

January 30, 2020

Education Service Center, Region 10 Attn: Ms. Sue Hayes 400 E Spring Valley Rd Richardson, TX 75081

Dear Ms. Hayes,

Thank you for the opportunity to respond this Request for Proposal for Maintenance, Repair and Operations (MRO) Supplies and Related Services. Fastenal is committed to earning the Region 10 Educational Service Center and Equalis members' business by providing a comprehensive response to this solicitation with our world class solutions and local service through our extensive branch network.

Perhaps the most important takeaway from this proposal is the affirmation of what makes Fastenal unique: Our customers buy from people that they know, in the communities where they live and work. While others in our industry 'pull away' to focus on digital solutions and virtual relationships, we remain firmly committed to our motto of *Growth Through Customer Service* and our branch-based service model – a commitment manifested by an aggressive investment in local inventory, local employees, and value added solutions powered by local service. Our mission to be the best branch-based distributor in every market we serve is more relevant than ever.

We are committed to continue to learn and grow as a local supplier to our government customers. We continue to train our employees to understand the unique needs of government buyers and end users. As government employees face tightening budgets and shrinking labor forces, we continue to develop value added solutions that bridge the gap between technology and local service to ensure our government institutions are operating efficiently and cost effectively.

It is with great anticipation of the savings and benefits Fastenal will continue to offer that we submit our proposal. Fastenal's more than 1,800 branch locations in the United States and more than 20,000 employees company-wide stand ready to serve. Thank you for the opportunity to compete for your business.

Enclosed is Fastenal's response to the Region 10 Education Service Center Request for Proposal #EQ-121319-07 for Maintenance, Repair and Operations (MRO) Supplies and Related Services.

This proposal includes:

- Fastenal's highly competitive cost proposal and category discounts.
- A demonstration of our superior capabilities and experience on comparable engagements supported with government references. An overview of our commitment to small business programs and our robust environmental program for green products, recycling programs and innovative sustainability initiatives. Our local footprint gives us a unique competitive advantage in supporting government customers with disaster response.

# WE ARE WHERE YOU ARE.

- A proven implementation and marketing plan spearheaded by our national team of government sales specialists, which harnesses the sales energy from nearly 10,000 sales reps in our local branches to promote this contract nationally.
- A clear explanation of our conformance to the scope, administration & marketing and terms of the RFP as evidenced by the responses to questions regarding the capabilities of our state-of-the-art online ordering system, our suite of "FAST Solutions," product sourcing capabilities, the full complement of categories offered, and our national geographic area of coverage.
- Our executive commitment to contract compliance, demonstrated competence in contract management, and meaningful reporting for data management, decision making and documentation of cost savings.

We are committed to serving our government customers, driving out waste, and presenting opportunities for cost savings though proven value-added solutions, including our vending technology, vendor managed inventory programs, and onsite solutions. We look forward to servicing every member and ask that you carefully consider awarding Fastenal a contract for Maintenance, Repair and Operations (MRO) Supplies and Related Services.

Respectfully,

Charles Miller Executive Vice President Fastenal Company

Principle contract officer

Ms. Sue Hayes Chief Financial Officer

12/13/2019

Public opening location

Region 10 ESC Crockett Room 400 East Spring Valley Rd. Richardson, TX 75081

Education Service Center, Region 10 ("Region 10 ESC") is seeking proposals for the procurement of *Maintenance, Repair and Operations (MRO) supplies and related services.* Responses will be accepted by Education Service Center, Region 10 until 01/31/2019 at 2:00 PM. All times are Central Time.

In general, Coop members will reference this RFP when purchasing from the vendor. Region 10 ESC will not charge a fee to public agencies for participation in the purchasing coop.

**Faxed responses will not be considered**. By submitting a response, responder certifies to the best of his/her knowledge that all information is true and correct. All proposals must be submitted electronically as directed in the Bonfire procurement application. Scanned submissions are acceptable where PDF files are requested.

Responses should be submitted on the forms provided. Only responses received by the date and time specified will be considered. **PRICE, QUALITY, AND SUITABILITY**: It is not the policy of Region 10 ESC to purchase services solely on the basis of low price alone; quality and suitability to purpose are taken into consideration. Term discount, if any, must be indicated on **Deviation Statement & Signature Page** and **will be considered**.

The Region 10 ESC Board of Directors may approve awarding of this proposal to one or more vendors. The Board of Directors also reserves the right to reject all proposals if it determines in its sole discretion that a reasonable basis exists for doing so. Consideration for an exclusive award to a single national supplier will

be given for vendors who respond with value that separates the vendor from other respondents within the competitive range.

# LEAD AGENCY AGREEMENT

The purpose of Region 10 ESC soliciting this Request for Proposal is to create a Lead Agency Agreement for Maintenance, Repair and Operations (MRO) supplies and related services for use by public agencies supported under this contract. Region 10 ESC, as the Lead Agency, as defined in Attachment A, has come together with the Equalis Group to make the resultant contract (also known as the "Lead Agency Agreement") from this Request for Proposal available to other public agencies not only locally, but also nationally, including county, city, state, special district, local government, school district, private K-12 school, higher education institution, other government agency or non-profit organization ("Public Agencies"), for the public benefit through the Equalis Group's cooperative purchasing program. Region 10 ESC will serve as the contracting agency for any other Public Agency that elects to access the resulting Lead Agency Agreement.

Access to the Lead Agency Agreement by any Public Agency must be preceded by its registration with Equalis Group as a Participating Public Agency in Equalis Group's cooperative purchasing program. Attachment A contains additional information on Equalis Group and the cooperative purchasing program. Equalis Group provides marketing and administrative support for the awarded vendor ("Supplier") that promotes the successful vendors' products and services to the Participating Public Agencies nationwide.

Participating Public Agencies benefit from pricing based on aggregate spending and the convenience of a contract that has already been advertised and competitively awarded. The Supplier benefits from a contract that allows Participating Public Agencies to directly purchase goods and services without the Supplier's need to respond to multiple competitive solicitations. As such, the Supplier must be able to accommodate a nationwide demand for services and to fulfill obligations as a nationwide Supplier and respond to the Equalis Group documents (Attachment A).

# Be advised that all information and documents submitted will be subject to the Public Information Act requirements governed by Chapter 552 of the Texas Government Code.

Because contracts are awarded by a Texas governmental entity, all responses submitted are subject to release as public information after contracts are executed. If a Respondent believes that its response, or parts of its response, may be exempted from disclosure to the public, <u>the Respondent must specify page-by-page and line-by-line the parts of the response, which it believes, are exempted from disclosure. In addition, the Respondent must specify which exception(s) are applicable and provide detailed reasons to <u>substantiate the exception(s)</u>. Respondent must provide this information on the "Acknowledgement and Acceptance to Region 10 ESC's Public Information Act Policy" form found on the next page of this solicitation. Any information that is unmarked will be considered public information and released, if requested under the Public Information Act.</u>

The determination of whether information is confidential and not subject to disclosure is the duty of the Office of Attorney General (OAG). Region 10 ESC must provide the OAG with the information requested in order for the OAG to render an opinion. In such circumstances, Respondent will be notified in writing that the material has been requested and delivered to the OAG. Respondent will have an opportunity to make arguments to the OAG in writing regarding the exception(s) to the TPIA that permit the information to be withheld from public disclosure. Respondents are advised that such arguments to the OAG must be specific and well-reasoned--vague and general claims to confidentiality by the Respondent are generally not acceptable to the OAG. Once the OAG opinion is received by Region 10 ESC, Region 10 ESC must comply with the opinions of the OAG. Region 10 ESC assumes no responsibility for asserting legal arguments on behalf of any Respondent. <u>Respondents are advised to consult with their legal counsel concerning disclosure issues resulting from this procurement process and to take precautions to safeguard trade secrets and other proprietary information.</u>

After completion of award, these documents will be available for public inspection.

Signature below certifies complete acceptance of Region 10 ESC's Open Records Policy, except as noted below (additional pages may be attached, if necessary).

Check one of the following responses to the Acknowledgment and Acceptance of Region 10 ESC's Open Records Policy below:

We acknowledge Region 10 ESC's Public Information Act policy and declare that no information submitted with this proposal, or any part of our proposal, is exempt from disclosure under the Public Information Act.

(Note: All information believed to be a trade secret or proprietary must be listed below. It is further understood that failure to identify such information, in strict accordance with the instructions below, will result in that information being considered public information and released, if requested under the Public Information Act.)

We declare the following information to be a trade secret or proprietary and exempt from disclosure under the Public Information Act.

(Note: Respondent must specify page-by-page and line-by-line the parts of the response, which it believes, are exempt. In addition, Respondent must specify which exception(s) are applicable and provide detailed reasons to substantiate the exception(s).

Authorized Signature & Title

# I. Background on Region 10 Education Service Center

Region 10 Education Service Center ("Region 10 ESC" herein "Lead Agency") on behalf of itself and, potentially, all state, local governments, school districts, and higher education institutions in the United States of America, and other government agencies and non-profit organizations (herein "Public Agencies") solicits proposals from qualified Respondents to enter into a Vendor Contract ("contract") for the goods or services solicited in this invitation.

Contracts are approved and awarded by a single governmental entity, Region 10 ESC, and are only available for use and benefit of all entities complying with their respective state procurement laws and regulations (public and private schools, colleges and universities, cities, counties, non-profits, and all governmental entities).

# II. What is the role of Equalis Group

Equalis Group assists Region 10 ESC in helping other public agencies and non-profits reap the benefits of national leveraged pricing, with no cost to the participating member. Equalis Group leverages one of the largest pools of purchasing potential. This is accomplished by competitively soliciting proposals and awarding contracts for commonly purchased products and services.

### III. Purpose of Region 10 ESC

The mission of Region 10 is to be a trusted, student-focused partner that serves the learning community through responsive, innovative educational solutions. It is Region 10's intent to:

- Provide governmental and public entities opportunities for greater efficiency and economy in procuring goods and services.
- Take advantage of state-of-the-art purchasing procedures to ensure the most competitive contracts.
- Provide competitive price and bulk purchasing for multiple government or public agencies that yields economic benefits unobtainable by the individual entity.
- Provide quick and efficient delivery of goods and services.
- Equalize purchasing power for smaller agencies that are unable to command the best contracts for themselves.
- Help in assisting customers with use of best business practices.

### IV. Customer Service

- Region 10 ESC is dedicated to making its contracts successful for both its members and its awarded vendors.
- Region 10 ESC is committed to providing its members and awarded vendors with high quality service.
- Region 10 ESC has dedicated staff available to answer questions, offer guidance and help in any way possible.

It is the intention of Region 10 ESC to establish a contract with vendor(s) for Maintenance, Repair and Operations (MRO) supplies and related services. Awarded vendor(s) shall perform covered services under the terms of this agreement. See appendix B and C for more detailed scope and pricing requirements.

# C. KEY DEFINITIONS

Days: means calendar days.

**Lead agency:** means Region 10 in its capacity as the government entity advertising, soliciting, evaluating and awarding the contract.

**Procurement**: means buying, purchasing, renting, leasing or otherwise acquiring any materials, services or construction. Procurement also includes all functions that pertain to the obtaining of any material, service, or construction, including description of requirements, selection and solicitation of sources, preparation and award of contract and all phases of contract administration.

**Responsive Respondent**: means a person, company, firm, corporation, partnership or other organization who submits a proposal which conforms in all material respects to the invitation for bids or request for proposals.

**Solicitation**: means an invitation for bids, a request for technical offers, a request for proposals, a request for quotations or any other solicitation or request by which we invite a person to participate in a procurement.

**Specifications**: means any description of physical or functional characteristics, or of the nature of a material, service or construction of item. Specifications may include a description or any requirement for inspecting, testing or preparing a material, service or construction item for delivery.

**Vendor:** means any provider or seller of goods and/or services that has a contractual relationship with Equalis Group or Region 10 ESC.

# D. GENERAL TERMS AND INSTRUCTIONS TO RESPONDENTS

### SUBMISSION FORMAT AND COMMUNICATION

It is the responsibility of the vendor to make certain that the company submitting a proposal, along with appropriate contact information, is on file with Region 10 ESC for the purpose of receiving addenda.

I. **Response Submission:** All proposals must be submitted electronically as directed in the Bonfire procurement application. Scanned submissions are acceptable where PDF files are requested.

Responses will remain sealed by the Bonfire procurement application until the bid opening time specified. Responses received outside the Bonfire procurement application will not be accepted. Sealed responses may be submitted on any or all items, unless stated otherwise. Proposal may be rejected for failure to comply with the requirements set forth in this invitation. Region 10 ESC reserves the right to cancel solicitation, reject any or all proposals, to accept any proposal deemed most advantageous to the participants in Region 10 ESC and to waive any informality in the proposal process. Participating agency or entity also reserves the right to cancel solicitation and reject any or all proposals if it is advantageous to the school district.

Deviations from any terms, conditions and/or specifications must be conspicuously noted in writing by the Respondent and shall be included with the response. (See Appendix D).

II. **Proposal Format:** The electronic narrative portion and the materials presented in response to this Request for Proposal should be submitted in the same order as requested.

Include a copy of the portion of the RFP document that you are responding to prior to your tabulated response in each section. This means that all pages prior to the Appendices must be included before Tab 1. Tabs should be used to separate the response into sections. <u>The following items identified must be included behind the tabs listed below</u>. Respondents failing to organize in the manner listed may be considered non-responsive and may not be evaluated.

# Binder Tabs

- Tab 1 Entire Vendor Contract and Signature Form (Appendix A)
  - General T&C Acceptance Form (Appendix D)
  - Attachment A Exceptions Form (Attachment A, 1<sup>st</sup> Page)
- Tab 2 Questionnaire (Appendix E)
- Tab 3 Company Profile (Appendix F)
- Tab 4 Product / Services (Appendix B)
- Tab 5 Pricing (Appendix C)
  - Attachment B Price List
- Tab 6 Value Add (Appendix G)
- Tab 7 Certificates (Appendix I)
- Tab 8 Supplementary Catalogs and Consumer Information (may be in a separate binder) (Appendix J)
- Tab 9 Required Documents
  - Additional Required Documents (Appendix H)
- III. Time for receiving proposals: Proposals received prior to the submittal deadline will be kept secure and unopened. No proposals received after the submittal time and deadline will be considered. Late proposals will be returned to sender unopened.
- IV. Inquiries and/or discrepancies: Questions regarding this solicitation must be submitted in the Bonfire procurement application. All questions and answers will be posted to the Bonfire procurement application. Respondents are responsible for viewing the Bonfire procurement application to review all questions and answers prior to submitting proposals. Please note that oral communications concerning this RFP shall not be binding and shall in no way excuse the responsive Respondent of the obligations set forth in this invitation.
- V. **Restricted and Prohibited Communications with Region 10 ESC and Equalis Group:** During the period between the date Region 10 ESC issues this RFP and the selection of the vendor who is awarded a contract by Region 10 ESC, if any, Respondents shall restrict all contact with Region 10 ESC and Equalis Group, and direct all questions regarding this RFP, including questions regarding terms and conditions, only to the Bonfire procurement application in the specified manner. Do not contact members of the Board of

# Directors, other employees of Region 10 ESC, any of Region 10 ESC's agents or administrators or Equalis Group employees. Contact with any of these prohibited individuals after issuance of this RFP and before selection is made, may result in disqualification of the Respondent.

The communications prohibition shall terminate when the contract is recommended by the administration, considered by the Board of Directors at a noticed public meeting, and a contract has been awarded. In the event the Board of Directors refers the recommendation back to staff for reconsideration, the communications prohibition shall be re-imposed. Additionally, during the time period between the award by the Board of Directors and the execution of the contract, Respondents shall not engage in any prohibited communications as described in this section.

Prohibited communications include direct contact, discussion, or promotion of any Respondent's response with any member of Region 10 ESC's Board of Directors or employees except for communications with Region 10 ESC's designated representative as set forth in this RFP and only in the course of inquiries, briefings, interviews, or presentations. This prohibition is intended to create a level playing field for all potential Respondents, to assure that decisions are made in public, and to protect the integrity of the RFP process. Except as provided in the above stated exceptions, the following communications regarding a particular invitation for bids, requests for proposal, requests for qualifications, or other solicitation are prohibited:

- Communications between a potential vendor, service provider, Respondent, offeror, lobbyist or consultant and any member of Region 10 ESC's Board of Directors;
- Communications between any director and any member of a selection or evaluation committee; and
- Communications between any director and administrator or employee.
- The communications prohibition shall not apply to the following:
  - Communications with Region 10 ESC's purchasing agent specifically named and authorized to conduct and receive such communications under this RFP or upon the request of Region 10 ESC, with Region 10 ESC's legal counsel; and
  - Presentations made to the Board of Directors during any duly noticed public meeting at which the solicitation is under consideration and the Vendor has been invited to present to the Board.
- Nothing contained herein shall prohibit any person or entity from publicly addressing Region 10 ESC's Board of Directors during any duly noticed public meeting, in accordance with applicable Board policies, on a matter other than this RFP, or in connection with a presentation requested by Region 10 ESC's representatives.
- Communication with any employee of Equalis Group
- VI. Addenda: if required, will be issued by Region 10 ESC to all those known to have received a complete set of Proposal documents. The vendor shall acknowledge on the Signature Form the number of addenda received.

# VII. Calendar of events (subject to change):

<u>Event</u>	Date:
Issue RFP	12/13/2019
Deadline for receipt of questions via email	01/24/2020
Issue Addendum/a (if required)	01/24/2020
Proposal Due Date	01/31/2020

02/20/2020 03/01/2020

### CONDITIONS OF SUBMITTING PROPOSALS

- VIII. **Amendment of Proposal:** A proposal may be amended up to the time of opening by amending the proposal submitted in the Bonfire procurement application.
- IX. Withdrawal of proposals: Withdrawal of proposals prior to the opening date will be permitted. Withdrawal of proposal will not be allowed for a period of 120 days following the opening. Pricing will remain firm for 120 days from submittal. However, consideration may be given in cases where Respondent advises that it made a clerical error that is substantially lower than it intended. In such case, Respondent must provide written notice of their desire to withdraw, along with supporting documents, within three (3) business days of receiving the acceptance letter. Any contracts entered into prior to Region 10 ESC receiving notice must be honored.

No Respondent should assume that their withdrawal request has been accepted unless, and until, they receive written acknowledgment and acceptance of their proposal withdrawal.

- X. Clarifications: Region 10 ESC may, by written request, ask a Respondent for additional information or clarification after review of the proposals received for the sole purpose of eliminating minor irregularities, informalities, or apparent clerical mistakes in the proposal. Clarification does not give Respondent an opportunity to revise or modify its proposal, except to the extent that correction of apparent clerical mistakes results in a revision. Region 10 ESC will not assist Respondent in bringing its proposal up to the level of other proposals through discussions. Region 10 ESC will not indicate to Respondent a cost or price that it must meet to either obtain further consideration nor will it provide any information about other Respondents' proposals or prices.
- XI. **Best and Final Offer**: Region 10 ESC, in its sole discretion, may request all Offerors in the competitive range to submit a Best and Final Offer. Offerors must submit their Best and Final Offers in writing. If an Offeror does not respond to the request for a Best and Final Offer, that Offeror's most recent prior offer will be considered to be its Best and Final Offer.
- XII. **Specifications:** When a solicitation contains a specification that states no substitutions, no deviation from this requirement will be permitted. Respondent must comply with the true intent of the specifications and drawings and not take advantage of any unintentional error or omission. In cases where no type and kind of product is specified, Region 10 ESC specifications have been developed to indicate minimal standards as to the usage, materials, and contents based on the needs of the members.

References to manufacturer's specifications (Design Guides), when used by Region 10 ESC, are to be considered informative to give the Respondent information as to the general style, type and kind requested. Responses proposing goods, materials or equipment regularly produced by a reputable manufacturer shall be evaluated by Region 10 ESC which will, in its sole discretion, determine whether such proposed goods, materials or equipment are substantially equivalent to the Design Guides, considering quality, workmanship, economy of operation, and suitability for the purpose intended. Respondents should include all documentation required to evaluate whether or not their proposed goods, materials or equipment are substantially equivalent.

XIII. Quality of Materials or Services: Respondent shall state the brand name and number of the materials being provided. If none is indicated then it is understood that the Respondent is quoting on the exact brand name and number specified or mentioned in the solicitation.

However, unless specifically stated otherwise and in accordance with purchasing laws and regulations, comparable substitutions will be permitted in cases where the material is equal to that specified, considering quality, workmanship, economy of operation and suitability for the purpose intended.

- XIV. **Samples:** Upon request, samples shall be furnished to Region 10 ESC free of cost within seven (7) days after receiving notice of such request. By submitting the proposal Respondent certifies that all materials conform to all applicable requirements of this solicitation and of those required by law. Respondent agrees to bear the costs for laboratory testing, if results show that the sample does not comply with solicitation requirements. Submissions may be rejected for failing to submit samples as requested.
- XV. **Deviations and Exceptions:** Deviations or exceptions stipulated in response may result in disqualification. It is the intent of Region 10 ESC to award a manufacturer's complete line of products, when possible.
- XVI. Change Orders: The awarded vendor shall follow the requirements of all specifications and drawings as closely as construction will permit. Should existing conditions or limitations require a major change or rearrangement, the change shall be allowed only upon issuance by Region 10 ESC of a written change order. Participating agency and awarded vendor shall establish a procedure for identifying and approving changes to the work. Procedure shall include provisions for field change orders. Change orders shall be properly documented in writing.
- XVII. **Manufacturer's Representative:** Respondents submitting proposals as a manufacturer's representative shall be able to supplement offer with a letter from the manufacturer certifying that Respondent is an actual dealer for that manufacturer and that the Respondent is authorized to submit a proposal for that product, and which guarantees that if the Respondent should fail to satisfactorily fulfill any obligations established as a result of the award of contract, the manufacturer will either assume the Respondent's obligations or arrange for fulfillment through another competent dealer to complete the balance of the project.
- XVIII. Formation of Contract: A response to this solicitation is an <u>offer</u> to contract with Region 10 ESC based upon the terms, conditions, scope of work, and specifications contained in this request. A solicitation <u>does not</u> <u>become a contract until it is awarded by Region 10 ESC</u>. A contract is formed when Region 10 ESC's board or designee signs the Vendor Contract Signature Form. The prospective vendor must submit a signed Vendor Signature Form with the response, thus eliminating the need for a formal signing process.
- XIX. **Estimated Quantities:** Region 10 ESC anticipates that a substantial number of participating members will enter into contracts resulting from this solicitation; however, Region 10 ESC makes no guarantee or commitment of any kind concerning quantities or usage of contracts resulting from this solicitation. The annual volume for this contract is <u>estimated</u> to be over \$100 million annually by year three (3) of the contract. This information is provided solely as an aid to contract vendors in preparing proposals only, and performance will be determined by other factors such as awarded supplier's competitiveness, and overall performance and support of the contract. The successful Vendor(s) discount and pricing schedule shall apply regardless of the volume of business under the contract.
- XX. **Multiple Awards:** Membership includes a large number of potential entities which may utilize this contract throughout the nation. In order to assure that any ensuing contract(s) will allow Region 10 ESC to fulfill current and future needs, Region 10 ESC reserves the right to award contract(s) to multiple vendors. The decision to award multiple contracts, award only one contract, or to make no awards rests solely with Region 10 ESC.

XXI. **Non-Exclusive:** Any contract resulting from this solicitation shall be awarded with the understanding and agreement that it is for the sole convenience and benefit of participating members. Region 10 ESC and participating entities reserve the right to obtain like goods and services from other sources.

# AWARD PROCESS

- XXII. Award or rejection of proposals: In accordance with applicable laws, rules, and regulations for public purchasing, award(s) will be made to the responsive and responsible Respondent(s) whose proposal(s) is/are determined to be the lowest cost and most responsible to participating agencies, price and other factors considered. Region 10 ESC reserves the right to use a "Market Basket Survey" method, based on randomly selected criteria to determine the most responsible response. To qualify for evaluation, response must have been submitted on time, and satisfy all mandatory requirements identified in this document. Proposals that are materially non-responsive will be rejected and Region 10 ESC will provide notice of rejection to the Respondent.
- XXIII. Evaluation Process: In evaluating the responses the following predetermined criteria is considered:

# **Products/Pricing (40 Points)**

- 1. All products and services available
- 2. Pricing for all available products and services
- 3. Pricing for warranties on all products and services
- 4. Ability of Customers to verify that they received contract pricing
- 5. Payment methods
- 6. Other factors relevant to this section as submitted by the Respondent

### Performance Capability (30 Points)

- 1. Ability to deliver products and services nationally
- 2. Response to emergency orders
- 3. Average Fill Rate
- 4. Average on time delivery rate
- 5. Shipping charges
- 6. Return and restocking policy and applicable fees
- 7. History of meeting the shipping and delivery timelines
- 8. Ability to meet service and warranty needs of members
- 9. Customer service/problem resolution
- 10. Invoicing process
- 11. Contract implementation/Customer transition
- 12. Financial condition of vendor
- 13. Website ease of use, availability, and capabilities related to ordering, returns and reporting
- 14. Respondent's safety record
- 15. Instructional materials
- 16. Other factors relevant to this section as submitted by the Respondent

### **Qualification and Experience (20 Points)**

- 1. Respondent reputation in the marketplace
- 2. Reputation of products and services in the marketplace
- 3. Past relationship with Region 10 ESC and/or Region 10 ESC members
- 4. Experience and qualification of key employees
- 5. Location and number of sales persons who will work on this contract

- 6. Past experience working with the government sector
- 7. Exhibited understanding of cooperative purchasing
- 8. Past litigation, bankruptcy, reorganization, state investigations of entity or current officers and directors
- 9. Minimum of 3 customer references relating to the products and services within this RFP
- 10. Certifications in the Industry
- 11. Company profile and capabilities
- 12. Other factors relevant to this section as submitted by the Respondent

# Value Add (10 Points)

- 1. Marketing plan and capability
- 2. Sales force training
- 3. Other factors relevant to this section as submitted by the Respondent
- XXIV. **Competitive Range**: It may be necessary to establish a competitive range. Factors from the predetermined criteria will be used to make this determination. Responses not in the competitive range are unacceptable and do not receive further award consideration.
- XXV. Evaluation: A committee will review and evaluate all responses and make a recommendation for award of contract(s). The recommendation for contract awards will be based on the predetermined criteria factors outlined in this solicitation, where each factor is assigned a point value based on its importance. Recommendation for award of a contract will be presented to the Region 10 ESC board of directors for final approval.
- XXVI. **Past Performance:** A vendor's performance and actions under previously awarded contracts regarding a vendor's actions under previously awarded contracts to schools, local, state, or federal agencies are relevant in determining whether or not the vendor is likely to provide quality goods and services to our members; including the administrative aspects of performance; the vendor's history of reasonable and cooperative behavior and commitment to customer satisfaction; and generally, the Respondent's businesslike concern for the interests of the customer.
- XXVII. **Taxes (State of AZ Respondents only):** All applicable taxes in the offer will be considered by the School District/public entity when determining the lowest proposal or evaluating proposals, except when a responsive Respondent which is otherwise reasonably susceptible for award is located outside of Arizona and is not subject to a transaction privilege or use tax of a political subdivision of this state. In that event, all applicable taxes which are the obligation of Respondents in state and out of state, shall be disregarded in the Contract Award. At all times, payment of taxes and the determination of applicable taxes and rates are the sole responsibility of the Contractor.

### **PROTEST OF NON-AWARD**

- XXVIII. Protest Procedure: Any protest of an award or proposed award must be filed in writing within ten (10) days from the date of the official award notification and must be received by 5:00 pm Central Time. No protest shall lie for a claim that the selected Vendor is not a responsible Respondent. Protests shall be filed with *Ms. Sue Hayes at Region 10 ESC, 400 E Spring Valley Rd, Richardson, TX 75081*. Protests shall follow Region 10 ESC complaint policy EF(LOCAL), a copy of which is available at <a href="https://pol.tasb.org/Policy/Code/374?filter=EF">https://pol.tasb.org/Policy/Code/374?filter=EF</a>, and it must be on a form provided by Region 10 ESC, which will include the following:
  - 1. Name, address and telephone number of protester
  - 2. Original signature of protester or its representative

- 3. Identification of the solicitation by RFP number
- 4. Detailed statement of legal and factual grounds including copies of relevant documents; and the form of relief requested
- 5. Any protest review and action shall be considered final with no further formalities being considered.

### NON-COLLUSION, EMPLOYMENT AND SERVICES

### XXIX. By signing the Offer and Acceptance form or other official contract form, the Respondent certifies that:

1. It did not engage in collusion or other anti-competitive practices in connection with the preparation or submission of its offer; and

2. It does not discriminate against any employee, applicant for employment, or person to whom it provides services because of race, color, religion, sex, national origin, or disability and that it complies with all applicable federal, state, and local laws and executive orders regarding employment.

### LIMITATION OF LIABILITY

- XXX. <u>Waiver</u>: BY SUBMITTING A PROPOSAL, OFFER EXPRESSLY AGREES TO WAIVE ANY CLAIM IT HAS OR MAY HAVE AGAINST BOTH EQUALIS GROUP AND REGION 10 EDUCATION SERVICE CENTER, ITS DIRECTORS, OFFICERS, OR AGENTS AND THE MEMBERS ARISING OUT OF OR IN CONNECTION WITH (1) THE ADMINISTRATION, EVALUATION, RECOMMENDATION OF ANY PROPOSAL; (2) ANY REQUIREMENTS UNDER THE SOLICITATION, PROPOSAL PACKAGE, OR RELATED DOCUMENTS; (3) THE REJECTION OF ANY PROPOSAL OR ANY PART OF ANY PROPOSAL; AND/OR (4) THE AWARD OF A CONTRACT, IF ANY.
- XXXI. NEITHER REGION 10 ESC NOR EQUALIS GROUP SHALL BE RESPONSIBLE OR LIABLE FOR ANY COSTS INCURRED BY RESPONDENTS OR THE SELECTED VENDOR IN CONNECTION WITH RESPONDING TO THE RFP, PREPARING FOR ORAL PRESENTATIONS, PREPARING AND SUBMITTING A PROPOSAL, ENTERING OR NEGOTIATING THE TERMS OF A CONTRACT, OR ANY OTHER EXPENSES INCURRED BY A RESPONDENT. THE RESPONDENT OR SELECTED VENDOR IS WHOLLY RESPONSIBLE FOR ANY SUCH COSTS AND EXPENSES AND SHALL NOT BE REIMBURSED IN ANY MANNER BY REGION 10 ESC OR EQUALIS GROUP.

# Appendix A: VENDOR CONTRACT AND SIGNATURE FORM

 This Vendor Contract and Signature Form ("Contract") is made as of \_\_\_\_\_\_, by and between \_\_\_\_\_\_

 Fastenal Company
 ("Vendor") and Region 10 Education Service

 Center ("Region 10 ESC") for the purchase of Maintenance, Repair and Operations (MRO) supplies and related services ("the products and services").

## RECITALS

WHEREAS, both parties agree and understand that the following pages will constitute the contract between the successful vendor(s) and Region 10 ESC, having its principal place of business at *Education Service Center, Region 10, 400 E Spring Valley Rd, Richardson, TX 75081* 

WHEREAS, Vendor agrees to include, in writing, any required exceptions or deviations from these terms, conditions, and specifications; and it is further understood that if agreed to by Region 10 ESC, said exceptions or deviations will be incorporated into the final contract "Vendor Contract."

WHEREAS, this contract consists of the provisions set forth below, including provisions of all attachments referenced herein. In the event of a conflict between the provisions set forth below and those contained in any attachment, the provisions set forth below shall control.

WHEREAS, the Vendor Contract will provide that any state, county, special district, local government, school district, private K-12 school, technical or vocational school, higher education institution (including community colleges, colleges and universities, both public and private), other government agencies or non-profit organization may purchase products and services at prices indicated in the Vendor Contract upon registering and becoming a member with Region 10 ESC; and it being further understood that Region 10 ESC shall act as the Lead Agency with respect to all such purchase agreements.

WHEREAS, Equalis Group has the administrative and legal capacity to administer purchases on behalf of Region 10 ESC under the Vendor Contract with participating public agencies and entities, as permitted by applicable law.

# **ARTICLE 1- GENERAL TERMS AND CONDITIONS**

1.1 Equalis Group shall be afforded all of the rights, privileges and indemnifications afforded to Region 10 ESC under the Vendor Contract, and such rights, privileges and indemnifications shall accrue and apply with equal effect to Equalis Group, including, without limitation, Vendor's obligation to provide insurance and other indemnifications to Lead Agency.

1.2 Awarded vendor shall perform all duties, responsibilities and obligations, set forth in this agreement, and required under the Vendor Contract.

1.3 Equalis Group shall perform its duties, responsibilities and obligations as administrator of purchases, set forth in this agreement, and required under the Vendor Contract.

1.4 **<u>Customer Support</u>**: The vendor shall provide timely and accurate technical advice and sales support to Region 10 ESC staff, Equalis Group staff and participating agencies. The vendor shall respond to such requests within one (1) working day after receipt of the request.

# ARTICLE 2- ANTICIPATED TERM OF AGREEMENT

- 2.1 **Term:** The term of the Contract shall commence upon award and shall remain in effect for a period of three (3) years, unless terminated, canceled or extended as otherwise provided herein. The Contractor agrees that Region 10 ESC shall have the right, at its sole option, to renew the Contract for four (4) additional one-year periods or portions thereof. In the event that Region 10 ESC exercises such rights, all terms, conditions and provisions of the original Contract shall remain the same and apply during the renewal period with the possible exception of price and minor scope additions and/or deletions.
- **2.2** Automatic Renewal: Renewal will take place automatically for one (1) year unless Region 10 ESC gives written notice to the awarded supplier at least ninety (90) days prior to the expiration.

# **ARTICLE 3- REPRESENTATIONS AND COVENANTS**

**Scope**: This contract is based on the need to provide the economic benefits of volume purchasing and reduction in administrative costs through cooperative purchasing to schools and other members.

**<u>Compliance</u>**: Cooperative Purchasing Agreements between Equalis Group and its Members have been established under state procurement law.

**<u>Respondent's promise</u>**: Respondent agrees all prices, terms, warranties, and benefits granted by Respondent to Members through this contract are comparable to or better than the equivalent terms offered by Respondent to any present customer meeting the same qualifications or requirements.

# **ARTICLE 4- FORMATION OF CONTRACT**

4.1. **Respondent contract documents**: Region 10 ESC will review proposed Respondent contract documents. Vendor's contract document shall not become part of Region 10 ESC's contract with vendor unless and until an authorized representative of Region 10 ESC reviews and approves it.

4.2. **Form of contract**: The form of contract for this solicitation shall be the Request for Proposal, the awarded proposal(s) to the lowest responsible Respondent(s), and properly issued and reviewed purchase orders referencing the requirements of the Request for Proposal. If a firm submitting a proposal requires Region 10 ESC and/or Member to sign an additional agreement, a copy of the proposed agreement must be included with the proposal.

4.3. Entire Agreement (Parol evidence): The contract, as specified above, represents the final written expression of agreement. All agreements are contained herein and no other agreements or representations that materially alter it are acceptable.

4.4. <u>Assignment of Contract</u>: No assignment of contract may be made without the prior written approval of Region 10 ESC. Purchase orders and payment can only be made to awarded vendor unless otherwise approved by Region 10 ESC. Awarded vendor is required to notify Region 10 ESC when any material change in operations is made that may adversely affect members (i.e. awarded vendor bankruptcy, change of ownership, merger, etc.).

4.5. **Contract Alterations**: No alterations to the terms of this contract shall be valid or binding unless authorized and signed with a "wet signature" by a Region 10 ESC staff member.

4.6. **Order of precedence**: In the event of a conflict in the provisions of the contract as accepted by Region 10 ESC, the following order of precedence shall prevail:

- Special terms and conditions
- General terms and conditions
- Specifications and scope of work
- Attachments and exhibits
- Documents referenced or included in the solicitation

4.8 **Supplemental Agreements**: The entity participating in the Region 10 ESC contract and awarded vendor may enter into a separate supplemental agreement to further define the level of service requirements over and above the minimum defined in this contract i.e. invoice requirements, ordering requirements, specialized delivery, etc. Any supplemental agreement developed as a result of this contract is exclusively between the participating entity and awarded vendor. Neither Region 10 ESC, Equalis Group, its agents, members and employees shall be made party to any claim for breach of such agreement.

# **ARTICLE 5- TERMINATION OF CONTRACT**

5.1. **Cancellation for non-performance or contractor deficiency:** Region 10 ESC may terminate any contract if Members have not used the contract, or if purchase volume is determined to be low volume in any 12-month period. Region 10 ESC reserves the right to cancel the whole or any part of this contract due to failure by contractor to carry out any obligation, term or condition of the contract. Region 10 ESC may issue a written deficiency notice to contractor for acting or failing to act in any of the following:

- i. Providing material that does not meet the specifications of the contract;
- ii. Providing work and/or material that was not awarded under the contract;
- iii. Failing to adequately perform the services set forth in the scope of work and specifications;
- iv. Failing to complete required work or furnish required materials within a reasonable amount of time;
- v. Failing to make progress in performance of the contract and/or giving Region 10 ESC reason to believe that contractor will not or cannot perform the requirements of the contract; and/or
- vi. Performing work or providing services under the contract prior to receiving a Region 10 ESC reviewed purchase order for such work.

Upon receipt of a written deficiency notice, contractor shall have ten (10) days to provide a satisfactory response to Region 10 ESC. Failure to adequately address all issues of concern may result in contract cancellation. Upon cancellation under this paragraph, all goods, materials, work, documents, data and reports prepared by contractor under the contract shall become the property of the Member on demand.

5.2 <u>Termination for cause</u>: If, for any reason, the Vendor fails to fulfill its obligation in a timely manner, or if the vendor violates any of the covenants, agreements, or stipulations of this contract, Region 10 ESC reserves the right to terminate the contract immediately and pursue all other applicable remedies afforded by law. Such termination shall be effective by delivery of notice, to the vendor, specifying the effective date of termination. In such event, all documents, data, studies, surveys, drawings, maps, models and reports prepared by vendor for this solicitation may become the property of the participating agency or entity. If such event does occur then vendor will be entitled to receive just and equitable compensation for the satisfactory work completed on such documents.

5.3 **Delivery/Service failures**: Failure to deliver goods or services within the time specified or within a reasonable time period as interpreted by the purchasing agent, or failure to make replacements or corrections of rejected articles/services when so requested shall constitute grounds for the contract to be terminated. In the event that the participating agency or entity must purchase in an open market, contractor agrees to reimburse the participating agency or entity, within a reasonable time period, for all expenses incurred.

5.4 **Force Majeure**: If by reason of Force Majeure, either party hereto shall be rendered unable wholly or in part to carry out its obligations under this Agreement then such party shall give notice and full particulars of Force Majeure in writing to the other party within a reasonable time after occurrence of the event or cause relied upon, and the obligation of the party giving such notice, so far as it is affected by such Force Majeure, shall be suspended during the continuance of the inability then claimed, except as hereinafter provided, but for no longer period, and such party shall endeavor to remove or overcome such inability with all reasonable dispatch.

The term Force Majeure as employed herein, shall mean acts of God, strikes, lockouts, or other industrial disturbances, act of public enemy, orders of any kind of government of the United States or the State of Texas or any civil or military authority; insurrections; riots; epidemics; landslides; lighting; earthquake; fires; hurricanes; storms; floods; washouts; droughts; arrests; restraint of government and people; civil disturbances; explosions, breakage or accidents to machinery, pipelines or canals, or other causes not reasonably within the control of the party claiming such inability. It is understood and agreed that the settlement of strikes and lockouts shall be entirely within the discretion of the party having the difficulty, and that the above requirement that any Force Majeure shall be remedied with all reasonable dispatch shall not require the settlement of strikes and lockouts by acceding to the demands of the opposing party or parties when such settlement is unfavorable in the judgment of the party having the difficulty

5.5 **Standard Cancellation**: Either party may cancel this contract in whole or in part by providing written notice. The cancellation will take effect 90 business days after the other party receives the notice of cancellation. After the 90th business day all work will cease following completion of final purchase order. Region 10 ESC reserves the right to request additional items not already on contract at any time.

# **ARTICLE 6- LICENSES**

6.1 **Duty to keep current license:** Vendor shall maintain in current status all federal, state and local licenses, bonds and permits required for the operation of the business conducted by vendor. Vendor shall remain fully informed of and in compliance with all ordinances and regulations pertaining to the lawful

provision of services under the contract. Region 10 ESC reserves the right to stop work and/or cancel the contract of any vendor whose license(s) expire, lapse, are suspended or terminated.

6.2 **Suspension or Debarment**: Respondent shall provide a letter in the proposal notifying Region 10 ESC of any debarment, suspension or other lawful action taken against them by any federal, state, or local government within the last five (5) years that precludes Respondent or its employees from participating in any public procurement activity. The letter shall state the duration of the suspension or action taken, the relevant circumstances and the name of the agency imposing the suspension. Failure to supply or disclose this information may be grounds for cancellation of contract.

6.3 **Survival Clause:** All applicable software license agreements, warranties or service agreements that were entered into between Vendor and Customer/participating member under the terms and conditions of the Contract shall survive the expiration or termination of the Contract. All Purchase Orders issued and accepted by Order Fulfiller shall survive expiration or termination of the Contract.

# **ARTICLE 7- DELIVERY PROVISIONS**

7.1 **Delivery**: Vendor shall deliver said materials purchased on this contract to the participating member issuing a Purchase Order. Conforming product shall be shipped within 7 days of receipt of Purchase Order. If delivery is not or cannot be made within this time period the vendor must receive authorization from the purchasing agency for the delayed delivery. At this point the participating entity may cancel the order if estimated shipping time is not acceptable.

7.2 **Inspection & Acceptance**: If defective or incorrect material is delivered, purchasing agency may make the determination to return the material to the vendor at no cost to the purchasing agency. The vendor agrees to pay all shipping costs for the return shipment. Vendor shall be responsible for arranging the return of the defective or incorrect material.

7.3 **<u>Responsibility for supplies tendered:</u>** Vendor shall be responsible for the materials or supplies covered by this contract until they are delivered to the designated delivery point.

7.4 **Shipping Instructions**: Unless otherwise specified, each case, crate, barrel, package, etc, delivered under this contract must be plainly labeled, securely tagged, stating Vendor's name, purchase order number, quantity contained therein, and delivery address as indicated in the order. Deliveries must be made within the hours of 8:00 am – 4:00 pm. Deliveries at any other time (including Saturdays, Sundays and holidays) will not be accepted unless arrangements have been made in advance with the receiver at the delivery point. Vendor understands that it is their responsibility to ensure compliance with the delivery instructions outlined in this agreement.

7.5 **Additional charges**: Unless bought on F.O.B. "shipping point" and Vendor prepays transportation, no delivery charges shall be added to invoices except when express delivery is authorized and substituted on orders for the method specified in the contract. In such cases, the difference between freight or mail and express charges may be added to the invoice.

7.6 **Buyer's delays**: Region 10 ESC will not be responsible for any late fees due the prime contractor by the participating member. The prime contractor will negotiate with the participating agency for the recovery of damages related to expenses incurred by the vendor for a delay for which the Region 10 ESC

member is responsible, which is unreasonable, and which was not within the contemplation of the parties to the contract between the two parties.

# **ARTICLE 8- BILLING AND REPORTING**

8.1 **Payments**: The participating entity using the contract will make payments directly to the awarded vendor.

Payment shall be made after satisfactory performance, in accordance with all provisions thereof, and upon receipt of a properly completed invoice.

8.2 **Tax Exempt Status**: Since this is a national contract, knowing the tax laws in each state is the sole responsibility of the Vendor.

8.3 **<u>Reporting</u>**: Vendor shall electronically provide Equalis Group with a detailed line item monthly report showing the dollar volume of all member product sales under the contract for the previous month. Reports shall be sent via e-mail to Equalis Group offices at <u>reporting@equalisgroup.org</u>. Reports are due on the **fifteenth (15<sup>th</sup>)** day after the close of the previous month. It is the responsibility of the awarded vendor to collect and compile all sales under the contract from participating members and submit one (1) report. ARTICLE 9- PRICING

9.1 <u>Market competitive guarantee</u>: Vendor agrees to provide market competitive pricing, based on the value offered upon award, to Region 10 ESC and its participating public agencies throughout the duration of the contract.

9.2 **Price increase**: Should it become necessary or proper during the term of this contract to make any change in design or any alterations that will increase expense, Region 10 ESC must be notified immediately. Price increases must be approved by Lead Agency and no payment for additional materials or services, beyond the amount stipulated in the contract, shall be paid without prior approval. All price increases must be supported by manufacture documentation, or a formal cost justification letter.

Vendor must honor previous prices for thirty (30) days after approval and written notification from Region 10 ESC if requested.

It is Vendor's responsibility to keep all pricing up to date and on file with Region 10 ESC. All price changes must be provided to Region 10 ESC, using the same format as was accepted in the original contract.

9.3 <u>Additional Charges</u>: All deliveries shall be freight prepaid, F.O.B. destination and shall be included in all pricing offered unless otherwise clearly stated in writing.

9.4 **Price reduction and adjustment:** Price reduction may be offered at any time during contract and shall become effective upon notice of acceptance from Region 10 ESC. Special, time-limited reductions are permissible under the following conditions: 1) reduction is available to all Members equally; 2) reduction is for a specific time period, normally not less than thirty (30) days; 3) original price is not exceeded after the time-limit; and 4) Region 10 ESC has approved the new prices prior to any offer of the prices to a Member. Vendor shall offer Region 10 ESC any published price reduction during the contract period.

9.5 **Prevailing Wage**: It shall be the responsibility of the Vendor to comply, when applicable, with the prevailing wage legislation in effect in the jurisdiction of the purchaser (Region 10 ESC or its Participating Members). It shall further be the responsibility of the Vendor to monitor the prevailing wage rates as established by the appropriate Department of Labor for any increase in rates during the term of this contract and adjust wage rates accordingly.

9.6 **Administrative Fees:** The Vendor agrees to pay administrative fees to Equalis Group based on the terms set in Attachment A. <u>All pricing submitted to Region 10 ESC shall include the administrative fee to be remitted to Equalis Group by the awarded vendor.</u>

9.7 **Price Calculation:** Cost plus a percentage as a primary mechanism to calculate pricing is not allowed. Pricing may either be in the form of line item pricing, defined as a specific individual price on a

product or service, or a percentage discount from a verifiable catalog or price list. Other discounts or incentives may be offered.

# **ARTICLE 10- PRICING AUDIT**

10.1 <u>Audit rights</u>: Vendor shall, at Vendor's sole expense, maintain appropriate due diligence of all purchases made by Region 10 ESC and any participating entity that accesses this Agreement. Equalis Group and Region 10 ESC each reserve the right to audit the accounting for a period of three (3) years from the time such purchases are made. This audit right shall survive termination of this Agreement for a period of one (1) year from the effective date of termination. In the State of New Jersey, this audit right shall survive termination of this Agreement for a period of five (5) years from the date of final payment. Such records shall be made available to the New Jersey Office of the State Comptroller upon request. Region 10 ESC shall have the authority to conduct random audits of Vendor's pricing that is offered to eligible entities at Region 10 ESC's sole cost and expense. Notwithstanding the foregoing, in the event that Region 10 ESC is made aware of any pricing being offered to eligible agencies that is materially inconsistent with the pricing under this agreement, Region 10 ESC shall have the ability to conduct an extensive audit of Vendor's pricing at Vendor's sole cost and expense. Region 10 ESC may conduct the audit internally or may engage a third-party auditing firm. In the event of an audit, the requested materials shall be provided in the format and at the location designated by Region 10 ESC or Equalis Group.

# **ARTICLE 11- PROPOSER PRODUCT LINE REQUIREMENTS**

11.1 **<u>Current products</u>**: Proposals shall be for materials and equipment in current production and marketed to the general public and education/government agencies at the time the proposal is submitted.

**Discontinued products**: If a product or model is discontinued by the manufacturer, Vendor may substitute a new product or model if the replacement product meets or exceeds the specifications and performance of the discontinued model and if the discount is the same or greater than the discontinued model.

11.3 <u>New products/Services</u>: New products and/or services that meet the scope of work may be added to the contract. Pricing shall be equivalent to the percentage discount for other products. Vendor may replace or add product lines to an existing contract if the line is replacing or supplementing products on contract, is equal or superior to the original products offered, is discounted in a similar or to a greater degree, and if the products meet the requirements of the solicitation. No products and/or services may be added to avoid competitive procurement requirements. Region 10 ESC may require additions to be submitted with documentation from Participating Members demonstrating an interest in, or a potential requirement for, the new product or service. Region 10 ESC may reject any additions without cause.

11.4 **Options**: Optional equipment for products under contract may be added to the contract at the time they become available under the following conditions: 1) the option is priced at a discount similar to other options; 2) the option is an enhancement to the unit that improves performance or reliability.

11.5 **Product line**: Vendors with a published catalog may submit the entire catalog. Region 10 ESC reserves the right to select products within the catalog for award without having to award all contents. Region 10 ESC may reject any addition of equipment options without cause.

11.6 <u>Warranty conditions</u>: All supplies, equipment and services shall include manufacturer's minimum standard warranty and one (1) year labor warranty unless otherwise agreed to in writing.

11.7 **Buy American requirement:** (for New Jersey and all other applicable States) Vendors may only use unmanufactured construction material mined or produced in the United States, as required by the Buy American Act. Where trade agreements apply, to the extent permitted by applicable law, then unmanufactured construction material mined or produced in a designated country may also be used. Vendors are required to check state specific requirements to ensure compliance with this requirement.

# **ARTICLE 12- SITE REQUIREMENTS**

12.1 <u>**Cleanup**</u>: Vendor shall clean up and remove all debris and rubbish resulting from their work as required or directed by Member. Upon completion of the work, the premises shall be left in good repair and an orderly, neat, clean and unobstructed condition conducive to the Member's business purpose.

12.2 <u>Site Preparation</u>: Vendor shall not begin a project for which Participating Member has not prepared the site, unless Vendor does the preparation work at no cost, or until Participating Member includes the cost of site preparation in a purchase order to the contractor. Site preparation includes, but is not limited to moving furniture, moving equipment or obstructions to the work area, installation of wiring for networks or any other necessary pre-installation requirements.

12.3 <u>Registered sex offender restrictions</u>: For work to be performed at schools, Vendor agrees that no employee or employee of a subcontractor who has been adjudicated to be a registered sex offender will perform work at any time when students are or are reasonably expected to be present. Vendor agrees that a violation of this condition shall be considered a material breach and may result in the cancellation of the purchase order at the Participating Member's discretion. Vendor must identify any additional costs associated with compliance of this term. If no costs are specified, compliance with this term will be provided at no additional charge. Vendor is also responsible for ensuring that their employees or contractors who have direct contact with students are properly fingerprinted and background checked in accordance with local state law, if applicable.

12.4 **Safety measures**: Vendor shall take all reasonable precautions for the safety of employees on the worksite, and shall erect and properly maintain all necessary safeguards for protection of workers and the public. Vendor shall post warning signs against all hazards created by its operation and work in progress. Proper precautions shall be taken pursuant to state law and standard practices to protect workers, general public and existing structures from injury or damage.

12.5 **Smoking/Tobacco**: Persons working under the contract shall adhere to local tobacco and smoking (including e-cigarettes/vaping) policies. Smoking will only be permitted in posted areas or off premises.

12.6 <u>Stored materials</u>: Upon prior written agreement between the vendor and Member, payment may be made for materials not incorporated in the work but delivered and suitably stored at the site or some other location, for installation at a later date. An inventory of the stored materials must be provided to

Participating Member with the application for payment seeking compensation for stored materials. Such materials must be stored and protected in a secure location, and be insured for their full value by the vendor against loss and damage. Vendor agrees to provide proof of coverage and/or addition of Participating Member as an additional insured upon Participating Member's request. Additionally, if stored offsite, the materials must also be clearly identified as property of buying Participating Member and be separated from other materials. Participating Member must be allowed reasonable opportunity to inspect and take inventory of stored materials, on or offsite, as necessary.

Until final acceptance by the Participating Member, it shall be the Vendor's responsibility to protect all materials and equipment. Vendor warrants and guarantees that title for all work, materials and equipment shall pass to the Member upon final acceptance.

12.7 <u>Maintenance Facilities and Support</u>: It is preferred that each contractor should have maintenance facilities and a support system available for servicing and repair of product and/or equipment. If a third party is to be used to provide maintenance and support to the participating member, Respondent must notify Region 10 ESC of that third party information. All technicians, applicators, installers shall be fully certified, trained and licensed to perform said duties.

# **ARTICLE 13- MISCELENOUS**

13.1 **Funding Out Clause**: Any/all contracts exceeding one (1) year shall include a standard "funding out" clause. A contract for the acquisition, including lease, of real or personal property is a commitment of the entity's current revenue only, provided the contract contains either or both of the following provisions:

"Retains to the entity the continuing right to terminate the contract at the expiration of each budget period during the term of the contract and is conditioned on a best efforts attempt by the entity to obtain appropriate funds for payment of the contract in the subsequent fiscal year."

13.2 **Disclosures**: Vendor affirms that he/she has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor or service to a public servant in connection with this contract.

Vendor has a continuing duty to disclose a complete description of any and all relationships that might be considered a conflict of interest in doing business with participants in Equalis Group.

Vendor affirms that, to the best of his/her knowledge, the offer was arrived at independently, and was submitted without collusion with anyone to obtain information or gain any favoritism that would in any way limit competition or give an unfair advantage over other vendors in the award of this contract.

13.3 <u>Indemnity</u>: Vendor shall protect, indemnify, and hold harmless both Region 10 ESC and Equalis Group and its participants, administrators, employees and agents against all claims, damages, losses and expenses arising out of or resulting from the actions of Vendor, Vendor employees or Vendor subcontractors in the preparation of the solicitation and the later execution of the contract, including any supplemental agreements with members. Any litigation involving either Region 10 ESC or Equalis Group, its administrators and employees and agents shall be in a court of competent jurisdiction in Dallas County, Texas. Texas law shall apply to any such suit, without giving effect to its choice of laws provisions. Any litigation involving Equalis Group participating members shall be in the jurisdiction of the participating agency. 13.4 **<u>Franchise Tax</u>**: Vendor hereby certifies that he/she is not currently delinquent in the payment of any required franchise taxes, and shall remain current on any such franchise taxes throughout the term of this contract.

13.5 <u>Marketing</u>: Vendor agrees to allow Region 10 ESC and Equalis Group to use their name and logo within website, marketing materials and advertisement. Any use of the Region 10 ESC or Equalis Group name and logo or any form of publicity, inclusive of press releases, regarding this contract by Vendor must have prior approval from Region 10 ESC.

13.6 **Insurance**: Unless otherwise modified elsewhere in this document, prior to commencing services under this contract for a participating member, contractor shall procure, provide and maintain during the life of this agreement comprehensive public liability insurance to include course of construction insurance and automobile liability, providing limits of not less than \$1,000,000.00 per occurrence. The insurance form will be an "all risk" type of policy with standard exclusions. Coverage will include temporary structures, scaffolding, temporary office trailers, materials, and equipment. Contractor shall pay for the deductibles required by the insurance provided under this agreement.

Certificates of insurance shall be delivered to the participant prior to commencement of work. The insurance company shall be licensed to do business and write the appropriate lines of insurance in the applicable state in which work is being conducted. Vendor shall give the participating entity a minimum of ten (10) days notice prior to any modifications or cancellation of policies. Vendor shall require all subcontractors performing any work to maintain coverage as specified.

Prior to commencing any work under this contract, any subcontractor shall also procure, provide, and maintain, at its own expense until final acceptance of the work performed, insurance coverage in a form acceptable to the prime contractor. All subcontractors shall provide worker's compensation insurance which waives all subrogation rights against the prime contractor and member.

13.7 <u>Subcontracts/Sub Contractors</u>: If Vendor serves as prime contractor, it shall not enter into any subcontract subject to this solicitation without prior approval from Region 10 ESC. Any/all subcontractors shall abide by the terms and conditions of this contract and the solicitation.

No subcontract relationships shall be entered into with a party not licensed to do business in the jurisdiction in which the work will be performed. Contractor must use subcontractors openly, include such arrangements in the proposal, and certify upon request that such use complies with the rules associated with the procurement codes and statutes in the state in which the contractor is conducting business.

Contractor agrees to pay subcontractors in a timely manner. Failure to pay subcontractors for work faithfully performed and properly invoiced may result in suspension or termination of this contract. Prior to participating member's release of final retained amounts, Contractor shall produce verified statements from all subcontractors and material suppliers that those entities have been paid in full amounts due and owing to them.

13.8 <u>Legal Obligations</u>: It is the Respondent's responsibility to be aware of and comply with all local, state, and federal laws governing the sale of products/services identified in this RFP and any awarded contract and shall comply with all while fulfilling the RFP. Applicable laws and regulation must be followed even if not specifically identified herein.

13.9 **Boycott Certification:** Respondents hereby certify that during the term of any Agreement, it does not boycott Israel and will not boycott Israel. "Boycott" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes.

13.10 **Venue:** All parties agree that venue for any litigation arising from this contract shall lie in Richardson, Dallas County, Texas, and that the laws of the State of Texas shall govern the rights of the parties and the validity and interpretation of any purchase order, contract, or service agreement that shall arise from and include this proposal request.

# Appendix D: GENERAL TERMS & CONDITIONS ACCEPTANCE FORM

Signature on the Vendor Contract Signature form certifies complete acceptance of the General Terms and Conditions in this solicitation, except as noted below (additional pages may be attached, if necessary).

# Check one of the following responses to the General Terms and Conditions:

 $\bigvee$  We take no exceptions/deviations to the general terms and conditions

### (Note: If none are listed below, it is understood that no exceptions/deviations are taken.)

We take the following exceptions/deviations to the general terms and conditions. All exceptions/deviations must be clearly explained. Reference the corresponding general terms and conditions that you are taking exceptions/deviations to. Clearly state if you are adding additions terms and conditions to the general terms and conditions. Provide details on your exceptions/deviations below:

(Note: Unacceptable exceptions shall remove your proposal from consideration for award. Region 10 ESC shall be the sole judge on the acceptance of exceptions/deviations and the decision shall be final.)

# ATTACHMENT A: Requirements for Lead Agency Agreement To be administered by Equalis Group

The following exhibits are used in evaluating and administering Lead Agency Agreements and are preferred by Equalis Group. Redlined copies of the exhibits should not be submitted with the response. Should a respondent be recommended for award, these exhibits will be negotiated and executed between Equalis Group and the respondent. **Respondents must select one of the following options for submitting their response and <u>submit this page only</u>.** 

- Respondent agrees to all terms and conditions outlined in each of the following exhibits
- Respondent wishes to negotiate directly with Equalis Group on terms and conditions outlined in each of the following exhibits. Negotiations will commence after sealed bids are opened and Region 10 has determined the respondent met all requirements in their response and may be eligible for award.

Respondent has amended or redlined their proposed terms and conditions for the following exhibits in the RFP response to Region 10 ESC.

- Equalis Group Exhibit A EQUALIS GROUP RESPONSE FOR LEAD AGENCY AGREEMENT
- Equalis Group Exhibit B EQUALIS GROUP ADMINISTRATION AGREEMENT
- Equalis Group Exhibit C EQUALIS GROUP MASTER INTERGOVERNMENTAL COOPERATIVE PURCHASING AGREEMENT
- Equalis Group Exhibit D EQUALIS GROUP CONTRACT SALES REPORTING TEMPLATE Equalis Group

Please provide responses to the following questions that address your company's operations, organization, structure and processes for providing products and services.

### 1. States Covered

Respondent must indicate any and all states where products and services can be offered. **Please indicate the price co-efficient for each state if it varies.**

#### **Appendix F: COMPANY PROFILE**

Please provide the following:

#### **General Profile**

- 1. Company's official registered name.
- 2. Brief history of your company, including the year it was established.
- 3. Company's Dun & Bradstreet (D&B) number.
- 4. Corporate office location.
- 5. List the total number of salespersons employed by your organization within the United States, broken down by market.
- 6. List the number and location of offices, or service centers for all states being proposed in solicitation.
- 7. Please provide contact information for the person(s) who will be responsible for the following areas, including resumes:
  - a. Sales
  - b. Sales Support
  - c. Marketing
  - d. Financial Reporting
  - e. Executive Support
- 8. Define your standard terms of payment
- 9. Who is your competition in the marketplace?
- 10. Overall annual sales for last three (3) years;
- 11. Overall public sector sales, excluding Federal Government, for last three (3) years;
- 12. What is your strategy to increase market share in the public sector?
- 13. What differentiates your company from competitors?
- 14. Provide relevant information regarding your ordering process including your firm's on-line catalog/ ordering website, and the ability for purchasing group members to verify they are receiving contract pricing.
- 15. Describe your company's Customer Service Department (hours of operation, number of service centers, etc.).
- 16. Provide your safety record, safety rating, EMR and worker's compensation rate where available
- 17. Describe areas where downtime may occur with products and services provided, historical averages of that downtime, and how you resolve downtime issues when they do occur (For purposes of
providing further clarity, examples of downtime might be a website ordering platform that goes offline, installed equipment that requires service or other products and services that can fail or go offline)

- 18. Provide information regarding whether your firm, either presently or in the past, has been involved in any litigation, bankruptcy, or reorganization.
- 19. Provide fill rates and average delivery timeframes met by specific distribution center.

#### Marketing/Sales

- 20. Detail how your organization plans to market this contract within the first 90 days of the award date. This should include, but not be limited to:
  - a. A co-branded press release within first 30 days
  - b. Announcement of award through any applicable social media sites
  - c. Direct mail campaigns
  - d. Co-branded collateral pieces
  - e. Advertisement of contract in regional or national publications
  - f. Participation in trade shows
  - g. Dedicated Equalis Group and Region 10 ESC internet web-based homepage with:
    - i. Equalis Group and Region 10 ESC Logo
    - ii. Link to Equalis Group and Region 10 ESC website
    - iii. Summary of contract and services offered
    - iv. Due Diligence Documents including; copy of solicitation, copy of contract and any amendments, marketing materials
  - h. Announcement within your firm, including training of the agreement with your national sales force
  - i. Marketing the agreement to new and existing government customers
- 21. Acknowledge that your organization agrees to provide its company logo(s) to Region 10 ESC and agrees to provide permission for reproduction of such logo in marketing communications and promotions.
- 22. Provide the sales/revenue that your organization anticipates each year for the first three (3) years of this agreement.
- \$\_\_\_\_\_ in year one
- \$\_\_\_\_\_ in year two
- \$\_\_\_\_\_ in year three

#### Administration

23. Describe your company's implementation and success with existing cooperative purchasing programs, if any, and provide the cooperative's name(s), contact person(s) and contact information as reference(s).

- 24. Describe the capacity of your company to report monthly sales through this agreement.
- 25. Describe the capacity of your company to provide management reports, i.e. consolidated billing by location, time and attendance reports, etc. for each eligible agency.
- 26. Please provide any suggested improvements and alternatives for doing business with your company that will make this arrangement more cost effective for your company and Participating Public Agencies.
- 27. Please provide your company's environmental policy and/or sustainability initiative.

#### **Green Initiatives**

28. Please provide your company's environmental policy and/or sustainability initiative.

#### Vendor Certifications (if applicable)

29. Provide a copy of all current licenses, registrations and certifications issued by federal, state and local agencies, and any other licenses, registrations or certifications from any other governmental entity with jurisdiction, allowing Respondent to perform the covered services including, but not limited to licenses, registrations or certifications. M/WBE, HUB, DVBE, small and disadvantaged business certifications and other diverse business certifications, as well as manufacturer certifications for sales and service must be included if applicable.

#### References

- 30. Provide a minimum of three (3) customer references for product and/or services of similar scope dating within the past 3 years. Please try to provide an equal number of references for K12, Higher Education and City/County entities. Provide the following information for each reference:
  - Entity Name Contact Name and Title City and State Phone Number Years Serviced Description of Services Annual Volume

### **Appendix F: COMPANY PROFILE**

#### **General Profile**

1. Company's official registered name.

#### **Fastenal Company**

2. Brief history of your company, including the year it was established.

The Fastenal story began in November 1967 when Bob Kierlin opened the first Fastenal branch, a 1,000square-foot shop in his hometown of Winona, MN. It was a humble beginning, but the company eventually found its niche as a supplier that earns opportunities by exceeding customers' expectations for service – an approach later summed up with four words: *Growth Through Customer Service*. Guided by this motto, Fastenal grew from a small-town store, to an up-and-coming regional business, to a successful public firm, to North America's largest fastener company, to the world's most efficient distributor of OEM, MRO, and construction supplies.

3. Company's Dun & Bradstreet (D&B) number.

04 265 3634

4. Corporate office location.

2001 Theurer Blvd. Winona, MN 55987

5. List the total number of salespersons employed by your organization within the United States, broken down by market.

Fastenal currently employs 18,481 people in the United States. Of this count, 10,613 are employed in sales in the United States.

Kevin Fitzgerald VP Government Sales P: (507) 453-8565 kfitzger@fastenal.com

Please see Exhibit C – Resumes of Kevin Fitzgerald and Zach Wise.

8. Define your standard terms of payment.

Fastenal's standard payment terms are Net 30.

9. Who is your competition in the marketplace?

Fastenal's primary national competitors are Grainger, HD-Supply / Home Depot, and MSC. We also have several regional competitors.

10. Overall annual sales for last three (3) years;

2019: \$5,333,700,000 2018: \$4,965,100,000 2017: \$4,390,500,000

11. Overall public sector sales, excluding Federal Government, for last three (3) years;

Fastenal Company does not disclose this information.

12. What is your strategy to increase market share in the public sector?

Our goal is to become the best industrial distributor in each market that we serve. We are working to achieve this by:

- Opening new branches, domestically and internationally
- Continuing to expand the products and services offered to our customers
- Developing innovative sales and marketing approaches

With the addition of new product offerings and more efficient ways for the customer to receive their product, we believe we are positioned to become the best industrial and construction distributor in each market we serve.

With regards to our government customer based, we have expanded, and continue to expand on all products offering with a focus in plumbing, electrical, and HVAC to address the demands of facilities maintenance managers within state agencies, municipalities, and educational facilities. The continuous improvement of our e-commerce platforms are another focal point of our strategy to grow in the government segment. With regards to MRO supplies, Government customers are looking for more than a catalog and a 1-800 number or a big box retail chain.

13. What differentiates your company from competitors?

At the heart of what differentiates our company from the competition is the concept of a "strategic" versus a "transactional" supplier. There are some very good transactional suppliers out there, but their business models are narrowly focused on the efficiencies of transactions – the number of standard products available, the number of purchase orders filled, the number of days from order to delivery, etc. By nature it's a reactive model: The order comes in, it's processed in a remote warehouse, and shipped via a third-party carrier. The good news is that the box arrives within 24 to 48 hours. The bad news is that very little value is delivered along with it.

As a strategic supplier, Fastenal takes a very different approach to drive a deeper level of value. A key concept is total cost of ownership, or TCO. This is particularly important in the MRO arena, where piece price typically represents less than 50% of the total costs associated with low-dollar, high-use supplies. While we strive to be competitive on price, what truly sets us apart is our ability to economize the many indirect costs associated with acquiring, owning and managing MRO inventory, in many cases by assuming these burdens and costs ourselves – something we're willing to do in order to earn loyalty and future opportunities.

### Fastenal

The key to this TCO value proposition is our local presence. With more than 1,800 U.S. branches – far more than any other industrial supplier – we're located within 20 miles of nearly 100% of our current and potential customer locations in North America. Because we are where you are, we're able to stock tailored inventory minutes away, actively manage the flow of planned purchases, and immediately respond to any emergency needs, driving down indirect costs every step of the way. On a more fundamental level, having a dedicated local store for every customer location sets the stage for an environment in which nearly all purchases become planned purchases.

Every Fastenal store carries a broad core inventory to meet common customer needs across a range of industries, but this is just a starting point. As information is shared and usage patterns emerge, each servicing branch will adapt its inventory model to mirror and anticipate your local demand. Within a matter of months, nearly all of your product needs are stocked in close proximity to your facilities, dramatically reducing inventory carrying costs, stock outages, and costly rush orders. In short, while other suppliers are built to react with 24 to 48 hour lead times, our system is designed to analyze, anticipate, and provide today's needs today.

14. Provide relevant information regarding your ordering process including your firm's on-line catalog/ordering website, and the ability for purchasing group members to verify they are receiving contract pricing.

Fastenal hosts a state-of-the-art transactional website to process online orders. All orders are processed through your local branch and sales representative providing quick confirmation and seamless fulfillment on Region 10 ESC/Equalis Group items. With our online capabilities, entities will be able to view the Region 10 ESC/Equalis Group market basket items that are in stock at their local branch or within their facility.

The FAST 360° application on fastenal.com has been engineered to provide insight into your organization's relationship with Fastenal. This ability is exclusive to Fastenal and provides access to information critically important in managing your supply chain. Search, compare and manage your supply chain with three easy-to-use modules that are directly incorporated within Fastenal's eCommerce platform.

- My Business allows you to click into each of your facilities locations and all of the way down to the individual vending machine or bin stock which is managed by Fastenal and then pull up the device's respective planogram to get additional information on a specific SKU. Other companies will tell you what they have in stock. With FAST 360°, instantly see what YOU stock in your own facility.
- My Inventory allows you to search your own inventory for each of your associated account numbers. You can also use the search function to find items based on keyword, description or part number, and even search by your own part number when they're included in our system.
- My Spend is a detailed snapshot of your purchasing habits which provides awareness of planned and unplanned spend behaviors. Using invoice data, FAST 360° illustrates how current spend is being allocated. Monitor purchase activity by category and see which channel that spend is flowing through. Fastenal.com is not just a portal for placing orders, but a tool for managing the supply chain needs.

CONTRACT PRICING	Ordering entities can view market basket, catalog, and expanded catalog items as well as the Region 10 ESC/Equalis Group contract pricing online when logged in with their branch account number. The customer will be able to view Fastenal wholesale and their contract pricing with calculated percent discount. Each Region 10 ESC/Equalis Group market basket item is clearly displayed in the online catalog and identified as a "Market Basket Item" in multiple instances over the course of the shopping experience. The pricing displayed allows the user to clearly identify their contracted pricing compared to wholesale.
PRODUCT SEARCH	Products can be searched by using product categories, descriptions, key words, manufactures, manufacturer part numbers, industry part numbers, competitor part

manufactures, manufacturer part numbers, industry part numbers, competitor part numbers, customer-specific part numbers, green products. All results can be narrowed down by using attribute refinements.

**WORKFLOW** Spending limits can be set and managed for an unlimited number of users,

MANAGEMENT	approvers, or account administrators. Control spending by limiting users to a set budget over a flexible period of time and/or by limiting the size of individual orders. Any user can be set up to be an order requestor, an order approver, or an account administrator.
ORDERING CAPABILITIES	<ul> <li>In addition to the product search options listed above, Fastenal offers multiple time-saving functions for submission of orders.</li> <li>Custom Order Templates: Order templates are easy to use and easy to create. Simply add items to your cart and save the cart for future use. Give an identity to the Custom Template by choosing a name and applying a description to the Template. Order Templates are user specific or can be shared among users under one Fastenal.com account.</li> <li>Electronic Quotes (eQuotes): eQuotes are electronic quotes sent to a user from their Fastenal Sales Representative. This is a method of converting customer product requests, vendor managed inventory requests, or vending machine transactions into customer orders without having to enter or re-type data. A notification is sent via email to the user and the eQuote is sent to the user's Fastenal.com account. Approve the eQuote and your local servicing branch will fulfill.</li> <li>Fast Order Pad: Quickly add items to shopping cart by entering part number and quantity.</li> <li>File Upload: Import an excel spreadsheet list of part numbers and quantities into the shopping cart.</li> </ul>
ORDER STATUS	Region 10 ESC/Equalis Group ordering entities can see the status of their orders at any time during the order process. The local branch can provide tracking information on branch-delivered parts and 3rd party tracking numbers are made available in status updates where applicable
ORDER HISTORY	Ordering entities can view their history of orders placed online with Fastenal.com. Order history can be reordered and edited for future use and commonly ordered items can be saved into order templates for ease of re-ordering.
	In addition to Order History, users have the power of FAST 360° to review their spend and evaluate it by time period, category, and location. Users may search for items previously purchased and utilize the data to see where the product went and the price previously paid.
PRODUCT AVAILABILITY	All standard parts display product availability information and an estimated delivery range. When a Region 10 ESC/Equalis Group member is logged into their branch account, inventory from that branch is visible on the "My Branch" tab so they can easily shop the items that are available for same day pickup or delivery.
	In addition to the product view on fastenal.com, FAST 360° provides our customers with unmatched visibility to inventory and purchasing habits from an all-in-one dashboard, right on Fastenal.com. With FAST 360°, customers can search by part number, description, or category to see if that product currently resides within the Region 10 ESC/Equalis Group member's stocking locations. Using My Inventory allows the member to analyze inventory provided by Fastenal and stocked within their facility as a means to identify efficiencies and cost savings opportunities.
ITEM RESTRICTIONS	Products or categories may be restricted from purchase at the customer's discretion. Restricted items will be displayed as restricted and the user is not allowed to purchase the items.

15. Describe your company's Customer Service Department (hours of operation, number of service centers, etc.)

Fastenal currently operates 1,847 branches in the United States. Standard branch hours are 7:30am-5:00pm, Monday through Friday. Emergency contact information can be provided to reach local Fastenal representatives outside of standard branch hours.

16. Provide your safety record, safety rating, EMR and worker's compensation rate where available.

	2019	2018	2017
EMR (Interstate Rate)	0.48	0.48	0.55
# Fatalities	0	0	0
# Cases w/ Days Away	96	105	83
# Cases w/ Restrict/Transfer	82	125	97
# Other Recordable	67	78	70
Avg # Employees	14,448	14,124	13,372
Total # Hours Worked	24,493,141	23,865,979	22,657,590
Total OSHA Recordable Incident Rate	2.00	2.58	2.21
Days Away from Work Case Rate	0.78	0.88	0.73
Total Restricted Case Rate	0.67	1.05	0.86
Medical/Recordable Case Rate	0.55	0.65	0.62

17. Describe areas where downtime may occur with products and services provided, historical averages of that downtime, and how you resolve downtime issues when they do occur (For purposes of provided further clarity, examples of downtime might be a website ordering platform that goes offline, installed equipment that requires service or other products and services that can fail or go offline).

Downtimes for maintenance and upgrades on Fastenal.com will be limited to evenings and weekends. Downtime occurs less than 5% of the time.

For our vending solutions, physical issues are the only thing that can cause complete downtime of the machine. Our machines can operate in an offline mode so during routine maintenances or a customer network outage, the machines will still be accessible. In the case of a physical issue the local Fastenal branch that services the customer can typically be on site to troubleshoot the same day the issue is reported by the customer. If they cannot fix the issue and a part is required, parts can be ordered next day air or UPS ground depending on the severity.

18. Provide information regarding whether your firm, either presently or in the past, has been involved in any litigation, bankruptcy, or reorganization.

Please see the following litigation disclosure:

On October 8, 2015, the Office of Federal Contract Compliance Programs (OFCCP) announced a settlement between the OFCCP and Fastenal. The matter involved Fastenal's distribution centers in Indianapolis and Atlanta. Based on a statistical analysis of these warehouse locations done during routine desk audits, the OFCCP contended that Fastenal should have hired additional female and Black applicants for part-time General Warehouse positions during 2011 and 2012. Fastenal vehemently denied the accusations that it discriminated against anyone in the hiring process. There were legitimate and non-discriminatory reasons that subject individuals were not hired. However, Fastenal ultimately agreed to a settlement with the OFCCP in the amount of \$1,253,611 in order to avoid the extreme costs, time drain and uncertainty associated with litigation. In addition, Fastenal has made several enhancements to its hiring processes and procedures to prevent this type of situation from occurring in the future.

On August 22, 2018, Larry Tran ('Plaintiff'), filed a class action complaint in the Superior Court of the State of California in Los Angeles County ('Court') against Fastenal Company alleging various violations of the Fair Accurate Credit Transactions Act, 15 U.S.C. §§ 1681 et seq. ("FACTA"). The complaint alleges that

Fastenal was printing more than last five digits of credit card numbers on receipts provided to customers at the point of a sale transaction, in violation of FACTA. The Plaintiff is seeking class action status in accordance with the California Civil Code with respect to all similarly situated consumers (located in all states) that received a printed receipt from Fastenal during the two (2) year period prior to the date of the complaint. Plaintiff is seeking injunctive relief, attorney's fees, punitive damages, restitution and damages, which include statutory damages in the amount 'not less than \$100 and not more than \$1,000' for each violation.

In May of 2019, the parties agreed and entered into a Memorandum of Understanding stipulating to a settlement class and Fastenal agreed to submit payment of the amount of \$1.3 million into a non-reversionary cash fund to be distributed to various parties in accordance with the terms of a final settlement agreement. A Notice of Settlement was submitted to the Court on May 8, 2019 and on July 8, 2019, a Settlement Agreement was provided to the Court for review, along with a Motion for Preliminary Approval of the Settlement Agreement. A hearing date regarding the Motion for Preliminary Approval of the Settlement Agreement is scheduled for March 11, 2020.

In addition to the forgoing legal actions, Fastenal Company from time to time may be involved in various legal actions or proceeding that may involve products, employees, property, debtor or creditor issues, bankruptcy, contracts and related operational issues of the Company and certain investigative inquiries or audits by local, state or federal authorities; however, these actions or activities are not viewed as having a material impact on the Company's operations or its financial condition.

19. Provide fill rates and average delivery timeframes met by specific distribution center.

Fastenal does not provide this information by distribution center.

*Fill Rate* 2019: 98.8% 2018: 98.5% 2017: 99.1%

#### **Delivery Timeframes**

Average delivery timeframes are same day to 48 hours for in-stock items.

#### Marketing/Sales

- 20. Detail how your organization plans to market this contract within the first 90 days of the award date. This should include, but not be limited to:
  - a. A co-branded press release within first 30 days
  - b. Announcement of award through any applicable social media sites
  - c. Direct mail campaigns
  - d. Co-branded collateral pieces
  - e. Advertisement of contract in regional or national publications
  - f. Participation in trade shows
  - g. Dedicated Equalis Group and Region 10 ESC internet web-based homepage with:
    - i. Equalis Group and Region 10 ESC Logo
    - ii. Link to Equalis Group and Region 10 ESC website
    - iii. Summary of contract and services offered
    - iv. Due Diligence Documents including; copy of solicitation, copy of contract and any amendments, marketing materials
  - h. Announcement within your firm, including training of the agreement with your national sales force
  - i. Marketing the agreement to new and existing government customers

Fastenal's implementation team is committed to promoting Fastenal's products, services, solutions, and preeminent customer service to all Region 10 ESC/Equalis Group agencies and eligible government agencies across the nation. Our team will execute a strategic marketing plan that will be rolled out in conjunction with the Region 10 ESC/Equalis Group implementation/ training program.

This plan will focus on promoting both organizations and will ensure that our sales force and current and potential government customers understand the power of Fastenal and Region 10 ESC/Equalis Group Agreement working together. We will utilize our considerable internal resources to achieve success, including our in-house Marketing and Graphic Design teams, print shop, and vinyl shop.

Our go-to-market strategy is to educate our sales and support personnel, provide tools to grow our local sales representatives' business through the Region 10 ESC/Equalis Group Agreement, and promote the Region 10 ESC/Equalis Group Agreement to our customers at every available opportunity. This implementation plan includes three phases:

### Days **1-10**

Announcement of the Region 10 ESC/Equalis Group Award

#### PHASE 1 ACTIVITIES

- Make immediate company announcement on our intranet site and release Fast News video to all Fastenal employees.
- Circulate press release announcement through AP, trade publications, and post on social media and Fastenal.com.
- Release video message from our President/CEO Dan Florness to all Fastenal employees endorsing the new Region 10 ESC/Equalis Group Agreement.
- Hold conference calls with Fastenal sales leadership to discuss the details of the Region 10 ESC/Equalis Group award and implementation plan.
- Publish a Region 10 ESC/Equalis Group article in our Fastenal Quarterly newsletter which is distributed to all 22,000+ Fastenal employees.
- Create an internal Region 10 ESC/Equalis Group landing page on our internal intranet site where Fastenal sales representatives will be directed to access: Master Service Agreement information, Region 10 ESC/Equalis Group support contacts, Links to Region 10 ESC/Equalis Group support pages, Summary of contracts and services offered, Fastenal School of Business training, and a downloadable training document to help prepare for sales calls.
- Create a Fastenal.com landing page dedicated to Region 10 ESC/Equalis Group contract information.

# Days **11-30**

Execution of Region 10 ESC / Equalis Group Participating Addendums

#### PHASE 2 ACTIVITIES

- Meet with government key account contract administration personnel to understand the unique needs of each agency, key initiatives, scope of the contract and cooperative use rules.
- Customize the Region 10 ESC/Equalis Group contract to meet the agency's needs through market baskets, vending, onsite, vendor managed inventory, delivery, administrative fees, incentives, and marketing requirements.
- Work with each agency to obtain a listing of all entities who can utilize the Region 10 ESC/Equalis Group Agreement and obtain cooperative use rules and regulations.
- Hold the Region 10 ESC/Equalis Group implementation meeting with government key accounts. Implementation meetings with the customer can be set up as an inperson meeting, webinar, conference calls, and/or audio/video. Implementation meetings will consist of two stages:
  - Stage 1 Initial Preparation & Strategy Session
    - Custom needs analysis
    - Evaluate resources needed
    - Establish implementation strategy to meet customer's unique needs
    - Develop project timeline (implementation team)
    - Develop event details
    - Create and distribute co-branded customized flyer and/or email for event
    - Collaborate with implementation team on items needed for workshop success
  - o Stage 2 Action Steps
    - Confirm internal and external workshop attendees
    - Create goals for each Region 10 ESC/Equalis Group Participating Entity
    - Begin workshops at specified customer sites
    - Perform Region 10 ESC/Equalis Group customer site analysis
    - Educate Region 10 ESC/Equalis Group Participating Entities on various methods available to acquire products within the contract.
    - Learn how to register for an account on <u>www.fastenal.com</u> and other E-Commerce platforms
    - Learn about Fastenal's government-specific services and solutions, including but not limited to: Vending, Onsite, Sustainable Products & Solutions, Supplier Diversity, Emergency Preparedness, Cost Savings, and more
    - Set up monthly, quarterly or semi-annual business reviews to ensure key objectives and cost saving measures are being met with each participating entity
    - Monitor cost savings goals, continuous improvement initiatives, training, service implementation and outreach initiatives to ensure successful implementation of the customer needs and requirements

	PHASE 3 ACTIVITIES
Days <b>31-90</b>	<ul> <li>Launch email and telemarketing campaign to all Fastenal employees detailing the Region 10 ESC/Equalis Group Agreement and action items for the coming weeks to support the agreement.</li> </ul>
<b>31-90</b> Implementation of the Region 10 ESC/Equalis Group Agreements	<ul> <li>weeks to support the agreement.</li> <li>Create co-branded marketing materials which will be available for Fastenal sales representatives on the Region 10 ESC/Equalis Group intranet landing page. These marketing materials include:         <ul> <li>Region 10 ESC/Equalis Group Agreement executive summary</li> <li>Product-specific flyers for: Facilities Maintenance, Lighting, and Industrial Supplies &amp; Tools</li> <li>Sustainable products &amp; solutions</li> </ul> </li> </ul>
	<ul> <li>Sustainable products &amp; solutions</li> <li>Supplier Diversity products &amp; solutions</li> <li>FAST Solutions resources (vending, onsite, bin stock and eBusiness solutions)</li> <li>Emergency preparedness plan</li> <li>Complete Region 10 ESC/Equalis Group training with each local branch to</li> </ul>
	ensure each branch understands the scope of the Region 10 ESC/Equalis Group contract.
	<ul> <li>Distribute co-branded Region 10 ESC/Equalis Group literature to government agencies via our local Fastenal sales employees.</li> </ul>

The implementation team will include: Regional & State Government Sales representatives, District Managers, General Managers, local Outside Sales Representatives, and others as required. Each local Fastenal branch will work with its Regional & State Government Sales representative to initiate Region 10 ESC/Equalis Group Implementation Workshops for current and potential government customers.

Key Implementation & Marketing Support Contacts Kevin Fitzgerald – VP of Government Sales Erik McKenna – Director of Government Sales – West Bill Franssen – Director of Government Sales – East Richard Warren – Director of Government Sales – Central Zach Wise – Government Sales Manager Robert Spence – Government Inside Sales Manager Brooke MIsna – VP of Marketing Kaylee Haun – Government Marketing Strategist

21. Acknowledge that your organization agrees to provide its company logo(s) to Region 10 ESC and agrees to provide permission for reproduction of such logo in marketing communications and promotions.

Fastenal will provide its company logo to Region 10 ESC/Equalis Group with permission to reproduce the logo for marketing and promotions.

22. Provide the sales/revenue that your organization anticipates each years for the first three (3) years of this agreement.

\$5,000,000 in year one \$10,000,000 in year two \$30,000,000 in year three

#### Administration

23. Describe your company's implementation and success with existing cooperative purchasing programs, if any, and provide the cooperative's name(s), contact person (s) and contact information as reference(s).

Fastenal has demonstrated aggressive sales growth through government cooperatives over the past 10 years. This begins with in depth training for our government sales specialist and local store sales teams. Because of our vast local presence, Fastenal has brought the cooperative contract option to government agencies sometimes ignored by other distributors. We take pride in serving our local market.

Fastenal has a proven sales growth record with NASPO and OMNIA Partners. Each year Fastenal has increased the number of agencies utilizing these agreements. Fastenal continuously markets our cooperative agreements through e-mail, direct mail, social media, and tradeshows.

24. Describe the capacity of your company to report monthly sales through this agreement.

Fastenal does have the ability to provide monthly sales reports. We have a robust reporting program that is able to meet our customer's needs

25. Describe the capacity of your company to provide management reports, i.e. consolidated billing by location, time and attendance reports, etc. for each eligible agency.

Any non-standard reporting request would be negotiated between Fastenal and the individual agency. The individual agency can request reporting through their local branch or local government sales rep.

26. Please provide any suggested improvements and alternatives for doing business with your company that will make this arrangement more cost effective for your company and Participating Public Agencies.

Fastenal's service-oriented distribution network is designed to drive total cost savings for our customers. We have a variety of cost savings drivers including:

- VMI/Vending: Servicing stores will stock product locally and keep just the right amount flowing to the point of use, eliminating costs associated with stock-outs, rush orders, and excess inventory. Our industrial vending solutions have the added benefit of reducing product consumption, typically by 25-35%.
- Reduced Freight Costs: Our company-owned transportation fleet (8,000+ vehicles in all) enables us to move product efficiently and economize freight expenditures for our strategic customers.
- E-Business Solutions: We offer a range of solutions to minimize paperwork, processing time, and administrative costs.
- Dedicated Local Service: Each customer location is serviced by a dedicated local store team that can tailor its inventory and service to support the customers' business goals.
- DMAIC Process Mappings: Fastenal Lean specialists can work our customers to map the movement
  of product through their current system and identify areas where costs can be reduced or eliminated.
  Based on the information gathered, a gap analysis is presented along with a business plan to
  achieve a specific cost savings goal. Implemented solutions include Kanban, just in time (JIT), 6S,
  industrial vending, point-of-use delivery stations, and other Lean Six Sigma concepts.

27. Please provide your company's environmental policy and/or sustainability initiative.

Fastenal's green policy is an evolution of our lean quality initiatives, which are focused on eliminating waste and redundancy. It is also aligned with our government contract compliance initiatives. In short, it is our mission to operate our business in the most environmentally-friendly way possible without compromising quality or service.

**Environmentally Preferred Products (EPP)** Fastenal's robust green and sustainable offering includes more than 46,000 products. Please see Fastenal's Green Product Guide at

http://www.digiedition.fastenal.com/OtherFlyers/GreenCatalog/

The term "environmentally preferable" describes products or services that have a lesser or reduced effect on human health and the environment versus competing offerings that serve the same purpose. All of the environmentally preferable products on fastenal.com are identified with the designation of "green" and a green leaf symbol. This symbol indicates green products that are either third-party certified or non-certified, but it does not represent a certification of its own. Our goal is to identify environmentally preferred products and provide supporting details, so our customers can decide which products will help them work towards their green or sustainability initiatives. The products in our green offering promote sustainability through energy conservation, green cleaning and maintenance, waste reduction and water conservation.

Many of our products have been certified or recognized by organizations that evaluate and set standards for products with environmental benefits. These organizations include: Energy Star, Green Seal, EPA Safer Choice, EcoLogo, Carpet and Rug Institute, Greenguard Environmental Institute, Forest Stewardship Council, Sustainable Forestry Initiative, USDA BioPreferred, EPA WaterSense, SCS Certified, NEMA Premium, UL Environment.

Fastenal also has non-certified green products. Although not certified by a third party, these products offer environmental benefits according to information provided by the manufacturer. We offer this designation because third-party certifications don't exist for all green products and categories. Non-certified products in our offering are considered environmentally preferable for various reasons. For example, they may reduce energy consumption, they may have low or no-VOCs (which directly affect air quality), they may contain recycled content that meets or exceeds EPA standards, etc.

#### **Recycling Programs**

Recycling is more important than ever. It turns materials that would otherwise become waste into valuable resources. It saves money, creates jobs, eliminates waste in landfills, reduces harm to the environment, protects human health and saves energy.

Adopting green policies and procedures will benefit your business and most importantly – the environment. Implementing a recycling program doesn't have to be difficult or expensive. Fastenal can help your facility meet green initiative goals and do the right thing when it comes to protecting our environment.

#### RightCycle by Kimberly-Clark Professional

With Kimberly-Clark's new program, RightCycle, you can begin to soar to new heights of sustainability, even setting your sights on zero-landfill. This is the first large-scale recycling program for non-hazardous lab waste and RightCycle can help turn gloves and garments into ecofriendly products like plastic benches and more!

#### **RecyclePak®**

RecyclePak® makes recycling lamps, ballasts, batteries, and mercury devices easy. The prepaid recycling program ensures complete compliance while reducing the risk of contamination by storing hazardous materials at your facilities. When the container is full, simply ship it out, it's prepaid!

#### DuPont<sup>™</sup> Tyvek<sup>®</sup> Garments Recycling Program

This DuPont service includes program set up, collection, storage, and recycling of garments. "Second life" garment material will be used in items such as plastic park benches, containers, lumber pallets, etc.

#### GreenTech Global Recycling

The GreenTech Global Recycling company reclaims used metal and scrap for the purpose of processing into new metal. GreenTech buys back used cutting tools, metal chips and sludge which are industry specific. GreenTech's parent company is Top Eastern Group (TDC). Top-Eastern Group mills high-speed steel used in the manufacturing of cutting tools and other metal components.

#### Ink & Toner Cartridge Recycling

Fastenal offers simple, convenient recycling of printer cartridges and ensures that returned products are recycled properly. Let us do the work for you. It's easy, quick, and free!

By collecting these cartridges and supporting remanufactured products, Fastenal keeps non-renewable resources from ending up in landfills. If a cartridge cannot be reused, it is recycled into other products. Our goal is to provide the most efficient recycling program on the market.

For more information on our Recycling programs go to https://www.fastenal.com/en/308/recycling-programs

#### **Green Initiatives**

28. Please provide your company's environmental policy and/or sustainability initiative.

Fastenal's green policy is an evolution of our lean quality initiatives, which are focused on eliminating waste and redundancy. It is also aligned with our government contract compliance initiatives. In short, it is our mission to operate our business in the most environmentally-friendly way possible without compromising quality or service.

For more information on our Recycling programs go to https://www.fastenal.com/en/308/recycling-programs

#### Vendor Certifications (if applicable)

29. Provide a copy of all current licenses, registrations and certifications issued by federal, state and local agencies, and any other licenses, registrations or certifications from any other governmental entity with jurisdiction, allowing Respondent to perform the covered services including, but not limited to licenses, registrations or certifications. M/WBE, HUB, DVBE, small and disadvantaged business certifications and other diverse certifications, as well as manufacturer certifications for sales and service must be included if applicable.

Fastenal's corporate functions are centered on the ISO 9001:2015 standard and we're registered at locations worldwide, including each of our distribution centers, our FASTCO operations, and our manufacturing facilities.

In addition, our quality assurance labs are A2LA accredited. The scope of our A2LA accreditation includes mechanical, chemical, dimensional, and calibration testing. Our calibration lab and primary mechanical/chemical test lab is located in Winona, MN, and first completed its A2LA accreditation in 1998. Since then we've received A2LA accreditation for our labs in Shanghai; Taiwan; Malaysia; Wallingford, CT (HOLO-KROME); and, most recently, Modrice, Czech Republic and Loves Park, IL (HOLO-KROME).

Please see the attached Fastenal Quality Certifications as included in Tab 7.

Products are purchased to industry standards like ASTM, ANSI, SAE, ISO, etc. Receiving inspection is based on criteria from these product standards.

Incoming products are part numbered and given a unique trace number at receiving inspection. These numbers stay with the product through receiving, shipping, disbursement, packing slip and invoicing. Fastenal has full traceability on all products sold. We stand behind our product 100%.

Fastenal is registered to do business in all 50 states.

#### References

30. Provide a minimum of three (3) customer references for product and/or services of similar scope dating within the past 3 years. Please try to provide an equal number of references for K12, Higher Education and City/County entities. Provide the following information for each reference:

Entity Name Contact Name and Title City and State Phone Number Years Serviced Description of Services Annual Volume

Palm Beach County Schools West Palm Beach, FL

Stacey Marshall, General Manager P: (561) 687-7199

Suzanne Guthart, Facilities Management Coordinator P: (561)688-7591

Years Serviced: 3

Fastenal took over the management of an onsite location at the Palm Beach School District in December 2016. Fastenal invested \$44,000 in the initial site integration; including shelving, secure cage, and the installation of 12 Fastenal vending machines. This site is a Fastenal store location managed by four full time employees at no cost to the Palm Beach School district. The school uses an average of 3,500 SKUs per

month and the Fastenal employees oversee \$450,000 worth of consigned inventory. Fastenal provides monthly reporting covering green products, category and usage, on time delivery and cost savings.

Annual Volume: Fastenal does not share customer-specific information as it is confidential and proprietary.

FASTENAL

Bowling Green, OH

Kristina Rhine, Contract Manager/Procurement Specialist P: (419) 372-4694

Years Serviced: 15+

Fastenal and Bowling Green State University partnered on a campus-wide vending program to reign in inventory and provide transparency throughout the entire supply chain. BGSU saw double-digit reductions in spend on commodities awarded to Fastenal within the first eight months of implementation and added additional savings in the following years, since November of 2016. The campus is serviced out of the local branch in Bowling Green, OH. BGSU utilizes an Omnia Partners Cooperative Contract with Fastenal.

Annual Volume: Fastenal does not share customer-specific information as it is confidential and proprietary.

#### **Cornell University**

Ithaca, NY

Spring C. Buck, Associate Director Facilities Management Logistics P: (607) 255-1082

#### Products and Services Covered:

It is the intention of Region 10 ESC to establish a contract with Respondent(s) for a complete and comprehensive offering of Maintenance, Repair and Operations (MRO) supplies and related services. Respondents may elect to limit their proposals to a single product or service line within any category, or multiple products and services within any and all categories. However, respondents are encouraged to propose their complete catalog, products and services where available, including but not limited to the following categories:

- <u>Adhesives, sealants and tape</u> caulks, concrete & asphalt, dispensing guns, glues & cements, putties, tapes, thread & gasket sealants.
- <u>Air filters</u> hvac filters which include but are not limited to the following types: v-bank, pleated, antimicrobial, cube filter, hepa filter, pocket air, cartridge, carbon, three ply, and all other applicable building filters.
- <u>Batteries</u> alkaline, lithium, coin, and standard batteries as an example but not limited to: aa, aaa, aaaa, c, d, 9v, 2032, 123, 223 and all other applicable.
- <u>Electrical</u> batteries, circuit breakers, conduit, electrical tape, enclosures, fuses, outlet boxes, power cords, pushbuttons, raceways, receptacles, relays, soldering, solenoids, starters, surge suppressors, timers, transformers, ups systems, wire, wire management.
- <u>Fasteners</u> anchors, bolts, braces & brackets, door hardware, door locks & deadbolts, hooks, hydraulic seals, keyless access locks, keystock, lanyards, measuring equipment, nails, nuts, o-rings & o-ring kits, pins, retaining rings, rivets, screws, spacers & standoffs, springs, staples, thread inserts, washers.
- <u>Hand-Held Tools</u> (electric, battery, or pneumatic-operated), including accessories, automotive type tools, welding equipment, outdoor tools, testing and measuring tools, carts and hand trucks, work benches, tool cabinets, ladders, and all ancillary supplies and components.
- <u>HVAC and refrigeration</u> air circulators & fans, air cleaners, air conditioning, air filters, blowers, central equipment, dehumidifiers, exhaust fans, evaporative coolers, heaters & accessories, humidifiers, hvacr controls, power roof ventilators, refrigeration, shutters/dampers, thermostats, tubeaxial fans.
- <u>Lighting, lamps, ballast, fixtures</u> ballasts, batteries, cord reels, dimming controls, dock lights, exit signs, fixtures, flashlights, hand lamps, jobsite lighting, lamps, led lighting, machine tool lights, recycling kits, track lighting, troffers.
- <u>Material handling</u> cabinets, carts & trucks, casters, conveyors, drums & docks, hoists/winches & rigging, ladders, mounts & vibration control, packaging & shipping, scaffolding, tarps.
- <u>Motors</u> bearings, belts, brakes/clutches, bushings, chain, couplings, definite-purpose motors, gear motors, general-purpose motors, hvac motors, linear motion, pulleys, pump motors, sheaves, speed reducers, sprockets, vacuum motors, vibrators.
- <u>Outdoor equipment</u> cranes, creepers, insect control, jacks, lawn maintenance, lift equipment, master sets, oils, rakes, shovels, sprinklers, tool storage, water hoses, wheelbarrows, and any other applicable items. Landscape equipment (gasoline and electric), shovels, rakes, axes, hoes, hoses, nozzles, insect control, herbicides, fertilizers, plants, trees, sprinkler/irrigation equipment and supplies and all ancillary supplies, tools, and components.

- <u>Paints equipment and supplies</u> all types of paints, equipment and supplies, brushes, rollers, spray equipment, aerosol paints, pressure washers, sand blasters, finishes, abrasives, epoxy, cleaners, drywall supplies, tarps, compounds, accessories, and all ancillary supplies, tools, and components.
- <u>Plumbing</u> air-operated diaphragm pumps, centrifugal pumps, faucets, flowmeters, fuel & oil transfer pumps, pipe/valves/fittings, positive displacement pumps, sinks, sump/sewage pumps, toilets, tubing, urinals, water coolers, water filtration, water heaters, water system pumps, kitchen sink.
- <u>Pneumatic tools</u> adapters, air compressors, clamps, couplings, cylinders, dryers, filters, filter regulator lubricants, fittings, hoses, hose reels, hydraulic motors & gear pumps, hydraulic pumps & cylinders, lifting, motors, oil coolers, power units, pumps, regenerative blowers, tools, vacuum pumps, valves.
- <u>Power tools and accessories</u> electric or gas operated, mobile or stationary, bench or floor mounted, including accessories, and all ancillary supplies and components. Some examples include band saws, circular saws, cordless & corded drills, cordless tool batteries & chargers, drill presses, dust collectors, grinders & cutoff tools, hammer drills, impact drivers & wrenches, lathes, metal forming machinery, reciprocating saws, rotary & demo hammers, routers.
- <u>Safety & emergency preparedness</u> facility safety, fire protection, first aid, identification, industrial safety, instrumentation, personal protective equipment, safety storage, spill control & containment, traffic safety, disaster recovery products etc.
- <u>Security</u> door and door frames, key control & identification, mailboxes, padlocks, replacement parts, safes, security alarms and warnings, self-defense, specialty locks, video surveillance.
- <u>Welding and soldering</u> abrasives, arc welding, blankets, curtains & pads, drill bits, end mills & milling cutters, fume extraction, gas welding, taps & dies, inserts, machine tool accessories, precision measuring, welding accessories.
- <u>Non-standard</u> items that are currently purchased by chess that can be considered non-standard for some catalog skus with less purchase frequency.

- <u>Fasteners</u> anchors, bolts, braces & brackets, door hardware, door locks & deadbolts, hooks, hydraulic seals, keyless access locks, keystock, lanyards, measuring equipment, nails, nuts, o-rings & o-ring kits, pins, retaining rings, rivets, screws, spacers & standoffs, springs, staples, thread inserts, washers.
- <u>Hand-Held Tools</u> (electric, battery, or pneumatic-operated), including accessories, automotive type tools, welding equipment, outdoor tools, testing and measuring tools, carts and hand trucks, work benches, tool cabinets, ladders, and all ancillary supplies and components.
- <u>HVAC and refrigeration</u> air circulators & fans, air cleaners, air conditioning, air filters, blowers, central equipment, dehumidifiers, exhaust fans, evaporative coolers, heaters & accessories, humidifiers, hvacr controls, power roof ventilators, refrigeration, shutters/dampers, thermostats, tubeaxial fans.
- <u>Lighting, lamps, ballast, fixtures</u> ballasts, batteries, cord reels, dimming controls, dock lights, exit signs, fixtures, flashlights, hand lamps, jobsite lighting, lamps, led lighting, machine tool lights, recycling kits, track lighting, troffers.
- <u>Material handling</u> cabinets, carts & trucks, casters, conveyors, drums & docks, hoists/winches & rigging, ladders, mounts & vibration control, packaging & shipping, scaffolding, tarps.
- <u>Motors</u> bearings, belts, brakes/clutches, bushings, chain, couplings, definite-purpose motors, gear motors, general-purpose motors, hvac motors, linear motion, pulleys, pump motors, sheaves, speed reducers, sprockets, vacuum motors, vibrators.
- <u>Outdoor equipment</u> cranes, creepers, insect control, jacks, lawn maintenance, lift equipment, master sets, oils, rakes, shovels, sprinklers, tool storage, water hoses, wheelbarrows, and any other applicable items. Landscape equipment (gasoline and electric), shovels, rakes, axes, hoses, hoses, nozzles, insect control, herbicides, fertilizers, plants, trees, sprinkler/irrigation equipment and supplies and all ancillary supplies, tools, and components.
- <u>Paints equipment and supplies</u> all types of paints, equipment and supplies, brushes, rollers, spray equipment, aerosol paints, pressure washers, sand blasters, finishes, abrasives, epoxy, cleaners, drywall supplies, tarps, compounds, accessories, and all ancillary supplies, tools, and components.
- <u>Plumbing</u> air-operated diaphragm pumps, centrifugal pumps, faucets, flowmeters, fuel & oil transfer pumps, pipe/valves/fittings, positive displacement pumps, sinks, sump/sewage pumps, toilets, tubing, urinals, water

coolers, water filtration, water heaters, water system pumps, kitchen sink.

- <u>Pneumatic tools</u> adapters, air compressors, clamps, couplings, cylinders, dryers, filters, filter regulator lubricants, fittings, hoses, hose reels, hydraulic motors & gear pumps, hydraulic pumps & cylinders, lifting, motors, oil coolers, power units, pumps, regenerative blowers, tools, vacuum pumps, valves.
- <u>Power tools and accessories</u> electric or gas operated, mobile or stationary, bench or floor mounted, including
  accessories, and all ancillary supplies and components. Some examples include band saws, circular saws,
  cordless & corded drills, cordless tool batteries & chargers, drill presses, dust collectors, grinders & cutoff tools,
  hammer drills, impact drivers & wrenches, lathes, metal forming machinery, reciprocating saws, rotary & demo
  hammers, routers.
- <u>Safety & emergency preparedness</u> facility safety, fire protection, first aid, identification, industrial safety, instrumentation, personal protective equipment, safety storage, spill control & containment, traffic safety, disaster recovery products etc.
- <u>Security</u> door and door frames, key control & identification, mailboxes, padlocks, replacement parts, safes, security alarms and warnings, self-defense, specialty locks, video surveillance.
- <u>Welding and soldering</u> abrasives, arc welding, blankets, curtains & pads, drill bits, end mills & milling cutters, fume extraction, gas welding, taps & dies, inserts, machine tool accessories, precision measuring, welding accessories.
- <u>Non-standard</u> items that are currently purchased by chess that can be considered non-standard for some catalog skus with less purchase frequency.

In 2019 Fastenal supplied products spanning nearly 1.6 million unique stock-keeping units (SKUs). This includes 170,000+ "standard" part numbers that are well supported throughout our distribution system, along with a vast range of semi-standard and customer-specific items. Fastenal currently has 420,640 items in our catalog - these products are stocked in our branches or distribution centers. Additionally, we have an expanded catalog which contains 710,650 items which may or may not be stocked in our branches or distribution centers.

Sourcing of non-core items is a service that Fastenal offers to customers to procure items that are not available within Fastenal's distribution system. Fastenal's sourced products are a direct line extension of the product offering consisting of thousands of vendors with whom we have developed a publicly recognized business relationship around promoting and developing the brands representative of the vendor. The local Fastenal branch manages the sourcing, procurement, delivery, and, if required, the inventory management of the sourced product as part of a Fastenal vendor managed inventory solution.

At the distribution center and local branch level, purchasing is decentralized for each individual location; this allows for maximum flexibility to purchase quality products from qualified vendors. This combination of flexibility and accountability allows Fastenal Company to provide quality products and services to its customers in a "just in time" environment with a customer service approach that has its focus at the local level.

Additionally, for Participating Entities with Small Business goals, non-core items may be sourced though one of Fastenal's authorized resellers. Under the Small Business Reseller program, the Small Business is the vendor of record and manages the sourcing, procurement and invoicing of the item to the Participating Entity under Fastenal's contract. Depending upon the item, Fastenal may provide distribution, logistics and vendor managed inventory services.

Pricing for sourced items is based on current market conditions and negotiated locally (either by Fastenal or the Small Business Reseller) on a per-order basis.

#### **Appendix C: PRICING**

#### Attachment B

Region 10 ESC requests that potential Respondents offer a wide array of products and services at lower prices and with better value than what they would ordinarily offer to a single government agency, a school district, or a regional cooperative.

All pricing must be entered into the Attachment B template provided. Products/lines completed will be used to establish the extent of the Respondents product lines, services, warranties, etc. that are available. <u>All services offered under this contract must be priced or listed as free and unlisted services will not be accepted</u>. Please submit price lists and/or catalogs in excel or delimited format and provide a signed PDF copy for verification purposes.

Pricing must be entered into each worksheet within the Attachment B as follows:

#### Core Price List

- Respondents are encouraged to include all high-volume products/services within the scope of this RFP they deem are necessary to show a complete Core Price List
- All relevant columns in this worksheet should be completed. Incomplete fields or columns may be deemed unresponsive at the sole discretion of Region 10 ESC

#### Other Pricing

- In addition to prices offered in the Core Price List, respondents shall provide a calculation for pricing on all other products available under the scope of this RFP. The calculation should be based on a discount from a verifiable price list or catalog. Cost plus a percentage as a primary method is not allowed.
- Additional services such as installation, delivery, tech support, training, and other services not already included in the Core Price list should be provided in this worksheet

#### Other Discounts or Enhanced Pricing

- List additional rebates, discounts off list, delivery size incentives or other price discounts not already provided in the other worksheets
- Respondents are encouraged to offer additional discounts for one-time delivery of large single orders to participating public agencies. Participating public agencies should seek to negotiate additional price concessions based on quantity purchases of any products offered under the Contract.

#### Not to Exceed Pricing

Region 10 ESC requests pricing be submitted as not to exceed for any participating entity.

- Unlike fixed pricing the awarded vendor can adjust submitted pricing lower if needed but, cannot exceed original pricing submitted for solicitation.
- > Vendor must allow for lower pricing to be available for similar product and service purchases.

#### **Other Restrictions and Fees**

Please provide any other relevant information, fees or restrictions for Purchasing Group Members to receive pricing or value under this contract, such as minimum order sizes, restocking fees, and/or any other relevant fee or restriction associated with this contract. Fees or restrictions not listed will not be allowed under this contract.

### **Appendix C: PRICING**

#### Attachment B

Region 10 ESC requests that potential Respondents offer a wide array of products and services at lower prices and with better value than what they would ordinarily offer to a single government agency, a school district, or a regional cooperative.

All pricing must be entered into the Attachment B template provided. Products/lines completed will be used to establish the extent of the Respondents product lines, services, warranties, etc. that are available. <u>All services offered under this contract must be priced or listed as free and unlisted services will not be accepted</u>. Please submit price lists and/or catalogs in excel or delimited format and provide a signed PDF copy for verification purposes.

Pricing must be entered into each worksheet within the Attachment B as follows:

Core Price List

- Respondents are encouraged to include all high-volume products/services within the scope of this RFP
  they deem are necessary to show a complete Core Price List
- All relevant columns in this worksheet should be completed. Incomplete fields or columns may be deemed unresponsive at the sole discretion of Region 10 ESC

#### Other Pricing

- In addition to prices offered in the Core Price List, respondents shall provide a calculation for pricing on all other products available under the scope of this RFP. The calculation should be based on a discount from a verifiable price list or catalog. Cost plus a percentage as a primary method is not allowed.
- Additional services such as installation, delivery, tech support, training, and other services not already included in the Core Price list should be provided in this worksheet

Other Discounts or Enhanced Pricing

- List additional rebates, discounts off list, delivery size incentives or other price discounts not already
  provided in the other worksheets
- Respondents are encouraged to offer additional discounts for one-time delivery of large single orders to participating public agencies. Participating public agencies should seek to negotiate additional price concessions based on quantity purchases of any products offered under the Contract.

Fastenal may offer additional volume discounts for minimum order quantities to be negotiated with specific end users on a case by case basis based upon the item(s), volume, and current market conditions. Fastenal's pricing model for negotiating volume discounts for minimum order quantities includes the option to establish fixed negotiated pricing for commitments based upon established ordering patterns and Fastenal's ability to negotiate long-term price supports with suppliers for stated minimum order quantities.

#### Not to Exceed Pricing

Region 10 ESC requests pricing be submitted as not to exceed for any participating entity.

- Unlike fixed pricing the awarded vendor can adjust submitted pricing lower if needed but, cannot exceed original pricing submitted for solicitation.
- > Vendor must allow for lower pricing to be available for similar product and service purchases.

Fastenal is offering Region 10 ESC a pricing structure that represents a "ceiling price". Region 10 ESC and its participating entities will not be charged more than the pricing negotiated but may be charged more favorable prices based upon market conditions, volume discounts, planned purchases that allow for Manufacturer specific Special Pricing Agreements (SPA)

and other situational variations that regularly occur in a retail environment commonly known as deviations (liquidations, damaged goods, one time good will, seasonal items, local promotions, etc.).

#### **Other Restrictions and Fees**

Please provide any other relevant information, fees or restrictions for Purchasing Group Members to receive pricing or value under this contract, such as minimum order sizes, restocking fees, and/or any other relevant fee or restriction associated with this contract. Fees or restrictions not listed will not be allowed under this contract.

#### **Return Policy / Restocking Fees**

Fastenal must approve cancellation of any order prior to shipment. Orders for Special or Non-standard Products (not in the catalogue) may not be cancelled or returned. Any returns for shipping errors, damage or loss upon delivery must be reported within 10 days of the delivery date. Except as otherwise agreed, Products will not be accepted for return after 30 days from the date of delivery to the Purchaser. Any cancellation or returns accepted after 30 days may be subject to a restocking fee and other charges, for which the Purchaser shall be responsible. All returns should be made to a Fastenal branch or as otherwise designated by Fastenal, and must be in resalable condition and accompanied with an Invoice.

#### **Shipping Fees**

Products that are Non-Catalog Items or Sourced Items may be subject to freight charges. In such cases, shipping charges would be quoted and pre-approved by the customer. Any Products requiring special freight arrangements (air freight, express ground, LTL special, etc.), including special orders and/or Buyer emergency requests, may be assessed freight charges. Emergency requests due to errors on the part of Seller stocking methods however do not constitute a Buyer emergency for which extra freight may be charged.

#### Appendix G: VALUE ADD

Please include any additional products and/or services not included in the scope of the solicitation that you think will enhance and/or add value to this contract participating agencies.

### **Appendix G: VALUE ADD**

Please include any additional products and/or service not included in the scope of the solicitation that you think will enhance and/or add value to this contract participating agencies.

#### **Marketing Plan**

Fastenal's marketing team is committed to promoting Fastenal's products, services, solutions, and preeminent customer service to all state government departments, institutions of higher education, agencies, and political subdivisions. Our team will execute a strategic marketing plan that will be rolled out in conjunction with the Region 10 ESC/Equalis Group implementation/ training program.

This plan will focus on promoting both organizations and will ensure that our sales force and current and potential government customers understand the power of Fastenal and Region 10 ESC/Equalis Group working together. We will utilize our considerable internal resources to achieve success, including our in-house Marketing and Graphic Design teams, print shop, and vinyl shop.

Our go-to-market strategy is to educate our sales and support personnel, provide tools to grow our local sales representatives' business through the Region 10 ESC/Equalis Group Master Service Agreement, and promote the agreement to our customers at every available opportunity.

#### **Marketing Channels**

#### Print Marketing

Our in-house Marketing, Graphic Design, and Print and Vinyl Shop teams will assist our Government Sales team and local branches in developing customized Region 10 ESC/Equalis Group literature for our current and potential customers. Our teams work under quick turn-around times and are able to produce printed literature at a substantially lower cost than outside print vendors. We also publish barcodes on all of our printed literature, which allows us to track each piece's distribution and sales impact down to the individual customer level. Our print marketing materials include flyers, linecards, brochures, catalogs, direct mail, advertisements, and more.

#### **Online Marketing**

#### Fastenal.com

Fastenal has focused tremendous effort and resources toward improving our site functionality, performance, and product availability. The growing awareness of our website, both internally and externally, has created many opportunities for us to market our products, services, and solutions through targeted approaches via referral sources, searches on our website, etc. Upon award of the Region 10 ESC/Equalis Group Master Service Agreement, our Web Marketing team will update and monitor Region 10 ESC/Equalis Group's landing page and develop targeted campaigns to continue to drive traffic to this page. Web promotions can also be developed at the discretion of Region 10 ESC/Equalis Group and the Government Sales team.

#### Email Marketing

Fastenal's email marketing program has a proven track record of reaching active email subscribers. We will support the Region 10 ESC/Equalis Group Master Service Agreement by developing co-branded, customized email campaigns. One thing that makes our program unique is that customers receive personalized emails from their Fastenal sales representative, improving campaign effectiveness while helping to grow customer relationships. Our email marketing program also offers detailed reporting for our Government Sales and local sales teams, which will be crucial to measuring the success of the email marketing program promoting the Region 10 ESC/Equalis Group Master Service Agreement to current and potential customers.

#### Tradeshows/Events

Fastenal is committed to attending government tradeshows when applicable. Tradeshows we have attended and will continue to participate in are:

- NASPO Exchange
- NIGP
- NAEP

- APPA
- Various Participating State shows, as opportunities arise
- Various Green/Sustainable and Supplier Diversity shows

We also host our own annual tradeshow events, which provide an excellent venue to showcase our government capabilities to thousands of employees, suppliers and customers. Upon award of the Region 10 ESC/Equalis Group Master Service Agreement, Fastenal will commit to promoting and providing training for the Region 10 ESC/Equalis Group contract at the Fastenal Customer Show in Nashville, TN.

#### **FAST Solutions**

Fastenal has been a pioneer in industrial VMI since the early 1970s (before the term 'VMI' even existed). Over the years this service has become central to who we are: a supply chain partner who's 'local' enough to handle the heavy lifting of material management, but 'global' enough to bring true value to the venture in terms of sourcing, logistics, quality assurance, implementation, and engineering and lean six sigma consultation. Below we have provided an overview of the variety of inventory management programs we have to offer, each of which can be tailored to meet the specific needs of Region 10 ESC and other participating entities. For additional details please see the enclosed Exhibit D – Supply Chain Solutions Brochure. Additionally, please reference the FAST Solutions Agreements included as Exhibit E.

Fastenal's bin stock solutions are a perfect fit for any production and MRO items you cannot dispense out of a vending machine but are still needed on your shelves. Each solution is unique, but all share three common elements:

- 1. A labeled location and min/max inventory range for each part.
- 2. A nearby Fastenal branch to carry the inventory and make sure you always have just the right amount on hand.
- 3. Detailed usage reporting by location, clarifying 'how much of which parts should be stocked where.'

#### Manual Solutions:

#### Fastenal Managed Inventory (FMI)

Save time and money by utilizing our local experts to manage your bin stock inventory.

- We organize & label new or existing bins, collaborate to establish initial min/max levels and service schedule
- We visit regularly to monitor & replenish inventory.
- Suggested replenishment orders are submitted, reviewed and approved via Fastenal.com.
- Flexible delivery (we deliver to dock or put product away).

# WE ARE WHERE YOU ARE.

#### **FAST Scan**

If you prefer to handle the scanning and ordering internally, Fastenal will provide an iOSbased scanning solution for your personnel to quickly generate replenishment orders.

- We organize and label bins and shelving.
- We set up profiles for local users on Fastenal.com and provide scanning devices.
- Your local personnel determine inventory levels and controls.
- We provide flexible delivery, reporting, and suggestions for improvement.

#### Electronic Solutions:

#### **FAST Scale**

Utilizes weight sensor technology to provide a real-time view of your *exact* quantity on hand (QOH) - a good fit for critical production parts. Users log onto Fastenal.com to view live inventory levels and adjust reorder triggers.

- We install the scale system, organize and label parts.
- An order is automatically generated when stock hits 'min' level.
- View and approve suggested orders via Fastenal.com.
- Flexible delivery (we deliver to dock or put product away).

#### Auto Bins

FAST Solutions

Offers a real-time view of your inventory 'health' ('above min,' 'below min' or 'out of stock' – not exact QOH) along with electronic signals prompting replenishment when stock runs low. There are two basic options:

- Infrared Bins An order is triggered when stock falls below a specified 'water mark' in the bin.
- 2-Bin System An order is triggered by placing the empty bin next to an RFID chip built into the shelving.

# With tens of thousands of machines currently implemented at customer sites, Fastenal is the dominant leader in industrial vending. ... Why? It's a combination of our innovative technology, our low-cost, no-risk program, and most important of all, our "machine *behind* the machine" – the thousands of local Fastenal personnel making sure each solution is perpetually filled, functioning, and fully optimized for maximum savings.

- Wide variety of machines to support virtually any product needs.
- Dynamic web reporting view real-time usage data when, where and how you want to see it.
- Machines provided free of charge based on a one-year renewable service agreement.
- Your servicing Fastenal branch teams monitor and replenish the machines no paperwork or labor required.
- Dedicated vending specialists work hand-in-hand with our local branches to analyze usage patterns, suggest areas for improvement, and make sure the solution is driving the results you want to see.

#### FAST 5000 & FAST 3000

With tens of thousands of units driving results at customer sites, this is the most widely-used industrial technology in the world – a simple, versatile solution to track and control items ranging from PPE to general MRO items. The FAST 3000 is simply a more compact version of the FAST 5000. Both can function as stand-alone solutions or used in conjunction with our standard lockers.

#### Standard Lockers

Our standard (semi-secure) lockers are used to: 1) track and control access to largersized consumable products (relying on the user to enter the quantity taken), and 2) automate check-out and return of tools and other assets. They can be used with a standalone controller or in conjunction with a FAST 5000 or FAST 3000 machine.

#### FAST 10000SL (Secure Locker) Series

This next-generation technology extends the benefits of vending to four very common (yet traditionally difficult to vend) product types: 1) boxes, 2) cylinders/cans, 3) 'floppy' items (Tyvek suits, belts, hoists, etc.), and 4) loose components (fasteners, fittings, cutting tools, etc.). The machines automatically sense and report the exact amount taken by each user, providing peritem traceability and a frictionless 'grab and go' experience.

#### **Outdoor Lockers**

With a tough steel exterior, ruggedized electronics and optional temperature control, these lockers are built to operate in harsh outdoor environments. Keep tools perpetually stocked, secure and accessible on the jobsite, and automatically track check-out/check-in of expensive tools.

#### FAST CT (Cutting Tool) Machines

Designed to dispense and track inserts and round tools, either individually or in pre-determined quantities. The compact design of the machines (combined with the low cost of our vending program) makes it practical to install multiple point-of-use machines throughout the shop (versus a single centralized unit) for increased productivity.

The purest expression of our local service philosophy is our Onsite service model, positioning not only our solutions but also Fastenal personnel and Fastenal-owned inventory – essentially a dedicated branch – within the walls of your facilities. Just like vending and bin stocks, this is a natural extension of our distribution infrastructure and a model we've pioneered in our industry, with hundreds of Onsite partnerships.

#### The Fastenal Onsite Advantage:

- Full program customization based on process mapping exercise.
- Dedicated onsite Fastenal team to handle all inventory management functions the first time your employees touch the product is at the point of use
- Consigned onsite inventory within the Fastenal crib we own it until it's on your production floor.
- Customized inventory modeling to eliminate stock-outs.
- Immediate access to planned needs (within our crib) and a variety of spot-buy needs (via our local branch).
- Detailed, flexible reporting based on your business priorities.
- Deep collaboration, including participation in Kaizen events and other company initiatives. (As we like to say, it's like having a team of supply chain experts on your staff, but not on your payroll.)

#### **How Will Your Business Benefit?**

#### ✓ Save money

- Lower markup structure (reflecting our lower operating costs vs. our traditional branch-based service model).
- Utilize Fastenal labor for purchasing, quality inspection, inventory management, etc.
- Reduce transportation costs through better inventory planning and utilization of Fastenal's trucking system.

#### Reduce inventory/working capital

- Upon moving Onsite, we will sell down your current inventory and replace it with our own.
- Moving forward, the inventory in the Fastenal crib is on our books until we move it to the production floor. This transformation creates a dollar-for-dollar reduction in your working capital.

- ✓ Gain efficiency in your facility
  - Simply put, we are experts with the knowledge, solutions, and systems to run a truly world-class supply chain for your business.
  - Put our decades of experience to work for you in the areas of quality/source control, OEM critical spares management, inventory planning, point-of-use supply flow, and other critical activities.

#### **Integrated Solutions**

In conjunction with our Onsite service model, Fastenal personnel can perform any and all business functions, including purchasing and managing your non-Fastenal product needs (with no mark-ups added). Each integrated supply solution is unique and will require a detailed RFP to define the scope and responsibilities. To begin the process, our team of Lean Six Sigma specialists is prepared to perform a process mapping event.

Our e-business solutions are designed to streamline business processes while leveraging our local presence to provide the fastest possible service. This includes something no other national supplier can offer on a national level: *same-day* service for thousands of locally stocked items.

#### Fastenal.com

Fastenal.com is a 24/7 window to research, source, procure, and manage a spectrum of MRO, OEM and Construction supplies. Leveraging our brick-and-mortar presence at 1,800+ locations, the site is designed to present the nearest – and therefore fastest – solutions to your product needs. That includes thousands of items available for same-day fulfillment at your servicing Fastenal branches.

#### Key Features & Functionality:

- *My Branch*: Need it today? Click on your My Branch tab to see if the item you're searching for is stocked on your local Fastenal branch shelves.
- Contract Pricing: Ordering entities can view market basket, catalog, and expanded catalog items as well as the Region 10 ESC/Equalis Group contract pricing online when logged in with their branch account number. The pricing displayed allows the user to clearly identify their contracted pricing compared to wholesale.
- In-Stock Alternative Products: View the item you originally searched for as well as 'in-stock alternatives' offering the same fit, form and function – potential solutions for a faster lead time or lower cost.
- Advanced Permissions Settings: Control non-compliant spending by setting employee purchase limits, establishing authorized users and approvers, and creating an automated approval workflow.
- eQuotes: Edit and approve branch quotes, including suggested bin stock (eVMI) replenishment orders, without having to enter or re-type data.
- Reports: Access usage, vending, and cost savings reports to bring visibility to your overall spend with Fastenal.
- Strategic Supply Recommendations: If desired, we can analyze your usage activity and present
  opportunities to standardize purchases, switch to more cost-effective alternatives, and supply repetitive
  orders via a more strategic delivery method, such as a vending or bin stock solution.

#### **FAST 360°**

FAST 360° provides our customers with unmatched visibility to inventory and purchasing habits from an all-in-one dashboard right on Fastenal.com. Engineered to give insight into your organization's relationship with Fastenal, this Fastenal exclusive provides access to information that is critically important in managing your supply chain. Search,

compare and manage your supply chain with three easy to use modules that are directly incorporated within Fastenal's eCommerce platform.

- My Business allows you to click into each of your facilities locations and all of the way down to the individual vending machine or bin stock which is managed by Fastenal, and then pull up the device's respective planogram to get additional information on a specific SKU.
- *My Inventory* allows you to search your own inventory for reach of your associated account numbers. You can also use the search function to find items based on keyword, description or part number, and even search by your own part number when they're included in our system.
- *My Spend* is a detailed snapshot of your purchasing habits which provides awareness of planned an unplanned spend behaviors. Using invoice data, FAST 360 illustrated how current spend is being allocated. Monitor purchase activity by category and see which channel that spend is flowing through.

#### **B2B** Integration

B2B integration is either a direct connection between your internal ERP system and Fastenal, or a connection via a third-party procurement partner that supports electronic document exchange throughout the purchase-to-payment process. Reduce operational costs associated with the procurement process, eliminate double and manual data entry, and ensure adherence to supplier contracts and budgets.

Why Integrate With Fastenal?

- Experience & Flexibility Our in-house eBusiness department has 20 years of experience developing and implementing custom integrated solutions for a broad range of customers. With capabilities ranging from different types of electronic documents and formats to fully customizable catalogs, we can quickly tailor a solution to support your system and unique business needs.
- Local fulfillment at 1,800+ locations Our integration solutions are backed by local inventory and a familiar face for each of your locations. Our easy-to-use punchout catalog keeps your personnel connected with their servicing branches, with the ability to direct users to locally-stocked product options for same-day service. Features like eQuotes and Order Templates further streamline the process for ordering locally-managed inventory items.

Our integration solutions are built on open industry standards (OCI, cXML, xCBL and Punchout), and we offer integration via most leading e-business systems and portals.

#### **FAST Crib**

Monitor inventory, equipment, and even work orders – all within one platform. This web-based, barcode-driven solution supports total inventory control, including min/max-triggered replenishment and a full suite of reports providing visibility and accountability on an enterprise-wide level.

Our implementation team will oversee the entire setup process, from data gathering to labeling, and even training, so your local teams can learn how to use the system while it's being customized for them.

FAST Crib supports four key processes: inventory management, asset

management, maintenance management and procurement. These core components can be custom-configured for use at any time:

- <u>Inventory & Asset Management</u>: The FAST Crib program can be customized to include anything your local personnel wish to control, issue, return, monitor, or procure. Items are loaded by part number to create barcodes which can be scanned and tracked to provide real-time inventory visibility. This works for all parts, not just items supplied by Fastenal.
- <u>Procurement Platform</u>: Manage all of your suppliers via a single portal utilized by all employees great for managing spot buys, controlling rogue purchasing, and channeling spend to preferred suppliers. Comes preloaded with a 325,000-SKU Fastenal reference database.
- <u>Maintenance Management</u>: Streamline preventative maintenance with pre-formatted work orders tied to inventory with Bill of Material generation. Be proactive in your maintenance and understand the true cost to maintain assets and your facility.

#### Sourcing

Sourcing of non-core items is a service that Fastenal offers to customers to procure items that are not available within Fastenal's distribution system. The local Fastenal branch manages the sourcing, procurement, delivery, and, if required, the inventory management of the sourced items as part of a Fastenal vendor managed inventory solution. Fastenal Company's local customer service focus and decentralized structure allows each of our branch locations to tailor their approach to your individual facility needs. Fastenal has 4,500+ corporately approved suppliers with more than 20,000 suppliers total. Region 10 ESC/Equalis Group can benefit from Fastenal's volume leveraged pricing without sacrificing service levels. We have the unique ability to think globally yet act locally, so that our customers get the products and service they need from their neighborhood Fastenal branch with a flexible implementation that is best for them.

Fastenal's sourced items may be a direct line extension with an existing vendor or the item may be procured same day from local vendors. Additionally, for Region 10 ESC/Equalis Group or other Participating Entities with Small Business goals, non-core items may be sourced though one of Fastenal's authorized resellers. Under the Small Business Reseller program, the Small Business is the vendor of record and managed the sourcing, procurement and invoicing of the item to the Participating Entity under Fastenal's contract. Depending upon the item, Fastenal may provide distribution, logistics and vendor managed inventory services. Pricing for sourced items are based on current market conditions and are negotiated locally (either by Fastenal or the Small Business Reseller) on a per-order basis.

#### **Customer Training**

Fastenal will provide customized training programs to meet Region 10 ESC/Equalis Group's needs. Training sessions would generally be held at the member's facility, with training conducted by a local Fastenal employee and/or a Fastenal certified vendor. Because of our local presence, these trainings can be offered to the Region 10 ESC/Equalis Group frequently throughout the year, at no cost.

Fastenal branch representatives and other customer support personnel are kept current on product and industry trends through ongoing training, yearly reviews of industry standards, and close interaction with our suppliers. In addition to customer training, our sales and support personnel participate in career-long professional education and development to continually improve their knowledge and service. The result is a well-trained sales force that can provide technical expertise to end users within a local environment.

#### Fastenal's Certified Vendor Training Program:

Fastenal's Certified Vendor Training program includes training from certified vendors in the following areas:

- New products
- Equipment & operation manufacturer/certified set-up/training
- Safety and OSHA training
- Product application, features and benefits
- Cost savings, lean, and vendor managed inventory (VMI) solutions

#### Safety Training:

To support our safety product offering, we've positioned trained Safety Specialists across the United States. These personnel carry multiple certifications, including Masters in Occupational Health and Safety, QSSP Certification, and OSHA 30-Hour Training. Their job is to identify hazards, document risk factors, garner worker feedback regarding PPE, and ultimately develop a business plan to reduce workplace incidents while maximizing productivity and profits.

Working with our key safety suppliers, Fastenal's Safety Specialists provide trainings and PPE equipment assessments for the following concepts:

- Eye Protection product selection/rationalization, fit testing
- Hearing Conservation fit testing
- Face and Head Protection
- Respiratory Protection qualitative fit testing
- Skin Care Needs Analysis prevention/reduction of occupational dermatitis, reduction of sick days
- Hand Protection job-specific assessments, product testing
- Fall Protection application assessment, harness/lanyard inspection, competent person training
- Ladder Inspection and Certification
- Hoist and Sling Inspection and Certification
- Heat Stress Evaluation program development
- Spill Containment and Flammable Storage
- Lock Out/Tag Out Program
- AED, BBP, First Aid Training
- ARC Flash Assessments

#### Energy Efficient Lighting Audits and Training:

Fastenal works in conjunction with our lighting vendors to provide energy efficient lighting audits and training as a value-added service for customers. This program includes:

- Lamp/Ballast Standardization Recommendations
- Lighting Energy Audits/Analysis/Presentations
- Energy Saving Initiatives Specific to Lighting/Ballast
- Sustainability Initiatives Specific to Lighting/Ballast & Other Products
- Product Design Recommendation/Implementation of the Latest in LED Technology for Enhanced Energy and Maintenance Saving Strategies
- Lighting upgrade installation and project management

#### Green and Sustainability Training:

Fastenal's Certified Vendor Training includes information about green and sustainability initiatives offered by our various manufacturer partners. We also offer training on our green and sustainability product reporting and ways Region 10 ESC can work with Fastenal's Sustainability Coordinator to establish goals and manage spend to achieve their goals.

#### Annual Customer Show

Fastenal hosts an annual customer show to provide a venue for customers and manufacturing partners to participate in new product rollouts, cost savings training, demonstration of solutions, etc.

#### Appendix I: CERTIFICATES

Provide a copy of all current licenses, registrations and certifications issued by federal, state and local agencies, and any other licenses, registrations or certifications from any other governmental entity with jurisdiction, allowing Respondent to perform the covered services including, but not limited to licenses, registrations or certifications. M/WBE, HUB, DVBE, small and disadvantaged business certifications and other diverse business certifications, as well as manufacturer certifications for sales and service must be included if applicable

Please also list and include copies of any certificates you hold that would show value for your response not already included above.

Fastenal's corporate functions are centered on the ISO 9001:2015 standard and we're registered at locations worldwide, including each of our distribution centers, our FASTCO operations, and our manufacturing facilities.

In addition, our quality assurance labs are A2LA accredited. The scope of our A2LA accreditation includes mechanical, chemical, dimensional, and calibration testing. Our calibration lab and primary mechanical/ chemical test lab is located in Winona, MN, and first completed its A2LA accreditation in 1998. Since then we've received A2LA accreditation for our labs in Shanghai; Taiwan; Malaysia; Wallingford, CT (HOLO-KROME); and, most recently, Modrice, Czech Republic and Loves Park, IL (HOLO-KROME).

Please see the attached Fastenal Quality Certifications.

Products are purchased to industry standards like ASTM, ANSI, SAE, ISO, etc. Receiving inspection is based on criteria from these product standards.

Incoming products are part numbered and given a unique trace number at receiving inspection. These numbers stay with the product through receiving, shipping, disbursement, packing slip and invoicing. Fastenal has full traceability on all products sold. We stand behind our product 100%.

Fastenal is registered to do business in all 50 states.

### SCOPE OF ACCREDITATION TO ISO/IEC 17025:2005

### FASTENAL COMPANY LABORATORY 1801 Theurer Boulevard Winona, MN 55987 Bob Heyer Phone: 507 453 8421

### CALIBRATION

Valid To: September 30, 2020

Certificate Number: 1046.02

In recognition of the successful completion of the A2LA evaluation process, accreditation is granted to this laboratory to perform the following calibrations<sup>1, 5</sup>:

### I. Dimensional

Parameter/Equipment	Range	CMC <sup>2, 3</sup> (±)	Comments
Calipers –	Up to 12 in Up to 60 in	(540 + 17 <i>L</i> ) μin (310 + 14 <i>L</i> ) μin	Gage blocks
Micrometers, Outside –	Up to 12 in (>12 to 18) in (>18 to 36) in	(66 + 5 <i>L</i> ) μin (590 + 4 <i>L</i> ) μin (583 + 2.6 <i>L</i> )	Gage blocks
Indicators –	Up to 6 in	(29 + 0.6R) µin	ULM
Thread Plugs – Pitch Diameter Major Diameter	Up to 5 in Up to 5 in	(121 + 20D) μin (85 - 7D) μin	ULM using 3-wire method
Height Gages –	Up to 24 in	(316 + 14.6 <i>L</i> ) μin	Gage blocks

Page 1 of 3

(A2LA Cert No. 1046.02) 11/19/2018

5202 Presidents Court, Suite 220 | Frederick, MD 21703-8398 | Phone: 301 644 3248 | Fax: 240 454 9449 | www.A2LA.org

Parameter/Equipment	Range	CMC <sup>2, 3</sup> (±)	Comments
Adjustable Threaded Rings <sup>4</sup> –			
Functional Pitch Diameter	Up to 1 in (1 to 4) in	300 μin 400 μin	Set using master plug gages ASME/ANSI B1.2-18983 and ASME/ANSI B1.3- 2007
Minor Diameter	Up to 1 in	600 µin	Plain cylindrical plugs
Tapered Thread Plugs –			
Notch Height	(1/16 to 2) in	280 µin	Master rings
Functional Pitch Diameter at Base	(0.28 to 2.30) in	210 µin	
Tapered Ring Gages –			
Thickness	(1/16 to 2) in	43 µin	Master plugs
Functional Pitch Diameter at Base	(0.28 to 2.30) in	210 μin	
Micrometer Standards	Up to 23 in	(43 + 7 <i>L</i> ) μin	ULM
Hex Plug / Hex Recess Gages –			
Width Across Flats Width Across Corners	Up to 1 in Up to 1 in	44 μin 47 μin	ULM
Cylindrical Plugs	Up to 1.5 in	(39 + 10 <i>D</i> ) μin	ULM
Torque Tools	20 in·lbf to <20 ft·lbf (20 to <1000) ft·lbf (1000 to 1500) ft·lbf	1.7 % full scale 0.7 % full scale 0.4 % full scale	Torque transducers

<sup>1</sup> Commercial calibration service is available for this laboratory.

Page 2 of 3

- <sup>2</sup> Calibration and Measurement Capability Uncertainty (CMC) is the smallest uncertainty of measurement that a laboratory can achieve within its scope of accreditation when performing more or less routine calibrations of nearly ideal measurement standards or nearly ideal measuring equipment. CMCs represent expanded uncertainties expressed at approximately the 95 % level of confidence, usually using a coverage factor of k = 2. The actual measurement uncertainty of a specific calibration performed by the laboratory may be greater than the CMC due to the behavior of the customer's device and to influences from the circumstances of the specific calibration.
- <sup>3</sup> In the statement of CMC, R is the resolution of the unit under test, L is the numerical value of the nominal length of the device expressed in inches, D is the numerical value of the nominal Diameter of the device expressed in inches.

<sup>4</sup>Adjustable thread rings are set to applicable specifications using calibrated master plug gages.

<sup>5</sup> This scope meets A2LA's *P112 Flexible Scope Policy*.

Infor Page 3 of 3

### **Accredited Laboratory**

A2LA has accredited

### FASTENAL COMPANY LABORATORY

Winona, MN

for technical competence in the field of

### Calibration

This laboratory is accredited in accordance with the recognized International Standard ISO/IEC 17025:2005 General requirements for the competence of testing and calibration laboratories. This laboratory also meets R205 – Specific Requirements: Calibration Laboratory Accreditation Program. This accreditation demonstrates technical competence for a defined scope and the operation of a laboratory quality management system (refer to joint ISO-ILAC-IAF Communiqué dated April 2017).

Presented this 19th day of November 2018.

President and CEO For the Accreditation Council Certificate Number 1046.02 Valid to September 30, 2020

For the calibrations to which this accreditation applies, please refer to the laboratory's Calibration Scope of Accreditation.

### SCOPE OF ACCREDITATION TO ISO/IEC 17025:2005

### FASTENAL COMPANY LABORATORY 1801 Theurer Boulevard Winona, MN 55987 Brad Partington Phone: 507 453 8163

### MECHANICAL

Valid To: September 30, 2020

Certificate Number: 1046.01

Page 1 of 4

In recognition of the successful completion of the A2LA evaluation process, accreditation is granted to this laboratory to perform the following <u>fastener tests on steel and stainless steel</u>:

Test	Test Methods
Mechanical Testing Charpy Impact Strength	ASTM E23; ISO 148
Drill Drive	SAE J78
Drive Test	SAE J81, J933; DIN 7500; ISO 7085
Ductility	ASME B18.6.3; FIP 1000; SAE J78, J81
Hardness Rockwell (B, C, 30N)	ASTM A370, E18, F606, F606M; ISO 898-1, 898-2; NASM 1312-6
Brinell	ASTM E10
Leeb Hardness	ASTM A956
Hex Socket Strength	ASTM F880, F880M, F912, F912M
Microhardness (Vickers) (300 & 500 gf)	ASTM E384
Proof (Internal / External Threaded) Bolts	ASTM A370 (A3.2.1.2), F606M (3.2.3); ISO 898-1 (8.4)
Nuts	ASTM A370 (A3.5.1), F606M (4.2); ISO 898-2 (8.1)
Rotational Capacity	AASHTO M164; ASTM F3125
Shear Testing	ASME B18.8.2 Appendix B

<sup>1</sup> Commercial dimensional testing service is sometimes available for this laboratory.

<sup>2</sup> Calibration and Measurement Capability Uncertainty (CMC) is the smallest uncertainty of measurement that a laboratory can achieve within its scope of accreditation when performing more or less routine calibrations of nearly ideal measurement standards or nearly ideal measuring equipment. CMC's represent expanded uncertainties expressed at approximately the 95 % level of confidence, usually using a coverage factor of k = 2. The actual measurement uncertainty of a specific calibration performed by the laboratory may be greater than the CMC due to the behavior of the customer's device and to influences from the circumstances of the specific calibration.

<sup>3</sup> This test is not equivalent to that of a calibration.

Straightness <sup>3</sup>	Up to 1 in	0.0011 in	Straightness gage/ ASME B18.2.1
Flat Head <sup>3</sup> (82°) and Head Height	#2 to 5/8 in	0.0003 in	Protrusion gage/ ASME B18.6.3
Position, Perpendicularity, and Run Out	Up to 2 in.	0.0013 in	Dial indicator and fixture/ ASME B18.2.1, B18.2.2; ISO 4759

<sup>1</sup> This laboratory offers commercial dimensional testing services.

<sup>2</sup> Calibration and Measurement Capability Uncertainty (CMC) is the smallest uncertainty of measurement that a laboratory can achieve within its scope of accreditation when performing more or less routine measurements of nearly ideal measurement standards or nearly ideal measuring equipment. CMC's represent expanded uncertainties expressed at approximately the 95 % level of confidence, usually using a coverage factor of k = 2. The actual measurement uncertainty of a specific measurement performed by the laboratory may be greater than the CMC due to the behavior of the customer's device and to influences from the circumstances of the specific measurement.

<sup>3</sup> This test is not equivalent to that of a calibration.

## **Accredited Laboratory**

A2LA has accredited

### **FASTENAL COMPANY LABORATORY - SHANGHAI**

Shanghai, People's Republic of China

for technical competence in the field of

### Mechanical Testing

This laboratory is accredited in accordance with the recognized International Standard ISO/IEC 17025:2005 General requirements for the competence of testing and calibration laboratories. This accreditation demonstrates technical competence for a defined scope and the operation of a laboratory quality management system (refer to joint ISO-ILAC-IAF Communiqué dated April 2017).

Presented this 24<sup>th</sup> day of September 2018.

President and CEO For the Accreditation Council Certificate Number 1046.04 Valid to September 30, 2020

For the tests to which this accreditation applies, please refer to the laboratory's Mechanical Scope of Accreditation.

#### SCOPE OF ACCREDITATION TO ISO/IEC 17025:2005

#### FASTENAL COMPANY LABORATORY - TAIWAN No. 63, Dade 2<sup>nd</sup> Rd. Gangshan District, Kaohsiung City, TAIWAN R.O.C. Brad Partington Phone: 507 453 8163 Matt Chen Phone: 886 7 621 3309

#### MECHANICAL

Valid To: September 30, 2020

Certificate Number: 1046.03

In recognition of the successful completion of the A2LA evaluation process, accreditation is granted to this laboratory at the location listed above to perform the following <u>fastener tests on steel and stainless</u> <u>steel</u>:

Test	Test Methods
Hardness (Rockwell: A, BW, C, 15N, 30N)	ASTM A370, E18, F606, F606M; ISO 898-1, 898-2, 898-5, 6508-1
Micro Hardness (100, 300 & 500g) Vickers Hardness (10 & 30kgs)	ASTM E384, E92, ISO 898-5, 6507-1
Stress Durability (Hydrogen Embrittlement)	ASTM F606, F606M; ASME B18.6.3, B18.21.1; FIP 1000; SAE J78, J81, J1237
Decarburization/Carburization	ASTM F835, F835M, F912, F912M, F2328, F2328M; ISO 898-1, 898-5; SAE J121, J121M, J419
Torsional Strength	ASME B18.6.3; ASTM F606, F606M; DIN 7500; FIP 1000; IFI 112, 113; ISO 898-7, 2702, 3506-1, 3506-4, 7085; SAE J78, J81, J933, J1237
Hex Socket Strength (Proof Torque)	ASTM F880, F880M, F912, F912M; ISO 898-5, 3506-3
Ductility	ASME B18.6.3; DIN 7500, FIP 1000; IFI 112, 113; ISO 7085; SAE J78, J81, J1237
Plating Thickness (Zn/Fe, Ni/Fe)	ASTM B568
Case Depth	ASME B18.6.3; DIN 7500; ISO 2702, 7085; SAE J78, J81, J423, J933, J1237
Prevailing Torque	ASME B18.16.6; DIN 267-15 (1983) <sup>5</sup> , IFI 100/107; ISO 2320

Exhibit D - Supply Chain Solutions Brochure

Exhibit E - FAST Solutions Agreements

### Exhibit A Diversity Overview

### **Diversity Programs**

At Fastenal we recognize the many opportunities small and diverse businesses provide as our suppliers, vendors and strategic customers. Our Supplier Diversity program facilitates the demand for small business advocacy among large corporations, prime contractors, city/state/local government, federal government and many other organizations. Understanding this demand helps us provide opportunities to small and diverse businesses in both the United States and Canada.

#### 2<sup>nd</sup> Tier Program

We are committed to building relationships with, and purchasing goods and services from, qualified small and diverse businesses to the maximum extent possible while meeting our standards for quality and reliability. This program is not limited to just Woman-Owned and Minority-Owned Business Enterprises; we also support and offer products supplied by Small Businesses, Small Disadvantaged Businesses, Veteran-Owned and Service Disabled Veteran-Owned Businesses, and HUBZone certified businesses. No matter the request or certification criteria, Fastenal's Supplier Diversity team can help.

### 1<sup>st</sup> Tier Authorized Reseller Program

Certain projects, contracts and companies have a very high demand for diversity spend. Our 1<sup>st</sup> tier program establishes strategic alliances with small businesses serving as authorized channels of distribution for Fastenal's products and services. Fastenal's 1st tier program features strategic partners with a wide range of manufacturing, distribution and service capabilities as well as a full complement of supplier diversity certifications, including:

- Small Business (SBE)
- Small Disadvantaged Business (SDB)
- Minority Business Enterprise (MBE)
- Disadvantaged Business Enterprise (DBE)

- Woman Business Enterprise (WBE)
- Small Veteran-Owned Business (SVOB)
- Small Disabled Veteran-Owned Business (SDVOB)
- HUB Zone business (HUB)

The full line of Fastenal's fasteners and industrial supplies are available for purchase through our authorized resellers. Some resellers are stocking distributors. Others are service providers with agreements for Fastenal to provide logistics and distribution services in support of their customers' requirements. All authorized resellers are the vendor of record – responsible for contract negotiations, pricing, invoicing and accounts receivable management. Customers must qualify for this program. Election of a Tier 1 Supplier Diversity solution will necessitate an offer from the Minority-owned reseller to negotiate pricing and terms. Contact suppliercert@fastenal.com for more information.

# **Department of Administrative Services Equal Opportunity Division**

# 02/08/2019

**Kevin Walters** First Systems, Inc. 1295 S. Clay St. Troy, OH 45373

# Encouraging Diversity, Growth and Equity (EDGE) Program SUBJECT

# **Certification Number: EDGE-9145**

# Effective Dates: 02/08/2019 through 12/31/2020

Dear Kevin Walters:

As you are aware, a company desiring to participate in the State of Ohio's Encouraging Diversity, Growth and Equity program must demonstrate to this Office that the company is owned and controlled by an individual that is socially and economically disadvantaged for at least the previous one year.

After careful review of the application and supporting documentation you provided to this office, the Equal Opportunity Division of the Ohio Department of Administrative Services (DAS) has determined that First Systems, Inc. satisfactorily meets the requirements set forth in Section 123:2-16-01 of the Ohio Administrative Code as is required for participation in the program. This letter shall serve as the State's official certification to this effect.

This letter also acknowledges that First Systems, Inc. is approved for EDGE program participation under the Goods and Services procurement category, and has demonstrated capability and/or experience for a period of one year from the date of this letter in the following UNSPSC and CSI codes:

# UNSPSC CODE

# CSI CODE

- 1. 15120000 Lubricants and oils and greases and anti corrosives
- 2. 24120000 Packaging materials
- 3. 24121500 Packaging boxes and bags and pouches
- 4. 31210000 Paints and primers and finishes
- 5. 39100000 Lamps and lightbulbs and lamp components
- 6. 39110000 Lighting Fixtures and Accessories
- 7. 47000000 Cleaning Equipment and Supplies
- 8. 47120000 Janitorial equipment

# 9. 47121800 Cleaning equipment 10. Cleaning equipment 47121900 accessories

12. Cleaning rags and cloths and 47131500 wipes

# 13. Cleaning and janitorial services 76110000

# 14. General building and office 76111500 cleaning and maintenance services

Please note that one month prior to the expiration date of this certification, your company is required to submit a completed Recertification Affidavit form for our review relative to the company's qualifications for continuing participation in the EDGE program. Additionally, you must formally notify this division of any changes that occur within your company that effect ownership, managerial and/or operational control within thirty days of such changes occurring. Similar notification must be provided to us of any changes to the company's name, business address, telephone numbers, principal products/service or other basic contact and commercial activity information.

Failure to provide a completed Recertification Affidavit or to notify this office of such changes to your company in a timely manner may result in the revocation of your certification status.

So that First Systems, Inc. is able to maximize the opportunity to provide its various EDGE-approved business services to the State of Ohio, we strongly suggest that you contact the following agencies:

1.The Office of State Purchasing, within DAS's General Services Division, provides free registration at <u>www.das.ohio.gov/gsd</u> or by calling the office at 614.466.4635. This office provides electronic notice of purchasing opportunities for specified supplies or services (bid notices) to any vendor who has registered with DAS. Opportunities for architectural, engineering and construction service providers can be accessed at <u>www.ohio.gov/SAO</u>.

2.The Ohio Department of Development offers business development assistance in the areas of management, technical, financial, contract procurement assistance, loan and bond packaging services. The office can be contacted at 614.466.5700 or 800.848.1300 ext. 65700.

As the EDGE program indicates, the State of Ohio values diversity among its business partners, and hopes to see them grow and prosper. Consequently, we are delighted to be able to assist your company by approving its participation in this vendor preference and business development program. If you need any assistance or have questions about the EDGE program, its objectives or its operation, please contact the Equal Opportunity

# Division's Certification Unit at 614.466.8380.

Minority Business Enterprise (MBE) Program SUBJECT Certification Number: MBE-9145

## Effective Dates: 02/08/2019 through 02/08/2021

**Dear Kevin Walters:** 

As you are aware, a company desiring to participate in the State of Ohio's Minority Business Enterprise program must demonstrate to this Office that the company is owned and controlled by a minority individual for at least the previous one year.

After careful review of the application and supporting documentation you provided to this office, the Equal Opportunity Division of the Ohio Department of Administrative Services (DAS) has determined that the company satisfactorily meets the requirements set forth in Section 123:2-15-01 of the Ohio Administrative Code as is required for participation in the program. This letter shall serve as the State's official certification to this effect.

This letter also acknowledges that First Systems, Inc. is approved for MBE program participation under the Goods and Services procurement category, and has demonstrated capability and/or experience for a period of one year from the date of this letter in the following UNSPSC and CSI codes:

# UNSPSC CODE

- 1. 15120000 Lubricants and oils and greases and anti corrosives
- 2. 24120000 Packaging materials
- 3. 24121500 Packaging boxes and bags and pouches
- 4. 31210000 Paints and primers and finishes
- 5. 39100000 Lamps and lightbulbs and lamp components
- 6. 39110000 Lighting Fixtures and Accessories
- 7. 47000000 Cleaning Equipment and Supplies
- 8. 47120000 Janitorial equipment

#### **Re: DBE CERTIFICATION ANNUAL REVIEW NOTICE**

Dear Ms. Hitchcock:

The Metropolitan Transportation Authority (MTA), a Certifying Partner in the New York State Unified Certification Program (NYSUCP), has completed its review of the Affidavit of No Change and supporting documentation submitted on behalf of your firm, Global Domestic Advisory Partners, LLC, in fulfillment of its annual submission requirement for the year 2017. We are pleased to advise you that your firm continues to meet the eligibility criteria established by the U.S. Department of Transportation Disadvantaged Business Enterprises regulation, codified at 49 CFR, Part 26, and remains **CERTIFIED** as a Disadvantaged Business Enterprise (DBE) with MTA and the NYSUCP providing the services below:

### ELECTRICAL SUPPLIES AND EQUIPMENT, LIGHTING FIXTURES ASSEMBLY, TRANSPORTATION EQUIPMENT AND SUPPLIES WAREHOUSING AND ASSEMBLY, INTEGRATED LOGISTICS SUPPORT, CONTRACT STAFFING SERVICES

Your firm's certification status with the NYSUCP will remain effective for as long as your firm continues to meet all DBE certification eligibility requirements and the ownership and control of the firm, upon which DBE certification was granted, has not changed. However, your firm's compliance with DBE certification eligibility criteria will be reviewed on an annual basis.

You are required to submit, annually, a sworn affidavit affirming that there have been no changes in your firm's economic disadvantaged status, ownership or control. In the event that there are changes, you must notify the MTA, within 30 days, of any changes in your business' ownership, control and/or operations including address, telephone number, business services and capabilities. Failure to adhere to these requirements may result in the removal of your firm's DBE certification status. Your firm's next annual submission will be due on or before November 30, 2018.

The agencies of the MTA MTA New York City Transit MTA Long Island Rail Road

MTA Metro-North Railroad MTA Bridges and Tunnels MTA Capital Construction MTA Bus Company DBE Certification – Annual Review Global Domestic Advisory Partners, LLC d/b/a Global Integrated Supply Page 2 of 2

Your firm will continue to be included in the NYSUCP Directory (<u>http://nysucp.newnycontracts.com</u>) which will indicate the type of work that your firm has been certified to perform.

Please note that any of the Certifying Partners of the NYSUCP reserve the right to review your firm's certification eligibility prior to your firm's participation on a federally assisted project for their agency or at any time that it is determined that such reevaluation is warranted.

We are pleased to have you as a continued participant in the NYSUCP and wish you much success.

Should you have any questions, please contact me at <u>ndin@mtahq.org</u> or call me at (646) 252-1387.

Sincerely,

Naeem Din Deputy Director Department of Diversity & Civil Rights

### CERTIFIED

under the

Small Business Set-Aside Act and Minority and Women Certification Program

This certificate acknowledges **GLOBAL DOMESTIC ADVISORY PARTNERS LLC** is a **MWBE** owned and controlled company, which has met the criteria established by N.J.A.C. 17:46.

This certification will remain in effect for three years. Annually the business must submit, not more than 20 days prior to the anniversary of the certification approval, an annual verification statement in which it shall attest that there is no change in the ownership, control or any other factor of the business affecting eligibility for certification as a minority or women-owned business.

If the business fails to submit the annual verification statement by the anniversary date, the certification will lapse and the business will be removed from the SAVI that lists certified minority and women-owned business. If the business seeks to be certified again, it will have to reapply and pay the \$100 application fee. In this case, a new application must be submitted prior the expiration date of this certification.

Issued: May 18 2018 Certificate Number: 71772-11

Subject: RE: Global Domestic Advisory Partners LLC Application Review Status

Date: Tuesday, April 30, 2019 at 3:38:40 PM Eastern Daylight Time

From: esd.sm.mwbecertification

To: Charlotte Hitchcock

To Charlotte Hitchcock,

Thank you for contacting NYS MWBE Certification Division, about Global Domestic Advisory Partners LLC. recertification review status. Your application is currently awaiting assignation to an analyst. During the application review there is no communication unless additional documentation is needed. After the recertification application review is complete, there may be a telephone interview or site visit by the Analyst. There are no Letters or Certificates issued until the review process is completed at which time they will reflect the finale date of completion.

\*\*Please be aware that due to the staggering amount of applications from all 50 states received by our Intake Dept, it can take an undetermined amount of time to process your application and get an analyst. Each application and recertification is highly scrutinized by our analysts to prevent fraud. The agency can not provide any specific timeframe as to when will the recertification process be completed. We are aware of the inconvenience this causes. We advise high patience.\*\*

You should continue to explore contracting opportunities and can present yourself as certified while under review. We are currently prioritizing the long list of new applicants that have not been through the NYS MWBE review process

#### Note:

The policy of the MWBE Certification Division is that vendors who are recertifying will not be penalized while awaiting recertification review. Your firm (Certificate#55095) remains Indefinitely Actively Certified and listed in our MWBE Directory as long as you have submitted your recertification application, Agencies are aware of this policy and they receive full utilization credit on any contract the vendors are working on. You will receive your certification letter and certificate once the process has been complete that will be valid for 3 Years from the date

When a company is listed in our MWBE Directory it supersedes any paper documentation because only NYS MWBE Certification Division can add or remove a Vendor from the Certified Directory.

Ms. Charlotte Hitchcock Global Domestic Advisory Partners LLC DBA Global Integrated Supply 80 Bay Street Landing Ste. 5A Staten Island, NY 10301-2553

Dear Ms. Charlotte Hitchcock:

The New York State Department of Economic Development, Division of Minority and Women's Business Development (DMWBD) has determined that your firm, Global Domestic Advisory Partners LLC DBA Global Integrated Supply, continues to meet eligibility requirements for re-certification, pursuant to Executive Law, Article 15-A and SNYCRR Section 140 through 145 of the Regulations.

Therefore, we are pleased to inform you that your firm, has once again, been granted status as a **Minority Business Enterprise (MBE)**. Your business will continue to be listed in the State's Directory of Certified Businesses with codes listed on the following page.

This Certification remains in effect for a period of generally three (3) years from the date of this letter or until such time as you are selected again, by this office for re-certification. Any changes in your company that affect ownership, managerial and/or operational control, must be reported to this Office within thirty (30) days of such changes; including changes to company name, business address, telephone numbers, principal products/services and bonding capacity.

The Certification status is not intended to imply that New York State guarantees your company's capability to perform on contracts, nor does it imply that your company is guaranteed any State business.

Thank you for your cooperation. On behalf of the State of New York, I wish you luck in your business endeavors, particularly those involving State agencies.

Sincerely,

#### GLENN HEGAR TEXAS COMPTROLLER OF PUBLIC ACCOUNTS

The Texas Comptroller of Public Accounts (CPA) administers the Statewide Historically Underutilized Business (HUB) Program for the State of Texas, which includes certifying minority, woman, and service disabled veteran-owned businesses as HUBs and facilitates the use of HUBs in state procurement and provides them with information on the state's procurement process.

We are pleased to inform you that your application for certification/re-certification as a HUB has been approved. Your companv's profile is listed in the State of Texas HUB Directory and may be viewed online at https://mycpa.cpa.state.tx.us/tpasscmblsearch/index.jsp. Provided that your company continues to meet HUB eligibility requirements, the attached HUB certificate is valid for the time period specified.

You must notify the HUB Program in writing of any changes affecting your company's compliance with the HUB eligibility requirements, including changes in ownership, day-to-day management, control and/or principal place of business. Note: Any changes made to your company's information may require the HUB Program to re-evaluate your company's eligibility.

Please visit our website at http://comptroller.texas.gov/procurement/prog/hub/ and reference our publications (i.e. Grow Your Business pamphlet, HUB Brochure and Vendor Guide) providing addition information on state procurement resources that can increase your company's chances of doing business with the state.

Thank you for your participation in the HUB Program! If you have any questions, you may contact a HUB Program representative at 512-463-5872 or toll-free in Texas at 1-888-863-5881.

#### **Texas Historically Underutilized Business (HUB) Certificate**

Certificate/VID Number: File/Vendor Number: Approval Date: Scheduled Expiration Date: 1742695260600 047738 03-AUG-2017 03-AUG-2021

The Texas Comptroller of Public Accounts (CPA), hereby certifies that

### PDME

has successfully met the established requirements of the State of Texas Historically Underutilized Business (HUB) Program to be recognized as a HUB. This certificate printed 04-AUG-2017, supersedes any registration and certificate previously issued by the HUB Program. If there are any changes regarding the information (i.e., business structure, ownership, day-to-day management, operational control, business location) provided in the submission of the business' application for registration/certification as a HUB, you must immediately (within 30 days of such changes) notify the HUB Program in writing. The CPA reserves the right to conduct a compliance review at any time to confirm HUB eligibility. HUB certification may be suspended or revoked upon findings of ineligibility.

Laura Cagle-Hinojosa, Statewide HUB Program Manager Statewide Support Services Division

Note: In order for State agencies and institutions of higher education (universities) to be credited for utilizing this business as a HUB, they must award payment under the Certificate/VID Number identified above. Agencies, universities and prime contractors are encouraged to verify the company's HUB certification prior to issuing a notice of award by accessing the Internet (https://mycpa.cpa.state.tx.us/tpasscmblsearch/index.jsp) or by contacting the HUB Program at 512-463-5872 or toll-free in Texas at 1-888-863-5881. Mr. Paul - David Morrison P.D. Morrison Enterprises, Inc. 1120 Toro Grande Dr., Bldg. 2, Ste. 208 Cedar Park, TX 78613

Re: Minority Business Enterprise (MBE) Dear Paul - David Morrison:

Congratulations! After reviewing the information that you supplied, we are pleased to inform you that your firm has been granted certification as a Minority Business Enterprise (MBE) under the Business Enterprise Program (BEP) for Minorities, Females, and Persons with Disabilities

This certification is in effect with the State of Illinois until the date specified above. Please note that you have been granted certification under the Recognition Application because you are certified with one of our partner organizations and, as such, must recertify each year.

At least 15 days prior to the anniversary date of your certification, you will be notified by BEP through email to update your certification as a condition of continued certification. It is your responsibility to ensure that the contact email address listed in the system is accurate and up to date and that the email account is checked regularly so that you do not miss any important notifications. In addition, should any changes occur in ownership and/or control of the business, in the business' certification status with the partner organization, or other changes affecting the firm's operations, you are required to notify BEP within two weeks. Failure to notify our office of changes will result in decertification of your firm

Your firm's name will appear in the State's Directory as a certified vendor with the Business Enterprise Program in the specialty area(s) of:

NIGP 20700: COMPUTER ACCESSORIES AND SUPPLIES NIGP 42598: OFFICE FURNITURE NIGP 61007: CARBON PAPER, ONE-TIME NIGP 61035: RIBBONS, ADDING MACHINE AND CALCULATOR, ALL TYPES NIGP 61500: OFFICE SUPPLIES, GENERAL NIGP 61519: CALENDARS, CALENDAR PADS AND STANDS NIGP 61577: RUBBER STAMPS, STAMP PADS, STAMP PAD INK AND STAMP RACKS

Your firm will only show up in the database of BEP-certified vendors the NIGP codes listed above, so PLEASE REVIEW THE LIST CAREFULLY TO ENSURE THAT ALL RELEVANT NIGP CODES ARE INCLUDED.

Also, please be advised that this certification does not guarantee that you will receive a State contract. Please visit the Vendor Registration page on www.opportunities.illinois.gov and be sure to register with each of the Procurement Bulletins listed so that you are notified of upcoming solicitations in your NIGP codes. Certification with the Business Enterprise Program does not ensure you receive notifications; you must also register with the Procurement Bulletins.

Thank you for your participation in the Business Enterprise Program. We welcome your participation and wish you continued success.

Sincerely,

Carlos Gutiérrez Certification Manager Business Enterprise Program

RE: Minority Business Enterprise (MBE) Certification Affidavit No. 20524

Dear Mr. Morrison:

Congratulations! Your firm has been certified by the North Central Texas Regional Certification Agency ("NCTRCA") as a Minority Business Enterprise (MBE) in accordance with NCTRCA MBE/WBE/SBE certification eligibility program requirements. Your Certification Identification Number is **BMMB10988N0821**. Your firm is certified as a MBE/WBE/SBE in the following areas listed on page 2.

This certification is valid for two years from the date of this letter or, unless and until it has been removed in accordance with NCTRCA MBE/WBE/SBE certification eligibility procedures. In order to remain certified, you must submit every two years, on the anniversary of your certification, a "No Change Affidavit".

A No Change Affidavit is a sworn affidavit affirming that there have been no changes in the firm's circumstances affecting its ownership or control, or any material change in the information provided in its application for MBE/WBE/SBE certification, including the support documentation. Any changes to contact information, ownership, and/or expansion of services must be communicated to the NCTRCA within thirty (30) days of the change. Failure to provide these changes could result in your firm being removed from the certified vendor database. The NCTRCA reserves the right to re-evaluate a firm's certification status at anytime that it determines such re-evaluation is warranted.

Thank you for your participation in the NCTRCA MBE/WBE/SBE Certification Program. Please contact me at 817-640-0606 if you have any questions or if I can be of assistance to you.

Sincerely,

ilicia Mitchell

P.D. Morrison Enterprises, Inc. DBA PDME 1120 Toro Grande Dr., Bldg. 2, Ste. 208 Cedar Park, TX 78613

Dear Paul - David Morrison,

Congratulations! Your firm has been certified by the Washington State Office of Minority and Women's Business Enterprises (OMWBE) as a/an Minority Business Enterprise (MBE). Information about your business is published in the OMWBE Directory located at <u>http://bit.ly/2uu4zH2</u>.

Certification Number: M3M0026387 Anniversary Date: August 23, 2022

Please review each of the following:

- Every three years before your anniversary date, you must submit an "Affidavit of Continued Eligibility." This form confirms there have been no changes that would affect your firm's ability to remain certified, such as changes in ownership, control, size, management responsibility, scope of work, or personal net worth. OMWBE will send you an email 75 days before your anniversary date.
- You must inform the OMWBE in writing within 30 days of the any of the changes listed above by loggin into our system at <u>http://omwbe.wa.gov/certification</u>. Failure to notify our office of these changes may affect your firm's eligibility for the program.
- This certification shall remain valid unless and until it has been removed in accordance with procedures set forth in WAC 326-20-172.

We are pleased to certify your firm and wish you much success. If you have any questions or need assistance, please contact us at (360) 664-9750.

Sincerely,

Your firm is certified in the following areas:

**Business Description:** Stationery and Office Supplies Merchant Wholesalers.

#### **North American Industry Classification System (NAICS) Codes:** NAICS 423840: INDUSTRIAL SUPPLIES MERCHANT WHOLESALERS NAICS 424120: STATIONERY AND OFFICE SUPPLIES MERCHANT WHOLESALERS

Kim Cahuas Western Reserve Technology, Ltd. 34194 Aurora Rd., #200 Solon, OH 44139

SUBJECT Minority Business Enterprise (MBE) Program Certification Number: MBE-19105 Effective Dates: 09/18/2019 through 09/18/2021

Dear Kim Cahuas:

As you are aware, a company desiring to participate in the State of Ohio's Minority Business Enterprise program must demonstrate to this Office that the company is owned and controlled by a minority individual for at least the previous one year.

After careful review of the application and supporting documentation you provided to this office, the Equal Opportunity Division of the Ohio Department of Administrative Services (DAS) has determined that the company satisfactorily meets the requirements set forth in Section 123:2-15-01 of the Ohio Administrative Code as is required for participation in the program. This letter shall serve as the State's official certification to this effect.

This letter also acknowledges that Western Reserve Technology, Ltd. has been categorized under the Goods and Services procurement category for MBE program participation, and has demonstrated capability and/or experience for a period of at least one-year in the following UNSPS code(s):

- 1. 45121506 Video conference cameras
- 2. 45121600 Camera accessories
- 3. 52161520 Microphones
- 4. 72154066 General office equipment maintenance

Please note that one month prior to the expiration date of this certification, your company is required to submit a completed Recertification Affidavit form for our review relative to the company's qualifications for continuing participation in the MBE program. Additionally, you must formally notify this division of any changes that occur within your company that effect ownership, managerial and/or operational control within thirty days of such changes occurring. Similar notification must be provided to us of any changes to the company's name, business address, telephone numbers, principal products/service or other basic contact and commercial activity information.

Failure to provide a completed Recertification Affidavit or to notify this office of such changes to your company in a timely manner may result in the revocation of your certification status.

If you need any assistance or have questions about the MBE program, its objectives, or its operation, please contact the Equal Opportunity Division's Business Certification and Compliance Unit at 614-466-8380.

Sincerely,

Jul Destrook

June 3, 2019

Kim Cahuas President Western Reserve Technology Ltd. 34194 Aurora Road, #200 Solon, Ohio 44139

Dear Ms. Cahuas:

Having reviewed your Annual Declaration, we are pleased to inform you that Western Reserve Technology Ltd. is eligible to remain certified as a Disadvantaged Business Enterprise (DBE) in Ohio, effective June 3, 2019. Western Reserve Technology Ltd. is currently certified in the following NAICS codes and descriptors:

NAICS Title
Computer and Computer Peripheral Equipment and Software Merchant Wholesalers
Data Processing, Hosting, and Related Services
Computer Systems Design Services
Other Computer Related Services

DBE certification allows Western Reserve Technology Ltd. to participate as a DBE on federally assisted transportation-related projects and/or contracts. All Federal Highway Administration, Federal Transit Administration, and Federal Aviation Administration recipients and sub recipients in Ohio will accept this DBE certification. Western Reserve Technology Ltd. is subject to the requirements of the DBE regulations (49 CFR Part 26, as amended) and all laws of the State of Ohio applicable to the transaction of business. A DBE certificate for Western Reserve Technology Ltd. may be viewed or printed from the Ohio Unified DBE directory at www.ohioucp.org (click the Ohio Unified DBE Directory link).

Western Reserve Technology Ltd. is required to inform CLE in writing of any change in circumstances affecting its ability to meet the size, disadvantaged status, ownership, or control requirements of the DBE regulations or any material change in the information provided in the firm's application form. The notice must take the form of a sworn affidavit or of an unsworn declaration executed under penalty of perjury of the laws of the United States. The written notification along with supporting documentation describing in detail the nature of the change(s) must be submitted within 30 days of the occurrence of the change(s). Failure to provide timely notification will result in CLE's action to decertify Western Reserve Technology Ltd. as a DBE in Ohio. To submit a declaration of change, follow the instructions in the Forms for Certified DBE Firms section of the Ohio Unified Certification Program (UCP) website, www.ohioucp.org.

As a DBE Western Reserve Technology Ltd. is also required to submit an Annual Declaration attesting that there have been no changes in circumstances affecting its ability to meet the size, disadvantaged status, ownership,

#### AN EQUAL OPPORTUNITY EMPLOYER AND PROVIDER OF SERVICES

June 3, 2019 Page 2

or control requirements of the DBE regulations or any material changes in the information provided in its application form (except for the changes about which it has already notified CLE, if any) along with its current Federal business tax return (and those of its affiliates, if any) each year on its Anniversary 3/14/13. Western Reserve Technology Ltd. next Annual Declaration is due on 3/14/2020. To submit the Annual Declaration form, follow the instructions in the Forms for Certified DBE Firms section of the Ohio Unified Certification Program (UCP) website, www.ohioucp.org.

DBE certifications do not have an expiration date; however, Western Reserve Technology Ltd. must submit the Annual Declaration annually on or no more than 30 days before its anniversary date. Failure to provide the requested documents in a timely manner will result in CLE's action to decertify Western Reserve Technology Ltd. as a DBE in Ohio.

Please be advised a firm is not eligible to retain NAICS codes in all or some of the areas of work grouped under the NAICS codes if that firm exceeds the size standard listed under the NAICS codes. If a firm exceeds the size standard in any of its approved NAICS codes, it is no longer certified as a DBE under that specific NAICS code. If a firm exceeds the size standard in all of its approved NAICS codes or if the firm's controlling owner(s) exceed the established Personal Net Worth standard, it is no longer eligible to participate as a DBE.

If Western Reserve Technology Ltd. expands in its line of work or if additional lines of work are added to its capabilities, one or more additional NAICS codes and/or descriptors may be needed. To request additional NAICS codes please submit the NAICS Code/Descriptor Request Form by following the instructions in the Forms for Certified DBE Firms section of the Ohio UCP website, www.ohioucp.org.

We encourage you to contact the Office of Outreach to learn more about upcoming matchmaking events and contracting opportunities with CLE and transit systems. To locate the Regional Outreach Manager in your area, please go to www.transportation.ohio.gov/odi and visit the Office of Outreach's webpage.

If you have any questions please contact the Office of Compliance & Inclusion at (216) 265-3389 or jbrooks@clevelandairport.com.

Respectfully

Jermaine Brooks Certification Officer Office of Compliance & Inclusion

Ms. Kim Cahuas WESTERN RESERVE TECHNOLOGY LTD 34194 Aurora Road #200 Solon Ohio 44139

Certification Type SBE MBE WBE

Dear Ms. Kim Cahuas

The Cuyahoga County, Office of Procurement and Diversity has reviewed your application for certification as a SBE/MBE/WBE Business. I am pleased to inform you that your company has met the necessary requirements and has been granted status under the Certification Type mentioned above in the area(s) listed below for the period

8/8/2019 to 8/8/2020.

Professional Service: Consultant

Vendor States That They Provide: Oracle Applications and Database Consultants; Server, Storage and Desktop virtualization services. Hewlett Packard, Netapp, VMware & Microsoft products and services.

Please be advised that although your certification provides your company with the potential for many business opportunities, certification does not guarantee that your company will be granted County contracts.

Any changes that affect ownership, managerial, and/or operational control of your company must be reported to this office within 30 days of change. Also, you are expected to notify this office immediately regarding a change of address, telephone number, principal products/services, bonding capacity and company name.

Cuyahoga County's Diversity Program has a familial relationship policy relating to SBE/MBE/WBE vendors subcontracting with prime vendors. Specifically, Section X. Item 2(C) of the Diversity Program Policy and Procedures Manual states that "Prime contractors are prohibited from using Diversity subcontractors with whom they have a familial relationship, joint or co-ownership, common partners or officers or a shareholder relationship". Hence, on Cuyahoga County projects/contracts, any portion of work subcontracted to your company by a prime vendor that meets the above-mentioned criteria will not count towards the achievement of the established Diversity Program goal.

If your certification status is questioned by any public or private entity, please direct the inquiry to the Cuyahoga County, Office of Procurement and Diversity at (216) 443-7230.

Again, congratulations on your certification. If you have any questions regarding your certification, please do not hesitate to contact me.

Sincerely, Office of Procurement and Diversity

OFFICE OF PROCUREMENT AND DIVERSITY, 2079 East 9th Street, Cleveland, Ohio 44115 (216) 443-7230, (216) 443-7206 (fax), Ohio Relay Service 711

 RE: MWBE Certification

Dear Kim Cahuas:

The Department of Small Business Services, ("SBS") has reviewed your certification with New York State Department of Economic Development (DMWBD). Based on that certification, your firm is certified as a Minority and Woman-owned Business Enterprise (M/WBE) in the City of New York's Minority and Women-owned Business Enterprise Certification Program. The certification remains in effect from the date of this letter until 5/31/2023.

Your certified business will now receive targeted solicitations and invitations to attend networking events with government and corporate buyers. Your firm will also be listed in the New York City Directory of Certified Businesses (<a href="http://www.nyc.gov/buycertified">www.nyc.gov/buycertified</a>) so we can connect you to government buyers and prime contractors who may be looking for certified companies such as yours.

Do you need help selling your goods or services to the City, State or Federal government? Our Procurement Technical Assistance Center provides guidance and direction on government vendor enrollments, identifying additional diversity certifications, finding opportunities that fit your business, helping you understand contract requirements, and providing valuable feedback on bids and proposals. For more information, please email bizhelp@sbs.nyc.gov or call at 212-513-6444.

SBS also offers a range of other valuable services to help you grow your business. We can help you secure financing and access City benefits. We'll support your expansion by working with you to locate available space, identify money-saving incentive programs, and recruit qualified employees. We'll cut the red tape for you by being your liaison when you need to resolve issues with other City agencies. Businesses can access SBS Business Services by visiting www.nyc.gov/sbs.or calling 311.

If you have questions regarding your business' certification, please contact the Certification Hotline at 212-513-6311 or email <u>mwbe@sbs.nyc.gov</u>.

Sincerely, Certification Unit

# SUPPLY CHAIN SOLUTIONS

# SPEND LESS. MAKE MORE.

FISTENA

# What are the **OPPORTUNITIES** in your supply chain?

## VISIBILITY

How much visibility do you have to parts usage and spend? What reporting mechanisms do you have in place? What data do you use as a benchmark for continuous improvement?

## CONTROL

What access controls do you have in place? Is tool/equipment theft or loss a concern? Struggling with hoarding? Overconsumption? Product misuse?

# INVENTORY

How much inventory do you have on hand? Is excess or obsolete inventory a problem? What are your current inventory turns?

### PRODUCTIVITY

How labor-intensive are your supply processes? How long does it take employees to walk & wait for needed supplies? How much production time is being lost due to stock outs?

## PURCHASING

<b>—(</b> )	J

How is product reordered? Is it a manual process? How many vendors are you utilizing for indirect materials? How many emergency orders do you process?

# WHAT DOES YOUR IDEAL SUPPLY CHAIN LOOK LIKE?

With an ideal supply chain, your team would always have the right amount, of the right product, when and where it's needed for the job – with no labor, waiting, or waste involved. You'd be able to free up cash, cut costs, better utilize talent, and ultimately focus more resources on the things that separate your business in the marketplace – production, innovation, quality, and service.

What does *your* ideal supply chain look like? Less inventory? Less paperwork? Better productivity? We can help you get there by leveraging our buying power, distribution strength, local presence, and technology lineup to tailor a solution that drives your unique priorities and goals.

When we consult with customers about inventory, we hear some common themes – they want less of it in their facility, they want fewer touches, and they want to reduce their total spend. Through our strategic supply programs, we offer solutions to maximize purchasing leverage and productivity while minimizing the total cost of ownership (TCO) – ideally to the point where the only cost is the cost of the product itself.

# **STOCK** LESS

Our local supply chain takes the risk out of inventory reduction. Product is stocked in our nearby branch and regional distribution center to anticipate your needs, and our logistics fleet and local personnel ensure consistent delivery and replenishment to maintain your targeted inventory levels. Leverage our local infrastructure to reduce your cash outlay and risk.

# **SPEND** LESS

A narrow focus on piece price can lead to complexity, risk, and, ironically, a higher overall spend. At Fastenal, we tackle cost from all angles – vendor consolidation, SKU rationalization, product substitutions, freight reduction, and controls on rogue purchasing and consumption. With this 360-degree approach, piece price becomes a piece of a much larger puzzle.

## **MAKE** MORE

Our job is to help you increase production without adding capacity. We do this by providing solutions that automate processes and eliminate delays, touches, waste, and steps (of the literal and figurative variety). By ensuring perpetual inventory at the point of use, we help your business *make more* – more product, more revenue, more profit.

FASTENAL

# **Growth Through Customer Service**<sup>®</sup>

In an industry that's trending toward a very transactional "pick, pack, and ship" distribution model, Fastenal continues to move closer to our customers in terms of geography and strategic integration. The foundation is our network of 3,100+ in-market servicing locations (spanning 26 countries), enabling us to offer custom local inventory and service programs everywhere our customers operate.

cninery, inc

The impact is direct. When we bring inventory into the market, that's product your business doesn't have to carry. When our local experts manage your inventory, that's labor you can redeploy for production. And when we help you reduce delays and costs, that's newfound time and money to grow your business.

# **RELIABILITY** POWERED BY THE **BIG BLUE MACHINE**

Our 'hub and spoke' distribution system positions regional distribution centers at the center of same-day routes to surrounding Fastenal branches and onsite customer locations. Through sophisticated demand forecasting, local inventory modeling, and consistent delivery on our own trucks, we offer an extremely short, reliable supply chain for your business.

# A Solution as Unique as Your Business

H G POTHICA D

As a supply chain solutions provider for thousands of companies, we understand the common challenges and best practices, but nobody knows your operation better than you. That's why our approach is to listen, collaborate, and scale a solution that aligns with *your* needs and goals.

The possibilities range from a simple dock-to-dock delivery program, to a Fastenal-managed vending or bin stock solution, all the way up to an onsite partnership model where we provide a dedicated servicing location and team to run a worldclass supply chain for your business. Products, roles, fulfillment channels, devices, frequency, reporting metrics, additional services – every aspect is customized to craft a solution that's as unique as your business.

# FROM CONCEPT TO CONTINUOUS IMPROVEMENT

For supply chain transformation projects, the journey typically starts with a site assessment (process mapping event), a collaborative effort between our Lean Solutions team and your stakeholders to identify your challenges and objectives, analyze your current process, and assess the value we can provide as a supply chain partner.

The takeaway is a business plan to achieve your desired 'future state,' including mutually-defined metrics to measure our impact. In addition to providing initial consultation and solution design, our Lean Six Sigma experts execute implementation of the program and remain involved to help drive continuous improvement.

230+

Lean Solutions personnel dedicated to process mapping and implementation.

# Supply Solutions Overview

We offer a suite of solutions to address specific objectives, whether that's to simplify the replenishment process for loose consumables, track assets throughout your facility, increase production through point-of-use access, drive safety compliance, or bring visibility and control to everyday shop supplies. The following pages provide a quick look at some of the 'building blocks' that can be combined and customized to provide solutions for your business challenges.

Unlock labor resources by offloading supply chain functions to a service-focused organization that's 'local' enough to handle the daily work of material management, but 'global' enough to bring value in terms of buying power, product scope, quality assurance, cost savings, and logistics.

SUPPLY SOLUTIONS OVERVIEW -

#### Key Benefits:

- > Reduce inventory and risk.
  - > Our local team visits regularly to maintain target levels.
  - > Emergency inventory can typically be delivered within the hour.
- > Increase productivity through organization, access, and labor reallocation.
- > View accurate usage reporting by location, GL code, and other meaningful metrics.
- > Reduce paperwork with a touch-less ordering process.

Fast-moving loose consumables can be a good fit for an automated but uncontrolled solution. This technology automatically reports inventory status and generates replenishment orders, but access and usage are not tied to individual employees.

FAST BIN – SCALE

# FAST BIN – INFRARED

FAST BIN – RFID

#### Key Benefits:

- > View current inventory status by location.
- > Automate replenishment of centralized as well as point-of-use locations to drive productivity.
- > Introduce an additional safeguard to prevent outages.
- > Eliminate paperwork and administrative costs.

Control

Our service can be paired with automated supply technology that brings visibility and control to consumables of all shapes and sizes – from PPE and wide-ranging MRO items to abrasives and cutting tools. Utilize a simple cloud dashboard to view activity by individual employees, tag each transaction with custom-defined data points (e.g., work order, GL code, department, etc.), and set controls to limit access to products (and/or amounts) based on user profile.

# Key Benefits:

- > Reduce product consumption typically 25 to 35%.
- > Increase productivity through 24/7 point-of-use access.
- > Automate replenishment (no paperwork or labor required).
- > Simplify expense tracking, view dynamic usage reporting.
- > Drive compliance for safety and product standardization projects.

We also offer solutions to automate asset tracking and management within your facility. Drive cost savings and productivity by making job-ready tools and equipment continually accessible near the point of work.

# Key Benefits:

- > Reduce employee walk and wait time by decentralizing assets and automating the check-out/return process.
- > Control loss and theft by connecting each item to the most current user.
- > Receive an alert when an item isn't returned within a custom-defined time period.
- Improve productivity, safety, and quality by scheduling alerts or lockdowns for equipment recharging, inspection, or recalibration.

# **FAST 360**<sup>®</sup> A SINGLE WINDOW TO OUR BUSINESS RELATIONSHIP

Our supply chain activities and solutions produce a spectrum of data – product info, locations, levels, user profiles, pricing, frequency – which we mine and customize to provide unique insights into your business. All of this information is available through a single dynamic window: the FAST 360° dashboard on Fastenal.com and Fastenal.ca.

# Search, analyze, and manage your supply chain with three easy-to-use modules:

# My Inventory

A dynamic view of the Fastenal-managed inventory across your facilities. Search for parts by product category, sales channel, and location, all the way down to an individual bin or vending position.

# My Business

A 'blueprint' of how Fastenal-managed inventory is organized by location. Pull up device planograms to view exactly where the product resides within your Fastenal bin stock and vending solutions.

# My Spend

A set of tools to help you analyze your spend by facility, sales channel (bin stock, vending, EDI, branch, web), and/or product category. Drill down to an individual category or part to understand the spend dynamics behind it.

- Technical questions
- Bolted joint design support
- > Failure analysis
- Application-specific testing
- Fastener trainings
- Product teardowns to identify fastening efficiencies

## Safety

- Site assessments
- Consultation re: OSHA compliance and best practices
- Safety trainings
- PPE fittings
- Equipment inspections
- SKU rationalization

# Metalworking

- Product selection consultation
- Application analysis to optimize productivity/wear vs. cost
- Supplier support available

## Construction

- › Product consultation
- > Job site inventory solution design/ implementation
- Custom reporting

# **National Accounts**

- Corporate liaison to leverage spend, ensure consistency across multiple locations
- > Local engagement to support individual site needs
- > Quarterly business reviews and custom reporting

## Supply Chain Solutions

- Sales specialists to assist with selection, design, and product optimization.
- > 24/7 technical support

Reach out to your local Fastenal service team to see how we can help your business reduce costs, increase productivity, and do more of what you do best.

## AGREEMENT

This Agreement is made by and between \_\_\_\_\_\_ ("Customer") located at \_\_\_\_\_\_ and Fastenal Company, 2001 Theurer Blvd. Winona, MN 55987 ("Fastenal" herein). This Agreement will replace and supersede any prior agreements applicable to Fastenal's FAST Solutions program (FAST units or FAST equipment) utilized by the Customer effective on the date signed below.

Customer hereby grants exclusively to Fastenal the right to install FAST equipment within Customer's facility pursuant to an Order Form. An Order Form can be used at any time during the course of this Agreement unless the Agreement has been terminated before the order date. Customer and FASTENAL understand and agree that the terms and conditions of this Agreement shall be applicable to the FAST equipment ordered and installed at Customer's facility with the address indicated on the Order Form. Fastenal also agrees to be responsible for all standard maintenance and repair of the FAST units, excluding damage or destruction caused by Customer negligence, weather events, vandalism, or theft (however, Customer's liability shall not exceed \$10,000 per unit). Fastenal will provide insurance to cover its liability for personal injury or property damage it causes in connection with the installation, removal and operation of the FAST equipment.

- 1) <u>Term:</u> This Agreement will be effective on the date signed below and will continue until sixty (60) days advance written notice of termination is received by either party. In the event of termination, Customer shall allow Fastenal reasonable access to the Customer's premises for FAST equipment removal.
- 2) Ownership and Default: Unless specified on the Bin Stock Order Form, Fastenal will maintain full and exclusive ownership of all FAST equipment. Failure of Customer to comply with the terms of this Agreement or timely pay invoices will be considered a default and Fastenal has the right to terminate and remove the FAST equipment from Customer site, at Fastenal's discretion, with not less than five (5) business days' written notice of default.
- <u>3)</u> Equipment: Customer shall provide the physical space required for the FAST equipment requested via the Order Form. Customer acknowledges that some FAST equipment types have specific requirements and those requirements will be stated on the Order Form. All FAST equipment will be stocked with Fastenal distributed products only, unless otherwise approved by Fastenal in writing.

Select FAST equipment has the ability for Customer to track assets through a check in/out system. If utilized in this manner, these lockers will be assessed a monthly Locker Lease Fee shown on the Locker Lease Order Form. Customer acknowledges that FAST equipment is not intended to manage product returned to the machine.

FAST equipment identified as Sensor Lockers are dispense only, check in/out system is not an option on these units.

Fastenal's FAST equipment is not NFPA rated and Customer waives any claims against Fastenal pertaining to Customer's decision to stock hazardous materials in the FAST equipment.

<u>4</u>) <u>Connectivity:</u> Customer shall timely provide all electrical and internet connections required for operation at no cost to Fastenal. If a Fastenal supplied Aircard is used to establish an internet connection for the FAST units, Customer will be subject to a monthly fee as referenced under FAST Solutions Program fees. Customer agrees that Fastenal will not be responsible or liable for any delays, interruptions, defaults or outages with the Aircard internet connection. The Aircard connection must be utilized only in connection with the FAST equipment and Fastenal will not be responsible or liable for any unauthorized use of the Aircard connection by Customer.

Product Pricing: Prices are subject to Contract #	_ (please indicate what Govt. contract
customer is utilizing) with	(please indicate what entity holds this
contract). If unknown or not utilizing a contract, Customer can fill in "N/A". Pr	ices for dispensed items may be
negotiated to best identify high usage parts that are best opportunities or situated	l for dispensing. Prices may vary based on
specific customer requirements such as kitting, special labeling, or packaging if	applicable.
	customer is utilizing) with contract). If unknown or not utilizing a contract, Customer can fill in "N/A". Pr negotiated to best identify high usage parts that are best opportunities or situated

- 6) <u>Taxes</u>: Customer is responsible for any state, federal, provincial and local sales and use taxes related to the products dispensed from the FAST equipment and any applicable Software Fees (unless the Customer is tax-exempt).
- 7) <u>Assignment</u>: Customer may not assign, remove or attempt to sell or transfer any FAST equipment to another party or property, without FASTENAL's written permission.
- 8) <u>Purchase Commitment</u>: The parties agree that Customer will work in good faith to increase its overall purchases of products from FASTENAL at the location of the FAST units in accordance to the Good Faith MSI (Monthly Spend Increase) as indicated on the Order Form.
- 9) FAST Solutions Program Fees: Customer will pay Fastenal the following fees:

Monthly Software Fee	Waived if Blanket PO issued for amount of Total Good Faith MSI
Monthly Locker Lease Fee	See Locker Lease Order Form
Monthly Cellular Connection Fee	\$10 per control board (only if a Fastenal supplied Aircard is used)

Any applicable fees listed above will be invoiced on the first day of the month following installation of each FAST unit and monthly thereafter. All Fees are in US dollars and are non-refundable.

- <u>10) Payments</u>: Payment terms for products sold thru FAST equipment and any applicable FAST Solutions Program Fees shall be NET 30 days after the invoice date. FASTENAL will invoice Customer weekly for products stocked in the FAST equipment (non-consignment).
- <u>11) Limitation of Liability</u>: In no event will either party be liable for any special, indirect, incidental, consequential or exemplary damages in connection with or arising out of this Agreement, including, but not limited to, damages for injuries to persons or property or loss of profits or loss of future business or reputation, whether based on tort or breach of contract or other basis, even if it has been advised of the possibility of such damages.
- 12) Customer will be subject to the terms of the 'End-User License Agreement' when using specific FAST equipment as noted on the Order Form. Fastenal will not be responsible or liable for any loss, damage, expense or claim incurred by Customer arising out of the Customer's use of the FAST equipment. Fastenal's maximum liability and Customer's sole remedy will be the refund of the Fees paid by Customer during any prior twelve month period under this agreement. This agreement shall be binding upon the parties hereto, their heirs, personal representatives, administrators, successors and assigns. This agreement will be governed and interpreted under the laws of the State of Minnesota. Parties certify authority to enter into this agreement.

EACH PARTY ACKNOWLEDGES THAT THEY HAVE READ AND UNDERSTAND THIS AGREEMENT AND HEREBY EXECUTES THE SAME.

This agreement made by and between Fastenal Company (herein "FASTENAL") and the Customer Name reference below (herein "Customer"). This agreement shall remain in effect for a period of three (3) years from the date signed below and will automatically renew each year unless terminated. Either party may terminate this Agreement with 60 days prior written notice for any reason.

#### 1. Scope of Agreement:

a. FASTENAL to monitor and stock the Bins at no cost to Customer.

b. Customer will provide Fastenal with space and reasonable access to the facility to conduct material handling service for Customer at mutually agreeable times.

c. Fastenal will provide product storage bins (herein "Bins"). The Bins will be maintained on the premises of the Customer specified d. Fastenal shall monitor and stock Bins with FASTENAL distributed products as needed per Customer's usage requirements, unless otherwise approved by FASTENAL.

#### 2. Title & Risk of Loss:

a. Title to the Bins shall transfer to Customer after the term of this Agreement.

b. Customer shall bear and be responsible for the risk of theft, loss, damage or destruction of the Bins unless caused by the negligence or misconduct of Fastenal.

c. If this Agreement is terminated before the three (3) year initial term expires, all Bins shall be purchased by Customer within ten (10) days at a pro-rated price. **Prorated price = (Total Bin Value/36 months) x Number of months left in the agreement** 

#### 3. Purchase Commitment:

As condition of utilizing the Bins, Customer agrees to make a good faith effort to increase overall purchases at the locations of the Bins.

#### 4. Limitation of Liability:

Neither party shall have any liability whatsoever for special, indirect, consequential, incidental or exemplary damages under any circumstances, whether based on tort or breach of contract claims or on any other basis, even if it has been advised of the possibility of such damages.

# Terms and Conditions Governing an Onsite Supply Agreement Between CUSTOMER NAME and FASTENAL COMPANY

**CONTRACT TERM**. This Agreement, effective as of DATE, 2019 is made by and between **CUSTOMER NAME** ("Buyer"), with its principal place of business at **CUSTOMER ADDRESS**; and FASTENAL COMPANY ("Fastenal" or "Seller"), with its offices at 2001 Theurer Boulevard, Winona, MN 55987. Unless sooner terminated or canceled, this Agreement shall remain in effect for the period beginning on the effective date hereof and shall automatically renew for an additional term of one (1) or more years, unless written notice is provided to the other party no later than ninety (90) days before the expiration of the then current term that this Agreement will be terminated. Either party may terminate this Agreement upon thirty (30) days written notice for any reason, with or without cause.

**SCOPE OF CONTRACT**. This Agreement primarily covers Seller provided services related to the procurement, distribution and management of Products through Seller operated Onsite store locations. Buyer and Seller will mutually agree on locations that wish to engage through Seller Onsite store operations. Onsite locations are identified in **EXHIBIT #1** – List of Onsite store operations.

Buyer is under no obligation to purchase Goods under this Agreement. The pricing and discounts contained in **Exhibit #3** of the Onsite Supply Agreement are conditioned upon Buyer maintaining a minimum of \$50,000 in monthly spend at each Seller operated Onsite location identified in **EXHIBIT #1**. Buyer shall meet a monthly run rate of spend commensurate to achieving and maintaining the defined monthly spend per site within the first twelve months of this Agreement. Should Buyer not achieve the minimum monthly run rate within the first 6 months, Seller reserves the right to initiate any or all of the following remedies: Discontinue Seller's Onsite operations; unless Buyer agrees to pay all direct labor costs; Immediate termination of this Agreement. Seller also reserves the right to periodically review spend data to verify sufficient spend by Buyer at any time during the term of this Agreement.

**DEFINITION OF TERMS FOR FASTENAL DISTRIBUTED PRODUCTS.** As used herein, the following terms shall have the following meanings, respectively:

"Product(s)" shall mean all goods sold to Buyer under this Agreement which are not Buyer's Procured Products.

"Core Items" shall mean any Product on the **Core Item File**. The current list of Core Items may be identified through the message "Core Item" when shopping on <u>www.fastenal.com</u> with the Buyer's account number. Additionally, the message of "Core Item" will be displayed at the local store within Seller's Point-of-Sale system and on any punch-out e-catalogs required by Buyer. *Core Items should only represent the items purchased with high frequency where planned purchasing is attainable*.

"Catalog Item" shall mean any Product in the current revision of Seller's Big Blue catalog and any Product available on <u>www.fastenal.com</u> (that is not a Core Item) and has a published wholesale price

"Non-Catalog Item" shall mean any Product that is not a Core Item and/or is not a Catalog Item.

"Non-Standard Product" shall mean a part that is not a Catalog Item. Additionally a Non-Standard Product may be a Catalog Item that requires a secondary process with plating/coatings, or a Catalog Item which, at the request of Buyer, is stocked in larger quantities than would normally be stocked by Seller.

"Capital Goods Items" shall mean any products that are (i) a machine or tool used in the production of another item or (ii) typically considered an asset purchase instead of a consumable expense. Capital Goods Items are typically high dollar value items purchased infrequently that would not be considered an OEM part or a consumable item. The current list of Capital Goods Items may be identified through the message "Capital Goods Items" when shopping on <u>www.fastenal.com</u> with the Buyer's account number. Additionally, the message of "Capital Goods Items" will be displayed at the local store within Seller's Point-of-Sale system and on any "punch-out" E-catalogs required by Buyer.

**ONSITE SERVICES.** For locations in **EXHIBIT #1**, Buyer shall provide Seller with sufficient mutually agreed upon space and reasonable access to an Onsite facility during regular scheduled work hours to serve as a Seller distribution center and to conduct material handling and administrative activities for Buyer at mutually agreeable times. Unless otherwise agreed in writing, Buyer will provide reasonable utility services (air condition, heat, electricity, telephones, data, and internet access) to the Onsite facility at Buyer's expense. Buyer and Seller will develop a mutually agreed upon Statement of Work (S.O.W.) outlining the Onsite Services to be performed and the proposed Cost Savings associated with the proposed Onsite service.

For Onsite serviced location(s) Seller will determine the number of Onsite personnel required to perform the services offered in the Onsite location(s). This team will be dedicated to:

Managing formal RFP/RFQ events

Performing various tasks & functions identified in EXHIBIT #2 - Statement of Work (S.O.W.)

Identify opportunities for cost savings

Evaluation of site level operational Current State/Future State opportunities

Ongoing Lean Six Sigma Process Mappings to identify the optimal mode of supply for every product category at every location where Seller manages materials through an Onsite store

Lead corporate and local business case reviews for new initiatives and continuous improvement

**DATA AGGREGATION**. As part of the performance of this Agreement, Seller will be gathering information from other entities in the industrial supply industry. While Seller will not use the purchase order level data for any purpose other than the fulfillment of Seller's obligations under this Agreement, it is acknowledged and understood by Buyer that Seller will use an aggregation of the acquired information to gain market intelligence for enterprise use.

**SELLER COMPENSATION.** In addition to payments received for Fastenal Distributed Products supplied by Seller, Buyer will also provide compensation as a fee-for-service for Seller provided Onsite Services at a rate of \$50.00/hour, per person. Such hours will be tracked weekly by Seller; and reported to Buyer monthly via Supplier spreadsheet.

**IMPLEMENTATION FEES.** Buyer is responsible for the following implementation fees as outlined in the Statement of Work agreement associated with the following sites: LIST CUSTOMER SITE(S) HERE.

Implementation Fee per location: Seller will (not) charge Buyer any implementation fees.

<b>BUYERS ON-SITE LOCATION</b>	IMPLEMENTATION FEE	ON-SITE BUILD / SETUP
LIST CUSTOMER SITE	LIST FEE \$\$\$	LIST OVERVIEW

**CONTRACT PRICING - FOR FASTENAL DISTRIBUTED PRODUCTS.** 

Pricing of Core Items are net prices. Core Items pricing will be periodically reviewed throughout the term of the Agreement. Seller will provide adequate documentation to substantiate proposed price adjustments. Such documentation may include but is not limited to third-party market reports, documentation from Seller's Sellers and reputable commodity indexes. If the parties are unable to agree on pricing adjustments, then either party may terminate the Agreement with sixty (60) days prior written notice.

Buyer shall receive a discount off Seller's wholesale pricing for Catalog Items. Discounts shall be calculated using Seller's wholesale price effective on the date of purchase per **EXHIBIT #3.** Discounts shall not apply to Capital Goods Items. Capital Goods Items will be offered to Buyer at Seller's lowest sell price available on day of sale.

Pricing for Non-Catalog items shall be negotiated by the parties at the local level prior to the sale of said items.

Pricing under this Agreement establishes a maximum price. Pricing on individual purchases may be lower on a transactional basis. Transactional pricing below the negotiated pricing methodology of this Agreement does not constitute a contract-wide price reduction.

Pricing expressed in this Agreement is in USD and applies to domestic orders with deliveries within the continental United States of America. Any orders with deliveries outside the continental United States may be subject to alternative pricing or service fees such as additional product cost due to duties, tariffs, currency exchange, and logistical difficulties in connection with such deliveries based upon destination. The parties will reasonably attempt to identify such orders and establish acceptable pricing or service fees prior to delivery.

**PAYMENT TERMS**. Fastenal shall remit invoices to Buyer weekly; and payment is due within 30 days of the date of the invoice. Buyer shall remit payment of invoices to:

FASTENAL COMPANY Attn: Accounts Receivable P.O. BOX 1286 Winona, MN 55987

Fastenal reserves the right to charge 18% per annum (1.5% monthly) on any unpaid invoices over 30 days until such invoices are paid in full. Buyer agrees to pay Fastenal, to the extent permitted by applicable law, all costs and expenses, including reasonable attorney's fees, incurred by Fastenal in connection with any collection activities or actions to collect unpaid invoices under this Agreement

**FREIGHT**. All shipments will be FOB Buyer's Onsite facility. Any product requiring special freight arrangements must have prior plant authorization before charges are applied. Non-standard/Special or emergency orders may require special freight arrangements, which if approved by Buyer, will be payable by the Buyer.

**TITLE.** All Supplies held in inventory at Buyer's location shall remain the property of Fastenal until such time that the Supplies are withdrawn or otherwise used by Buyer, at which time Buyer shall be deemed to have purchased the Supplies. However, Buyer will be responsible for any damage, destruction or theft of any Supplies that Fastenal provides to or maintains within the Onsite store, except in the event such losses are directly caused by the negligence or intentional actions of Fastenal, its employees or agents. Buyer will assist and approve or, upon request, execute any documents confirming Fastenal's title to the Supplies, prior to transfer of such title to Buyer noted herein.

**INVENTORY COMMITMENT.** If Buyer discontinues use of any stocked Non-Standard Products or this Agreement is terminated, Buyer agrees to purchase all remaining quantities of Non-Standard Products maintained or ordered by Seller for Buyer within ten (10) days from the date of demand.

Under this Agreement, Seller will maintain up to a <u>3</u> month inventory of Non-standard Products for the Buyer

**EQUIPMENT.** All cages, fencing, temporary office structures, material handling equipment, operations equipment, cables, computer hardware or software, bins, cabinets, shelving, racking and similar material handling apparatus that Fastenal utilizes and maintains in Buyers Onsite facility will remain the property of Fastenal, unless directly purchased, or provided, by the Buyer. Upon termination of this Agreement, Buyer will provide Fastenal with reasonable access to Buyer's property and Fastenal shall remove all such property in a timely and efficient manner. However, Fastenal will not be responsible for restoration activities and cost of repairs or improvements to the premises, unless caused by the negligent or improper removal of equipment by Fastenal.

**TERMS AND CONDITIONS OF PURCHASE**. Purchases under this Agreement shall be governed by the Terms of Purchase found on the Legal Information page at <u>www.fastenal.com</u>. This Agreement and the Terms of Purchase shall control all Orders placed by Buyer and shall replace and supersede any previous terms and conditions entered into by the Parties.

**ENTIRE AGREEMENT.** This Agreement constitutes the entire agreement between the parties and there are no verbal or collateral understandings, agreements, representations other than as expressly set forth therein. This Agreement may only be modified by written agreement of the parties.

#### DOC #3 LOBBYING CERTIFICATION

Submission of this certification is a prerequisite for making or entering into this transaction and is imposed by Section 1352, Title 31, U.S. Code. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Any person who fails to file the required certification shall be subject to civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

The undersigned certifies, to the best of his/her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of a Federal contract, the making of a Federal grant, the making of a Federal loan, the entering into a cooperative agreement, and the extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement.

2. If any funds other than Federal appropriated funds have been or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract or cooperative agreement, the undersigned shall complete and submit Standard Form LLL, "Disclosure of Lobbying Activities," in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all covered sub-awards exceeding \$100,000 in Federal funds at all appropriate tiers and that all sub-recipients shall certify and disclose accordingly.

Signature of Respondent

1/30/2020 Date

#### DOC #4 CONTRACTOR CERTIFICATION REQUIREMENTS

#### **Contractor's Employment Eligibility**

By entering the contract, Contractor warrants compliance with the Federal Immigration and Nationality Act (FINA), and all other federal and state immigration laws and regulations. The Contractor further warrants that it is in compliance with the various state statutes of the states it will operate this contract in.

Participating Government Entities including School Districts may request verification of compliance from any Contractor or subcontractor performing work under this Contract. These Entities reserve the right to confirm compliance in accordance with applicable laws.

Should the Participating Entities suspect or find that the Contractor or any of its subcontractors are not in compliance, they may pursue any and all remedies allowed by law, including, but not limited to: suspension of work, termination of the Contract for default, and suspension and/or debarment of the Contractor. All costs necessary to verify compliance are the responsibility of the Contractor.

The Respondent complies and maintains compliance with the appropriate statutes which requires compliance with federal immigration laws by State employers, State contractors and State subcontractors in accordance with the E-Verify Employee Eligibility Verification Program.

Contractor shall comply with governing board policy of the Region 10 ESC Participating entities in which work is being performed.

#### Fingerprint & Criminal Background Checks

If required to provide services on school district property at least five (5) times during a month, contractor shall submit a full set of fingerprints to the school district if requested of each person or employee who may provide such service. Alternately, the school district may fingerprint those persons or employees. An exception to this requirement may be made as authorized in Governing Board policy. The district shall conduct a fingerprint check in accordance with the appropriate state and federal laws of all contractors, subcontractors or vendors and their employees for which fingerprints are submitted to the district. Contractor, subcontractors, vendors and their employees shall not provide services on school district properties until authorized by the District.

The Respondent shall comply with fingerprinting requirements in accordance with appropriate statutes in the state in which the work is being performed unless otherwise exempted.

Contractor shall comply with governing board policy in the school district or Participating Entity in which work is being performed.

#### Business Operations in Sudan, Iran

In accordance with A.R.S. 35-391 and A.R.S. 35-393, the Contractor hereby certifies that the contractor does not have scrutinized business operations in Sudan and/or Iran.

#### Certificate of Interested Parties (Form 1295):

In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

The Texas Ethics Commission was required to adopt rules necessary to implement that law, prescribe the disclosure of interested parties form, and post a copy of the form on the commission's website. The commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The commission also adopted new rules (Chapter 46) on November 30, 2015, to implement the law. The commission does not have any additional authority to enforce or interpret House Bill 1295.

#### **Filing Process:**

Staring on January 1, 2016, the commission will make available on its website a new filing application that must be used to file Form 1295. A business entity must use the application to enter the required information on Form 1295 and print a copy of the completed form, which will include a certification of filing that will contain a unique certification number. An authorized agent of the business entity must sign the printed copy of the form and have the form notarized. The completed Form 1295 with the certification of filing must be filed with the governmental body or state agency with which the business entity is entering into the contract.

The governmental entity or state agency must notify the commission, using the commission's filing application, of the receipt of the filed Form 1295 with the certification of filing not later than the 30th day after the date the contract binds all parties to the contract. The commission will post the completed Form 1295 to its website within seven business days after receiving notice from the governmental entity or state agency.

Information regarding how to use the filing application will be available on this site starting on January 1, 2016.

To Whom it May Concern:

Fastenal Company is exempt from the Form 1295 filing requirement for contracts entered into or amended on or after January 1, 2018 as Fastenal Company is a publicly traded business entity. Fastenal's initial public offering was on August 20, 1987. Our shares are traded on the Nasdaq Stock Market under the symbol 'FAST.'

If you have any questions, please do not hesitate to reach out to us at any time.

Sincerely,

Charles Miller Executive Vice President Fastenal Company

# WE ARE WHERE YOU ARE.
## DOC #7 BOYCOTT CERTIFICATION

Respondents must certify that during the term of any Agreement, it does not boycott Israel and will not boycott Israel. "Boycott" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes.

## DOC #8 TERRORIST STATE CERTIFICATION

In accordance with Texas Government Code, Chapter 2252, Subchapter F, REGION 10 ESC is prohibited from entering into a contract with a company that is identified on a list prepared and maintained by the Texas Comptroller or the State Pension Review Board under Texas Government Code Sections 806.051, 807.051, or 2252.153. By execution of any agreement, the respondent certifies to REGION 10 ESC that it is not a listed company under any of those Texas Government Code provisions. Responders must voluntarily and knowingly acknowledge and agree that any agreement shall be null and void should facts arise leading the REGION 10 ESC to believe that the respondent was a listed company at the time of this procurement.

## DOC #9 **RESIDENT CERTIFICATION:**

This Certification Section must be completed and submitted before a proposal can be awarded to your company. This information may be placed in an envelope labeled "Proprietary" and is not subject to public view. In order for a proposal to be considered, the following information must be provided. Failure to complete may result in rejection of the proposal:

As defined by Texas House Bill 602, a "nonresident Bidder" means a Bidder whose principal place of business is not in Texas, but excludes a contractor whose ultimate parent company or majority owner has its principal place of business in Texas.

Texas or Non-Texas Resident

- I certify that my company is a "resident Bidder"
- X I certify that my company qualifies as a "nonresident Bidder"

If you qualify as a "nonresident Bidder," you must furnish the following information:

What is your resident state? (The state your principal place of business is located.) Minnesota

Fastenal Company	2001 Theurer Blvd.

#### DOC #10 FEDERAL FUNDS CERTIFICATION FORM

When a participating agency seeks to procure goods and services using funds under a federal grant or contract, specific federal laws, regulations, and requirements may apply in addition to those under state law. This includes, but is not limited to, the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 CFR 200 (sometimes referred to as the "Uniform Guidance" or "EDGAR" requirements). All Vendors submitting proposals must complete this Federal Funds Certification Form regarding Vendor's willingness and ability to comply with certain requirements which may be applicable to specific participating agency purchases using federal grant funds. This completed form will be made available to participating agencies for their use while considering their purchasing options when using federal grant funds. Participating agencies may also require Vendors to enter into ancillary agreements, in addition to the contract's general terms and conditions, to address the member's specific contractual needs, including contract requirements for a procurement using federal grants or contracts.

For each of the items below, Vendor should certify Vendor's agreement and ability to comply, where applicable, by having Vendor's authorized representative complete and initial the applicable lines after each section and sign the acknowledgment at the end of this form. If a vendor fails to complete any item in this form, Region 10 ESC will consider the Vendor's response to be that they are unable or unwilling to comply. A negative response to any of the items may, if applicable, impact the ability of a participating agency to purchase from the Vendor using federal funds.

## 1. Vendor Violation or Breach of Contract Terms:

Contracts for more than the simplified acquisition threshold currently set at \$150,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 USC 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Any Contract award will be subject to Region 10 ESC General Terms and Conditions, as well as any additional terms and conditions in any Purchase Order, participating agency ancillary contract, or Member Construction Contract agreed upon by Vendor and the participating agency which must be consistent with and protect the participating agency at least to the same extent as the Region 10 ESC Terms and Conditions.

The remedies under the Contract are in addition to any other remedies that may be available under law or in equity. By submitting a Proposal, you agree to these Vendor violation and breach of contract terms.

Does vendor agree? \_\_\_\_\_\_\_\_\_\_\_\_\_\_\_\_(Initials of Authorized Representative)

## 2. Termination for Cause or Convenience:

When a participating agency expends federal funds, the participating agency reserves the right to immediately terminate any agreement in excess of \$10,000 resulting from this procurement process in the event of a breach or default of the agreement by Offeror in the event Offeror fails to: (1) meet schedules, deadlines, and/or delivery dates within the time specified in the procurement solicitation, contract, and/or a purchase order; (2) make any payments owed; or (3) otherwise perform in accordance with the contract and/or the procurement solicitation, participating agency also reserves the right to terminate the contract immediately, with written notice to offeror, for convenience, if participating agency believes, in its sole discretion that it is in the best interest of participating agency to do so. Offeror will be compensated for work performed and accepted and goods accepted by participating agency as of the termination date if the contract is terminated for convenience of participating agency. Any award under this procurement process is not exclusive and participating agency reserves the right to purchase goods and services from other offerors when it is in participating agency's best interest.

Does vendor agree? \_\_\_\_\_\_\_\_\_(Initials of Authorized Representative)

#### 3. Equal Employment Opportunity:

Except as otherwise provided under 41 CFR Part 60, all participating agency purchases or contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 shall be deemed to include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR Part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

The equal opportunity clause provided under 41 CFR 60-1.4(b) is hereby incorporated by reference. Vendor agrees that such provision applies to any participating agency purchase or contract that meets the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 and Vendor agrees that it shall comply with such provision.

Does vendor agree? \_\_\_\_\_\_ (Initials of Authorized Representative)

#### 4. Davis-Bacon Act:

When required by Federal program legislation, Vendor agrees that, for all participating agency prime construction contracts/purchases in excess of \$2,000, Vendor shall comply with the Davis-Bacon Act (40 USC 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, Vendor is required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determinate made by the Secretary of Labor. In addition, Vendor shall pay wages not less than once a week.

Current prevailing wage determinations issued by the Department of Labor are available at www.wdol.gov. Vendor agrees that, for any purchase to which this requirement applies, the award of the purchase to the Vendor is conditioned upon Vendor's acceptance of the wage determination.

Vendor further agrees that it shall also comply with the Copeland "Anti-Kickback" Act (40 USC 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled.

Does vendor agree? \_\_\_\_\_\_ (Initials of Authorized Representative)

#### 5. Contract Work Hours and Safety Standards Act:

Where applicable, for all participating agency contracts or purchases in excess of \$100,000 that involve the employment of mechanics or laborers, Vendor agrees to comply with 40 USC 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 USC 3702 of the Act, Vendor is required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 USC 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

Does vendor agree?

(Initials of Authorized Representative)

#### 6. Right to Inventions Made Under a Contract or Agreement:

If the participating agency's Federal award meets the definition of "funding agreement" under 37 CFR 401.2(a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance or experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to

Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

Vendor agrees to comply with the above requirements when applicable.

Does vendor agree?

(Initials of Authorized Representative)

#### 7. Clean Air Act and Federal Water Pollution Control Act:

Clean Air Act (42 USC 7401-7671q.) and the Federal Water Pollution Control Act (33 USC 1251-1387), as amended -Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act (42 USC 7401-7671q.) and the Federal Water Pollution Control Act, as amended (33 USC 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

When required, Vendor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act and the Federal Water Pollution Control Act.

Does vendor agree? \_\_\_\_\_\_\_\_\_(Initials of Authorized Representative)

#### 8. Debarment and Suspension:

Debarment and Suspension (Executive Orders 12549 and 12689) - A contract award (see 2 CFR 180.220) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1966 Comp. p. 189) and 12689 (3CFR Part 1989 Comp. p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

Vendor certifies that Vendor is not currently listed on the government-wide exclusions in SAM, is not debarred, suspended, or otherwise excluded by agencies or declared ineligible under statutory or regulatory authority other than Executive Order 12549. Vendor further agrees to immediately notify the Cooperative and all participating agencies with pending purchases or seeking to purchase from Vendor if Vendor is later listed on the government-wide exclusions in SAM, or is debarred, suspended, or otherwise excluded by agencies or declared ineligible under statutory or regulatory authority other than Executive Order 12549.

Does vendor agree? \_\_\_\_\_\_\_\_\_\_(Initials of Authorized Representative)

## 9. Byrd Anti-Lobbying Amendment:

Byrd Anti-Lobbying Amendment (31 USC 1352) -- Vendors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 USC 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award. As applicable, Vendor agrees to file all certifications and disclosures required by, and otherwise comply with, the Byrd Anti-Lobbying Amendment (31 USC 1352).

Does vendor agree?

(Initials of Authorized Representative)

#### 10. Procurement of Recovered Materials:

For participating agency purchases utilizing Federal funds, Vendor agrees to comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act where applicable and provide such information and certifications as a participating agency may require to confirm estimates and otherwise comply. The requirements

Page 50 of 76

of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery, and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

Does vendor agree? \_\_\_\_\_\_\_\_\_(Initials of Authorized Representative)

#### 11. Profit as a Separate Element of Price:

For purchases using federal funds in excess of \$150,000, a participating agency may be required to negotiate profit as a separate element of the price. See, 2 CFR 200.323(b). When required by a participating agency, Vendor agrees to provide information and negotiate with the participating agency regarding profit as a separate element of the price for a particular purchase. However, Vendor agrees that the total price, including profit, charged by Vendor to the participating agency shall not exceed the awarded pricing, including any applicable discount, under Vendor's Cooperative Contract.

Does vendor agree?

(Initials of Authorized Representative)

#### 12. General Compliance and Cooperation with Participating Agencies:

In addition to the foregoing specific requirements, Vendor agrees, in accepting any Purchase Order from a participating agency, it shall make a good faith effort to work with participating agencies to provide such information and to satisfy such requirements as may apply to a particular participating agency purchase or purchases including, but not limited to, applicable recordkeeping and record retention requirements.

Does vendor agree?

(Initials of Authorized Representative)

#### 13. Applicability to Subcontractors

Offeror agrees that all contracts it awards pursuant to the Contract shall be bound by the foregoing terms and conditions.

Does vendor agree? \_\_\_\_\_\_\_\_\_\_(Initials of Authorized Representative)

**AZ Compliance with Federal and state requirements:** Contractor agrees when working on any federally assisted projects with more than \$2,000.00 in labor costs, to comply with all federal and state requirements, as well as Equal Opportunity Employment requirements and all other federal and state laws, statutes, etc. Contractor agrees to post wage rates at the work site and submit a copy of their payroll to the member for their files. Contractor must retain records for three years to allow the federal grantor agency access to these records, upon demand. Contractor also agrees to comply with the Arizona Executive Order 75-5, as amended by Executive Order 99-4.

When working on contracts funded with Federal Grant monies, contractor additionally agrees to comply with the administrative requirements for grants, and cooperative agreements to state, local and federally recognized Indian Tribal Governments.

**AZ Compliance with workforce requirements:** Pursuant to ARS 41-4401, Contractor and subcontractor(s) warrant their compliance with all federal and state immigration laws and regulations that relate to their employees, and compliance with ARS 23-214 subsection A, which states, …"every employer, after hiring an employee, shall verify the employment eligibility of the employee through the E-Verify program" Region 10 ESC reserves the right to cancel or suspend the use of any contract for violations of immigration laws and regulations. Region 10 ESC and its members reserve the right to inspect the papers of any contractor or subcontract employee who works under this contract to ensure compliance with the warranty above.

**AZ Contractor Employee Work Eligibility:** By entering into this contract, contractor agrees and warrants compliance with A.R.S. 41-4401, A.R.S. 23-214, the Federal Immigration and Nationality Act (FINA), and all other Federal immigration laws and regulations. Region 10 ESC and/or Region 10 ESC members may request verification of compliance from any contractor or sub contractor performing work under this contract. Region 10 ESC and Region 10 ESC members reserve the right to confirm compliance. In the event that Region 10 ESC or Region 10 ESC members suspect or find that any contractor or subcontractor is not in compliance, Region 10 ESC may pursue any and all remedies allowed by law, including but not limited to suspension of work, termination of contract, suspension and/or debarment of the contractor. All cost associated with any legal action will be the responsibility of the contractor.

**AZ Non-Compliance:** All federally assisted contracts to members that exceed \$10,000.00 may be terminated by the federal grantee for noncompliance by contractor. In projects that are not federally funded, Respondent must agree to meet any federal, state or local requirements as necessary. In addition, if compliance with the federal regulations increases the contract costs beyond the agreed on costs in this solicitation, the additional costs may only apply to the portion of the work paid by the federal grantee.

**Registered Sex Offender Restrictions (Arizona):** For work to be performed at an Arizona school, contractor agrees that no employee or employee of a subcontractor who has been adjudicated to be a registered sex offender will perform work at any time when students are present, or reasonably expected to be present. Contractor agrees that a violation of this condition shall be considered a material breach and may result in the cancellation of the purchase order at the Region 10 ESC member's discretion. Contractor must identify

any additional costs associated with compliance to this term. If no costs are specified, compliance with this term will be provided at no additional charge.

Offshore Performance of Work Prohibited: Due to security and identity protection concerns, direct services under this contract shall be performed within the borders of the United States.

**Terrorism Country Divestments:** In accordance with A.R.S. 35-392, Region 10 ESC and Region 10 ESC members are prohibited from purchasing from a company that is in violation of the Export Administration Act. By entering into the contract, contractor warrants compliance with the Export Administration Act.

The undersigned hereby accepts and agrees to comply with all statutory compliance and notice requirements listed in this document.

P.L. 1995, c. 127 (N.J.A.C. 17:27) MANDATORY AFFIRMATIVE ACTION LANGUAGE

PROCUREMENT, PROFESSIONAL AND SERVICE CONTRACTS

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. The contractor will take affirmative action to ensure that such applicants are recruited

and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this non-discrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisement for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation.

The contractor or subcontractor, where applicable, will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to P.L. 1975, c. 127, as amended and supplemented from time to time and the Americans with Disabilities Act.

The contractor or subcontractor agrees to attempt in good faith to employ minority and female workers trade consistent with the applicable county employment goal prescribed by N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time or in accordance with a binding determination of the applicable county employment goals determined by the Affirmative

Action Office pursuant to N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time.

The contractor or subcontractor agrees to inform in writing appropriate recruitment agencies in the area, including employment agencies, placement bureaus, colleges, universities, labor unions, that it does not discriminate on the basis of age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of it testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the state of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

The contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and lay-off to ensure that all such actions are taken without regard to age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and conform with the applicable employment goals, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

## Page 57 of 76

The contractor and its subcontractors shall furnish such reports or other documents to the Affirmative Action Office as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Affirmative Action Office for conducting a compliance investigation pursuant to <u>Subchapter 10 of the Administrative</u> <u>Code (NJAC 17:27)</u>.

Signature of Procurement Agent

## Public Agency Instructions

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. **It is not intended to be provided to contractors.** What follows are instructions on the use of form local units can provide to contractors that are required to disclose political contributions pursuant to <u>N.J.S.A.</u> 19:44A-20.26 (P.L. 2005, c. 271, s.2). Additional information on the process is available in Local Finance Notice 2006-1 (www.nj.gov/dca/lgs/lfns/lfnmenu.shtml).

- 1. The disclosure is required for all contracts in excess of \$17,500 that are **not awarded** pursuant to a "fair and open" process (N.J.S.A. 19:44A-20.7).
- 2. Due to the potential length of some contractor submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. The form is worded to accept this alternate submission. The text should be amended if electronic submission will not be allowed.
- 3. The submission must be **received from the contractor and** on file at least 10 days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.
- 4. The contractor must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that contractors be provided a list of the affected agencies. This will assist contractors in determining the campaign and political committees of the officials and candidates affected by the disclosure.
  - a) The Division has prepared model disclosure forms for each county. They can be downloaded from the "County PCD Forms" link on the Pay-to-Play web site at www.nj.gov/dca/lgs/p2p. They will be updated from time-to-time as necessary.
  - b) A public agency using these forms should edit them to properly reflect the correct legislative district(s). As the forms are county-based, they list all legislative districts in each county. Districts that do not represent the public agency should be removed from the lists.
  - c) Some contractors may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.
  - d) The form may be used "as-is", subject to edits as described herein.
  - e) The "Contractor Instructions" sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.
  - f) The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.
- 5. It is recommended that the contractor also complete a "Stockholder Disclosure Certification." This will assist the local unit in its obligation to ensure that contractor did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the 12 months prior to the contract. (See Local Finance Notice 2006-7 for additional information on this obligation) A sample Certification form is part of this package and the instruction to complete it is included in the Contractor Instructions. NOTE: This section is not applicable to Boards of Education.

## C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

## **Contractor Instructions**

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a "fair and open" process (defined at <u>N.J.S.A.</u> 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (<u>N.J.S.A.</u> 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any State, county, or municipal committee of a political party
- any legislative leadership committee<sup>\*</sup>
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
  - $\circ \quad \text{of the public entity awarding the contract} \\$
  - $\circ \quad$  of that county in which that public entity is located
  - o of another public entity within that county
  - or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county. The disclosure must list reportable contributions to any of the committees that exceed \$300 per election cycle that were made during the 12 months prior to award of the contract. See <u>N.J.S.A.</u> 19:44A-8 and 19:44A-16 for more details on reportable contributions.

<u>N.J.S.A.</u> 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an "interest" ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs). When the business entity is a natural person, "a contribution by that person's spouse or child, residing therewith, shall be deemed to be a contribution by the business entity." [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure. Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report. The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor's responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement. The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor's submission and is disclosable to the public under the Open Public Records Act. The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law.

## NOTE: This section does not apply to Board of Education contracts.

\* <u>N.J.S.A.</u> 19:44A-3(s): "The term "legislative leadership committee" means a committee established, authorized to be established, or designated by the President of the Senate, the Minority Leader of the

Senate, the Speaker of the General Assembly or the Minority Leader of the General Assembly pursuant to section 16 of P.L.1993, c.65 (C.19:44A-10.1) for the purpose of receiving contributions and making expenditures."

## C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM Required Pursuant To N.J.S.A. 19:44A-20.26

This form or its permitted facsimile must be submitted to the local unit no later than 10 days prior to the award of the contract.
