- Flawless implementation support led by industry experts (100% success as measured by post-implementation surveys).
- Simplified contracting and immediate cost savings – new Capital Rx clients achieve an average 27% year-over-year cost reduction.

About Capital Rx?

Capital Rx is a novel PBM that administers prescription benefit services with a mission to provide better care at a lower cost. We developed the Clearinghouse Model™ to establish a competitive market for drug pricing, lowering medication costs for payers across the country. Our commitment to our clients, members and service is why we are the fastest growing PBM in the United States.

Through the Clearinghouse Model™, Capital Rx is redefining the way prescriptions are priced and administered in the U.S. We're proud to help public entities like school districts, state and local governments, and municipalities find better care at a lower cost. The savings we provided to a client in the education sector were turned into salary increases and paid leave for teachers and staff.

A custom employee benefits program designed with the needs of public entities in mind, PublicSmart™ delivers quality, affordable health care. Leveraging the power of this unique program, public sector employers enjoy predictable funding, transparency of data, and reduced administrative burden. Plus, employers retain autonomy on their plan designs (PPO, HSA, EPO, etc.).

Save Time... *we've done the procurement work so you don't have to.*

Save Money... *your dollar goes further with the collective buying power of Equalis Group.*

Stay Legal... *our competitive procurement process delivers statutory compliance in every state.*

Who is Equalis Group?

Equalis Group is a Member-Driven, Supplier-Centric organization that embodies the power of partnership. Equalis Group operates with the guiding principle that when the objectives of buyers and sellers are aligned, sustainable value is created, transcending that of the typical short-term transactional relationship. With this differentiated approach, Equalis Group is not just a cooperative purchasing organization; we are a family.

We leverage Equalis Group members' combined buying power to command better pricing and favorable contract

terms from suppliers. We develop and administer a diverse portfolio of cooperative purchasing programs that cover a wide range of products and services and provide our members with a legal and compliant exemption to the bid/request for proposals (**RFP**) process.

Each program in our rapidly growing portfolio provides our members with contracting compliance and the ability to configure the solution that best meets their individual needs while achieving the lowest Total Cost of Ownership.

Time Saved through Equalis Group = More Resources for You to Invest

How many hours and over how many weeks or months does your team invest in a typical solicitation process? How many solicitations does your organization publish each year? How much time and effort can your organization save by leveraging Equalis Group's already-procured portfolio of programs? In what ways can you re-invest that saved time and energy to fulfill your organization's purpose?
