

TDIndustries & Equalis Group

Publicly Procured Contract Vehicle

TDIndustries Contract Highlights

- TDIndustries (**TD**) provides Indoor Air Quality Services that are designed and recommended by certified mechanical engineers in support with ASHRAE standards. Our proposed solutions are engineered to fit long-term needs, in a strategic phased approach to align with our clients' goals and budget.
- Lower total costs. Cooperatives' specifications are designed to reduce the total resources (in both hard and soft costs) that its members expend from procurement and acquisition to delivery, payment, and ongoing service.
- Discounts on parts and equipment ranging from 3% – 10%, as well as pre-negotiated labor rates.
- TD's Equalis Group contract was awarded after a procurement process that followed the requirements of Uniform Guidance and EDGAR.

Who is Equalis Group?

Equalis Group is a Member-Driven, Supplier-Centric organization that embodies the power of partnership. Equalis Group operates with the guiding principle that when the objectives of buyers and sellers are aligned, sustainable value is created, transcending that of the typical short-term transactional relationship. With this differentiated approach, Equalis Group is not just a cooperative purchasing organization; we are a family.

We leverage Equalis Group members' combined buying power to command better pricing and favorable contract

terms from suppliers. We develop and administer a diverse portfolio of cooperative purchasing programs that cover a wide range of products and services and provide our members with a legal and compliant exemption to the bid/request for proposals (RFP) process.

Each program in our rapidly growing portfolio provides our members with contracting compliance and the ability to configure the solution that best meets their individual needs while achieving the lowest Total Cost of Ownership.

Time Saved through Equalis Group = More Resources for You to Invest

How many hours and over how many weeks or months does your team invest in a typical solicitation process? How many solicitations does your organization publish each year? How much time and effort can your organization save by leveraging Equalis Group's already-procured portfolio of programs? In what ways can you re-invest that saved time and energy to fulfill your organization's purpose?
