Who is Empire Paving?

Empire Paving, LLC was established in 2004. Empire self-performs site excavation, underground storm utilities, concrete curb installation, concrete flat work installation, asphalt milling, sub-base stabilization, aggregate base installation, and asphalt paving. Our focus in the asphalt industry has primarily been in the private sector, but with experience on township roads, and sub-division installs. The rehabilitation of existing parking lots has been Empire Paving's focus and niche since 2004. Our vast knowledge and experience in the proper way to rehabilitate a parking lot, integrated with the skilled foreman/crew and top of the line equipment puts Empire Paving at the top of list for commercial pavers in Northeast Ohio. The ability to take over a site and have all scopes of work performed under one roof makes scheduling, performing and the success of a project that much easier and convenient for the owner.

Empire Paving has a sister company called Empire Materials. Empire Materials is recycling yard for all broken concrete and asphalt. With the ever-changing industry standards and the huge push to "Go Green", Empire Materials crushes broken concrete and asphalt spoils into re-useable aggregates for sub-base installation. The refined materials meet the ODOT specifications, and is acceptable for most project.

Who is Equalis Group?

Equalis Group is a Member-Driven, Supplier-Centric organization that embodies the power of partnership. Equalis Group operates with the guiding principle that when the objectives of buyers and sellers are aligned, sustainable value is created, transcending that of the typical short-term transactional relationship. With this differentiated approach, Equalis Group is not just a cooperative purchasing organization; we are a family.

We leverage Equalis Group members' combined buying power to command better pricing and favorable contract

terms from suppliers. We develop and administer a diverse portfolio of cooperative purchasing programs that cover a wide range of products and services and provide our members with a legal and compliant exemption to the bid/request for proposals (RFP) process.

Each program in our rapidly growing portfolio provides our members with contracting compliance and the ability to configure the solution that best meets their individual needs while achieving the lowest Total Cost of Ownership.

Time Saved through Equalis Group = More Resources for You to Invest
