Who is Sunstate Mechanical Services?

Founded in 2001, Sunstate Mechanical Services, a Marsden Services Company, is a highly regarded mechanical (HVAC), plumbing, electrical, and indoor air quality contractor, having a strong clientele base of school districts, state public entities, and federal agencies.

In 2020, COVID-19 bolstered the need for improved indoor air quality (IAQ). Marsden's research team determined that Purifi Labs' CleanAir Ionization Generator offered the most efficient and effective system, deactivating SARS-CoV-2 viruses by 99.994% in less than one hour. Marsden Services contracted with Purifi Labs to brand its own CleanAir system, which is being offered to Equalis Members.

Who is Equalis Group?

Equalis Group is a Member-Driven, Supplier-Centric organization that embodies the power of partnership. Equalis Group operates with the guiding principle that when the objectives of buyers and sellers are aligned, sustainable value is created, transcending that of the typical short-term transactional relationship. With this differentiated approach, Equalis Group is not just a cooperative purchasing organization; we are a family.

We leverage Equalis Group members' combined buying power to command better pricing and favorable contract

terms from suppliers. We develop and administer a diverse portfolio of cooperative purchasing programs that cover a wide range of products and services and provide our members with a legal and compliant exemption to the bid/request for proposals (RFP) process.

Each program in our rapidly growing portfolio provides our members with contracting compliance and the ability to configure the solution that best meets their individual needs while achieving the lowest Total Cost of Ownership.

Time Saved through Equalis Group = More Resources for You to Invest

How many hours and over how many weeks or months does your team invest in a typical solicitation process? How many solicitations does your organization publish each year? How much time and effort can your organization save by leveraging Equalis Group's already-procured portfolio of programs? In what ways can you re-invest that saved time and energy to fulfill your organization's purpose?
