Equalis Groups' utilization of the lead agency model for competitively bid contracts, provides our participants the savings they expect and the efficiencies and peace of mind they deserve within the procurement process.

Surfaces have already been bid at a national level, so there is no need to duplicate the Bid process per *Equalis Group contract#*: 2020.05.2.

Benefits of the SmartBuy Purchasing Program:

- Receive pre-determined, preferential pricing.
- Prevent duplication and expenses of the bid process.
- Experience a turn-key process.
- Expedite the purchase and installation of your sport surface.
- Obtain the products you want at a competitive price.
