RhinoWare® + CORE Construction + Equalis Group

Publicly Procured Contract Vehicle

RhinoWare Contract Highlights

- RhinoWare door lockdown system is a mechanical lockdown system that can be attached to most existing doors, fully protecting people in the room from intruder breach attempts.
- RhinoWare is Fire Marshal approved for single motion egress and is ADA approved for wheelchair positioned operation.
- Can be easily operated by a child in one second and is able to be unlocked from the outside using a custom key assigned to school administrators and local fire/police.
- Allows connection to existing security systems software with the ability to alert each time a device is deployed.

About RhinoWare & CORE Construction

Campus Safety Products, LLC., (CSP), headquartered in Jacksonville, North Carolina, manufactures and offers the highly intuitive and secure Emergency/Active Shooter lockdown device, branded as RhinoWare Lockdown System, for the purposes of securing classrooms, offices, break rooms, conference rooms, utility rooms, and any other room in which individuals can “shelter-in-place” at a moment’s notice. In addition to the RhinoWare suite of products, CSP also offers professional services which primarily focus on comprehensive All-Hazard Risk Preparedness Assessments, Planning Development, Implementation, and Training.

The RhinoWare Lockdown System is available through CORE Construction, a family-owned construction company founded in 1937 whose primary mission is to earn the trust of its employees, partners, and clients.

Who is Equalis Group?

Equalis Group is a Member-Driven, Supplier-Centric organization that embodies the power of partnership. Equalis Group operates with the guiding principle that when the objectives of buyers and sellers are aligned, sustainable value is created, transcending that of the typical short-term transactional relationship. With this differentiated approach, Equalis Group is not just a cooperative purchasing organization; we are a family.

We leverage Equalis Group members' combined buying power to command better pricing and favorable contract

terms from suppliers. We develop and administer a diverse portfolio of cooperative purchasing programs that cover a wide range of products and services and provide our members with a legal and compliant exemption to the bid/request for proposals (RFP) process.

Each program in our rapidly growing portfolio provides our members with contracting compliance and the ability to configure the solution that best meets their individual needs while achieving the lowest Total Cost of Ownership.

Time Saved through Equalis Group = More Resources for You to Invest

How many hours and over how many weeks or months does your team invest in a typical solicitation process? How many solicitations does your organization publish each year? How much time and effort can your organization save by leveraging Equalis Group's already-procured portfolio of programs? In what ways can you re-invest that saved time and energy to fulfill your organization's purpose?
