REQUEST FOR PROPOSALS (RFP) SOURCING ALLIANCE/EQUALIS GROUP: ELECTRIC PICKUP TRUCK & EV CHARGING SOLUTIONS PROGRAMS

SECTION I. GENERAL PURPOSE & TIMEFRAME

1.1 Sourcing Alliance/Equalis Group Overview

This request for proposal (“**RFP**”) is published by the Cooperative Council of Governments (“**CCOG**”) for the purpose of creating a Electric Pickup Truck & EV Charging Solutions program (the “**Program**”) that will be available to current and future members of [Sourcing Alliance](#) & [Equalis Group](#) (the “**Members**”).

Sourcing Alliance/Equalis Group’s purpose is simple: to enable Members to more effectively fulfill their purpose by leveraging group purchasing and procurement expertise to save Members time and money, unleashing financial and human capital to reinvest in providing the best possible service to their constituents, customers, and stakeholders.

CCOG is a Council of Governments is an Ohio political subdivision organized under Chapter 167 of the Ohio Revised Code. CCOG is Sourcing Alliance’s lead public agency and, in that role, conducts formal public sector competitive solicitation processes in compliance with applicable public sector procurement guidelines to select a winning supplier (a “**Winning Supplier**”) to provide products and services to Members. Collaborent Group, Ltd. (“**Collaborent**”) is a management consulting firm that serves as the administrative representative for both CCOG and Sourcing Alliance/Equalis Group. Collaborent manages CCOG’s program development, procurement, supplier relationship, marketing, sales, reporting, and financial activities. Throughout this RFP document, CCOG and Collaborent are collectively referred to as “**Sourcing Alliance**”.

At the conclusion of this RFP process, CCOG will award a contract to the Winning Supplier(s). That group purchasing agreement (the “**Group Purchasing Agreement**”) will be a three-party agreement between a Winning Supplier (as the service provider), CCOG (as the public sector contract holder), and Collaborent (as the Program manager and contract manager). This Group Purchasing Agreement is an already-procured contract vehicle upon which current and prospective Members can “**piggyback**” to purchase products and/or services from a Winning Supplier without having to conduct their own bid or request for proposal process, similar to state term contracts and federal General Services Administration (“**GSA**”) schedules.

The Winning Supplier(s) and Collaborent will also enter into a separate management agreement (the “**Administration Agreement**”) which defines i) the roles and responsibilities of both parties relating to marketing and selling the Program to current and prospective Members, and ii) the financial terms between the parties. The Winning Supplier and Collaborent will work closely together to develop and implement marketing and sales strategies to drive program adoption with current and future Members across the country; there are approximately 94,000 local governments (such as municipalities, counties, and special districts) and educational institutions (K-12 schools, colleges, and universities) eligible to join Sourcing Alliance/Equalis Group and piggyback on Sourcing Alliance’s already-procured contracts.

This Program presents a Winning Supplier with a unique opportunity to accelerate its public sector sales from coast to coast and reduce the cost of its public sector sales efforts. Collaborent will serve in a leadership role to develop and implement marketing and sales strategies, train the Winning Supplier’s sales team in how to effectively utilize the already-procured Group Purchasing Agreement to capture, retain, and grow public sector business, and support Winning Supplier’s actual sales process through collateral development, training, and responding to prospective customers’ questions regarding the procurement process and how the prospects can legally and appropriately buy services from Winning Supplier without having to conduct their own bid or RFP processes.

The Mantra of Every Public Sector Group Purchasing Organization

Like virtually every other nationwide public sector group purchasing organization (“GPO”), Sourcing Alliance/Equalis Group works with a lead public procurement agency (CCOG) that is legally empowered to conduct RFP processes, enter into cooperative purchasing agreements, and make those cooperative purchasing agreements available to public sector organizations such as: municipalities, K-12 school districts, counties, higher education institutions, special districts, and state and federal agencies across the country. Sourcing Alliance/Equalis Group:

- Ensures compliance by following public sector purchasing guidelines to procure cooperative agreements for the products and services Members purchase.
- Leverages Members’ combined buying power to establish better pricing and favorable contract terms from Sourcing Alliance/Equalis Group’s selected supplier partners (“**Supplier Partners**”) than Members can secure on their own.

What does that mean for Members? Members can confidently purchase through Sourcing Alliance/Equalis Group agreements without conducting their own bid/RFP processes to save time and money while remaining in full compliance with applicable procurement laws.

What does that mean for Supplier Partners? **Under applicable state statutes, virtually any public sector entity in the country that joins Sourcing Alliance/Equalis Group can purchase products and services through these Sourcing Alliance/Equalis Group contracts without having to conduct their own RFP or bid process, thereby saving both themselves and Supplier Partners significant time and money.**

Supplier Partner Perspective: How is Sourcing Alliance/Equalis Group Different from Other Public Sector GPOs?

1. Tailor the Right Solution for Each Public Sector Customer with Pricing Flexibility
Our Group Purchasing Agreements are written to empower our Supplier Partners to configure the best solution for each customer through one contract vehicle; we understand that suppliers want the flexibility to develop and price the best solution for each individual customer. Our Group Purchasing Agreements include flexible pricing models that enable Supplier Partners to customize solutions and pricing based on a range of variables (scope of work, account volume, location, service levels, etc.) that affect the Supplier Partner’s cost to provide products and services, and we eliminate “most favored nations” pricing requirements.
2. Cross-sell your Entire Product Line
Sourcing Alliance/Equalis Group’s piggybackable contracts are intentionally designed to incorporate the entire scope of products and services a Supplier Partner offers to its customer base because we understand that fundamental premise of sales: the easiest sale to make is through cross-selling to the customers you have already won. Why sell just one product or service at a time when you can offer public sector customers your entire portfolio?
3. Going to Market with Sourcing Alliance
Sourcing Alliance/Equalis Group’s already-procured Group Purchasing Agreements provide public sector entities nationwide with the opportunity to compliantly buy directly from Sourcing Alliance/Equalis Group’s Supplier Partners without having to conduct a traditional stand-alone bid or RFP. At Sourcing Alliance/Equalis Group, our commitment is to actively engage with our Supplier Partners’ senior leadership and sales organization to grow profitable public sector revenue by:
 - a. **Training Supplier Partners’ sales representatives** on the customizable pricing, terms, and conditions of the Group Purchasing Agreement and how to sell their products and services using an already-procured, piggybackable contract vehicle.
 - b. **Developing sales tools** that will aid in the sales process by addressing common legal and procurement questions so that your sales team can focus on selling your products and services, while our team handles customers’ legal, procurement, and compliance questions.

- c. **Creating, implementing, and managing marketing and sales campaigns** to jointly identified public sector prospects across the country. These campaigns cultivate opportunities for business attraction, retention, and growth, and set the stage for your sales representatives to initiate the sales process with public sector entities for whom the Group Purchasing Agreement is a viable solution.
- d. **Supporting the sales process** by working hand-in-hand with your sales teams throughout the sales cycle. Public sector entities frequently want to validate the legitimacy of the procurement process that established the Group Purchasing Agreement. Additionally, legal counsels often have questions regarding the legal authority of their entity to purchase from Sourcing Alliance/Equalis Group Supplier Partners through our Group Purchasing Agreements. The Sourcing Alliance/Equalis Group team engages with public sector prospects to respond to these types of inquiries and provide the appropriate documentation so your team can focus on designing the right solution for each Member.

1.2 Purpose of this RFP

Sourcing Alliance/Equalis Group is adding two programs to our expanding portfolio of products and services; Electric Pickup Trucks & EV Charging Solutions. The primary goal of this Program is to offer Members an electric pickup truck and a complete line of EV charging solutions that can be customized to meet the unique needs of each Member. Upon the successful conclusion of this RFP process and contract award to the Winning Supplier(s), Sourcing Alliance/Equalis Group will enter into a multi-year Group Purchasing Agreement with the Winning Supplier(s) and Collaborator Group will enter into a coterminous Administration Agreement with the Winning Supplier(s).

Members vary in size (from small townships to large four-year colleges and universities), location (in Ohio, in the Midwest, and across the country), type (from schools to cities to counties to universities to libraries, etc.), and number of locations (from a single building to a campus setting to multiple buildings spread across multiple locations; the largest geographic span of any Member is statewide – there are no interstate “national accounts”).

The electric pickup truck requirements and EV charging solutions capabilities required will vary from Member to Member. Sourcing Alliance/Equalis Group seeks a Supplier Partner who has the demonstrated ability to meet the unique requirements of current and prospective Members nationwide and is committed to growing Program participation and overall revenue. Products, services, and solutions addressed in this RFP includes an all electric pickup truck and EV charging solutions like equipment & hardware, network & software, and services like site assessment, site planning, policy development, engineering, installation, training, support, management, maintenance, and shipping.

In addition to submitting these properly completed and executed attachments, Bidders' proposals must also meet the following Initial Qualifying Criteria. Any proposal not meeting these Initial Qualifying Criteria may be deemed nonresponsive by Sourcing Alliance/Equalis Group in its sole discretion:

- Was Bidder's proposal received by the deadline as specified in **RFP Section 1.3 – Anticipated Procurement Timetable?**
- Did Bidder submit a proposal comprised of a separate Technical Proposal and Cost Proposal as required in **RFP Section 4 – Proposal Format & Submission?**
- Does Bidder's proposal include all required affirmative statements and certifications, signed by Bidder's representative, in **Attachments C and D?**
- Did the Sourcing Alliance/Equalis Group review of the Ohio Auditor of State website verify that Bidder is NOT excluded from contracting with Sourcing Alliance/Equalis Group by **Ohio Revised Code (O.R.C.) § 9.24** as the result of an unresolved finding for recovery?

2.2 Requirements & Proposal Specifications

The requirements and proposal specifications for this Program are detailed in **Attachment A – Technical Proposal Requirements & Specifications**. **Attachment A** is provided to Bidders in an editable Microsoft Word format so that it can easily serve as the base document for Bidders' Technical Proposals. Sourcing Alliance/Equalis Group requires Bidders to incorporate their Technical Proposal responses directly into this document and include referenced attachments separately. Sourcing Alliance/Equalis Group has included the Proposal Score Sheet that will be utilized by the proposal review team (the "Proposal Review Team" or "PRT") to score all Technical and Cost Proposals submitted as **Attachment F – Proposal Score Sheet**.

2.3 Cost Proposal & Acceptable Pricing Formats

All Bidders must submit an **Attachment B – Cost Proposal** using the pricing methodology that best reflects the manner in which pricing will be determined when contracting with Members to provide the goods, services, and solutions included within the scope of your Proposal. As a result, ***no Cost Proposal template will be provided by Sourcing Alliance/Equalis Group*** to complete **Attachment B**. Bidders are required to develop their own **Attachment B** and submit in an Excel workbook using the naming convention, ***RFP – Sourcing Alliance Electric Pickup Truck (Attachment B – Cost Proposal).xlsx*** or ***RFP – Sourcing Alliance EV Charging Solutions (Attachment B – Cost Proposal).xlsx***

Below are details which should be taken into consideration when Bidders are developing their Cost Proposal.

- ***Value to the Members.*** Sourcing Alliance/Equalis Group request that Bidders respond to this RFP only if they are able to offer products and services at lower prices and with better value than what they would ordinarily offer to a single government agency, a school district, or a regional cooperative.

- **Indefinite Quantity.** This RFP requests pricing for an indefinite quantity of products or related services with potential national sales distribution and service.
- **Auditable Pricing.** It is the responsibility of the Bidder to provide a complete Cost Proposal that includes pricing based on a verifiable price list for all products and/or services to be considered part of the final contract offered to the Members. For reference, submit price lists and/or catalogs which your Cost Proposal is derived from in excel or delimited format for verification purposes as part to your Cost Proposal.
- **Total Acquisition Cost.** The pricing included in your Cost Proposal must be able to be used to arrive at an order's project's total acquisition cost. This includes, but is not limited to, the cost of any and all products, parts, equipment, services, labor, shipping, delivery, and other project related costs.
- **Admin Fee.** Pricing shall include the administrative fee.
- **Relevant Information.** All line items included in your Cost Proposal must be described by, but is not limited to, characteristics such as manufacture name, stock or part number, size, or functionality.
- **Cost Plus Pricing is not acceptable as the primary pricing methodology for the solutions provided in your cost proposal.**

Examples of commonly used pricing methodologies are, but are not limited to:

- **Equipment, Parts, and Service Pricing**
 - **Line Item Pricing.** Products or services are individually priced based on a line item discount. For each line item entry Bidders must provide both verifiable price (“**List Price**”) as well as the price which will be offered to the Members (“**Contract Price**”) in their pricing matrix where the Contract Price is calculated by applying the applicable discount to the List Price. The List Price will be the standard “quantity of one” price currently available to government and educational customers.
 - **Percentage Discount from Catalog or Category.** Products, services, and/or solutions associated with a catalog or category are given a specific and uniform percentage discount based on a published List Price (“**Catalog Discount**” or “**Category Discount**”). Individualized percentage discounts can be applied to any number of defined product groupings. All products, parts and services using the Catalog or Category Discount methodology must be individually identified with the category groupings with the List Price and Contract Pricing provided.
 - **R.S. Means or Equivalent Unit Pricing Book.** Items included in the Cost Proposal are calculated by using the R.S. Means or equivalent Unit Pricing Book (“**UPB**”). Pricing must be submitted as a coefficient of the UPB line item pricing. In addition to the coefficient, the published City Cost Index from a UPB will be utilized as a modifier for the specific city or region. State, City or regional pricing is allowed and must be specified for each region in your Cost Proposal. If no specific state, city or region is specified, then pricing submitted will be assumed as available in all 50 states.
- **Labor Pricing**
 - **R.S. Means or Equivalent Unit Pricing Book.** Labor rates included in the Cost Proposal are calculated using R.S. Means or equivalent UPB. Pricing must be submitted as a coefficient of the UPB line item pricing. In addition to the coefficient, the published City Cost Index will be utilized as a modifier for the specific city or region. State, City or regional pricing is allowed and must be specified for each region in your Cost Proposal. If no specific state, city or region is specified, then pricing submitted will be assumed as available in all 50 states.

Unless specified otherwise by the respondent, standard labor hour rates will be calculated from 8:00 AM until 5:00 PM and overtime rates will be calculated for all other hours worked. Recognized holidays which are eligible for overtime rates all day include: New Year's Day, Martin Luther King, Jr. Day, Presidents Day, Memorial Day, Independence Day, Labor Day, General Election Day, Veterans Day, Thanksgiving Day and

Friday after, Christmas Eve and Christmas Day and New Year's Eve. Any deviations to these recognized holidays must be specified as a part of your Cost Proposal.

- **Other Pricing Scenarios**

- ***Alternative Method of Costing.*** Bidders can provide an alternative method of costing to cover any product and/or service not covered by catalog pricing, published price list, line-item price list, automated system of pricing, R.S. Means or is a product and/or service due to the projects or applications specifications, conditions and/or requirements that need to be custom designed, developed, manufactured and/or produced to meet the requirements of an individual project or sole source.
- ***Additional Discounts and Savings.*** A Bidder may disclose the volume requirements and subsequent discounts extended to Members who are able to pool together larger than normal volumes. All other rebate programs or incentives should be describe and quantified as a part of your Cost Proposal.

Note: Cost Proposals will remain sealed and will only be opened and reviewed for those Bidders that meet the Initial Qualifying Criteria and minimum Technical Proposal score threshold as described in **Section 5.1**.

This Group Purchasing Agreement defines a) the terms of the relationship between CCOG, Collaborent, and the Winning Supplier, and b) the terms, conditions, and pricing of electric pickup trucks & EV charging solutions products and services and related capabilities for Members. As described in **RFP Section 3.5 – Contractual Requirements**, Bidders are required to review and mark-up the Group Purchasing Agreement template, which is included as **Attachment E – Equalis Group Model Contract**, and submit that marked up Group Purchasing Agreement template as part of the Technical Proposal.

Collaborent and the Winning Supplier(s) will enter into a separate Administration Agreement, which defines i) the roles and responsibilities of both parties relating to marketing and selling the Program to current and prospective Members, and ii) the financial terms between the parties. Bidders are required to review and mark-up the Administration Agreement template, which is included as **Attachment E – Model Administration Agreement**, and submit that marked up Administration Agreement as part of the Technical Proposal.

- E. A Winning Supplier, and any subcontractor(s), will not use or disclose any information made available to them for any purpose other than to fulfill the contractual duties specified in the RFP. A Winning Supplier, and any subcontractor(s), agrees to be bound by the same standards of confidentiality that apply to the employees and contractors of CCOG and Collaborent. Any violation of confidentiality will constitute a breach of contract and may result in legal action.
- F. As a condition of receiving a contract award from Sourcing Alliance/Equalis Group, a Winning Supplier, and any subcontractor(s), may be required to certify compliance with any court order for the withholding of child support which is issued pursuant to **O.R.C. 3.6 Public Release of Records

Public release of any evaluation or monitoring reports funded under this Program will be made only by Sourcing Alliance/Equalis Group. Prior to public release of such reports, the Sourcing Alliance/Equalis Group must have at least a thirty (30) day period for review and comment.

3.7 Key Personnel

Sourcing Alliance/Equalis Group may require a clause in any Group Purchasing Agreement resulting from this RFP regarding Winning Supplier key personnel in that any person identified as critical to the success of the Program may not be removed without reasonable notice to Sourcing Alliance/Equalis Group, and replacements will not be made without Sourcing Alliance/Equalis Group approval.

3.8 Ethical & Conflict of Interest Requirements

- A. No Bidder or individual, company, or organization seeking a Sourcing Alliance/Equalis Group contract will promise or give to any Sourcing Alliance/Equalis Group employee anything of value that is of such character as to manifest a substantial and improper influence upon the employee with respect to his or her duties;
- B. No Bidder or individual, company, or organization seeking a contract will solicit any Sourcing Alliance/Equalis Group employee to violate any of the conduct requirements for employees;
- C. Any Winning Supplier acting on behalf of Sourcing Alliance/Equalis Group will refrain from activities which could result in violations of ethics and/or conflicts of interest. Any Winning Supplier who violates the requirements and prohibitions defined herein or in **O.R.C. Chapter 102.04** is subject to termination of the Group Purchasing Agreement or refusal by Sourcing Alliance/Equalis Group to enter into the Group Purchasing Agreement; and
- D. Sourcing Alliance/Equalis Group employees who violate **O.R.C. Chapters 102.03, 102.04, 2921.42, or 2921.43** may be prosecuted for criminal violations.

3.9 Health Insurance Portability & Accessibility Act (HIPAA) Requirements

As a condition of receiving a contract award from Sourcing Alliance/Equalis Group, a Winning Supplier, and any subcontractor(s), may be required to comply with **42 U.S.C. Sections 1320d** through **1320d-8**, and to implement regulations at **45 C.F.R. Section 164.502 (e)** and **Sections 164.504 (e)** regarding disclosure of protected health information under the Health Insurance Portability and Accountability Act (HIPAA) of 1996. Protected Health Information (“PHI”) is information received by a Winning Supplier from or on behalf of Sourcing Alliance/Equalis Group and any Member that meets the definition of PHI as defined by HIPAA and the regulations promulgated by the United States Department of Health & Human Services, specifically **45 CFR164.501** and any amendments thereto.

A Winning Supplier may reasonably anticipate HIPAA language in the Group Purchasing Agreement that results from this RFP, if applicable.

In the event of a material breach of Bidder obligations under this section, Sourcing Alliance/Equalis Group may, at its option, terminate the Group Purchasing Agreement according to provisions within the contract for termination.

3.10 Waiver of Minor Proposal Errors

Sourcing Alliance/Equalis Group may, at its sole discretion, waive minor errors or omissions in Bidders’ Technical and/or Cost Proposals when those errors do not unreasonably obscure the meaning of the content or the competitive nature of the proposal submitted in response to this RFP. However, substantial and/or substantive proposal errors that include, but are not limited to, a Bidder’s ability to perform, price points, costs, or other economic indicators and factors that may affect the content or competitive nature of the proposal submitted, or capacity to perform, shall not be waived, and Bidders shall not have the right to withdraw or modify their proposals after such proposal has been submitted and received and the time periods in **RFP Sections 1.3, 1.4, and/or 1.5** have closed.

3.11 Proposal Clarifications

Sourcing Alliance/Equalis Group reserves the right to request clarifications from Bidders to any information in their Technical and/or Cost Proposals, and may request such clarification as the Proposal Review Team deems necessary at any point in the proposal review process.

3.12 Unresolved Findings for Recovery (O.R.C. 9.24)

O.R.C. Chapter 9.24 prohibits Sourcing Alliance/Equalis Group from awarding a contract to any entity against whom the Auditor of State has issued a finding for recovery, if such finding for recovery is “unresolved” at the time of award. By submitting a proposal, a Bidder warrants that it is not now, and will not become, subject to an “unresolved” finding for recovery under **O.R.C. Chapter 9.24** prior to the award of any contract arising out of this RFP, without notifying Sourcing Alliance/Equalis Group of such finding. Sourcing Alliance/Equalis Group will review the Auditor of State’s website to identify each Bidder’s eligibility to enter into a contact with Sourcing Alliance/Equalis Group prior to the evaluations of any proposal submitted pursuant to this RFP. The Proposal Review Team will not evaluate a proposal from any Bidder whose name, or the name of any of the subcontractors proposed by the Bidder, appears on the website of the Auditor of the State of Ohio as having an “unresolved” finding for recovery.

3.13 Mandatory Contract Performance Disclosure

Each proposal must disclose whether Bidder’s performance and/or the performance of any of the proposed subcontractor(s), under contracts for the provision of services that are the same or similar to those to be provided for the Program which is the subject of this RFP has resulted in any “formal claims” for breach of those contracts. For purposes of this disclosure, “**formal claims**” means any claims for breach that have been filed as a lawsuit in any court, submitted for arbitration (whether voluntary or involuntary, binding or not), or assigned to mediation. If any such claims are disclosed, Bidder must fully explain the details of those claims, including the allegations regarding all alleged breaches, any written or legal action resulting from those allegations, and the results of any litigation, arbitration, or mediation regarding those claims, including terms of any settlement. While disclosure of any formal claims will not automatically disqualify Bidder from consideration, at the sole discretion of Sourcing Alliance/Equalis Group, such claims and a review of the background details may result in a rejection of Bidder’s proposal. Sourcing Alliance/Equalis Group will make this decision based on its determination of the seriousness of the claims, the potential impact that the behavior that led to the claims could have on Bidder’s performance of the work, and the best interests of Sourcing Alliance/Equalis Group and Members.

3.14 Mandatory Disclosures of Governmental Investigations

Each proposal must indicate whether Bidder and/or any of the proposed subcontractor(s) has been the subject of any adverse regulatory or adverse administrative governmental action (federal, state, or local) with respect to Bidder’s performance of services similar to those described in this RFP. If any such instances are disclosed, Bidder must fully explain, in detail, the nature of the governmental action, the allegations that led to the governmental action, and the results of the governmental action including any legal action that was taken against supplier by the governmental agency. While disclosure of any governmental action in response to this section will not automatically disqualify Bidder from consideration, at the sole discretion of Sourcing Alliance/Equalis Group, such governmental action and a review of the background details may result in a rejection of Bidder’s proposal. Sourcing Alliance/Equalis Group will make this decision based on its determination of the seriousness of the matter, the matter’s potential impact on Bidder’s performance of the work, and the best interests of the Sourcing Alliance/Equalis Group and Members.

SECTION IV. PROPOSAL FORMAT & SUBMISSION

4.1 Proposal Submission Information

Sourcing Alliance/Equalis Group requires proposal submissions to be submitted electronically via this [Bonfire Link](#). Proposals must be prepared and submitted in accordance with instructions found in this **Section 4**.

Each Bidder's total proposal submissions (both the Technical and Cost Proposals along with any required and voluntarily submitted attachments) must be submitted at this [Bonfire Link](#) no later than **3:00 PM on July 9th, 2020**. Faxes, mailed, overnighted, and emailed submissions will not be accepted.

Bidders' Technical and Cost Proposals must contain all the information and documents specified in **RFP Section 4.2 – Format for Organization of the Proposal**.

All proposals will be valid for a period of ninety (90) days from the date the proposals are received by Sourcing Alliance/Equalis Group. A Bidder seeking to withdraw its proposal from consideration must submit such request in writing directly to Sourcing Alliance/Equalis Group at Sourcing@EqualisGroup.org.

4.2 Format for Organization of the Proposal

A. Technical Proposal Organization

The Proposal Score Sheet that will be utilized by the Proposal Review Team to score each Technical Proposal is provided as **Attachment F – Proposal Score Sheet**. **Bidders are strongly encouraged to utilize the Proposal Score Sheet to check their proposals for quality, compliance, and completeness prior to submission.**

Bidder's Technical Proposal must contain the following components and will be reviewed in the order described below. Any other information thought to be relevant, but not applicable to a specific RFP section number/letter must be provided as an appendix to the proposal. Sourcing Alliance/Equalis Group reserve the right not to review submitted appendices that include information/materials not required in the RFP.

B. Technical Proposal Details

Bidder's Technical Proposal must contain the following components, at minimum. It is mandatory that proposals be organized in the order described in this **RFP Section 4.2 – Format for Organization of the Proposal** and that, wherever appropriate, sections/portions of the proposal make reference by section number/letter to those RFP requirements to which they correspond.

IMPORTANT: any Technical Proposals found to contain any prohibited cost information may be disqualified from consideration at the sole discretion of Sourcing Alliance/Equalis Group. Prohibited cost information is defined as any dollar amounts which Sourcing Alliance/Equalis Group might find indicative of the relative cost or economy of the proposal. However, information on the assets, value, or historical business volume is NOT considered to be such prohibited cost information, and MAY be included in any Bidder's Technical Proposal as information on business capacity and stability. Any prohibited cost information must be submitted with the separate sealed Cost Proposal. The Technical Proposal is defined as any part of Bidder's proposal (either as required by Sourcing Alliance/Equalis Group or included at Bidder's discretion, such as work plan, resumes, letters of recommendation, letters of cooperation from any subcontractors, etc.) which is not specifically identified by Sourcing Alliance/Equalis Group as a required component of the separate sealed Cost Proposal. Should Bidder determine it is important to include any documents containing such prohibited cost information in the Technical Proposal, the cost information in those documents must be made unreadable by Bidder before submission of the proposal. Failure to follow these instructions may result in a determination that Bidder's proposal is nonresponsive to this RFP pursuant to **O.R.C. § 9.321**.

C. Cost Proposal Organization

Bidders should provide their Cost Proposal response in a separate Cost Proposal document (**Attachment B**). **Note:** Cost Proposals will remain sealed and will only be opened and reviewed for those Bidders that meet the Initial Qualifying Criteria and minimum Technical Proposal score threshold as described in **Section 5.1**.

Bidder's Cost Proposal must contain all relevant pricing components ((organized in one (1) Excel Workbook)) as determined by the Bidder. Any other information thought to be relevant, but not applicable to a specific RFP section number/letter must be provided as an appendix to the Cost Proposal. Sourcing Alliance/Equalis Group reserves the right not to review submitted appendices which include information/materials not required in the RFP.

Bidders must organize their Cost Proposals in the following order:
Bidders must present their Cost Proposals in the an organized and easy to identify Excel workbook.

D. Cost Proposal Details

The Cost Proposal must clearly state the specific pricing or pricing structure that Bidder will utilize to charge Members for electric pickup trucks and EV charging solutions capabilities purchased. The Cost Proposal must include a statement that the prices quoted are firm or provide a clearly defined methodology for making price adjustments during the term of the Group Purchasing Agreement. Sourcing Alliance/Equalis Group seeks flexibility in pricing models to enable individual Members to receive electric pickup trucks and EV charging solutions pricing customized to meet their specific requirements; Bidders should address flexibility and customization capabilities in their Cost Proposal.

SECTION V. CRITERIA FOR PROPOSAL EVALUATION & SELECTION

5.1 Scoring of Proposals

Sourcing Alliance/Equalis Group will contract with the Bidder(s) that best demonstrates the ability to meet the requirements specified in this RFP. Proposals will be evaluated based on the capacity and experience demonstrated in Bidder's Technical and Cost Proposals. Proposal scoring will be weighted as described in **Attachment F – Proposal Score Sheet**. All proposals will be reviewed and scored by the Proposal Review Team. Bidders should not assume that the PRT members are familiar with any current or past work activities of Bidders with Sourcing Alliance/Equalis Group. Proposals containing assumptions, lack of sufficient detail, poor organization, lack of proofreading, and unnecessary use of self-promotional claims will be evaluated accordingly.

Selection of a Winning Supplier will be based upon the criteria specified in the Technical and Cost Proposals. Any proposals not meeting the requirements contained in those sections of this RFP will not be scored or may be held pending receipt of required clarifications. The PRT reserves the right to reject any and all proposals, in whole or in part, received in response to this RFP. The review team may waive minor defects that are not material, do not affect the competitive nature of the proposal, and when no prejudice will result to the rights of any supplier or to the public. In scoring the proposals, Sourcing Alliance/Equalis Group will score in three (3) phases:

A. Phase I Review – Initial Qualifying Criteria:

Bidders must complete and provide the following documents. Sourcing Alliance/Equalis Group cannot consider a Bidder's proposal unless these forms are properly completed and submitted as part of the RFP response. These documents should be completed, signed/scanned in [Blue Ink](#) or with certified electronic signatures, and submitted to Sourcing Alliance/Equalis Group as part of Bidder's Technical Proposal package.

- **Attachment C – Required Bidder Information & Certifications**
- **Attachment D – W-9 Form**

In addition to submitting these properly completed and executed documents, Bidder's proposal must also meet the following Initial Qualifying Criteria. Any proposal not meeting these Initial Qualifying Criteria may be deemed nonresponsive by Sourcing Alliance/Equalis Group:

- Was Bidder's proposal received by the deadline as specified in **RFP Section 1.3 – Anticipated Procurement Timetable?**
- Did Bidder submit a proposal comprised of a separate Technical Proposal and Cost Proposal as required in **RFP Section 4 – Proposal Format & Submission?**

- Does Bidder’s proposal include all required affirmative statements and certifications, signed by Bidder’s representative, in **Attachments C** and **D**?
- Did the Sourcing Alliance/Equalis Group’s review of the Ohio Auditor of State website verify that Bidder is NOT excluded from contracting with Sourcing Alliance/Equalis Group by **O.R.C. § 9.24** as the result of an unresolved finding for recovery?

In order to be fully reviewed and scored, proposals submitted must pass the following Phase I Review. **Any “no” for the listed Phase I criteria may eliminate a proposal from further consideration at PRT’s sole discretion.**

B. Phase II Review – Criteria for Scoring the Technical Proposal:

The PRT will then score those Technical Proposals not eliminated in Phase I Review by assessing how well Bidder meets the requirements as specified in **Attachment A** of this RFP. Using the Proposal Score Sheet for Phase II scoring (see **Attachment F** of this RFP for specific evaluation criteria), the PRT will read, review, discuss, and reach consensus on the final technical score for each qualifying Technical Proposal.

A maximum of **100** points will be awarded for the Technical Proposal, weighted as shown in **Attachment F**. A Technical Proposal must achieve a total of at least **50** points (a score which represents that Bidder can successfully perform the resulting contractual duties) out of the possible **100** points to qualify for continued consideration. Any Technical Proposal which does not meet the minimum required Technical Proposal point threshold will be determined nonresponsive to this RFP and the associated sealed Cost Proposal will neither be opened nor considered.

All Phase II Technical Proposal evaluation criteria will be scored according to the following scale, based on the proposal’s ability to meet Sourcing Alliance/Equalis Group’s needs. The Technical Proposal Score Sheet (see **Attachment F**) uses the following scoring values for rating each requirement.

0%	20%	50%	100%
Does Not Meet Requirement	Partially Meets Requirement	Meets Requirement	Exceeds Requirement

Technical Performance Scoring Definitions:

“Does Not Meet Requirement” – a particular RFP requirement was not addressed in Bidder’s proposal. **Score = 0% times the weighted value for that criterion.**

“Partially Meets Requirement” – Bidder’s proposal demonstrates some ability to meet a particular RFP requirement, but that ability falls below acceptable levels. **Score = 20% times the weighted value for that criterion.**

“Meets Requirement” – Bidder’s proposal fulfills a particular RFP requirement in all material respects, potentially with only minor, non-substantial deviation. **Score = 50% times the weighted value for that criterion.**

“Exceeds Requirement” – Bidder’s proposal fulfills a particular RFP requirement in all material respects and offers some additional level of quality in excess of the Sourcing Alliance’s expectations or requirements. **Score = 100% times the weighted value for that criterion.**

IMPORTANT: before submitting a proposal in response to this RFP, Bidders are strongly encouraged to use the Proposal Score Sheet (**Attachment F**) and the above technical performance scoring information to review their proposals for completeness, compliance, and quality.

All Bidders whose Technical Proposals met the minimum scoring threshold will proceed to the next level of review, which is consideration of the sealed Cost Proposal.

C. Phase III Review – Criteria for Considering the Cost Proposal

Sourcing Alliance/Equalis Group will review Cost Proposals to determine the best overall financial value for i) Members, and ii) Sourcing Alliance/Equalis Group. Sourcing Alliance/Equalis Group will take into account pricing for electric pickup trucks and EV charging solutions capabilities any costs or charges associated with service and support, reporting, and additional services proposed. There is a maximum of 100 points available in the evaluation of Cost Proposals.

Sourcing Alliance/Equalis Group may, at its sole discretion, negotiate with all technically qualifying Bidders for revised Cost Proposals.

D. Final Scoring

The total of each Bidder's Technical Proposal and Cost Proposal will be added together to calculate the final points awarded to each Bidder. Sourcing Alliance/Equalis Group will award the contract to the lowest responsive and responsible bidder(s) in accordance with applicable public sector procurement guidelines.

5.2 Review Process Caveats

Negligence on the part of Bidder in preparing its proposal submitted in response to this RFP confers no right of modification or withdrawal of Bidder's proposal after such proposal has been received and the time periods identified in **Sections 1.3, 1.4, and/or 1.6** have closed.

Should Sourcing Alliance/Equalis Group interview Bidders prior to making a final selection, results to interview questions will be scored in a manner similar to the process described in **RFP Section 5.1 – Scoring of Proposals** above. Such scored results may be either added to those Bidder's proposal scores or will replace certain scores at the sole discretion of the PRT. The standards for scoring the interviews and the method used for considering the results of the interviews will be applied consistently for all Bidders participating in the interview process for this RFP. Such communications are not violations of any Communications Prohibition in **RFP Section 1.5 – Communications Prohibited** of this RFP, and are expressly permitted when initiated by Sourcing Alliance/Equalis Group, but are conducted at the sole discretion of Sourcing Alliance/Equalis Group.

Sourcing Alliance/Equalis Group reserves the right to negotiate with Bidders for adjustments to their proposals should Sourcing Alliance/Equalis Group determine, for any reason, to adjust the scope of the Program for which this RFP is released. Such communications are not violations of any Communication Prohibitions in **Section 1.5 – Communications Prohibited** of this RFP, and are expressly permitted when initiated by Sourcing Alliance/Equalis Group, but are initiated at the sole discretion of Sourcing Alliance/Equalis Group. Any Bidder deemed not responsible, or any Bidder submitting a proposal deemed not to be responsive to the terms of this RFP as those terms are defined in **O.R.C. § 9.321**, will not be awarded the contract.

5.3 Final Supplier Recommendation

The PRT will recommend to Sourcing Alliance/Equalis Group as the lowest responsive and responsible Bidder(s) the technically qualified supplier(s) offering the proposal most advantageous to Members, taking into consideration factors such as price and the evaluation of criteria in the Technical Proposal.

5.4 Tie Breaker

In the event that two or more of the proposals have a score which is tied after final calculation of both the Technical Proposal and the Cost Proposal, the proposal with the higher score in the Technical Proposal will prevail unless Sourcing Alliance/Equalis Group, in its sole discretion, chooses to issue multiple awards.

5.5 Contract Award Caveats

Sourcing Alliance/Equalis Group is under no obligation to issue a contract as a result of this solicitation if, in the opinion of Sourcing Alliance/Equalis Group and the PRT, none of the proposals are sufficiently responsive to the objectives and needs of Members or Sourcing Alliance/Equalis Group. Sourcing Alliance/Equalis Group reserves the right to not select any Bidder should Sourcing Alliance/Equalis Group decide not to proceed for any reason. Sourcing Alliance/Equalis Group reserves the right to select multiple Bidders for contract award.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

SECTION VI. RFP PROTEST PROCEDURE

6.1 Protests

Any potential or actual Bidder objecting to the award of a contract resulting from the issuance of this RFP may file a protest of the award of the contract, or any other matter relating to the process of soliciting the proposals. Such a protest must comply with the following guidelines:

- A.** A protest may be filed by a prospective or actual Bidder objecting to the award of a contract resulting from this RFP. The protest must be filed in writing and must contain the following information:
- The name, address, and telephone number of the protestor;

 - A request for a ruling by Sourcing Alliance/Equalis Group;
 - A statement as to the form of relief requested from Sourcing Alliance/Equalis Group; and
 - Any other information the protestor believes to be essential to the determination of the factual and legal questions at issue in the written protest.
- B.** A timely protest will be considered by Sourcing Alliance/Equalis Group if it is received by Sourcing Alliance/Equalis Group within the following periods:
- A protest based on alleged improprieties in the issuance of the RFP or any other event preceding the closing date for receipt of proposals which are apparent or should be apparent prior to the closing date for receipt of proposals will be filed no later than 12:00 PM on the closing date for receipt of proposals, as specified in **RFP Section 1.3 – Anticipated Procurement Timetable**, of this RFP.
 - If the protest relates to the announced intent to award a contract, the protest will be filed no later than 12:00 PM Eastern of the eighth (8th) calendar day after the issuance of the Letter of Intent to Award Contract.
 - An untimely protest may be considered by Sourcing Alliance/Equalis Group if Sourcing Alliance/Equalis Group determines that the protest raises issues significant to Sourcing Alliance/Equalis Group's procurement methodology. An untimely protest is one received by Sourcing Alliance/Equalis Group after the time periods set forth in **Item B** of this section.
 - All protests must be filed at the following location:
Sourcing Alliance/Equalis Group
Attn: David Robbins
6001 Cochran Road, Suite 333
Cleveland, Ohio 44139
 - When a timely protest is filed, a contract award will not proceed until a decision on the protest is issued or the matter is otherwise resolved, unless Sourcing Alliance/Equalis Group determines that a delay will severely disadvantage Members or Sourcing Alliance/Equalis Group. The Bidder(s) who would have been awarded the contract will be notified of the receipt of the protest.
 - Sourcing Alliance/Equalis Group will issue written decisions on all timely protests and will notify any protestor who filed an untimely protest as to whether or not the protest will be considered.

The green cell is included for Bidders to provide any additional information or capabilities relating to that defined requirement. The Supplier Partner or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. The Supplier Partner will take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Supplier Partner agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this non-discrimination clause.

The Supplier Partner or subcontractor, where applicable will, in all solicitations or advertisement for employees placed by or on behalf of the Supplier Partner, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation.

The Supplier Partner or subcontractor, where applicable, will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers' representative of the Supplier Partner's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The Supplier Partner or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to P.L. 1975, c. 127, as amended and supplemented from time to time and the Americans with Disabilities Act.

The Supplier Partner or subcontractor agrees to attempt in good faith to employ minority and female workers trade consistent with the applicable county employment goal prescribed by N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time or in accordance with a binding determination of the applicable county employment goals determined by the Affirmative Action Office pursuant to N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time.

The Supplier Partner or subcontractor agrees to inform in writing appropriate recruitment agencies in the area, including employment agencies, placement bureaus, colleges, universities, labor unions, that it does not discriminate on the basis of age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The Supplier Partner or subcontractor agrees to revise any of its testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the state of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

The Supplier Partner or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and lay-off to ensure that all such actions are taken without regard to age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and conform with the applicable employment goals, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

The Supplier Partner and its subcontractors shall furnish such reports or other documents to the Affirmative Action Office as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Affirmative Action Office for conducting a compliance investigation pursuant to Subchapter 10 of the Administrative Code (NJAC 17:27).

15.4. Political Contribution Disclosure Form

Public Agency Instructions

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. **It is not intended to be provided to Supplier Partners.** What follows are instructions on the use of form local units can provide to Supplier Partners that are required to disclose political contributions pursuant to N.J.S.A. 19:44A-20.26 (P.L. 2005, c. 271, s.2). Additional information on the process is available in Local Finance Notice 2006-1 (www.nj.gov/dca/lgs/lfns/lfmenu.shtml).

1. The disclosure is required for all contracts in excess of seventeen thousand five hundred dollars (\$17,500) that are **not awarded** pursuant to a “fair and open” process (N.J.S.A. 19:44A-20.7).
2. Due to the potential length of some Supplier Partner submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. **The form is worded to accept this alternate submission.** The text should be amended if electronic submission will not be allowed.
3. The submission must be **received from the Supplier Partner and** on file at least ten (10) days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.
4. The Supplier Partner must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that Supplier Partners be provided a list of the affected agencies. This will assist Supplier Partners in determining the campaign and political committees of the officials and candidates affected by the disclosure.
 - a) The Division has prepared model disclosure forms for each county. They can be downloaded from the “County PCD Forms” link on the Pay-to-Play web site at www.nj.gov/dca/lgs/p2p. They will be updated from time-to-time, as necessary.
 - b) A public agency using these forms **should edit them to properly reflect the correct legislative district(s)**. As the forms are county-based, **they list all legislative districts** in each county. **Districts that do not represent the public agency should be removed from the lists.**
 - c) Some Supplier Partners may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.
 - d) The form may be used “as-is”, subject to edits as described herein.

- e) The "Supplier Partner Instructions" sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.
- f) The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.

5. It is recommended that the Supplier Partner also complete a "Stockholder Disclosure Certification." This will assist the local unit in its obligation to ensure that Supplier Partner did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the twelve (12) months prior to the contract. (See Local Finance Notice 2006-7 for additional information on this obligation) A sample Certification form is part of this package and the instruction to complete it is included in the Supplier Partner Instructions. **NOTE: This section is not applicable to Boards of Education.**

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM Supplier Partner Instructions

Supplier Partners receiving contracts from a public agency that are NOT awarded pursuant to a "fair and open" process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that ten (10) days prior to the award of such a contract, the Supplier Partner shall disclose contributions to:

- 1) any State, county, or municipal committee of a political party,
- 2) any legislative leadership committee*
- 3) any continuing political committee (a.k.a., political action committee),
- 4) any candidate committee of a candidate for, or holder of, an elective office:
 - a) of the public entity awarding the contract,
 - b) of that county in which that public entity is located,
 - c) of another public entity within that county,
 - d) or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county. The disclosure must list reportable contributions to any of the committees that exceed three hundred dollars (\$300) per election cycle that were made during the twelve (12) months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- 5) individuals with an "interest" ownership or control of more than ten percent (10%) of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit,
- 6) all principals, partners, officers, or directors of the business entity or their spouses,
- 7) any subsidiaries directly or indirectly controlled by the business entity,
- 8) IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs). When the business entity is a natural person, "a contribution by that person's spouse or child, residing therewith, shall be deemed to be a contribution by the business entity." [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure. Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report. The enclosed list of agencies is provided to assist the Supplier Partner in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the Supplier Partner's responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement. The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the Supplier Partner's submission and is disclosable to the public under the Open Public Records Act. The Supplier Partner must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law.

Commented [DA11]: This Section included to protect all Parties and is mutual.

3.2. **Operational Control.**

(a) **Winning Supplier Control.** As between the Parties, Winning Supplier will have sole and exclusive control over the manner in which Winning Supplier and its employees, subcontractors, and suppliers deliver the Products & Services. Winning Supplier will engage, employ, or subcontract with such individuals or other entities as it may deem necessary in connection therewith, provided, however, that Winning Supplier furnishes the types and quantities of Products & Services specified in **Appendix B** to all Program Participants purchasing Products & Services throughout the Term of this GP Agreement and Winning Supplier executes its roles and responsibilities in accordance with any Customer Agreements. Such individuals will not be considered employees or subcontractors of CCOG, Collaborant, or any Equalis Group Participant, and will be subject to employment or engagement, and discharge, discipline, and control solely and exclusively by Winning Supplier.

(b) **Collaborant Control.** As between the Parties, Collaborant will have sole and exclusive control over the manner in which Collaborant and its parent company, employees, subcontractors, and suppliers perform its responsibilities under this GP Agreement. Collaborant will engage, employ, or subcontract with such individuals or other entities as it may deem necessary in connection therewith, provided, however, that Collaborant executes its roles and responsibilities in accordance with **Appendix F** throughout the Term of this GP Agreement. Such individuals will not be considered employees or subcontractors of CCOG, Winning Supplier, or any Equalis Group Participant, and will be subject to employment or engagement, and discharge, discipline, and control solely and exclusively by Collaborant.

(c) **Taxes.** Except as otherwise specified herein, each Party will be solely responsible for the payment of any and all wages and fringe benefits, local, state, and federal payroll taxes or contribution of taxes for unemployment insurance, pensions, workers' compensation, and other Social Security and related protection with respect to those employees engaged by that Party pursuant to the performance of this GP Agreement. Each Party will make and submit, in its name, all reports and payments required by federal, state, or local laws related to its employees.

3.3. Technical Systems; Intellectual Property. Winning Supplier shall retain title to its proprietary systems and methodologies used in connection with the delivery of Products & Services during the course of this GP Agreement, including, but not limited to, descriptions of the systems or methodologies, document templates, and/or project tools and software, whether owned by Winning Supplier or licensed to Winning Supplier by a third Party and incorporated into any sale of Products & Services ("**Winning Supplier Systems and Methods**"). As needed, Winning Supplier shall grant a limited license to all Program Participants subject to this GP Agreement to use Winning Supplier's Systems & Methods during the Term of this GP Agreement and for the duration of any Customer Agreements established between Winning Supplier and a Participant to purchase Products & Services subject to the terms of this GP Agreement until such Customer Agreements expire or are terminated.

3.4. Non-Solicitation. During the Term of this GP Agreement and for a period of twelve (12) months following the termination or expiration of this GP Agreement, no Party will knowingly solicit, or cause any other person to knowingly solicit, any employees or contractors of another Party who are or were employed or engaged by that other Party during the prior twelve (12) months.

3.5. **Confidentiality.**

(a) **Obligation.** The nature and details of the business relationship covered by this GP Agreement, and the business information regarding the other Party(ies) (the "**Disclosing Party**") to which a Party(ies) (the "**Receiving Party**") may become privy during the Term of this GP Agreement (collectively, the "**Information**") constitute confidential and proprietary information, the disclosure, copying, or distribution of which could result in competitive harm to the Disclosing Party. Each Party agrees to maintain the other Parties' Information in the strictest confidence and agrees not to disclose, copy, or distribute the other Parties'

Commented [DA12]: This Section included to protect Winning Supplier and Collaborant, both of which have operational responsibilities under this GP Agreement, and is mutual. CCOG is not included in this Section because CCOG is serving as the Lead Public Agency and does not have day-to-day operational responsibilities.

Commented [DA13]: This Section included to protect Winning Supplier.

Information, whether orally or in writing, directly or indirectly, in whole or in part, except to those of the Receiving Party's employees, agents, and subcontractors with a need to know the Information. The foregoing will not limit a Receiving Party, for purposes of marketing, from informing actual or potential Equalis Group Participants of the existence of a contractual relationship between the Parties. The Parties further agree that they will require that all of their employees, agents, and subcontractors abide by the terms of these confidentiality obligations. The confidentiality obligations set forth in this Section will continue in effect for the Term of this GP Agreement and for a period of two (2) years after the date this GP Agreement is terminated or expires.

(b) **Exceptions.** Nothing herein will apply to any information (a) which is or becomes generally available to the public other than as a result of a disclosure by a Receiving Party or its representatives, (b) which was available on a non-confidential basis prior to its disclosure by the Disclosing Party or its representatives, (c) which becomes available to a Receiving Party on a non-confidential basis from a source other than the Disclosing Party or its representatives, provided that such source is not known to be subject to any prohibition against transmitting the information, (d) which is disclosed pursuant to an order of court; provided that in the event that proprietary information is disclosed or threatened to be disclosed pursuant to this clause (d), the Receiving Party will give the original Disclosing Party prompt, written Notice, as defined in **Section 3.13**, at the Addresses for Notices set forth in **Appendix A** of such threatened disclosure and the right to defend against such disclosure, at Disclosing Party's expense, and provided further that the original Receiving Party will cooperate reasonably in such defense, or (e) which is subject to a Freedom of Information Act Request or other public records request to which a Party is, or may be, required to respond by applicable law.

3.6. **Indemnification.**

(a) **Winning Supplier Indemnification.** Except as otherwise provided herein and to the extent permitted by law, Winning Supplier shall indemnify, defend, and hold harmless ("**Indemnifying Party**") CCOG and Collaborant, and their respective officers, directors, employees, subcontractors, agents, and all Equalis Group Participants subject to this GP Agreement (the "**Indemnified Party**") from and against any and all liabilities, damages, fines, penalties, costs, claims, interest, and expenses (including costs of defense, settlement, and reasonable attorneys' fees), including any claim arising from environmental health and safety laws or regulations, which are generated by claims, allegations, actions, causes of action, demands, assertions, adjudications, or suits which arise out of damage to or destruction of any property, or bodily injury (including death) suffered by any person including the Indemnified Party ("**Losses**") to the extent they are caused by gross negligence, willful misconduct, noncompliance with applicable laws, or strict products liability of the Indemnifying Party or its agents, employees, and subcontractors. With respect to a claim under this GP Agreement, the liability of the Indemnifying Party is limited to the extent of such Indemnifying Party's gross negligence, willful misconduct, noncompliance with applicable laws, or strict products liability.

(b) **CCOG Indemnification.** Except as otherwise provided herein and to the extent permitted by law, CCOG shall indemnify, defend, and hold harmless ("**Indemnifying Party**") Winning Supplier, its officers, directors, employees, subcontractors, and agents subject to this GP Agreement (the "**Indemnified Party**") from and against any and all liabilities, damages, fines, penalties, costs, claims, interest, and expenses (including costs of defense, settlement, and reasonable attorneys' fees), including any claim arising from environmental health and safety laws or regulations, which are generated by claims, allegations, actions, causes of action, demands, assertions, adjudications, or suits which arise out of damage to or destruction of any property, or bodily injury (including death) suffered by any person including the Indemnified Party ("**Losses**") to the extent they are caused by gross negligence, willful misconduct, or noncompliance with applicable laws of the Indemnifying Party or its agents, employees, and subcontractors. With respect to a claim under this GP Agreement, the liability of the Indemnifying Party is limited to the extent of such Indemnifying Party's gross negligence, willful misconduct, or noncompliance with applicable laws.

Commented [DA16]: This Section included to protect all Parties and is mutual, with the exception of "strict products liability", which only applies to Winning Supplier as the provider of Products & Services.

(c) **Collaborator Indemnification.** Except as otherwise provided herein and to the extent permitted by law, Collaborator shall indemnify, defend, and hold harmless (“**Indemnifying Party**”) Winning Supplier, its officers, directors, employees, subcontractors, and agents subject to this GP Agreement (the “**Indemnified Party**”) from and against any and all liabilities, damages, fines, penalties, costs, claims, interest, and expenses (including costs of defense, settlement and reasonable attorneys’ fees), including any claim arising from environmental health and safety laws or regulations, which are generated by claims, allegations, actions, causes of action, demands, assertions, adjudications, or suits which arise out of damage to or destruction of any property, or bodily injury (including death) suffered by any person including the Indemnified Party (“**Losses**”) to the extent they are caused by gross negligence, willful misconduct, or noncompliance with applicable laws of the Indemnifying Party or its agents, employees, and subcontractors. With respect to a claim under this GP Agreement, the liability of the Indemnifying Party is limited to the extent of such Indemnifying Party’s gross negligence, willful misconduct, or noncompliance with applicable laws.

3.7. Notice & Opportunity to Defend; Limitations & Thresholds.

Commented [DA17]: This Section included to protect all Parties and is mutual.

(a) **Notice; Opportunity.** If any Losses are asserted against an Indemnified Party, such Indemnified Party will notify the Indemnifying Party as promptly as practicable and give it an opportunity to defend the same. The Indemnified Party will reasonably cooperate with the Indemnifying Party in connection with such defense. In the event that the Indemnifying Party in connection with such claim fails to defend against the claim within thirty (30) days after Notice of such claim, the Indemnified Party will be entitled to assume the defense thereof, and the Indemnifying Party will be liable to repay the Indemnified Party entitled to indemnification for all its expenses reasonably incurred in connection with said defense (including reasonable attorneys’ fees and settlement payments) until the Indemnifying Party assumes such defense. The attorneys prosecuting such defense on behalf of a Party must be acceptable to the Indemnified Party, which acceptance will not be unreasonably withheld.

(b) **Liability.** Notwithstanding any other provision of this GP Agreement, indemnity obligations entered into hereunder will be due only to the extent of the Losses actually suffered by an Indemnified Party (i.e., reduced by any offsetting or related asset or service received and any recovery from any third Party). The Indemnifying Party will be subrogated to all rights of the Indemnified Party against any third party with respect to any claim for which indemnity was paid.

3.8. Winning Supplier Insurance. During the Term of this GP Agreement, and for two (2) years following expiration or termination of this GP Agreement, Winning Supplier, at its own expense, shall maintain and shall require that its agents, subcontractors, or suppliers engaged in Winning Supplier’s performance of its duties under this GP Agreement, maintain general liability insurance, property insurance, and automobile insurance (at a minimum, in the amount of \$1,000,000 per occurrence/\$5,000,000 annual aggregate) applicable to any claims, liabilities, damages, costs, or expenses arising out of its performance under this GP Agreement, or any Appendix, and with respect to, or arising out of, Winning Supplier’s provision of Products & Services to Program Participants. CCOG, Collaborator, Equalis Group LLC, and their respective officers, directors, employees, and agents will be named as additional insureds on Winning Supplier’s related insurance policies. All such insurance policies shall incorporate a provision requiring the giving of written Notice, as defined in **Section 3.13**, to CCOG and Collaborator at least thirty (30) days prior to the cancellation, nonrenewal, and/or material modification of any such policies. Winning Supplier shall submit to Collaborator within ten (10) calendar days after the Effective Date of this GP Agreement, and prior to furnishing Products & Services to any Program Participants, valid certificates evidencing the effectiveness of the foregoing insurance policies. Winning Supplier shall provide such valid certificates on an annual basis until the terms of this **Section 3.8** are no longer applicable.

Commented [DA18]: This Section included to protect CCOG, Collaborator, and Program Participants.

3.9. Termination Rights. The Parties shall have the termination rights set forth below.

Commented [DA19]: This Section included to clearly define the circumstances under which this GP Agreement may be terminated.

(a) **Insolvency.** If a petition in bankruptcy is filed by any Party, or if any Party is adjudicated as bankrupt, or if any Party makes a general assignment for the benefit of creditors, or if a receiver is appointed on account of the insolvency of any Party, then the other Parties, without prejudice to any other right or

remedy, may terminate this GP Agreement upon giving at least five (5) business days prior written Notice of such termination.

(b) **Mutual Consent.** This GP Agreement, or any Appendix, may be terminated at any time by the mutual written consent of the Parties.

(c) **Breach.** In the event that any Party commits a material breach of its obligations under this GP Agreement, except for a payment obligation, the non-breaching Party(ies) may provide written Notice describing the material breach to the breaching Party. The breaching Party will have thirty (30) calendar days to cure such breach or provide acceptable reassurance to the non-breaching Party(ies), or, if the Parties agree that a cure or reassurance is not feasible within thirty calendar (30) days, such period of time for cure or satisfactory reassurance as the Parties may agree in writing. If the breach is not cured within such period or if satisfactory reassurance is not accepted by the non-breaching Party(ies) in such period, then the Party(ies) not in breach may terminate this GP Agreement upon ten (10) business days written Notice at the Addresses for Notices set forth in **Appendix A**.

3.10. Effects of Termination. Upon termination of this GP Agreement for any reason, all Customer Agreements entered into with Program Participants shall immediately terminate. Winning Supplier shall immediately cease any sales of Products & Services to any Program Participant under and through the terms of this GP Agreement. Following the date of termination, Winning Supplier shall not be precluded from selling its products and services to individuals, businesses, and entities that were Program Participants when this GP Agreement was in effect either directly or through some other contract vehicle. Following the date of termination, Collaborant shall not be precluded from transitioning individuals, businesses, and entities that were Program Participants when this GP Agreement was in effect to another Group Purchasing Agreement.

3.11. Audit of Winning Supplier. CCOG and Collaborant shall have the right to perform audits, including inspection of books, records, and computer data relevant to Winning Supplier's provision of Products & Services to Program Participants, to ensure that pricing, inventory, quality, process, and business controls are maintained; provided, however, that such inspections and audits will be conducted upon reasonable notice to Winning Supplier and so as not to unreasonably interfere with Winning Supplier's business or operations.

Commented [DA20]: This Section included to protect CCOG, Collaborant, and Program Participants.

3.12. Force Majeure. This GP Agreement will be temporarily suspended during any period to the extent that any Party during that period is unable to carry out its obligations under this GP Agreement or the Appendices by reason of an Act of God or the public enemy, act of terrorism, fire, flood, labor disorder not caused by Winning Supplier, civil commotion, closing of the public highways not caused by Winning Supplier, government interference, government regulations, or any other event or occurrence beyond the reasonable control of the affected Party ("**Event of Force Majeure**"). No Party will have any liability to the other Party(ies) for a delay in performance nor failure to perform to the extent this GP Agreement or any Appendix is so temporarily suspended; provided that nothing contained herein shall apply to payment obligations with respect to obligations which have already been performed under this GP Agreement. If the provision of Products & Services are impeded due to an Event of Force Majeure, then Winning Supplier may apportion the provision of Products & Services among its present and future customers on a fair and reasonable basis after consulting with Collaborant and the Program Participants potentially affected and in a manner that would not reasonably be expected to disproportionately affect Program Participants.

Commented [DA21]: This Section included to protect the Parties and Program Participants.

3.13. Notices. All notices, claims, certificates, requests, demands, and other communications required or permitted hereunder ("**Notice**") must be in writing and will be deemed given to the addresses set forth in **Appendix A** (a) when delivered personally to the recipient, (b) upon delivery by reputable overnight courier service (charges prepaid), or (c) upon delivery or refusal of delivery by certified or registered mail, return receipt requested, and addressed to the intended recipient. The Parties agree that the day-to-day business communications, including notification of a change of address, pricing updates, or revisions to any Appendix, may be made via electronic communication.

Commented [DA22]: This Section allows the Parties to provide Notice under traditional means. However, electronic communication is explicitly allowed for day-to-day business communications.

3.14. Waiver. Other than the rights and obligations with respect to payment provided by this GP Agreement, waiver by any Party(ies) of or the failure of any Party(ies) hereto to enforce at any time its rights with regard to any breach or

Commented [DA23]: This Section included to protect all Parties and is mutual.

failure to comply with any provision of this GP Agreement by the other Party(ies) may not be construed as, or constitute, a continuing waiver of such provision, or a waiver of any other future breach of or failure to comply with the same provision or any other provision of this GP Agreement.

3.15. Governing Law; Invalidity. This GP Agreement shall be construed and enforced in accordance with, and governed by, the laws of the State of Ohio without regard to rules of conflict of laws. If any provision of this GP Agreement is declared unlawful or unenforceable by judicial determination or performance, then the remainder of this GP Agreement shall continue in force as if the invalidated provision did not exist. Any suits filed by any Party pursuant to this GP Agreement shall be brought in a court of competent jurisdiction located in Cuyahoga County, Ohio.

Commented [DA24]: Choice of law for this GP Agreement must be the State of Ohio because CCOG (as the Public Sector Contract Holder) is a political subdivision in Ohio subject to Ohio law.

3.16. Modification. No release, discharge, abandonment, waiver, alteration, or modification of any of the provisions of this GP Agreement, or any of the Appendices incorporated herein, shall be binding upon any Party unless set forth in a writing signed by authorized representatives of the Parties.

Commented [DA25]: This Section included to protect all Parties and is mutual.

3.17. Assignment. This GP Agreement and the rights and obligations hereunder may not be assignable by any Party hereto without the prior written consent of the other Parties, which consent shall not be unreasonably withheld, conditioned, or delayed, provided, however, that Winning Supplier and Collaborator may assign their respective rights and obligations under this GP Agreement without the consent of the other Parties in the event either Winning Supplier or Collaborator shall hereafter effect a corporate reorganization, consolidation, merger, merge into, sell to, or transfer all or substantially all of its properties or assets to another entity. Subject to the preceding sentence, this GP Agreement will be binding upon, inure to the benefit of, and be enforceable by the Parties and their respective successors and assigns. Any instrument purporting to make an assignment in violation of this **Section 3.17** shall be null and void. This GP Agreement may be extended to additional entities affiliated with the Parties upon the mutual agreement of the Parties. No such extension will relieve the extending Party of its rights and obligations under this GP Agreement.

Commented [DA26]: This Section included to protect all Parties and is mutual.

3.18. No Third Party Beneficiaries; Survival of Representations. This GP Agreement is made solely for the benefit of the Parties to it, and no other persons will acquire or have any right under or by virtue of this GP Agreement. Except as otherwise provided herein, all representations, warranties, covenants, and agreements of the Parties shall remain in full force and effect regardless of any termination of this GP Agreement, in whole or in part.

Commented [DA27]: This Section included to protect all Parties and is mutual.

3.19. Entire Agreement. This GP Agreement, together with all attachments, appendices, and exhibits hereto, constitutes the entire agreement between the Parties with respect to the subject matter hereof and supersedes all prior oral or written representations and agreements with regard to the same subject matter. The Parties acknowledge that this GP Agreement has been negotiated and incorporates their collective agreement as to the provisions to be contained herein. Therefore, no presumption will arise giving benefit of interpretation by virtue of authorship of any provision of this GP Agreement, and any ambiguity may not be construed for or against any Party. Winning Supplier's complete RFP response is hereby incorporated into and made part of this GP Agreement.

Commented [DA28]: This Section included to protect all Parties and is mutual.

3.20. Execution in Counterparts. This GP Agreement may be executed in one or more counterparts, each of which will be deemed an original, but all of which will be considered one and the same agreement, and will become a binding agreement when one or more counterparts have been signed by each Party and delivered to the other Parties. For purposes of this GP Agreement, a facsimile or electronic signature will be deemed an original signature.

Commented [DA29]: This Section included to facilitate the execution of this GP Agreement.

3.21. Titles, Headings & Recitals. The Preamble to this GP Agreement is hereby incorporated herein and made part of this GP Agreement. The Recitals stated within this GP Agreement are deemed to be a part of this GP Agreement. The titles and headings of the sections and paragraphs of this GP Agreement are inserted for convenience only and shall not constitute a part hereof or affect in any way the meaning or interpretation of this GP Agreement.

3.22. Mediation; Arbitration.

Commented [DA30]: This Section included to provide a clearly defined dispute resolution process that protects the Parties from potential costs of litigation.

(a) **Mediation.** Any claim or controversy related to or arising out of this GP Agreement, whether in contract or tort ("**Dispute**"), will be resolved on a confidential basis according to the following process, which any Party may initiate by delivering to the other Party(ies) a written Notice describing the Dispute and the

amount involved (“Demand”). After issuance of a Demand, the Parties shall continue to perform all obligations as required under this GP Agreement, notwithstanding the existence of the Dispute. Authorized representatives of the Parties shall meet, whether in person or electronically, within thirty (30) days after receipt of a Demand at a mutually agreed upon time to try to resolve the Dispute by negotiation.

(b) **Unsuccessful Mediation.** If the Dispute remains unresolved forty-five (45) days after the receipt of the Demand, any Party(ies) may start binding arbitration under the Commercial Arbitration Rules of the American Arbitration Association (“AAA”). The arbitration will be before one (1) arbitrator; however, before the selection of the arbitrator, a Party (whose identity will not be revealed to the arbitrators) may require, at its sole additional expense, a three (3) arbitrator panel, of which at least one arbitrator will be an attorney. No statements by, or communications between, the Parties during negotiation or mediation, or both, will be admissible for any purpose in arbitration. The arbitrator(s) will have no authority to award punitive damages or any other monetary relief not measured by the prevailing Party’s(ies’) actual damages (adjustments for time value of money permitted), and will not make any decision inconsistent with the terms and conditions of this GP Agreement. Each Party will bear its internal expenses and attorneys’ fees and expenses.

(c) **Privileged.** The settlement mediation and any arbitration will be compromise negotiations and all offers, promises, conduct, and statements, whether oral or written, made in the course of the mediation or arbitration by any of the Parties, their agents, employees, experts, and attorneys or by the mediator or arbitrator, will be confidential, privileged, and inadmissible for any purpose, including impeachment under Rule 408 of the Federal Rules of Evidence and any applicable federal or state statute, rule, or common law provisions, and in any judicial or arbitration proceeding.

(d) **Joinder.** Any Party(ies) may join any other Party(ies) in the Arbitration Proceeding that any Party(ies) deems necessary to reach a complete adjudication of any Dispute arising under the terms of this GP Agreement and related to the Products & Services furnished to any Participants pursuant to this GP Agreement.

(e) **Other Suits.** Nothing in this **Section 3.22** will preclude any Party’s recourse to a court of competent jurisdiction as defined in **Section 3.15** to: (a) enforce the terms of, or an arbitration under, this **Section 3.22**; (b) seek temporary equitable relief or specific performance necessary to protect its interests; or, (c) recover specific property, including an action in replevin.

3.23. Nondiscrimination & Intimidation.

(a) Winning Supplier expressly agrees that in the hiring of employees for the performance of work or services under this GP Agreement or any subcontract, Winning Supplier, its subcontractors, or any person acting on a Winning Supplier’s or its subcontractor’s behalf shall not discriminate in the hiring of employees by reason of race, creed, sex, disability as defined in **Section 4112.01** of the Ohio Revised Code nor shall it discriminate against any citizen of the State of Ohio in the employment of labor or workers who are qualified and available to perform the Work to which the employment relates.

(b) Winning Supplier expressly agrees that Winning Supplier, any of its subcontractors, or any person on behalf of Winning Supplier or its subcontractors in any manner shall not discriminate against or intimidate any employee hired for the performance of work or services under this GP Agreement on account of race, creed, sex, disability as defined in **Section 4112.01** of the Ohio Revised Code, or color.

(c) Winning Supplier expressly agrees to include the provisions of this **Section 3.23** in each of its written Subcontractor agreements for the Products & Services subject to this GP Agreement.

Commented [DA31]: This Section includes “flow down” requirements applicable to any agreement between CCOG and a third-party vendor under Ohio Revised Code.

APPENDIX A: TERM OF AGREEMENT; NOTICES

1. The Term.

This GP Agreement and the Appendices attached hereto will become effective as of the Effective Date. This GP Agreement will remain in effect for approximately five (5) years and expire on **Month day, year** (the "Termination Date") unless extended or unless otherwise terminated or cancelled as set forth in the GP Agreement (the "Initial Term"). This GP Agreement may be renewed at any time by the mutual written consent of the Parties (each a "Renewal Term") unless this GP Agreement is terminated as set forth herein. The Initial Term together with all Renewal Terms exercised are hereinafter collectively referred to as the "Term."

Commented [DA32]: The definition of the Term and the renewal language allows Winning Supplier, CCOG, and Collaborent tremendous flexibility to maintain a contractual relationship in the public sector space that is working effectively for all Parties, including Equalis Group Participants.

APPENDIX B: PRODUCTS & SERVICES; PRICING

The following terms and conditions will apply to any purchase or utilization of the Products & Services from Winning Supplier. This **Appendix B** may be modified at any time with the mutual written consent of Winning Supplier and Collaborant.

1. **Products & Services**

To be completed following contract award to Winning Supplier based on Winning Supplier's RFP response and subsequent negotiations.

The definition of Products & Services may be amended from time to time upon the mutual written agreement of Winning Supplier and Collaborant.

2. **Pricing for Products & Services**

To be completed following contract award to Winning Supplier based on Winning Supplier's RFP response and subsequent negotiations.

3. **Price Adjustments**

To be completed following contract award to Winning Supplier based on Winning Supplier's RFP response and subsequent negotiations.

Commented [DA34]: This Section is included for Winning Supplier to insert a description of the Products & Services subject to this Agreement. Typically, CCOG and Collaborant work with suppliers to ensure that their entire catalog of products and/or portfolio of services are incorporated in this Agreement to enable Winning Supplier sales representatives to cross-sell Winning Supplier's full suite of offerings to current and future Equalis Group Participants.

Commented [DA35]: CCOG and Collaborant recognize that the suite of offerings made available by Winning Supplier will evolve over time. This language ensures that the definition of Products & Services can be appropriately updated to reflect Winning Supplier's then current suite of offerings available to Equalis Group Participants.

Commented [DA36]: The language in this Section is tailored to the specific Winning Supplier and the suite of offerings subject to this Agreement. Pricing is either embedded in this Appendix or attached and incorporated by reference.

A key element of most Equalis Group contracts is that Winning Suppliers have some degree of pricing flexibility to ensure that Program Participants can receive the best value while recognizing that the specific needs and requirements for each individual Program Participant will likely vary and a one-size-fits all pricing methodology is not optimal.

Commented [DA37]: This Section included to provide a mechanism for updating pricing for Products & Services, whether on an annual or as-needed basis, if appropriate given the Products & Services. Collaborant requires advance notification of proposed price changes for two reasons: 1) to allow time for Collaborant to review and approve such price changes, and 2) to ensure sufficient time is available to proactively communicate price changes to affected Program Participants in advance of those price changes going into effect.

APPENDIX C: WINNING SUPPLIER CUSTOMER AGREEMENTS

This Appendix C may be modified at any time with the mutual written consent of Winning Supplier and Collaborator.

The following documents are hereby incorporated by reference in this GP Agreement pursuant to **Section 2.3** of this GP Agreement:

- **Insert name(s) of Winning Supplier standard Customer Agreement(s) as amended for Program Participants**

Commented [DA38]: This Appendix included to clearly identify the standard Winning Supplier customer agreements (if applicable), as amended by Winning Supplier and Collaborator, that Winning Supplier will utilize with Program Participants subject to this Agreement. These amended customer agreements will be utilized by Winning Supplier sales representatives with all Program Participants and Prospective Participants subject to this Agreement.

This Agreement entered into as of the **Date** of **Month** in the year of **Year**.

Commented [DA1]: Each area of the Administration Agreement template that must be updated when finalizing after contract award is highlighted in **yellow**. Replace the highlighted text with the appropriate information and eliminate the yellow highlight. The easiest way to do that is double click on the highlighted text and simply type in the information – the highlight will disappear.

The foregoing will not limit the Receiving Party, for purposes of marketing, from informing actual or potential Equalis Group Participants of the existence of a contractual relationship between the Parties. The Parties further agree that they will require that all of their employees, agents, and subcontractors abide by the terms of these confidentiality obligations. The confidentiality obligations set forth in this **Section 3.4 (a)** will continue in effect for the Term of this Agreement and for a period of two (2) years after the date this Agreement is terminated or expires.

(b) **Exceptions.** Nothing herein will apply to any information (a) which is or becomes generally available to the public other than as a result of a disclosure by a Receiving Party or its representatives, (b) which was available on a non-confidential basis prior to its disclosure by the Disclosing Party or its representatives, (c) which becomes available to a Receiving Party on a non-confidential basis from a source other than the Disclosing Party or its representatives, provided that such source is not known to be subject to any prohibition against transmitting the information, (d) which is disclosed pursuant to an order of court; provided that in the event that proprietary information is disclosed or threatened to be disclosed pursuant to this clause (d), the Receiving Party will give the Disclosing Party prompt, written Notice, as defined in **Section 3.11**, at the Addresses for Notices set forth in **Appendix A** of such threatened disclosure and the right to defend against such disclosure, at Disclosing Party's expense, and provided further that the original Receiving Party will cooperate reasonably in such defense, or (e) which is subject to a Freedom of Information Act Request or other public records request to which a Party is, or may be, required to respond by applicable law.

(a) **Winning Supplier Indemnification.** Except as otherwise provided herein and to the extent permitted by law, Winning Supplier shall indemnify, defend, and hold harmless ("**Indemnifying Party**") Equalis, and its officers, directors, employees, subcontractors, agents, and all Equalis Group Participants subject to this Agreement (the "**Indemnified Party**") from and against any and all liabilities, damages, fines, penalties, costs, claims, interest, and expenses (including costs of defense, settlement, and reasonable attorneys' fees), including any claim arising from environmental health and safety laws or regulations, which are generated by claims, allegations, actions, causes of action, demands, assertions, adjudications, or suits

which arise out of damage to or destruction of any property, or bodily injury (including death) suffered by any person including the Indemnified Party (“Losses”) to the extent they are caused by gross negligence, willful misconduct, noncompliance with applicable laws, or strict products liability of the Indemnifying Party or its agents, employees, and subcontractors. With respect to a claim under this Agreement, the liability of the Indemnifying Party is limited to the extent of such Indemnifying Party’s gross negligence, willful misconduct, noncompliance with applicable laws, or strict products liability.

With respect to a claim under this Agreement, the liability of the Indemnifying Party is limited to the extent of such Indemnifying Party’s gross negligence, willful misconduct, or noncompliance with applicable laws.

3.6. Notice & Opportunity to Defend; Limitations & Thresholds.

Commented [DA18]: This Section included to protect both Parties and is mutual.

(a) **Notice; Opportunity.** If any Losses are asserted against an Indemnified Party, such Indemnified Party will notify the Indemnifying Party as promptly as practicable and give it an opportunity to defend the same. The Indemnified Party will reasonably cooperate with the Indemnifying Party in connection with such defense. In the event that the Indemnifying Party in connection with such claim fails to defend against the claim within thirty (30) days after Notice of such claim, the Indemnified Party will be entitled to assume the defense thereof, and the Indemnifying Party will be liable to repay the Indemnified Party entitled to indemnification for all its expenses reasonably incurred in connection with said defense (including reasonable attorneys’ fees and settlement payments) until the Indemnifying Party assumes such defense. The attorneys prosecuting such defense on behalf of a Party must be acceptable to the Indemnified Party, which acceptance will not be unreasonably withheld.

(b) **Liability.** Notwithstanding any other provision of this Agreement, indemnity obligations entered into hereunder will be due only to the extent of the Losses actually suffered by an Indemnified Party (i.e., reduced by any offsetting or related asset or service received and any recovery from any third Party). The Indemnifying Party will be subrogated to all rights of the Indemnified Party against any third party with respect to any claim for which indemnity was paid.

3.7. Termination Rights. This Agreement shall only be terminated if the GP Agreement is terminated.

Commented [DA19]: This Agreement may only be terminated if the GP Agreement is terminated.

3.8. Effects of Termination.

3.9. Audit of Winning Supplier. Equalis shall have the right to perform audits, including inspection of books, records, and computer data relevant to Winning Supplier's provision of Products & Services to Program Participants and payment of Administrative Fees (as defined in **Appendix E**) to Equalis, to ensure that pricing, inventory, quality, process, and business controls are maintained; provided, however, that such inspections and audits will be conducted upon reasonable notice to Winning Supplier and so as not to unreasonably interfere with Winning Supplier's business or operations.

3.12. Waiver. Other than the rights and obligations with respect to payment provided by this Agreement, waiver by either Party or the failure of either Party hereto to enforce at any time its rights with regard to any breach or failure to comply with any provision of this Agreement by the other Party may not be construed as, or constitute, a continuing waiver of such provision, or a waiver of any other future breach of or failure to comply with the same provision or any other provision of this Agreement.

Commented [DA21]: This Section ensures that Equalis and CCOG continue to participate in ongoing Winning Supplier revenue streams generated through customer agreements or customer relationships that i) were established using the GP Agreement as a contract vehicle, and ii) extend beyond the Term of the GP Agreement. The Parties acknowledge that this Agreement has been negotiated and incorporates their collective agreement as to the provisions to be contained herein. Therefore, no presumption will arise giving benefit of interpretation by virtue of authorship of any provision of this Agreement, and any ambiguity may not be construed for or against any Party.

Commented [DA31]: This Section included to protect both Parties and is mutual.

3.18. Execution in Counterparts. This Agreement may be executed in one or more counterparts, each of which will be deemed an original, but all of which will be considered one and the same agreement, and will become a binding agreement when one or more counterparts have been signed by each Party and delivered to the other Party.
