## About Equalis Group

Equalis Group is a member-driven, supplier-centric organization that embodies the power of partnership. Equalis Group operates with the guiding principle that when the objectives of buyers and sellers are aligned, sustainable value is created, transcending that of the typical short-term transactional relationship.

## About Insight Public Sector

For more than 30 years, Insight Public Sector has been empowering public entities with hardware and software from the world's leading manufacturers and publishers — in addition to providing advanced IT services and solutions. With deep expertise and end-to-end capabilities, we'll help you manage today's priorities and prepare for tomorrow's needs.

Our goal in the public sector space is simple: to assist state, local and federal government agencies, educational institutions, public safety entities and nonprofit organizations in leveraging technology to deliver on their missions to the public — as cost effectively as possible.
