REQUEST FOR PROPOSALS (RFP) EQUALIS GROUP: RECORDS MANAGEMENT, SHREDDING, STORAGE & DESTRUCTION WITH RELATED SERVICES & SOLUTIONS PROGRAM

SECTION I. GENERAL PURPOSE & TIMEFRAME

1.1 Equalis Group Overview

This request for proposal (“RFP”) is published by the Cooperative Council of Governments (“CCOG”) for the purpose of creating a records management, shredding, storage, and destruction with related services and solutions program (the “Program”) that will be available to current and future members of [Equalis Group](#) (the “Members”).

Equalis Group is a public sector cooperative whose purpose is simple: to enable Members to more effectively fulfill their purpose by leveraging cooperative purchasing and procurement expertise to save Members time and money, unleashing financial and human capital to reinvest in providing the best possible service to their constituents, customers, and stakeholders.

CCOG is a Council of Governments and Ohio political subdivision organized under Chapter 167 of the Ohio Revised Code. CCOG is an Equalis Group lead public agency and, in that role, conducts formal public sector competitive solicitation processes in compliance with applicable public sector procurement guidelines to select a winning supplier (a “Winning Supplier”) to provide products and services to Members.

At the conclusion of this RFP process, CCOG will award a contract to the Winning Supplier. That master cooperative purchasing agreement (the “Master Agreement”) will be a three-party agreement between the Winning Supplier (as the product and service provider), CCOG (as the public sector contract holder), and Equalis Group LLC (as the Program manager and contract manager). This Master Agreement is an already-procured contract vehicle through which current and prospective Members can “piggyback” to purchase products and/or services from a Winning Supplier without having to conduct their own bid or request for proposal process, similar to state term contracts and federal General Services Administration (“GSA”) schedules.

The Winning Supplier and Equalis Group LLC will also enter into a separate management agreement (the “Administration Agreement”) which defines i) the roles and responsibilities of both parties relating to marketing and selling the Program to current and prospective Members, and ii) the financial terms between the parties. The Winning Supplier and Equalis Group LLC will work closely together to develop and implement marketing and sales strategies to drive program adoption with current and future Members across the country; there are approximately 94,000 local governments (such as municipalities, counties, and special districts) and educational institutions (K-12 schools, colleges, and universities) eligible to join Equalis Group and piggyback on Equalis Group’s already-procured contracts.

This Program presents a Winning Supplier with a unique opportunity to accelerate its public sector sales nationwide and reduce the cost of its public sector sales efforts. Equalis Group, LLC will serve in a leadership role to i) develop and implement marketing and sales strategies, ii) train the Winning Supplier’s sales team in how to effectively utilize the already-procured Master Agreement to capture, retain, and grow public sector business, and iii) support Winning Supplier’s actual sales process through collateral development, training, and responding to prospective customers’ questions regarding the procurement process and how the prospects can legally and appropriately buy services from Winning Supplier without having to conduct their own bid or RFP processes.

The Mantra of Every Public Sector Cooperative

Like virtually every other nationwide public sector cooperative purchasing organization (“**Cooperative**”), Equalis Group works with lead public agencies such as CCOG that are legally empowered to conduct RFP processes, enter into Master Agreements, and make those Master Agreements available to public sector organizations such as: municipalities, K-12 school districts, counties, higher education institutions, special districts, and state and federal agencies across the country. In conjunction with its lead public agencies, Equalis Group:

- Ensures public sector procurement compliance by following public sector purchasing guidelines to procure Master Agreements for the products and services Members purchase; and,
- Leverages Members’ combined buying power to establish better pricing and favorable contract terms from Equalis Group’s selected supplier partners (“**Supplier Partners**”) than Members can achieve operating on their own.

What does that mean for Members? Members can confidently purchase through Equalis Group Master Agreements without conducting their own bid/RFP processes to save time and money while remaining in full compliance with applicable procurement laws.

What does that mean for Supplier Partners? *Under applicable state statutes, virtually any public sector entity in the country that joins Equalis Group can purchase products and services through Equalis Group Master Agreements without having to conduct their own RFP or bid process, thereby saving both themselves and Supplier Partners significant time and money.*

Supplier Partner Perspective: How is Equalis Group Different from Other Public Sector Cooperatives?

1. *Tailor the Right Solution for Each Public Sector Customer with Pricing Flexibility*

Our Master Agreements are written to empower our Supplier Partners to configure the best solution for each Member through one contract vehicle; we understand that suppliers want the flexibility to develop and price the best solution for each individual customer. Our Master Agreements include flexible pricing models that enable Supplier Partners to customize solutions and pricing based on a range of variables (scope of work, account volume, location, service levels, etc.) that affect the Supplier Partner’s cost to provide products and services, and we eliminate “most favored nations” pricing requirements.

2. *Cross-sell your Entire Product Line*

Equalis Group’s piggybackable Master Agreements are intentionally designed to incorporate the entire scope of products and services a Supplier Partner offers to its customer base because we understand that fundamental premise of sales: the easiest sale to make is through cross-selling to the customers you have already won. Why sell just one product or service at a time when you can offer public sector customers your entire portfolio?

3. *Going to Market with Equalis Group*

Equalis Group’s already-procured Master Agreements provide public sector entities nationwide with the opportunity to compliantly buy directly from Equalis Group’s Supplier Partners without having to conduct a traditional stand-alone bid or RFP. At Equalis Group, our commitment is to actively engage with our Supplier Partners’ senior leadership and sales organization to grow profitable public sector revenue by:

- a. **Training Supplier Partners’ sales representatives** on the customizable pricing, terms, and conditions of the Master Agreement and how to sell their products and services using an already-procured, piggybackable contract vehicle.
- b. **Developing sales tools** that will aid in the sales process by addressing common legal and procurement questions so that your sales team can focus on selling your products and services, while our team handles customers’ legal, procurement, and compliance questions.
- c. **Creating, implementing, and managing marketing and sales campaigns** to jointly identified public sector prospects across the country. These campaigns cultivate opportunities for business attraction,

retention, and growth, and set the stage for your sales representatives to initiate the sales process with public sector entities for whom the Master Agreement is a viable solution.

- d. **Supporting the sales process** by working hand-in-hand with your sales teams throughout the sales cycle. Public sector entities frequently want to validate the legitimacy of the procurement process that established the Master Agreement. Additionally, legal counsels often have questions regarding the legal authority of their entity to purchase from Equalis Group Supplier Partners through our Master Agreements. The Equalis Group team engages with public sector prospects to respond to these types of inquiries and provide the appropriate documentation so your team can focus on designing the right solution for each Member.

SECTION II. RFP REQUIREMENTS & PRICING

2.1 Initial Qualifying Criteria

All Bidders must complete and provide executed originals of the following documents. CCOG cannot consider a Bidder's proposal unless these forms are properly completed and submitted as part of the RFP response. These documents should be completed signed and scanned with [Blue Ink](#) or with certified electronic signatures and submitted to CCOG through this [Bonfire Link](#) as part of the Bidder's Technical Proposal package.

- **Attachment C – Required Bidder Information & Certifications**
- **Attachment D – W-9 Form**

In addition to submitting these properly completed and executed attachments, Bidders' proposals must also meet the following Initial Qualifying Criteria. Any proposal not meeting these Initial Qualifying Criteria may be deemed nonresponsive by CCOG in its sole discretion:

- Was Bidder's proposal received by the deadline as specified in **Section 1.3 – Anticipated Procurement Timetable?**
- Did Bidder submit a proposal comprised of a separate Technical Proposal and Cost Proposal as required in **Section 4 – Proposal Format & Submission?**
- Does Bidder's proposal include all required affirmative statements and certifications, signed by Bidder's representative, in **Attachments C and D?**
- Did the CCOG review of the Ohio Auditor of State website verify that Bidder is NOT excluded from contracting with CCOG by **Ohio Revised Code (O.R.C.) § 9.24** as the result of an unresolved finding for recovery?

2.2 Requirements & Proposal Specifications

The requirements and proposal specifications for this Program are detailed in **Attachment A – Technical Proposal Requirements & Specifications**. **Attachment A** is provided to Bidders in an editable Microsoft Word format so that it can easily serve as the base document for Bidders' Technical Proposals. CCOG requires Bidders to incorporate their Technical Proposal responses directly into this document and include referenced attachments separately. CCOG has included the Proposal Score Sheet that will be utilized by the proposal review team (the "Proposal Review Team" or "PRT") to score all Technical and Cost Proposals submitted as **Attachment F – Proposal Score Sheet**.

2.3 Cost Proposal & Acceptable Pricing Formats

All Bidders must complete and submit an **Attachment B – Cost Proposal** using the pricing methodology that best reflects the manner in which pricing will be determined when contracting with Members to provide the goods, services, and solutions included within the scope of your Proposal. The products, services, and solutions priced in **Attachment B** will be used to define the products, services, and solutions Bidders are offering Equalis Group Members. If Bidder offers products, services, and solutions that are free of charge include those in your Cost Proposal with a zero dollar value otherwise it will not be considered a part of your Proposal and cannot be offered to Members through the awarded contract.

A template for **Attachment B** has been included in the bid package which can be used as the base document for Bidder's Cost Proposal. **IMPORTANT:** Bidders are not required to use the template provided and have the freedom to develop their own **Attachment B**. The completed Cost Proposal must be submitted in an Excel workbook using the naming convention, ***RFP – CCOG Records Management (Attachment B – Cost Proposal).xlsx***.

The Cost Proposal must include the following:

- ***Cost Proposal Questionnaire***. Include the answers to these questions.

- 1) Provide a narrative description of your pricing model identifying how the model works. Describe how the proposed pricing model is able to be audited by public sector agencies to ensure they are receiving contract pricing.
 - 2) Which statement best describe the pricing included in your Cost Proposal?
 - a. The same as typically offered to an individual municipality, higher education institution, or school district.
 - b. The same as typically offered to group purchasing organizations, cooperative purchasing organizations, or state purchasing departments.
 - c. Better than what is offered to group purchasing organizations, cooperative purchasing organizations, or state purchasing departments.
 - d. Other, please describe.
 - 3) Describe any quantity or volume discounts or rebate programs included in your Cost Proposal.
 - 4) Propose a pricing methodology as it relates to pricing for Open Market Items.  - 5) Describe how costs associated with freight, shipping, and delivery are calculated.
- **Contract Pricing.** The pricing for the products, services, solutions you are offering Equalis Group Members.

Below are details which should be taken into consideration when Bidders are developing their Cost Proposal:

- **Value to the Members.** CCOG requests that Bidders respond to this RFP only if they are able to offer products and services at lower prices and with better value than what they would ordinarily offer to a single government agency, educational institution, or regional cooperative.
- **Indefinite Quantity.** This RFP requests pricing for an indefinite quantity of products or related services with national sales distribution and service.
- **Auditable Pricing.** It is the responsibility of the Bidder to provide a complete Cost Proposal that includes pricing based on a verifiable pricing methodology for all products and/or services to be considered part of the final Master Agreement offered to the Members. For reference, submit price lists and/or catalogs from which your Cost Proposal is derived in Excel or delimited format for verification purposes as part to your Cost Proposal.
- **Total Acquisition Cost.** The pricing included in your Cost Proposal must be able to be used to arrive at an order or project's total acquisition cost. This includes, but is not limited to, the cost of any and all products, parts, equipment, services, labor, shipping, delivery, and other project related costs.
- **Administrative Fee.** Pricing provided shall incorporate the administrative fee paid to Equalis Group, LLC.
- **Relevant Information.** All line items included in your Cost Proposal must be described by, but not limited to, characteristics such as manufacture name, stock or part number, size, or functionality.
- **Discounts.** Multiple percentage discount structures are acceptable.
- **Cost Plus Pricing is not acceptable as the primary pricing methodology for the solutions provided in your Cost Proposal.**

Examples of commonly used pricing methodologies include, but are not limited to:

- **Products, Equipment, Parts, Supplies and Service Pricing**
 - **Line Item Pricing.** Products and services are individually priced based on a line item discount. For each line item entry, Bidders must provide both verifiable price ("List Price") as well as the price which will be offered to the Members ("Contract Price") in their pricing model where the Contract Price is calculated by applying the applicable discount to the List Price. The List Price will be the standard "quantity of one" price currently available to government and educational customers.

- **Percentage Discount from Catalog or Category.** Products, services, and/or solutions associated with a catalog or category are given a specific and uniform percentage discount based on a published List Price (“**Catalog Discount**” or “**Category Discount**”). Individualized percentage discounts can be applied to any number of defined product groupings. The types of products, parts, and services using the Catalog or Category Discount methodology must be identified with the category groupings with the List Price and Contract Pricing provided.
- **Other Pricing Scenarios**
 - **Not-To-Exceed Pricing.** Use any pricing methodology of your choosing to arrive at the Not-To-Exceed Price of the products, services, and solutions included in the Cost Proposal. Provide further detail by identifying specific factors that may lead to lower pricing including, but not limited to, volume, scope of work, order frequency, or packaging of products & services.
 - **Open Market Items.** Bidders can provide an alternative method of costing to cover any product and/or service not covered by catalog pricing, published price list, line-item price list, automated system of pricing, R.S. Means, or that needs to be custom designed, developed, manufactured, and/or produced to meet the requirements of an individual project or sole source due to the project’s or application’s specifications, conditions, and/or requirements. (“**Open Market Items**”)
 - **Additional Discounts and Savings.** A Bidder may disclose the volume requirements and subsequent discounts extended to Members who purchase larger than normal volumes. All other rebate programs or incentives should be described and quantified as a part of your Cost Proposal.

NOTE: Cost Proposals will remain sealed and will only be opened and reviewed for those Bidders that meet the Initial Qualifying Criteria and minimum Technical Proposal score threshold as described in **Section 5.1**.

2.4 Model Contracts

CCOG and Equalis Group, LLC will enter into a Master Agreement with the Winning Supplier. This Master Agreement defines a) the terms of the relationship between CCOG, Equalis Group, LLC, and the Winning Supplier, and b) the terms, conditions, and pricing of records management, shredding, storage & destruction products and services and related capabilities for Members. As described in **Section 3.5 – Contractual Requirements**, Bidders are required to review and mark-up the Master Agreement template, which is included as **Attachment E – Model Master Agreement**, and submit that marked up Master Agreement template as part of Bidder’s Initial Qualifying Criteria.

Equalis Group, LLC and the Winning Supplier will enter into a separate Administration Agreement, which defines i) the roles and responsibilities of both parties relating to marketing and selling the Program to current and prospective Members, and ii) the financial terms between the parties. Bidders are required to review and mark-up the Administration Agreement template, which is included as **Attachment E – Model Administration Agreement**, and submit that marked up Administration Agreement as part of Bidder’s Initial Qualifying Criteria.

- E. Winning Supplier and any subcontractor(s) will not use or disclose any information made available to them for any purpose other than to fulfill the contractual duties specified in the RFP. Winning Supplier and any subcontractor(s) agree to be bound by the same standards of confidentiality that apply to the employees and contractors of CCOG and Equalis Group, LLC. Any violation of confidentiality will constitute a breach of contract and may result in legal action.
- F. As a condition of receiving a contract award from CCOG, Winning Supplier, and any subcontractor(s), may be required to certify compliance with any court order for the withholding of child support which is issued pursuant to O.R.C. Chapter 3113.217. Winning Supplier, and any subcontractor(s), must also agree to cooperate with CCOG and Equalis Group, LLC and any Ohio Child Support Enforcement Agency in ensuring that the contractor or employees of the contractor meet child support obligations established under state law.
- G. By signing a Master Agreement with CCOG and Equalis Group, LLC, Winning Supplier agrees that all necessary Winning Supplier insurance coverage as required in the Technical Proposal is in effect.
- H. Winning Supplier may be required to furnish a Performance Bond or other cash surety acceptable to CCOG and Equalis Group, LLC in the sum and with sureties CCOG and Equalis Group, LLC approve and conditioned that Winning Supplier will faithfully execute the terms of the Master Agreement and promptly make delivery of the products or services purchased by Members.

3.6 Public Release of Records

Public release of any evaluation or monitoring reports funded under this Program will be made only by CCOG.

3.7 Key Personnel

CCOG and Equalis Group, LLC may require a clause in any Master Agreement resulting from this RFP regarding Winning Supplier key personnel in that any person identified as critical to the success of the Program may not be removed by Winning Supplier without reasonable notice to CCOG and Equalis Group, LLC, and replacements will not be made without CCOG and Equalis Group, LLC approval.

3.8 Ethical & Conflict of Interest Requirements

- A. No Bidder or individual, company, or organization seeking a CCOG contract award will promise or give to any CCOG or Equalis Group, LLC employee anything of value that is of such character as to manifest a substantial and improper influence upon the employee with respect to his or her duties;

- B. No Bidder or individual, company, or organization seeking a contract will solicit any CCOG or Equalis Group, LLC employee to violate any of the conduct requirements for employees;
- C. When acting on behalf of CCOG and Equalis Group, LLC, Winning Supplier will refrain from activities which could result in violations of ethics and/or conflicts of interest. Any Winning Supplier who violates the requirements and prohibitions defined herein or in O.R.C. Chapter 102.04 is subject to termination of the Master Agreement or refusal by CCOG and Equalis Group, LLC to enter into the Master Agreement; and
- D. CCOG and Equalis Group, LLC employees who violate O.R.C. Chapters 102.03, 102.04, 2921.42, or 2921.43 may be prosecuted for criminal violations.

3.9 Health Insurance Portability & Accessibility Act (HIPAA) Requirements

As a condition of receiving a contract award from CCOG, Winning Supplier and any subcontractor(s) may be required to comply with 42 U.S.C. Sections 1320d through 1320d-8, and to implement regulations at 45 C.F.R. Section 164.502 (e) and Sections 164.504 (e) regarding disclosure of protected health information under the Health Insurance Portability and Accountability Act (HIPAA) of 1996. Protected Health Information ("PHI") is information received by Winning Supplier from or on behalf of CCOG or Equalis Group, LLC and any Member that meets the definition of PHI as defined by HIPAA and the regulations promulgated by the United States Department of Health & Human Services, specifically 45 CFR 164.501 and any amendments thereto.

Winning Supplier may reasonably anticipate HIPAA language in the Master Agreement that results from this RFP, if applicable.

In the event of a material breach of Bidder obligations under this section, CCOG and Equalis Group, LLC may, at their option, terminate the Master Agreement according to provisions within the contract for termination.

3.10 Waiver of Minor Proposal Errors

CCOG may, at its sole discretion, waive minor errors or omissions in Bidders' Technical and/or Cost Proposals when those errors do not unreasonably obscure the meaning of the content or the competitive nature of the proposal submitted in response to this RFP. However, substantial and/or substantive proposal errors that include, but are not limited to, a Bidder's ability to perform, price points, costs, or other economic indicators and factors that may affect the content or competitive nature of the proposal submitted, or capacity to perform, shall not be waived, and Bidders shall not have the right to withdraw or modify their proposals after such proposal has been submitted and received and the time periods in Sections 1.3, 1.4, and/or 1.5 have closed.

3.11 Proposal Clarifications & Best and Final Offers

CCOG reserves the right to request clarifications from Bidders to any information in their Technical and/or Cost Proposals, and may request such clarification as the Proposal Review Team deems necessary at any point in the proposal review process. CCOG may request revised proposals and best and final offers from Bidders as part of the RFP process.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

3.12 Unresolved Findings for Recovery (O.R.C. 9.24)

O.R.C. Chapter 9.24 prohibits CCOG from awarding a contract to any entity against whom the Auditor of State has issued a finding for recovery, if such finding for recovery is “unresolved” at the time of award. By submitting a proposal, a Bidder warrants that it is not now, and will not become, subject to an “unresolved” finding for recovery under O.R.C. Chapter 9.24 prior to the award of any contract arising out of this RFP, without notifying CCOG of such finding. CCOG will review the Auditor of State’s website to identify each Bidder’s eligibility to enter into a contract with CCOG prior to the evaluations of any proposal submitted pursuant to this RFP. The Proposal Review Team will not evaluate a proposal from any Bidder whose name, or the name of any of the subcontractors proposed by the Bidder, appears on the website of the Auditor of the State of Ohio as having an “unresolved” finding for recovery.

3.13 Mandatory Contract Performance Disclosure

Each proposal must disclose whether Bidder’s performance and/or the performance of any of the proposed subcontractor(s), under contracts for the provision of services that are the same or similar to those to be provided for the Program which is the subject of this RFP has resulted in any “formal claims” for breach of those contracts. For purposes of this disclosure, “**formal claims**” means any claims for breach that have been filed as a lawsuit in any court, submitted for arbitration (whether voluntary or involuntary, binding or not), or assigned to mediation. If any such claims are disclosed, Bidder must fully explain the details of those claims, including the allegations regarding all alleged breaches, any written or legal action resulting from those allegations, and the results of any litigation, arbitration, or mediation regarding those claims, including terms of any settlement. While disclosure of any formal claims will not automatically disqualify Bidder from consideration, at the sole discretion of CCOG and Equalis Group, LLC, such claims and a review of the background details may result in a rejection of Bidder’s proposal. CCOG and Equalis Group, LLC will make this decision based on its determination of the seriousness of the claims, the potential impact that the behavior that led to the claims could have on Bidder’s performance of the work, and the best interests of CCOG, Equalis Group, LLC, and Members.

3.14 Mandatory Disclosures of Governmental Investigations

Each proposal must indicate whether Bidder and/or any of the proposed subcontractor(s) has been the subject of any adverse regulatory or adverse administrative governmental action (federal, state, or local) with respect to Bidder’s performance of services similar to those described in this RFP. If any such instances are disclosed, Bidder must fully explain, in detail, the nature of the governmental action, the allegations that led to the governmental action, and the results of the governmental action including any legal action that was taken against supplier by the governmental agency. While disclosure of any governmental action in response to this section will not automatically disqualify Bidder from consideration, at the sole discretion of CCOG and Equalis Group, LLC, such governmental action and a review of the background details may result in a rejection of Bidder’s proposal. CCOG and Equalis Group, LLC will make this decision based on its determination of the seriousness of the matter, the matter’s potential impact on Bidder’s performance of the work, and the best interests of CCOG, Equalis Group, LLC, and Members.

SECTION IV. PROPOSAL FORMAT & SUBMISSION

4.1 Proposal Submission Information

CCOG requires proposal submissions to be submitted electronically via Bonfire. Proposals must be prepared and submitted in accordance with instructions found in this **Section 4**.

Each Bidder's total proposal submissions (both the Technical and Cost Proposals along with any required and voluntarily submitted attachments) must be submitted through Bonfire no later than the deadline defined in **Section 1.3 – Anticipated Procurement Timetable**. Faxes, mailed, overnighted, and emailed submissions will not be accepted.

Bidders' Technical and Cost Proposals must contain all the information and documents specified in **Section 4.2 – Format for Organization of the Proposal**.

All proposals will be valid for a period of ninety (90) days from the date the proposals are received by CCOG. A Bidder seeking to withdraw its proposal from consideration must submit such request in writing directly to CCOG at Sourcing@EqualisGroup.org.

4.2 Format for Organization of the Proposal

A. Technical Proposal Organization

The Proposal Score Sheet that will be utilized by the Proposal Review Team to score each Technical Proposal is provided as **Attachment F – Proposal Score Sheet**. **Bidders are strongly encouraged to utilize the Proposal Score Sheet to check their proposals for quality, compliance, and completeness prior to submission.**

Bidder's Technical Proposal must contain the following components and will be reviewed in the order described below. Any other information thought to be relevant, but not applicable to a specific RFP section number/letter must be provided as an appendix to the proposal. CCOG reserves the right not to review submitted appendices that include information/materials not required in the RFP.

<i>First</i>	<i>Initial Qualifying Criteria</i>
	<ul style="list-style-type: none"> Required Bidder Information and Certifications Document (<u>Attachment C</u>), fully completed and executed. Request for Taxpayer Identification Number (W-9) Form (<u>Attachment D</u>), fully completed and executed. Master Agreement template and Administration Agreement template included as <u>Attachment E</u> (see <u>Section 3.5 – Contractual Requirements</u>) as annotated or redlined. Initial Qualifying Criteria (<u>Attachment A – Section 2</u>).
<i>Second</i>	<i>Technical Proposal Requirements & Specifications</i>
	<ul style="list-style-type: none"> <u>Attachment A</u>
<i>Third</i>	<i>Appendix/Appendices (for referenced attachments, sample reports, etc.)</i>

B. Technical Proposal Details

Bidder's Technical Proposal must be completed fully. It is mandatory that proposals be organized in the order described in this Section 4.2 – Format for Organization of the Proposal and that, wherever appropriate, sections/portions of the proposal and any attachments make reference by section number/letter to those RFP requirements to which they correspond.

IMPORTANT: any Technical Proposals found to contain any prohibited cost information may be disqualified from consideration at the sole discretion of CCOG. "**Prohibited Cost Information**" is defined as any dollar amounts which CCOG might find indicative of the relative cost or economy of the proposal. However, information on the assets, value, or historical business volume is NOT considered to be Prohibited Cost Information, and MAY be included in any Bidder's Technical Proposal as information on business capacity and stability. Any products and services cost information must be submitted with the separate sealed Cost Proposal. The Technical Proposal is defined as any part of Bidder's proposal (either as required by CCOG or included at Bidder's discretion, such as work plan, resumes, letters of recommendation, letters of cooperation from any subcontractors, etc.) which is not specifically identified by CCOG in this RFP as a required component of the separate sealed Cost Proposal. Should Bidder determine it is important to include any documents containing Prohibited Cost Information in the Technical Proposal, such Prohibited Cost Information included in the Technical Proposal must be made unreadable by Bidder before submission of the proposal. Failure to follow these instructions may result in a determination that Bidder's proposal is nonresponsive to this RFP pursuant to O.R.C. § 9.321.

C. Cost Proposal Organization

Bidders should provide their Cost Proposal response in a separate Cost Proposal document (Attachment B) as outlined in Section 2.2. **Note:** Cost Proposals will remain sealed and will only be opened and reviewed for those Bidders that meet the Initial Qualifying Criteria and minimum Technical Proposal score threshold as described in Section 5.1.

Bidder's Cost Proposal must contain the questions provided in Section 2.2 and corresponding answers all relevant pricing components (organized in one Excel Workbook) as determined by the Bidder. Any other information thought to be relevant, but not applicable to a specific RFP section number/letter must be provided as an appendix to the Cost Proposal. CCOG reserves the right not to review submitted appendices which include information/materials not required in the RFP.

Bidders must present their Cost Proposals in an organized and easy to navigate Excel workbook.

D. Cost Proposal Details

The Cost Proposal must clearly state the specific pricing or pricing structure that Bidder will utilize to charge Members for products and services purchased from Bidder through the Master Agreement. The Cost Proposal must include a statement that the prices quoted are firm or provide a clearly defined methodology for making price adjustments during the term of the Master Agreement. CCOG seeks flexibility in pricing models to enable individual Members to receive pricing for products and services customized to meet their specific requirements; Bidders should address flexibility and customization capabilities in their Cost Proposal.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

SECTION V. CRITERIA FOR PROPOSAL EVALUATION & SELECTION

5.1 Scoring of Proposals

CCOG and Equalis Group, LLC will contract with the Bidder(s) that best demonstrates the ability to meet the requirements specified in this RFP. Proposals will be evaluated based on the capacity and experience demonstrated in Bidder's Technical and Cost Proposals. Proposal scoring will be weighted as described in Attachment F – Proposal Score Sheet. All proposals will be reviewed and scored by the Proposal Review Team. Bidders should not assume that the PRT members are familiar with any current or past work activities of Bidders with CCOG or Equalis Group. Proposals containing assumptions, lack of sufficient detail, poor organization, lack of proofreading, and unnecessary use of self-promotional claims will be evaluated accordingly.

Selection of a Winning Supplier will be based upon the criteria specified in the Technical and Cost Proposals. Any proposals not meeting the requirements contained in those sections of this RFP will not be scored or may be held pending receipt of required clarifications. The PRT reserves the right to reject any and all proposals, in whole or in part, received in response to this RFP. The review team may waive minor defects that are not material, do not affect the competitive nature of the proposal, and when no prejudice will result to the rights of any supplier or to the public. In scoring the proposals, the PRT will score in three (3) phases:

A. Phase I Review – Initial Qualifying Criteria:

Bidders must complete and provide the following documents. CCOG cannot consider a Bidder's proposal unless these forms are properly completed and submitted as part of the RFP response. These documents should be completed, signed/scanned in [Blue Ink](#) or with certified electronic signatures, and submitted to CCOG as part of Bidder's Technical Proposal package.

- Attachment C – Required Bidder Information & Certifications
- Attachment D – W-9 Form

In addition to submitting these properly completed and executed documents, Bidder's proposal must also meet the following Initial Qualifying Criteria. Any proposal not meeting these Initial Qualifying Criteria may be deemed nonresponsive by the PRT:

- Was Bidder's proposal received by the deadline as specified in Section 1.3 – Anticipated Procurement Timetable?
- Did Bidder submit a proposal comprised of a separate Technical Proposal and Cost Proposal as required in Section 4 – Proposal Format & Submission?
- Does Bidder's proposal include all required affirmative statements and certifications, signed by Bidder's representative, in Attachments C and D?
- Did CCOG's review of the Ohio Auditor of State website verify that Bidder is NOT excluded from contracting with CCOG by O.R.C. § 9.24 as the result of an unresolved finding for recovery?

In order to be fully reviewed and scored, proposals submitted must pass the following Phase I Review. **Any "no" for the listed Phase I criteria may eliminate a proposal from further consideration at PRT's sole discretion.**

B. Phase II Review – Criteria for Scoring the Technical Proposal:

The PRT will then score those Technical Proposals not eliminated in Phase I Review by assessing how well a Bidder's Technical Proposal meets the requirements as specified in Attachment A of this RFP. Using the Proposal Score

Sheet for Phase II scoring (see **Attachment F** of this RFP for specific evaluation criteria), the PRT will read, review, discuss, and reach consensus on the final technical score for each qualifying Technical Proposal.

A maximum of **200** points will be awarded for the Technical Proposal, weighted as shown in **Attachment F**. A Technical Proposal must achieve a total of at least **100** points (a score which represents that Bidder can successfully perform the resulting contractual duties) out of the possible **200** points to qualify for continued consideration. Any Technical Proposal which does not meet the minimum required Technical Proposal point threshold will be determined nonresponsive to this RFP and the associated sealed Cost Proposal will neither be opened nor considered.

IMPORTANT: before submitting a proposal in response to this RFP, Bidders are strongly encouraged to use the Proposal Score Sheet (**Attachment F**) and the above technical performance scoring information to review their proposals for completeness, compliance, and quality.

All Bidders whose Technical Proposals met the minimum scoring threshold will proceed to the next level of review, which is consideration of the sealed Cost Proposal.

C. Phase III Review – Criteria for Considering the Cost Proposal

The PRT will review Cost Proposals to determine the best overall financial value for i) Members, and ii) CCOG and Equalis Group, LLC. The PRT will take into account the Bidder's responses to the questions provided, pricing for products & services, and any costs or charges associated with service and support, reporting, and additional services proposed. There is a maximum of **100** points available in the evaluation of Cost Proposals.

CCOG may, at its sole discretion, negotiate with all technically qualifying Bidders for revised Cost Proposals, request revised Cost Proposals, and request best and final offers.

D. Final Scoring

The total of each Bidder's Technical Proposal and Cost Proposal will be added together to calculate the final points awarded to each Bidder. CCOG will award the contract to the lowest responsive and responsible Bidder in accordance with applicable public sector procurement guidelines.

5.2 Review Process Caveats

Negligence on the part of Bidder in preparing its proposal submitted in response to this RFP confers no right of modification or withdrawal of Bidder's proposal after such proposal has been received and the time periods identified in **Sections 1.3, 1.4, and/or 1.6** have closed.

Should the PRT interview Bidders prior to making a final selection, responses to interview questions will be scored in a manner similar to the process described in **Section 5.1 – Scoring of Proposals** above. Such scored results may be either added to those Bidder's proposal scores or will replace certain scores at the sole discretion of the PRT. The standards for scoring the interviews and the method used for considering the results of the interviews will be applied consistently for all Bidders participating in the interview process for this RFP. Such communications are not violations of any Communications Prohibition in **Section 1.5 – Communications Prohibited** of this RFP, and are expressly permitted when initiated by the PRT, but are conducted at the sole discretion of the PRT.

CCOG reserves the right to negotiate with Bidders for adjustments to their proposals should the PRT determine, for any reason, to adjust the scope of the Program for which this RFP is released. Such communications are not violations of any Communication Prohibitions in **Section 1.5 – Communications Prohibited** of this RFP, and are expressly permitted when initiated by CCOG, but are initiated at the sole discretion of CCOG. Any Bidder deemed not responsible, or any Bidder

submitting a proposal deemed not to be responsive to the terms of this RFP as those terms are defined in O.R.C. § 9.321, will not be awarded the contract.

5.3 Final Supplier Recommendation

The PRT will recommend to CCOG as the lowest responsive and responsible Bidder(s) the technically qualified supplier(s) offering the proposal most advantageous to Members, taking into consideration factors such as price and the evaluation of criteria in the Technical Proposal.

5.4 Tie Breaker

In the event that two or more of the proposals have a score which is tied after final calculation of both the Technical Proposal and the Cost Proposal, the proposal with the higher score in the Technical Proposal will prevail unless CCOG, in its sole discretion, chooses to issue multiple awards.

5.5 Contract Award Caveats

CCOG is under no obligation to issue a contract as a result of this solicitation if, in the opinion of CCOG and the PRT, none of the proposals are sufficiently responsive to the objectives and needs of Members, CCOG, or Equalis Group. CCOG reserves the right to not select any Bidder should CCOG decide not to proceed for any reason. CCOG reserves the right to select multiple Bidders for contract award.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

SECTION VI. RFP PROTEST PROCEDURES

6.1 Protests

Any potential or actual Bidder objecting to the award of a contract resulting from the issuance of this RFP may file a protest of the award of the contract, or any other matter relating to the process of soliciting the proposals. Such a protest must comply with the following guidelines:

- A. A protest may be filed by a prospective or actual Bidder objecting to the award of a contract resulting from this RFP. The protest must be filed in writing and must contain the following information;
- The name, address, and telephone number of the protestor;
 - The name and number of the RFP being protested;
 - A detailed statement of the legal and factual grounds for the protest, including copies of any relevant documents;
 - A request for a ruling by CCOG;
 - A statement as to the form of relief requested from CCOG; and
 - Any other information the protestor believes to be essential to the determination of the factual and legal questions at issue in the written protest.
- B. A timely protest will be considered by CCOG if it is received by CCOG within the following periods:
- A protest based on alleged improprieties in the issuance of the RFP or any other event preceding the closing date for receipt of proposals which are apparent or should be apparent prior to the closing date for receipt of proposals will be filed no later than 12:00 PM on the closing date for receipt of proposals, as specified in **Section 1.3 – Anticipated Procurement Timetable**, of this RFP.
 - If the protest relates to the announced intent to award a contract, the protest will be filed no later than 12:00 PM Eastern of the eighth (8th) calendar day after the issuance of the Letter of Intent to Award Contract to the Winning Supplier.
 - An untimely protest may be considered by CCOG if CCOG, in its sole discretion, determines that the protest raises issues significant to CCOG's procurement methodology. An untimely protest is one received by CCOG after the time periods set forth in this **Section 6.1 B**.
 - All protests must be filed at the following location:
Cooperative Council of Governments
Attn: David Robbins
6001 Cochran Road, Suite 333
Cleveland, Ohio 44139
 - When a timely protest is filed, a contract award will not proceed until a decision on the protest is issued or the matter is otherwise resolved, unless CCOG determines that a delay will severely disadvantage Members, CCOG, or Equalis Group. The Bidder(s) who would have been awarded the contract will be notified of the receipt of the protest.
 - CCOG will issue written decisions on all timely protests and will notify any protestor who filed an untimely protest as to whether or not the protest will be considered.

1.1. Instructions for Completing Attachment A

The specific requirements and proposal specifications for this Program are detailed in this [Attachment A – Technical Proposal Requirements & Proposal Specifications](#). Attachment A is provided to Bidders in an editable Microsoft Word form so that it can easily serve as the base document for a Bidder's Technical Proposal. Bidders should incorporate their Technical Proposal responses directly into this document and include referenced attachments separately.

Use the following electronic file naming convention for naming your Technical Proposal prior to uploading your completed Technical Proposal to Bonfire: *Technical Proposal – Bidder Name.docx*.

For sections of Attachment A structured like the example below, simply click in the green cell on the “Click here to enter response” text and either type in or paste (using the *Paste Special > Merge Formatting* function in Microsoft Word) your response.

1.1.1.	Formation. In what year was the company formed? For how long has your company been operating under its present business name? If your company has changed its business name, include the most recent prior business name and the year of the name change.
duhhfjdkghfghgfkajdsghsdajghg	

For sections of Attachment A structured like the example below, click on the “Yes” checkbox if your solution **fully provides** the defined requirement. Click on the “No” checkbox if your solution does not provide or only provides part of the defined requirement. The green cell is included for Bidders to provide any additional information or capabilities relating to that defined requirement. For example, if your solution i) provides more capabilities around that requirement, ii) meets some, but not all of that requirement, or iii) does not meet the defined requirement, but provides an alternative solution for the Proposal Review Team’s (“PRT’s”) consideration, click in the green cell on the “Click here to provide additional commentary, if necessary.” text and either type in or paste (using the *Paste Special > Merge Formatting* function in Microsoft Word) clarifying or additional information as appropriate.

1.1.2.	NAID Certification. Do your facilities meet NAID AAA certifications?	<input type="checkbox"/> Yes <input type="checkbox"/> No
This is a sample question. Please do not respond.		

1.2. Trade Secrets

Bidders are encouraged to review [RFP Section 3.4 – Trade Secrets Prohibition; Public Information Disclaimer](#) in conjunction with developing their responses to this RFP. Any information provided by a Bidder in its proposal that is not marked as trade secret information shall be deemed to be public records in accordance with Ohio law.

1.3. Attachments

Bidders may incorporate additional documents by reference as part of their response to [Attachment A – Technical Proposal Requirements & Proposal Specifications](#). For example, you may want to include brochures, charts, or graphs in response to specific questions included in this Attachment A. Bidders should clearly state in their response to questions in Attachment A whether any specific documents are incorporated in their proposal by reference. In the event the attached documents are not references or referenced correctly, the PRT may exclude those attachments from consideration when scoring proposals.

The file names of such referenced documents that are included in a Bidder's electronic Technical Proposal submissions and uploaded to Bonfire should include, in the following order: i) Technical Proposal, ii) Bidder's name, iii) the Section number of the question for which the file is included as part of the response, and iv) a brief description of what is included in the electronic file. For example, if a Bidder references an attachment that includes financial statements in response to [Section 3.2.1.](#), the following electronic file name would be appropriate: *Technical Proposal – Bidder Name – Section 3.2.1. – Financial Statements.pdf*.

Section 2. Initial Qualifying Criteria

2.1. Completing & Submitting Initial Qualifying Criteria Documentation

2.1.1.	Attachment C – Required Bidder Information & Certifications. This document includes information about the Bidder, key points of contact for proposal and legal questions that may arise during Equalis Group's review of the response, minority business enterprise and certifications, required affirmations subject to Ohio Revised Code guidelines, equal employment opportunity questions, questions regarding the subcontracting of certain elements of a Bidder's service delivery to Members, and confirmation that Bidder has reviewed and annotated, if applicable, the Equalis Group model i) Master Agreement, and ii) Administration Agreement entered into with Winning Suppliers.

15.3. Federal Funds Certification Form (EDGAR)

When a participating agency seeks to procure goods and services using funds under a federal grant or contract, specific federal laws, regulations, and requirements may apply in addition to those under state law. This includes, but is not limited to, the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 CFR 200 (sometimes referred to as the "Uniform Guidance" or "EDGAR" requirements). All bidders submitting proposals must complete this Federal Funds Certification Form regarding bidder's willingness and ability to comply with certain requirements which may be applicable to specific participating agency purchases using federal grant funds. This completed form will be made available to Members for their use while considering their purchasing options when using federal grant funds. Members may also require Supplier Partners to enter into ancillary agreements, in addition to the contract's general terms and conditions, to address the member's specific contractual needs, including contract requirements for a procurement using federal grants or contracts.

For each of the items below, respondent should certify bidder's agreement and ability to comply, where applicable, by having respondents authorized representative complete and initial the applicable lines after each section and sign the acknowledgment at the end of this form. If a respondent fails to complete any item in this form, CCOG will consider the respondent's response to be that they are unable or unwilling to comply. A negative response to any of the items may, if applicable, impact the ability of a participating agency to purchase from the Supplier Partner using federal funds.

15.3.1. Supplier Partner Violation or Breach of Contract Terms

Contracts for more than the simplified acquisition threshold currently set at one hundred fifty thousand dollars (\$150,000), which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 USC 1908, must address administrative, contractual, or legal remedies in instances where Supplier Partners violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Any contract award will be subject to Terms and Conditions of the Master Agreement, as well as any additional terms and conditions in any purchase order, participating agency ancillary contract, or Member construction contract agreed upon by Supplier Partner and the participating agency which must be consistent with and protect the participating agency at least to the same extent as the CCOG Terms and Conditions.

The remedies under the contract are in addition to any other remedies that may be available under law or in equity. By submitting a proposal, you agree to these Supplier Partner violation and breach of contract terms.

When a participating agency expends federal funds, the participating agency reserves the right to immediately terminate any agreement in excess of ten thousand dollars (\$10,000) resulting from this procurement process in the event of a breach or default of the agreement by Offeror in the event Offeror fails to: (1) meet schedules, deadlines, and/or delivery dates within the time specified in the procurement solicitation, contract, and/or a purchase order; (2) make any payments owed; or (3) otherwise perform in accordance with the contract and/or the procurement solicitation. Participating agency also reserves the right to terminate the contract immediately, with written notice to offeror, for convenience, if participating agency believes, in its sole discretion that it is in the best interest of participating agency to do so. Bidder will be compensated for work performed and accepted and goods accepted by participating agency as of the termination date if the contract is terminated for convenience of participating agency. Any award under this procurement process is not exclusive and participating agency reserves the right to purchase goods and services from other offerors when it is in participating agency's best interest.

In accordance with the statute, Supplier Partner is required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determinate made by the Secretary of Labor. In addition, Supplier Partner shall pay wages not less than once a week.

Current prevailing wage determinations issued by the Department of Labor are available at www.wdol.gov. Under 40 USC 3702 of the Act, Supplier Partner is required to compute the wages of every mechanic and laborer on the basis of a standard work week of forty (40) hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of forty (40) hours in the work week. The requirements of 40 USC 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

The Supplier Partner or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation.

The Supplier Partner will take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Supplier Partner agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this non-discrimination clause.

The Supplier Partner or subcontractor, where applicable will, in all solicitations or advertisement for employees placed by or on behalf of the Supplier Partner, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation.

The Supplier Partner or subcontractor, where applicable, will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers' representative of the Supplier Partner's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The Supplier Partner or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to P.L. 1975, c. 127, as amended and supplemented from time to time and the Americans with Disabilities Act.

The Supplier Partner or subcontractor agrees to attempt in good faith to employ minority and female workers trade consistent with the applicable county employment goal prescribed by N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time or in accordance with a binding determination of the applicable county employment goals determined by the Affirmative Action Office pursuant to N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time.

The Supplier Partner or subcontractor agrees to inform in writing appropriate recruitment agencies in the area, including employment agencies, placement bureaus, colleges, universities, labor unions, that it does not discriminate on the basis of age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

16.4. Political Contribution Disclosure Form

Public Agency Instructions

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. **It is not intended to be provided to Supplier Partners.** What follows are instructions on the use of form local units can provide to Supplier Partners that are required to disclose political contributions pursuant to N.J.S.A. 19:44A-20.26 (P.L. 2005, c. 271, s.2). Additional information on the process is available in Local Finance Notice 2006-1 (www.nj.gov/dca/lqs/lfns/lfnmenu.shtml).

1. The disclosure is required for all contracts in excess of seventeen thousand five hundred dollars (\$17,500) that are **not awarded** pursuant to a “fair and open” process (N.J.S.A. 19:44A-20.7).
2. Due to the potential length of some Supplier Partner submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. **The form is worded to accept this alternate submission.** The text should be amended if electronic submission will not be allowed.
3. The submission must be **received from the Supplier Partner and** on file at least ten (10) days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.
4. The Supplier Partner must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that Supplier Partners be provided a list of the affected agencies. This will assist Supplier Partners in determining the campaign and political committees of the officials and candidates affected by the disclosure.
 - a) The Division has prepared model disclosure forms for each county. They can be downloaded from the “County PCD Forms” link on the Pay-to-Play web site at www.nj.gov/dca/lqs/p2p. They will be updated from time-to-time, as necessary.
 - b) A public agency using these forms **should edit them to properly reflect the correct legislative district(s)**. As the forms are county-based, **they list all legislative districts** in each county. **Districts that do not represent the public agency should be removed from the lists.**
 - c) Some Supplier Partners may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.
 - d) The form may be used “as-is”, subject to edits as described herein.
 - e) The “Supplier Partner Instructions” sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.
 - f) The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.
5. It is recommended that the Supplier Partner also complete a “Stockholder Disclosure Certification.” This will assist the local unit in its obligation to ensure that Supplier Partner did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the twelve (12) months prior to the contract. (See Local Finance Notice 2006-7 for additional information on this obligation) A sample Certification form is part of this package and the instruction to complete it is included in the Supplier Partner Instructions. **NOTE: This section is not applicable to Boards of Education.**

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM Supplier Partner Instructions

Supplier Partners receiving contracts from a public agency that are NOT awarded pursuant to a “fair and open” process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that ten (10) days prior to the award of such a contract, the Supplier Partner shall disclose contributions to:

- 1) any State, county, or municipal committee of a political party,
- 2) any legislative leadership committee;
- 3) any continuing political committee (a.k.a., political action committee),
- 4) any candidate committee of a candidate for, or holder of, an elective office:
 - a) of the public entity awarding the contract,

- b) of that county in which that public entity is located,
- c) of another public entity within that county,
- d) or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county. The disclosure must list reportable contributions to any of the committees that exceed three hundred dollars (\$300) per election cycle that were made during the twelve (12) months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- 1) individuals with an "interest" ownership or control of more than ten percent (10%) of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit,
- 2) all principals, partners, officers, or directors of the business entity or their spouses,
- 3) any subsidiaries directly or indirectly controlled by the business entity,
- 4) IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs). When the business entity is a natural person, "a contribution by that person's spouse or child, residing therewith, shall be deemed to be a contribution by the business entity." [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure. Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report. The enclosed list of agencies is provided to assist the Supplier Partner in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the Supplier Partner's responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement. The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the Supplier Partner's submission and is disclosable to the public under the Open Public Records Act. The Supplier Partner must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law.

NOTE: This section does not apply to Board of Education contracts.

¹ N.J.S.A. 19:44A-3(s): "The term "legislative leadership committee" means a committee established, authorized to be established, or designated by the President of the Senate, the Minority Leader of the Senate, the Speaker of the General Assembly or the Minority Leader of the General Assembly pursuant to section 16 of P.L.1993, c.65 (C.19:44A-10.1) for the purpose of receiving contributions and making expenditures."

17.1. Arizona Supplier Partner Requirements

AZ Compliance with Federal and state requirements. Supplier Partner agrees when working on any federally assisted projects with more than two thousand dollars (\$2,000.00) in labor costs, to comply with all federal and state requirements, as well as Equal Opportunity Employment requirements and all other federal and state laws, statutes, etc. Supplier Partner agrees to post wage rates at the work site and submit a copy of their payroll to the member for their files. Supplier Partner must retain records for three years to allow the federal grantor agency access to these records, upon demand. Supplier Partner also agrees to comply with the Arizona Executive Order 75-5, as amended by Executive Order 99-4.

When working on contracts funded with Federal Grant monies, Supplier Partner additionally agrees to comply with the administrative requirements for grants, and cooperative agreements to state, local and federally recognized Indian Tribal Governments.

AZ Compliance with workforce requirements. Pursuant to ARS 41-4401, Supplier Partner and subcontractor(s) warrant their compliance with all federal and state immigration laws and regulations that relate to their employees, and compliance with ARS 23-214 subsection A, which states, "...every employer, after hiring an employee, shall verify the employment eligibility of the employee through the E-Verify program".

CCOG reserves the right to cancel or suspend the use of any contract for violations of immigration laws and regulations. CCOG and its members reserve the right to inspect the papers of any Supplier Partner or subcontract employee who works under this contract to ensure compliance with the warranty above.

AZ Supplier Partner Employee Work Eligibility. By entering into this contract, Supplier Partner agrees and warrants compliance with A.R.S. 41-4401, A.R.S. 23-214, the Federal Immigration and Nationality Act (FINA), and all other Federal immigration laws and regulations. CCOG and/or Equalis Group members may request verification of compliance from any Supplier Partner or subcontractor performing work under this contract. CCOG and Equalis Group members reserve the right to confirm compliance. In the event that CCOG or Equalis Group members suspect or find that any Supplier Partner or

subcontractor is not in compliance, CCOG may pursue any and all remedies allowed by law, including but not limited to suspension of work, termination of contract, suspension and/or debarment of the Supplier Partner. All cost associated with any legal action will be the responsibility of the Supplier Partner.

AZ Non-Compliance. All federally assisted contracts to members that exceed ten thousand dollars (\$10,000.00) may be terminated by the federal grantee for noncompliance by Supplier Partner. In projects that are not federally funded, respondent must agree to meet any federal, state or local requirements as necessary. In addition, if compliance with the federal regulations increases the contract costs beyond the agreed on costs in this solicitation, the additional costs may only apply to the portion of the work paid by the federal grantee.

Registered Sex Offender Restrictions (Arizona). For work to be performed at an Arizona school, Supplier Partner agrees that no employee or employee of a subcontractor who has been adjudicated to be a registered sex offender will perform work at any time when students are present, or reasonably expected to be present. Supplier Partner agrees that a violation of this condition shall be considered a material breach and may result in the cancellation of the purchase order at the Equalis Group member's discretion. Supplier Partner must identify any additional costs associated with compliance to this term. If no costs are specified, compliance with this term will be provided at no additional charge.

Offshore Performance of Work Prohibited. Due to security and identity protection concerns, direct services under this contract shall be performed within the borders of the United States.

- F. Members, Association Partners, and Association Partners' members are referred to throughout this Master Agreement as Equalis Group participants ("**Equalis Group Participants**").
- G. CCOG issued request for proposal ("**RFP**") #**Number** dated **Month Day, Year** for contracting on behalf of Equalis Group Participants for **definition of products and services solicited in the RFP** ("**Products & Services**") and awarded a contract to Winning Supplier as the lowest responsive and responsible bidder.
- H. Winning Supplier desires to promote and expand its operations and increase the sales of its Products & Services to public sector, private sector, and non-profit organizations through Equalis Group.
- I. CCOG and Equalis agree to make the Products & Services from Winning Supplier available to Equalis Group Participants and Winning Supplier agrees to provide the same to Equalis Group Participants who purchase Products & Services ("**Program Participants**") subject to the terms of this Master Agreement.

NOW, THEREFORE, in consideration of the mutual promises contained herein, the Parties agree to the following terms and conditions:

SECTION 2. BUSINESS TERMS

2.1. **Appendices**. Winning Supplier agrees to provide Products & Services to Program Participants as may be agreed to by the Parties in accordance with the specific terms and conditions set forth in this Master Agreement and the appendices attached hereto and made a part of this Master Agreement (if one, an “**Appendix**” or more, “**Appendices**”).

- (i) **Appendix A** defines the Term of this Master Agreement and Addresses for Notices.
- (ii) **Appendix B** sets forth the Products & Services and pricing available to Program Participants under this Master Agreement.

2.2. **Terms in Appendices**. In all cases where the terms of this Master Agreement and any Appendices disagree, the terms in the Appendix shall control.

2.3. **Utilization of Products & Services**. Purchases of the Products & Services from Winning Supplier may only be made by any Equalis Group Participant upon execution of such credit applications, forms, agreements, appendices, or other documentation (“**Customer Agreements**”) as mutually agreed upon by Winning Supplier and Equalis.

2.4. **Personnel & Equipment**. The Parties agree that the number and types of any subcontractors, personnel, or specialized equipment which may be required to furnish Products & Services to Program Participants will be determined by Winning Supplier. Winning Supplier agrees to engage the number and types of subcontractors, personnel, and/or specialized equipment necessary to furnish the types of Products & Services as specified in **Appendix B** to all Program Participants throughout the Term, as defined in **Appendix A**, of this Master Agreement and any Customer Agreement.

2.5. **Rates & Charges**. The rates, fees, and charges to be charged to and paid by Program Participants for Products & Services are set forth in **Appendix B**. Winning Supplier agrees that there are no other applicable rates, fees, charges, or other monetary incentives for Products & Services except those set forth in **Appendix B**.

SECTION 3. TERMS & CONDITIONS

3.1. **Independent Contractors**. In the performance of this Master Agreement, Winning Supplier shall be an independent contractor to CCOG and Equalis, and shall not be or act as, or be deemed to otherwise be an agent, employee, or representative of CCOG, Equalis, or any Equalis Group Participant. CCOG and Equalis shall be independent contractors to Winning Supplier, and shall not be or act as, or be deemed to be agents, employees, or representatives of Winning Supplier. Winning Supplier's employees will not be deemed to be CCOG's and/or Equalis's employees or employees of any Equalis Group Participant, and CCOG's and Equalis's employees will not be deemed to be Winning Supplier's employees. Nothing contained in an Appendix or this Master Agreement may be construed to be inconsistent with that relationship or status. No Party exercises direct control or supervision over the employees of the other Parties and, in fact, each Party disavows any right to do so, and no Party in any way directs the operations of the other Parties or the manner of the other Parties' performance. No partnership, joint venture, or other relationship between the Parties or any Equalis Group Participant is created hereby.

3.2. **Operational Control**.

- (a) **Winning Supplier Control**. As between the Parties, Winning Supplier shall have sole and exclusive control over the manner in which Winning Supplier and its employees, agents, subcontractors, and suppliers perform its responsibilities under this Agreement. Winning Supplier shall engage, employ, or

subcontract with such individuals or other entities as it may deem necessary in connection therewith, provided, however, that Winning Supplier furnishes the types and quantities of Products & Services specified in **Appendix B** to all Program Participants purchasing Products & Services throughout the Term of this Master Agreement and Winning Supplier executes its roles and responsibilities in accordance with any Customer Agreements. Such individuals shall not be considered employees or subcontractors of CCOG, Equalis, or any Equalis Group Participant, and shall be subject to employment or engagement, and discharge, discipline, and control solely and exclusively by Winning Supplier.

(b) **Equalis Control.** As between the Parties, Equalis shall have sole and exclusive control over the manner in which Equalis and its parent company, employees, agents, subcontractors, and suppliers perform its responsibilities under this Master Agreement. Equalis shall engage, employ, or subcontract with such individuals or other entities as it may deem necessary in connection therewith. Such individuals shall not be considered employees or subcontractors of CCOG, Winning Supplier, or any Equalis Group Participant, and shall be subject to employment or engagement, and discharge, discipline, and control solely and exclusively by Equalis.

(c) **Taxes.** Except as otherwise specified herein, each Party shall be solely responsible for the payment of any and all wages and fringe benefits, local, state, and federal payroll taxes or contribution of taxes for unemployment insurance, pensions, workers' compensation, and other Social Security and related protection with respect to those employees engaged by that Party pursuant to the performance of this Master Agreement. Each Party will make and submit, in its name, all reports and payments required by federal, state, or local laws related to its employees, agents, subcontractors, and suppliers.

3.3. **Technical Systems; Intellectual Property.** Winning Supplier shall retain title to its proprietary systems and methodologies used in connection with the delivery of Products & Services during the course of this Master Agreement, including, but not limited to, descriptions of the systems or methodologies, document templates, and/or project tools and software, whether owned by Winning Supplier or licensed to Winning Supplier by a third Party and incorporated into any sale of Products & Services ("**Winning Supplier Systems and Methods**"). As needed, Winning Supplier shall grant a limited license to all Program Participants subject to this Master Agreement to use Winning Supplier's Systems & Methods during the Term of this Master Agreement and for the duration of any Customer Agreements established between Winning Supplier and a Participant to purchase Products & Services subject to the terms of this Master Agreement until such Customer Agreements expire or are terminated.

3.4. **Confidentiality.**

(a) **Obligation.** The nature and details of the business relationship established by this Master Agreement, and the business information regarding the other Party(ies) (the "**Disclosing Party**") to which a Party(ies) (the "**Receiving Party**") may become privy during the Term of this Master Agreement (collectively, the "**Information**") constitute confidential and proprietary information, the disclosure, copying, or distribution of which could result in competitive harm to the Disclosing Party. Each Party agrees to maintain the other Parties' Information in the strictest confidence and agrees not to disclose, copy, or distribute the other Parties' Information, whether orally or in writing, directly or indirectly, in whole or in part, except to those of the Receiving Party's employees, agents, subcontractors, and suppliers with a need to know the Information. The foregoing will not limit a Receiving Party, for purposes of marketing, from informing actual or potential Equalis Group Participants of the existence of a contractual relationship between the Parties. The Parties further agree that they will require that all of their employees, agents, subcontractors, and suppliers abide by the terms of these confidentiality obligations. The confidentiality obligations set forth in this section will continue in effect for the Term of this Master Agreement and for a period of two (2) years after the date this Master Agreement is terminated or expires.

(b) **Exceptions.** Nothing herein will apply to any information (a) which is or becomes generally available to the public other than as a result of a disclosure by a Receiving Party or its representatives, (b) which was available on a non-confidential basis prior to its disclosure by the Disclosing Party or its

representatives, (c) which becomes available to a Receiving Party on a non-confidential basis from a source other than the Disclosing Party or its representatives, provided that such source is not known to be subject to any prohibition against transmitting the information, (d) which is disclosed pursuant to an order of court; provided that in the event that proprietary information is disclosed or threatened to be disclosed pursuant to this clause (d), the Receiving Party will give the original Disclosing Party prompt, written Notice, as hereinafter defined, of such threatened disclosure and the right to defend against such disclosure, at Disclosing Party's expense, and provided further that the original Receiving Party will cooperate reasonably in such defense, or (e) which is subject to a Freedom of Information Act Request or other public records request to which a Party is, or may be, required to respond by applicable law.

3.5. Indemnification.

(a) **Winning Supplier Indemnification.** Except as otherwise provided herein and to the extent permitted by law, Winning Supplier shall indemnify, defend, and hold harmless ("**Indemnifying Party**") CCOG and Equalis, and their respective officers, directors, employees, agents, subcontractors, suppliers, and all Equalis Group Participants subject to this Master Agreement (the "**Indemnified Party**") from and against any and all liabilities, damages, fines, penalties, costs, claims, interest, and expenses (including costs of defense, settlement, and reasonable attorneys' fees), including any claim arising from environmental health and safety laws or regulations, which are generated by claims, allegations, actions, causes of action, demands, assertions, adjudications, or suits which arise out of damage to or destruction of any property, or bodily injury (including death) suffered by any person including the Indemnified Party ("**Losses**") to the extent they are caused by gross negligence, willful misconduct, noncompliance with applicable laws, or strict products liability of the Indemnifying Party or its employees, agents, subcontractors, and suppliers. With respect to a claim under this Master Agreement, the liability of the Indemnifying Party is limited to the extent of such Indemnifying Party's gross negligence, willful misconduct, noncompliance with applicable laws, or strict products liability.

(b) **CCOG Indemnification.** Except as otherwise provided herein and to the extent permitted by law, CCOG shall indemnify, defend, and hold harmless ("**Indemnifying Party**") Winning Supplier, its officers, directors, employees, agents, subcontractors, and suppliers subject to this Master Agreement (the "**Indemnified Party**") from and against any and all liabilities, damages, fines, penalties, costs, claims, interest, and expenses (including costs of defense, settlement, and reasonable attorneys' fees), including any claim arising from environmental health and safety laws or regulations, which are generated by claims, allegations, actions, causes of action, demands, assertions, adjudications, or suits which arise out of damage to or destruction of any property, or bodily injury (including death) suffered by any person including the Indemnified Party ("**Losses**") to the extent they are caused by gross negligence, willful misconduct, or noncompliance with applicable laws of the Indemnifying Party or its employees, agents, subcontractors, and suppliers. With respect to a claim under this Master Agreement, the liability of the Indemnifying Party is limited to the extent of such Indemnifying Party's gross negligence, willful misconduct, or noncompliance with applicable laws.

(c) **Equalis Indemnification.** Except as otherwise provided herein and to the extent permitted by law, Equalis shall indemnify, defend, and hold harmless ("**Indemnifying Party**") Winning Supplier, its officers, directors, employees, agents, subcontractors, and suppliers subject to this Master Agreement (the "**Indemnified Party**") from and against any and all liabilities, damages, fines, penalties, costs, claims, interest, and expenses (including costs of defense, settlement and reasonable attorneys' fees), including any claim arising from environmental health and safety laws or regulations, which are generated by claims, allegations, actions, causes of action, demands, assertions, adjudications, or suits which arise out of damage to or destruction of any property, or bodily injury (including death) suffered by any person including the Indemnified Party ("**Losses**") to the extent they are caused by gross negligence, willful misconduct, or noncompliance with applicable laws of the Indemnifying Party or its employees, agents, subcontractors, and suppliers. With respect to a claim under this Master Agreement, the liability of the Indemnifying Party is limited to the extent of such Indemnifying Party's gross negligence, willful misconduct, or noncompliance with applicable laws.

3.6. **Notice & Opportunity to Defend; Limitations & Thresholds.**

(a) **Notice; Opportunity.** If any Losses are asserted against an Indemnified Party, such Indemnified Party shall notify the Indemnifying Party as promptly as practicable and give it an opportunity to defend the same. The Indemnified Party shall reasonably cooperate with the Indemnifying Party in connection with such defense. In the event that the Indemnifying Party in connection with such claim fails to defend against the claim within thirty (30) days after Notice of such claim, the Indemnified Party shall be entitled to assume the defense thereof, and the Indemnifying Party shall be liable to repay the Indemnified Party entitled to indemnification for all its expenses reasonably incurred in connection with said defense (including reasonable attorneys' fees and settlement payments) until the Indemnifying Party assumes such defense. The attorneys prosecuting such defense on behalf of a Party must be acceptable to the Indemnified Party, which acceptance shall not be unreasonably withheld.

(b) **Liability.** Notwithstanding any other provision of this Master Agreement, indemnity obligations entered into hereunder shall be due only to the extent of the Losses actually suffered by an Indemnified Party (i.e., reduced by any offsetting or related asset or service received and any recovery from any third Party). The Indemnifying Party shall be subrogated to all rights of the Indemnified Party against any third party with respect to any claim for which indemnity was paid.

3.7. **Winning Supplier Insurance.** During the Term of this Master Agreement, and for two (2) years following expiration or termination of this Master Agreement, Winning Supplier, at its own expense, shall maintain and shall require that its agents, subcontractors, and suppliers engaged in Winning Supplier's performance of its duties under this Master Agreement maintain general liability insurance, property insurance, and automobile insurance (at a minimum, in the amount of \$1,000,000 per occurrence/\$5,000,000 annual aggregate) applicable to any claims, liabilities, damages, costs, or expenses arising out of its performance under this Master Agreement, or any Appendix, and with respect to, or arising out of, Winning Supplier's provision of Products & Services to Program Participants. CCOG, Equalis, and their respective officers, directors, employees, and agents will be named as additional insureds on Winning Supplier's related insurance policies. All such insurance policies shall incorporate a provision requiring the giving of written Notice to CCOG and Equalis at least thirty (30) days prior to the cancellation, nonrenewal, and/or material modification of any such policies. Winning Supplier shall submit to Equalis within ten (10) calendar days after the Effective Date of this Master Agreement, and prior to furnishing Products & Services to any Program Participants, valid certificates evidencing the effectiveness of the foregoing insurance policies. Winning Supplier shall provide such valid certificates on an annual basis until the terms of this section are no longer applicable.

3.8. **Termination Rights.** The Parties shall have the termination rights set forth below.

(a) **Insolvency.** If a petition in bankruptcy is filed by any Party, or if any Party is adjudicated as bankrupt, or if any Party makes a general assignment for the benefit of creditors, or if a receiver is appointed on account of the insolvency of any Party, then the other Parties, without prejudice to any other right or remedy, may terminate this Master Agreement upon giving at least five (5) business days prior written Notice of such termination.

(b) **Mutual Consent.** This Master Agreement, or any Appendix, may be terminated at any time by the mutual written consent of the Parties.

(c) **Breach.** In the event that any Party commits a material breach of its obligations under this Master Agreement, except for a payment obligation, the non-breaching Party(ies) may provide written Notice describing the material breach to the breaching Party. The breaching Party will have thirty (30) calendar days to cure such breach or provide acceptable reassurance to the non-breaching Party(ies), or, if the Parties agree that a cure or reassurance is not feasible within thirty calendar (30) days, such period of time for cure or satisfactory reassurance as the Parties may agree in writing. If the breach is not cured within such period or if satisfactory reassurance is not accepted by the non-breaching Party(ies) in such period, then the Party(ies)

not in breach may terminate this Master Agreement upon ten (10) business days written Notice at the Addresses for Notices set forth in Appendix A.

3.9. **Effects of Termination.** Upon termination of this Agreement for any reason, all Customer Agreements entered into with Program Participants shall immediately terminate. Winning Supplier shall immediately cease any sales of Products & Services to any Program Participant under and through the terms of this Master Agreement. Following the date of termination, Winning Supplier shall not be precluded from selling its products and services to individuals, businesses, and entities that were Program Participants when this Master Agreement was in effect either directly or through some other contract vehicle. Following the date of termination, CCOG and Equalis shall not be precluded from transitioning individuals, businesses, and entities that were Program Participants when this Master Agreement was in effect to another agreement or Equalis Group supplier partner.

3.10. **Audit of Winning Supplier.** CCOG and Equalis, whether directly or through an independent auditor or accounting firm, shall have the right to perform audits, including inspection of books, records, and computer data relevant to Winning Supplier's provision of Products & Services to Program Participants, to ensure that pricing, inventory, quality, process, and business controls are maintained; provided, however, that such inspections and audits will be conducted upon reasonable notice to Winning Supplier and so as not to unreasonably interfere with Winning Supplier's business or operations.

3.11. **Force Majeure.** This Master Agreement will be temporarily suspended during any period to the extent that any Party during that period is unable to carry out its obligations under this Master Agreement or the Appendices by reason of an Act of God or the public enemy, act of terrorism, fire, flood, labor disorder not caused by Winning Supplier, civil commotion, closing of the public highways not caused by Winning Supplier, government interference, government regulations, or any other event or occurrence beyond the reasonable control of the affected Party ("**Event of Force Majeure**"). No Party will have any liability to the other Party(ies) for a delay in performance nor failure to perform to the extent this Master Agreement or any Appendix is so temporarily suspended; provided that nothing contained herein shall apply to payment obligations with respect to obligations which have already been performed under this Master Agreement. If the provision of Products & Services are impeded due to an Event of Force Majeure, then Winning Supplier may apportion the provision of Products & Services among its present and future customers on a fair and reasonable basis after consulting with Equalis and the Program Participants potentially affected and in a manner that would not reasonably be expected to disproportionately affect Program Participants.

3.12. **Notices.** All notices, claims, certificates, requests, demands, and other communications required or permitted hereunder ("**Notice**") must be in writing and will be deemed given to the Addresses for Notices (a) when delivered personally to the recipient, (b) upon delivery by reputable overnight courier service (charges prepaid), or (c) upon delivery or refusal of delivery by certified or registered mail, return receipt requested, and addressed to the intended recipient. The Parties agree that the day-to-day business communications, including notification of a change of address, pricing updates, or revisions to any Appendix, may be made via electronic communication.

3.13. **Waiver.** Other than the rights and obligations with respect to payment provided by this Master Agreement, waiver by any Party(ies) of or the failure of any Party(ies) hereto to enforce at any time its rights with regard to any breach or failure to comply with any provision of this Master Agreement by the other Party(ies) may not be construed as, or constitute, a continuing waiver of such provision, or a waiver of any other future breach of or failure to comply with the same provision or any other provision of this Master Agreement.

3.14. **Governing Law; Invalidity.** This Master Agreement shall be construed and enforced in accordance with, and governed by, the laws of the State of Ohio without regard to rules of conflict of laws. If any provision of this Master Agreement is declared unlawful or unenforceable by judicial determination or performance, then the remainder of this Master Agreement shall continue in force as if the invalidated provision did not exist. Any suits filed by any Party pursuant to this Master Agreement shall be brought in a court of competent jurisdiction located in Cuyahoga County, Ohio. In the event any Party initiates a suit and that suit is adjudicated by a court of competent jurisdiction, the prevailing Party shall be entitled to reasonable attorney's fees and costs from the non-prevailing Party in addition to any other relief to which the court determines the prevailing Party is entitled or awarded.

3.15. **Modification.** No release, discharge, abandonment, waiver, alteration, or modification of any of the provisions of this Master Agreement, or any of the Appendices incorporated herein, shall be binding upon any Party unless set forth in a writing signed by authorized representatives of the Parties.

3.16. **Assignment.** This Master Agreement and the rights and obligations hereunder may not be assignable by any Party hereto without the prior written consent of the other Parties, which consent shall not be unreasonably withheld, conditioned, or delayed, provided, however, that Winning Supplier and Equalis may assign their respective rights and obligations under this Master Agreement without the consent of the other Parties in the event either Winning Supplier or Equalis shall hereafter effect a corporate reorganization, consolidation, merger, merge into, sale to, or a transfer of all or substantially all of its properties or assets to another entity. Subject to the preceding sentence, this Master Agreement will be binding upon, inure to the benefit of, and be enforceable by the Parties and their respective successors and assigns. Any instrument purporting to make an assignment in violation of this section shall be null and void. This Master Agreement may be extended to additional entities affiliated with the Parties upon the mutual agreement of the Parties. No such extension will relieve the extending Party of its rights and obligations under this Master Agreement.

3.17. **No Third-Party Beneficiaries; Survival of Representations.** This Master Agreement is made solely for the benefit of the Parties to it, and no other persons will acquire or have any right under or by virtue of this Master Agreement. Except as otherwise provided herein, all representations, warranties, covenants, and agreements of the Parties shall remain in full force and effect regardless of any termination of this Master Agreement, in whole or in part.

3.18. **Entire Agreement.** This Master Agreement, together with all attachments, appendices, and exhibits hereto, constitutes the entire agreement between the Parties with respect to the subject matter hereof and supersedes all prior oral or written representations and agreements with regard to the same subject matter. The Parties acknowledge that this Master Agreement has been negotiated and incorporates their collective agreement as to the provisions to be contained herein. Therefore, no presumption will arise giving benefit of interpretation by virtue of authorship of any provision of this Master Agreement, and any ambiguity may not be construed for or against any Party. Winning Supplier's complete and final RFP response is hereby incorporated into and made part of this Master Agreement.

3.19. **Execution in Counterparts.** This Master Agreement may be executed in one or more counterparts, each of which will be deemed an original. For purposes of this Master Agreement, a facsimile, scanned, or electronic signature will be deemed an original signature.

3.20. **Titles, Headings & Recitals.** The Preamble to this Master Agreement is hereby incorporated herein and made part of this Master Agreement. The Recitals stated within this Master Agreement are deemed to be a part of this Master Agreement. The titles and headings of the sections and paragraphs of this Master Agreement are inserted for convenience only and shall not constitute a part hereof or affect in any way the meaning or interpretation of this Master Agreement.

3.21. **Nondiscrimination & Intimidation.**

(a) Winning Supplier expressly agrees that in the hiring of employees for the performance of work or services under this Master Agreement or any subcontract, Winning Supplier, its subcontractors, or any person acting on a Winning Supplier's or its subcontractor's behalf shall not discriminate in the hiring of employees by reason of race, creed, sex, disability as defined in **Section 4112.01** of the Ohio Revised Code nor shall it discriminate against any citizen of the State of Ohio in the employment of labor or workers who are qualified and available to perform the Work to which the employment relates.

(b) Winning Supplier expressly agrees that Winning Supplier, any of its subcontractors, or any person on behalf of Winning Supplier or its subcontractors in any manner shall not discriminate against or intimidate any employee hired for the performance of work or services under this Master Agreement on account of race, creed, sex, disability as defined in **Section 4112.01** of the Ohio Revised Code, or color.

(c) Winning Supplier expressly agrees to include the provisions of this section in each of its written subcontractor agreements for the Products & Services subject to this Master Agreement.

IN WITNESS WHEREOF, the Parties hereto have caused this Master Agreement to be executed by their duly authorized representatives as of the Effective Date.

ATTACHMENT H – QUESTION & ANSWERS
EQUALIS GROUP: Records Management, Shredding, Storage & Destruction with Related Services & Solutions

Question 1
Is the admin fee to be paid out monthly or do you simply want the reporting of qualified revenue reported monthly (by the 15th of the next month) with an annual payout? It appears as though monthly reports are required with an annual payout. Just want to clarify. Our preferred method of admin fee reimbursement is ACH. Is this acceptable?
Answer 1
The admin fee payment will be due the 15th day following the close of the month and should be accompanied by the reporting associated with that month's admin fee payment. Per the language provided in the Model Administrative Agreement: Reporting - Appendix C - Winning Supplier Reporting Requirements: "(Admin Fee) Reports are due on the fifteenth (15th) day after the end of the previous month." Payment - Appendix C - 1. Administrative Fee: "On or before the fifteenth (15th) of each month, Winning Supplier shall remit to Equalis an administrative fee payment (the "Administrative Fee") of written number percent (number%) of the total Winning Supplier revenue (the "Equalis Group Spend" or "Spend") invoiced to Program Participants during the prior calendar month." Yes, ACH is an acceptable method of payment.
Question 2
Can only The Cooperative Council of Governments members in Ohio piggyback onto the awarded contract or can any Equalis member in any state piggyback onto the agreement?
Answer 2
Public agencies across the country, not just those associated with the Cooperative Council of Governments, will be able to piggyback onto the agreement.
Question 3
Is this going to be an exclusive agreement awarded to one service provider or multiple service providers?
Answer 3

The award philosophy of The Cooperative Council of Governments and Equalis Group is to award as few suppliers as possible to provide the broadest coverage of products and services included in the scope of this contract.

Question 4

Will Equalis be notifying all eligible members once the contract is awarded and introduced to the services and service provider(s)?

Answer 4

Yes. We make new program announcements to all Equalis Group Members.
