# Questions and Answers

## Collins Bus Corporation/REV Group

### Single Rear Wheel Units

*John A Ley, Jr., Oct 22, 2020 8:42 AM CDT*

In reference to No Single Rear Wheeled vehicles allowed. Is there a way or place where we can submit pricing for single rear wheeled School and MFSAB units in both ambulatory and special needs configurations. We understand that these units are not allowed by Texas State specifications, however this bid has multiple state opportunities that do allow for single rear wheel units. We are requesting a section to allow for pricing for these units.

*Clint Pechacek, Oct 22, 2020 11:13 AM CDT*

These units as well as other configurations and products and services not specifically requested in the scope ay be offered in the Value Add section. Pricing should also be included in the excel pricing worksheet for any value added products and services offered.

## The Lion Electric Co.

### The Lion Electric Co questions

*Laurence Bedard, Oct 22, 2020 2:45 PM CDT*

To Whom it may concern, The Lion Electric Co. is requiring some clarifications regarding certain conditions specified by the RFP You are asking to provide a copy of all current license, registrations and certifications issued by federal, state and local agencies allowing Respondent to perform the covered service. Can you please specify exactly what licenses, registrations and certifications are required? You ask that our organization agrees to provide its company logo to Region 10 ESC and that we provide permission for reproduction of such logo in marketing communications and promotions. We would like to approve any marketing communications and promotions before it is released, is it possible to add language to that effect? You are requesting that a non-collusion affidavit be signed, but it looks that it has to be signed in the State of New Jersey. Can you provide some explanations on who needs to sign that affidavit and why in the

State of New Jersey? Thank you so much, The Lion Electric team

*Clint Pechacek, Oct 26, 2020 8:11 AM CDT*

1. Vendors are to provide all relevant licenses, registrations, and certifications issued by federal and state agencies that pertain to the scope of this RFP, including the sale buses and bus parts in any state in which the vendor intends to do business under this contract. 2. Vendors are able to submit exceptions. Refer to page 66 of the RFP. 3. This is a requirement for doing business in the State of New Jersey. The form should be signed by whomever at your company is authorized to sign on behalf of your company and notarized by a New Jersey Notary.
