## Phase II Review - Scoring of Technical Proposal

The Proposal Review Team will only score the Technical Proposals of Bidders who meet the Initial Qualifying Criteria.

A Technical Proposal's total Phase II points will be calculated as the sum of the score for each evaluation criteria times the weighting for that criteria. Equalis Group has established a total of 200 available points. Technical Proposals which do not meet or exceed a total point value of at least 100 points out of a maximum of 200 points will be disqualified from further consideration, and that Bidder's Cost Proposal will not be considered by Equalis Group. Only those Bidders whose Technical Proposals receive a score that meets or exceeds the minimum required 100 Technical Proposal points will advance to Phase III of the evaluation process.
