

# THE RENAISSANCE INSTITUTE

Trusted Advisors in Educational Technology and Information Systems

## Who We Work With

- K-12 Schools of all sizes
- Universities
- Nonprofits

## What We Do

- Ongoing Program Support
- Executive Training, Coaching, and Mentorship
- Digital Review of Upcoming Purchases and Initiatives
- Strategic Planning and Tactical Road Maps for Your Technology Program

## What We Believe

- We believe in and support public and private education
- We believe that teachers are the most important element in a school system and in a child's education
- We believe that technology plays a vital role in supporting teachers, administrators, and staff
- We believe that intelligent and wise use of technology will modernize education at all levels

## Why Us

- We are trusted advisors to K-12 leaders and will never jeopardize that trust
- We will remain vendor and product neutral in order to maintain trust
- All decisions and advice are grounded in the best interest of the client
- Our client list is also our reference list

Dr. Andrew Berning, President  
The Renaissance Institute
