

POWERLINK
ELECTRIC Inc.

The Most Powerful
Link to your
Electrical Needs

ABOUT US

Quality, Experience & Exceptional Service

ESTABLISHED IN 2006

We are a full service electrical and technology company that provides services throughout the Midwest and East Coast. Focusing on commercial, industrial and high-end residential markets gives us the ability to effectively address all of our customers' needs ranging from emergency service calls to long-term construction and remodeling projects.

EXECUTIVE TEAM

Douglas Pantle earned a Bachelors degree in electrical engineering from the University of Illinois in 1987 and served an apprenticeship with IBEW local 150, becoming a journeyman wireman. He has 34 years of experience in electrical contracting.

Steve Lipinski is a graduate of Purdue University and currently holds a Supervising Electrician's License. He brings a wealth of knowledge to the construction team at Powerlink Electric. His organizational and management skills together with his technical knowledge provide a strong foundation for leadership.

We offer a variety of resources for every electrical project. Maintaining our own fleet of service vehicles allows us to respond promptly to any situation, including emergencies.
