

## Questions and Answers for RFP #101519-05

Answers are given in blue.

RFP states \$25M to \$50M is the expected volume by year 3 of the contract. Is that volume solely made up of Ruggedized laptops, or will there be additional products included in the \$25M to \$50M?

The estimated annual volume of the contract includes the entire scope of products and services being requested in the RFP. Estimated volume is provided solely as an aid to contract vendors in preparing proposals, not as an expected or guaranteed volume.

Services – RFP states services are to be included. What services are required?

Respondents may include any services associated with Ruggedized Laptops, Tablets, Accessories and Related Products as defined in Appendix B of the RFP.
