

Zonar Systems & Equalis Group

Publicly Procured Contract Vehicle

Zonar Contract Highlights

- Zonar provides commercial-grade hardware and software services for managing vehicle fleets, from 5 to 100,000 vehicles.
- Telematics (GPS tracking) solutions for heavy duty, medium, and light duty vehicles, as well as battery-powered GPS for unpowered assets like trailers.
- Patent-protected all electronic pre- and post-trip inspection technology provides verified vehicle inspections of any type of vehicle and any vehicle-mounted accessories.
- Full suite of add-on hardware and software tools address specific needs of municipal and utility fleet vehicles.
- Full line of school bus hardware and software tools for student ridership tracking and a parent notification app.
- Open API allows customers to pull the data gathered by Zonar's tools into other back-office systems.

Who is Zonar?

Zonar Systems suite of fleet telematics solutions has been a leader in North American heavy-duty vehicle fleets for 20 years. Unique innovations from Zonar like the EVIR Inspection system and Intelligent Logging have made our products a staple for fleets from school buses, to over the road trucking, to municipalities and utility companies in every US State and most Canadian Provinces. As one of the few companies who design and manufacture their own hardware and software, Zonar's solutions are designed to be rugged and robust in the common environments heavy-duty vehicles and off-road machinery operate.

Who is Equalis Group?

Equalis Group is a Member-Driven, Supplier-Centric organization that embodies the power of partnership. Equalis Group operates with the guiding principle that when the objectives of buyers and sellers are aligned, sustainable value is created, transcending that of the typical short-term transactional relationship. With this differentiated approach, Equalis Group is not just a cooperative purchasing organization; we are a family.

We leverage Equalis Group members' combined buying power to command better pricing and favorable contract

terms from suppliers. We develop and administer a diverse portfolio of cooperative purchasing programs that cover a wide range of products and services and provide our members with a legal and compliant exemption to the bid/request for proposals (**RFP**) process.

Each program in our rapidly growing portfolio provides our members with contracting compliance and the ability to configure the solution that best meets their individual needs while achieving the lowest Total Cost of Ownership.

Time Saved through Equalis Group = More Resources for You to Invest

How many hours and over how many weeks or months does your team invest in a typical solicitation process? How many solicitations does your organization publish each year? How much time and effort can your organization save by leveraging Equalis Group's already-procured portfolio of programs? In what ways can you re-invest that saved time and energy to fulfill your organization's purpose?
