Section One, Part A – Overview, Scope, and Project Information

1. Overview

This request for proposal (“RFP”) is published by the Cooperative Council of Governments (“CCOG”) for the purpose of awarding a master cooperative purchasing agreement (the “Master Agreement”) and creating a cooperative purchasing program for construction equipment with related attachments, accessories, supplies, and services (the “Program”) that will be available to current and future members of Equalis Group (the “Members”). Companies and organizations which respond to this RFP (“Bidders”) and awarded a Master Agreement are referred to, throughout this RFP and supporting documentation, as a “Winning Supplier” or “Awarded Supplier”. The use of the Master Agreement by any public agency is preceded by registration with Equalis Group and by using the Master Agreement (a “Program Participant”), any such Program Participant agrees that it is registered with Equalis Group, whether pursuant to the terms of a Master Intergovernmental Purchasing Cooperative Agreement, that can be accessed at <https://equalisgroup.org/member-registration/>, or as otherwise agreed to. Under applicable state statutes, public sector entities nationwide that join Equalis Group can purchase products and services through the resulting Master Agreement without having to conduct their own formal procurement process, thereby saving both themselves and the Winning Supplier significant time and money.

2. CCOG Background

[CCOG](#) is a Council of Governments and Ohio political subdivision organized under Chapter 167 of the Ohio Revised Code. CCOG is an Equalis Group, LLC (“Equalis Group”) lead public agency and, in that role, conducts formal public sector competitive solicitation processes in compliance with applicable public sector procurement guidelines to select a Winning Supplier(s) to provide products and services to Members.

At the conclusion of this RFP process, CCOG will award a Master Agreement to the Winning Supplier(s).

The Winning Supplier(s) and Equalis Group will also enter into a separate management agreement (the “Administration Agreement”) which defines i) the roles and responsibilities of both parties relating to marketing and selling the Program to current and prospective Members and ii) the financial terms between the parties. The Winning Supplier and Equalis Group will work closely together to develop and implement marketing and sales strategies to drive program adoption with current and future Members across the country.

Equalis Group, is committed to actively engage with the Winning Suppliers to grow profitable public sector revenue by:

4. Estimated Quantities & Available Funds

CCOG and Equalis Group anticipate a substantial number of current and future Members will enter into contracts resulting from this solicitation; however, CCOG and Equalis Group makes no guarantee or commitment of any kind concerning quantities or usage of contracts resulting from this solicitation. The total annual volume for this contract category is estimated to be over two hundred million dollars (\$200,000,000.00) annually by year three (3) of the contract. This information is provided solely as an aid to Bidders preparing proposals only and performance will be determined by other factors such as awarded supplier's competitiveness and overall performance and support of the contract. The Awarded Supplier(s) discount and pricing schedule shall apply regardless of the volume of business under the contract.

Neither CCOG or Equalis Group are asserting any public funds have been allocated to purchase the products and services that will be available through this Program.

5. Cost Proposal & Pricing

5.1. Cost Proposal Requirements

A template for **Proposal Form 2: Cost Proposal** has been included as **Attachment B – Cost Proposal** and must be used as the base document for when Bidders submit their Cost Proposal. Bidders are permitted to revise any part of the Excel Workbook to accurately reflect column titles, details, discounts, pricing categories of products, services, and solutions being offered to Equalis Group Members.

All Bidders must complete and submit **Proposal Form 2: Cost Proposal** using the pricing methodology that best reflects the way pricing will be determined when providing solutions included within the scope of the Bidder's Proposal. The Cost Proposal will be used to define the Products & Services Bidders are offering Equalis Group Members through the Winning Supplier's Master Agreement. **Winning Supplier's contract pricing shall remain firm for 120 days after the award of a contract.**

5.2. Additional Pricing Information

Below are details which should be taken into consideration when Bidders are developing their Cost Proposal:

- a. **Auditable Pricing.** It is the responsibility of the Bidder to provide a complete Cost Proposal that includes pricing based on a verifiable pricing methodology for all Products & Services to be considered part of the final Master Agreement offered to the Members.
- b. **Value to the Members.** CCOG requests that Bidders offer Products & Services at lower prices and with better value than what they would ordinarily offer to a single government agency, educational institution, or regional cooperative.
- c. **Not to Exceed Pricing.** CCOG requests that pricing be submitted as not to exceed. Bidder may adjust pricing lower if needed but cannot exceed the pricing submitted.
- d. **Indefinite Quantity.** This RFP requests pricing for an indefinite quantity of products or related services.
- e. **Total Acquisition Cost.** The pricing included in your Cost Proposal must be clearly understood, complete, and fully describe the total cost of acquisition (e.g., the cost of the proposed equipment, products, and services delivered and operational for its intended purpose in the Member's location).
- f. **Prevailing Wage.** The awarded vendor and any of its subcontractors agree to comply with all laws regarding prevailing wage rates applicable to constructions of public work, and any related federal requirements, including the Davis-Bacon Act, applicable to this RFP and Equalis Group Members. The Equalis Group Member will notify the Awarded Supplier of the applicable prevailing wage rates and must apply any local wage rates requested.
- g. **Administrative Fee.** Pricing provided shall include the administrative fee paid to Equalis Group.
- h. **Relevant Information.** All line items included in your Cost Proposal should be described by, but not limited to, characteristics such as manufacture name, stock or part number, size, or functionality.
- i. **Discounts.** Discounts shall be clearly defined. Pricing with multiple discounts levels based on quantity, sales volume, or any other factor is allowable and must be based on a fixed or defined price or sales range or configuration of products & services.
- j. **Miscellaneous Material.** For labor-based pricing, as described in **5.3. Common Pricing Methodologies**, all items not equipment or labor shall be considered miscellaneous material which will have a maximum margin applied to the cost of the miscellaneous material.
- k. **Cost Plus a Percentage or Cost-Plus Pricing.** Cost-Plus Pricing is not acceptable as the primary pricing methodology for the solutions provided in your Cost Proposal. Cost Plus Pricing can be defined as adding a markup to the cost of goods or services to arrive at a selling price. Using this pricing methodology is not accepted by Members using Federal Grant Funds to purchase the products or services offered by the Winning Supplier.

5.3. Common Pricing Methodologies

Examples of commonly used pricing methodologies include, but are not limited to:

- a. **Line-Item Pricing.** Products & Services are individually priced based on a line-item discount. For each line-item entry, Bidders must provide both verifiable price ("List Price") as well as the price which will be offered to the Members ("Contract Price") and the associated price discount (if applicable) in their pricing model where the Contract Price is calculated by applying the applicable discount to the List Price. The List

Price will be the standard “quantity of one” price currently available to government and educational customers.

- b. **Percentage Discount Off List Price by Catalog or Category.** Products, services, and/or solutions associated with a defined catalog or category are given a specific and uniform percentage discount based on a published List Price (“Catalog Discount” or “Category Discount”). Individualized percentage discounts can be applied to any number of defined product groupings. The types of products, parts, and services using the Catalog or Category Discount methodology must be clearly identified and defined.

5.4. Other Pricing Scenarios

- a. **Open Market Items or Sourced Goods.** Bidders can provide an alternative method of costing to cover any product and/or service not covered by Common Pricing Methodologies due to the projects or application’s specifications, conditions, and/or requirements.
- b. **Additional Discounts and Savings.** A Bidder may disclose the volume requirements and subsequent discounts extended to Members who purchase larger than normal volumes. All other rebate programs or incentives should be described and quantified as a part of your Cost Proposal.

5.5. All Products & Services Must Be Priced

All products and additional services including, but not limit to installation, delivery, tech support, training, and other services must be priced. Any product or service provided free of charge should be listed in order to be included on any resulting contract award.

6. Evaluation Process

6.1. Evaluation Caveats

- a. **Proposal Rejection.** The Proposal Review Team reserves the right to reject any and all proposals, in whole or in part, received in response to this RFP. All proposals will be reviewed for responsiveness to the material requirements of the solicitation. Proposals that are materially non-responsive will be rejected and CCOG will provide notice of rejection to the Bidder.
- b. **Negligence.** Negligence on the part of Bidder in preparing its proposal submitted in response to this RFP confers no right of modification or withdrawal of Bidder’s proposal after the proposal due date.
- c. **Competitive Range.** It may be necessary to establish a competitive range. Factors from the evaluation criteria will be used to make this determination. Responses not in the competitive range are unacceptable and do not receive further award consideration.
- d. **Past Performance.** A Bidder’s performance and actions under previously awarded contracts to schools, local, state, or federal agencies are relevant in determining whether or not the Bidder is likely to provide quality Products & Services to our members; including the administrative aspects of performance; the vendor’s history of reasonable and cooperative behavior and commitment to customer satisfaction; and generally, the Respondent’s businesslike concern for the interests of the customer.

6.2. Evaluation and Scoring of Proposals

The Proposal Review Team will evaluate based on Bidder’s proposal submission. Proposal scoring will be weighted as described in this section. Bidders should not assume that the Proposal Review Team is familiar with current or past work activities of any Bidder.

In scoring the proposals, the PRT will score in two (2) parts:

- a. **Part One – Technical Proposal Scoring Criteria:**

 - Warranty
 - Customer Service
 - Order & Invoice Processing; Payment
- **Go to Market Strategy**
 - Fifteen (15) total points allocated to:

Any Technical Proposal which does not meet the minimum required point threshold will be determined nonresponsive to this RFP and the associated sealed Cost Proposal will neither be opened nor considered.

Once the Technical Proposal has achieved a score of **45** points or greater, the PRT will review Cost Proposals to determine the best overall financial value. The PRT will take into account the Bidder's responses to the questions provided, pricing for Products & Services, and any costs or charges associated with service and support, reporting, and additional services proposed.

CCOG may, at its sole discretion, select specific data from Bidder's Cost Proposal to evaluate. CCOG also reserves the right to request additional pricing scenarios for the purpose of providing Market Basket Pricing or Project Based Pricing to compare Bidders' Cost Proposals more accurately.

A maximum of **35** points will be awarded for the Cost Proposal and points will be distributed according to the schedule below.

- **Pricing of Products & Service**

- Thirty-five (35) total points allocated to:
 - Pricing for all available Products & Services
 - Ability for Members to verify that they received contract pricing
 - Other factors relevant to this section as submitted by the Bidder

7. Clarification & Negotiation

7.1. Proposal Clarification

Bidders identified as finalists may be requested to participate in a proposal clarification discussion as part of the evaluation process, if deemed necessary. The PRT reserves the right to select Bidders within the competitive range for discussion and may not seek clarification of all Bidders. Any Bidders interviewed will bear all their costs of any scheduled interview.

7.2. Negotiation

CCOG, in its sole discretion, may request all Bidders in the competitive range to submit a Best and Final Offer. Bidders must submit their Best and Final Offers in writing. If a Bidder does not respond to the request for a Best and Final Offer, that Bidders most recent offer will be considered to be its Best and Final Offer.

8. Final Scoring and Supplier Recommendation

The total of each Bidder's Technical Proposal and Cost Proposal will be added together to calculate the final points awarded to each Bidder.

9. Final Supplier Recommendation

The PRT will recommend to CCOG the Bidder or Bidders deemed to be responsible and whose proposals are most advantageous to Members, taking into consideration factors such as price and the evaluation of criteria in the Technical Proposal.

10. Contract Award.

10.1. Award Criteria

CCOG will award the contract to the responsible Bidder whose proposal is most advantageous with price and other factors consideration such as price and the evaluation of criteria in the Technical Proposal. The decision to award multiple contracts, award only one contract, or to make no awards rests solely with CCOG.

10.2. Award Caveats

CCOG is under no obligation to issue a contract as a result of this solicitation if, in the opinion of CCOG and the PRT, none of the proposals are sufficiently responsive to the objectives and needs of Members, CCOG, or Equalis Group. D. *C. 271 Political Contribution Disclosure Form*

PUBLIC AGENCY INSTRUCTIONS

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. **It is not intended to be provided to contractors.** What follows are instructions on the use of form local units can provide to contractors that are required to disclose political contributions pursuant to N.J.S.A. 19:44A-20.26 (P.L. 2005, c. 271, s.2). Additional information is available in Local Finance Notice 2006-1 (https://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html).

1. The disclosure is required for all contracts in excess of \$17,500 that are **not awarded** pursuant to a “fair and open” process (N.J.S.A. 19:44A-20.7).
2. Due to the potential length of some contractor submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. **The form is worded to accept this alternate submission.** The text should be amended if electronic submission will not be allowed.
3. The submission must be **received from the contractor and** on file at least 10 days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.
4. The contractor must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that contractors be provided a list of the affected agencies. This will assist contractors in determining the campaign and political committees of the officials and candidates affected by the disclosure.
 - a) The Division has prepared model disclosure forms for each county. They can be downloaded from the “County PCD Forms” link on the Pay-to-Play web site at https://www.state.nj.us/dca/divisions/dlgs/programs/pay_2_play.html. They will be updated from time-to-time as necessary.
 - b) A public agency using these forms **should edit them to properly reflect the correct legislative district(s)**. As the forms are county-based, **they list all legislative districts** in each county. **Districts that do not represent the public agency should be removed from the lists.**
 - c) Some contractors may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.
 - d) The form may be used “as-is”, subject to edits as described herein.
 - e) The “Contractor Instructions” sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.
 - f) The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.
5. It is recommended that the contractor also complete a “Stockholder Disclosure Certification.” This will assist the local unit in its obligation to ensure that contractor did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the 12 months prior to the contract. (See Local Finance Notice 2006-7 for additional information on this obligation) A sample Certification form is part of this package and the instruction to complete it is included in the Contractor Instructions. **NOTE: This section is not applicable to Boards of Education.**

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report. It is the contractor’s responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement. The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor’s submission and is disclosable to the public under the Open Public Records Act. Section Three: General Terms and Conditions of Master Agreement

THIS MASTER COOPERATIVE PURCHASING AGREEMENT (this "**Master Agreement**") is entered into by and between The Cooperative Council of Governments, Inc., the Winning Supplier, And Equalis. Throughout this Master Agreement, CCOG, Winning Supplier, and Equalis are referred to interchangeably as in the singular "**Party**" or in the plural "**Parties**."

1. RECITALS

A. CCOG is a Council of Governments formed under Chapter 167 of the Ohio Revised Code and serves as a lead agency (a "**Lead Public Agency**") for Equalis Group ("**Equalis Group**"), a national cooperative purchasing organization, by publicly procuring Master Agreements for products and services to be made available to current and prospective Equalis Group members ("**Equalis Group Member**" or "**Member**").

B. Equalis is the third-party procurement administrator for and duly authorized agent of CCOG, and in that role manages the procurement, contract management, marketing, sales, reporting, and financial activities of, for, and on behalf of CCOG at the direction and with the authorization of the CCOG Board of Directors.

C. To the extent that the laws of a state, region, territory, and/or country permit, any public sector entity may join Equalis Group as a Member. The term "**Public Sector Entities**" includes, but is not limited to, political subdivisions, municipal corporations, counties, townships, villages, school districts, special districts, public institutions of higher education or training, units of government, state/regional/territorial agencies, state/regional/territorial governments, federal/national agencies, federal/national governments, and other entities receiving financial support from tax monies and/or public funds.

D. Any organization that is exempt from federal income tax under Section 501(c)(3) of the IRS Code, and any other entity if permitted under the IRS Code and other applicable law, including for-profit companies, may also join Equalis Group as a Member.

E. Equalis Group makes its Master Agreements available through groups and associations ("**Association Partners**") that contract with Equalis for the purpose of providing additional benefits to the members of such Association Partners.

F. Members, Association Partners, and Association Partners' members are referred to throughout this Master Agreement as Equalis Group participants ("**Equalis Group Participants**").

G. CCOG issued this request for proposal ("**RFP**") on behalf of Equalis Group Participants for and awarded a contract to Winning Supplier as a lowest responsive and responsible bidder. The products and services made available in this contract are defined by the contents of the Winning Supplier's Cost Proposal submission ("**Products & Services**").

H. CCOG and Equalis agree to make the Products & Services from Winning Supplier available to Equalis Group Participants and Winning Supplier agrees to provide the same to Equalis Group Participants who purchase Products & Services ("**Program Participants**") subject to the terms of this Master Agreement.

NOW, THEREFORE, in consideration of the mutual promises contained herein, the Parties agree to the following terms and conditions:

2. TERMS & CONDITIONS

2.1. Personnel & Equipment. The Parties agree that the number and types of any subcontractors, dealers, distributors, personnel, or specialized equipment which may be required to furnish Products & Services to Program Participants will be determined by Winning Supplier. Winning Supplier agrees to engage the number and types of subcontractors, personnel, and/or specialized equipment necessary to furnish the types of Products & Services to all Program Participants throughout the Term of this Master Agreement and any Customer Agreement.

2.2. Supplemental Agreements. Winning Supplier may enter into separate supplemental agreements with an Equalis Group Participant and/or Program Participant to further define the terms and conditions of purchasing Products & Services (“**Customer Agreement**”). Notwithstanding the foregoing, by ordering products or services under this Master Agreement, all terms and conditions of this Master Agreement will be incorporated into a resulting Customer Agreement unless the Customer Agreement as mutually agreed between Winning Supplier and the Program Participant states otherwise. Any Customer Agreement entered into as a result of this contract is exclusively between the Program Participant and Winning Supplier. Neither CCOG, Equalis Group, its agents, Member and employees shall be made party to any claim for breach of such agreement.

2.3. Pricing

a. Not-To-Exceed Pricing. All contract pricing is “*Not-To-Exceed Pricing*” where Members will receive pricing that does not exceed the per unit pricing provided by the respondent in Attachment B. Winning Supplier may adjust pricing lower if needed, without any approval needed, but cannot exceed the pricing on their contract price list.

b. Pricing Adjustments. No price increases are permitted within the first ninety (90) days of this contract’s Effective Date. Should it become necessary or proper during the Term of this Agreement to make any change in design or any alterations that will increase expense, Equalis Group must be notified immediately. Price increases must be approved by CCOG and no payment for additional materials or services, beyond the amount stipulated in the Agreement, shall be paid without prior approval. All price increases must be supported by manufacturer documentation, or a formal cost justification letter.

It is Winning Supplier’s responsibility to keep all pricing up to date and on file with Equalis Group. All price changes must be provided to Equalis Group, using the same format as was accepted in the original contract.

c. Rates & Charges. The rates, fees, and charges to be charged to and paid by Program Participants for Products & Services are set forth in contract price list. Winning Supplier agrees that there are no other applicable rates, fees, charges, or other monetary incentives for Products & Services except those set forth in Winning Supplier’s cost proposal.

2.4. The Term. This Master Agreement and the Appendices attached hereto will become effective as of effective date identified in the **Master Agreement Signature Form** (the “**Effective Date**”). This Master Agreement will remain in effect for four (4) years and will expire on the date identified in the **Master Agreement Signature Form** (the “**Termination Date**”) unless extended, terminated, or cancelled as set forth in the Master Agreement (the “**Initial Term**”). This Master Agreement may be renewed for one (1) additional one (1) year period by CCOG (a “**Renewal Term**”) unless this Master Agreement is terminated as set forth herein. By mutual consent of the Parties, the Term of this Master Agreement may be extended beyond the Initial and Renewal Term (the “**Extended Term**”). The Initial Term together with all Renewal Terms and Extended Terms exercised are hereinafter collectively referred to as the “**Term**.”

2.5. Formation of Contract

a. Bidder Contract Documents. CCOG and Equalis Group will review proposed Bidder contract documents. Bidder’s contract document shall not become part of CCOG and Equalis Groups’ contract with Bidder unless and until an authorized representative of CCOG and Equalis Group reviews and approves it.

b. Entire Agreement. This Master Agreement, including its Recitals, together with all components of the RFP, the components of the Winning Supplier’s proposal, attachments, appendices, and exhibits hereto, constitutes the entire agreement between the Parties with respect to the subject matter hereof and supersedes all prior oral or written representations and agreements with regard to the same subject matter. The Parties acknowledge that this Master Agreement has been negotiated and incorporates their collective agreement as to the provisions to be contained herein. Therefore, no presumption will arise giving benefit of interpretation by virtue of authorship of any provision of this Master Agreement, and any ambiguity may not be construed for or against any Party. Winning Supplier’s complete and final RFP response is hereby incorporated into and made part of this Master Agreement.

c. Modification. No release, discharge, abandonment, waiver, alteration, or modification of any of the provisions of this Master Agreement, or any of the Appendices incorporated herein, shall be binding upon any Party unless set forth in a writing signed by authorized representatives of the Parties.

d. Assignment. This Master Agreement and the rights and obligations hereunder may not be assignable by any Party hereto without the prior written consent of the other Parties, which consent shall not be unreasonably withheld, conditioned, or delayed, provided, however, that Winning Supplier and Equalis may assign their respective rights and obligations under this Master Agreement without the consent of the other Parties in the event either Winning Supplier or Equalis shall hereafter effect a corporate reorganization, consolidation, merger, merge into, sale to, or a transfer of all or substantially all of its properties or assets to another entity. Subject to the preceding sentence, this Master Agreement will be binding upon, inure to the benefit of, and be enforceable by the Parties and their respective successors and assigns. Any instrument purporting to make an assignment in violation of this section shall be null and void. This Master Agreement may be extended to additional entities affiliated with the Parties upon the mutual agreement of the Parties. No such extension will relieve the extending Party of its rights and obligations under this Master Agreement.

e. Order of Precedence.

- (1) General terms and conditions of Master Agreement
- (2) Specifications and scope of work, as awarded
- (3) Attachments and exhibits to the Master Agreement
- (4) The solicitation and all attachments thereto; and
- (5) The Bidder’s proposal and all attachments thereto.

2.6. Confidentiality.

a. Obligation. The nature and details of the business relationship established by this Master Agreement, and the business information regarding the other Party(ies) (the “**Disclosing Party**”) to which a Party(ies) (the “**Receiving Party**”) may become privy during the Term of this Master Agreement (collectively, the “**Information**”) constitute confidential and proprietary information, the disclosure, copying, or distribution of which could result in competitive harm to the Disclosing Party. Each Party agrees to maintain the other Parties’ Information in the strictest confidence and agrees not to disclose, copy, or distribute the other Parties’ Information, whether orally or in writing, directly or indirectly, in whole or in part, except to those of the Receiving Party’s employees, agents, subcontractors, and suppliers with a need to know the Information. The foregoing will not limit a Receiving Party, for purposes of marketing, from informing actual or potential Equalis Group Participants of the existence of a contractual relationship between the Parties. The Parties further agree that they will require that all of their employees, agents, subcontractors, and suppliers abide by the terms of these confidentiality obligations. The confidentiality obligations set forth in this section will continue in effect for the Term of this Master Agreement and for a period of two (2) years after the date this Master Agreement is terminated or expires.

b. Exceptions. Nothing herein will apply to any information (a) which is or becomes generally available to the public other than as a result of a disclosure by a Receiving Party or its representatives, (b) which was available on a non-

confidential basis prior to its disclosure by the Disclosing Party or its representatives, (c) which becomes available to a Receiving Party on a non-confidential basis from a source other than the Disclosing Party or its representatives, provided that such source is not known to be subject to any prohibition against transmitting the information, (d) which is disclosed pursuant to an order of court; provided that in the event that proprietary information is disclosed or threatened to be disclosed pursuant to this clause (d), the Receiving Party will give the original Disclosing Party prompt, written Notice, as hereinafter defined, of such threatened disclosure and the right to defend against such disclosure, at Disclosing Party's expense, and provided further that the original Receiving Party will cooperate reasonably in such defense, or (e) which is subject to a Freedom of Information Act Request or other public records request to which a Party is, or may be, required to respond by applicable law.

2.7. Indemnification. Winning Supplier shall protect, indemnify, and hold harmless both CCOG and Equalis Group, administrators, employees, and agents ("**Indemnified Parties**") against all claims, damages, losses and expenses ("**Claims**") arising out of or resulting from the actions of Winning Supplier, Winning Supplier employees or subcontractors in the preparation of the solicitation and the later performance under the contract, including any Customer Agreements with Program Participants ("**Losses**").

2.8. Winning Supplier Insurance. During the Term of this Master Agreement, and for two (2) years following expiration or termination of this Master Agreement, Winning Supplier, at its own expense, shall maintain and shall require that its agents, subcontractors, and suppliers engaged in Winning Supplier's performance of its duties under this Master Agreement maintain general liability insurance, property insurance, and automobile insurance (at a minimum, in the amount of \$1,000,000 per occurrence/\$5,000,000 annual aggregate) applicable to any claims, liabilities, damages, costs, or expenses arising out of its performance under this Master Agreement, or any Appendix, and with respect to, or arising out of, Winning Supplier's provision of Products & Services to Program Participants. CCOG, Equalis, and their respective officers, directors, employees, and agents will be named as certificate holders on Winning Supplier's related insurance policies. All such insurance policies shall incorporate a provision requiring the giving of written Notice to CCOG and Equalis at least thirty (30) days prior to the cancellation, nonrenewal, and/or material modification of any such policies. Winning Supplier shall submit to Equalis within ten (10) calendar days after the Effective Date of this Master Agreement, and prior to furnishing Products & Services to any Program Participants, valid certificates evidencing the effectiveness of the foregoing insurance policies. Winning Supplier shall provide such valid certificates on an annual basis until the terms of this section are no longer applicable.

2.9. Termination Rights. The Parties shall have the termination rights set forth below.

a. Insolvency. If a petition in bankruptcy is filed by any Party, or if any Party is adjudicated as bankrupt, or if any Party makes a general assignment for the benefit of creditors, or if a receiver is appointed on account of the insolvency of any Party, then the other Parties, without prejudice to any other right or remedy, may terminate this Master Agreement upon giving at least five (5) business days prior written Notice of such termination.

b. Mutual Consent. This Master Agreement, or any Appendix, may be terminated at any time by the mutual written consent of the Parties.

c. Breach. In the event that any Party commits a material breach of its obligations under this Master Agreement, except for a payment obligation, the non-breaching Party(ies) may provide written Notice describing the material breach to the breaching Party. The breaching Party will have thirty (30) calendar days to cure such breach or provide acceptable reassurance to the non-breaching Party(ies), or, if the Parties agree that a cure or reassurance is not feasible within thirty calendar (30) days, such period of time for cure or satisfactory reassurance as the Parties may agree in writing. If the breach is not cured within such period or if satisfactory reassurance is not accepted by the non-breaching Party(ies) in such period, then the Party(ies) not in breach may terminate this Master Agreement upon ten (10) business days written Notice at the Addresses for Notices.

2.10. Effects of Termination. Upon termination of this Agreement for any reason, all Customer Agreements entered into with Program Participants shall immediately terminate. Winning Supplier shall immediately cease any sales of Products & Services to any Program Participant under and through the terms of this Master Agreement. Following the date of termination, Winning Supplier shall not be precluded from selling its products and services to individuals, businesses, and entities that were Program Participants when this Master Agreement was in effect either directly or through some other contract vehicle. Following the date of termination, CCOG and Equalis shall not be precluded from transitioning individuals, businesses, and entities that were Program Participants when this Master Agreement was in effect to another agreement or Equalis Group supplier partner.

2.11. Audit of Winning Supplier. CCOG and Equalis, whether directly or through an independent auditor or accounting firm, shall have the right to perform audits, including inspection of books, records, and computer data relevant to Winning Supplier's provision of Products & Services to Program Participants pursuant to this Master Agreement, to ensure that pricing, inventory, quality, process, and business controls are maintained; provided, however, that such inspections and audits will be conducted upon reasonable notice to Winning Supplier and so as not to unreasonably interfere with Winning Supplier's business or operations.

2.12. Force Majeure. This Master Agreement will be temporarily suspended during any period to the extent that any Party during that period is unable to carry out its obligations under this Master Agreement or the Appendices by reason of an Act of God or the public enemy, act of terrorism, epidemic or pandemic, fire, flood, labor disorder not caused by Winning Supplier, civil commotion, closing of the public highways not caused by Winning Supplier, government interference, government regulations, or any other event or occurrence beyond the reasonable control of the affected Party ("**Event of Force Majeure**"). No Party will have any liability to the other Party(ies) for a delay in performance nor failure to perform to the extent this Master Agreement or any Appendix is so temporarily suspended; provided that nothing contained herein shall apply to payment obligations with respect to obligations which have already been performed under this Master Agreement. If the provision of Products & Services are impeded due to an Event of Force Majeure, then Winning Supplier may apportion the provision of Products & Services among its present and future customers on a fair and reasonable basis after consulting with Equalis and the Program Participants potentially affected and in a manner that would not reasonably be expected to disproportionately affect Program Participants.

2.13. Notices. All notices, claims, certificates, requests, demands, and other communications required or permitted hereunder ("**Notice**") must be in writing and will be deemed given to the Addresses for Notices (a) when delivered personally to the recipient, (b) upon delivery by reputable overnight courier service (charges prepaid), or (c) upon delivery or refusal of delivery by certified or registered mail, return receipt requested, and addressed to the intended recipient. The Parties agree that the day-to-day business communications, including notification of a change of address, pricing updates, or revisions to any Appendix, may be made via electronic communication.

a. Addresses for Notices. Written notices for the Winning Supplier will be sent to the remittance address provided the Winning Supplier's proposal.

Submission files

Russell (Rusty) Pugh, May 24, 2023 8:36 AM EDT

What is the max file size allowed in the document's submission section? I'd like to know ahead of time to ensure there is not a hang up at the time of submission. Thank you.

David Robbins, May 25, 2023 11:30 AM EDT

The maximum file size, regardless of file type, is ~1000MB (1GB) per file.

Define incidental cost - Section 2, Proposal Form 8

Russell (Rusty) Pugh, Jun 08, 2023 11:07 AM EDT

In Section 2, Proposal Form 8, in the affirmation statement it is described as a "firm fixed price structure as described in the Cost Proposal, inclusive of all incidental as well as primary cost". Please define and/or provide examples of what Equalis or the CCOG would define as "incidental cost".

David Robbins, Jun 09, 2023 11:18 AM EDT

In this case the definition is tied back to "all incidental as well as primary cost", not just incidental costs. This statement request confirmation that the pricing submitted in the Cost Proposal is inclusive of the ALL COSTS associated with acquiring your organization's goods & services. A member will be limited to buying only what is priced on the contract pricing and this ensures there aren't any hidden costs associated with the acquisition of the respondents products & services.

Options for Heavy Equipment

Linda Rose Danial, Jun 12, 2023 12:14 PM EDT

Hello, I am the Contracts Manager at FCC, and wanted to understand how exactly you want your options listed for the submission. Since these pieces of equipment are so large, we want the customer to be able to verify the pricing, but they will also need to contact us for a quote to ensure that they get the correct options for the piece of equipment that they are purchasing. With that in mind, how exactly would a customer be requesting this information? Would they be reaching out to us for quote and then PO, or would they just be issuing a PO to purchase a piece of equipment?

David Robbins, Jun 12, 2023 1:01 PM EDT

It's the responsibility of each respondent to determine the best way to present the pricing options available to members. Review Section One, Part C, Article 5 - Cost Proposal & Pricing for information

and requirements related to the submission of pricing. Neither CCOG or Equalis Group dictate the sales process to Awarded Suppliers. Our Members would typically work directly with the Awarded Supplier to determine the best solution for the Member so that a proposal/quote can be developed and the terms of the sale can be agreed to.

Linda Rose Danial, Jun 12, 2023 1:36 PM EDT

That's exactly what I thought, thank you for the response.

Authorized Representative

Linda Rose Danial, Jun 12, 2023 2:01 PM EDT

This is just a quick double check, we can have more than one Authorized Representative listed in Section 1.1.6, correct?

David Robbins, Jun 12, 2023 2:07 PM EDT

Yes. Neither CCOG or Equalis has placed any limit on the number of organizations that are authorized through the Master Agreement.

Linda Rose Danial, Jun 12, 2023 2:46 PM EDT

Thanks again!

Submitting Multiple Manufacturers to this Specific Contract

Linda Rose Danial, Jun 13, 2023 9:31 AM EDT

What would be the preferred way for you to receive multiple answers to the RFP. For example, we have 2 manufacturers to propose, but they are so diverse that they will require completely different answers to Section Two in Sections 1-6. What would be the easier way for you to review this? We submit two different Technical Proposals and two different Cost Proposals?

David Robbins, Jun 13, 2023 11:47 AM EDT

Each respondent is responsible for determining the best way to answer questions and respond to requested info.

Linda Rose Danial, Jun 13, 2023 12:04 PM EDT

Sounds good to me. Thanks for the info.

Confirmation Question on 4.1.1 Pricing Model

Linda Rose Danial, Jun 14, 2023 9:53 AM EDT

This question is more of a verification/understanding for how Equalis will be able to verify the pricing provided. When it comes to both 4.1.1 and 4.1.2. the way that a member could verify the pricing would be through Attachment B, correct?

David Robbins, Jun 14, 2023 11:41 AM EDT

It is common for a Member to request that the Winning Supplier validate the pricing the Member is receiving is compliant with the not-to-exceed pricing made available through the Master Agreement. How you verify or validate pricing is going to be dependent on the pricing methodology used in the Cost Proposal. If using a "catalog or category discount" as your pricing methodology, you will need to provide access to the price list from which that discount is applied. For example, pricing can be viewed through a link to a website or master pricing file/spreadsheet. If using "line-item" pricing each product will be priced showing the Unit List Price, Equalis Group Discount, and the Final Price. In this case, the Cost Proposal would serve as the verifiable price list.

Linda Rose Danial, Jun 14, 2023 8:45 PM EDT

Thank you.

Proposal Form 14. Section 11 Profit as a Seperate Element of Price

Linda Rose Danial, Jun 14, 2023 9:28 PM EDT

I would like some clarification of how this would affect us, this specific section speaks about the ability of a participating agency being able to negotiate profit separate from the price. Additionally in the referenced 2 CFR 200.324(b) which is in section 11, states that a "non-Federal agency MUST negotiated profit as a separate element of price for each contract in which there is no price

competition and in all cases where cost analysis is performed". When reading this the interpretation could be done that every quote that we provide, the purchaser would have the ability to dictate our profit even though we are already offering a discount off of MSRP and have an established ceiling price for Equalis on this contract. I believe that there should be no incorporation of profit into this discussion as long as the pricing is determined to be a fair and reasonable price by Equalis by award of the contract. There should be no discussion or negotiation of the profit by the purchasers as that is determination for the contractor to be sharing profit as well as negotiating it with an agency when there is already an established contract price. If that is the case that the contractor would have to negotiate profit separately from price, that could put undo hardship on the contractors. This would make the contract unattractive, as having profit negotiated even after a price has been established puts a contractor in a tough spot on using this contract effectively.

David Robbins, Jun 19, 2023 11:31 AM EDT

These requirement in Proposal Form 14, Section 11 - Profit as a Separate Element of Price are relevant if a Member is using federal funds to purchase a winning supplier's products and services and only when the applicable conditions are met as defined in 2 CFR 200.324(b). It is the responsibility of each respondent to understand if they are able to meet the requirements set forth within. In this particular case, neither CCOG or Equalis Group are able to negotiate the requirements that are applied when an Equalis Group Member is using federal funds to purchase an awarded supplier's products and services.

Linda Rose Danial, Jun 20, 2023 10:55 AM EDT

Overall, this is not the responsibility of the Contractor but the Member. We should not be seeing any contract language that is inclusive of the 2 CFR 200, and with you including it in Section 2 you are stating that we, the Contractor, are now also bound to this, when it is not actually relevant to us. Especially when 2 CFR 200 is only applicable to procurement done by non-federal agencies using federal funds.

David Robbins, Jun 20, 2023 11:13 AM EDT

Yes, compliance with these contract terms in the responsibility of the Member ultimately. The intent of Proposal Form 14 is to communicate contracting expectations in the event a member is using Federal Funds to purchase an awarded suppliers goods and services. It is not a requirement to agree to these contract terms but if awarded, Members may use the responses to those questions to qualify what suppliers they can work with in the event they are using federal funds.

Linda Rose Danial, Jun 14, 2023 10:06 PM EDT

If possible could we make the first paragraph for this section Not Applicable, as we are not going to be offering labor, and this is specifically referencing labor costs. We would either like to remove that entire paragraph as it is not applicable or remove the sentences of "Contractor agrees to post wage rates at the work site and submit a copy of their payroll to the member for their files. Contractor must retain records for three years to allow the federal grantor agency access to these records, upon demand.". This is written in a way that is not beneficial to us as we are a private company and we do not disclose our payroll.

David Robbins, Jun 15, 2023 8:27 AM EDT

These are requirements that have been determined by the State of AZ and CCOG is not in a position to negotiate the content those requirements. These requirements are relevant to projects where "contractors" or trade labor is being utilized.

Linda Rose Danial, Jun 15, 2023 9:11 AM EDT

As long as we are not considered a "contractor" even though we are a Contractor for purchasing equipment then this considered acceptable. Confirm that your definition of "contractor" in this case is someone who performs labor and would have a physical presence on site outside of a delivery of equipment.

David Robbins, Jun 19, 2023 11:22 AM EDT

It is the responsibility of each respondent to come to their own conclusion on whether the purchasing requirements are relevant to the products and services they sell and if they are able to meet requirements which includes understanding the meaning of the terms included in the RFP. Neither CCOG or Equalis Group have the authority to dictate the definitions of terms used in documentation related to other states requirements.

Linda Rose Danial, Jun 22, 2023 11:13 AM EDT

Okay, thank you.

Clarification Question on Submitting Multiple Manufacturers

Linda Rose Danial, Jun 22, 2023 11:13 AM EDT

One last question for clarification, when we submit multiple manufacturers will we be awarded one singular contract that I will have to maintain or multiple contracts? If one singular, and I have to update pricing for say one manufacturer but not the other (as they release their pricing at different times) would I have to list every single item and what I was both updating and not?

David Robbins, Jun 23, 2023 11:43 AM EDT

If you submit a single proposal that includes multiple manufacturers and your proposal submission results in a contract award then your organization will be awarded one contract that includes all manufacturers included in your proposal. I am unable to answer your second questions because I do not have enough details related to the pricing methodology being used.

1. Administrative Fee.

On or before the fifteenth (15th) of each month, Winning Supplier shall remit to Equalis an administrative fee payment (the “**Administrative Fee**”) of **written number** percent (**number**%) of the total Winning Supplier revenue (the “**Equalis Group Spend**” or “**Spend**”) invoiced to Program Participants during the prior calendar month. “Spend” shall mean the cumulative purchases of Products & Services by Program Participants under the Master Agreement net of taxes, shipping costs, returns, and credits. All Administrative Fees not paid when due shall bear interest at a rate equal to the lesser of one- and one-half percent (1.5%) per month or the maximum rate permitted by law until paid in full.

2. Case-by-Case Administrative Fee Adjustments.

The Parties understand and acknowledge that Winning Supplier may have to provide aggressive deviated pricing on a case-by-case basis to win certain opportunities with Prospective Participants when those opportunities represent a sufficiently large Spend and/or are highly competitive. In such situations, Winning Supplier may request Equalis accept a reduced Administrative Fee. The Parties agree to evaluate each such situation as it arises and utilize best efforts to establish an adjusted Administrative Fee rate upon mutual written agreement (including via email) of the Parties.

3. Rebates or Other Payments.

Insert rebate or other payment language as agreed.
