Rave Mobile Safety & Equalis Group

Publicly Procured Contract Vehicle

Rave Mobile Safety Contract Highlights

- Panic button safety app that instantly connects with 9-1-1, on-site personnel, and first responders to keep everyone informed, engaged and safe during an emergency.
- Custom branded end user safety, incident reporting and desktop notifications to keep people safe in a crisis.
- Live video streaming, two-way texting, drill management, internal messaging and secure, critical facility information to better understand the scene and receive real-time, accurate details to improve situational awareness and safety.
- Critical communication solution to empower your school and community by delivering the critical information needed, when it is needed – every time, whether a mass notification or targeted message in a matter of seconds across multiple channels.

Who is Rave Mobile Safety?

Rave Mobile Safety is purpose-built to enable emergency and operational notifications, critical data sharing and response coordination for over 10,000 K-12 schools, 3,500 communities, 1,600 enterprises, 70% of the higher ed population and 10 states. Through timely and targeted notifications, incident collaboration, safety and protection apps, and 9-1-1 response solutions, Rave is relied on by thousands of public safety agencies, school and campus safety officials and enterprise security professionals to save lives, manage critical incidents and increase operational resiliency.

Created by Public Sector Organizations *for Public Sector Organizations*

Who is Equalis Group?

Equalis Group is a Member-Driven, Supplier-Centric organization that embodies the power of partnership. Equalis Group operates with the guiding principle that when the objectives of buyers and sellers are aligned, sustainable value is created, transcending that of the typical short-term transactional relationship. With this differentiated approach, Equalis Group is not just a cooperative purchasing organization; we are a family.

We leverage Equalis Group members' combined buying power to command better pricing and favorable contract

terms from suppliers. We develop and administer a diverse portfolio of cooperative purchasing programs that cover a wide range of products and services and provide our members with a legal and compliant exemption to the bid/request for proposals (**RFP**) process.

Each program in our rapidly growing portfolio provides our members with contracting compliance and the ability to configure the solution that best meets their individual needs while achieving the lowest Total Cost of Ownership.

Time Saved through Equalis Group = More Resources for You to Invest

How many hours and over how many weeks or months does your team invest in a typical solicitation process? How many solicitations does your organization publish each year? How much time and effort can your organization save by leveraging Equalis Group's already-procured portfolio of programs? In what ways can you re-invest that saved time and energy to fulfill your organization's purpose?
