To the Region 10 Education Service Center's Procurement Board,

HQE Systems, Inc. is a FEMA Certified Service-Disabled Veteran-Owned Small Business (SDVOSB) with its global headquarters in Temecula, CA. HQE Systems is pleased to submit a response to the Region 10 Education Service Center's request for an offer regarding the Silent Panic Alert Technology. Since 2014, HQE Systems has been designing, developing, hosting, and maintaining Electronic Mass Notification Systems / Digital Panic Buttons for a host of clients worldwide. Specifically, our EMNS solution is utilized by all levels of government and private organizations.

It is with great pleasure that we present you with the following response to provide the Region 10 Education Service Center with the Silent Panic Alert Technology, to include:

- ❖ A dedicated EMS team with an experience similar in size and scope to this project
- ❖ A team that is certified and has the know-how to onboard, deploy, and maintain this project
- ❖ A hosted solution that is certified and approved for use for all FEMA IPAWS communications
- ❖ A solution that can communicate via Voice Calls, SMS Text, Email, Social, RSS, IPAWS & App.
- ❖ A solution that can also provide workstation desktop & digital display alerts\*
- ❖ A solution with unlimited 3rd party software & hardware\* integrations capabilities
- ❖ Full turn-key solution to include robust training and customer support

The Silent Panic Alert Technology solution being offered for solicitation R10-1147 from HQE meets or exceeds all specifications of the stated requirements. HQE acknowledges, understands, and complies with all FARS, Scope, Requirements, and Instructions outlined in the document(s), the Statement of Work (SOW), amendments, and attachment(s) provided by the Region 10 Education Service Center. Proposal Validity: 120 Days

## 2. Company Information

### 2.1 Why Our Customers Choose Us

HQE Systems, Inc. (HQE) is a FEMA Certified Service Disabled Veteran Owned Small Business (SDVOSB) with its global headquarters in Temecula, California. HQE was founded by service-disabled veterans who wanted to continue to serve our communities after honorably serving in the military. For a short period, the founders of HQE worked as Subject Matter Experts (SMEs) for our nation's largest technology companies. With the work ethics sharpened in the military and the

technical knowledge gained from working in large technology companies, the founders of HQE decided to open its door officially in 2014. Since then, HQE has grown to become an internationally recognized full-service technology company servicing over 1,000+ sites worldwide.

The value of HQE goes beyond just our technically superior offer and price. Since 2014, we have continued solving problems for our clients through innovative software development and systems integration. Any company can offer a piece of equipment and install it. That's the easy part. But very few are capable of integrating legacy technologies with modern systems. Ultimately, our new customers always become our longtime customers due to our ability to solve problems others won't touch. We solve problems!

### 2.2 Our Full In-House Technology Capabilities

### 3. HQE’s In-House Emergency Management Solutions

#### 3.1 HQE’s Full Mass Notification Systems (MNS) Capabilities

HQE provides full turn-key solutions and services for all MNS capabilities. Our MNS engineering and technical teams have the experience and know-how to support projects of any size and scope successfully. HQE can provide solutions for systems design, planning, installation, upgrades, and sustainment services. We can provide the full spectrum of solutions as a full turnkey service because all of the core capabilities are in-house. HQE can provide full solutions for the capabilities listed below:

- ❖ **Mass Notification Management Software:** On-Premise or Cloud-Based
- ❖ **Electronic Mass Notification System (EMNS):** Software mass notification solution
  - Emails Alerts                      Phone Calls                      SMS Text Alerts
  - Desktop Alerts                      Social Media Alerts                      Push Notifications
- ❖ **Indoor Notification:** Unified indoor alerting capabilities
  - Fire Alarm Integration      Cable TV Alerts                      Visual/Audio Beacons
  - Marquee Sign Alerts      VoIP Integration                      Paging Systems
  - Panic Buttons                      Workplace Violence                      Active Shooter Locator
- ❖ **Outdoor Warning Sirens:** All-weather intelligible audio outdoor warning system
- ❖ **Integration Services:** Software and Hardware integrations
- ❖ **Maintenance Services:** Short/Long Term Preventative and Corrective Maintenance
- ❖ **Consulting Services:** Assessment, Planning, and SOP development services

The solutions being offered by HQE are fully compliant with all applicable laws and regulations.

## 3.2 HQE's Proposed Solution: The SiRcom SMART Alert Software ("SiSA")

### 3.2.1 Why Clients Choose The SiRcom SMART Alert Solution ("SiSA")

The **SiRcom SMART Alert System ("SiSA")** offered to the Region 10 Education Service Center is the world's SMARTEST agile mass notification software that will meet or exceed your requirements.

SiSA is deployable for immediate coverage for your organization with no limitations.

- ❖ **Unlimited Deployment Capable**
  - SiRcom has currently deployed to all levels of the Government & Dept. of Defense.
- ❖ **Most Secure Alerting Software**
  - SiRcom's Advanced Encryption Security was developed to the Department of Defense standards which utilize the Advanced 256 BIT AES security protocols.
- ❖ **Unlimited Scalability**
  - SiRcom's core backbone was written with Deep Machine Learning Algorithms with components of the software that is capable of supporting an unlimited number of users, locations, and systems integration for management.
- ❖ **Fully Compliant and Certified Software**
  - SiRcom's security, data protection policies, and control measures are based on the Federal Information Security Management Act (FISMA) risk management and mitigation framework that is defined by the National Institute of Standards and Technology (NIST). SiRcom is assessed and inspected by a 3rd Party Assessment Organization and holds current certifications for SysTrust Statement on Standards for Attestation Engagements and Service Operations Controls SOC2 and SOC3.

## SiSA's Can Integrate All Your Life Safety & Security Systems Into A Single Portal

**SiSA Will Work With All Your Current & Future Systems:** (Below) SiSA can integrate all your existing or future 3rd Party Hardware and Software systems into SiSA's single management portal. This integration capability allows any size organization to increase the efficiency and overall effectiveness of its life safety and security system. (Note: Below is offered for information purposes only as the proposed solution for this project is only focused on electronic notifications only). However, to include the hardware integrations, HQE can provide this integration solution in the future at any time.

SiSA is currently integrated with over 100+ life safety and security systems worldwide. From highly sophisticated Department of Defense systems to simple fire alarms. Our limitless integration capabilities are achievable because SiSA was developed with Deep Machine Learning Algorithms and has an Application Programming Interface (API) that seamlessly integrates all 3rd party systems.

We understand that sometimes 3rd party software and hardware systems don't have or won't be provided with an API. Do not worry. HQE's in-house software and systems integration engineers can provide a solution and workaround to help you modernize your legacy systems while leveraging SiSA as your emergency alert system. In addition, SiSA can automate all of your database management to ensure that your alerts are sent to your latest recipients list in your database software.

Note: Above depicts other alerting options not included in this proposal (i.e., PA Systems, Outdoor Sirens, Desktop Alerts, etc.)

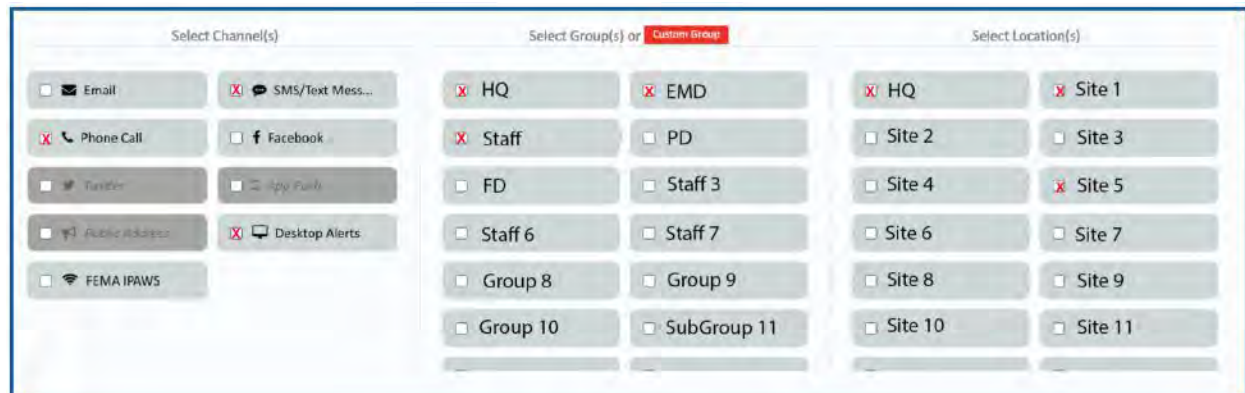

## SiSA Is Built To Configure Easily To Match Your Organization Structure

**Your Organization Is Unique** (Below) We understand that not every organization is the same. This is why SiSA was developed to be configurable and customizable to any organization's structure (departments, size, and locations).

Note: We know not every message structure is the same and we want you to be able to customize your alerts to the situation and not have to make software “fit” into the incident.

**No Matter Your Structure, SiSA Will Match Your Needs:** (Below) Based on your organization’s structure and alerting requirements, SiSA can be customized to match how your organization manages all the alerting protocols. Below is an example of SiSA’s simple but highly effective 1 - 2 - 3 alerting process in the system. No matter how many groups or locations your organization is responsible for, SiSA can be configured in minutes to match your organization.

Note: Above is a screenshot of the message tab in SiSA’s dashboard

## The SiRcom SMART Alert Software (SiSA): SMART Dashboard

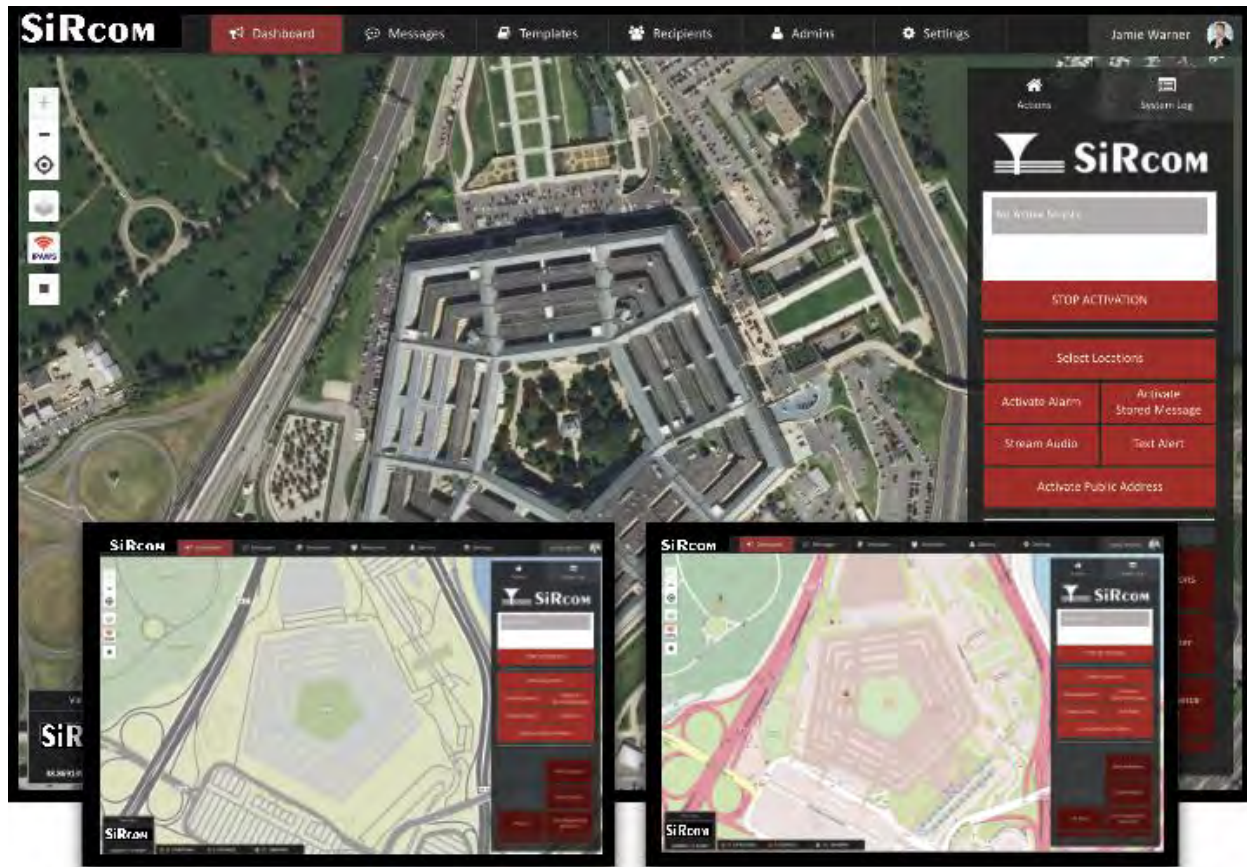

An Agile, Secure, and Easy To Use Modern Alerting Software.

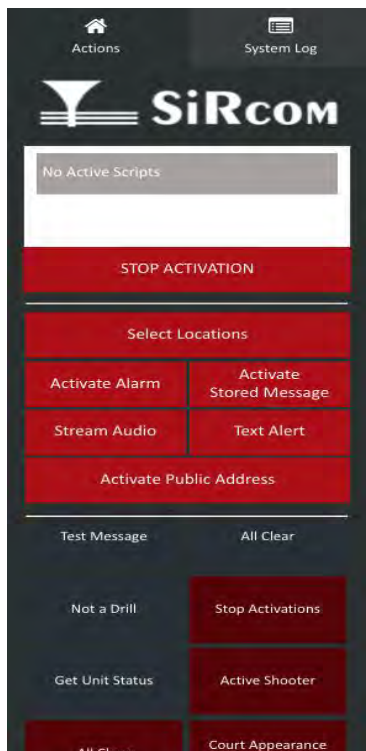

The **SiRcom SMART Alert Software's ("SiSA")** Graphic User Interface (GUI) was developed with all of the modern capabilities while keeping the user portal as simple and easy to use as possible.

- ❖ **Responsive & Mobile Friendly:** The GUI will automatically recognize the screen size (desktop, laptop, mobile phone, tablet) and adjust the content to ensure the best viewing.
- ❖ **Fast and Secure:** The software is a lite but agile software developed with Advanced Encryption Standard (AES) 256 Bit Encryption. For security in transit, we utilize the latest Transport Layer Security (TLS) and Secure/Multipurpose Internet Mail Extensions (S/MIME).
- ❖ **Easy To Navigate:** SiSA was developed for EASY navigation to allow for any authorized user to be able to operate the system with little to no training. It is HIGHLY INTUITIVE.
- ❖ **Interactive Map:** SiSA allows the authorized user to zoom in and out. Select points of interest via a selection tool. Query specific LAT / LONG to addresses. The map backbone is built to integrate into ArcGIS, QGIS, Carto, Google Maps, Palladio, ESRI, StorymapJS, and other 3rd party map platforms (including the open-source map software on the market).
- ❖ **Fully FEMA IPAWS Certified:** SiSA was originally developed for the Federal Government using the highest testing standards of the Department of Defense for their Emergency and Security Command and Control requirements. Since FEMA has approved it to allow for FEMA IPAWS alerting. This allows any client to generate and receive all FEMA alerts (Federal, State, and Local Authorities).

**Interactive Map:** (Below) The GUI has three (3) easy-to-use interactive maps.

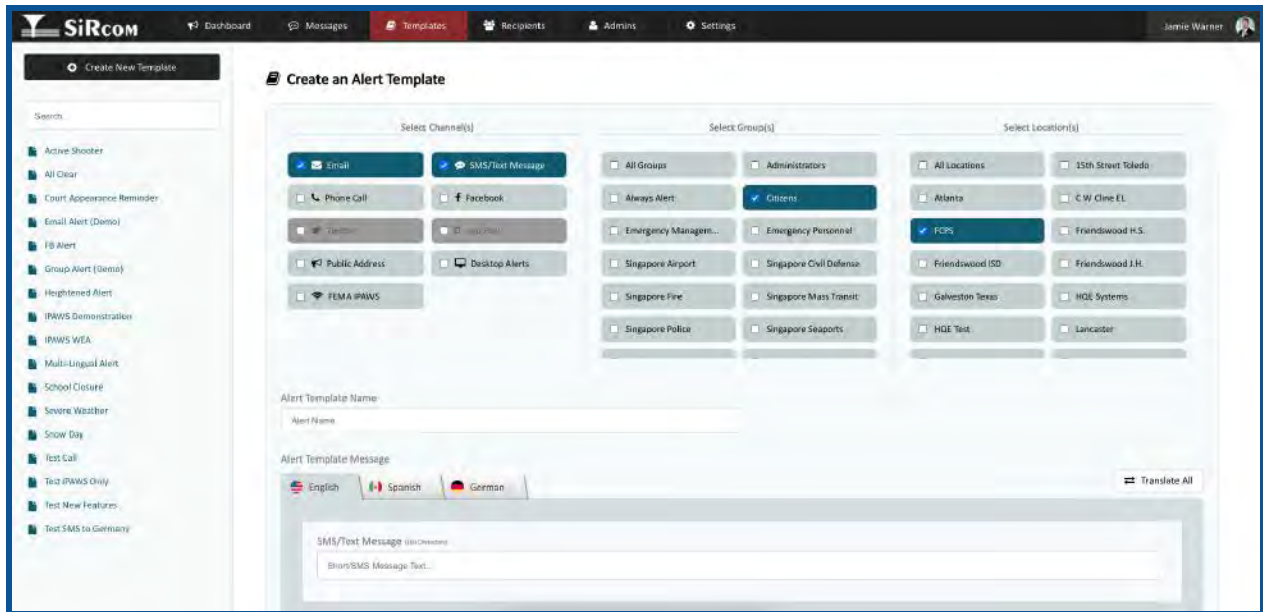

**Customize Your Quick Selection Menu To Fit Your Organization's SOPs To Save Time & Reduce Chaos**

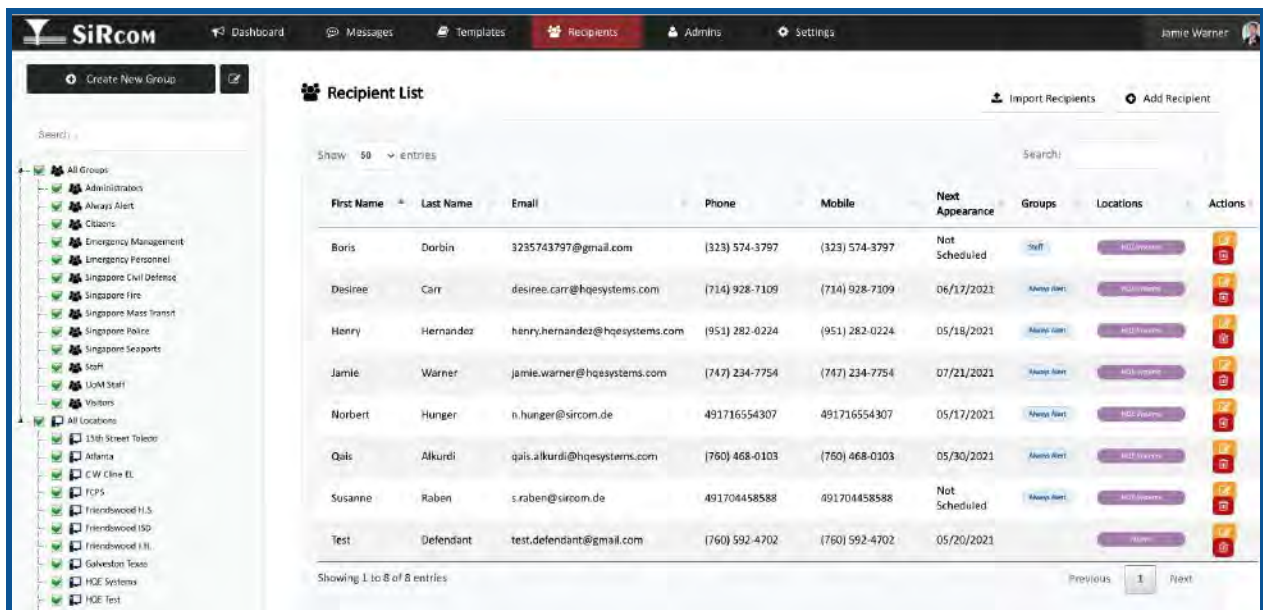

1. The quick selection menu is located on the dashboard that is available on the interactive map (on the right-hand side, see dashboard image above).
2. The quick selection menu is fully customizable to meet your organization's needs. This allows the quick selection menu to display the most likely situations faced by your staff. This menu can be as simple or processed as you require to meet your emergency management SOPs.
3. From the quick selection menu, an administrator can quickly choose an action button and select the person(s), group(s), and location(s) to easily send the alert. In addition, from the quick selection menu, the administrator can pause or cancel all alerts. In an emergency, the quick selection menus have been the tool of choice for emergency managers.
4. The quick selection menu has a historical records section available for authorized administrators to review and export. This allows for a quick export of all administrative use information.

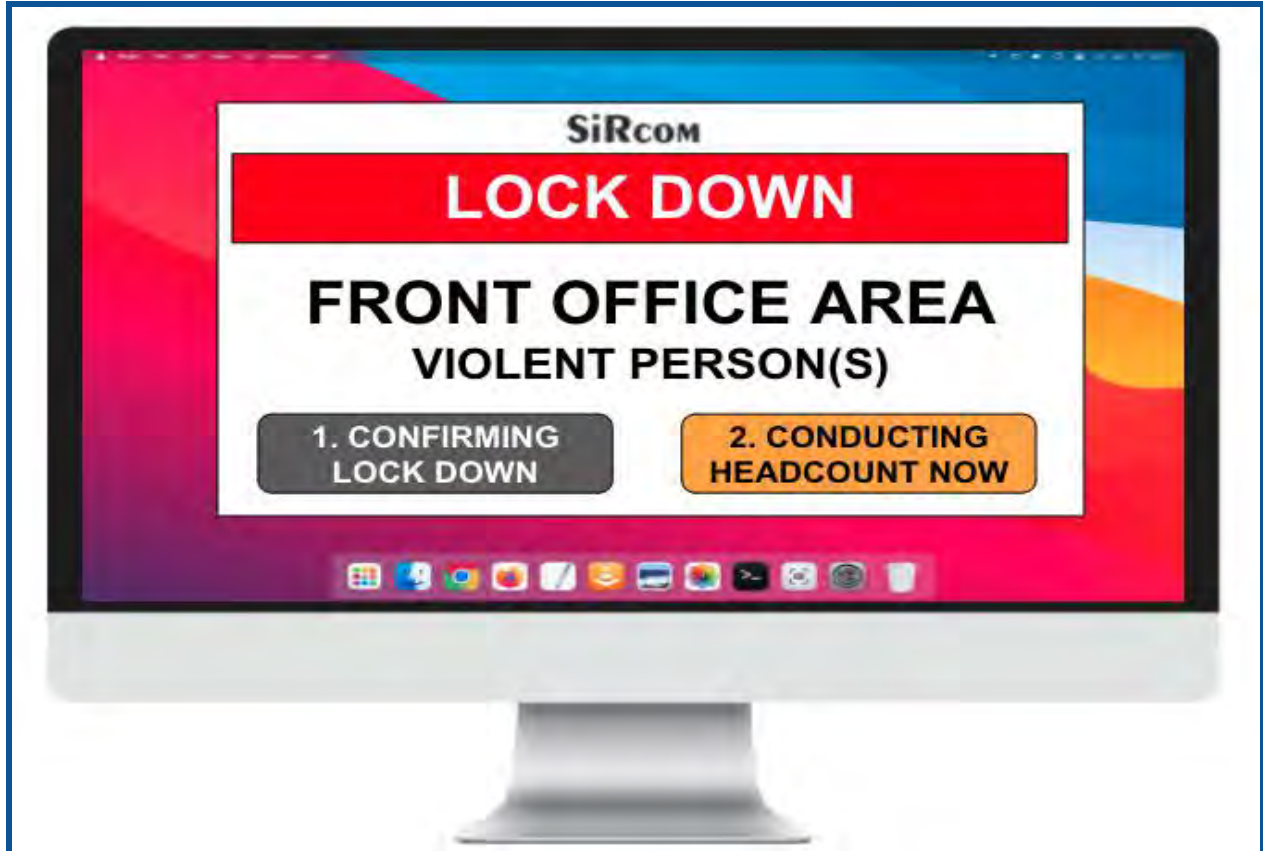

**Messages Templates Tab:** (Below) The Region 10 Education Service Center has the ability to create an unlimited number of message templates that can be saved for future use.

**Recipients Tab:** (Below) The Region 10 Education Service Center can create an unlimited number of groups and subgroups. This will allow for a custom hierarchy approved and authorized by the Region 10 Education Service Center’s main administrators. SiSA will also allow for automatic user base updates or manual .CSV or other file format uploads to maintain the latest user contact information. The main administrators or group/subgroup administrators can also manage roles and create groups based on local alerting SOPs (roles, locations, etc.)

**Digital Panic Alert Buttons:** (Below) SiSA has a built-in alerting capability for authorized users to transmit alerts to all networked workstations on-site immediately. This alert can also send 2-way confirmation and communications action buttons. This allows authorized administrators to quickly consolidate essential information to increase situational awareness and prioritize the action on site. (Option)

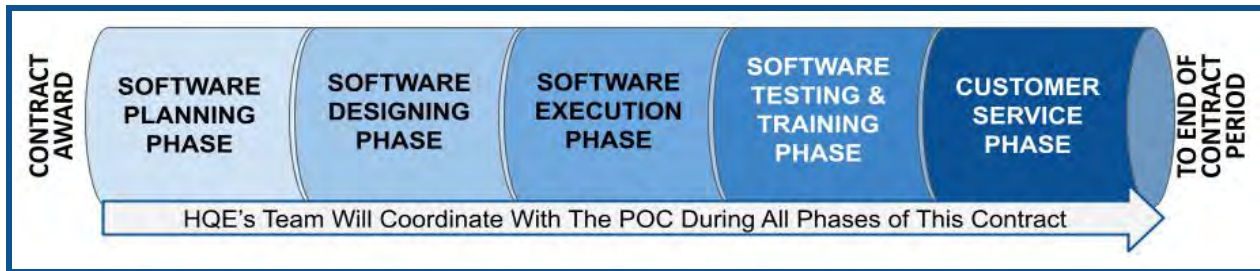

**Interactive Panic Alert Button:** (Below) SiSA has an unlimited number of buttons that can be created. However, a few of the common buttons are shown below to provide a better understanding of the software’s potential.

Note: Buttons above are a few sample buttons that can be created. SiSA has unlimited “action buttons” creation capability to match your organization's emergency SOP process and procedures.

### 3.3 HQE’s Project Approach To The NC DPS’s Requirement

HQE’s strength is in our ability to implement the solution efficiently and effectively. While the implementation project schedule may change due to unforeseen circumstances and project complexities, HQE can deploy the solution faster than the time stated below if requested by the Region 10 Education Service Center (“Region 10 ESC”). HQE’s Onboarding Project Manager and his team will work closely with Region 10’s project team to understand and define the technical and functional requirements. The team will also define the project's success for both sides during the initial kickoff meeting during the software planning phase. Below is a sample implementation project schedule for review.

\* Note: The proposed estimated days above do not take into consideration any scheduling conflicts, unforeseen changes to the availability of supplies from the manufacturer, inclement weather, the COVID-19 Pandemic, and or civil unrest issues that may cause delays in the overall project. HQE will inform The NC DPS of any potential delays if any arise during any phase of the project.

## 5. Qualifications & Implementation Support

### 5.1 Where We Support Our Customers From

HQE’s global headquarters is located in the Westside Technology Park of Temecula, California. HQE’s HQs consist of the company’s management division, technical staff offices, and two major supply warehouses. Our supply warehouses are stocked with 5% to 10% of high-usage repair parts. Recently, HQE has increased the quantities of the in-stock parts to mitigate the long-term lead times. In addition, HQE has an in-house technical laboratory to support any advanced systems integrations and upgrades. As a global service provider, HQE provides support from multiple locations.

## 5.2 Experience of Key Personnel

### 5.2.1 HQE's Dedicated Experienced Contract & Technical Leaders

**HQE**  
SYSTEMS, INC.

**Qais Alkurdi**  
Corporate Monitor/Contract Manager

CONTRACTORS LICENSE ACTIVE  
SDVOSB  
CYBER SECURITY STRATEGY

Mr. Qais Alkurdi has over 17+ years of Silent Panic Alert Technology experience. His experience ranges from being an on-the-ground technician in multiple combat zones to managing major government projects after his honorable military service. From the beginning of his career, Mr. Alkurdi has fulfilled all the key positions for complex projects. As the Chief Executive Officer for HQE, Mr. Alkurdi is responsible for managing all aspects of this contract to ensure compliance with and adhere to all aspects of the terms and conditions of the service agreement. Mr. Alkurdi will be intimately involved from contract award to the end of contract turnover. Mr. Alkurdi will ensure the team provides quality service and the best solution to the Region 10 Education Service Center. Mr. Alkurdi has successfully managed over 250+ major complex contracts for Fortune 50 companies and HQE since being honorably discharged from the military.

**HQE**  
SYSTEMS, INC.

**David Ditto**  
Program Manager

PROJECT MANAGEMENT PROFESSIONAL PMP® CERTIFICATION  
SDVOSB  
CYBER SECURITY STRATEGY

Mr. Ditto has over 14+ years of direct Silent Panic Alert Technology experience. A certified Project Management Professional, Mr. Ditto has managed major complex projects for clients from both sides of the project. Mr. Ditto has years of experience designing and drafting systems requirements as a Government Official. This experience allows Mr. Ditto to see what obstacles our clients are trying to overcome for any size project. With this experience, Mr. Ditto can manage the solution being provided to meet all of the client's short-term needs and long-term sustainment requirements. The industry considers Mr. Ditto as a subject matter expert for all aspects of Silent Panic Alert Technology. Mr. Ditto has personally designed, installed, upgraded, and maintained over 6,000+ Electronic Security Systems worldwide. With his hands-on experience and honed contract management skills, Mr. Ditto will oversee and ensure each and every step of the contract delivery process.

**Chuck Lewis**  
Program Manager - QC/QA

Mr. Charles “Chuck” Lewis has been hand-picked for this project to ensure all of the services and solutions being provided are of the highest quality. With over 27+ years of leadership and technical experience, he is known as a true subject matter expert for Silent Panic Alert Technology solutions. Mr. Lewis has successfully managed strategic communications/security assets on U.S. Naval submarines, ships, aircraft, and military installations, protecting our nation's most sensitive and strategic sites. Mr. Lewis is known for meticulous attention to detail and as a Project Management Professional, he understands how to maximize the productivity of the team in any environment for any project.

**Nick Ellis**  
Lead Project Manager

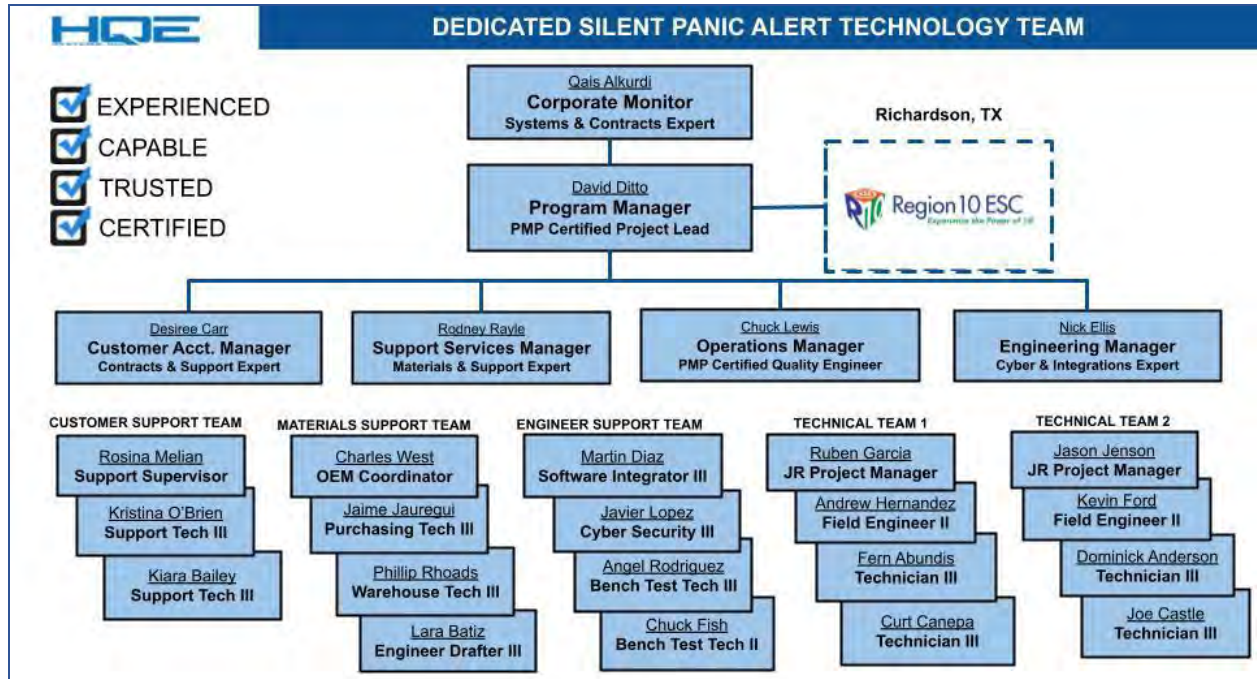

Mr. Nick Ellis has over 13+ years of direct Electronic Security Systems experience. Mr. Ellis is trained and factory-certified with most of the major national brands. He is considered a technical subject matter expert with factory-level training and years of designing, integrating, installing, and upgrading over 4,500+ Electronic Security Systems endpoints. Mr. Ellis also has over 10+ years of leading technical teams on multiple site/facilities projects. After assessing the scope of work, HQE’s leader hand-selected Mr. Ellis for this project for the Region 10 Education Service Center. This was due to Mr. Ellis’ recent successful project that was similar in size and scope to the Region 10 Education Service Center’s project.

The handpicked project leadership team has worked together on over 30+ successful projects in the past year. All of the projects collaborated on were successfully completed and have met all of the customer’s expectations contractually and technically.

### 5.3 Qualifications of Dedicated Project Team

HQE’s Key Personnel includes company officers, directors, and associates bringing over 155+ years of Mass Notification Systems engineering design, installation, and maintenance experience. All our leadership and key personnel have maintained TOP SECRET and SECRET security clearances and have direct experience servicing public safety.

## 6. Key Past Performance (Last 3 Years)

Over the past three years, HQE has designed, implemented, and successfully handed over numerous projects throughout the world. Our success has been built on our capabilities to be of value to our clients by providing the needed service at the right phase of the client’s requirements. From small to major projects, HQE has participated in every phase of the requirements lifecycle. The below graphic depicts projects for which HQE was directly responsible for successfully completing the project. In the past 3 years, HQE has deployed multiple teams worldwide to earn a 5-star customer service rating in the Department of Defense’s performance rating.

- ❖ **General Consulting:** Providing subject matter expertise to conduct gap analysis and design a partial or complete solution requirement that can be utilized to purchase a solution.
- ❖ **Project Management:** Providing oversight and operations management services to oversee a specified project.
- ❖ **Installation & Upgrades:** Providing hardware, software, and integration services for new capabilities. When requested, upgrade the current legacy system in place.
- ❖ **Maintenance & Sustainment:** Providing scheduled preventative and corrective maintenance. To include on-call service support for systems in place.
- ❖ **Full Turn-Key Projects:** Providing full-service support from start to finish of single or multiple projects. HQE’s value to the client is that with our in-house design, engineering, installation, and software team, we can accomplish any size and scope project required by our clients.

Reference	Client Specifications From RFP HQE's Proposed Solution Response	HQE's Proposed Solution
	<b>Products and Services Covered</b>	
PWS - 5.1	It is the intention of Region 10 ESC to establish a contract with Respondent(s) for a complete and comprehensive offering of Silent Panic Alert Technology.	
PWS - 5.2	Panic Alert Button, duress, or equivalent alarm system, via standalone hardware or integrated into other telecommunications devices, includes the following functionality.	
PWS - 5.2.1	An alert must be capable of being triggered manually by staff.	<b>Fully Compliant</b>
HQE's Response	HQE's provided solution SiSa is capable of being triggered manually by staff.	
PWS - 5.2.2	An alert must be triggered automatically in the event a district employee calls 911 using the hardware described in this RFP from any location within the school system.	<b>Fully Compliant</b>
HQE's Response	The SiRcom SMART Alert Software (SiSA) can tie in any sensors (active shooter, campus violence, etc.) that can automatically start the alerting protocols upon being activated.	
PWS - 5.2.3	Within any alert generated, the location of where the alert originated shall be included.	<b>Fully Compliant</b>
HQE's Response	The SiRcom SMART Alert Software (SiSA) pinpoints the alarms being triggered via the secure network management capabilities. All activated alarms will report their exact locations to the management portal.	
PWS - 5.2.4	The alert must notify a set of designated administrators as needed to provide confirmation of response, and, if confirmed, notice must be issued to law enforcement and emergency responder agencies of an emergency situation requiring law enforcement and/or emergency response. A notice can simultaneously be issued to all staff of the need to follow appropriate emergency procedures.	<b>Fully Compliant</b>
HQE's Response	The SiRcom SMART Alert Software (SiSA) is highly configurable to meet Region 10's alerting SOP and structure. The software can match the exact alerting structure (people, groups, locations, etc.) SiSA has a phone integration module that allows the software to dial out when specific panic alarms are activated. These alarm calls will appear to be actual calls from the SiSA to the PSAP. The software will call and notify the dispatch/responding staff of the key information required for the response units.	
PWS - 5.2.5	For any exterior doors that feature an electric locking mechanism that allows for remote locking, the alert system will trigger those doors automatically lock and automatically notify relevant staff of any door where the lock cannot engage.	<b>Fully Compliant</b>
HQE's Response	SiSA is the world's most scalable software. It was developed using deep machine learning algorithms to ensure that all integrations are seamless and operate to the customer's standards/requirements. HQE is experienced and familiar with integrating existing access control systems into the SiSA solution.	
PWS -5.3	This scope includes safety software systems that include, but are not limited to, visitor screening, safety drills, response to emergencies, and reunification as related to the above silent panic alert technology described. Software-only offerings that do not include the above-described hardware will not be considered.	<b>Fully Compliant</b>
HQE's Response	HQE understands and acknowledges this requirement.	

<p><b>PWS - 5.4</b></p>	<p>This scope should be read as including all installation and maintenance requirements for the above products. This includes any labor or materials associated with installation and maintenance services proposed, as well as any applicable warranties or service agreements. This also includes any customer onboarding and ongoing training.</p>	<p><b>Fully Compliant</b></p>
<p><b>HQE's Response</b></p>	<p>HQE's response includes the following services into this offer:</p> <ul style="list-style-type: none"> <li>● Installation and maintenance</li> <li>● Labor and materials associated with installation</li> <li>● Warranties</li> <li>● Service agreements</li> <li>● Onboarding training</li> </ul>	
<p><b>PWS - 5.5</b></p>	<p>Proposed products and services must meet the safety standards and requirements of the state and locality where the proposed fence will be installed. Product offerings may be updated as specified in the General Terms and Conditions to meet updated standards during the life of the contract with Region 10's approval.</p>	<p><b>Fully Compliant</b></p>
<p><b>HQE's Response</b></p>	<p>HQE understands and adheres to this requirement.</p>

## Letters of Reference (Long Term Systems Maintenance Performance)

**DEPARTMENT OF THE AIR FORCE  
22D COMMUNICATIONS SQUADRON (AMC)  
MCCONNELL AIR FORCE BASE KANSAS**

To whom it may concern:

This reference letter is to highlight the service performance of HQE Systems, Inc. for McConnell Air Force Base's (AFB) 5 year outdoor warning system maintenance contract. In CY 2020 McConnell AFB openly solicited competitive bids for the maintenance service of the Outdoor Warning System. After careful review and audit of all of the proposals submitted to the U.S. Air Force, HQE was selected as the winner. HQE surpassed their competitors in technical maintenance experience for outdoor warning systems, and overall capabilities as a mass notification systems solutions provider.

HQE's responsibilities to the McConnell Air Force Base include but are not limited to:

- Clean PC, Monitor, Keyboard, Mouse and Microphone
- Check RF connectors and re-sealed where necessary
- Complete Updates of Central Control Unit from v3.0.10 to v3.0.12
- Install Windows Security Patches and Updates
- Re-wire radio cables to ensure they boot up immediately upon sensing power, in case of power failure
- Conduct a complete shutdown and power-up of the system
- Conduct silent and audible testing to ensure proper operation
- Clean and re-sealed all electronics enclosures to prevent moisture from entering the cabinets
- Conduct a complete shutdown and power-up of the tower
- Clean off any rust or corrosion, and lubricated the battery terminals
- Load test the battery and verified proper voltages
- Check lightning protection module fuses, and re-sealed RF connections as necessary
- Test all fuses and fuse assemblies
- Conduct local & remote audio testing
- Conduct a silent self-test of the hardware, all amplifiers and drivers were found operational

Since the award of the contract, HQE's team has always been on time, met or exceeded the set standards of work to be performed. The system end users at the McConnell AFB have been extremely impressed and satisfied with the professionalism, technical expertise, and the continued support being provided by HQE.

Very Respectfully,

TSgt Trent Wilson  
McConnell Air Force Base

## Letters of Reference (HQE's Selected As The DoD Systems Deployment Vendor)

NAVAL INFORMATION WARFARE CENTER  
MARINE CORPS ELECTRONIC SECURITY SYSTEMS  
CHARLESTON, SC

From: Robert Brown, U.S.M.C. Mass Notification Systems

Subj: REFERENCE LETTER

Dear Mr. John Alfred,

My name is Robert Brown. I am the United States Marine Corps Subject Matter Expert for all Emergency Mass Notification Systems as part of the Naval Information Warfare Center's (NIWC) Marine Corps Electronic Security Systems (MCESS) Program. It is my pleasure to write this letter on behalf of HQE Systems, Inc.

Since 2016, HQE Systems has been a material participant in the installation and upgrades of the Marine Corps' Indoor and Outdoor Mass Notification System worldwide. Over the years, they have been repeatedly selected over multiple vendors who submitted detailed proposals. HQE Systems has become our vendor of choice, consistently and repeatedly meeting and exceeding all of our Mass Notification Systems requirements.

In 2020, after a multi-year analysis and evaluation of all major Mass Notification Systems solution providers, HQE Systems was selected as the top vendor for the Marine Corps' Next Generation MCESS Mass Notification System. HQE Systems' proposed SiRcom SMART Alert solution was selected over the competition to replace the Marine Corps' legacy indoor and outdoor sirens on all Marine Corps installations world wide, with a total contract value of approximately \$10MM.

Throughout the evaluation process, all prospective vendors were thoroughly assessed, inspected, and audited to ensure their capability to perform this strategic life safety system installation. HQE Systems demonstrated their capabilities, agility, and understanding of the Scope of Work, and their proposed SiRcom siren solution was selected as the most innovative and reliable amongst the competition.

If you have any questions, please feel free to contact me at:  
Robert.K.Brown1.CTR@Navy.Mil or (843) 718-4759

Respectfully Submitted,

*Robert Brown*

## Letters of Reference (HQE's Major Unified Life Safety & Security Systems)

### Letter of Reference

November 11, 2020

My name is Roberto Calderon. I am a Senior Project Director for the Children's Hospital of Los Angeles (CHLA). CHLA serves to help children from around the world. As the one of the largest children's hospital around the world, CHLA is proud to be ranked #5 most capable children's hospitals in the world. CHLA encompasses over 4 million square feet of indoor space in the main hospital with over another 10 million square feet of laboratory, admin, and support spaces in Southern California. In hopes to create synergy to improve our healthcare system for the children around the world, CHLA teamed up with University of Southern California (USC) and University of California Los Angeles (UCLA) to create a combined medical campus for our staff and patients. This initiative would require a vendor to unify CHLA, USC, and UCLA with over 25 million square feet of indoor space, 40+ acres of outdoor space that encompasses over 33 buildings over a 100 mile radius.

After reviewing over 20+ major worldwide vendors, HQE Systems, Inc. was selected and awarded the Mass Notification and Electronic Security Systems Project. They were awarded based on their modern solution compared to the legacy solutions being offered by other vendors. In addition, their experience and expertise in the matter demonstrated to our board that they were the most likely candidate to successfully complete the project. This project required HQE Systems, Inc. to provide the following solutions:

- Management Software: On premise solution that can be accessed on site and via web-based devices.
- Electronic security: Over 250 CCTV Camers (exterior and interior) to include Video Management, Recording, and Management Software. Over 300 Intrusion Detection System sensors. Over 1,000+ door Access Control Systems
- Electronic notification: Voice calls, SMS text, Emails, Social Media page updates for over 150K recipients and 15K staff and support contractors.
- Outdoor notifications: Outdoor warning intelligible sirens to cover the campus and open areas, parking structure 30w alert sirens, outdoor digital signs (large)
- Indoor notification equipment to include: Wall mounted alert displays that were ADA compliant, overhead smart paging system, wall mounted and digital panic buttons (covert and overt).
- Implementation of Real Time Asset Tracking: Utilizing IOT SMART technology built into HQE's solution, HQE installed asset tracking for all of our high dollar value equipment
- Integrations of existing solutions: Fire panels, nurse call, VoIP Phones,

The project was delivered on time (6 months) and on budget (\$1,932,000). HQE successfully completed the project with no safety, technical, and or contract issues. It was a pleasure working with the leadership and the technical staff. It is my personal opinion that the project was successful due to HQE's experience as a systems integrators as experts in Mass Notification and Electronic Security Systems. I would highly recommend HQE to any local Government, educational, and healthcare organizations.

## PROPOSAL FORM 7: CONTRACTOR CERTIFICATION REQUIREMENTS

### Contractor's Employment Eligibility

By entering the contract, Contractor warrants compliance with the Federal Immigration and Nationality Act (FINA), and all other federal and state immigration laws and regulations. The Contractor further warrants that it is in compliance with the various state statutes of the states it will operate this contract in.

Participating Government Entities including School Districts may request verification of compliance from any Contractor or subcontractor performing work under this Contract. These Entities reserve the right to confirm compliance in accordance with applicable laws.

Should the Participating Entities suspect or find that the Contractor or any of its subcontractors are not in compliance, they may pursue any and all remedies allowed by law, including, but not limited to: suspension of work, termination of the Contract for default, and suspension and/or debarment of the Contractor. All costs necessary to verify compliance are the responsibility of the Contractor.

The Respondent complies and maintains compliance with the appropriate statutes which requires compliance with federal immigration laws by State employers, State contractors and State subcontractors in accordance with the E-Verify Employee Eligibility Verification Program.

Contractor shall comply with governing board policy of the Region 10 ESC Participating entities in which work is being performed.

---

### Fingerprint & Criminal Background Checks

If required to provide services on school district property at least five (5) times during a month, contractor shall submit a full set of fingerprints to the school district if requested of each person or employee who may provide such service. Alternately, the school district may fingerprint those persons or employees. An exception to this requirement may be made as authorized in Governing Board policy. The district shall conduct a fingerprint check in accordance with the appropriate state and federal laws of all contractors, subcontractors or vendors and their employees for which fingerprints are submitted to the district. Contractor, subcontractors, vendors and their employees shall not provide services on school district properties until authorized by the District.

The Respondent shall comply with fingerprinting requirements in accordance with appropriate statutes in the state in which the work is being performed unless otherwise exempted.

Contractor shall comply with governing board policy in the school district or Participating Entity in which work is being performed.

## **PROPOSAL FORM 9: IMPLEMENTATION OF HOUSE BILL 1295**

### **Certificate of Interested Parties (Form 1295):**

In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

The Texas Ethics Commission was required to adopt rules necessary to implement that law, prescribe the disclosure of interested parties form, and post a copy of the form on the commission's website. The commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The commission also adopted new rules (Chapter 46) on November 30, 2015, to implement the law. The commission does not have any additional authority to enforce or interpret House Bill 1295.

### **Filing Process:**

Starting on January 1, 2016, the commission will make available on its website a new filing application that must be used to file Form 1295. A business entity must use the application to enter the required information on Form 1295 and print a copy of the completed form, which will include a certification of filing that will contain a unique certification number. An authorized agent of the business entity must sign the printed copy of the form and have the form notarized. The completed Form 1295 with the certification of filing must be filed with the governmental body or state agency with which the business entity is entering into the contract.

The governmental entity or state agency must notify the commission, using the commission's filing application, of the receipt of the filed Form 1295 with the certification of filing not later than the 30th day after the date the contract binds all parties to the contract. The commission will post the completed Form 1295 to its website within seven business days after receiving notice from the governmental entity or state agency.

Information regarding how to use the filing application will be available on this site starting on January 1, 2016. [https://www.ethics.state.tx.us/whatsnew/elf\\_info\\_form1295.htm](https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm)

**PROPOSAL FORM 10: BOYCOTT CERTIFICATION AND TERRORIST STATE CERTIFICATION**

**BOYCOTT CERTIFICATION**

Respondents must certify that during the term of any Agreement, it does not boycott Israel and will not boycott Israel. "Boycott" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes.

## PROPOSAL FORM 1 2: FEDERAL FUNDS CERIFICATION FORM

When a participating agency seeks to procure goods and services using funds under a federal grant or contract, specific federal laws, regulations, and requirements may apply in addition to those under state law. This includes, but is not limited to, the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 CFR 200 (sometimes referred to as the "Uniform Guidance" or "EDGAR" requirements). All Vendors submitting proposals must complete this Federal Funds Certification Form regarding Vendor's willingness and ability to comply with certain requirements which may be applicable to specific participating agency purchases using federal grant funds. This completed form will be made available to participating agencies for their use while considering their purchasing options when using federal grant funds. Participating agencies may also require Vendors to enter into ancillary agreements, in addition to the contract's general terms and conditions, to address the member's specific contractual needs, including contract requirements for a procurement using federal grants or contracts.

**For each of the items below, Vendor should certify Vendor's agreement and ability to comply, where applicable, by having Vendor's authorized representative complete and initial the applicable lines after each section and sign the acknowledgment at the end of this form.** If a vendor fails to complete any item in this form, Region 10 ESC will consider the Vendor's response to be that they are unable or unwilling to comply. A negative response to any of the items may, if applicable, impact the ability of a participating agency to purchase from the Vendor using federal funds.

### 1. Vendor Violation or Breach of Contract Terms:

Contracts for more than the simplified acquisition threshold currently set at \$150,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 USC 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Any Contract award will be subject to Region 10 ESC General Terms and Conditions, as well as any additional terms and conditions in any Purchase Order, participating agency ancillary contract, or Member Construction Contract agreed upon by Vendor and the participating agency which must be consistent with and protect the participating agency at least to the same extent as the Region 10 ESC Terms and Conditions.

The remedies under the Contract are in addition to any other remedies that may be available under law or in equity. By submitting a Proposal, you agree to these Vendor violation and breach of contract terms.

### 2. Termination for Cause or Convenience:

When a participating agency expends federal funds, the participating agency reserves the right to immediately terminate any agreement in excess of \$10,000 resulting from this procurement process in the event of a breach or default of the agreement by Offeror in the event Offeror fails to: (1) meet schedules, deadlines, and/or delivery dates within the time specified in the procurement solicitation, contract, and/or a purchase order; (2) make any payments owed; or (3) otherwise perform in accordance with the contract and/or the procurement solicitation. participating agency also reserves the right to terminate the contract immediately, with written notice to offeror, for convenience, if participating agency believes, in its sole discretion that it is in the best

interest of participating agency to do so. Offeror will be compensated for work performed and accepted and goods accepted by participating agency as of the termination date if the contract is terminated for convenience of participating agency. Any award under this procurement process is not exclusive and participating agency reserves the right to purchase goods and services from other offerors when it is in participating agency's best interest.

### **3. Equal Employment Opportunity:**

Except as otherwise provided under 41 CFR Part 60, all participating agency purchases or contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 shall be deemed to include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR Part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

The equal opportunity clause provided under 41 CFR 60-1.4(b) is hereby incorporated by reference. Vendor agrees that such provision applies to any participating agency purchase or contract that meets the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 and Vendor agrees that it shall comply with such provision.

### **4. Davis-Bacon Act:**

When required by Federal program legislation, Vendor agrees that, for all participating agency prime construction contracts/purchases in excess of \$2,000, Vendor shall comply with the Davis-Bacon Act (40 USC 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, Vendor is required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determinate made by the Secretary of Labor. In addition, Vendor shall pay wages not less than once a week.

Current prevailing wage determinations issued by the Department of Labor are available at [www.wdol.gov](http://www.wdol.gov). Vendor agrees that, for any purchase to which this requirement applies, the award of the purchase to the Vendor is conditioned upon Vendor's acceptance of the wage determination.

Vendor further agrees that it shall also comply with the Copeland "Anti-Kickback" Act (40 USC 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled.

**5. Contract Work Hours and Safety Standards Act:**

Where applicable, for all participating agency contracts or purchases in excess of \$100,000 that involve the employment of mechanics or laborers, Vendor agrees to comply with 40 USC 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 USC 3702 of the Act, Vendor is required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 USC 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

**10. Procurement of Recovered Materials:**

For participating agency purchases utilizing Federal funds, Vendor agrees to comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act where applicable and provide such information and certifications as a participating agency may require to confirm estimates and otherwise comply. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery,

and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

**11. Profit as a Separate Element of Price:**

For purchases using federal funds in excess of \$150,000, a participating agency may be required to negotiate profit as a separate element of the price. See, 2 CFR 200.323(b). When required by a participating agency, Vendor agrees to provide information and negotiate with the participating agency regarding profit as a separate element of the price for a particular purchase. However, Vendor agrees that the total price, including profit, charged by Vendor to the participating agency shall not exceed the awarded pricing, including any applicable discount, under Vendor’s Cooperative Contract.

**12. Prohibition on Certain Telecommunications and Video Surveillance Services or Equipment**

Vendor agrees that recipients and subrecipients are prohibited from obligating or expending loan or grant funds to procure or obtain, extend or renew a contract to procure or obtain, or enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system from companies described in Public Law 115-232, section 889. Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country are also prohibited.

**PROPOSAL FORM 13: GENERAL TERMS AND CONDITIONS ACCEPTANCE FORM**

*Signature on the Vendor Contract Signature form certifies complete acceptance of the General Terms and Conditions in this solicitation, except as noted below (additional pages may be attached, if necessary).*

**Check one of the following responses to the General Terms and Conditions:**

We take no exceptions/deviations to the general terms and conditions

*(Note: If none are listed below, it is understood that no exceptions/deviations are taken.)*

We take the following exceptions/deviations to the general terms and conditions. All exceptions/deviations must be clearly explained. Reference the corresponding general terms and conditions that you are taking exceptions/deviations to. Clearly state if you are adding additions terms and conditions to the general terms and conditions. Provide details on your exceptions/deviations below:

*(Note: Unacceptable exceptions shall remove your proposal from consideration for award. Region 10 ESC shall be the sole judge on the acceptance of exceptions/deviations and the decision shall be final.)*

PROPOSAL FORM 14: EQUALIS GROUP ADMINISTRATION AGREEMENT

**Requirements for Master Agreement To be administered by Equalis Group**

**Attachment A, Equalis Group Administrative Agreement** is used in administering Master Agreements with Region 10 and is preferred by Equalis Group. Redlined copies of this agreement should not be submitted with the response. Should a respondent be recommended for award, this agreement will be negotiated and executed between Equalis Group and the respondent. **Respondents must select one of the following options for submitting their response.**

- Respondent agrees to all terms and conditions outlined in each of the Administration Agreement.
- Respondent wishes to negotiate directly with Equalis Group on terms and conditions outlined in the Administration Agreement. Negotiations will commence after sealed Proposals are opened and Region 10 has determined the respondent met all requirements in their response and may be eligible for award.

**PROPOSAL FORM 15: OPEN RECORDS POLICY ACKNOWLEDGEMENT AND ACCEPTANCE**  
**OPEN RECORDS POLICY ACKNOWLEDGMENT AND ACCEPTANCE**

Be advised that all information and documents submitted will be subject to the Public Information Act requirements governed by Chapter 552 of the Texas Government Code.

Because contracts are awarded by a Texas governmental entity, all responses submitted are subject to release as public information after contracts are executed. If a Respondent believes that its response, or parts of its response, may be exempted from disclosure to the public, the Respondent must specify page-by-page and line-by-line the parts of the response, which it believes, are exempted from disclosure. In addition, the Respondent must specify which exception(s) are applicable and provide detailed reasons to substantiate the exception(s). Respondent must provide this information on the "Acknowledgement and Acceptance to Region 10 ESC's Public Information Act Policy" form found on the next page of this solicitation. Any information that is unmarked will be considered public information and released, if requested under the Public Information Act.

The determination of whether information is confidential and not subject to disclosure is the duty of the Office of Attorney General (OAG). Region 10 ESC must provide the OAG with the information requested in order for the OAG to render an opinion. In such circumstances, Respondent will be notified in writing that the material has been requested and delivered to the OAG. Respondent will have an opportunity to make arguments to the OAG in writing regarding the exception(s) to the TPIA that permit the information to be withheld from public disclosure. Respondents are advised that such arguments to the OAG must be specific and well-reasoned--vague and general claims to confidentiality by the Respondent are generally not acceptable to the OAG. Once the OAG opinion is received by Region 10 ESC, Region 10 ESC must comply with the opinions of the OAG. Region 10 ESC assumes no responsibility for asserting legal arguments on behalf of any Respondent. Respondents are advised to consult with their legal counsel concerning disclosure issues resulting from this procurement process and to take precautions to safeguard trade secrets and other proprietary information.

After completion of award, these documents will be available for public inspection.

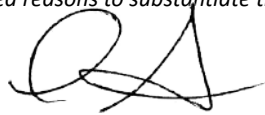

**Signature below certifies complete acceptance of Region 10 ESC's Open Records Policy, except as noted below (additional pages may be attached, if necessary). Check one of the following responses to the Acknowledgment and Acceptance of Region 10 ESC's Open Records Policy below:**

We acknowledge Region 10 ESC's Public Information Act policy and declare that no information submitted with this proposal, or any part of our proposal, is exempt from disclosure under the Public Information Act. *(Note: All information believed to be a trade secret or proprietary must be listed below. It is further understood that failure to identify such information, in strict accordance with the instructions below, will result in that information being considered public information and released, if requested under the Public Information Act.)*

We declare the following information to be a trade secret or proprietary and exempt from disclosure under the Public Information Act. *(Note: Respondent must specify page-by-page and line-by-line the parts of the response, which it believes, are exempt. In addition, Respondent must specify which exception(s) are applicable and provide detailed reasons to substantiate the exception(s).)*

## VENDOR CONTRACT AND SIGNATURE FORM

*This Vendor Contract and Signature Form (“Contract”) is made as of January 1, 2023, by and between HQE Systems, Inc. (“Vendor”) and Region 10 Education Service Center (“Region 10 ESC”) for the purchase of Silent Panic Alert Technology (“the products and services”).*

### RECITALS

WHEREAS, both parties agree and understand that the following pages will constitute the contract between the successful vendor(s) and Region 10 ESC, having its principal place of business at **Education Service Center, Region 10, 400 E Spring Valley Rd, Richardson, TX 75081**

WHEREAS, Vendor agrees to include, in writing, any required exceptions or deviations from these terms, conditions, and specifications; and it is further understood that if agreed to by Region 10 ESC, said exceptions or deviations will be incorporated into the final contract “Vendor Contract.”

WHEREAS, this contract consists of the provisions set forth below, including provisions of all attachments referenced herein. In the event of a conflict between the provisions set forth below and those contained in any attachment, the provisions set forth below shall control.

WHEREAS, the Vendor Contract will provide that any state, county, special district, local government, school district, private K-12 school, technical or vocational school, higher education institution (including community colleges, colleges and universities, both public and private), other government agencies or non-profit organization may purchase products and services at prices indicated in the Vendor Contract upon registering and becoming a Member with Region 10 ESC; and it being further understood that Region 10 ESC shall act as the Lead Public Agency with respect to all such purchase agreements.

WHEREAS, Equalis Group has the administrative and legal capacity to administer purchases on behalf of Region 10 ESC under the Vendor Contract with participating public agencies and entities, as permitted by applicable law.

## 1. ARTICLE 1 – GENERAL TERMS AND CONDITIONS

- 1.1 Equalis Group shall be afforded all of the rights, privileges and indemnifications afforded to Region 10 ESC under the Vendor Contract, and such rights, privileges and indemnifications shall accrue and apply with equal effect to Equalis Group, including, without limitation, Vendor’s obligation to provide insurance and other indemnifications to Lead Public Agency.
- 1.2 Awarded vendor shall perform all duties, responsibilities and obligations, set forth in this agreement, and required under the Vendor Contract.
- 1.3 Equalis Group shall perform its duties, responsibilities and obligations as administrator of purchases, set forth in this agreement, and required under the Vendor Contract.

- 1.4 **Customer Support:** The vendor shall provide timely and accurate technical advice and sales support to Region 10 ESC staff, Equalis Group staff and participating agencies. The vendor shall respond to such requests within one (1) working day after receipt of the request.

## 2. ARTICLE 2 – ANTICIPATED TERM OF AGREEMENT

- 2.1 **Term:** The term of the Contract shall commence upon award and shall remain in effect for a period of one (1) year, unless terminated, canceled or extended as otherwise provided herein. The Contractor agrees that Region 10 ESC shall have the right, at its sole option, to renew the Contract for four (4) additional one-year periods or portions thereof. In the event that Region 10 ESC exercises such rights, all terms, conditions and provisions of the original Contract shall remain the same and apply during the renewal period with the possible exception of price and minor scope additions and/or deletions.
- 2.2 **Automatic Renewal:** Renewal will take place automatically for one (1) year unless Region 10 ESC gives written notice to the awarded supplier at least ninety (90) days prior to the expiration.

## 3. ARTICLE 3 – REPRESENTATIONS AND COVENANTS

- 3.1 **Scope:** This contract is based on the need to provide the economic benefits of volume purchasing and reduction in administrative costs through cooperative purchasing to schools and other Members.
- 3.2 **Compliance:** Cooperative Purchasing Agreements between Equalis Group and its Members have been established under state procurement law.
- 3.3 **Respondent's promise:** Respondent agrees all prices, terms, warranties, and benefits granted by Respondent to Members through this contract are comparable to or better than the equivalent terms offered by Respondent to any present customer meeting the same qualifications or requirements.

## 4. ARTICLE 4 – FORMATION OF CONTRACT

- 4.1 **Respondent contract documents:** Region 10 ESC will review proposed Respondent contract documents. Vendor's contract document shall not become part of Region 10 ESC's contract with vendor unless and until an authorized representative of Region 10 ESC reviews and approves it.
- 4.2 **Form of contract:** The form of contract for this solicitation shall be the Request for Proposal, the awarded proposal(s) to the lowest responsible Respondent(s), and properly issued and reviewed purchase orders referencing the requirements of the Request for Proposal. If a firm submitting a proposal requires Region 10 ESC and/or Member to sign an additional agreement, a copy of the proposed agreement must be included with the proposal.
- 4.3 **Entire Agreement (Parol evidence):** The contract, as specified above, represents the final written expression of agreement. All agreements are contained herein and no other agreements or representations that materially alter it are acceptable.
- 4.4 **Assignment of Contract:** No assignment of contract may be made without the prior written approval of Region 10 ESC. Purchase orders and payment can only be made to awarded vendor unless otherwise approved by Region 10 ESC. Awarded vendor is required to notify Region 10 ESC when any material change in operations is made that may adversely affect Members (i.e. awarded vendor bankruptcy, change of ownership, merger, etc.).
- 4.5 **Contract Alterations:** No alterations to the terms of this contract shall be valid or binding unless authorized and signed with a "wet signature" by a Region 10 ESC staff member.
- 4.6 **Order of precedence:** In the event of a conflict in the provisions of the contract as accepted by Region 10 ESC, the following order of precedence shall prevail:

- General terms and conditions
- Specifications and scope of work
- Attachments and exhibits
- Documents referenced or included in the solicitation

4.7 **Supplemental Agreements:** The entity participating in the Region 10 ESC contract and awarded vendor may enter into a separate supplemental agreement to further define the level of service requirements over and above the minimum defined in this contract i.e. invoice requirements, ordering requirements, specialized delivery, etc. Any supplemental agreement developed as a result of this contract is exclusively between the participating entity and awarded vendor. Neither Region 10 ESC, Equalis Group, its agents, Members and employees shall be made party to any claim for breach of such agreement.

## 5. ARTICLE 5 – TERMINATION OF CONTRACT

5.1 **Cancellation for non-performance or contractor deficiency:** Region 10 ESC may terminate any contract if Members have not used the contract, or if purchase volume is determined to be low volume in any 12-month period. Region 10 ESC reserves the right to cancel the whole or any part of this contract due to failure by contractor to carry out any obligation, term or condition of the contract. Region 10 ESC may issue a written deficiency notice to contractor for acting or failing to act in any of the following:

- i. Providing material that does not meet the specifications of the contract;
- ii. Providing work and/or material that was not awarded under the contract;
- iii. Failing to adequately perform the services set forth in the scope of work and specifications;
- iv. Failing to complete required work or furnish required materials within a reasonable amount of time;
- v. Failing to make progress in performance of the contract and/or giving Region 10 ESC reason to believe that contractor will not or cannot perform the requirements of the contract; and/or
- vi. Performing work or providing services under the contract prior to receiving a Region 10 ESC reviewed purchase order for such work.

Upon receipt of a written deficiency notice, contractor shall have ten (10) days to provide a satisfactory response to Region 10 ESC. Failure to adequately address all issues of concern may result in contract cancellation. Upon cancellation under this paragraph, all goods, materials, work, documents, data and reports prepared by contractor under the contract shall become the property of the Member on demand.

5.2 **Termination for cause:** If, for any reason, the Vendor fails to fulfill its obligation in a timely manner, or if the vendor violates any of the covenants, agreements, or stipulations of this contract, Region 10 ESC reserves the right to terminate the contract immediately and pursue all other applicable remedies afforded by law. Such termination shall be effective by delivery of notice, to the vendor, specifying the effective date of termination. In such event, all documents, data, studies, surveys, drawings, maps, models and reports prepared by vendor for this solicitation may become the property of the participating agency or entity. If such event does occur then vendor will be entitled to receive just and equitable compensation for the satisfactory work completed on such documents.

5.3 **Delivery/Service failures:** Failure to deliver goods or services within the time specified or within a reasonable time period as interpreted by the purchasing agent, or failure to make replacements or

corrections of rejected articles/services when so requested shall constitute grounds for the contract to be terminated. In the event that the participating agency or entity must purchase in an open market, contractor agrees to reimburse the participating agency or entity, within a reasonable time period, for all expenses incurred.

- 5.4 **Force Majeure:** If by reason of Force Majeure, either party hereto shall be rendered unable wholly or in part to carry out its obligations under this Agreement then such party shall give notice and full particulars of Force Majeure in writing to the other party within a reasonable time after occurrence of the event or cause relied upon, and the obligation of the party giving such notice, so far as it is affected by such Force Majeure, shall be suspended during the continuance of the inability then claimed, except as hereinafter provided, but for no longer period, and such party shall endeavor to remove or overcome such inability with all reasonable dispatch.

The term Force Majeure as employed herein, shall mean acts of God, strikes, lockouts, or other industrial disturbances, act of public enemy, orders of any kind of government of the United States or the State of Texas or any civil or military authority; insurrections; riots; epidemics; landslides; lighting; earthquake; fires; hurricanes; storms; floods; washouts; droughts; arrests; restraint of government and people; civil disturbances; explosions, breakage or accidents to machinery, pipelines or canals, or other causes not reasonably within the control of the party claiming such inability. It is understood and agreed that the settlement of strikes and lockouts shall be entirely within the discretion of the party having the difficulty, and that the above requirement that any Force Majeure shall be remedied with all reasonable dispatch shall not require the settlement of strikes and lockouts by acceding to the demands of the opposing party or parties when such settlement is unfavorable in the judgment of the party having the difficulty

- 5.5 **Standard Cancellation:** Either party may cancel this contract in whole or in part by providing written notice. The cancellation will take effect 90 business days after the other party receives the notice of cancellation. After the 90th business day all work will cease following completion of final purchase order. Region 10 ESC reserves the right to request additional items not already on contract at any time.

## 6. ARTICLE 6 – LICENSES

- 6.1 **Duty to keep current license:** Vendor shall maintain in current status all federal, state and local licenses, bonds and permits required for the operation of the business conducted by vendor. Vendor shall remain fully informed of and in compliance with all ordinances and regulations pertaining to the lawful provision of services under the contract. Region 10 ESC reserves the right to stop work and/or cancel the contract of any vendor whose license(s) expire, lapse, are suspended or terminated.
- 6.2 **Suspension or Debarment:** Respondent shall provide a letter in the proposal notifying Region 10 ESC of any debarment, suspension or other lawful action taken against them by any federal, state, or local government within the last five (5) years that precludes Respondent or its employees from participating in any public procurement activity. The letter shall state the duration of the suspension or action taken, the relevant circumstances and the name of the agency imposing the suspension. Failure to supply or disclose this information may be grounds for cancellation of contract.
- 6.3 **Survival Clause:** All applicable software license agreements, warranties or service agreements that were entered into between Vendor and Customer/participating Member under the terms and conditions of the Contract shall survive the expiration or termination of the Contract. All Purchase Orders issued and accepted by Order Fulfiler shall survive expiration or termination of the Contract.

## 7. ARTICLE 7 – DELIVERY PROVISIONS

- 7.1 **Delivery:** Vendor shall deliver said materials purchased on this contract to the participating Member issuing a Purchase Order. Conforming product shall be shipped within 7 days of receipt of Purchase Order. If delivery is not or cannot be made within the time specified by the Purchase Order the vendor must receive authorization from the purchasing agency for the delayed delivery. At this point the participating entity may cancel the order if estimated shipping time is not acceptable.
- 7.2 **Inspection & Acceptance:** If defective or incorrect material is delivered, purchasing agency may make the determination to return the material to the vendor at no cost to the purchasing agency. The vendor agrees to pay all shipping costs for the return shipment. Vendor shall be responsible for arranging the return of the defective or incorrect material.
- 7.3 **Responsibility for supplies tendered:** Vendor shall be responsible for the materials or supplies covered by this contract until they are delivered to the designated delivery point.
- 7.4 **Shipping Instructions:** Unless otherwise specified, each case, crate, barrel, package, etc, delivered under this contract must be plainly labeled, securely tagged, stating Vendor's name, purchase order number, quantity contained therein, and delivery address as indicated in the order. Deliveries must be made within the hours of 8:00 am – 4:00 pm. Deliveries at any other time (including Saturdays, Sundays and holidays) will not be accepted unless arrangements have been made in advance with the receiver at the delivery point. Vendor understands that it is their responsibility to ensure compliance with the delivery instructions outlined in this agreement.
- 7.5 **Additional charges:** Unless bought on F.O.B. "shipping point" and Vendor prepays transportation, no delivery charges shall be added to invoices except when express delivery is authorized and substituted on orders for the method specified in the contract. In such cases, the difference between freight or mail and express charges may be added to the invoice.
- 7.6 **Buyer's delays:** Region 10 ESC will not be responsible for any late fees due the prime contractor by the participating Member. The prime contractor will negotiate with the participating agency for the recovery of damages related to expenses incurred by the vendor for a delay for which the Member is responsible, which is unreasonable, and which was not within the contemplation of the parties to the contract between the two parties.

## 8. ARTICLE 8 – BILLING AND REPORTING

- 8.1 **Payments:** The participating entity using the contract will make payments directly to the awarded vendor. Payment shall be made after satisfactory performance, in accordance with all provisions thereof, and upon receipt of a properly completed invoice.
- 8.2 **Tax Exempt Status:** Since this is a national contract, knowing the tax laws in each state is the sole responsibility of the Vendor.

## 9. ARTICLE 9 – PRICING

- 9.1 **Market competitive guarantee:** Vendor agrees to provide market competitive pricing, based on the value offered upon award, to Region 10 ESC and its participating public agencies throughout the duration of the contract.
- 9.2 **Price increase:** Should it become necessary or proper during the term of this contract to make any change in design or any alterations that will increase expense, Region 10 ESC must be notified immediately. Price increases must be approved by Lead Agency and no payment for additional materials or services, beyond the amount stipulated in the contract, shall be paid without prior approval. All price increases must be supported by manufacture documentation, or a formal cost justification letter.

Vendor must honor previous prices for thirty (30) days after approval and written notification from Region 10 ESC if requested.

It is Vendor's responsibility to keep all pricing up to date and on file with Region 10 ESC. All price changes must be provided to Region 10 ESC, using the same format as was accepted in the original contract.

- 9.3 **Additional Charges:** All deliveries shall be freight prepaid, F.O.B. destination and shall be included in all pricing offered unless otherwise clearly stated in writing.
- 9.4 **Price reduction and adjustment:** Price reduction may be offered at any time during contract and shall become effective upon notice of acceptance from Region 10 ESC. Special, time-limited reductions are permissible under the following conditions: 1) reduction is available to all Members equally; 2) reduction is for a specific time period, normally not less than thirty (30) days; 3) original price is not exceeded after the time-limit; and 4) Region 10 ESC has approved the new prices prior to any offer of the prices to a Member. Vendor shall offer Region 10 ESC any published price reduction during the contract period.
- 9.5 **Prevailing Wage:** It shall be the responsibility of the Vendor to comply, when applicable, with the prevailing wage legislation in effect in the jurisdiction of the purchaser (Region 10 ESC or its Participating Members). It shall further be the responsibility of the Vendor to monitor the prevailing wage rates as established by the appropriate Department of Labor for any increase in rates during the term of this contract and adjust wage rates accordingly.
- 9.6 **Administrative Fees:** The Vendor agrees to pay administrative fees to Equalis Group based on the terms set in the Equalis Group Administration Agreement. All pricing submitted to Region 10 shall include the administrative fee to be remitted to Equalis Group by the awarded vendor.
- 9.7 **Price Calculation:** Cost plus a percentage as a primary mechanism to calculate pricing is not allowed. Pricing may either be in the form of line item pricing, defined as a specific individual price on a product or service, or a percentage discount from a verifiable catalog or price list. Other discounts or incentives may be offered.

## 10. ARTICLE 10 – PRICING AUDIT

- 10.1 **Audit rights:** Vendor shall, at Vendor's sole expense, maintain appropriate due diligence of all purchases made by Region 10 ESC and any participating entity that accesses this Agreement. Equalis Group and Region 10 ESC each reserve the right to audit the accounting for a period of three (3) years from the time such purchases are made. This audit right shall survive termination of this Agreement for a period of one (1) year from the effective date of termination. In the State of New Jersey, this audit right shall survive termination of this Agreement for a period of five (5) years from the date of final payment. Such records shall be made available to the New Jersey Office of the State Comptroller upon request. Region 10 ESC shall have the authority to conduct random audits of Vendor's pricing that is offered to eligible entities at Region 10 ESC's sole cost and expense. Notwithstanding the foregoing, in the event that Region 10 ESC is made aware of any pricing being offered to eligible agencies that is materially inconsistent with the pricing under this agreement, Region 10 ESC shall have the ability to conduct an extensive audit of Vendor's pricing at Vendor's sole cost and expense. Region 10 ESC may conduct the audit internally or may engage a third-party auditing firm. In the event of an audit, the requested materials shall be provided in the format and at the location designated by Region 10 ESC or Equalis Group.

## 11. ARTICLE 11 – PROPOSER PRODUCT LINE REQUIREMENTS

- 11.1 **Current products:** Proposals shall be for materials and equipment in current production and marketed to the general public and education/government agencies at the time the proposal is submitted.
- 11.2 **Discontinued products:** If a product or model is discontinued by the manufacturer, Vendor may substitute a new product or model if the replacement product meets or exceeds the specifications and performance of the discontinued model and if the discount is the same or greater than the discontinued model.
- 11.3 **New products/Services:** New products and/or services that meet the scope of work may be added to the contract. Pricing shall be equivalent to the percentage discount for other products. Vendor may replace or add product lines to an existing contract if the line is replacing or supplementing products on contract, is equal or superior to the original products offered, is discounted in a similar or to a greater degree, and if the products meet the requirements of the solicitation. No products and/or services may be added to avoid competitive procurement requirements. Region 10 ESC may require additions to be submitted with documentation from Participating Members demonstrating an interest in, or a potential requirement for, the new product or service. Region 10 ESC may reject any additions without cause.
- 11.4 **Options:** Optional equipment for products under contract may be added to the contract at the time they become available under the following conditions: 1) the option is priced at a discount similar to other options; 2) the option is an enhancement to the unit that improves performance or reliability.
- 11.5 **Product line:** Vendors with a published catalog may submit the entire catalog. Region 10 ESC reserves the right to select products within the catalog for award without having to award all contents. Region 10 ESC may reject any addition of equipment options without cause.
- 11.6 **Warranty conditions:** All supplies, equipment and services shall include manufacturer's minimum standard warranty and one (1) year labor warranty unless otherwise agreed to in writing.
- 11.7 **Buy American requirement:** Vendors may only use unmanufactured construction material mined or produced in the United States, as required by the Buy American Act. Where trade agreements apply, to the extent permitted by applicable law, then unmanufactured construction material mined or produced in a designated country may also be used. Vendors are required to check state specific requirements to ensure compliance with this requirement.

## 12. ARTICLE 12 – SITE REQUIREMENTS

- 12.1 **Cleanup:** Vendor shall clean up and remove all debris and rubbish resulting from their work as required or directed by Member. Upon completion of the work, the premises shall be left in good repair and an orderly, neat, clean and unobstructed condition conducive to the Member's business purpose.
- 12.2 **Site Preparation:** Vendor shall not begin a project for which Participating Member has not prepared the site, unless Vendor does the preparation work at no cost, or until Participating Member includes the cost of site preparation in a purchase order to the contractor. Site preparation includes, but is not limited to moving furniture, moving equipment or obstructions to the work area, installation of wiring for networks or any other necessary pre-installation requirements.
- 12.3 **Registered sex offender restrictions:** For work to be performed at schools, Vendor agrees that no employee or employee of a subcontractor who has been adjudicated to be a registered sex offender will perform work at any time when students are or are reasonably expected to be present. Vendor agrees that a violation of this condition shall be considered a material breach and may result in the cancellation of the purchase order at the Participating Member's discretion. Vendor must identify

any additional costs associated with compliance of this term. If no costs are specified, compliance with this term will be provided at no additional charge. Vendor is also responsible for ensuring that their employees or contractors who have direct contact with students are properly fingerprinted and background checked in accordance with local state law, if applicable.

- 12.4 **Safety measures:** Vendor shall take all reasonable precautions for the safety of employees on the worksite and shall erect and properly maintain all necessary safeguards for protection of workers and the public. Vendor shall post warning signs against all hazards created by its operation and work in progress. Proper precautions shall be taken pursuant to state law and standard practices to protect workers, general public and existing structures from injury or damage.
- 12.5 **Smoking/Tobacco:** Persons working under the contract shall adhere to local tobacco and smoking (including e-cigarettes/vaping) policies. Smoking will only be permitted in posted areas or off premises.
- 12.6 **Stored materials:** Upon prior written agreement between the vendor and Member, payment may be made for materials not incorporated in the work but delivered and suitably stored at the site or some other location, for installation at a later date. An inventory of the stored materials must be provided to Participating Member with the application for payment seeking compensation for stored materials. Such materials must be stored and protected in a secure location and be insured for their full value by the vendor against loss and damage. Vendor agrees to provide proof of coverage and/or addition of Participating Member as an additional insured upon Participating Member's request. Additionally, if stored offsite, the materials must also be clearly identified as property of buying Participating Member and be separated from other materials. Participating Member must be allowed reasonable opportunity to inspect and take inventory of stored materials, on or offsite, as necessary.
- Until final acceptance by the Participating Member, it shall be the Vendor's responsibility to protect all materials and equipment. Vendor warrants and guarantees that title for all work, materials and equipment shall pass to the Member upon final acceptance.
- 12.7 **Maintenance Facilities and Support:** It is preferred that each contractor should have maintenance facilities and a support system available for servicing and repair of product and/or equipment. If a third party is to be used to provide maintenance and support to the participating Member, Respondent must notify Region 10 ESC of that third party information. All technicians, applicators, installers shall be fully certified, trained and licensed to perform said duties.

### 13. ARTICLE 13 – MISCELLANEOUS

- 13.1 **Funding Out Clause:** Any/all contracts exceeding one (1) year shall include a standard "funding out" clause. A contract for the acquisition, including lease, of real or personal property is a commitment of the entity's current revenue only, provided the contract contains either or both of the following provisions:
- "Retains to the entity the continuing right to terminate the contract at the expiration of each budget period during the term of the contract and is conditioned on a best efforts attempt by the entity to obtain appropriate funds for payment of the contract in the subsequent fiscal year."
- 13.2 **Disclosures:** Vendor affirms that he/she has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor or service to a public servant in connection with this contract.
- 13.2.1 Vendor has a continuing duty to disclose a complete description of any and all relationships that might be considered a conflict of interest in doing business with Members in Equalis Group.

- 13.2.2 Vendor affirms that, to the best of his/her knowledge, the offer was arrived at independently, and was submitted without collusion with anyone to obtain information or gain any favoritism that would in any way limit competition or give an unfair advantage over other vendors in the award of this contract.
- 13.3 **Indemnity:** Vendor shall protect, indemnify, and hold harmless both Region 10 ESC and Equalis Group and its Members, administrators, employees and agents against all claims, damages, losses and expenses arising out of or resulting from the actions of Vendor, Vendor employees or Vendor subcontractors in the preparation of the solicitation and the later execution of the contract, including any supplemental agreements with Members. Any litigation involving either Region 10 ESC or Equalis Group, its administrators and employees and agents shall be in a court of competent jurisdiction in Dallas County, Texas. Texas law shall apply to any such suit, without giving effect to its choice of laws provisions. Any litigation involving Equalis Group participating Members shall be in the jurisdiction of the participating agency.
- 13.4 **Franchise Tax:** Vendor hereby certifies that he/she is not currently delinquent in the payment of any required franchise taxes, and shall remain current on any such franchise taxes throughout the term of this contract.
- 13.5 **Marketing:** Vendor agrees to allow Region 10 ESC and Equalis Group to use their name and logo within website, marketing materials and advertisement. Any use of the Region 10 ESC or Equalis Group name and logo or any form of publicity, inclusive of press releases, regarding this contract by Vendor must have prior approval from Region 10 ESC.
- 13.6 **Insurance:** Unless otherwise modified elsewhere in this document, prior to commencing services under this contract for a participating Member, contractor shall procure, provide and maintain during the life of this agreement comprehensive public liability insurance to include course of construction insurance and automobile liability, providing limits of not less than \$1,000,000.00 per occurrence. The insurance form will be an "all risk" type of policy with standard exclusions. Coverage will include temporary structures, scaffolding, temporary office trailers, materials, and equipment. Contractor shall pay for the deductibles required by the insurance provided under this agreement.
- 13.6.1 Certificates of insurance shall be delivered to the Member prior to commencement of work. The insurance company shall be licensed to do business and write the appropriate lines of insurance in the applicable state in which work is being conducted. Vendor shall give the participating entity a minimum of ten (10) days' notice prior to any modifications or cancellation of policies. Vendor shall require all subcontractors performing any work to maintain coverage as specified.
- 13.6.2 Prior to commencing any work under this contract, any subcontractor shall also procure, provide, and maintain, at its own expense until final acceptance of the work performed, insurance coverage in a form acceptable to the prime contractor. All subcontractors shall provide worker's compensation insurance which waives all subrogation rights against the prime contractor and Member.
- 13.7 **Subcontracts/Sub Contractors:** If Vendor serves as prime contractor, it shall not enter into any subcontract subject to this solicitation without prior approval from Region 10 ESC. Any/all subcontractors shall abide by the terms and conditions of this contract and the solicitation.
- 13.7.1 No subcontract relationships shall be entered into with a party not licensed to do business in the jurisdiction in which the work will be performed. Contractor must use subcontractors openly, include such arrangements in the proposal, and certify upon request that such use

complies with the rules associated with the procurement codes and statutes in the state in which the contractor is conducting business.

13.7.2 Contractor agrees to pay subcontractors in a timely manner. Failure to pay subcontractors for work faithfully performed and properly invoiced may result in suspension or termination of this contract. Prior to participating Member's release of final retained amounts, Contractor shall produce verified statements from all subcontractors and material suppliers that those entities have been paid in full amounts due and owing to them.

13.8 **Legal Obligations:** It is the Respondent's responsibility to be aware of and comply with all local, state, and federal laws governing the sale of products/services identified in this RFP and any awarded contract and shall comply with all while fulfilling the RFP. Applicable laws and regulation must be followed even if not specifically identified herein.

13.9 **Boycott Certification:** Respondents hereby certify that during the term of any Agreement, it does not boycott Israel and will not boycott Israel. "Boycott" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes.

# ATTACHMENT A – EQUALIS GROUP ADMINISTRATIVE AGREEMENT

**NOTE:** This agreement is provided as a model agreement which winning supplier will enter into upon award with Equalis Group. Respondents are asked not to respond with redlines for this model contract. Respondent should complete the Equalis Group Administration Agreement Declaration form found in section two of the Proposal Submission and Required Forms document. In this form, the respondent will need to indicate acceptance of these terms, or if they wish to negotiate.

THIS ADMINISTRATION AGREEMENT (this "**Agreement**"), effective as of **Month Day, Year** (the "**Effective Date**"), is entered into by and between **Winning Supplier**, ("**Winning Supplier**") and Equalis Group LLC, a Delaware limited liability company with its principal place of business at 5550 Granite Parkway, Suite 298, Plano, Texas 75024 ("**Equalis**"). Throughout this Agreement, Winning Supplier and Equalis are referred to interchangeably as in the singular "**Party**" or in the plural "**Parties**."

## SECTION 1. RECITALS

- A.** Education Service Center, Region 10 ("**Region 10**") serves as a lead public agency (a "**Lead Public Agency**") for Equalis Group ("**Equalis Group**"), a national cooperative purchasing organization, by publicly procuring master group purchasing agreements for products and services to be made available to Equalis Group members ("**Equalis Group Member**" or "**Member**").
- B.** Region 10 issued request for proposal ("**RFP**") #**Number** on behalf of Region 10 and Equalis Group Members for **definition of products and services solicited in the RFP** ("**Products & Services**") and awarded a contract to Winning Supplier.
- C.** Region 10 and Winning Supplier entered into that certain master group purchasing agreement (the "**Master Agreement**") #**contract number** effective as of **Month Day, Year** to provide Products & Services to Equalis Group Members.
- D.** The Master Agreement and this Agreement, together with all attachments, appendices, and exhibits hereto, constitutes the entire agreement between the Parties.
- E.** Equalis Group serves as the contract administrator of the Master Agreement on behalf of Region 10.
- F.** Equalis actively promotes Master Agreements to current and prospective Equalis Group Members (collectively "**Prospective Participants**") through a range of marketing, prospecting, and sales strategies, including, but not limited to, marketing and sales collateral development, direct mail, web marketing, electronic communications, attendance at events, Winning Supplier sales representative training, and Winning Supplier field sales support (collectively, "**Equalis Services**") as more fully defined in **Appendix B**.
- G.** Any Prospective Participant who purchases Products & Services from Winning Supplier subject to the Master Agreement shall be considered a "**Program Participant**".
- H.** Winning Supplier desires to promote and expand its operations and increase the sales of its Products & Services to public sector, private sector, and non-profit organizations through Equalis Group.

NOW, THEREFORE, in consideration of the mutual promises contained herein, the Parties agree to the following terms and conditions:

## SECTION 2. BUSINESS TERMS

**Defined Terms.** Any capitalized terms contained herein not defined in this Agreement shall have the same meaning as defined in the Master Agreement.

**Appendices.** The appendices attached hereto are made a part of this Agreement (if one, an “**Appendix**” or more, “**Appendices**”).

**Appendix A** defines Winning Supplier’s reporting requirements.

**Appendix B** sets forth the roles and responsibilities of the Parties.

**Appendix C** defines the financial terms between the Parties.

**Terms in Appendices.** In all cases where the terms of this Agreement and any Appendices disagree, the terms in the Appendix shall control.

### **Publicity & Joint Marketing.**

**Publicity.** A Party may only issue press releases or other public announcements with respect to this Agreement with the prior, written consent of the other Party.

**Joint Marketing / Logo & Name Use.** Winning Supplier authorizes Equalis to use Winning Supplier’s trademarks, names, and logos as provided by Winning Supplier to Equalis. Equalis authorizes Winning Supplier to use Equalis’ trademarks, names, and logos as provided by Equalis to Winning Supplier. Each Party’s use of the other Party’s trademarks, names, and logos will be limited to standard communication, including correspondence, newsletters, and website material, and joint marketing efforts, including, but not limited to, utilizing the same on correspondence, collateral, agreements, websites, newsletters, or other marketing materials promoting the Products & Services pursuant to the Master Agreement and this Agreement. Notwithstanding the foregoing, the Parties understand and agree that except as provided herein, neither Party shall have any right, title, or interest in the other Party’s trademarks, names, and logos. Upon termination of this Agreement, each Party shall immediately cease use of the other Party’s trademarks, names, and logos.

## SECTION 3. TERMS & CONDITIONS

**Contract Administration.** Equalis Group shall perform all of its duties, responsibilities and obligations as contract administrator of the Master Agreement on behalf of Region 10, and Supplier hereby acknowledges and agrees that all duties, responsibilities and obligations will be undertaken by Equalis Group solely in its capacity as the contract administrator under the Master Agreement.

**Express Limitation of Equalis Liability.** With respect to any purchases of Products & Services by Region 10 or any Program Participant pursuant to the Master Agreement, Equalis shall not be: (i) construed as a, re-marketer, representative, partner, or agent of any type of the Winning Supplier, Region 10, or any Program Participant; (ii) obligated by, liable for, or in any way responsible for any order of Products & Services made by Region 10 or any Program Participant or any employee thereof under the Master Agreement or for any payment required to be made with respect to such order for Products & Services; and (iii) obligated by, liable for, or in any way responsible for any failure by Region 10 or any Program Participant to comply with procedures or requirements of applicable law or the Master Agreement or to obtain the due authorization and approval necessary to purchase Products & Services under the Master Agreement. Equalis makes no representation or guaranty with respect to any minimum purchases by Region 10 or any Program Participant, whether individually or collectively, or any employee thereof under this Agreement or the Master Agreement. The terms of this section shall survive the termination of this Agreement.

**Indemnification.** Equalis Group shall be afforded all of the rights, privileges and indemnifications afforded to Lead Agency by or from Supplier under the Lead Agency Agreement, and such rights, privileges and indemnifications shall accrue and apply with equal effect to Equalis Group, its agents, employees, directors, and representatives under this Agreement including, but not limited to, the Supplier's obligation to provide appropriate insurance.

**Term & Termination.** The Term of this Agreement is the same as the Term of the Region 10 Master Agreement. This Agreement shall be terminated, if and when the Master Agreement is terminated. Upon termination of the Master Agreement for any reason, Winning Supplier shall continue making Administrative Fee and other payments, as set forth in **Appendix C**, to Equalis that are generated by individual Program Participant's purchase of Products & Services for a period of either i) one (1) year from the date of termination, or ii) through the then current expiration date of the Master Agreement, whichever is shorter, to the extent that Winning Supplier continues to generate revenue from each Program Participant's purchase of Products & Services following the termination of the Master Agreement.

**Audit of Winning Supplier.** Equalis, whether directly or through an independent auditor or accounting firm, shall have the right to perform audits, including inspection of books, records, and computer data relevant to Winning Supplier's provision of Products & Services to Program Participants and payment of Administrative Fees to Equalis, pursuant to the Master Agreement and this Administration Agreement, to ensure that pricing, inventory, quality, process, and business controls are maintained; provided, however, that such inspections and audits will be conducted upon reasonable notice to Winning Supplier and so as not to unreasonably interfere with Winning Supplier's business or operations.

**Notices.** All notices, claims, certificates, requests, demands, and other communications required or permitted hereunder (“**Notice**”) must be in writing and will be deemed given to the addresses set forth herein (a) when delivered personally to the recipient, (b) upon delivery by reputable overnight courier service (charges prepaid), or (c) upon delivery or refusal of delivery by certified or registered mail, return receipt requested, and addressed to the intended recipient. The Parties agree that day-to-day business communications, including notification of a change of address or revisions to any Appendix, may be made via electronic communication, including email.

**Addresses for Notices.** This section may be modified at any time by either Party providing the other Party with written Notice, including via email, of a change of address or addition or deletion to the individuals who will be copied on all Notices.

If to **Winning Supplier:**

**Waiver and Modification.** This Agreement may not be amended, changed, modified, or altered without the prior written consent of the parties hereto, and no provision of this Agreement may be discharged or waived,

except by a writing signed by the parties. A waiver of any particular provision will not be deemed a waiver of any other provision, nor will a waiver given on one occasion be deemed to apply to any other occasion.

**Governing Law; Invalidity.** This Agreement shall be construed and enforced in accordance with, and governed by, the laws of the State of Texas without regard to rules of conflict of laws. If any provision of this Agreement is declared unlawful or unenforceable by judicial determination or performance, then the remainder of this Agreement shall continue in force as if the invalidated provision did not exist. Any suits filed by either Party pursuant to this Agreement shall be brought in a court of competent jurisdiction located in Richardson, Dallas County, Texas. In the event either Party initiates a suit and that suit is adjudicated by a court of competent jurisdiction, the prevailing Party shall be entitled to reasonable attorney's fees and costs from the non-prevailing Party in addition to any other relief to which the court determines the prevailing Party is entitled or awarded.

**Assignment.** This Agreement and the rights and obligations hereunder may not be assignable by either Party hereto without the prior written consent of the other Party, which consent shall not be unreasonably withheld, conditioned, or delayed, provided, however, that either Party may assign its respective rights and obligations under this Agreement without the consent of the other Party in the event either Party shall hereafter effect a corporate reorganization, consolidation, merger, merge into, sale to, or a transfer of all or substantially all of its properties or assets to another entity. Subject to the preceding sentence, this Agreement will be binding upon, inure to the benefit of, and be enforceable by the Parties and their respective successors and assigns. Any instrument purporting to make an assignment in violation of this section shall be null and void. This Agreement may be extended to additional entities affiliated with either Party upon the agreement of the other Party. No such extension will relieve the extending Party of its rights and obligations under this Agreement.

**No Third-Party Beneficiaries; Survival of Representations.** This Agreement is made solely for the benefit of the Parties to it, and no other persons will acquire or have any right under or by virtue of this Agreement. Except as otherwise provided herein, all representations, warranties, covenants, and agreements of the Parties shall remain in full force and effect regardless of any termination of this Agreement, in whole or in part.

**Entire Agreement.** The Region 10 Master Agreement and this Agreement, together with all attachments, appendices, and exhibits hereto, constitutes the entire agreement between the Parties with respect to the subject matter hereof and supersedes all prior oral or written representations and agreements with regard to the same subject matter. The Parties acknowledge that this Agreement has been negotiated and incorporates their collective agreement as to the provisions to be contained herein. Therefore, no presumption will arise giving benefit of interpretation by virtue of authorship of any provision of this Agreement, and any ambiguity may not be construed for or against any Party.

**Execution in Counterparts.** This Agreement may be executed in one or more counterparts, each of which will be deemed an original. For purposes of this Agreement, a facsimile, scanned, or electronic signature will be deemed an original signature.

**Titles, Headings & Recitals.** The Preamble to this Agreement is hereby incorporated herein and made part of this Agreement. The Recitals stated within this Agreement are deemed to be a part of this Agreement. The titles and headings of the sections and paragraphs of this Agreement are inserted for convenience only and shall not constitute a part hereof or affect in any way the meaning or interpretation of this Agreement.

## APPENDIX B: ROLES & RESPONSIBILITIES

This Appendix defines the roles and responsibilities of Equalis and Winning Supplier under this Agreement. This Appendix may be modified at any time with the mutual written consent of the Parties, including via email.

### 1. Equalis Services.

**1.1. Winning Supplier Sales Representative Training.** Equalis will develop, as appropriate and subject to Winning Supplier approval, various sales training materials, sales tools, and marketing collateral to promote the Master Agreement and Winning Supplier's Products & Services. Equalis, as appropriate, will i) conduct periodic sales trainings with Winning Supplier sales representatives assigned to sell Products & Services, ii) provide sales representatives with marketing collateral and sales tools to utilize with sales prospects, with particular focus on the procurement process that led to the establishment of the Master Agreement, the legal ability for sales prospects in any state to purchase Products & Services through the Master Agreement without having to conduct their own bid or RFP process, and the key differentiators in the design of this program with Winning Supplier, and iii) attend at least one Winning Supplier company-wide sales and/or leadership meeting per year.

**1.2. Sales Support.** Equalis will engage in Winning Supplier sales efforts as agreed by the Parties through participating in i) individual sales calls, ii) joint sales calls, iii) communications and customer service, iv) discussions and communication with sales prospects during the sales process to address questions relating to the procurement process, legal authority to purchase through the Master Agreement, and program design, v) trainings for Equalis Members' teams, vi) regular business reviews to monitor Program success, and vii) general contract administration.

**1.3. Marketing.** Equalis will incorporate information about the Products & Services into Equalis Group's website and general collateral materials. Equalis and Winning Supplier will jointly develop and approve marketing materials to promote Products & Services, such as website content, brochures and collateral, talking points, press releases, and correspondence. Equalis will market the Products & Services to Prospective Participants as part of Equalis' ongoing marketing activities through Equalis Group; these marketing efforts may consist of a combination of i) general marketing of all of Equalis Group's master group purchasing agreements, including the Master Agreement and Winning Supplier's Products & Services, ii) marketing of Winning Supplier's Products & Services specifically and/or as part of a package of selected master group purchasing agreements to targeted Prospective Participants, and iii) attending trade shows, conferences, and meetings.

### 2. Winning Supplier Roles & Responsibilities.

As a condition to Winning Supplier entering into the Master Agreement, which is available to all Public Sector Entities, Winning Supplier must make certain representations, warranties, and covenants to Equalis designed to ensure the success of the Master Agreement for all Prospective Participants, sales prospects, and Winning Supplier.

**2.1. Equalis Group Membership Agreement.** Winning Supplier will make available the Equalis Group Master Intergovernmental Cooperative Purchasing Agreement (whether in hard copy, electronically, or via [www.EqualisGroup.org](http://www.EqualisGroup.org)) and request any Prospective Participants subject to the Master Agreement who have not already joined Equalis Group to join Equalis Group in conjunction with executing Winning Supplier's Customer Agreements and/or beginning to purchase Products & Services from Winning Supplier to ensure that Winning Supplier and each Program Participant are in full compliance with applicable state procurement statutes.

**2.2. Corporate Commitment.** Winning Supplier commits that i) the Master Agreement has received all necessary corporate authorizations and support of Winning Supplier's executive management, ii) the Master Agreement will be promoted to Public Sector Entities, and iii) Winning Supplier will identify an executive corporate sponsor and a separate national account manager that will be responsible for the overall management of the Master Agreement and this Agreement.

**2.3. Sales Commitment.** Winning Supplier commits to market the Master Agreement as a market strategy in the public sector and that its sales force will be trained, engaged, and committed to offering the Master Agreement to Public Sector Entities through Equalis Group in the geographies defined in the Master Agreement. Winning Supplier commits that all sales under the Master Agreement will be accurately and timely reported to Equalis. Winning Supplier also commits that its sales force will be compensated, including sales incentives, for sales to Program Participants under the Master Agreement in a consistent or better manner compared to sales to Public Sector Entities if Winning Supplier were not awarded the Master Agreement. Supplier will make available to interested Prospective Participants such price lists or quotes as may be necessary for such Prospective Participants to evaluate potential purchases of Products & Services under the Master Agreement.

**2.4. Marketing Commitment.** Winning Supplier commits to work with Equalis to develop a sales and marketing plan ("Plan") within the first ninety (90) days of the Master Agreement Effective Date. The Plan may include, but is not limited to, the following:

**2.4.1.** Issuing co-branded press release

**2.4.2.** Publishing Master Agreement details and contact information on both Equalis Group and Winning Supplier's websites

**2.4.3.** Scheduling and holding training on the Master Agreement for the sales teams of both Equalis Group and Winning Supplier

**2.4.4.** Jointly participating in national and regional conferences

**2.4.5.** Jointly attending national and regional Equalis Group Member networking events

**2.4.6.** Designing, publishing, and distributing co-branded marketing materials

**2.4.7.** Engaging in ongoing marketing and promotion of the Master Agreement for the entire Term of the Master Agreement (e.g., developing and presenting case studies, collateral pieces, and presentations)

## APPENDIX C: FINANCIAL TERMS

This Appendix may be modified at any time with the mutual written consent of the Parties.

### **1. Administrative Fee.**

On or before the fifteenth (15<sup>th</sup>) of each month, Winning Supplier shall remit to Equalis an administrative fee payment (the “**Administrative Fee**”) of **two percent (2%)** of the total Winning Supplier revenue (the “**Equalis Group Spend**” or “**Spend**”) invoiced to Program Participants during the prior calendar month. “Spend” shall mean the cumulative purchases of Products & Services by Program Participants under the Master Agreement net of taxes, shipping costs, returns, and credits. All Administrative Fees not paid when due shall bear interest at a rate equal to the lesser of one- and one-half percent (1.5%) per month or the maximum rate permitted by law until paid in full.

### **2. Case-by-Case Administrative Fee Adjustments.**

The Parties understand and acknowledge that Winning Supplier may have to provide aggressive deviated pricing on a case-by-case basis to win certain opportunities with Prospective Participants when those opportunities represent a sufficiently large Spend and/or are highly competitive. In such situations, Winning Supplier may request Equalis accept a reduced Administrative Fee. The Parties agree to evaluate each such situation as it arises and utilize best efforts to establish an adjusted Administrative Fee rate upon mutual written agreement (including via email) of the Parties.

### **3. Rebates or Other Payments.**

**Insert rebate or other payment language as agreed.**

## SiRcom SMART ALERT ("SiSA") SOFTWARE

SiSA is a state-of-the-art most scalable and upgradeable software program that utilizes a 21st century graphical user interface (GUI) to provide you with beautiful, feature-rich Command & Control (C2) capabilities.

It was developed to integrate in with all legacy and modern Electronic Security and Mass Notification Systems. SiSA is designed to give you ultimate control of how you view information about your system. Our GUI provides detailed information about the system, exact GIS data, zoom-able maps, satellite view, and street names in multiple languages.

SiSA can provide real-time systems information for all of your ESS and MNS points. The information includes battery and solar voltage and efficiency, AC/Mains line status, real-time driver and amplifier status, intrusion detection and much more. While SiSA is ready off-the-shelf, it is easily customizable to your exact needs, to include custom Input-Output (IO) functionality.

SiSA is truly the most modern electronic backbone to all of the modern (to include legacy) hardware for ESS and MNS. It was developed utilizing machine learning and it will be able to grow and upgrade with any client of any size. SiSA is limitless in its ability to integrate with even the most complex systems.
