AssetWorks & Equalis Group *Publicly Procured Contract Vehicle*

AssetWorks Contract Highlights

Modern day, mission critical technology designed to make the jobs of fleet and asset management professionals easier.

- A nationally available cooperative purchasing contract that provides a legal and competent exemption to the fleet and enterprise asset management technology bid/request for proposals (RFP) process for the public and private sectors.
- Perpetual license or SaaS-based tier discounted price structure with add-on modules and services available.
- Fully web-based solutions available on-premises or hosted in our SSAE18 SOC2 certified/ISO27001 compliant data center.
- Access to a diverse catalog of fleet management information systems (including fuel management hardware and software, electric vehicle management (EV) charging hardware and software, telematics, mobile solutions, and motor pool sharing) and enterprise asset management systems for infrastructure and public works assets.
- An experienced team of subject matter and implementation experts partnered with over 550 clients to-date.

Who is AssetWorks?

Since 1981, AssetWorks has been a leading supplier of fleet management software, automated fueling systems, and enterprise asset management software in North America and the United Kingdom, with more than 550 software customers, including private fleet operators as well as City, County, State, and Federal organizations. AssetWorks solutions enable fleet organizations of all sizes to improve maintenance practices, streamline operations, and improve accountability for mission-critical transportation assets.

Created by Public Sector Organizations for Public Sector Organizations

Who is Equalis Group?

Equalis Group is a Member-Driven, Supplier-Centric organization that embodies the power of partnership. Equalis Group operates with the guiding principle that when the objectives of buyers and sellers are aligned, sustainable value is created, transcending that of the typical short-term transactional relationship. With this differentiated approach, Equalis Group is not just a cooperative purchasing organization; we are a family.

We leverage Equalis Group members' combined buying power to command better pricing and favorable contract

terms from suppliers. We develop and administer a diverse portfolio of cooperative purchasing programs that cover a wide range of products and services and provide our members with a legal and compliant exemption to the bid/request for proposals (RFP) process.

Each program in our rapidly growing portfolio provides our members with contracting compliance and the ability to configure the solution that best meets their individual needs while achieving the lowest Total Cost of Ownership.

Time Saved through Equalis Group = More Resources for You to Invest

How many hours and over how many weeks or months does your team invest in a typical solicitation process? How many solicitations does your organization publish each year? How much time and effort can your organization save by leveraging Equalis Group's already-procured portfolio of programs? In what ways can you re-invest that saved time and energy to fulfill your organization's purpose?
