65,000+

Customers

“Having a knowledgeable consultant is a game-changer, because the energy market is very, very difficult to understand. World Kinect developed a strategy where we started hedging and layering our energy prices over two or three years. That has made a huge difference in us being able to provide a balanced budget to our council.”

*Kyle Miasek
Finance Director
City of Youngstown, OH, USA*

Everything Energy for Public Administration

Physical Supply

Deliver every gallon, kW, and BTU, to your sites, worry-free.

Energy Procurement

Secure and manage the best suppliers for all your energy needs.

Price Risk Management

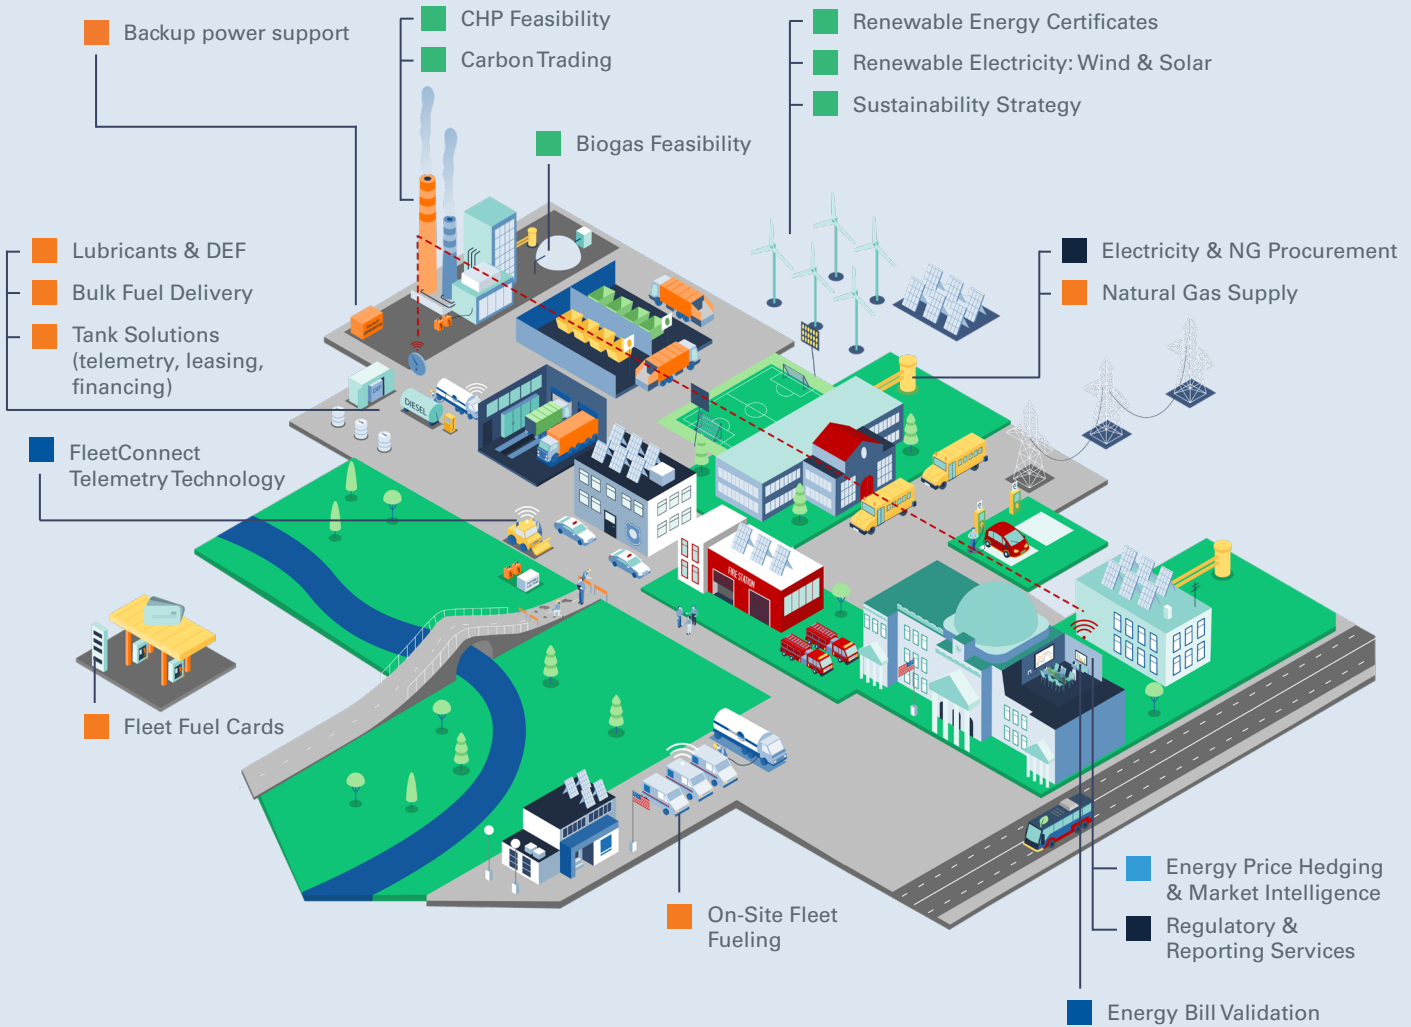

Provide budgetary certainty and protection from fluctuating costs.

Data Management

Aggregate and make sense of your data, to help you make informed decisions.

Sustainability

Build and implement strategies to reduce your carbon footprint.

Learn how you can get the energy you need, protect your budget, and reduce your carbon footprint.
