Pricing

Doug Cloutier, Sep 22, 2020 11:08 AM CDT

Please clarify that the pricing for the executed agreement will ONLY be the 'not to exceed' bill rate as calculated in Column I of Attachment B.

Clint Pechacek, Sep 29, 2020 9:02 AM CDT

The not-to-exceed price will be the markup given in columns E and F. The pricing in columns I and J are examples only to show what the markup would result in given a \$100 base pay rate.

Pricing

Doug Cloutier, Sep 22, 2020 11:09 AM CDT

Are we providing the pricing by job title, 'not to exceed' bill rate, and by State, or is there additional information required (e.g. markup)?

Clint Pechacek, Sep 29, 2020 9:00 AM CDT

Please see Attachment B, markup and overtime markup are required.

Number of Each Position

Natasha Taylor, Sep 21, 2020 9:01 AM CDT

How many of each position do you expect for estimating?

Clint Pechacek, Sep 29, 2020 8:09 AM CDT

This is a contract for indefinite Quantity and Indefinite Delivery. We cannot give an estimate, as this contract will potentially be available nationally.

Not To Exceed

Natasha Taylor, Sep 21, 2020 7:26 PM CDT

What is the limit of price that you are looking for not to exceed?

Clint Pechacek, Sep 29, 2020 9:03 AM CDT

The not-to-exceed price is to be proposed by the vendors. Region 10 does not put limits on pricing, however this is a competitive proposal and lower not-to-exceed pricing will generally result in a higher Products/Pricing score.

Question - multiple entitites

Jennifer Mangan, Sep 21, 2020 2:02 PM CDT

The ESS family of companies serves Partner Districts in 29 states across the Nation. Through our company entities we would like to be able to serve Equalis member districts all across the country. To this end how would you like to for us to delineate all of our entities in our response to this RFP so that they could all be included if we are fortunate enough to be awarded?

Clint Pechacek, Sep 29, 2020 8:08 AM CDT

It is up to the vendor to determine how best to represent their company structure within the response to the RFP. Without knowledge of the company structure, Region 10 cannot advise vendors on how to respond.

D. GENERAL TERMS AND INSTRUCTIONS TO RESPONDENTS > II. Proposal Format > "Responses should be consolidated into one PDF file for the RFP response, one PDF file for the Attachment A (Equalis Group Exhibits) response and one Excel file for the Attachment B (pricing) response." It's our understanding that we need to submit our proposal in three (3) parts: 1) one PDF file for the RFP response; 2) one PDF file for the Attachment A (Equalis Group Exhibits); 3) one Excel file for the Attachment B (pricing). However, the portal does not have any tab for uploading PDF file for the Attachment A (Equalis Group Exhibits). Should we include Attachment A (Equalis Group Exhibits) in our RFP response (part 1)?

Clint Pechacek, Sep 29, 2020 8:06 AM CDT

The first page of Attachment A should be included in the RFP response (part 1).

Clarification Questions

Alok Bhardwaj, Sep 17, 2020 2:55 PM CDT

• How many current members / contract users does Equalis/Region 10 have who have purchased products or services from any of the Co-Op contracts that are already in place? • Would companies awarded contracts through this solicitation have access to lists of organizations who currently make purchases through other Equalis/Region 10 contracts to support our marketing of the contract that might result from this solicitation?

Clint Pechacek, Sep 29, 2020 8:12 AM CDT

Equalis does not make purchaser/membership lists publicly available. Yes, awarded vendors may request membership lists from Equalis.
