

Gordian's solutions help organizations effectively plan, build and manage their infrastructure and facilities. Thousands of organizations have relied on that partnership to ensure they are providing safe and healthy physical assets for everyone in the community for over thirty years.

Brewer-Garrett & Equalis Group

Publicly Procured Contract Vehicle

Brewer-Garrett Contract Highlights

- Over 60 years of experience with mechanical system design, installation, and replacement.
- In-house engineering team (mechanical, electrical, and energy) ensures quality solutions and eliminates unnecessary layers of markup.
- In-house team of project managers, estimators, design engineers, energy engineers, and controls experts provides effective communication to streamline project development and implementation.
- Access to additional energy services including solar and EV charger design/installation.

Who is Brewer-Garrett?

Brewer-Garrett (**BG**) is a full-service facility solutions company that excels in the design-build market. Founded in 1959 as a design-build mechanical contractor, BG's in-house team consists of over 280 associates including energy, mechanical, and electrical engineers, project managers, estimators, controls experts, O&M specialists, data analytics team, commissioning agents, and finance specialists.

BG utilizes its in-house resources to provide our customers first-tier service to ensure the optimal solution is chosen to directly address the client's project goals. We provide direct engineering and construction project control to ensure quality, keep project costs down, and maximize the customer's return on investment. Additionally, our design-build delivery options provide a single point of ownership paired with speed, flexibility, and guaranteed maximum pricing.

Ohio Job Order Contracting (JOC)

In partnership with Gordian, Equalis Group has curated a state-specific JOC program for the state of Ohio. Equalis Group members are able to combine the power of Gordian with the local expertise of in-market contractors and construction firms. JOC projects don't have to be complicated; all Equalis Group JOC Master Agreements have been publicly procured and are available for use without having to submit time-consuming RFPs/Bids. Get more details at: www.EqualisGroup.org/Ohio-JOC-Program

Save Time... we've done the procurement work so you don't have to.

Save Money... your dollar goes further with the collective buying power of Equalis Group.

Stay Legal... our competitive procurement process delivers statutory compliance in every state.

Created by Public Sector Organizations for Public Sector Organizations

Who is Equalis Group?

Equalis Group is a Member-Driven, Supplier-Centric organization that embodies the power of partnership. Equalis Group operates with the guiding principle that when the objectives of buyers and sellers are aligned, sustainable value is created, transcending that of the typical short-term transactional relationship. With this differentiated approach, Equalis Group is not just a cooperative purchasing organization; we are a family.

We leverage Equalis Group members' combined buying power to command better pricing and favorable contract

terms from suppliers. We develop and administer a diverse portfolio of cooperative purchasing programs that cover a wide range of products and services and provide our members with a legal and compliant exemption to the bid/request for proposals (RFP) process.

Each program in our rapidly growing portfolio provides our members with contracting compliance and the ability to configure the solution that best meets their individual needs while achieving the lowest Total Cost of Ownership.

Time Saved through Equalis Group = More Resources for You to Invest

How many hours and over how many weeks or months does your team invest in a typical solicitation process? How many solicitations does your organization publish each year? How much time and effort can your organization save by leveraging Equalis Group's already-procured portfolio of programs? In what ways can you re-invest that saved time and energy to fulfill your organization's purpose?
