

SERVICE CENTER

CALIBRATION | PARTS | REPAIR

You provide great care for your students, we provide great care for your equipment!

You rely upon screening and diagnostic products to help you keep students healthy. These precision tools need regular calibration and occasional repairs for best performance. That is why we offer:

Calibration - Ensure your screening equipment operates within the specifications and meets all relevant standards

Parts - Replace worn components and broken parts to keep your health equipment working optimally

Repairs - Get preventative maintenance and repairs to extend product life and sustain performance

Count on our skilled technicians to deliver high quality service and these advantages:

- Each technician has over 10 years of hands-on experience
- Close relationships with each product manufacturer allows them to learn the latest technologies and advancements
- Friendly, customer-focused service ensures your complete satisfaction

We calibrate and service:

- Audiometers
- Vision Screeners
- OAE Screeners
- Tympanometers
- Sphygmomanometers
