was arrived at independently, and was submitted without collusion with anyone to obtain information or gain any favoritism that would in any way limit competition or give an unfair advantage over other vendors in the award of this contract.

13.3 **Indemnity:** Vendor shall protect, indemnify, and hold harmless both Region 10 ESC and Equalis Group and its participants, administrators, employees and agents against all claims, damages, losses and expenses arising out of or resulting from the actions of Vendor, Vendor employees or Vendor subcontractors in the preparation of the solicitation and the later execution of the contract, including any supplemental

agreements with members. Any litigation involving either Region 10 ESC or Equalis Group, its administrators and employees and agents shall be in a court of competent jurisdiction in Dallas County, Texas. Texas law shall apply to any such suit, without giving effect to its choice of laws provisions. Any litigation involving Equalis Group participating members shall be in the jurisdiction of the participating agency.

13.4 **Franchise Tax:** Vendor hereby certifies that he/she is not currently delinquent in the payment of any required franchise taxes, and shall remain current on any such franchise taxes throughout the term of this contract.

13.5 **Marketing:** Vendor agrees to allow Region 10 ESC and Equalis Group to use their name and logo within website, marketing materials and advertisement. Any use of the Region 10 ESC or Equalis Group name and logo or any form of publicity, inclusive of press releases, regarding this contract by Vendor must have prior approval from Region 10 ESC.

13.6 **Insurance:** Unless otherwise modified elsewhere in this document, prior to commencing services under this contract for a participating member, contractor shall procure, provide and maintain during the life of this agreement comprehensive public liability insurance to include course of construction insurance and automobile liability, providing limits of not less than \$1,000,000.00 per occurrence. The insurance form will be an "all risk" type of policy with standard exclusions. Coverage will include temporary structures, scaffolding, temporary office trailers, materials, and equipment. Contractor shall pay for the deductibles required by the insurance provided under this agreement.

Certificates of insurance shall be delivered to the participant prior to commencement of work. The insurance company shall be licensed to do business and write the appropriate lines of insurance in the applicable state in which work is being conducted. Vendor shall give the participating entity a minimum of ten (10) days notice prior to any modifications or cancellation of policies. Vendor shall require all subcontractors performing any work to maintain coverage as specified.

Prior to commencing any work under this contract, any subcontractor shall also procure, provide, and maintain, at its own expense until final acceptance of the work performed, insurance coverage in a form acceptable to the prime contractor. All subcontractors shall provide worker's compensation insurance which waives all subrogation rights against the prime contractor and member.

13.7 **Subcontracts/Sub Contractors:** If Vendor serves as prime contractor, it shall not enter into any subcontract subject to this solicitation without prior approval from Region 10 ESC. Any/all subcontractors shall abide by the terms and conditions of this contract and the solicitation.

No subcontract relationships shall be entered into with a party not licensed to do business in the jurisdiction in which the work will be performed. Contractor must use subcontractors openly, include such arrangements in the proposal, and certify upon request that such use complies with the rules associated with the procurement codes and statutes in the state in which the contractor is conducting business.

Contractor agrees to pay subcontractors in a timely manner. Failure to pay subcontractors for work faithfully performed and properly invoiced may result in suspension or termination of this contract. Prior to participating member's release of final retained amounts, Contractor shall produce verified statements from all subcontractors and material suppliers that those entities have been paid in full amounts due and owing to them.

13.8 **Legal Obligations:** It is the Respondent's responsibility to be aware of and comply with all local, state, and federal laws governing the sale of products/services identified in this RFP and any awarded contract and shall comply with all while fulfilling the RFP. Applicable laws and regulation must be followed even if not specifically identified herein.

13.9 **Boycott Certification:** Respondents hereby certify that during the term of any Agreement, it does not boycott Israel and will not boycott Israel. "Boycott" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes.

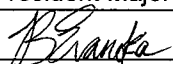

13.10 **Venue:** All parties agree that venue for any litigation arising from this contract shall lie in Richardson, Dallas County, Texas, and that the laws of the State of Texas shall govern the rights of the parties and the validity and interpretation of any purchase order, contract, or service agreement that shall arise from and include this proposal request.

EXHIBIT A: RESPONSE FOR LEAD AGENCY AGREEMENT

Scope of Lead Agency Agreement

1.0 Requirement

All transactions, purchase orders, etc., will occur directly between the Supplier and each Participating Public Agency individually, and neither Equalis Group, any Lead Agency nor any Participating Public Agency, including their respective agents, directors, employees or representatives, shall be liable to Supplier for any acts, liabilities, damages, etc., incurred by any other Participating Public Agency.

This Exhibit A defines the expectations for qualifying Suppliers based on Equalis Group's requirements to market the resulting Lead Agency Agreement nationally to Public Agencies. Each section in this Exhibit A refers to the capabilities, requirements, obligations, and prohibitions of competing Suppliers on a national level in order to serve Participating Public Agencies through Equalis Group.

These requirements are incorporated into and are considered an integral part of this RFP. Equalis Group reserves the right to determine whether or not to make the Lead Agency Agreement awarded by the Lead Agency available to Participating Public Agencies.

1.1 Marketing and Administrative Support

During the term of the Lead Agency Agreement, Equalis Group intends to provide marketing and administrative support for Supplier pursuant to this section 1.2 that directly promotes the Supplier's products and services to Participating Public Agencies through multiple channels, each designed to promote specific products and services to Public Agencies on a national basis.

Equalis Group will work in conjunction with Supplier to promote the Lead Agency Agreement to both existing Participating Public Agencies and prospective Public Agencies through:

- A. Marketing collateral (print, email, presentations)
- B. Website support
- C. Trade shows/conferences/meetings

Equalis Group will work in conjunction with Supplier to promote the Lead Agency Agreement to both existing Participating Public Agencies and prospective Public Agencies through:

- A. Individual sales calls
- B. Joint sales calls
- C. Communications/customer service
- D. Training sessions for Public Agency teams
- E. Training sessions for Supplier teams

Equalis Group will work in conjunction with Supplier to promote the Lead Agency Agreement to both existing Participating Public Agencies and prospective Public Agencies through:

- A. Serving as the subject matter expert for questions regarding joint powers authority and state statutes and regulations for cooperative purchasing
- B. Training sessions for Public Agency teams
- C. Training sessions for Supplier teams
- D. Regular business reviews to monitor program success
- E. General contract administration

Suppliers are required to pay an administrative fee based on a specific percentage of the greater of the Contract Sales under the Lead Agency Agreement and guaranteed Contract Sales under this Request for Proposal. Supplier will be required to execute the Equalis Group Administration Agreement (refer to Exhibit B for the administrative fee agreement and specific percentage).

Capitalized terms not otherwise defined herein shall have the meanings given to them in the Lead Agency Agreement or in the Equalis Group Administration Agreement between Supplier and Equalis Group (the "Equalis Group Administration Agreement")

1.2 Award Basis

The basis of any contract award resulting from this RFP made by Lead Agency will be the basis of award on a national level through Equalis Group. If multiple suppliers are awarded by Lead Agency under the

Lead Agency Agreement, those same suppliers will be required to extend the Lead Agency Agreement to Participating Public Agencies through Equalis Group. Utilization of the Lead Agency Agreement by Participating Public Agencies will be at the discretion of the individual Participating Public Agency. Certain terms of the Lead Agency Agreement specifically applicable to the Lead Agency are subject to modification for each Participating Public Agency as Supplier, such Participating Public Agency and Equalis Group shall agree.

1.3 Objectives of Cooperative Program

This RFP is intended to achieve the following objectives regarding availability through Equalis Group's cooperative program:

- A. Provide a comprehensive competitively solicited and awarded national agreement offering the Products covered by this solicitation to Participating Public Agencies;
- B. Market the Lead Agency Agreement as one of the Supplier's primary go to market strategies to Public Agencies nationwide;
- C. Achieve cost savings for Supplier and Public Agencies through a single solicitation process that will reduce the Supplier's need to respond to multiple solicitations;
- D. Combine the aggregate purchasing volumes of Participating Public Agencies to achieve cost effective pricing.

2.0 REPRESENTATIONS AND COVENANTS

As a condition to Supplier entering into the Lead Agency Agreement, which would be available to all Public Agencies, Supplier must make certain representations, warranties and covenants to both the Lead Agency and Equalis Group designed to ensure the success of the Lead Agency Agreement for all Participating Public Agencies as well as the Supplier.

2.1 Corporate Commitment

Supplier commits that (1) the Lead Agency Agreement has received all necessary corporate authorizations and support of the Supplier's executive management, (2) the Lead Agency Agreement will be promoted to Public Agencies, including any existing customers, and Supplier will transition existing customers, upon their request, to the Lead Agency Agreement, and (3) that the Supplier has read and agrees to the terms and conditions of the Administration Agreement with Equalis Group and will execute such agreement concurrent with and as a condition of its execution of the Lead Agency Agreement with the Lead Agency. Supplier will identify an executive corporate sponsor and a separate national account manager within the RFP response that will be responsible for the overall management of the Lead Agency Agreement.

2.2 Sales Commitment

Supplier commits to aggressively market the Lead Agency Agreement as its go to market strategy in this defined sector and that its sales force will be trained, engaged and committed to offering the Lead Agency Agreement to Public Agencies through Equalis Group nationwide. Supplier commits that all Lead Agency Agreement sales will be accurately and timely reported to Equalis Group in accordance with the Equalis Group Administration Agreement. Supplier also commits that its sales force will be compensated, including sales incentives, for sales to Public Agencies under the Lead Agency Agreement in a consistent or better manner compared to sales to Public Agencies if the Supplier were not awarded the Lead Agency Agreement.

3.0 SUPPLIER QUALIFICATIONS

Supplier must supply the following information in order for the Lead Agency to determine Supplier's qualifications to extend the resulting Lead Agency Agreement to Participating Public Agencies through Equalis Group.

3.1 Company

- A. Brief history and description of your company.
- B. Total number and location of sales persons employed by your company.
- C. Number and location of support centers (if applicable).
- D. Annual sales for the three previous fiscal years.
- E. Submit your FEIN and Dunn & Bradstreet report.

3.2 Distribution, Logistics

- A. Describe how your company proposes to distribute the products/service nationwide.
- B. Identify all other companies that will be involved in processing, handling or shipping the products/service to the end user.
- C. Provide the number, size and location of your company's distribution facilities, warehouses and retail network as applicable.
- D. State any return and restocking policy and fees, if applicable, associated with returns.

3.3 Marketing and Sales

- A. Provide a detailed ninety-day plan beginning from award date of the Lead Agency Agreement describing the strategy to immediately implement the Lead Agency Agreement as your company's primary go to market strategy for Public Agencies to your teams nationwide, to include, but not limited to:
 - i. Executive leadership endorsement and sponsorship of the award as the public sector go-to-market strategy within first 10 days
 - ii. Training and education of your national sales force with participation from the executive leadership of your company, along with the Equalis Group team within first 90 days
- B. Provide a detailed ninety-day plan beginning from award date of the Lead Agency Agreement describing the strategy to market the Lead Agency Agreement to current Participating Public Agencies, existing Public Agency customers of Supplier, as well as to prospective Public Agencies nationwide immediately upon award, to include, but not limited to:
 - i. Creation and distribution of a co-branded press release to trade publications within first 10 days
 - ii. Announcement, contract details and contact information published on the company website within first 30 days
 - iii. Design, publication and distribution of co-branded marketing materials within first 90 days
 - iv. If supplier chooses to attend and participate at national and/or regional Public Sector conferences (i.e. NIGP Annual Forum, NPI Conference, Regional NIGP Chapter Meetings, etc.) and supplier-specific trade shows, conferences and meetings throughout the term of the Lead Agency Agreement, supplier agrees to market the benefit of Equalis Group and the Lead Agency Agreement to attendees
 - v. Design and publication of national and regional advertising in trade publications throughout the term of the Lead Agency Agreement
 - vi. Ongoing marketing and promotion of the Lead Agency Agreement throughout its term (case studies, collateral pieces, presentations, etc.)
 - vii. Dedicated Equalis Group internet web-based homepage with:
 - Equalis Group standard logo;
 - Copy of original Request for Proposal;
 - Copy of contract and amendments between Lead Agency and Supplier;
 - Summary of Products and pricing;
 - Marketing Materials
 - Electronic link to Equalis Group's online registration page;
 - A dedicated toll free number and email address for Equalis Group
- C. Describe how your company will transition any existing Public Agency customers' accounts to the Lead Agency Agreement available nationally through Equalis Group. Include a list of current cooperative contracts (regional and national) your company holds and describe how the Lead Agency Agreement will be positioned among the other cooperative agreements.
- D. ~~Acknowledge that your company agrees to provide its company/corporate logo(s) to Equalis Group and agrees to provide permission for reproduction of such logo in marketing communications and promotions.~~
- E. Supplier is responsible for proactive direct sales of Supplier's goods and services to Public Agencies nationwide and the timely follow up to leads established by Equalis Group. All sales materials are to use the Equalis Group logo. At a minimum, the Supplier's sales initiatives should communicate:
 - i. Master Agreement was competitively solicited by a Lead Agency
 - ii. Best government pricing
 - iii. No cost to participate
 - iv. Non-exclusive contract
- F. Supplier is responsible for the training of its national sales force on the Lead Agency Agreement. At a minimum, sales training should include:
 - i. Key features of Lead Agency Agreement
 - ii. Working knowledge of the solicitation process
 - iii. Awareness of the range of Public Agencies that can utilize the Lead Agency Agreement through Equalis Group
- G. Provide contact information for the person(s), who will be responsible for:
 - i. Marketing
 - ii. Sales
 - iii. Sales Support

- iv. Financial Reporting
- v. Contracts
- H. Describe in detail how your company's national sales force is structured, including contact information for the highest-level executive in charge of the sales team.
- I. Explain in detail how the sales teams will work with the Equalis Group team to implement, grow and service the national program.
- J. Explain in detail how your organization will manage the overall national program throughout the term of the Lead Agency Agreement, including ongoing coordination of marketing and sales efforts, timely new Participating Public Agency account set- up, etc.
- K. State the amount of your company's Public Agency sales for the previous fiscal year. Provide a list of your top 10 Public Agency customers, the total purchases for each for the previous fiscal year along with a key contact for each.
- L. Describe your company's information systems capabilities and limitations regarding order management through receipt of payment, including description of multiple platforms that may be used for any of these functions.
- M. Even though it is anticipated that many Public Agencies will be able to utilize the Lead Agency Agreement without further formal solicitation, there may be circumstances where Public Agencies will issue their own solicitations. The following options are available when responding to a solicitation that is for Products covered under the Lead Agency Agreement.
 - i. Respond with Lead Agency Agreement pricing (Contract Sales reported to Equalis Group).
 - ii. If competitive conditions require pricing lower than the standard Lead Agency Agreement pricing, Supplier may respond with lower pricing through the Lead Agency Agreement. If Supplier is awarded the contract, the sales are reported as Contract Sales to Equalis Group under the Lead Agency Agreement.
 - iii. Respond with pricing higher than Lead Agency Agreement only in the unlikely event that the Public Agency refuses to utilize Lead Agency Agreement.
 - iv. If alternative or multiple proposals are permitted, respond with pricing higher than Lead Agency Agreement, and include Lead Agency Agreement as the alternate or additional proposal. Detail your strategies under these options when responding to a solicitation.

EXHIBIT B: EQUALIS GROUP ADMINISTRATION AGREEMENT

This ADMINISTRATION AGREEMENT (the "Agreement") is made this _____ day of _____ IEH Auto Parts LLC dba 20____, between Equalis Group ("Equalis Group"), and Auto Plus Auto Parts (herein "Supplier").

RECITALS

WHEREAS, the _____ (herein "Lead Agency") has entered into a Lead Agency Agreement dated _____, Agreement No _____, by and between the Lead Agency and Supplier, (as may be amended from time to time in accordance with the terms thereof, the "Lead Agency Agreement"), as attached hereto as Exhibit A and incorporated herein by reference as though fully set forth herein, for the purchase of _____ (herein "Product");

WHEREAS, said Lead Agency Agreement provides that any or all public agencies, including state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit ("Public Agencies"), that enter into (either via registration on the Equalis Group website or execution of a Master Intergovernmental Cooperative Purchasing Agreement, attached hereto as Exhibit C) (hereinafter referred to as a "Participating Public Agency") may purchase Product at prices stated in the Lead Agency Agreement;

WHEREAS, Participating Public Agencies may access the Lead Agency Agreement which is offered through Equalis Group to Public Agencies;

WHEREAS, Equalis Group serves as the contract administrator of the Lead Agency Agreement on behalf of Lead Agency;

WHEREAS, Lead Agency desires Equalis Group to proceed with administration of the Lead Agency Agreement; and

WHEREAS, Equalis Group and Supplier desire to enter into this Agreement to make available the Lead Agency Agreement to Participating Public Agencies and to set forth certain terms and conditions governing the relationship between Equalis Group and Supplier.

NOW, THEREFORE, in consideration of the payments to be made hereunder and the mutual covenants contained in this Agreement, Equalis Group and Supplier hereby agree as follows:

DEFINITIONS

1. Capitalized terms used in this Agreement and not otherwise defined herein shall have the meanings given to them in the Lead Agency Agreement.

TERMS AND CONDITIONS

2. The Lead Agency Agreement and the terms and conditions contained therein shall apply to this Agreement except as expressly changed or modified by this Agreement. Supplier acknowledges and agrees that the covenants and agreements of Supplier set forth in the solicitation and Supplier's response thereto resulting in the Lead Agency Agreement are incorporated herein and are an integral part hereof.

3. Equalis Group shall be afforded all of the rights, privileges and indemnifications afforded to Lead Agency by or from Supplier under the Lead Agency Agreement, and such rights, privileges and indemnifications shall accrue and apply with equal effect to Equalis Group, its agents, employees, directors, and representatives under this Agreement including, but not limited to, the Supplier's obligation to provide appropriate insurance.

4. Equalis Group shall perform all of its duties, responsibilities and obligations as contract administrator of the Lead Agency Agreement on behalf of Lead Agency as set forth herein, and Supplier hereby acknowledges and agrees that all duties, responsibilities and obligations will be undertaken by Equalis Group solely in its capacity as the contract administrator under the Lead Agency Agreement.

5. With respect to any purchases by Lead Agency or any Participating Public Agency pursuant to the Lead Agency Agreement, Equalis Group: (i) shall not be construed as a dealer, re-marketer, representative, partner or agent of any type of the Supplier, Lead Agency or any Participating Public Agency; (ii) shall not be obligated, liable or responsible for any order for Product made by Lead Agency or any Participating Public Agency or any employee thereof under the Lead Agency Agreement or for any payment required to be made with respect to such order for Product; and (iii) shall not be obligated, liable or responsible for any failure by Lead Agency or any Participating Public Agency to comply with procedures or requirements of applicable law or the Lead Agency Agreement or to obtain the due authorization and approval necessary to purchase under the Lead Agency Agreement. Equalis Group makes no representation or guaranty with respect to any minimum purchases by Lead Agency or any Participating Public Agency or any employee thereof under this Agreement or the Lead Agency Agreement.

TERM OF AGREEMENT

6. This Agreement shall be in effect so long as the Lead Agency Agreement remains in effect, provided, however, that the provisions of paragraphs 3, 4 and 5 hereof and the indemnifications afforded by the Supplier to Equalis Group herein and in the Lead Agency Agreement, to the extent such provision survive the term of the Lead Agency Agreement, shall survive the term of this Agreement.

NATIONAL PROMOTION

7. Equalis Group and Supplier shall publicize and promote the availability of the Lead Agency Agreement's products and services to Public Agencies and such agencies' employees. Supplier's failure to maintain its covenants and commitments contained in this Agreement or any action of the Supplier which gives rise to a right by Lead Agency to terminate the Lead Agency Agreement shall constitute a material breach of this Agreement and if not cured within thirty (30) days of written notice to Supplier shall be deemed a cause for termination of this Agreement at Equalis Group's discretion. Notwithstanding anything contained herein to the contrary, this Agreement shall terminate on the date of the termination or expiration of the Lead Agency Agreement.

8. Supplier shall require each Public Agency to register its participation in the Equalis Group program by either registering on the Equalis Group website, www.equalisgroup.org, or executing a Master Intergovernmental Cooperative Purchasing Agreement prior to processing the Participating Public Agency's first sales order.

9. Upon request, Supplier shall make available to interested Public Agencies a copy of the Lead Agency Agreement and such price lists or quotes as may be necessary for such Public Agencies to evaluate potential purchases. In addition, Supplier shall provide such marketing and administrative support as set forth in the solicitation resulting in the Lead Agency Agreement, including assisting in development of marketing materials as reasonably requested by Lead Agency and Equalis Group. Supplier and Equalis Group shall provide each respective party with its logo ("Logo") and the standard terms of use for its general use in marketing the Lead Agency Agreement. Both parties shall obtain written approval from the other party prior to use of such party's Logo. Notwithstanding, the parties understand and agree that except as provided herein neither party shall have any right, title or interest in the other party's Logo. Upon termination of this Agreement, each party shall immediately cease use of the other party's Logo.

MONTHLY REPORTING & FEES

10. Supplier shall pay Equalis Group an administrative fee in the amount of ___% (3% recommended) of the total purchase amount paid to Supplier, less refunds, credits on returns, rebates and discounts, for the sale of products and/or services to Lead Agency and Participating Public Agencies pursuant to the Lead Agency Agreement (as amended from time to time and including any renewal thereof) ("Contract Sales"). Supplier shall provide Equalis Group with an electronic accounting report, in Microsoft Excel, in the format prescribed by Equalis Group, on a monthly basis

summarizing all Contract Sales for the applicable month. A sample of the Contract Sales reporting format is provided as Exhibit E, attached hereto and incorporated herein by reference.

11. Reports of Contract Sales for Lead Agency and Participating Public Agencies in each calendar month shall be provided by Supplier to Equalis Group by the 10th day of the following month. Such reports shall be accompanied by an administrative fee payment in the amount indicated on the report as being due. Administrative fee payments are to be paid by the Supplier to Equalis Group via Automated Clearing House (ACH) to the Equalis Group designated financial institution. Failure to provide a monthly report or payment of the administrative fees within the time and manner specified herein shall constitute a material breach of this Agreement and if not cured within thirty (30) days of written notice to Supplier shall be deemed a cause for termination of the Lead Agency Agreement, at Lead Agency's sole discretion, and/or this Agreement, at Equalis Group's sole discretion. All administrative fees not paid when due shall bear interest at a rate equal to the lesser of 1 1/2% per month or the maximum rate permitted by law until paid in full.

12. Supplier shall maintain an accounting of all purchases made by Participating Public Agencies under the Lead Agency Agreement. Equalis Group, or its designee, in Equalis Group's sole discretion, reserves the right to compare Participating Public Agency records with monthly reports submitted by Supplier for a period of four (4) years from the date Equalis Group receives such monthly report. Equalis Group may engage a third party to conduct an independent audit of Supplier's monthly reports. In the event of such an audit, Supplier shall provide all materials reasonably requested relating to such audit by Equalis Group at the location designated by Equalis Group. In the event an underreporting of Contract Sales and a resulting underpayment of administrative fees is revealed, Equalis Group will notify the Supplier in writing. Supplier will have thirty (30) days from the date of such notice to resolve the discrepancy to Equalis Group's reasonable satisfaction, including payment of any administrative fees due and owing, together with interest thereon in accordance with Section 11, and reimbursement of Equalis Group's costs and expenses related to such audit.

GENERAL PROVISIONS

13. This Agreement, the Lead Agency Agreement and the exhibits referenced herein supersede any and all other agreements, either oral or in writing, between the parties hereto with respect to the subject matter hereto and no other agreement, statement, or promise relating to the subject matter of this Agreement which is not contained or incorporated herein shall be valid or binding. In the event of any conflict between the provisions of this Agreement and the Lead Agency Agreement, as between Equalis Group and Supplier, the provisions of this Agreement shall prevail.

14. If any action at law or in equity is brought to enforce or interpret the provisions of this Agreement or to recover any administrative fee and accrued interest, the prevailing party shall be entitled to reasonable attorney's fees and costs in addition to any other relief to which it may be entitled. Venue for any such action in law or equity shall be in a court of competent jurisdiction in Dallas County, Texas. The law of the State of Texas shall apply, without giving effect to its choice of laws provisions.

15. This Agreement and Equalis Group's rights and obligations hereunder may be assigned at Equalis Group's sole discretion, to an existing or newly established legal entity that has the authority and capacity to perform Equalis Group's obligations hereunder. Supplier may not assign its obligations hereunder without the prior written consent of Equalis Group.

16. All written communications given hereunder shall be delivered by first-class mail, postage prepaid, or overnight delivery on receipt to the addresses as set forth below.

A. Equalis Group
Attn: EVP, Equalis Group

Sachse, TX 75048

B. Supplier
IEH Auto Parts LLC dba Auto Plus Auto Parts
901 N Lenola Rd
Moorestown, NJ 08057
Attn: Brian Eyanoka

17. If any provision of this Agreement shall be deemed to be, or shall in fact be, illegal, inoperative or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative or unenforceable to any extent whatever, and this Agreement will be construed by limiting or invalidating such provision to the minimum extent necessary to make such provision valid, legal and enforceable.

18. This Agreement may not be amended, changed, modified, or altered without the prior written consent of the parties hereto, and no provision of this Agreement may be discharged or waived, except by a writing signed by the parties. A waiver of any particular provision will not be deemed a waiver of any other provision, nor will a waiver given on one occasion be deemed to apply to any other occasion.

19. This Agreement shall inure to the benefit of and shall be binding upon Equalis Group, the Supplier and any respective successor and assign thereto; subject, however, to the limitations contained herein.

EXHIBIT C: MASTER INTERGOVERNMENTAL COOPERATIVE PURCHASING AGREEMENT

This Master Intergovernmental Cooperative Purchasing Agreement (the "Agreement") is entered into by and between those certain government agencies that execute a Management Services Agreement ("Lead Agencies") with Equalis Group LLC ("Equalis Group") to be appended and made a part hereof and such other public agencies ("Purchasing Group Member") who register to participate in the cooperative purchasing programs administered by Equalis Group and its affiliates and subsidiaries (collectively the "Equalis Group Purchasing Program") by either registering on a Equalis Group Party website (such as www.equalisgroup.org), or by executing a copy of this Agreement.

RECITALS

WHEREAS, after a competitive solicitation and selection process by Lead Agencies, a number of suppliers have entered into "**Master Agreements**" (herein so called) to provide a variety of goods, products and services ("**Products**") to the applicable Lead Agency and the Purchasing Group Member,

WHEREAS, Master Agreements are made available by Lead Agencies through the Equalis Group Purchasing Program and provide that Purchasing Group Member may purchase Products on the same terms, conditions and pricing as the Lead Agency, subject to any applicable federal and/or local purchasing ordinances and the laws of the State of purchase;

WHEREAS, in addition to Master Agreements, the Equalis Group Purchasing Program may from time to time offer Purchasing Group Member the opportunity to acquire Products through other group purchasing agreements;

NOW, THEREFORE, in consideration of the mutual promises contained in this Agreement, and of the mutual benefits to result, the parties agree as follows:

1. That each party will facilitate the cooperative procurement of Products.
2. That the procurement of Products by Purchasing Group Member subject to this Agreement shall be conducted in accordance with and subject to the relevant federal, state and local statutes, ordinances, rules and regulations that govern Purchasing Group Member's procurement practices.
3. That the cooperative use of Master Agreements and other group purchasing agreements shall in accordance with the terms and conditions of such agreements, except as modification of those terms and conditions is otherwise allowed or required by applicable federal, state or local law.
4. That the Lead Agencies will make available, upon reasonable request the subject to convenience, Master Agreement information which may assist in improving the procurement of Products by the Purchasing Group Member.
5. That the Purchasing Group Members agrees that the Equalis Group Purchasing Program may provide access to group purchasing organization ("**GPO**") agreements directly or indirectly by enrolling the Purchasing Group Members in another GPO's purchasing program; provided that the purchase of Products through a Equalis Group Party or any other GPO shall be at the Purchasing Group Member's sole discretion.
6. That the Purchasing Group Member (each a "**Procuring Party**") that procure Products through any Master Agreement or GPO Product supply agreement (each a "**GPO Contract**") will make timely payments to the distributor, manufacturer or other vendor (collectively, "**Supplier**") for Products received in accordance with the terms and conditions of the Master Agreement or GPO Contract, as applicable. Payment for Products and inspections and acceptance of Products ordered by the Procuring Party shall be the exclusive obligation of such Procuring Party. Disputes between Procuring Party and any Supplier shall be resolved in accordance with the law and venue rules of the State of purchase unless otherwise agreed to by the Procuring Party and Supplier.
7. The Procuring Party shall not use this Agreement as a method for obtaining additional concessions or reduced prices for similar products or services.
8. The Procuring Party shall be responsible for the ordering of Products under this Agreement. A non-procuring party shall not be liable in any fashion for any violation by a Procuring Party, and the Procuring Party shall hold non-procuring party harmless from any liability that may arise from action or inaction of the Procuring Party. Without limiting the generality of the foregoing, the Equalis Group Purchasing Program make no representations or warranties regarding any Product, Master Agreement or GPO Contract, and shall have no liability for any act or omission by a Supplier or other party under a Master Agreement or GPO Contract.

9. This Agreement shall remain in effect until termination by a party giving 30 days written notice to the other party. The provisions of paragraphs 6, 7 and 8 hereof shall survive any such termination.
10. This Agreement shall take effect upon (i) execution of the Lead Agency Certificate or (ii) the registration on an Equalis Group Party website or the execution of this Agreement by a Purchasing Group Members, as applicable.

General Profile

2. Brief history of your company, including the year it was established.

History:

- **June 2015 - Icahn Enterprises L.P. (NASDAQ:IEP)** completes its acquisition of substantially all of Uni-Select USA, Inc.'s and Beck/Arnley Worldparts, Inc.'s assets, which supported the U.S. automotive parts distribution business of Uni-Select Inc. The new entity is now IEH Auto Parts LLC d/b/a Auto Plus Auto Parts.
- **About Auto Plus**
This transaction included 22 distribution centers and satellite locations, 259 corporately owned stores and over 3,500 Team Members in the United States. Icahn Enterprises L.P. retained the Auto Plus brand name. Auto Plus' critical path for achieving its stated business goals includes an aggressive strategic growth plan focused on acquisitions in major markets, acquisitions in markets where Auto Plus currently has a significant footprint, and the development of new "greenfield" facilities.

12. What is your strategy to increase market share?

By focusing specifically on the parts sector, where our brands put us among the top ten commercial auto parts distributors in the U.S., we will continue to capitalize on industry growth while investing aggressively in core markets where a solid base of business, excellent customer service capabilities, and one of the most experienced teams in the industry have us in a strong competitive position.

Our strategic investments will focus on: Optimizing the value of the commercial parts distribution business in high volume markets; Improving inventory management across Icahn Automotive's parts distribution network; Digital initiatives including a new e-commerce platform and enhanced e-fulfillment capabilities; Investment in employees with focus on training and career development investments; and Business process improvements, including investments in our supply chain and information technology capabilities.

13. What differentiates your company from competitors?

Auto Plus, the country's largest distributor of name brand Automotive and Truck Parts, is a subsidiary of Icahn Enterprise L.P. (IEP) – a \$24 Billion dollar holding company whose portfolio includes 36% ownership of the largest North American OEM and Aftermarket Parts Supplier, Tenneco/Federal Mogul. This allows IEP to have a very dominant position in the market in all the segments that it manufactures including: Wagner Brake & Lighting, Moog Chassis, Monroe Ride Control, Precision U-Joints, Walker Exhaust, BCA Bearings, National Seals, Champion Spark Plugs, Anco Wiper Blades, and Fel-Pro Gaskets.

14. Describe the capabilities of your firm's on-line catalog/ordering website.

Once a member has established an account, they are eligible to receive a specific Username and Password for our E-commerce website with contractual price loaded, as well as, real-time inventory at the servicing location, sister stores, and Distribution Center.

15. Describe your company's Customer Service Department (hours of operation, number of service centers, etc.). All participating members will be provided a Commercial Account Manager and have access to the professionally trained staff at each servicing Auto Plus store who can assist with delivery & availability inquiries. Additionally, we have a centralized call center specializing in HD Fleet applications available via toll-free number to further assist with technical needs.

Marketing/Sales

17. Detail how your organization plans to market this contract within the first 90 days of the award date. This should include, but not be limited to:
- a. A co-branded press release within first 30 days
 - b. Announcement of award through any applicable social media sites
 - c. Direct mail campaigns
 - d. Co-branded collateral pieces
 - e. Advertisement of contract in regional or national publications
 - f. Participation in trade shows
 - g. Dedicated Equalis Group and Region 10 ESC internet web-based homepage with:
 - i. Equalis Group and Region 10 ESC Logo
 - ii. Link to Equalis Group and Region 10 ESC website
 - iii. Summary of contract and services offered
 - iii. Due Diligence Documents including; copy of solicitation, copy of contract and any amendments, marketing materials
18. Describe how your company will demonstrate the benefits of this contract to eligible entities if awarded.
- The primary mission of our sales force is to provide comprehensive solutions, including time/cost benefits through cooperative usage, to our clients. We fully understand the importance and growth of Cooperatives in today's procurement landscape and intend to provide them as an option to all agencies, awarded or not.
19. Explain how your company plans to market this agreement to existing government customers. As direct contracts with existing government customers approach full term, our internal sales managers are notified and will target these agencies as cooperative opportunities.
20. Provide a detailed 90-day plan describing how the contract will be implemented within your firm. Auto Plus is the supplier for many large Private sector and Government fleets and considering the unique requirements of each contract, we adopt a "listen-first" approach to ensure a smooth launch and successful performance during contract term. A sample project plan is attached for review ref *Attachment IV – Auto Plus_Sample Project Plan*
21. Describe how you intend on train your national sales force on the Region 10 ESC agreement. If awarded, Auto Plus will first host a centralized meeting for our National Sales Management team and support staff encompassing pertinent contractual detail which will be cascaded regionally to our over 200 direct sales employees. Auto Plus will be integrating this contract in our sales offering by training all of our sales people how to utilize this contract to grow our business. We will solicit business from both the existing membership, plus train our sales team on how to utilize this contract with potential Equalis members. Once our professional sales force is familiar with the Equalis membership process and necessary documentation, they will act as your sales force by encouraging and assisting potential members in establishing Equalis Membership. We have hundreds of trained professionals who will take this program to the street and participate in available training opportunities to ensure continuous program focus and familiarity.

Administration

24. Describe your company's implementation and success with existing cooperative purchasing programs, if any, and provide the cooperative's name(s), contact person(s) and contact information as reference(s).

Further details pertaining to our implementation process can be found on Attachment IV and a sample of our marketing pamphlet on Attachment V. Auto Plus has achieved double digit year-over-year sales growth for all cooperative awards received. We will gladly supply cooperative contract contacts upon notice of award.

25. Describe the capacity of your company to report monthly sales through this agreement. Each participating member's account will be tagged with an appropriate code that is associated with the Equalis agreement. All orders placed at an Auto Plus location are tracked through our order entry system and stored in our Data Warehouse. When a report is required, all sales are grouped by the aforementioned code, which generates an electronic report of all sales.

26. Describe the capacity of your company to provide management reports, i.e. consolidated billing by location, time and attendance reports, etc. for each eligible agency.
Yes, we can provide summary and detailed transactional and service level reporting.

27. Please provide any suggested improvements and alternatives for doing business with your company that will make this arrangement more cost effective for your company and Participating Public Agencies.

Please see the following page 39A

Green Initiatives

We are committed to helping to build a cleaner future! As our purchasing network, we want to make sure we minimize our impact on the Earth's climate. So we are taking every step we can to implement innovative and responsible environmental practices throughout Region 10 ESC to **reduce our carbon footprint**, reduce waste, promote energy conservation, ensure **efficient computing**, and much more. We would like vendors to partner with us in this enterprise. To that effort, we ask Respondents to provide their company's environmental policy and/or green initiative.

28. Please provide your company's environmental policy and/or green initiative.

Auto Plus takes pride in the environmentally mindful recycling efforts that have been implemented and processed through our own DCs including:

- Batteries
- Cardboard
- Numerous Car Parts/Cores including but not limited to:
 - Starters & Alternators
 - Water pumps
 - Wiper Motors

Vendor Certifications (if applicable)

29. Provide a copy of all current licenses, registrations and certifications issued by federal, state and local agencies, and any other licenses, registrations or certifications from any other governmental entity with jurisdiction, allowing Respondent to perform the covered services including, but not limited to licenses, registrations or certifications. M/WBE, HUB, DVBE, small and disadvantaged business certifications and other diverse business certifications, as well as manufacturer certifications for sales and service must be included if applicable.

Due to our size, coverage and vast customer base, it would be difficult to include all of the above mentioned credentials with our response but we would be happy to provide documentation to Equalis members upon request.

References

30. Provide a minimum of three (3) customer references for product and/or services of similar scope dating within the past 3 years. Please try to provide an equal number of references for K12, Higher Education and City/County entities. Provide the following information for each reference:

General Pricing

- In addition to the prices offered in Attachment B (core price list), respondents shall provide a calculation for pricing on all other products under the scope of this RFP.
- The calculation should be based on a discount from a verifiable price list or catalog and multiple percentage discounts are acceptable if, where different percentage discounts apply, different percentages are specified.
- Additional pricing and/or discounts may be included.

Not to Exceed Pricing

- Region 10 ESC requests pricing be submitted as not to exceed for any participating entity.
- Unlike fixed pricing the awarded vendor can adjust submitted pricing lower if needed but, cannot exceed original pricing submitted for solicitation.
- Vendor must allow for lower pricing to be available for similar product and service purchases.

Auto Plus stocks over 2M skus with new numbers constantly added and ongoing supersessions by the manufacturers. Please see Attachment B, Tab 2 - "Core Price List v2" for our version of the requested data.

Auto Plus Stores will maintain the discounts quoted below for the life of this contract and apply to the then current list prices. Auto Plus Stores reserve the right to sell at more aggressive discounts to meet market conditions and extend our sale and promotional pricing. Not all brands are available at all stores.

Appendix G: VALUE ADD

Please include any additional products and/or services not included in the scope of the solicitation that you think will enhance and/or add value to this contract participating agencies.

In addition to supplying Fleet & Automotive Parts and Services, Auto Plus also provides customized administrative services. Many of our customers are having increasing difficulty managing and staffing their parts rooms. In some instances, help is simply needed to outsource the inventory management function where our VMI (Vendor Managed Inventory) services are requested. In other instances where staffing or payroll expenses are an issue, we have been asked to provide a more comprehensive solution and have assumed complete responsibility for managing our customer's parts rooms. For these instances, no two situations seem to be the same and Auto Plus has custom tailored solutions to meet the needs of our valued customers. Both of these service offerings would be available to the Equalis membership.

AC Delco (Pg. 1)

ACDelco, General Motors Company, warrants that within **12 months** after sale over-the-counter to the initial user of a new or rebuilt product distributed through ACDelco, or within **12,000 miles** after such product has been installed on a motor vehicle, whichever occurs first, it will repair or replace, at our option, any such ACDelco product that fails due to a defect in material or workmanship. Subsequent replacements under this warranty will receive the balance of the original warranty period.

The products listed below also have warranty coverage detailed in a Consumer Warranty Statement. If the consumer does not qualify under the terms of the Consumer Warranty Statement, with the exception of those product lines identified with an asterisk *, warranty coverage then reverts to the 12 month or 12,000 mile ACDelco Replacement Products Distributor Warranty.

NOTE: This warranty covers failures due to defects in material or workmanship only.

AC Delco (Pg. 2)

THIS WARRANTY DOES NOT COVER:

- Damage or failure due to negligence, alteration, accident, abuse, improper installation, or use for a purpose which the product is not designed or approved by ACDelco.
- Damage or excessive wear due to improper installation of disc brake pads, drum brake shoes or other brake parts.
- Labor costs incurred for inspection, removal or reinstallation.
- Vehicles used in racing or other competition.
- Damage due to the lack of maintenance or use of wrong fuel, oil, refrigerant or lubricants.
- Damage or failure due to system contamination.
- Costs incurred for the removal and installation of a replacement part from a vehicle, engine or transmission.
- Loss of time, inconvenience, loss of use of the vehicle or other consequential damages.
- Products installed on vehicles registered and normally operated outside of the United States or Canada.

Replacements qualifying under this warranty are to be made by any authorized performer within a reasonable time following delivery of the malfunctioning product to the authorized performer's place of business. Defective or malfunctioning products must be delivered to the place of business of the authorized performer during regular business hours for replacement. The authorized performer must be furnished with the initial user's copy of the original sales slip on counter sales, or the initial user's copy of the repair order to validate purchase date and vehicle mileage, as applicable, along with a statement describing the trouble and miles of use.

ACDelco will reimburse the authorized Direct Account for replacements under the terms of this warranty when claims for such replacements have been properly documented and the product has been determined by ACDelco to be defective. ACDelco Direct Accounts must produce all records requested by ACDelco in support of warranty claims (i.e. copy of original sales slip or original repair order). The supporting documentation can be scrapped with the warranty parts (Non Core) after credit is issued by ACDelco .

This warranty is the only warranty applicable to ACDelco replacement products with the exception of those products listed above and is expressly in lieu of any other warranties, express or implied, including any implied warranty of merchantability or fitness for a particular purpose. ACDelco does not authorize any person to create for it any other obligation or liability in connection with these products. ACDelco shall not be liable for consequential damages resulting from breach of this written warranty or any implied warranty.

Warranty – AGS® warrants to Customers who purchase Product from authorized AGS® distribution channels for use in their profession that AGS® brand Products and XForce® brand Products will be free from defects in workmanship and materials. The warranty duration depends upon the nature of the Product. If the Product information for purchased Product does not include a warranty statement with the applicable duration or prior to a Product purchase, Customer can obtain the Product warranty statement and warranty duration from a selling AGS® dealer or representative or by writing AGS® at **AGS Company – Customer Service 2651 Hoyt Street, Muskegon, MI 49444 USA**. Consumable Products are warranted, at the time of sale, only against defects in workmanship or materials that prevent their use. Consumable products are goods reasonably expected to be used up or damaged during use. This warranty only extends to the original Customer and cannot be transferred or assigned.

During the applicable duration of the warranty, at its option, AGS® will repair or replace its Products which fail to give satisfactory service due to defective workmanship or materials, or provide a refund by repaying or crediting Customer with an amount equal to the purchase price of such Products. Repair, replacement or refund shall be at the election and expense of AGS®, and is **Customer’s** exclusive remedy in place of all other rights and remedies. Any products or parts replaced or for which AGS® has provided a refund are the property of AGS® and will not be returned. By repairing or replacing a Product, or providing a refund, AGS® does not waive a claim that a Product nevertheless has been subject to abnormal use.

To obtain warranty service, return products to an authorized AGS® distributor.

For customers not serviced by an authorized AGS® distributor, contact AGS® Customer Service via telephone at 1-800-253-0403 or e-mail customerservice@agscompany.com. The following information will be required with the **customer’s** warranty request: (1) date and proof of purchase, (2) where customer purchased the product,

(3) full name, (4) shipping address, (5) phone number, (6) e-mail address, (7) item number(s) or approximate weight of return package. Warranty requests that do not include all of the required information will not be processed. Once the warranty request is validated, the customer will be provided an RGA number and sent a shipping label either electronically thru e-mail or thru the U.S. mail, and must ship the product to AGS®. Upon receipt of the product, the warranty claim will be reviewed and the product will be inspected. If the warranty request is found to be valid, the product will be repaired and returned to the customer or a replacement product or refund will be shipped to the customer. If the warranty claims is found to be invalid, the original product will be returned to the customer. By repairing or replacing a Product, or providing a refund, AGS® does not waive a claim that a Product nevertheless has been subject to abnormal use.

If you choose not to (1) use a carrier that offers tracking or (2) insure or declare the full value of the product, you will be responsible for any loss or damage to the product during shipping. Replacement or refund will not be issued unless a valid proof of delivery can be provided.

In addition to any limitations outlined in warranty statements provided with the Product, AGS® does NOT provide any warranty for (1) products labeled other than AGS® or XForce® or (2) products subjected to **“abnormal use”**. Products that are not labeled AGS® or XForce® are subject to the warranty provided by the manufacturers of those products and AGS® will pass along any such warranties. **“Abnormal use”** includes misuse, accident, modification, unreasonable use, abuse, neglect, lack of maintenance, use in product-related service, or use after the product is significantly worn. Abnormal use also includes, without limitation, situations when a unit is pulled using a mechanical vehicle, rolled over large drops, used in a highly corrosive environment, modified with non-AGS® or XForce® parts, overloaded or modified in any way.

LIMITED LIFETIME WARRANTY

WHAT DOES THE WARRANTY COVER?

Customer satisfaction is our top priority. This warranty covers any new clutch category product that is purchased from AMS Automotive ("Product") which fails due to a defect in materials or workmanship as long as the product is used normally and serviced and installed properly on your vehicle. This warranty is subject to the terms, conditions and exclusions provided below. This warranty is valid only to the original purchaser of the Product and may not be transferred.

HOW LONG DOES COVERAGE LAST?

This warranty begins with the purchase and installation of a new AMS Automotive Complete Clutch System (consisting of a clutch kit, hydraulics and flywheel) and provides a "Limited Lifetime Warranty" for a product. The warranty period will be as long as the original purchaser of the product owns the vehicle for which the product was originally purchased and installed. Coverage terminates, including any and all implied warranties such as the implied warranty of merchantability or fitness for a particular purpose, at the end of the applicable warranty period or earlier if the original purchaser sells or otherwise transfer ownership of their vehicle using the Product. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to the original purchaser. If a Product is replaced under this warranty ("Defective Product"), a replacement Product will be covered until the original purchaser sells or otherwise transfers ownership of their vehicle that had the Defective Product, or if the original purchaser installs or uses the replacement Product on another vehicle, or if the original purchaser uses the part in a manner other than in the way the manufacturer had intended.

Commercial Vehicles - Any Product which is used or installed on a commercial vehicle shall have a warranty period of ninety (90) days after the date of its purchase only.

If any component of the Complete Clutch System is bought and installed separately, the following warranty terms apply:

- **CLUTCH KITS** — Matched clutch kits consisting of 3-5 related component parts are warranted to be free from defects in workmanship and materials, under normal use and service. Each standard clutch kit is warranted for twenty-four (24) months or twenty-four thousand (24,000) miles (40,000 kilometers) (whichever occurs first) from the date of installation if not purchased as part of a Complete Clutch System. Each Performance Plus (SR100, SR200 or SR300 part numbers) clutch kit is warranted for eighteen (18) months or eighteen thousand (18,000) miles (30,000 kilometers).
- **FLYWHEELS** — Each light duty and HD flywheel is warranted for twenty-four (24) months or twenty-four thousand (24,000) miles (40,000 kilometers) (whichever occurs first) from the date of installation if not purchased as part of a Complete Clutch System.
- **HYDRAULICS** — Each hydraulic master cylinder, slave cylinder and pre-bled system is warranted for twenty-four (24) months or twenty-four thousand (24,000) miles (40,000 kilometers) (whichever occurs first) from the date of installation if not purchased as part of a Complete Clutch System.
- **CLASS 4, 5 and 6 CLUTCH KITS** — Warranted to be free from defects in workmanship and material, under normal use and service beginning on the verified installation date and ending twelve (12) months thereafter with no mileage limit.
- **CLASS 7 and 8 CLUTCH KITS** — Warranted to be free from defects in workmanship and material, under normal use and service beginning on the verified installation date and ending twenty-four (24) months thereafter with no mileage limit.

Limited Warranty - Brakes

Each set of UltraQuiet Premium Grade Disc Brake Pads (referred to as "UltraQuiet Pads"), ProQuiet Professional Grade Disc Brake Pads (referred to as "ProQuiet Pads"), TITAN Severe Duty Commercial Grade Disc Brake Pads (referred to as "TITAN Pads"), and ProQuiet Professional Grade Brake Shoes (referred to as "ProQuiet Brake Shoes") is warranted to be free from defects in workmanship and materials, under normal use and service. Each is warranted for twelve (12) months or twelve thousand (12,000) miles (whichever occurs first) from the date of installation.

Each set of INTIMIDATOR Service Grade Disc Brake Pads (referred to as "INTIMIDATOR Pads") is warranted to be free from defects in workmanship and materials, under normal use and service.

This warranty is made upon the condition that at the time of installation, the complete axle set of four (4) friction components are replaced together. There shall be no obligation under this limited warranty unless the UltraQuiet Pads, ProQuiet Pads, TITAN Pads, INTIMIDATOR Pads or ProQuiet Brake Shoes are returned with all original components.

Each RotoQuiet Brake Drum and Disc Brake Rotor (referred to as "RotoQuiet Drums and Rotors") is warranted to be free from defects in workmanship and materials, under normal use and service. Each is warranted for twelve (12) months or twelve thousand (12,000) miles (whichever occurs first) from the date of installation.

Each set of UltraQuiet Pads, ProQuiet Pads, TITAN Pads, or ProQuiet Brake Shoes, and each RotoQuiet Drum or Rotor is henceforth referred to in this warranty as "Product".

This limited warranty does not apply to the following (and does not apply to claimed defects arising from or related to the following):

- Any Product used in applications and/or environments for which it was not designed.
- Normal wear and tear.
- Improper installation or lack of proper maintenance.
- Any Product that was altered, repaired, or was damaged by accident, negligence, or misuse.
- Any Product damaged by excessive heat caused by slipping.
- Product with oil contamination, grease contamination, or rust.

The right to inspect a Product and/or sub-component to determine if it has failed because of a defect in workmanship or materials is expressly reserved.

No other warranties, guaranties, or representations of any type (express or implied) are made, and all warranties (including any implied warranties of reasonable care, merchantability, or fitness for a particular purpose) are disclaimed. This warranty does not cover labor charges. All incidental or consequential damages, from any cause whatsoever, and any such liability, is disclaimed. The sole remedy for any claimant under this warranty shall be the repair, replacement, or credit for the Product as determined to be defective by the authorized warranty inspector (and in the sole and final discretion of the authorized warranty inspector). Any liability for damage arising out of or related to a Product, the purchase of a Product, or the installation of a Product (whether for breach of contract, tort (including, without limitation, any negligence or strict liability), or any other claim or cause of action), is limited to the repair, replacement, or credit of the Product (in the sole discretion of the authorized warranty inspector). The liability limitations contained in this warranty shall inure to the benefit of all sellers, retailers, distributors, suppliers, wholesalers and manufacturers of the Product and sub-components.

How To Exercise Your Warranty

Any claims for defects under this limited warranty should be submitted promptly to the authorized distributor from which the Product was purchased. Any defective part as determined in the discretion of the authorized warranty inspector will be repaired, replaced, or credited (at the discretion of the warranty inspector). The purchaser will be responsible for all return shipping charges and related costs.

Federal-Mogul Motorparts Authorized Warranty / Alleged Defective Policy

F-M Authorized policy and procedures for this type of return are as follows, *with no exceptions*.

- A. Allegedly defective parts require approval by an F-M Customer Service or Sales Representative.
- B. **Warranty/Defects will no longer be accepted for return by the manufacturer.**
- C. **With prior F-M representative approval, alleged warranty/defective product must have part #'s defaced, boxes removed, warranty tags removed, product defaced or painted, before it is ready to be scrapped out.**
- D. The warranty does not include: the cost of labor for removal and installation; police cars, race cars, taxis, commercial, fleet, Governmental or modified vehicles; product that has been subjected to misuse, accident, improper installation, maintenance or improper application; obsolete parts no longer available from F-M; product that has been transferred to the vehicle on which it was originally installed.
- E. **Certain F-M product lines have no warranty/defective return privileges unless provided by the local distributor or reseller: Champion Spark Plugs, Wagner Lighting, Rainy Day Wiper Blades, and bulk or obsolete parts.**
- F. No credit will be issued for opened boxes that can be resealed and returned to inventory of the local distributor or reseller, dirty or damaged packages, or competitor products.
- G. Federal-Mogul retains the right to periodically audit warranty returns.
- H. Damaged in transit, mis-packaged or missing parts are not subject to warranty/defective policy and procedures. Damaged in transit, mis-packaged or missing parts will be exchanged via the Federal-Mogul distributor. Distributors should call customer service @ 1-800-560-1400 for a Returned Goods Authorization (RGA) and directions for the return. **See "Other Returns" for additional information.**
- I. In the event of a labor claim associated with the defective part, please obtain a Labor Claim Form from an F-M Sales Representative and follow the instructions for further documentation and shipping to product analysis locations.
- J. Allegedly Defective product submitted for the purposes of misrepresenting circumstances surrounding the claim (e.g. old parts replaced during the repair) will be considered fraud and prosecuted accordingly.

RETURN PRIVILEGES AND DISCLAIMER OF ALL IMPLIED WARRANTIES, CONSEQUENTIAL DAMAGES OR OTHER LIABILITY

All products sold by Beck Arnley Holdings LLC ("Beck/Arnley") are warranted to be free of defects in material and workmanship, under the terms as stated below. If product(s) are found to have non-conformities in either materials or workmanship, Beck/Arnley will replace such products or credit the Beck/Arnley distributor at their current purchase price in accordance to the applicable Limited Warranty Policy. The replacement or credit privileges apply only to **products determined at Beck/Arnley's sole discretion to be non-conforming** within the applicable warranty period. The Limited Warranty Policy does not apply to racing, off road, marine, or industrial motor vehicles.

Beck/Arnley has four (4) Limited Warranty Policies:

- 1) The General Limited Warranty Policy, that applies to all Beck/Arnley products unless otherwise stipulated. A copy of which is attached as Schedule 1;
- 2) The Specified Product Limited Warranty Policy, that applies to the Ignition Wire Sets (175), the suspension products (101, 102), and the new water pumps (131). A copy is hereby attached as Schedule 2;
- 3) The New Distributors (185-5xxx) Limited Warranty Policy, attached as Schedule 3; and
- 4) The Commercial Limited Warranty Policy, attached as Schedule 4.

SCHEDULE 1: GENERAL LIMITED WARRANTY POLICY

Unless otherwise stipulated in Schedules 2 to 4, the applicable duration of the warranty period for Beck/Arnley-branded products ("Products") is **one (1) year; or 12,000 miles/19,000 kilometers (whichever comes first)**. This limited warranty does not apply to (i) accidents, alterations, negligence, misuse, wrong application or incorrect installation which results in or contributes to product failure; or (ii) Products installed on commercial, fleet, racing, off road, marine, or industrial motor vehicles. No Beck/Arnley distributor or any other retailer or installer may make any warranties on behalf of Beck/Arnley with respect to any Beck/Arnley Products to any consumer or customer to which it sells Beck/Arnley Products. This limited warranty is non-transferrable.

Beck/Arnley's sole obligation under the warranty is limited to replacement or credit for the price of the non-conforming Product, at Beck/Arnley's sole option. Cost of removal, installation, towing, replacement rental, storage, and repairs are not covered, nor are the cost of shipping and freight to return Products to Beck/Arnley. Replacement Products are individually warranted only under the same terms and for the remaining balance of the limited warranty period applicable to the replaced Product.

DISCLAIMER OF WARRANTIES. THE FOREGOING LIMITED WARRANTY IS IN LIEU OF AND EXCLUDES ALL OTHER WARRANTIES NOT EXPRESSLY SET FORTH HEREIN, WHETHER EXPRESS OR IMPLIED, BY OPERATION OF LAW OR OTHERWISE, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. TO THE EXTENT THAT ANY IMPLIED WARRANTIES MAY NONETHELESS EXIST BY OPERATION OF LAW, ANY SUCH WARRANTIES ARE LIMITED TO THE DURATION PROVIDED BY THAT LAW. SOME STATES/PROVINCES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE LIMITATIONS MAY NOT APPLY TO YOU.

LIMITATION OF LIABILITY. BECK/ARNLEY'S SOLE LIABILITY UNDER THIS LIMITED WARRANTY SHALL BE REPLACEMENT OR CREDIT FOR THE PRICE OF THE PRODUCT, AS SET FORTH ABOVE. IN NO EVENT, WILL BECK/ARNLEY BE LIABLE FOR INCIDENTAL, CONSEQUENTIAL, INDIRECT, SPECIAL, OR PUNITIVE DAMAGES INCLUDING, BUT NOT LIMITED TO, LABOR, REMOVAL, REINSTALLATION, RENTAL REPLACEMENT, LOSS OF USE OF THE PRODUCT, LOSS OF PROFITS, LOSS OF REVENUE, LOST GOODWILL, CLAIMS OF EMOTIONAL DISTRESS, OR CLAIMS OF WARRANTY HOLDERS' CUSTOMERS, WHETHER BASED ON CONTRACT, WARRANTY, TORT (INCLUDING, BUT NOT LIMITED TO, STRICT LIABILITY OR NEGLIGENCE) OR OTHERWISE, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. SOME STATES/PROVINCES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU. THIS LIMITED WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE, AND PROVINCE TO PROVINCE. EVEN IF THIS LIMITED WARRANTY IS DEEMED TO HAVE FAILED OF ITS ESSENTIAL PURPOSE, IN NO EVENT WILL BECK/ARNLEY'S ENTIRE LIABILITY EXCEED THE PURCHASE PRICE OF THE PRODUCT WARRANTED HEREUNDER.

Beck Arnley (Pg. 2)

If there is a warranty claim, the Beck/Arnley Product must be returned with the original invoice to the Beck/Arnley distributor from whom the Product was originally purchased for verification and replacement under this warranty. Before making a warranty return, Beck/Arnley distributor must receive the appropriate authorization by providing a Beck/Arnley customer service representative with the required documentation. Beck/Arnley reserves the right not to replace the Products or credit the price of the Product if the Beck/Arnley distributor fails to obtain the proper authorization or submit the necessary documentation. THE STATUTE OF LIMITATIONS APPLICABLE TO ALL CLAIMS ARISING UNDER THIS WARRANTY OR OTHERWISE SHALL BE ONE (1) YEAR FROM THE DATE THE CLAIM FIRST ACCRUES.

Beck/Arnley Products are for vehicles manufactured for sale in the United States and Canada. The application information included in the Beck/Arnley catalog is compiled from the latest available information. Every attempt has been made to ensure the accuracy of the information. However, Beck/Arnley disclaims any responsibility for any damages of any kind arising in any way out of possible errors in the catalog.

To maintain its high standards, Beck/Arnley reserves the right to change the materials or design of the Products, without notice, to improve quality and/or availability. Under absolutely NO circumstances should these Products ever be used in, without limitation, aircraft, medical equipment, atomic energy devices or reactors.

SCHEDULE 3: NEW DISTRIBUTORS (185-5xxx) LIMITED WARRANTY 24 Months / Unlimited Mileage Limited Warranty

NEW DISTRIBUTORS (185-5xxx) LIMITED WARRANTY

Unless otherwise stipulated in this Schedule 3, the General Limited Warranty Policy in Schedule 1 shall apply.

Beck Arnley Holdings LLC ("Beck/Arnley") warrants all new distributors (185-5xxx) (the "Products") to the original purchaser against defects in materials or workmanship when used on private passenger cars and light trucks under normal operating conditions for a period of 24 months/unlimited miles, as long as the original purchaser owns the vehicle on which these Beck/Arnley Products were originally installed per application listed in the catalog. This limited warranty does not apply to (i) broken shafts, distributor caps, distributor rotors, accidents, alterations, negligence, misuse, wrong application or incorrect installation which results in or contributes to product failure; or (ii) Products installed on commercial, fleet, racing, off road, marine, or industrial motor vehicles. Disassembled units or those missing parts are ineligible for warranty replacement. No Beck/Arnley distributor, or any other retailer or installer may make any warranties on behalf of Beck/Arnley with respect to any Beck/Arnley Products to any consumer or customer to which it sells Beck/Arnley Products. SCHEDULE 4: COMMERCIAL LIMITED WARRANTY

60 Day Limited Warranty

COMMERCIAL LIMITED WARRANTY FOR ALL BECK/ARNLEY PRODUCTS

Unless otherwise stipulated in this Schedule 4, the General Limited Warranty Policy in Schedule 1 shall apply.

Any Beck Arnley Holdings LLC ("Beck/Arnley") products ("Products") installed on vehicles used for commercial purposes, including but not limited to use in commercial or fleet vehicles, is limited to a 60 day warranty against defects in workmanship or materials, from the date of purchase, which supersedes any other warranty, written or implied. This limited warranty does not apply to racing, off road, marine, or industrial motor vehicles. This limited warranty also does not apply to broken shafts, distributor caps, distributor rotors, accidents, alterations, negligence, misuse, wrong application or incorrect installation which results in or contributes to product failure. No Beck/Arnley distributor or any other retailer or installer may make any warranties on behalf of Beck/Arnley with respect to any Beck/Arnley Products to any consumer or customer to which it sells Beck/Arnley Products. This limited warranty is non-transferrable.

Beck/Arnley's sole obligation under the warranty is limited to replacement or credit for the purchase price of the non-conforming Product, at Beck/Arnley's sole option. Cost of removal, installation, towing, replacement rental, storage, and repairs are not covered, nor are the cost of shipping and freight to return Products to Beck/Arnley. Replacement Products are individually warranted only under the same terms and for the remaining balance of the limited warranty period applicable to the replaced Products.

However, Beck/Arnley disclaims any responsibility for any damages of any kind arising in any way out of possible errors in the catalog.

To maintain its high standards, Beck/Arnley reserves the right to change the materials or design of the Products, without notice, to improve quality and/or availability. Under absolutely NO circumstances should these Products ever be used in, without limitation, aircraft, medical equipment, atomic energy devices or reactors.

Bosch Batteries (Pg. 1)

Bosch takes great pride in the batteries it manufactures and Bosch's distributors provide a limited warranty program for many of Bosch's batteries. There are 2 components of the limited warranty program for batteries covered by Bosch's distributor's Limited Warranty: **FREE REPLACEMENT** and **PRO-RATA**.

The label on every Bosch-labeled battery covered by Bosch's distributor's limited warranty specifies the total number of months covered by the free replacement period and pro rata (if applicable). See highlights in examples below.

Auto/Truck/SUV **4 Year Free Replacement****
For more information visit www.boschbattery.com

The Pro-Rata period applies after the free replacement period expires, until the end of the total limited warranty. So for a battery with 96 total months in the limited warranty, and a 36-month free replacement period, the free replacement limited warranty applies in months 1 through 36 and the Pro-Rata limited warranty applies in months 37 through 96.

Bosch Batteries (Pg. 2)

NOTE: This limited warranty limits **Bosch's distributor's** responsibility to providing a replacement battery or a Pro-Rata purchase price in the event of defects in materials or workmanship, under the below terms. Warranty law varies from state to state, however, and so you may also have additional legal **rights depending on your state's** laws.

If your battery fails to start your vehicle / equipment, we recommend the following course of action:

1. Determine if the battery needs a boost or replacement. Most batteries that fail are simply discharged and need a boost.**
Bosch recommends having the battery tested first to determine the cause of failure. If the battery is simply in need of a boost, have it re-charged and re-tested.
2. If the battery is still not working properly, you can determine if the battery is under the free replacement period by referring to the free replacement period on the front label, and checking the date on your original receipt.*** If the battery is under the free replacement period, it can be replaced with a new replacement Bosch battery of the exact same type at no charge to you at the original point of purchase (other than any applicable installation charges).
3. If the battery is outside the free replacement period, you will need to determine whether the battery is eligible for the Pro-Rata program. To determine how long the battery has been in service, and whether it is eligible for the Pro-Rata program look at your original battery receipt or if the receipt is not available, look at the battery date punch-out on the label.

* If the label does not reference a warranty period, this limited warranty program does not apply, and **Bosch's** distributor does not provide any warranties except as otherwise required by applicable law. Warranties may be offered by the seller at the place of purchase, but **Bosch's distributor** is not responsible for any such warranties.

** Warranty is reduced by 50% for the Bosch Auto/Truck/SUV and Marine/RV batteries if used in a commercial application and for Bosch Heavy Duty batteries if used in APUs (Auxiliary Power Units).

THIS WARRANTY DOES NOT COVER merely discharged product and can be denied for batteries damaged due to abuse or neglect, including but not limited to the following:

Bosch Batteries (Pg. 3)

- Battery hold-downs not used properly or not torqued per the BCI Service Manual recommendations, leading to excessive battery vibration or battery damage due to over-torque
- Low electrolyte levels for batteries which require maintenance
- Accelerated corrosion/low electrolyte level due to exposure to excessive temperatures
- Batteries that have been **refilled** with any substance besides distilled water that may have contaminated the battery
- Batteries not maintained at a **sufficient** state of charge during periods of both in-vehicle and out of vehicle storage
- Batteries that have been subjected to excessive out of vehicle charging or to an uncontrolled in-vehicle charging system (i.e. faulty alternator)
- Batteries that have been physically damaged including a cracked, punctured, or deformed battery case or cover; broken or severely damaged battery terminals
- Batteries with damaged terminals due to loose, inadequate or high resistance connections
- Batteries with loose or missing vents (non-sealed designs)
- Batteries that have been installed and operated in reverse in vehicle, leading to reverse battery polarity
- Improper battery box or **insufficient** protection from the elements (i.e. rain, snow, or ice)
- Batteries that have been operated in an application that it was not designed and/or marketed to support
Example: Standard SLI batteries that are used in cycling applications

*****Proof of purchase is required (original receipt) for the free replacement warranty.**

BOSCH® FREE REPLACEMENT WARRANTY

If a battery is returned within the Free Replacement Period (calculated from the date of sale to the consumer or end user) for failure to perform due to defects in materials or workmanship, you are entitled to a new replacement Bosch Battery of the same type at no charge at the original point of purchase (subject to any applicable installation charges, taxes and government required fees).

1 BOSCH® Pro-Rata LIMITED WARRANTY

Bosch's distributor offers Pro-Rata warranty only on batteries only on flooded automotive passenger car batteries.

1.1.1.1 How do you tell if a battery is eligible for Pro-Rata Limited Warranty credit?

- Check the label or consult the Bosch distributor who sold you the battery. If the label and/or the distributor indicate that this part number is eligible for Pro-Rata Limited Warranty, you can apply for the credit.

If a battery is returned within the Pro-Rata replacement period (calculated from the original battery receipt) for failure to perform due to defects in materials or workmanship, you will only be charged a prorated amount for a replacement battery of the exact same type. You can obtain a replacement battery for the prorated price at the original point of purchase.

COVERAGE and DURATION

CARDONE warrants that it will provide a free replacement for any A1 CARDONE®/CARDONE ULTRA® unit that fails or proves defective during normal use on the vehicle on which it was originally installed. This warranty does not apply to an A1 CARDONE/CARDONE ULTRA product which has been altered, misused, damaged, installed improperly, installed on a vehicle for which it was not designed, installed on a racing or high performance vehicle, or, in the case of A1 CARDONE Master Cylinders, installed using the wrong brake fluid (use only D.O.T. 3 or D.O.T. 4 as per O.E. specifications). This warranty also does not apply to any A1 CARDONE Steering Part that was installed without a steering system flush using O.E. recommended fluid. On commercial/fleet vehicles, all A1 CARDONE/CARDONE ULTRA products listed above are covered for up to **1 year or 18,000 miles**, whichever occurs first. This warranty is extended only to the owner of the vehicle on which the A1 CARDONE/CARDONE ULTRA unit is installed, for as long as that person owns the vehicle, and is not transferable.

Cardone (Pg. 2)

REMEDY and SERVICE

A replacement for a failed or defective A1 CARDONE/CARDONE ULTRA unit is available from the point of purchase. The unit must be returned with proof of purchase and a written description of the failure or defect.

EXCLUSIONS

CARDONE makes no warranties of merchantability or fitness for a particular use or purpose and no other warranties, representations or guarantees, whether written or oral, beyond those contained in this warranty. The replacement of the unit is the sole and exclusive remedy for the claims of any type (including personal injury) arising from the failure or defective condition of the A1 CARDONE/CARDONE ULTRA unit, from CARDONE's negligence or breach

of legal duty, or otherwise. CARDONE will not reimburse the vehicle owner for the cost of removing or returning the failed or defective unit, installing the replacement unit or replacing any other parts, or for any other expenses, charges or damages.

LIMITATION on LIABILITY

To the extent allowed by law, CARDONE will have no obligation to the vehicle owner for any incidental or consequential damages arising from the failure or defective condition of the A1 CARDONE/CARDONE ULTRA unit, from CARDONE's negligence or breach of legal duty, or otherwise. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state.

COVERAGE and DURATION

CARDONE warrants that it will provide a free replacement for any CARDONE Select[®] unit that fails or proves defective during normal

use on the vehicle on which it was originally installed. This warranty does not apply to a CARDONE Select product which has been altered, misused, damaged, installed improperly, installed on a vehicle for which it was not designed, installed on a racing or high performance vehicle, or, in the case of CARDONE Select Master Cylinders, installed using the wrong brake fluid (use only D.O.T. 3 or D.O.T. 4 as per O.E. specifications). This warranty also does not apply to any CARDONE Select Steering Part that was installed without a steering system flush using O.E. recommended fluid. On commercial/fleet vehicles, all CARDONE Select products listed above are covered for up to

2 years or 24,000 miles, whichever occurs first. This warranty is extended only to the owner of the vehicle on which the CARDONE Select

unit is installed, for as long as that person owns the vehicle, and is not transferable.

REMEDY and SERVICE

A replacement for a failed or defective CARDONE Select unit is available from the point of purchase. The unit must be returned with proof of purchase and a written description of the failure or defect.

EXCLUSIONS

CARDONE makes no warranties of merchantability or fitness for a particular use or purpose and no other warranties, representations or guarantees, whether written or oral, beyond those contained in this warranty. The replacement of the unit is the sole and exclusive remedy for the claims of any type (including personal injury) arising from the failure or defective condition of the CARDONE Select unit, from CARDONE's negligence or breach of legal duty, or otherwise.

CARDONE will not reimburse the vehicle owner for the cost of removing or returning the failed or defective unit, installing the replacement unit or replacing any other parts, or for any other expenses, charges or damages.

LIMITATION on LIABILITY

To the extent allowed by law, CARDONE will have no obligation to the vehicle owner for any incidental or consequential damages arising from the failure or defective condition of the CARDONE Select unit, from CARDONE's negligence or breach of legal duty, or otherwise. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state.

Centric (Pg. 1)

LIMITED PRODUCT WARRANTY

Centric Parts, warrants to the original purchaser of this product ("Purchaser") that this product will be free from defects in materials and workmanship for a period of ninety (90) days from the date of purchase or for 3,000 miles of use of the product, whichever occurs first. If a defect in workmanship or materials is found in a product that has been PROPERLY INSTALLED, USED and MAINTAINED in the type of vehicle prescribed, and such product has been returned to a seller authorized to sell Centric Parts, products within such warranty period, the product will be exchanged by Centric Parts, free of charge.

This warranty is void and Centric Parts, is not responsible for any costs of repair or replacement of any products or any damages caused by a product which has been subjected to misuse, abuse, improper application, improper installation, accident or normal wear, or for any product which has been repaired or altered by persons not expressly authorized or certified in writing by Centric Parts, to do so. This warranty does not extend or apply to any product the identifying symbol of which has been removed, defaced, or changed. Any components manufactured by any supplier other than Centric Parts, which are sold herewith, are covered only by the warranty made by the manufacturer of such components. In no event shall such a warranty be more extensive in any manner than the limited Centric Parts, product warranty above. Centric Parts, will not be liable for any errors, defects or omissions in the design of any product sold hereunder, irrespective of whether such errors, defects, or omissions in design result from acts or omissions of Centric Parts, seller or purchaser or of some other third party.

This warranty does not cover, and Centric Parts, will not pay for, or provide, any labor or materials which may be necessary to remove a product or install a replacement product. This warranty is limited to the exchange of the product only, when returned with the original purchase receipt in accordance with Centric Parts, terms and conditions of sale. No person is authorized by Centric Parts, to modify or add to this warranty.

Centric (Pg. 2)

DISCLAIMER OF WARRANTY / LIMITATION OF LIABILITY

The warranty set forth above is in lieu of any other warranty, express or implied, including but not limited to, any implied warranty of merchantability or fitness for a particular purpose.

Centric Parts, will not be liable for any loss, damage, cost or expense, including without limitation any incidental or consequential damages of any kind, including those arising from personal injury, property damage or lost profits, whether based upon breach of warranty or contract, negligence or strict product or other tort liability, arising directly or indirectly in connection with the design, manufacture, sale, use or repair of the products (either separately or in combination with any other product or material) or from any other cause, other than for the cost of replacement of the product as provided in the limited product warranty above. In no event will Centric Parts, be liable to purchaser for more than the purchase price of the product sold hereunder.

To the extent that any sales person has made any oral statements to the purchaser about the product, such statements are not warranties, should not be relied on by the purchaser, and are not part of the contract of sale. The limited product warranty above is the only warranty provided to purchaser.

DISCLAIMER OF LIABILITY

Centric Parts obtained the information reflected in this catalog from reliable sources and believes this information to be complete and accurate as of the time of printing. Centric Parts does not make any warranty, express or implied, as to the correctness, accuracy, or completeness of the information in this catalog, NOR as to MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE in relation to any of the products described herein. Centric Parts specifically disclaims any responsibility or liability for any errors, omissions, changes, and updates in the information in this catalog and shall not be liable for direct, indirect, incidental, or consequential damages resulting there from. Under no circumstances should replacement parts be used when they do not appear to fit properly, or should the parts be forced to fit or modified in the field in any way. Confirm that you are using the correct replacement part.

Champion Battery

Champion Battery Limited Warranty

Champion® warrants to the original purchaser that the battery is free of defects in material and workmanship for the time period indicated on the battery labeling for private passenger cars, trucks and marine applications. Batteries used in commercial service applications (taxi cabs, fleets, emergency service, auxiliary power, stand-by power) will carry a warranty period equivalent to one-half of the time period indicated on the battery labeling.

The original sales receipt is required to establish proof of purchase (ownership) and original purchase date. The original purchase date shall be used for all warranty replacements. Purchaser is responsible for retaining original receipt for any and all warranty claims. The Champion® battery warranty is not transferrable.

If the battery fails to provide a passing test result or a replacement is necessary due to a defect in materials and/or workmanship the battery will be replaced free of charge. Batteries which are simply discharged or that test as good **are not eligible for replacement. Champion's liability is limited to the replacement of the battery. Costs for installation, towing, jump starting and loss of time are not covered or reimbursable.**

Champion® will have no obligation under this limited warranty in the event the battery is damaged or destroyed. This exclusion includes batteries which have been improperly maintained or overcharged; batteries with physical damage/alterations to the posts, cover or container; collision damage; batteries used in any applications other than those recommended (misapplication); batteries with missing/altered labeling; batteries improperly installed and frozen batteries.

THIS IS CHAMPION'S EXCLUSIVE WARRANTY. NO PARTY IS GRANTED EXPRESS OR IMPLIED AUTHORITY TO CHANGE OR ANNUL THIS WARRANTY IN ANY MANNER. IMPLIED WARRANTIES INCLUDING THAT OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY LIMITED IN DURATION TO THE DURATION OF THIS WARRANTY. CHAMPION DISCLAIMS ANY LIABILITY FOR SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES.

If you purchase your battery in a state/province that disallows limitations on implied warranty, or exclusion or limitation of special, incidental or consequential damages, the limitation and exclusions stated above may not apply to you. This warranty gives you specific legal rights. You may also have other rights which vary from state/province to state/province.

Champion Filters

CHAMPION FILTRATION PRODUCT WARRANTY TO FEDERAL-MOGUL CUSTOMERS.

Federal-Mogul Motorparts warrants that the parts it supplies will correspond with their specification at the time of delivery and will be free from defects in material and workmanship for the vehicle manufacturers recommended service interval. FM will accept no liability in respect of any defect arising from fair wear and tear, wilful damage, negligence, abnormal working conditions, misuse or alteration or repair of the parts without Federal Mogul Motorparts approval or failure to fit to the correct vehicle.

Where there is a valid claim FM shall replace the parts free of charge or refund the price of the parts.

WARRANTY CONDITIONS:

1. Federal-Mogul Motorparts has the right to examine all Champion components including any associated parts.
2. The claim must be processed through the Federal Mogul Motorparts distributor who sold the parts.
3. Proof of purchase is necessary.
4. A completed warranty claim form, available on request, must accompany all claims.
5. In the case of claims including labor charges, standard conditions of sale apply and the components will be subjected to full examination prior to any decision on the claim. Any conditions implied by law are excluded to the fullest extent permitted by law.
6. Any part removed from the vehicle under the terms of this warranty shall become the property of Federal-Mogul Motorparts.

Champion will refund the purchase price of the spark plugs.

This guarantee does not include vehicles used for commercial purposes (e.g. fleets) or performance events.

Champion Spark Plugs (Pg. 3)

NON-AUTOMOTIVE SPARK PLUG GUARANTEE

When installed in accordance with Champion recommendations, non-automotive Champion spark plugs will meet and / or exceed warranty requirements of all vehicle and engine manufacturers. Installation and use of Champion spark plugs will not void any manufacturer's vehicle or engine warranty.

Glow Plug - *30 DAY GUARANTEE

Champion Spark Plug, a brand of Federal-Mogul Motorparts, guarantees to consumer purchasers that Champion glow plugs meet and / or exceed original equipment specifications, and are guaranteed against material and workmanship for 30 days from the date of purchase. If for any reason you don't feel completely satisfied with the materials used or the workmanship of Champion glow plugs, return the plug(s) with proof of purchase to Champion Spark Plug and you will receive a refund at purchase price.

****These guarantees do not extend to damages due to misuse, accident, abuse, neglect, improper installation or application. These guarantees are limited solely to the refund cost of spark plugs and do not include the cost of labor for removal or installation.***

CURT Manufacturing (Pg.1)

CURT Manufacturing, LLC (CURT) warrants to the original purchaser (Purchaser), its products to be free from defect under normal use and service, ordinary wear and tear excepted, for the warranty period stated below, from the date of the original retail purchase, but subject to the limitations as set forth below.

Limitation on Warranty

CURT's obligation under the above warranty is limited to repair or replacement of the CURT Product (Product), at its option due to a manufacturing defect of the Product. CURT shall not be liable for the loss of or use of vehicles, loss of or damage to personal property, expenses such as telephone, lodging, gasoline, towing, tire damage or any other incidental

or consequential damages incurred by the Purchaser, or any other person or entity.

CURT will examine the returned Product. If CURT, in its exclusive discretion, determines that the defect or damaged Product is covered under this limited warranty, CURT will repair the Product or replace it at that time.

Alterations to or misuse of the Product will void the warranty. For example, overloading or exceeding an automobile or trailer manufacturers' weight ratings, or maneuvering motor vehicles equipped with Products at improper rate of speed, shall void the warranty on any of the Products. Failure to properly maintain and regularly inspect the Product according to the specific instruction sheet accompanying each Product shall also void the warranty.

Some states do not allow the exclusion or limitation of incidental or consequential damages. If such exclusions or limitations are prohibited under the applicable law, the above limitation or exclusion may not apply.

This Warranty gives you specific legal rights and you may also have other rights, which vary from state to state. The Purchaser, when returning a CURT Product, must observe the following steps:

1. The Purchaser must have proof of purchase of any damaged Product and supply the same to the headquarters of CURT. The Purchaser must obtain from CURT (toll free number is 877-CURTMFG (877.287.8634)) a Returned Goods Authorization (RGA) number in order to return any damaged Product to CURT for inspection and evaluation under this Limited Warranty.
2. The Purchaser must pay all handling charges and shipping costs to deliver Products to CURT and must send the damaged Product along with the RGA number and proof of purchase to CURT at 6208 Industrial Drive, Eau Claire, Wisconsin 54701.
3. Upon receipt of damaged Product, CURT will determine whether the damaged Product is covered under the Limited Warranty. If it is, CURT will repair or replace the Product. If the Product is replaced, the Product that is originally returned by the Purchaser shall become the exclusive property of CURT. If the returned Product is not covered under the Limited Warranty, CURT will notify the Purchaser before taking any further action with regard to repair or replacement, which would be at the Purchaser's cost.

Dayco

MANUFACTURER'S LIMITED WARRANTY

Products manufactured by Dayco are warranted to be free from defects in material and workmanship under normal operating conditions of recommended usage for a period of 12 months after shipment or 12,000 miles/19,200 kilometers of use, whichever occurs first.

Dayco's liability under this warranty is limited to the purchase price of, at its option, the repair or replacement of any product which is determined by Dayco to its satisfaction to be defective upon return to Dayco, transportation charges prepaid, with Dayco's prior written authorization. This warranty does not apply to any product which has been improperly installed, maintained, or has been subjected to improper operation or use.

EXCEPT AS EXPRESSLY STATED ABOVE, DAYCO MAKES NO WARRANTY, EXPRESS OR IMPLIED, WHETHER OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OR USE OR OTHERWISE OF THE PRODUCTS, OR ON ANY PARTS OR LABOR FURNISHED DURING THE SALE, DELIVERY OR SERVICING OF THE PRODUCTS. IN NO EVENT SHALL DAYCO BE LIABLE TO BUYER FOR ANY SPECIAL, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF, OR AS THE RESULT OF, THE SALES, DELIVERY, SERVICING, USE OR LOSS OF USE OF THE PRODUCTS OR ANY PART THEREOF, OR FOR ANY CHARGES OR EXPENSES OF ANY NATURE INCURRED WITHOUT DAYCO'S WRITTEN CONSENT. IN NO EVENT SHALL DAYCO'S LIABILITY UNDER ANY CLAIM MADE BY BUYER EXCEED THE PURCHASE PRICE OF THE PRODUCTS IN RESPECT OF WHICH DAMAGES ARE CLAIMED, EVEN IF DAYCO HAS BEEN PROVIDED WITH NOTICE OF POTENTIAL LOSS.

MANUFACTURER'S EXTENDED WARRANTY PROVIDED WHEN TIMING BELT IS INSTALLED WITH A DAYCO MANUFACTURED TIMING BELT COMPONENT KIT

When a Dayco Manufactured Timing Belt(s) and all items contained within the applicable Dayco Manufactured Timing Belt Component Kit are installed at the same time, Dayco will extend the warranty of the parts to meet the automobile manufacturer's original timing belt mileage replacement interval. If no recommended replacement interval is indicated, usual trade practice calls for replacement at 60,000 miles/96,000 kilometers.

If a Dayco part failure occurs before the mileage replacement interval, (1) return all Dayco Manufactured Timing Belts and Dayco Manufactured Timing Belt Component Kit parts (2) the UPC panel from both the Dayco Manufactured Timing Belt(s) and Dayco Manufactured Timing Belt Component Kit packaging and (3) the sales receipt(s) for parts and or service including mileage at which replacement service was performed to:

United States Customers:

Springdale, AR. 72764
Attn: Ken Hurley

Canadian Customers:
Dayco Canada Corp.
7810 Keele St., Unit C
Concord, Ontario, Canada L4K 0B7
Attn: Quality Assurance

Upon receipt, Dayco Quality Control personnel will inspect the parts to determine if failure is due to possible manufacturing error. This warranty does not apply to any product which has been improperly installed, maintained or has been subjected to improper operation due to use. If it is determined by Dayco, to its satisfaction, that the timing belt(s) or timing belt kit components are defective and were properly installed on the timing belt system of vehicles other than those used for commercial or racing, Dayco will provide replacement Timing Belt(s) and applicable Timing Belt Component Kit at no charge.

Note: Liability under any expressed or implied warranty is limited to replacement of such merchandise, in no event shall Dayco Products, LLC be liable for any incidental or consequential damages. This warranty is in lieu of all other warranties, expressed or implied, and all other obligations or liabilities on the part of Dayco Products, LLC/Dayco Canada Corp.

D.E.C. Catalytic Converters

Warranty Policy: DEC warrants that the product, a catalytic converter, is free from defects in all of the materials, and workmanship. The product has been specifically designed and manufactured to meet all specifications as it relates to emission performance requirements mandated by the EPA and the CARB. If the vehicle is properly maintained, the product is warranted to meet those specifications from the date of installation for a mileage duration or a time duration. Each State may be different, so check your specific warranty card for details. In addition, DEC further warrants against defects in materials and workmanship for 5 years, or 50,000 miles, whichever occurs first from the date of installation.

DEC reserves the right to determine if the returned product under this warranty policy meets the criterion for a claim. No other warranty will be honored expressed or implied and no other person or company is authorized to assume any other warranty. DEC does not assume any other responsibility for damages as it relates to the product, including merchantability, or inconvenience or interruption in the customers installed product. Under the EPA and CARB mandates, as it relates to this warranty, you have specific rights to this warranty as well as other rights, which vary, depending on the State warranty laws of products sold and installed on passenger vehicles, and light-duty trucks.

Dorman

All Dorman Products carry a Limited Lifetime Warranty (Manufacturer's Defects only) except for Hybrid Batteries.

More details below.

Limited Lifetime Warranty

Product Category	Warranty Duration
Hybrid Battery - Fleet	12 months from the date of purchase
Hybrid Battery - Non-Fleet	36 months from the date of purchase
All Other Products	LIFETIME

Dorman Products warrants that, for the product and period stated in the table above, the product is free from defects in material and workmanship under normal use and service. As your exclusive remedy, Dorman will replace free of charge through the original point of purchase (e.g. the retailer or website from whom you originally purchased the product) any Dorman product that in Dorman's reasonable determination does not comply with the foregoing warranty. Should you need to replace any Dorman parts covered under this limited warranty, please see the store of purchase with your used part and original sales receipt. This warranty becomes null and void if the damage is caused by: misuse, abuse or accident; the attachment of any unauthorized accessory; alteration to the product; improper installation; exposure to harsh weather and/or chemicals; or lack of proper maintenance. This warranty also becomes null and void if the product is opened or any sticker is tampered with, broken, or missing, or if the damage is caused by any other condition that is beyond the control of Dorman Products.

IN ALL CASES, DORMAN SHALL NOT BE RESPONSIBLE FOR ANY TYPE OF INCIDENTAL, CONSEQUENTIAL, OR SPECIAL DAMAGES. ALL OTHER WARRANTIES, INCLUDING THE IMPLIED WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE AND THE IMPLIED WARRANTY OF MERCHANTABILITY, ARE EXCLUDED.

By accepting this product, you hereby waive and release any claim now or hereafter existing against Dorman Products, its employees, officers, directors, agents and customers, on account of any and all claims, demands, suits, causes of action and all legal proceedings, whether civil or criminal, damages, losses, liabilities (including, but not limited to, strict liability in tort), obligations, penalties, judgments or fines and other sanctions, and any costs and expenses in connection therewith, including legal fees and expenses of whatever kind and nature, which may result from or arise out of injury to or death or loss or damage to property or the loss of use of any property which may result from or arise out of the possession, condition, use or operation this product.

Federal and/or state laws may provide you with other warranties for this product. Some states do not allow the exclusion or limitation of incidental or consequential damages.

Direct Market Access, Inc

Electronic brake wear sensor parts, under customary usage, are warranted to be free from defects in materials and workmanship for 12 months from the original date of purchase without mileage limitations. This warranty is limited to the exchange/replacement of the sensor that is being claimed as defective. This warranty makes no further expressed or implied obligation. This warranty does not apply to conditions caused by the normal wear and tear or to products that have been altered, modified, improperly installed, used in applications other than their original intent, or damaged due to vehicle modification or accident. All costs associated with the installation, removal and replacement of defective product is not included in this warranty and shall not be considered for reimbursement.

Duracell Automotive

Duracell Automotive Product Warranty:

The DURACELL® product carries a limited warranty against defects in material and workmanship under normal use and service for a period of 2-3 years (warranty period varies depending on product type, consult your product manual for specific details) from the original date of purchase. The manufacturer or distributor, at its option, shall repair or replace the defective unit covered by this warranty. Please retain the dated sales receipt as evidence of the date of purchase as it will be required for any warranty service. In order to keep the warranty in effect, the product must have been handled and used as described in the instructions accompanying this warranty. This warranty does not cover any damage due to accident, misuse, abuse or negligence.

Limitation Of Liability

Except to the extent of repairing or replacing this product as expressly stated in the limited warranty described herein, the manufacturer and distributor shall not be liable for any damages, whether direct, indirect, incidental, special, consequential, exemplary, or otherwise, including lost revenues, lost profits, loss of use of software, loss or recovery of data, rental of replacement equipment, downtime, damage to property, and third-party claims, arising out of any theory of recovery, including statutory, contract or tort. Notwithstanding the term of any limited or implied warranty, or in the event that any limited warranty fails of its essential purpose, in no event will the manufacturer's and distributors entire liability exceed the purchase price of this product. Some states and provinces do not allow the exclusion or limitation of incidental or consequential damages so the above limitations or exclusions may not apply to you. This limited warranty gives you specific legal rights. You may have other rights which vary from state to state and province to province.

E3 Spark Plugs (Pg. 1)

E3 Spark Plugs Automotive Plugs Warranty

5-YEAR OR 100,000 MILE WARRANTY E3[®] automotive spark plugs properly installed in non-commercial equipment, for household purposes are warranted to provide better performance than standard spark plugs, and to be free of defects in material or workmanship, for five years or 100,000 miles from the date of purchase.

E3[®] Automotive spark plugs installed in any modified engine, or used in any racing, aircraft, commercial, institutional or industrial application, are not covered by this or any other warranty. Further, this warranty does not cover spark plugs damaged by abuse, accident or improper installation or application.

If your E3[®] Automotive spark plugs prove to be defective during the five years or 100,000 miles after they were purchased, return them, along with your cash register receipt and the form below (properly completed), to E3 Spark Plugs, PO Box 3673, Ponte Vedra, Florida 32004. As its only obligation, and your only remedy, Pyrotek E3, LLC will either (1) if the spark plugs are returned within 30 days of purchase, replace them or, if you request it, refund your purchase price, or (2) if the spark plugs are returned more than 30 days after they were purchased, but within the warranty period, replace them.

THIS WRITTEN WARRANTY IS IN LIEU OF ALL OTHER EXPRESS WARRANTIES; AND ALL IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR PARTICULAR PURPOSE, ARE LIMITED TO THE DURATION OF THIS WRITTEN WARRANTY. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you. PYROTEK E3, LLC WILL IN NO EVENT BE LIABLE FOR COSTS OF REMOVAL OR INSTALLATION OF SPARK PLUGS, RETURN SHIPPING COSTS, LOSS OF USE OR ANY OTHER INCIDENTAL, CONSEQUENTIAL OR INDIRECT COSTS OR DAMAGES, WHETHER FOR BREACH OF THIS WARRANTY, ANY OTHER BREACH OF CONTRACT, NEGLIGENCE OR OTHER TORT, OR ON ANY STRICT LIABILITY THEORY. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above exclusions may not apply to you.

This warranty gives you specific legal rights, and you may also have other rights which may vary from state to state.

E3 Spark Plugs (Pg. 2)

THIS WRITTEN WARRANTY IS IN LIEU OF ALL OTHER EXPRESS WARRANTIES; AND ALL IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR PARTICULAR PURPOSE, ARE LIMITED TO THE DURATION OF THIS WRITTEN WARRANTY.

PYROTEK E3 , LLC WILL IN NO EVENT BE LIABLE FOR COSTS OF REMOVAL OR INSTALLATION OF SPARK PLUGS, RETURN SHIPPING COSTS, LOSS OF USE OR ANY OTHER INCIDENTAL, CONSEQUENTIAL OR INDIRECT COSTS OR DAMAGES, WHETHER FOR BREACH OF THIS WARRANTY, ANY OTHER BREACH OF CONTRACT, NEGLIGENCE OR OTHER TORT, OR ON ANY STRICT LIABILITY THEORY.

East Penn Manufacturing

WHAT IS COVERED BY THIS LIMITED WARRANTY?

Batteries eligible to be covered by this Limited Warranty are warranted to the original purchaser from the date of sale for the stated period shown at place of purchase or as advertised. Should the battery fail within the free replacement period, due to a defect in materials and/or workmanship (not merely discharged), it will be replaced with the same model battery free of charge. If the same model battery is not available, it will be replaced with a like kind and quality battery. Should the battery fail due to a defect in materials and/or workmanship (not merely discharged) after the free replacement period, but before the expiration date of the pro-rata adjustment period, it will be replaced with the same model battery on a pro-rata adjustment basis. The pro-rata cost per month is determined by dividing the current suggested list price of the original battery by the total warranty months. Charges to the original owner are based on the actual number of months of service delivered by the battery to be replaced. (A portion of any one month is considered a whole month.) If the same model battery is not available, it will be replaced with a like kind and quality battery. Automotive batteries, used in on-highway vehicles over 1 ton, two-way radio equipped vehicles, marine, off-highway use and other non-automotive usage, will have a reduced warranty period.

WHAT IS NOT COVERED BY THIS LIMITED WARRANTY?

This warranty does not apply to discharged batteries that can be recharged and returned to service; labor costs for battery removal and installation; labor costs for other damage or repair caused by the battery; batteries that have been opened, frozen, or damaged due to neglect or abuse including fire, wreckage, or explosion; batteries with electrolyte other than as **recommended by factory or with a "dope" or additive; batteries that fail as a result of a faulty electrical system; batteries of an electrical size smaller than the one specified by the vehicle manufacturer; used in applications for which it was not designed; nor in cases where it was installed and/or charged incorrectly.** The warranty does not cover failures that occur outside the United States or Canada. Service calls, towing, loss of time, inconvenience, and loss of use of the vehicle, lost wages, lost profits, or any other **CONSEQUENTIAL OR INCIDENTAL DAMAGES** which are hereby specifically excluded from this warranty. Some states do not allow the exclusion or limitation of incidental or consequential damage, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state. Unless otherwise precluded by law, this limited warranty shall require no more than the replacement of the subject battery free or at a pro-rated price.

Exide (Pg. 1)

EXIDE® LIMITED WARRANTY

Exide Technologies takes great pride in the batteries it manufactures and provides a **FREE REPLACEMENT** limited warranty program for many of its batteries. The label on the front of every Exide-labeled battery covered by Exide's limited warranty specifies the total number of months covered by the free replacement period.

NOTE: This limited warranty limits Exide's responsibility to providing a replacement battery in the event of defects in materials or workmanship, under the below terms. Warranty law varies from state to state, however, and so you may also have additional legal rights depending on your state's laws.

If your battery fails to start your vehicle / equipment, we recommend the following course of action: 1- Determine if the battery needs a boost or replacement. Most batteries that fail are simply discharged and need a boost.** Exide recommends having the battery tested first to determine the cause of failure. If the battery is simply in need of a boost, have it re-charged and re-tested.

2- If the battery is still not working properly, you can determine if the battery is under the free replacement period by referring to the free replacement period on the front label, and checking the date on your original receipt.*** If the battery is under the free replacement period, it can be replaced with a new replacement Exide battery of the exact same type at no charge to you (other than any applicable installation charges).

* If the label does not reference a warranty period, this limited warranty program does not apply, and Exide does not provide any warranties except as otherwise required by applicable law. Warranties maybe offered by the seller at the place of purchase, but Exide is not responsible for any such warranties.

** Warranty is reduced by 50% for the Exide Auto/Truck/SUV and Marine/RV batteries if used in a commercial application and for Exide Heavy Duty batteries if used in APUs (Auxiliary Power Units).

THIS WARRANTY DOES NOT COVER merely discharged product and can be denied for batteries damaged due to abuse or neglect, including but not limited to the following:

- Battery hold-downs not used properly or not torqued per the BCI Service Manual recommendations, leading to excessive battery vibration or battery damage due to over-torque
- Low electrolyte levels for batteries which require maintenance
- Accelerated corrosion/low electrolyte level due to exposure to excessive temperatures

Exide (Pg. 2)

- Batteries that have been refilled with any substance besides distilled water that may have contaminated the battery
- Batteries not maintained at a sufficient state of charge during periods of both in-vehicle and out of vehicle storage
- Batteries that have been subjected to excessive out of vehicle charging or to an uncontrolled in-vehicle charging system (i.e. faulty alternator)
- Batteries that have been physically damaged including a cracked, punctured, or deformed battery case or cover; broken or severely damaged battery terminals
- Batteries with damaged terminals due to loose, inadequate or high resistance connections
- Batteries with loose or missing vents (non-sealed designs)
- Batteries that have been installed and operated in reverse in vehicle, leading to reverse battery polarity
- Improper battery box or insufficient protection from the elements (i.e. rain, snow, or ice)
- Batteries that have been operated in an application that it was not designed and/or marketed to support Example: Standard SLI batteries that are used in cycling applications

*****Proof of purchase is required (original receipt) for the free replacement warranty.**

This policy is available from an Exide Distributor, by calling 1-800-START IT or by visiting StartPositiveStayPositive.com under the warranty section. Nontransferable limited warranty.

EXIDE® FREE REPLACEMENT WARRANTY

If a battery is returned within the Free Replacement Period (calculated from the date of sale to the consumer or end user) for failure to perform due to defects in materials or workmanship, you are entitled to a new replacement Exide Battery of the same type at no charge (subject to any applicable installation charges, taxes and government required fees). You can have this done at an authorized Exide battery retailer.

FelPro

WARRANTY

Products sold are warranted to be free from defects in workmanship or material for a period of one (1) year from date of purchase. The remedy for breach of this warranty is limited to the free exchange of the product(s) shown to our satisfaction to be defective. Liability for neglect, misuse, special, incidental, direct, indirect, and consequential damages is specifically disclaimed. NO OTHER WARRANTY, EITHER EXPRESSED OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE, IS MADE.

Mobil 1 Filters (by Champ Labs) (Pg. 1)

Champion Laboratories, Inc. provides this limited warranty to the original purchaser who use **Mobil 1™ Extended Performance oil filter products manufactured or sold by Champion Laboratories, Inc.**, which are warranted to be free from defects in material and workmanship for the duration of the original equipment recommended change interval.

- For part numbers without "A" suffix (e.g., M1-110) - Up to 1 year or 15,000 miles, whichever comes first, when combined with a fully synthetic motor oil designed for your intended oil change interval.
- For part numbers with "A" suffix (e.g., M1-110A) - Up to 1 year or 20,000 miles, whichever comes first, when combined with a fully synthetic motor oil designed for your intended oil change interval.

This warranty covers properly installed filters that meet the purchaser's vehicle requirements.

In the event of an engine or equipment failure directly caused by a Covered Product, Champion Laboratories, Inc. will provide the lesser of the: i) restoration of the engine or equipment to a condition equivalent to that existing just prior to the failure or ii) cash payment of the fair market value of the vehicle.

This warranty does not cover any filter that: a) has been subject to misuse, neglect, negligence, accident or casualty; b) has been improperly installed; c) has been installed into an engine which is **not referenced as a conforming to the purchaser's vehicle requirements**; or d) **has remained in service beyond the original equipment recommended change interval**. This limited warranty does not include engine condition due to: normal wear; abnormal operation; negligence; abuse; or damage from casualty, shipment or accident.

This limited warranty is valid for:

- For part numbers without "A" suffix (e.g., M1-110) - one (1) year or 15,000 miles from the date of installation, whichever comes first.
- For part numbers with "A" suffix (e.g., M1-110A) - one (1) year or 20,000 miles from the date of installation, whichever comes first.

To file a claim, you must cooperate with Champion Laboratories, Inc.'s claims management process. Please submit claims to Champion Laboratories, Inc. within 30 days after discovery of damage. Champion Laboratories, Inc. reserves the right to examine the engine, equipment and filter to determine the amount of damage and whether such damage was caused by a defective Mobil 1 Extended Oil Performance Oil Filter. Therefore, claimants must take the steps necessary to preserve the engine and/or equipment and the filter during the claims investigation period.

How state law relates to the limited warranty

This limited warranty gives you specific legal rights, and you may also have other legal rights, which vary from state to state.

TO THE FULLEST EXTENT ALLOWED UNDER APPLICABLE LAW, CHAMPION LABORATORIES, INC. DISCLAIMS ALL IMPLIED WARRANTIES AND CONDITIONS AND ANY AND ALL CONSEQUENTIAL, INCIDENTAL AND SPECIAL DAMAGES. Some jurisdictions do not permit the exclusion of such warranties or damages, so this disclaimer may not apply to you.

The remedy provided here will be your only recovery against Champion Laboratories. You will not be able to recover incidental damages (for example, transportation costs to and from the Champion Laboratories representative for inspection of the equipment, loss of use, towing charges, bus fare, car rentals or other incidental damages) or consequential damages (the cost of repairing or replacing other property which was damaged because the filter was defective). Some states do not allow the exclusion of or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

NGK Spark Plugs

NGK Product Warranty

NGK Spark Plugs warrants that the products, which it sells to the Distributor, seller, reseller, or customer, shall be free from defects in the workmanship or materials. Except in the case of damage or defect attributable to NGK Spark Plugs, the Distributor, seller, reseller, or customer shall have no claim against NGK Spark Plugs for any damaged or defective product or part. In the event that any products or parts shall prove to be defective in workmanship or materials within a period of sixty (60) days from the delivery thereof to the Distributor, seller, reseller or customer, NGK Spark Plugs shall repair or replace the same without cost to the Distributor, seller, reseller or customer. Except as herein stated, NGK Spark Plugs shall not be liable for any damages or for the breach of any warranty, express or implied, or for any other obligation or liability on account of the products which it may sell to the Distributor, reseller, seller or customer.

- (a) If during the term of this Contract the Distributor shall have reason to believe it has any claim against NGK Spark Plugs in respect of any transaction growing out of this contract, the Distributor shall notify NGK Spark Plugs in writing within sixty (60) days after it knows or has reason to know the basis of any such claim.
- (b) Failure to give the notice prescribed by Subsection (a) of this section shall relieve NGK Spark Plugs from all liability on any claim in respect to any transaction arising out of this Contract.
- (c) The Provisions of this section shall survive the termination of any other portions of this contract.

NGK Spark Plug Wires

NGK Spark Plug Wire Set Limited Lifetime Warranty

This NGK Spark Plug Wire Set is warranted against defects in materials and workmanship for as long as the original purchaser owns the vehicle on which it was originally installed. Your NGK retailer where you purchased the set from will replace any such spark plug wire set in accordance with the terms of the warranty.

This warranty applies only to NGK Spark Plug Wire Sets and is extended only to the original purchaser of the product for the specific application listed on the current NGK Application Catalogue(s). NGK Spark Plug Wire Sets are warranted only when strictly used in accordance with **the manufacturer's instructions for such installation and operation**. This warranty does not apply to any NGK Spark Plug Wire Set installed on: commercial, fleet, heavy duty, off-road, and/or racing applications. Further, this warranty does not apply to any NGK Spark Plug Wire Set which has been improperly installed, altered, repaired, subjected to abuse, damaged from accidents, negligence, or misuse. Cost of labor and/or replacement of additional or other parts, including incidental or consequential damages, are not covered by this warranty. If vehicle application coverage is discontinued, warranty is null and void.

Any NGK Spark Plug Wire Set claimed to be defective due to a manufacturing defect in materials or workmanship should be returned to the NGK retailer where you purchased the set from and must be accompanied by the original proof of purchase and/or work order. All product claimed to be defective may be examined, evaluated, and tested by the appropriate NGK Spark Plug subsidiary company in that country for defects in materials or workmanship. Should any NGK Spark Plug Wire Set prove to be defective in materials and/or workmanship according to the terms of this warranty, the appropriate NGK Spark Plugs subsidiary company in that country will, at the **company's option and sole discretion, provide a replacement NGK Spark Plug Wire Set**.

This warranty is exclusive and is in lieu of any other warranty of quality, whether written or implied, and is limited to the terms of this warranty. This warranty gives you specific legal right and you may also have other rights, which vary from province, state or country. Information or assistance regarding warranty claims may be obtained by writing the appropriate NGK Spark Plug subsidiary company in your country as listed below:

PTC LIMITED WARRANTY

All products supplied by PTC are warranted to be free from any manufacturing defect. Liability is strictly limited to the replacement of parts only, and no claims for labor or consequential damages will be accepted or honored. Except for such replacement, the sale, use or any other handling of our items is without liability or warranty whatsoever, especially if any other fault, including negligence, might cause damage, defect, injury or loss.

CATALOGING & CROSS REFERENCING

PTC cataloging has been prepared from reliable information, and with the utmost care. PTC cannot assume responsibility for error, omission or misapplication. PTC reserves the right to make running changes or modifications to the parts cataloged without prior notice. The cross reference information provided does not imply in any way that the product is identical to the competitors product. PTC suggest that any person or persons check application dimensions and specifications before any change of application. PTC does not accept any responsibility for any cross reference discrepancies. This should be used as a reference guide only. If any questions, please contact any PTC sales representative for further information.

Prenc

Coil on Plug (COP) Boot Sets

Limited Lifetime Warranty

Prenc Coil on Plug (COP) Boot are warranted by Prenc Progress & Engineering Corp. Ltd. to the original purchaser and only if installed on the application for which it was intended, that the product is free of defects in material and workmanship, providing the product is used under normal operating conditions for the intended application.

The purchaser must return the Coil on Plug (COP) Boot Set to the place of purchase with original invoice, as proof of purchase. The Coil on Plug (COP) Boot Set will be replaced with a new Prenc Coil on Plug (COP) Boot Set for the original intended application. Spectra Premium Radiators (Pg. 1)

New complete Automotive & Light Truck Radiators (Radiators) supplied by Spectra Premium Industries, shall carry the Limited Two Year Warranty as described herein (Warranty) as of April 1, 2002. Certain specific products, other than Radiators, also supplied by Spectra Premium shall also benefit from the Warranty but subject to the terms and conditions applicable there to as set-out herein.

1. Limited Two Year Warranty

- 1.1. Spectra Premium warrants all of its new complete Automotive & Light Truck Radiators supplied by it to be free from defects in material and workmanship for a period of Two years from the date of installation, as long as the original purchaser of the Radiator owns the vehicle in which the radiator was installed, the sole liability of Spectra Premium, under this Warranty is to replace any such Radiator following its return to Spectra Premium, or Spectra Premium's authorized representative, together with the original bill of sale for the Radiator and proof of professional installation thereof.
- 1.2. This Warranty covers only those parts supplied by Spectra Premium, and identified as such and shall not be the basis for recovery by the Purchaser for any expenses for labour or materials. This Warranty is for the benefit of only the original Purchaser of a Radiator.
- 1.3. This Warranty does not apply to products which have been:
 - 1.3.1. Altered by any party other than Spectra Premium so as to, in the view of Spectra Premium, negatively effect the performance or function of the product;
 - 1.3.2. Subject to misuse, abuse, negligence or operating conditions other than those for which such equipment was designed and intended;
 - 1.3.3. Damaged due to the Part having been improperly installed or installed without following Spectra's installation instructions;
 - 1.3.4. Deemed by Spectra Premium defective as a result of the physical or chemical effects of water, steam or other liquids, gases or agents found in the system;
 - 1.3.5. Deemed defective as result of external corrosion;
 - 1.3.6. Returned to Spectra Premium without a copy of the Purchaser's original bill of sale and proof of professional installation;
 - 1.3.7. Manufactured by an entity other than Spectra Premium.

Spectra Premium (Pg. 2)

2. No replacement for damage caused by overheating engine

Spectra Premium will not be liable for damage caused by an overheating engine. Warning lights and/or gauges are provided in vehicles in order to warn operators of overheating conditions long before engine damage occurs. Spectra Premium will not be liable for damage due to operator negligence, the malfunctioning of any such warning device, or for failure of an operator of a vehicle to heed the warning of such a device.

3. Replacement of Radiator

Replacement of the Radiator supplied by Spectra Premium shall be the only remedy available to a Purchaser under this Warranty. Spectra Premium shall not be liable for any consequential or incidental damages of any kind resulting from use of these or other products. Such consequential or incidental damages include reimbursement of the original purchase price, loss of the use of the vehicle, towing charges, rental of a replacement vehicle or any other special incidental or consequential damages.

4. Warranty for Original Purchaser Only

This limited Warranty is extended and enforceable only by the first retail Purchaser of a Radiator and is in lieu of all other warranties expressed or implied, including warranties implied by law. This Warranty is not transferable and is immediately voided in the event that the vehicle in which the Radiator has been installed is sold, leased or otherwise transferred to an owner, other than the original Purchaser of the Radiator.

5. Execution

In order to obtain execution pursuant to this Warranty, a Purchaser is required to (i) deliver the Radiator to the original place of purchase thereof, together with the (ii) original bill of purchase for the Radiator and (iii) proof of professional installation thereof. In the event that upon a Purchaser exercising their rights under this Warranty, the Radiator being returned by the Purchaser is no longer being supplied by Spectra Premium as of the date of receipt of the Radiator by Spectra Premium, this Warranty shall be void and of no effect.

Spectra Premium Oil Pan & Sending Units (Pg. 1)

SPECTRA PREMIUM warrants its products, new or rebuilt, to be free from defects in material and workmanship for a period determined in this warranty from the date of purchase or the date of installation. The sole liability of Spectra, under this warranty, is to replace or repair such products following its return to Spectra or Spectra authorised dealer. The warranty covers the product itself. The following items are specifically excluded from Spectra warranty coverage; attached and/or related parts and materials, non-Spectra parts, labour charges, consequential or incidental damages. Consequently Spectra will not accept any charge relating to these exclusions.

This warranty does not apply to any product which has been repaired, altered or tampered with outside Spectra facilities in anyway so as, in the judgement of Spectra, to affect the stability and/or the integrity of the product. This warranty does not apply to product which has been subjected to misuse, negligence, and/or conditions in excess of those for which such product was designed and/or deemed adequate by Spectra. This warranty does not cover product which has been subjected to operating environment conditions such as chemical reaction or physical damages due to the presence of water, steam, other liquids, gases or agents that may have caused the failure and/or **render inoperative the vehicle's warning devices and systems.**

WARRANTY COVERAGE

- Oil Pans are covered for a period of 12 months from the date of installation.
- Fuel Senders, Fuel Modules, Fuel Hangers Assembly are covered for 12 months from the date of installation.

WARRANTY COVERAGE VALIDATION

To validate the above warranty coverage, the followings measures must be undertaken upon replacement of all Undercar Parts. Failure to provide specific and documented proofs of original installation and subsequent replacement will void the warranty coverage and the claim will be denied. We recommend to follow the special instructions found in the literature supplied in component packaging.

Sending Units, Fuel Senders, Fuel Modules, Fuel Hanger Assemblies, Oil Pans, replacement conditions :

Spectra Premium Oil Pan & Sending Units (Pg. 2)

1. Special installation Instructions as supplied with component must be strictly followed and adhered to in order to validate warranty.
2. All external causes that can lead to corrosion and oxidation must be verified and eliminated.
3. The installer must use recognized trade methods and procedures.

Spectra shall not be liable for misrepresentation made by a third party regarding warranty application and/or coverage, nor does Spectra authorise anyone to substitute itself in lieu of Spectra for representation towards Spectra customers. Only Spectra can authorise and approve a warranty claim and its processing according to Spectra policies and procedures.

Replacement or repair shall be the only remedy available to a purchase under this warranty.

Spectra Premium Condenser/Heater

Condenser/Heater Warranties for Medium and Heavy Duty truck

SPECTRA PREMIUM warrants its condensers and heaters, to be free from defects in material and workmanship for a period of 1 year from the date of installation. The sole liability of Spectra, under this warranty, is to replace or repair such condensers and heaters following its return to **Spectra or Spectra's authorised dealers**, together with the original invoice for the condensers or heaters. This warranty covers any condensers and heaters furnished from Spectra but does not include labour of any kind or materials not furnished by Spectra or any charge for any such labour or materials.

This warranty does not apply to any equipment which has been repaired or altered outside the factories of Spectra Premium in any way so as, in the judgement of Spectra to affect the stability of the product. This warranty does not apply to products which have been subjected to misuse, negligence, and / or operating conditions in excess of those for which such equipment was designed and / or deemed defective by Spectra as a result of the physical or chemical effects of water, steam or other liquids, gases or agents present in the system operating environment of the equipment or the failure of the vehicle warning system.

1. Limited One Year Warranty

- 1.1. Spectra Premium warrants its EGR Coolers be supplied free from defects in material and workmanship for a period of twelve months, from the date of installation, as long as the original purchaser of the EGR Cooler owns the vehicle in which the EGR Cooler was installed. The sole liability of Spectra Premium, under this Warranty is to replace **any such EGR Cooler following its return to Spectra Premium, or Spectra Premium's** authorized representative, together with the original bill of sale for the EGR Cooler and proof of professional installation thereof.
- 1.2. This Warranty covers only those parts supplied by Spectra Premium, and identified as such and shall not be the basis for recovery by the Purchaser for any expenses for labour or materials. This Warranty is for the benefit of only the original Purchaser of an EGR Cooler.
- 1.3. This Warranty does not apply to products which have been:
 - 1.3.1. Altered by any party other than Spectra Premium so as to, in the view of Spectra Premium, negatively affect the performance or function of the product;
 - 1.3.2. Subject to misuse, abuse, negligence or operating conditions other than those for which such equipment was designed and intended;
 - 1.3.3. Damaged due to the Part having been improperly installed or installed without **following Spectra's installation** instructions;
 - 1.3.4. Deemed by Spectra Premium defective as a result of the physical or chemical effects of water, steam or other liquids, gases or agents found in the system;
 - 1.3.5. Deemed defective as result of external corrosion;
 - 1.3.6. **Returned to Spectra Premium without a copy of the Purchaser's original bill of sale and proof of professional installation;**
 - 1.3.7. Manufactured by an entity other than Spectra Premium.

Spectra Premium EGR (Pg. 2)

2. No replacement for damage caused by overheating engine

Spectra Premium will not be liable for damage caused by an overheating engine. Warning lights and/or gauges are provided in vehicles in order to warn operators of overheating conditions long before engine damage occurs. Spectra Premium will not be liable for damage due to operator negligence, the malfunctioning of any such warning device, or for failure of an operator of a vehicle to heed the warning of such a device.

3. Replacement of EGR Cooler

Replacement of the EGR Cooler supplied by Spectra Premium shall be the only remedy available to a Purchaser under this Warranty. Spectra Premium shall not be liable for any consequential or incidental damages of any kind resulting from use of these or other products. Such consequential or incidental damages include reimbursement of the original purchase price, loss of the use of the vehicle, towing charges, rental of a replacement vehicle or any other special incidental or consequential damages.

4. Warranty for Original Purchaser Only

This limited Warranty is extended and enforceable only by the first retail Purchaser of an EGR Cooler and is in lieu of all other warranties expressed or implied, including warranties implied by law. This Warranty is not transferable and is immediately voided in the event that the vehicle in which the EGR Cooler has been originally installed is sold, leased or otherwise transferred to an owner, other than the original Purchaser of the EGR Cooler.

5. Execution

In order to obtain execution pursuant to this Warranty, a Purchaser is required to (i) deliver the EGR Cooler to the original place of purchase thereof, together with the (ii) original bill of purchase for the EGR Cooler and (iii) proof of professional installation thereof. In the event that upon a Purchaser exercising their rights

under this Warranty, the EGR Cooler being returned by the Purchaser is no longer being supplied by Spectra Premium as of the date of receipt of the EGR Cooler by Spectra Premium, this Warranty shall be void and of no effect.

Spectra Premium Climate Control (Pg. 1)

Spectra Premium warrants its climate control products, new or remanufactured, to be free from defects in material and workmanship for a period determined in this warranty from the date of installation or date of purchase. The sole liability of Spectra Premium, under this warranty, is to replace or repair such climate control products following its return to Spectra Premium or Spectra Premium's authorised dealers, together with the original invoice for the climate control product.

This warranty covers any climate control products furnished from Spectra Premium but does not include labour of any kind or materials not furnished by Spectra Premium or any charge for any such labour or materials.

This warranty does not apply to any equipment which has been repaired or altered outside the factories of Spectra Premium Industries in any way so as, in the judgement of Spectra Premium to affect the stability of the product.

This warranty does not apply to products which have been subjected to misuse, negligence, and / or operating conditions in excess of those for which such equipment was designed and / or deemed defective by Spectra Premium as a result of the physical or chemical effects of water, steam or other liquids, gases or agents present in the system operating environment of the equipment or the failure of the vehicle warning system.

Warranty Coverage

- **Compressors for passenger cars and light duty vehicles are covered for a period of 1 year or 12,000 miles / 20,000 Km, whichever comes first, from the date of installation**
- **Condensers are covered for a period of 2 years or 24,000 miles / 40,000 Km, whichever comes first, from the date of installation**
- **Heater cores are covered for a period of 1 year or 12,000 miles / 20,000 Km, whichever comes first, from the date of installation**
- **Evaporators are covered for a period of 1 year or 12,000 miles / 20,000 Km, whichever comes first, from the date of installation**

Spectra Premium Climate Control (Pg. 2)

- Blower motors are covered for a period of 1 year or 12,000 miles / 20,000 Km, whichever comes first, from the date of installation
- Equipment and service items are covered for a period of 120 days
- Fluorescent and electronic leak detectors, electronic thermometers are covered for a period of 1 year from the date of purchase
- All other Climate Control products are covered for a period of 120 days

The warranty for compressors will be denied if the following conditions are not followed (refer to compressor literature in box):

1. R-134a is the only approved refrigerant for all Spectra Premium compressors. Use of any other refrigerant will void the warranty.
2. The accumulator / filter drier must be replaced in conjunction with a compressor and/or condenser replacement.
3. The compressor clutch air gap must be verified prior to installation on the vehicle (refer to OEM specifications).
4. **The specific and proper type of oil (see manufacturer's specifications)** should be inserted through the suction port of the compressor or oil plug. With the help of a spanner wrench turn the compressor shaft (not the clutch) 10 to 15 times to help properly distribute the oil throughout the compressor and prevent hydraulic lockup.
5. The A/C system must be held under vacuum for a minimum of 45 minutes.
6. The fan clutch or radiator fan motor must be checked for proper operation.
7. For applications using an orifice tube or liquid line containing an orifice tube, the orifice tube must be replaced (installation of an orifice tube repair kit is also valid).
8. If the system has an expansion device (expansion valve) the technician must inspect and clean the filter screen or replace the valve if necessary.
9. The A/C system must be flushed with an approved flushing solvent. The only accepted option to flushing is the installation of an in-line filter or compressor suction screen (providing the refrigerant oil is not contaminated).
10. Condenser and radiator airflow must be cleared of any obstruction or restrictions. Clean and realign bent fins. The technician may need to replace the condenser in specific applications or situations (refer to compressor literature in box).

Spectra Premium Climate Control (Pg. 3)

11. Spectra Premium requests that all parallel flow condensers be replaced when a compressor fails (the condenser design prevents a thorough cleaning and debris will cause system restrictions).

Replacement or repair of the climate control product by Spectra Premium shall be the only remedy available to a purchase under this warranty. Spectra Premium shall not be liable for any consequential or incidental damages of any kind resulting from the use or misuse of these or other products.

Spectra Premium Limited Lifetime Warranty (Pg. 2)

2. Replacement of Parts as sole remedy

Replacement of the Parts supplied by Spectra Premium shall be the only remedy available to a Purchaser under this Warranty. This Warranty does not cover any claims for, and Spectra Premium shall not be liable for, the original purchase price for the Parts, labour or material expenses of the Purchaser or any indirect, consequential or incidental damages of any kind resulting from use of the Parts by the Purchaser (such indirect, consequential or incidental damages include, without limitation, loss of the use of the vehicle, towing charges, rental of a replacement vehicle or any other indirect, special, incidental or consequential damages).

In the event that the Parts being returned by the Purchaser under a Warranty claim are no longer being supplied by Spectra Premium as of the date of receipt of such Parts by Spectra Premium, this Warranty shall be void and of no effect.

3. Warranty for Original Purchaser Only

This Warranty is for the sole benefit of and enforceable only by the first retail Purchaser of the Parts and is in lieu of all other warranties expressed or implied, including legal warranties. This Warranty is not transferable and is immediately voided in the event that the vehicle in which the Parts have been installed is sold, leased or otherwise transferred to another party.

4. Warranty Claim

In order to claim replacement Parts pursuant to this Warranty, a Purchaser is required to deliver the Parts to their original place of purchase, together with the original bill of purchase for such Parts.

Spectra Premium Limited Lifetime Warranty (Pg. 3)

New Fuel Pump Assemblies (which includes Fuel Modules, Hanger Assemblies, Sender Assemblies), Electrical Fuel Pumps, Mechanical Fuel Pumps and Fuel Pump Strainers, as described herein (Parts) supplied by Spectra Premium Industries, shall carry a Limited Lifetime Warranty as described herein (Warranty) as of January 1st, 2014.

1. Limited Lifetime Warranty

- 1.1. Spectra Premium warrants every new Part to be free from defects in material and workmanship from the date of professional installation, as long as the original purchaser owns the vehicle in which it was installed, subject to the conditions detailed in this Warranty. Under this Warranty and subject to such conditions, every defective Part will be replaced by Spectra Premium, at no cost to Purchaser, following its return to Spectra Premium, or Spectra Premium's authorized representative, together with the original bill of sale for such Part and proof of professional installation thereof.

- 1.2. This Warranty covers only those Parts supplied by Spectra Premium, and identified as such.

- 1.3. This Warranty does not apply to Parts which were:
 - 1.3.1. Altered by any party other than Spectra Premium so as to, in the view of Spectra Premium, negatively effect the performance or function of the Part;

 - 1.3.2. Subject to misuse, abuse, negligence or operating conditions other than those for which such Part was designed and intended;

 - 1.3.3. Improperly installed;

 - 1.3.4. Not used for their intended purpose;

 - 1.3.5. Not installed with a new Fuel Pump Strainer (where applicable) and a new in-line Fuel Filter;

 - 1.3.6. Installed in a vehicle where regular preventive maintenance recommended by the vehicle manufacturer was not performed as and when recommended;

 - 1.3.7. Deemed by Spectra Premium defective as a result of contamination due to rust, dirt, debris or agents found in the system;

Spectra Premium Limited Lifetime Warranty (Pg. 3)

- 1.3.8. Deemed by Spectra Premium defective as result of external corrosion;
- 1.3.9. **Returned to Spectra Premium without the Purchaser's original bill of sale and proof of professional installation;**
- 1.3.10. Sold or supplied by an entity other than Spectra Premium;
- 1.3.11. Installed on a vehicle on which the Fuel Tank Lock-Ring and/or O-Ring (where applicable) were not replaced at the same time as the Parts subject to a warranty claim;
- 1.3.12. Installed on a vehicle on which the Fuel Pump Strainer does not match the position of the original equipment being replaced.
- 1.3.13. Installed on a vehicle used for commercial purposes.

2. Replacement of Parts as sole remedy

Replacement of the Parts supplied by Spectra Premium shall be the only remedy available to a Purchaser under this Warranty. This Warranty does not cover any claims for, and Spectra Premium shall not be liable for, the original purchase price for the Parts, labour or material expenses of the Purchaser or any indirect, consequential or incidental damages of any kind resulting from use of the Parts by the Purchaser (such indirect, consequential or incidental damages include, without limitation, loss of the use of the vehicle, towing charges, rental of a replacement vehicle or any other indirect, special, incidental or consequential damages).

In the event that upon a Purchaser claiming under this Warranty, the Parts being returned by the Purchaser are no longer being supplied by Spectra Premium as of the date of receipt of the Parts by Spectra Premium, this Warranty shall be void and of no effect.

3. Warranty for Original Purchaser Only

This Warranty is for the sole benefit of and enforceable only by the first retail Purchaser of the Parts and is in lieu of all other warranties expressed or implied, including legal warranties. This Warranty is not transferable and is immediately voided in the event that the vehicle in which the Parts have been installed is sold, leased or otherwise transferred to another owner.

Spectra Premium Limited Lifetime Warranty (Pg. 5)

4. *Warranty Claim*

In order to claim replacement Parts pursuant to this Warranty, a Purchaser is required to deliver the Parts to their original place of purchase, together with the (i) original bill of purchase for the Parts listing also a new Fuel Pump Strainer (where applicable) and new in-line Fuel Filter and (ii) proof of professional installation of the Parts and of a new Fuel Pump Strainer (where applicable) and new in-line Fuel Filter.

Spectra Premium Oxygen Sensor

One Year Oxygen Sensor Limited Warranty

SPECTRA PREMIUM warrants its oxygen sensors for a period of one year from the date of installation. Within this period, we will replace any oxygen sensor shown to be defective in material or workmanship.

SPECTRA PREMIUM does not represent or warrant any product which is not used for its intended purpose, is improperly installed or is not used within normal conditions.

SPECTRA PREMIUM's liability shall be limited to the cost of replacing a defective product with the same terms and conditions as when initially sold.

Standard Motor Products

STANDARD® IGNITION, EMISSION, ENGINE CONTROL & FUEL SYSTEMS LIMITED WARRANTY

Your new Standard® product (other than ignition control modules) is warranted to you, the original customer to be free of defects in material and workmanship (as determined solely by Standard Motor Products, Inc.) for 3 years/36,000 miles (whichever occurs first) from the date of installation, subject to the limitations below. Standard® ignition control modules are warranted to you, the original customer to be free of defects in material and workmanship (as determined solely by Standard Motor Products, Inc.) for 5 years/50,000 miles (whichever occurs first) from the date of installation, subject to the limitations below. Standard Motor Products, Inc. will repair or replace, at its option, the Standard® product if it is proven defective under normal use and service. The Standard® product must be shipped prepaid. Proof of the date of sale to the original customer may be required.

This warranty does not include labor or cover the cost of any other components or labor required to restore the motor vehicle to its proper operating condition.

This warranty does not apply to Standard® products that have been: 1) altered; 2) improperly installed, maintained or repaired or installed on a second engine or motor vehicle; 3) damaged by accident, negligence or misuse; 4) used in commercial, fleet, heavy duty, off road, public or governmental vehicles; or 5) returned with missing components or parts that were originally included in the package.

THE WARRANTIES SET FORTH HEREIN ARE IN LIEU OF ALL OTHER WARRANTIES, WHETHER EXPRESS OR IMPLIED. ALL IMPLIED WARRANTIES, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE EXCLUDED AFTER THREE (3) YEARS (FIVE (5) YEAR EXCLUSION FOR IGNITION CONTROL MODULES). STANDARD MOTOR PRODUCTS, INC. IS NOT RESPONSIBLE FOR INJURY, PROPERTY DAMAGE OR OTHER INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING DIRECTLY OR INDIRECTLY OUT OF THE USE OF THIS PRODUCT (REGARDLESS OF THE FORM OF ACTION), NOTWITHSTANDING THE FACT THAT SAID INJURY, PROPERTY DAMAGE OR OTHER INCIDENTAL OR CONSEQUENTIAL DAMAGES AROSE DIRECTLY OR INDIRECTLY FROM AN ACTUAL OR ALLEGED DEFECT IN MATERIAL AND/OR WORKMANSHIP.

Some states do not allow limitations on how long an implied warranty lasts, or the exclusion of limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights. You may also have other rights that vary from state to state.

Walker Products, Inc.

Walker Products, Inc. offers a 'limited' warranty policy for all of our branded products. The 'limited' warranty is against any defects in materials and / or workmanship for a period of 90 days from date of sale. No labor claims are allowed and no other warranties are expressed or implied.

Parts that are returned that are severely damaged, abused, mishandled, or that are not of the Walker

Brand will be refused and will not be credited.

An RMA / (Return Merchandise Authorization Number) must be issued by calling your representative prior to any returns. In order to determine legitimate warranty, each part returned must be tagged with the "Walker Warranty Request Sticker" (Form WL-001), which will include the reason for alleged warranty or failure, date of sale, vehicle application information, and customer information. Your Walker field representative will review alleged warranties prior to sending to Walker Products.

A list of the Items to be returned for alleged warranty must be provided and approved. Only Items listed will be addressed. All Items returned must be of our manufacture or brand. The return must have the RMA# on the packaging slip In order to be eligible for review.

Alleged warranty returns will be evaluated within 30 days of receipt of merchandise. Upon final determination of legitimate warranty, credit will be issued for defective merchandise. All other Items returned that are not considered legitimate warranty Items will be held for 30 days from your notice for final disposition from you. Refused warranty Items can be returned at customer expense if requested. If no response is received within the 30 days of warranty determination and notice to you, unclaimed Items will be disposed and no return requests will be possible.

Walker Products, Inc. Is a leading manufacturer and supplier of quality OE and aftermarket fuel systems, engine control and oxygen sensor products, which are warranted for your protection. We understand occasionally some items can be deemed defective, however our products receive a number of QS9001 quality inspections and final testing before they are Inventoried and shipped.

The information we require to determine legitimate warranty will enable us to treat all warranty returns fairly, quickly and correctly. Walker Products Is a QS9001 and TS16949 manufacturer. If you have any questions regarding this policy, please contact your Walker representative.

WIX Filtration

Any new vehicle and equipment warranties you may have are not affected by your use of WIX filters or this limited warranty.

MANN+HUMMEL Filtration Technology US LLC warrants each WIX filter to be free from defects in material and workmanship during the period of service life recommended by the engine or equipment manufacturer. This warranty does not apply if the filter has been improperly installed, altered, abused, neglected or damaged. This warranty also does not apply if the filter has been used for non-approved or non-recommended applications or if used in competitive racing, on modified high performance engines or in any aircraft or aviation application.

If your WIX filter is found to be defective in material or workmanship during the period of service life recommended by the engine or equipment manufacturer, MANN+HUMMEL Filtration Technology will replace the defective filter with another WIX filter. In addition, MANN+HUMMEL Filtration Technology will reimburse you for the reasonable costs of the parts and labor required to repair your engine or equipment to the extent the damage was solely attributable to a defect in your WIX filter.

In order to obtain engine or equipment repairs under the warranty, you must, within 30 days after discovery of damage, submit a claim to any WIX representative, our WIX distributor or directly to the address below. You must also allow the WIX Technical Service Department to examine the filter and, if required, the engine or equipment, to determine the extent of damage and whether it was caused by a defective WIX filter. You should retain a copy of your service records and installation record and receipt as proof of the date of purchase. The filter must be returned to WIX Technical Service Department, unaltered, for examination, along with proof of purchase, service and installation records.

THIS WARRANTY IS EXCLUSIVE OF ANY OTHER WARRANTY, EXPRESS OR IMPLIED. For WIX filters used in commercial applications, and except where prohibited by applicable law, WE EXPRESSLY DISCLAIM, WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. ANY IMPLIED WARRANTIES ARE LIMITED TO THE DURATION OF THIS WARRANTY. THE FOREGOING IS THE ENTIRE AND EXCLUSIVE LIABILITY OF MANN+HUMMEL FILTRATION TECHNOLOGY US LLC AND YOUR EXCLUSIVE AND SOLE REMEDY FOR ANY DAMAGES OR CLAIMS MADE IN CONNECTION WITH THE USE OF A WIX FILTER. MANN+HUMMEL FILTRATION TECHNOLOGY US LLC SHALL IN NO EVENT BE LIABLE FOR ANY SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES WHATSOEVER, INCLUDING CLAIMS FOR LOSS OF USE OF THE EQUIPMENT ON WHICH THE WIX FILTER IS INSTALLED, LOSS OF TIME, INCONVENIENCE OR COMMERCIAL LOSS. Some states and other local jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusion may not apply to you.

This warranty gives you specific legal rights and you may also have other rights, which vary from state to state and other local jurisdictions.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.

DOC #4 CONTRACTOR CERTIFICATION REQUIREMENTS

Contractor's Employment Eligibility

By entering the contract, Contractor warrants compliance with the Federal Immigration and Nationality Act (FINA), and all other federal and state immigration laws and regulations. The Contractor further warrants that it is in compliance with the various state statutes of the states it will operate this contract in.

Participating Government Entities including School Districts may request verification of compliance from any Contractor or subcontractor performing work under this Contract. These Entities reserve the right to confirm compliance in accordance with applicable laws.

Should the Participating Entities suspect or find that the Contractor or any of its subcontractors are not in compliance, they may pursue any and all remedies allowed by law, including, but not limited to: suspension of work, termination of the Contract for default, and suspension and/or debarment of the Contractor. All costs necessary to verify compliance are the responsibility of the Contractor.

The Respondent complies and maintains compliance with the appropriate statutes which requires compliance with federal immigration laws by State employers, State contractors and State subcontractors in accordance with the E-Verify Employee Eligibility Verification Program.

Contractor shall comply with governing board policy of the Region 10 ESC Participating entities in which work is being performed.

Fingerprint & Criminal Background Checks

If required to provide services on school district property at least five (5) times during a month, contractor shall submit a full set of fingerprints to the school district if requested of each person or employee who may provide such service. Alternately, the school district may fingerprint those persons or employees. An exception to this requirement may be made as authorized in Governing Board policy. The district shall conduct a fingerprint check in accordance with the appropriate state and federal laws of all contractors, subcontractors or vendors and their employees for which fingerprints are submitted to the district. Contractor, subcontractors, vendors and their employees shall not provide services on school district properties until authorized by the District.

The Respondent shall comply with fingerprinting requirements in accordance with appropriate statutes in the state in which the work is being performed unless otherwise exempted.

Contractor shall comply with governing board policy in the school district or Participating Entity in which work is being performed.

Business Operations in Sudan, Iran

In accordance with A.R.S. 35-391 and A.R.S. 35-393, the Contractor hereby certifies that the contractor does not have scrutinized business operations in Sudan and/or Iran.

DOC #6 IMPLEMENTATION OF HOUSE BILL 1295

Certificate of Interested Parties (Form 1295):

In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

The Texas Ethics Commission was required to adopt rules necessary to implement that law, prescribe the disclosure of interested parties form, and post a copy of the form on the commission's website. The commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The commission also adopted new rules (Chapter 46) on November 30, 2015, to implement the law. The commission does not have any additional authority to enforce or interpret House Bill 1295.

Filing Process:

Starting on January 1, 2016, the commission will make available on its website a new filing application that must be used to file Form 1295. A business entity must use the application to enter the required information on Form 1295 and print a copy of the completed form, which will include a certification of filing that will contain a unique certification number. An authorized agent of the business entity must sign the printed copy of the form and have the form notarized. The completed Form 1295 with the certification of filing must be filed with the governmental body or state agency with which the business entity is entering into the contract.

The governmental entity or state agency must notify the commission, using the commission's filing application, of the receipt of the filed Form 1295 with the certification of filing not later than the 30th day after the date the contract binds all parties to the contract. The commission will post the completed Form 1295 to its website within seven business days after receiving notice from the governmental entity or state agency.

Information regarding how to use the filing application will be available on this site starting on January 1, 2016.

DOC #7 BOYCOTT CERTIFICATION

Respondents must certify that during the term of any Agreement, it does not boycott Israel and will not boycott Israel. "Boycott" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes.

DOC #8 TERRORIST STATE CERTIFICATION

In accordance with Texas Government Code, Chapter 2252, Subchapter F, REGION 10 ESC is prohibited from entering into a contract with a company that is identified on a list prepared and maintained by the Texas Comptroller or the State Pension Review Board under Texas Government Code Sections 806.051, 807.051, or 2252.153. By execution of any agreement, the respondent certifies to REGION 10 ESC that it is not a listed company under any of those Texas Government Code provisions. Responders must voluntarily and knowingly acknowledge and agree that any agreement shall be null and void should facts arise leading the REGION 10 ESC to believe that the respondent was a listed company at the time of this procurement.

DOC #9 RESIDENT CERTIFICATION:

This Certification Section must be completed and submitted before a proposal can be awarded to your company. This information may be placed in an envelope labeled "Proprietary" and is not subject to public view. In order for a proposal to be considered, the following information must be provided. Failure to complete may result in rejection of the proposal:

As defined by Texas House Bill 602, a "nonresident Bidder" means a Bidder whose principal place of business is not in Texas, but excludes a contractor whose ultimate parent company or majority owner has its principal place of business in Texas.

Texas or Non-Texas Resident

- I certify that my company is a "resident Bidder"
- I certify that my company qualifies as a "nonresident Bidder"

If you qualify as a "nonresident Bidder," you must furnish the following information:

What is your resident state? (The state your principal place of business is located.)

AZ Compliance with Federal and state requirements: Contractor agrees when working on any federally assisted projects with more than \$2,000.00 in labor costs, to comply with all federal and state requirements, as well as Equal Opportunity Employment requirements and all other federal and state laws, statutes, etc. Contractor agrees to post wage rates at the work site and submit a copy of their payroll to the member for their files. Contractor must retain records for three years to allow the federal grantor agency access to these records, upon demand. Contractor also agrees to comply with the Arizona Executive Order 75-5, as amended by Executive Order 99-4.

When working on contracts funded with Federal Grant monies, contractor additionally agrees to comply with the administrative requirements for grants, and cooperative agreements to state, local and federally recognized Indian Tribal Governments.

AZ Compliance with workforce requirements: Pursuant to ARS 41-4401, Contractor and subcontractor(s) warrant their compliance with all federal and state immigration laws and regulations that relate to their employees, and compliance with ARS 23-214 subsection A, which states, ..."every employer, after hiring an employee, shall verify the employment eligibility of the employee through the E-Verify program" Region 10 ESC reserves the right to cancel or suspend the use of any contract for violations of immigration laws and regulations. Region 10 ESC and its members reserve the right to inspect the papers of any contractor or subcontract employee who works under this contract to ensure compliance with the warranty above.

AZ Contractor Employee Work Eligibility: By entering into this contract, contractor agrees and warrants compliance with A.R.S. 41-4401, A.R.S. 23-214, the Federal Immigration and Nationality Act (FINA), and all other Federal immigration laws and regulations. Region 10 ESC and/or Region 10 ESC members may request verification of compliance from any contractor or sub contractor performing work under this contract. Region 10 ESC and Region 10 ESC members reserve the right to confirm compliance. In the event that Region 10 ESC or Region 10 ESC members suspect or find that any contractor or subcontractor is not in compliance, Region 10 ESC may pursue any and all remedies allowed by law, including but not limited to suspension of work, termination of contract, suspension and/or debarment of the contractor. All cost associated with any legal action will be the responsibility of the contractor.

AZ Non-Compliance: All federally assisted contracts to members that exceed \$10,000.00 may be terminated by the federal grantee for noncompliance by contractor. In projects that are not federally funded, Respondent must agree to meet any federal, state or local requirements as necessary. In addition, if compliance with the federal regulations increases the contract costs beyond the agreed on costs in this solicitation, the additional costs may only apply to the portion of the work paid by the federal grantee.

Registered Sex Offender Restrictions (Arizona): For work to be performed at an Arizona school, contractor agrees that no employee or employee of a subcontractor who has been adjudicated to be a registered sex offender will perform work at any time when students are present, or reasonably expected to be present. Contractor agrees that a violation of this condition shall be considered a material breach and may result in the cancellation of the purchase order at the Region 10 ESC member's discretion. Contractor must identify any additional costs associated with compliance to this term. If no costs are specified, compliance with this term will be provided at no additional charge.

Offshore Performance of Work Prohibited: Due to security and identity protection concerns, direct services under this contract shall be performed within the borders of the United States.

Terrorism Country Divestments: In accordance with A.R.S. 35-392, Region 10 ESC and Region 10 ESC members are prohibited from purchasing from a company that is in violation of the Export Administration Act. By entering into the contract, contractor warrants compliance with the Export Administration Act.

The undersigned hereby accepts and agrees to comply with all statutory compliance and notice requirements listed in this document.

PROCUREMENT, PROFESSIONAL AND SERVICE CONTRACTS

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. The contractor will take affirmative action to ensure that such applicants are recruited

**CERTIFICATE OF EMPLOYEE INFORMATION REPORT
INITIAL**

This is to certify that the contractor listed below has submitted an Employee Information Report pursuant to N.J.A.C. 17:27-1.1 et. seq. and the State Treasurer has approved said report. This approval will remain in effect for the period of **15-NOV-2016** to **15-NOV-2019**

and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this non-discrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisement for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation.

The contractor or subcontractor, where applicable, will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to P.L. 1975, c. 127, as amended and supplemented from time to time and the Americans with Disabilities Act.

The contractor or subcontractor agrees to attempt in good faith to employ minority and female workers trade consistent with the applicable county employment goal prescribed by N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time or in accordance with a binding determination of the applicable county employment goals determined by the Affirmative Action Office pursuant to N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time.

The contractor or subcontractor agrees to inform in writing appropriate recruitment agencies in the area, including employment agencies, placement bureaus, colleges, universities, labor unions, that it does not discriminate on the basis of age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of its testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the state of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

The contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and lay-off to ensure that all such actions are taken without regard to age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and conform with the applicable employment goals, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

The contractor and its subcontractors shall furnish such reports or other documents to the Affirmative Action Office as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Affirmative Action Office for conducting a compliance investigation pursuant to Subchapter 10 of the Administrative Code (NJAC 17:27).

Public Agency Instructions

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. **It is not intended to be provided to contractors.** What follows are instructions on the use of form local units can provide to contractors that are required to disclose political contributions pursuant to N.J.S.A. 19:44A-20.26 (P.L. 2005, c. 271, s.2).

Additional information on the process is available in Local Finance Notice 2006-1

(www.nj.gov/dca/lgs/lfnslfnmenu.shtml).

1. The disclosure is required for all contracts in excess of \$17,500 that are **not awarded** pursuant to a “fair and open” process (N.J.S.A. 19:44A-20.7).
2. Due to the potential length of some contractor submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. **The form is worded to accept this alternate submission.** The text should be amended if electronic submission will not be allowed.
3. The submission must be **received from the contractor and** on file at least 10 days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.
4. The contractor must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that contractors be provided a list of the affected agencies. This will assist contractors in determining the campaign and political committees of the officials and candidates affected by the disclosure.
 - a) The Division has prepared model disclosure forms for each county. They can be downloaded from the “County PCD Forms” link on the Pay-to-Play web site at www.nj.gov/dca/lgs/p2p. They will be updated from time-to-time as necessary.
 - b) A public agency using these forms **should edit them to properly reflect the correct legislative district(s)**. As the forms are county-based, **they list all legislative districts** in each county. **Districts that do not represent the public agency should be removed from the lists.**
 - c) Some contractors may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.
 - d) The form may be used “as-is”, subject to edits as described herein.
 - e) The “Contractor Instructions” sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.
 - f) The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.
5. It is recommended that the contractor also complete a “Stockholder Disclosure Certification.” This will assist the local unit in its obligation to ensure that contractor did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the 12 months prior to the contract. (See Local Finance Notice 2006-7 for additional information on this obligation) A sample Certification form is part of this package and the instruction to complete it is included in the Contractor Instructions. **NOTE: This section is not applicable to Boards of Education.**

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Contractor Instructions

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a “fair and open” process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any State, county, or municipal committee of a political party
- any legislative leadership committee*
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
 - of the public entity awarding the contract
 - of that county in which that public entity is located
 - of another public entity within that county
 - or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county. The disclosure must list reportable contributions to any of the committees that exceed \$300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an “interest” ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs). When the business entity is a natural person, “a contribution by that person’s spouse or child, residing therewith, shall be deemed to be a contribution by the business entity.” [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure. Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report. The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor’s responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement. The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor’s submission and is disclosable to the public under the Open Public Records Act. The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law.

NOTE: This section does not apply to Board of Education contracts.
