RE: Notice of Intent to Award Contract, # COG-2113B, to Otto Environmental Systems North America, Inc. in response to RFP COG-2113 for Waste & Recycling Containers with Related Solutions

Dear Sandra:

On behalf of Equalis Group and The Cooperative Council of Governments, thank you for your interest and participation in this Request for Proposal ("RFP") process to develop Equalis Group's Waste & Recycling Containers with Related Solutions program (the "Program"). After careful review and scoring of the proposals submitted on March 4, 2021, it is the decision of the Proposal Review Team that your organization's proposal is one of the lowest responsive and responsible proposal. As a result, it is the intent of The Cooperative Council of Governments, Inc. to award a cooperative purchasing contract to Otto Environmental Systems North America, Inc.¹

As one of the lowest responsive and responsible proposers, your proposal has responded to the RFP specifications in all material aspects and contains no irregularities or deviations from those specifications which we deem would materially and/or substantively affect the quality of the proposal, designate your proposal unresponsive or disqualified, or provide you with an unfair competitive advantage.

Equalis Group and Otto Environmental Systems North America, Inc. must now finalize and reach agreement regarding the Master Agreement and Administration Agreement contract terms and conditions. The Master Agreement contract award and final agreement will be presented to the CCOG Board of Directors for ratification on behalf of Equalis Group. Upon completion of Master Agreement and Administration Agreement negotiations and execution, Equalis Group and Otto Environmental Systems North America, Inc. will be authorized to proceed under the terms of that contract and provide the goods and/or services contracted to current and future Equalis Group members in accordance with the terms, conditions, and pricing as set forth and negotiated pursuant to the RFP.²

If you have any questions or concerns, please contact me immediately.

Sincerely,

David Robbins
