Who is ACCO Engineered Systems?

Since 1934, owners and builders have selected ACCO Engineered Systems to design, install, and maintain hundreds of thousands of mechanical projects across the Western United States.

ACCO is an employee-owned company headquartered in Pasadena, California dedicated to the design, fabrication, installation, maintenance and service of commercial and industrial HVAC, refrigeration, plumbing, process piping, and building automation systems.

As the largest privately held mechanical contractor ACCO provides the best in class engineering experience and comprehensive approach to all construction and service related projects in California, Nevada, Washington, Idaho, Oregon, and Arizona. Industries served include governmental agencies, healthcare facilities, entertainment event centers, stadiums, arenas, hotels, mixed use residential and office buildings, higher education, K-12 school districts, data centers, and pharmaceutical facilities. We have the experience and know-how to ensure that every system will run efficiently and deliver the best possible results tailored to your needs.

Created by Public Sector Organizations for Public Sector Organizations

Who is Equalis Group?

Equalis Group is a Member-Driven, Supplier-Centric organization that embodies the power of partnership. Equalis Group operates with the guiding principle that when the objectives of buyers and sellers are aligned, sustainable value is created, transcending that of the typical short-term transactional relationship. With this differentiated approach, Equalis Group is not just a cooperative purchasing organization; we are a family.

We leverage Equalis Group members' combined buying power to command better pricing and favorable contract

terms from suppliers. We develop and administer a diverse portfolio of cooperative purchasing programs that cover a wide range of products and services and provide our members with a legal and compliant exemption to the bid/request for proposals (RFP) process.

Each program in our rapidly growing portfolio provides our members with contracting compliance and the ability to configure the solution that best meets their individual needs while achieving the lowest Total Cost of Ownership.

Time Saved through Equalis Group = More Resources for You to Invest

How many hours and over how many weeks or months does your team invest in a typical solicitation process? How many solicitations does your organization publish each year? How much time and effort can your organization save by leveraging Equalis Group's already-procured portfolio of programs? In what ways can you re-invest that saved time and energy to fulfill your organization's purpose?
