# Section One, Part A – Overview, Scope, and Project Information

#### Overview

This request for proposal ("RFP") is published by the Cooperative Council of Governments ("CCOG") for the purpose of awarding a master cooperative purchasing agreement (the "Master Agreement") and creating a cooperative purchasing program for an alternative procurement delivery method for general contracting services (the "Program") that will be available to current and future members of Equalis Group (the "Members"). Under applicable state statutes, public sector entities nationwide that join Equalis Group can purchase products and services through the resulting Master Agreement without having to conduct their own formal procurement process, thereby saving both themselves and the awarded suppliers (a "Winning Supplier" or "Supplier Partner") significant time and money.

## 2. CCOG Background

CCOG is a Council of Governments and Ohio political subdivision organized under Chapter 167 of the Ohio Revised Code. CCOG is an Equalis Group, LLC ("Equalis Group") lead public agency and, in that role, conducts formal public sector competitive solicitation processes in compliance with applicable public sector procurement guidelines to select a Winning Supplier(s) to provide products and services to Members.

At the conclusion of this RFP process, CCOG will award a Master Agreement to the Winning Supplier(s).

## 3. Role of Equalis Group

Equalis Group works with lead public agencies, such as CCOG, that are legally empowered to conduct formal procurement processes, enter into Master Agreements, and make those Master Agreements available to public sector organizations such as: municipalities, K-12 school districts, counties, higher education institutions, special districts, tribal nations, and state and federal agencies as well as non-profit and for-profit organizations across the country.

The Winning Supplier(s) and Equalis Group will also enter into a separate management agreement (the "Administration Agreement") which defines i) the roles and responsibilities of both parties relating to marketing and selling the Program to current and prospective Members and ii) the financial terms between the parties. The Winning Supplier and Equalis Group will work closely together to develop and implement marketing and sales strategies to drive program adoption with current and future Members across the country.

Equalis Group, is committed to actively engage with the Winning Suppliers to grow profitable public sector revenue by:

- **3.1. Training Supplier Partners' sales representatives** on the pricing, terms, and conditions of the Master Agreement and how to sell their products and services through this already procured contract vehicle.
- **3.2. Developing sales tools** that address common legal, procurement and compliance questions.
- **3.3.** Creating, implementing, and managing marketing and sales campaigns to jointly identify public sector prospects across the country.
- **3.4. Supporting the sales process** by providing subject matter expertise to prospective Members on the legitimacy of the procurement process that established the Master Agreement.

#### 4. Purpose

It is the intention of CCOG to establish a contract with regional and national companies for Alternative Procurement Delivery Methods ("APDM") of General Contracting Services such as Construction Manager at Risk (CMAR), Design Build, Turnkey, Job Order Contracting ("JOC") and others. CCOG plans to make these contracts available to public agencies across the country. Awarded supplier(s) shall perform covered services under the terms of this agreement.

#### 5. Scope

CCOG is seeking proposals from service providers who have the depth, breadth, and quality of resources necessary to complete all phases of CMAR, Design Build, Turnkey and Job Order Contracting. In addition, CCOG also request any value-add commodity or service that could complement for purpose and scope of this solicitation. Bidders may elect to limit their proposals to a single product or service line within any category, or multiple products and services within any categories. While this solicitation specifically covers APDM Services, respondents are also encouraged to submit an offering on any products or services available that they currently perform in their normal course of business.

Services and solutions within the scope of this RFP include, but are not limited to:

#### 5.1. Services:

- a. Construction Manager at Risk ("CMAR")
- **b.** Design Build
- c. Turnkey Construction Services
- **d.** Job Order Contracting ("JOC")
- **e.** Other procurement delivery methods not defined here.

Job Order Contracts will be fixed unit priced indefinite delivery, indefinite quantity (IDIQ) contracts for construction and facilities services on an as-needed basis as required by the Equalis Group Members. These construction services include minor construction, repair, rehabilitation, or alterations of a facility.

Work would be accomplished via a request from the contractor for a job order proposal based upon the general scope provided by the client member. The specific scope of work for each job order shall be determined in advance and in writing between the Equalis Group Member and the Winning Supplier.

While this solicitation specifically covers APDM Services, respondents are also encouraged to include in their Cost Proposal all products or services available that they currently perform in their normal course of business.

This scope should be read as including all products, equipment, software, services, and any other capability that Bidders are able to offer which supports or complements the scope as defined above.

Bidders are permitted to revise any part of the Excel Workbook to accurately reflect column titles, details, discounts, pricing categories of products, services, and solutions being offered to Equalis Group Members.

All Bidders must complete and submit <u>Proposal Form 2: Cost Proposal</u> using the pricing methodology that best reflects the way pricing will be determined when providing solutions included within the scope of the Bidder's Proposal. The Cost Proposal will be used to define the products, services, and solutions Bidders are offering Equalis

Group Members through the Winning Supplier's Master Agreement. Winning Supplier's contract pricing shall remain firm for 120 days after the award of a contract.

### 5.2. Additional Pricing Information

Below are details which should be taken into consideration when Bidders are developing their Cost Proposal:

- **a. Auditable Pricing**. It is the responsibility of the Bidder to provide a complete Cost Proposal that includes pricing based on a verifiable pricing methodology for all products and/or services to be considered part of the final Master Agreement offered to the Members.
- **b.** Value to the Members. CCOG requests that Bidders offer products and services at lower prices and with better value than what they would ordinarily offer to a single government agency, educational institution, or regional cooperative.
- **c. Not to Exceed Pricing**. CCOG requests that pricing be submitted as not to exceed. Bidder may adjust pricing lower if needed but cannot exceed the pricing submitted.
- d. Indefinite Quantity. This RFP requests pricing for an indefinite quantity of products or related services.
- **e.** *Total Acquisition Cost*. The pricing included in your Cost Proposal must be clearly understood, complete, and fully describe the total cost of acquisition (e.g., the cost of the proposed equipment, products, and services delivered and operational for its intended purpose in the Member's location).
- **f. Prevailing Wage**. The awarded vendor and any of its subcontractors agree to comply with all laws regarding prevailing wage rates applicable to constructions of public work, and any related federal requirements, including the Davis-Bacon Act, applicable to this RFP and Equalis Group Members. The Equalis Group Member will notify the Awarded Supplier of the applicable prevailing wage rates and must apply any local wage rates requested.
- g. Administrative Fee. Pricing provided shall include the administrative fee paid to Equalis Group.
- **h.** *Relevant Information*. All line items included in your Cost Proposal should be described by, but not limited to, characteristics such as manufacture name, stock or part number, size, or functionality.
- **i. Discounts**. Discounts shall be clearly defined. Pricing with multiple discounts levels based on quantity, sales volume, or any other factor is allowable and must be based on a fixed or defined price or sales range or configuration of products & services.
- **j.** *Miscellaneous Material*. For labor-based pricing, as described in <u>5.3. Common Pricing Methodologies</u>, all items not equipment or labor shall be considered miscellaneous material which will haver a maximum margin applied to the cost of the miscellaneous material.
- **k.** Cost Plus a Percentage or Cost-Plus Pricing. Cost-Plus Pricing is not acceptable as the primary pricing methodology for the solutions provided in your Cost Proposal. Cost Plus Pricing can be defined as adding a markup to the cost of goods or services to arrive at a selling price. Using this pricing methodology is not accepted by Members using Federal Grant Funds to purchase the products or services offered by the Winning Supplier.

#### 5.3. Common Pricing Methodologies

Examples of commonly used pricing methodologies include, but are not limited to:

a. Line-Item Pricing. Products and services are individually priced based on a line-item discount. For each line-item entry, Bidders must provide both verifiable price ("List Price") as well as the price which will be offered to the Members ("Contract Price") and the associated price discount (if applicable) in their pricing model where the Contract Price is calculated by applying the applicable discount to the List Price. The List Price will be the standard "quantity of one" price currently available to government and educational customers.

- b. Percentage Discount Off List Price by Catalog or Category. Products, services, and/or solutions associated with a defined catalog or category are given a specific and uniform percentage discount based on a published List Price ("Catalog Discount" or "Category Discount"). Individualized percentage discounts can be applied to any number of defined product groupings. The types of products, parts, and services using the Catalog or Category Discount methodology must be clearly identified and defined.
- c. R.S. Means or Equivalent Unit Pricing Book. Pricing included in the Cost Proposal are calculated using R.S. Means or equivalent Unit Price Book ("UPB") and may be used for Labor and Materials. Pricing must be submitted as a coefficient of the UPB line-item pricing. State, local, or regional modifiers may be utilized. If no specific state, city, or region is specified, then pricing submitted will be assumed as available in all 50 states.

Unless specified otherwise by the Bidder, standard labor hour rates will be calculated from 8:00 AM until 5:00 PM and overtime rates will be calculated for all other hours worked. Recognized holidays which are eligible for overtime rates all day include: New Year's Day, Martin Luther King, Jr. Day, Presidents Day, Memorial Day, Independence Day, Labor Day, General Election Day, Veterans Day, Thanksgiving Day and Friday after, Christmas Eve and Christmas Day, and New Year's Eve. Any deviations to these recognized holidays must be specified as a part of a Bidder's Cost Proposal.

**d.** Labor Based Pricing. Provide classifications of labor with billable rates for each respondent's office(s), territories, or district(s) along with any sub-office pricing as required. Each of these labor rates shall be fully burdened and will be set for regular working hours (**Bidder** shall describe these hours).

Sub-contractor labor shall not be recognized. Each Bidder shall determine their sub-contractor's labor rate as a prime labor classification. For example, an electrician's labor rate shall be calculated based on the respondent's sub-contractor's labor billable rate plus respondent's normal margins on sub-contractor labor. A per diem and over-time hours shall be set at a certain rate. The classification definitions are provided in the table below.

Additionally, the hours for each task in a scope of work shall use a benchmark against an established data set (e.g.; RS Means or others) to ensure that the hours provided can be verified. Each of these hourly tasks shall have a coefficient of labor against an established data set (e.g.; RS Means or others) city cost index by each respondent's office(s), territories, or district(s) to determine effectiveness of providing these tasks. Additionally, a formula shall be established to adjust labor rates on a yearly basis.

If a Bidder does not choose to include a specific labor classification simply mark the line item as "NA". Awarded vendors will then be required to apply for approval from CCOG prior to using an item marked "NA".

- **b.** Additional Discounts and Savings. A Bidder may disclose the volume requirements and subsequent discounts extended to Members who purchase larger than normal volumes. All other rebate programs or incentives should be described and quantified as a part of your Cost Proposal.

#### 5.5. All Products and Services Must Be Priced

All products and additional services such as installation, delivery, tech support, training, and other services must be priced. Any product or service provided free of charge should be listed in order to be included on any resulting contract award.

#### 5.6. Regional or Geographically Limited Proposals

Bidders may submit a Cost Proposal for services that are only available in specific regions or regions. Please provide a matrix that addresses the following:

- a. *Preference*. The listing in numeric order of the Winning Supplier's contract area preference.
- **b.** *Region*. If the Bidder desires to price a single region, list the region as number one and any additional region the Bidder would like to be considered for in order of preference for each region priced.

## 5.7. Pricing Compliance Review

The goal is to provide transparency and contract review for CCOG, Equalis Group and Winning Supplier. This process includes a review of the scope of work narrative by line item plus and adjustments offered including, but not limited to, regional discounts, per diem rate, and overtime.

#### 6. Evaluation Process

### 6.1. Evaluation Caveats

- **a.** Proposal Rejection. The Proposal Review Team reserves the right to reject any and all proposals, in whole or in part, received in response to this RFP. Proposals that are materially non-responsive will be rejected and CCOG will provide notice of rejection to the Bidder.
- **b.** Negligence. Negligence on the part of Bidder in preparing its proposal submitted in response to this RFP confers no right of modification or withdrawal of Bidder's proposal after the proposal due date.
- **c.** Competitive Range. It may be necessary to establish a competitive range. Factors from the evaluation criteria will be used to make this determination. Responses not in the competitive range are unacceptable and do not receive further award consideration.

### 6.2. Evaluation and Scoring of Proposals

The Proposal Review Team will evaluate based on Bidder's proposal submission. Proposal scoring will be weighted as described in this section. Bidders should not assume that the Proposal Review Team is familiar with current or past work activities of any Bidder.

In scoring the proposals, the PRT will score in two (2) parts:

### a. Part One - Technical Proposal Scoring Criteria:

The PRT will score Technical Proposals by assessing a Bidder's response to the questions presented in **Proposal Form One: Technical Proposal**. The PRT will read, review, discuss, and reach consensus on the final technical score for each Technical Proposal.

A maximum of <u>65</u> points will be awarded for the Technical Proposal and points will be distributed according to the schedule below.

### • Supplier Overview & Qualifications

- Twenty (20) total points allocated to:
  - o Financial Strength & Legal Consideration
  - o Industry Qualifications
  - o Public Sector Focus
  - Customer References
  - o Insurance Coverage

### Products, Services, Capabilities

- Thirty (30) total points allocated to:
  - Products & Services Offering
  - o Differentiators
  - o Capabilities and Capacity to Perform
  - Additional Offering
  - o Customer Service

### Go to Market Strategy

- Fifteen (15) total points allocated to:
  - o Public Sector Growth Plan
  - Bidder Organizational Structure & Staffing Relationship
  - Contract Implementation & Expectations

### b. Part Two - Cost Proposal Scoring Criteria

In order to be considered for an award, and for the PRT team to review the Cost Proposal, a Technical Proposal must achieve a total of at least <u>45</u> points (a score which represents that Bidder can successfully perform the resulting contractual duties) out of the possible <u>65</u> points to qualify for continued consideration. Any Technical Proposal which does not meet the minimum required point threshold will be determined nonresponsive to this RFP and the associated sealed Cost Proposal will neither be opened nor considered.

Once the Technical Proposal has achieved a score of <u>45</u> points or greater, the PRT will review Cost Proposals to determine the best overall financial value. The PRT will take into account the Bidder's

responses to the questions provided, pricing for products & services, and any costs or charges associated with service and support, reporting, and additional services proposed.

CCOG may, at its sole discretion, select specific data from Bidder's Cost Proposal to evaluate. CCOG also reserves the right to request additional pricing scenarios for the purpose of providing Market Basket Pricing or Project Based Pricing to compare Bidders' Cost Proposals more accurately.

A maximum of <u>35</u> points will be awarded for the Cost Proposal and points will be distributed according to the schedule below.

### Pricing of Products & Services

- Thirty-five (35) total points\_allocated to:
  - o Pricing for all available products and services
  - Ability for Members to verify that they received contract pricing
  - Other factors relevant to this section as submitted by the Bidder

### 7. Clarification & Negotiation

### 7.1. Proposal Clarification

Bidders identified as finalists may be requested to participate in a proposal clarification discussion as part of the evaluation process, if deemed necessary. The PRT reserves the right to select Bidders within the competitive range for discussion and may not seek clarification of all Bidders. Any Bidders interviewed will bear all their costs of any scheduled interview.

### 7.2. Negotiation

CCOG, in its sole discretion, may request all Bidders in the competitive range to submit a Best and Final Offer. Bidders must submit their Best and Final Offers in writing. If a Bidder does not respond to the request for a Best and Final Offer, that Bidders most recent offer will be considered to be its Best and Final Offer.

## 8. Final Scoring and Supplier Recommendation

The total of each Bidder's Technical Proposal and Cost Proposal will be added together to calculate the final points awarded to each Bidder.

## 9. Final Supplier Recommendation

The PRT will recommend to CCOG as the lowest responsive and responsible Bidder(s) the technically qualified supplier(s) offering the proposal most advantageous to Members, taking into consideration factors such as price and the evaluation of criteria in the Technical Proposal.

#### 10. Contract Award.

#### 10.1. Award Criteria

CCOG will award the contract to the responsible Bidder whose proposal is most advantageous with price and other factors considered. The decision to award multiple contracts, award only one contract, or to make no awards rests solely with CCOG.

#### 10.2. Award Caveats

CCOG is under no obligation to issue a contract as a result of this solicitation if, in the opinion of CCOG and the PRT, none of the proposals are sufficiently responsive to the objectives and needs of Members, CCOG, or Equalis Group. CCOG reserves the right to not select any Bidder should CCOG decide not to proceed for any reason.

#### 11. Protests

#### 11.1. Protest of RFP

A protest may be filed by a prospective or actual Bidder alleging improprieties in the issuance of the RFP or any other event preceding the deadline for proposal submission. The protest must be sent via email to <a href="mailto:Procurement@EqualisGroup.org">Procurement@EqualisGroup.org</a> and prior to the proposal due date.

#### 11.2. Contract Award Protests

Any potential or actual Bidder objecting to the award of a contract resulting from the issuance of this RFP may file a protest of contract award and must be submitted no later than 12:00 PM Eastern of the eighth (8th) calendar day after the public announcement of contract award. The Bidder(s) who would have been awarded the contract will be notified of the receipt of the protest.

## 11.3. Required information For Protest Submission

Whether for a protest of the RFP or contract award(s) the protest must be filed in writing and must contain the following information;

- **a.** The name, address, and telephone number of the protestor;
- b. The name and number of the RFP being protested;
- **c.** A detailed statement of the legal and factual grounds for the protest, including copies of any relevant documents;

- e. A statement as to the form of relief requested from CCOG; and
- **f.** Any other information the protestor believes to be essential to the determination of the factual and legal questions at issue in the written protest.

CCOG will issue written decisions on all timely protests and will notify any protestor who filed an untimely protest as to whether or not the protest will be considered.

#### 11.4. Protest Caveats

An untimely protest may be considered by CCOG if CCOG, in its sole discretion, determines that the protest raises issues significant to CCOG's procurement methodology. An untimely protest is one received by CCOG after the time periods set forth in this section.

## **PROPOSAL FORM 6: MANDATORY DISCLOSURES**

### 1. Mandatory Contract Performance Disclosure.

Disclose whether your company's performance and/or the performance of any of the proposed subcontractor(s) under contracts for the provision of products and services that are the same or similar to those to be provided for the Program which is the subject of this RFP has resulted in any formal claims for breach of those contracts. For purposes of this disclosure, "formal claims" means any claims for breach that have been filed as a lawsuit in any court, submitted for arbitration (whether voluntary or involuntary, binding or not), or assigned to mediation. For any such claims disclosed, fully explain the details of those claims, including the allegations regarding all alleged breaches, any written or legal action resulting from those allegations, and the results of any litigation, arbitration, or mediation regarding those claims, including terms of any settlement. While disclosure of any formal claims will not automatically disqualify a Bidder from consideration, at the sole discretion of Equalis Group, such claims and a review of the background details may result in a rejection of a Bidder's proposal. Equalis Group will make this decision based on the Proposal Review Team's determination of the seriousness of the claims, the potential impact that the behavior that led to the claims could have on the Bidder's performance of the work, and the best interests of Members.

Provide statement here. Insert statement here.

### 2. Mandatory Disclosure of Governmental Investigations.

Indicate whether your company and/or any of the proposed subcontractor(s) has been the subject of any adverse regulatory or adverse administrative governmental action (federal, state, or local) with respect to your company's performance of services similar to those described in this RFP. # PROCUREMENT, PROFESSIONAL AND SERVICE CONTRACTS

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. The contractor will take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry,

marital status, sex, affectional or sexual orientation. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this non-discrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisement for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation.

The contractor or subcontractor, where applicable, will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to P.L. 1975, c. 127, as amended and supplemented from time to time and the Americans with Disabilities Act.

The contractor or subcontractor agrees to attempt in good faith to employ minority and female workers trade consistent with the applicable county employment goal prescribed by N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time or in accordance with a binding determination of the applicable county employment goals determined by the Affirmative

Action Office pursuant to N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time.

The contractor or subcontractor agrees to inform in writing appropriate recruitment agencies in the area, including employment agencies, placement bureaus, colleges, universities, labor unions, that it does not discriminate on the basis of age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of it testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the state of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

The contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and lay-off to ensure that all such actions are taken without regard to age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and conform with the applicable employment goals, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

The contractor and its subcontractors shall furnish such reports or other documents to the Affirmative Action Office as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Affirmative Action Office for conducting a compliance investigation pursuant to <u>Subchapter 10 of the Administrative Code (NJAC 17:27)</u>.

#### D. C. 271 Political Contribution Disclosure Form

#### **Public Agency Instructions**

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. **It is not intended to be provided to contractors.** What follows are instructions on the use of form local units can provide to contractors that are required to disclose political contributions pursuant to <u>N.J.S.A.</u> 19:44A-20.26 (P.L. 2005, c. 271, s.2). Additional information is available in Local Finance Notice 2006-1 (https://www.nj.gov/dca/divisions/dlgs/resources/lfns 2006.html).

- 1. The disclosure is required for all contracts in excess of \$17,500 that are **not awarded** pursuant to a "fair and open" process (N.J.S.A. 19:44A-20.7).
- 2. Due to the potential length of some contractor submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. **The form is worded to accept this alternate submission.** The text should be amended if electronic submission will not be allowed.
- 3. The submission must be **received from the contractor and** on file at least 10 days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.
- 4. The contractor must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that contractors be provided a list of the affected agencies. This will assist contractors in determining the campaign and political committees of the officials and candidates affected by the disclosure.
  - a) The Division has prepared model disclosure forms for each county. They can be downloaded from the "County PCD Forms" link on the Pay-to-Play web site at <a href="https://www.state.nj.us/dca/divisions/dlgs/programs/pay 2 play.html">https://www.state.nj.us/dca/divisions/dlgs/programs/pay 2 play.html</a> They will be updated from time-to-time as necessary.
  - b) A public agency using these forms should edit them to properly reflect the correct legislative district(s). As the forms are county-based, they list all legislative districts in each county. Districts that do not represent the public agency should be removed from the lists.
  - c) Some contractors may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.
  - d) The form may be used "as-is", subject to edits as described herein.
  - e) The "Contractor Instructions" sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.
  - f) The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.
- 5. It is recommended that the contractor also complete a "Stockholder Disclosure Certification." This will assist the local unit in its obligation to ensure that contractor did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the 12 months prior to the contract. (See Local Finance Notice 2006-7 for additional information on this obligation) A sample Certification form is part of this package and the instruction to complete it is included in the Contractor Instructions. **NOTE: This section is not applicable to Boards of Education.**

#### C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

#### **Contractor Instructions**

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a "fair and open" process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any State, county, or municipal committee of a political party
- any legislative leadership committee\*
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
  - o of the public entity awarding the contract
  - o of that county in which that public entity is located
  - o of another public entity within that county
  - o or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county. The disclosure must list reportable contributions to any of the committees that exceed \$300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an "interest" ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs). When the business entity is a natural person, "a contribution by that person's spouse or child, residing therewith, shall be deemed to be a contribution by the business entity." [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure. Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report. The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor's responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement. The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor's submission and is disclosable to the public under the Open Public Records Act. The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law.

# NOTE: This section does not apply to Board of Education contracts.

<sup>1</sup> N.J.S.A. 19:44A-3(s): "The term "legislative leadership committee" means a committee established, authorized to be established, or designated by the President of the Senate, the Minority Leader of the Senate, the Speaker of the General Assembly or the Minority Leader of the General Assembly pursuant to section 16 of P.L.1993, c.65 (C.19:44A-10.1) for the purpose of receiving contributions and making expenditures."

This Master Agreement may be renewed for one (1) additional one (1) year period by CCOG (a "Renewal Term") unless this Master Agreement is terminated as set forth herein. By mutual consent of the Parties, the Term of this Master Agreement may be extended beyond the Initial and Renewal Term (the "Extended Term"). #### 2.5. Formation of Contract

- a. <u>Bidder Contract Documents</u>. CCOG and Equalis Group will review proposed Bidder contract documents. - b. Entire Agreement. This Master Agreement, including its Recitals, together with all components of the RFP, attachments, appendices, and exhibits hereto, constitutes the entire agreement between the Parties with respect to the subject matter hereof and supersedes all prior oral or written representations and agreements with regard to the same subject matter. The Parties acknowledge that this Master Agreement has been negotiated and incorporates their collective agreement as to the provisions to be contained herein. If any Losses are asserted against an Indemnified Party, such Indemnified Party shall notify the Indemnifying Party as promptly as practicable and give it an opportunity to defend the same. The Indemnified Party shall reasonably cooperate with the Indemnifying Party in connection with such defense. In the event that the Indemnifying Party in connection with such claim fails to defend against the claim within thirty (30) days after Notice of such claim, the Indemnified Party shall be entitled to assume the defense thereof, and the Indemnifying Party shall be liable to repay the Indemnified Party entitled to indemnification for all its expenses reasonably incurred in connection with said defense (including reasonable attorneys' fees and settlement payments) until the Indemnifying Party assumes such defense. CCOG, Equalis, and their respective officers, directors, employees, and agents will be named as certificate holders on Winning Supplier's related insurance policies. All such insurance policies shall incorporate a provision requiring the giving of written Notice to CCOG and Equalis at least thirty (30) days prior to the cancellation, nonrenewal, and/or material modification of any such policies. Winning Supplier shall submit to Equalis within ten (10) calendar days after the Effective Date of this Master Agreement, and prior to furnishing Products & Services to any Program Participants, valid certificates evidencing the effectiveness of the foregoing insurance policies.

Winning Supplier shall provide such valid certificates on an annual basis until the terms of this section are no longer applicable.

If the provision of Products & Services are impeded due to an Event of Force Majeure, then Winning Supplier may apportion the provision of Products & Services among its present and future customers on a fair and reasonable basis after consulting with Equalis and the Program Participants potentially affected and in a manner that would not reasonably be expected to disproportionately affect Program Participants.

All notices, claims, certificates, requests, demands, and other communications required or permitted hereunder ("Notice") must be in writing and will be deemed given to the Addresses for Notices (a) when delivered personally to the recipient, (b) upon delivery by reputable overnight courier service (charges prepaid), or (c) upon delivery or refusal of delivery by certified or registered mail, return receipt requested, and addressed to the intended recipient.
