CCOG-2113, WASTE & RECYCLING CONTAINERS WITH RELATED SOLUTIONS**

<b>Question 1</b>
How does an entity become a member?
<b>Answer 1</b>
It is a very simple process. Go to our website and executed a membership agreement.
<b>Question 2</b>
For what city is this waste & recycling needed? Thank you, Lisa Williams Peachtree Waste Atlanta GA 470-809-1221
<b>Answer 2</b>
The purpose of this RFP is to create a competitively solicited, publicly procured, piggybackable contract giving our current and future members the option to purchase the products, services, and solutions procured through this RFP without being required to conduct their own formal RFP process. Equalis Group has members located across the United States.
<b>Question 3</b>
Why does Attachment E list government members primarily from OR, LA, UT?
<b>Answer 3</b>
It may be a requirement in those states for a political subdivision to adopt a cooperative's Master Agreement.
<b>Question 4</b>
How did you develop the estimated \$20,000,000 in revenue by year 3?
<b>Answer 4</b>
As best we can our team estimates the amount of revenue from the entire scope of the contract award. This is done through interviewing industries companies and by performing research. This is by no means a guarantee or constitute spend that is committed by our members. .
