Re: EQ11151905A Performance Based Solutions and Entertainment Systems

Dear Mr. Brunclik:

It has come to our attention that there was some confusion in the language of the original RFP to which Clearwing responded regarding the term of the contract and available renewals. I want to clarify that the official term of the contract is for an initial three (3) years with two (2) optional one year renewals as stated on the contract signature page and in the award letter, as originally agreed by both parties. Any other term mentioned in the body of the RFP was a clerical error and should be disregarded. We apologize for any confusion.

Regards,

Sue Hayes
