

**CERTIFIED ROOFERS,
CONTRACTORS, AND
DEVELOPERS**

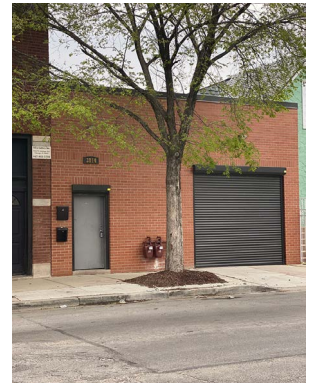

DARDON CONSTRUCTION, INC IS A FAMILY-OWNED BUSINESS, LOCATED IN THE HEART OF LOGAN SQUARE/HUMBOLDT PARK IN CHICAGO, IL.

The company was found in 1969, it started out as a roofing business and like all businesses we have been able to expand and engage in bigger projects throughout the Chicagoland area. The capabilities of Dardon Construction, Inc. are not limited to just residential projects, we are also capable of performing big commercial projects which include **projects with the City of Chicago and Chicago Housing Authority.**

Some of our licenses and certifications include but not limited to: General Contractor, HVAC, Electrical, Brick and Concrete, State Roofing License, etc.

- Dardon Construction, Inc is the premier roofing contractor servicing the Chicagoland area and surrounding suburbs.
- We specialize in roofing, siding, restoration services, new construction, remodeling and rehab, concrete, brick work, etc.
- Our estimators, technicians, office personnel always provide excellent customer service, and we always make sure that the customers needs are always met.
- All technicians are highly qualified and certified in their respective field
