

The Electric Revolution Is Here.

ChargePoint & Equalis Group

Publicly Procured Contract Vehicle

ChargePoint Contract Highlights

- The most complete set of charging solutions available today, including best-in-class Level 2 charging stations, network services, maintenance plans, and EV charging accessories.
- Aggressive discount structure on Level 2 charging stations to support all commercial and fleet needs.
- Turnkey solutions to design, implement, and maintain your EV charging stations. From site planning and installation to setup and ongoing care, when you choose ChargePoint, you're covered.
- The largest installed EV charging network, with nationwide coverage to address your EV charging needs anywhere.

Who is ChargePoint?

ChargePoint is committed to building a brighter future by building the fueling network to move all people and goods using electricity. It is the world's leading and most open electric vehicle charging network provider and the first to earn ENERGY STAR® certification. ChargePoint's fueling network has eliminated the release of over 300,000 metric tons of greenhouse gasses and received recognition and accolades for its environmental achievements from the United Nations, Global Cleantech, and Acterra, amongst others.

ChargePoint is solely focused on EV charging and leverages over a decade of operational experience to develop best-in-class charging solutions through innovation and the development of patented technologies. Since inception, ChargePoint has delivered 84.4 million charges (and counting). ChargePoint drivers have traveled over 2.5 million miles on the ChargePoint Network and saved more than 100 million gallons of gasoline.

Created by Public Sector Organizations for Public Sector Organizations

Who is Equalis Group?

Equalis Group is a Member-Driven, Supplier-Centric organization that embodies the power of partnership. Equalis Group operates with the guiding principle that when the objectives of buyers and sellers are aligned, sustainable value is created, transcending that of the typical short-term transactional relationship. With this differentiated approach, Equalis Group is not just a cooperative purchasing organization; we are a family.

We leverage Equalis Group members' combined buying power to command better pricing and favorable contract

terms from suppliers. We develop and administer a diverse portfolio of cooperative purchasing programs that cover a wide range of products and services and provide our members with a legal and compliant exemption to the bid/request for proposals (**RFP**) process.

Each program in our rapidly growing portfolio provides our members with contracting compliance and the ability to configure the solution that best meets their individual needs while achieving the lowest Total Cost of Ownership.

Time Saved through Equalis Group = More Resources for You to Invest

How many hours and over how many weeks or months does your team invest in a typical solicitation process? How many solicitations does your organization publish each year? How much time and effort can your organization save by leveraging Equalis Group's already-procured portfolio of programs? In what ways can you re-invest that saved time and energy to fulfill your organization's purpose?
