Who is Allied Building Services?

Allied Building Services is a General Contractor that was established in 1948. We provide construction services small-scale, medium scale, and large-scale across a diverse client facilities portfolio is a skillset and model we have adopted and grown with over the past several decades. We have in-house trades that include general contracting, carpentry, dock and door, electrical, mechanical, and plumbing. This allows us to work closely and efficiently under the same roof to provide a finished product that exceeds expectations.

Allied performs approximately 70% of its Project and Service orders in Southeast Michigan. The balance is predominately work performed in balance of the lower peninsula, but we do execute work in the upper peninsula as well. Our Project Managers, field personnel, and subcontractors understand that our clients often require that we travel and are willing and able to respond when called upon.

Gordian's solutions help organizations effectively plan, build and manage their infrastructure and facilities. Thousands of organizations have relied on that partnership to ensure they are providing safe and healthy physical assets for everyone in the community for over thirty years.

Save Time... we've done the procurement work so you don't have to.

Save Money... your dollar goes further with the collective buying power of Equalis Group.

Stay Legal... our competitive procurement process delivers statutory compliance in every state.

Michigan Job Order Contracting (JOC)

In partnership with Gordian, Equalis Group has curated a state-specific JOC program for the state of Michigan. Equalis Group members are able to combine the power of Gordian with the local expertise of in-market contractors and construction firms. JOC projects don't have to be complicated; all Equalis Group JOC Master Agreements have been publicly procured and are available for use without having to submit time-consuming RFPs/Bids. Created by Public Sector Organizations for Public Sector Organizations

Who is Equalis Group?

Equalis Group is a Member-Driven, Supplier-Centric organization that embodies the power of partnership. Equalis Group operates with the guiding principle that when the objectives of buyers and sellers are aligned, sustainable value is created, transcending that of the typical short-term transactional relationship. With this differentiated approach, Equalis Group is not just a cooperative purchasing organization; we are a family.

We leverage Equalis Group members' combined buying power to command better pricing and favorable contract

terms from suppliers. We develop and administer a diverse portfolio of cooperative purchasing programs that cover a wide range of products and services and provide our members with a legal and compliant exemption to the bid/request for proposals (RFP) process.

Each program in our rapidly growing portfolio provides our members with contracting compliance and the ability to configure the solution that best meets their individual needs while achieving the lowest Total Cost of Ownership.

Time Saved through Equalis Group = More Resources for You to Invest

How many hours and over how many weeks or months does your team invest in a typical solicitation process? How many solicitations does your organization publish each year? How much time and effort can your organization save by leveraging Equalis Group's already-procured portfolio of programs? In what ways can you re-invest that saved time and energy to fulfill your organization's purpose?
