

**NEW** PURELL® Professional Surface Disinfecting Wipes

POWERFUL GERM KILL, EPA'S LOWEST ALLOWABLE TOXICITY RATING

**Worry-Free Disinfection** – Many surface wipes use harsh chemicals, but PURELL Professional Surface Disinfecting Wipes are best-in-category for safety. There's no need for rinsing, gloves, or handwashing after use.

**Powerful Efficacy** – Removes common germs, viruses, and bacteria. Kills 99.9% of viruses and bacteria – including cold and flu, strep, and whooping cough. Kills the virus that causes COVID-19 in 30 seconds.

**Multi-Surface Compatibility** – The durable, one-step disinfectant and cleaner is safe for almost every school surface – from door handles to desks, gym mats to cafeteria tables.

# Use the brand people trust to keep germs and harsh chemicals out of the classroom

## PURELL® Professional Surface Disinfecting Wipes Advantages:

- Safe for common classroom surfaces
- No bleach, no harsh fumes, no handwashing needed after use
- Kills the virus that causes COVID-19 in 30 seconds.
- No toxic chemical residue
- Durable, one-step disinfectant and cleaning formulation
- Meets OSHA requirements for bloodborne pathogens

## Use PURELL Surface Disinfecting Wipes as part of The PURELL SOLUTION™

PURELL Surface Disinfecting Wipes are the perfect addition to The PURELL SOLUTION, a holistic set of products designed to fight germs on hands and surfaces. PURELL Surface Disinfecting Wipes are best for the frequent disinfection of hard surfaces or where quick turnaround is needed. Use alongside PURELL® Surface Disinfectant Spray, ideal for daily disinfection of hard or soft surfaces where broader coverage is needed.

The PURELL Brand is built upon high standards of performance to provide the most effective solutions for learning environments.
