ACTIONABLE HYGIENE CHECKLIST

ALIGNING GP PRO SOLUTIONS WITH OSHA GUIDANCE

v050720

ACTIONABLE HYGIENE CHECKLIST

To assist you in assuring safe and healthful workplaces for all employees, this Actionable Hygiene Checklist aligns GP PRO solutions to OSHA guidance specific to COVID-19.

[CLICK FOR FULL VERSION](#)

Implementations		Action
Basic Infection Prevention Measures		" Promote frequent and thorough hand washing , including by providing workers, customers, and worksite visitors with a place to wash their hands. If soap and running water are not immediately available, provide alcohol-based hand rubs containing at least 60% alcohol."
		"Provide customers and the public with tissues and trash receptacles ."
		"Maintain regular housekeeping practices, including routine cleaning and disinfecting of surfaces , equipment, and other elements of the work environment."
Engineered Workplace Controls		"Installing physical barriers , such as clear plastic sneeze guards".
Safe Workplace Practices		"Providing resources and a work environment that promotes personal hygiene. For example, provide tissues, no-touch trash cans, hand soap , alcohol-based hand rubs containing at least 60 percent alcohol, disinfectants, and disposable towels for workers to clean their work surfaces."
		"Requiring regular hand washing or using of alcohol-based hand rubs. Workers should always wash hands when they are visibly soiled and after removing any PPE."
		" Post handwashing signs in restrooms "
