PROPOSAL FORM 2: QUESTIONNAIRE & EVALUATION CRITERIA

Instructions:

Respondents should incorporate their questionnaire responses directly into the green cells below. Failure to provide responses in this format may result in the proposal being deemed as non-responsive at the sole discretion of Region 10.

Respondents may incorporate additional documents as part of their response which may be utilized by Region 10 as part of the evaluation. Additional documents must be consolidated as part of this Section 2 at the end of your response. **Vendor responses are strictly limited to 30 additional pages.** Vendors who submit more than 30 additional pages may result in the proposal being deemed non-responsive at the sole discretion of Region 10.

Region 10 has associated the evaluation criteria with the question that most closely aligns with that respective evaluation criteria. Region 10 reserves the right at its sole discretion to base its evaluation and specific evaluation criteria on any part of the respondent's proposal.

Evaluation Criteria	Question	Answer
Basic Information		
Required information for notification of RFP results	<i>What is your company's official registered name?</i>	ezCater, Inc
	<i>What is the mailing address of your company's headquarters?</i>	40 Water Street, 5 th Floor Boston, MA 02109
	<i>Who is the main contact for any questions and notifications concerning this RFP response, including notification of award? Provide name, title, email address, and phone number.</i>	Joe McGrath Enterprise Account Executive Joe.mcgrath@ezcater.com 857.392.3776
Products/Pricing (30 Points)		
Coverage of products and services	No answer is required. Region 10 will utilize your overall response and the products/services provided in Attachment B to make this determination	
Ability of offered products and services to meet the needs requested in the scope	No answer is required. Region 10 will utilize your overall response and the products/services provided in Attachment B to make this determination	
Pricing for all available products and services, including warranties if applicable	<i>Does the respondent agree to offer all future product and services at prices that are proportionate to contract pricing offered herein?</i>	Yes, for all applicable products related to the scope of this RFP.
	<i>Does pricing submitted include the required administrative fee?</i>	ezCater reserves the right to negotiate the Equalis administrative fee. As concession, ezCater is willing to waive our normal 3% fee for invoicing.

	<i>Do you offer any other promotions or incentives for customers? If yes, please describe.</i>	Yes, ezRewards are available for customers. The current rewards program is outlined in the pricing proposal submitted.
Ability of Customers to verify that they received contract pricing	<i>Were all products/lines/services and pricing being made available under this contract provided in the attachment B and/or Appendix B, pricing sections?</i>	Yes, however, our food truck service is not outlined in the Appendix. The company, ezCater, also has a network of food trucks that would be available for all schools. That service does not currently have a line item on our agreements; however, it is very popular with our university clients. This service would be available under this contract.
	<i>Outline your pricing strategy provided in Attachment B. If utilizing a list price, please indicate where agencies can find the list and your methodology for determining that list price.</i>	All list prices for ezCater are available on our agreements. They are not public at this time however can be provided upon request for agencies. The only item that ezCater is offering that carries a cost is our concierge service, which are optional to use. If an agency does not utilize concierge, then all ezCater offerings in this proposal are \$0. The pricing strategy is line-item/fixed pricing.
Payment methods	<i>Define your invoicing process and methods of payments you will accept. Please include the overall process for agencies to make payments</i>	The ezCater marketplace is traditionally set up for credit cards. If an agency would rather use POs or receive an email invoice to pay via ACH, that is possible. We would need to capture an invoicing agreement to set up ezBill, so that ezCater knows where to email invoices, who the AP contact is, and perform due diligence.
	<i>Outline any invoicing solutions such as tax-exempt ordering, single lines of credit, and digital expense management.</i>	Users can either attach a tax exemption to their account individually or open up an organizational (corporate) account, where the tax exemption would apply to all users inside that account. Upon check-out, end users should verify that the “my order is tax exempt” box is checked (it will default to checked). For payment, end users can use credit cards as a defaulted payment method. ezCater will also allow organizations to use invoicing, but additional terms apply to that method of payment. Terms can be negotiated as a part of this agreement to apply to all members of cooperative. The ezCater platform currently integrates with Concur for expense management. Our product team is also able to implement punch-out capabilities through most e-procurement platforms. Due to the nature of punch-outs, this would be organization by organization to build.
Other factors relevant to this section as submitted by the Respondent	No answer is required. Region 10 will utilize your overall response and the products/services provided in Attachment B to make this determination	
Performance Capability (25 Points)		
Product quality and features	<i>Please provide a high-level overview of the products and services being offered and how they address the scope being requested herein.</i>	<p>ezCater is purpose built for the specifications of this RFP. The company is built as an e-commerce marketplace.</p> <p>The ezCater marketplace and corporate account offerings allow end users access to an online, nationwide marketplace of over 110,000 business-grade, professional caterers. All menus are catering menus, allowing end users to filter through options to find a catering option that meets their budget, dietary restrictions, headcount, cuisine desired, meeting type, timing, and location needs. All restaurants on the ezCater marketplace must offer delivery to be listed. An ezCater corporate account allows for expense tracking, policy management, payment preferences, and reporting; so that organizations can efficiently manage their food spend through one vendor while still offering numerous food options.</p> <p>Additionally, in the proposal, ezCater is including our <i>optional</i> concierge service. This service allows for end users to outsource the order building process to ezCater. We see this used for very large events, like full district professional development days or taste of a city events. The service is opt-in and leverages the ezCater marketplace and our catering consultants to optimize the events.</p>

	<i>Outline monitoring capabilities you provide, including the ability for agencies to access the data through an online or other platform(s).</i>	ezCater provides a range of monitoring capabilities to ensure efficient and effective operations. The corporate portal offering allows for policy creation, by both hard and soft stops based on numerous factors (like tipping, price per head, totals, and more). The corporate portal has order/user reports that include all static and customizable fields, all which are accessed online and then can be exported into excel. Our platform is designed to increase food data accessibility, surfacing usable information where people need it.
	<i>Describe any products or equipment you can provide. For example any equipment to help preserve food temperatures or required utensils.</i>	ezCater functions as a marketplace that connects organizations with local catering options. Caterers are required to list if utensils are being included or offer to include utensils. Since this is restaurant dependent, some restaurants may charge an added fee. This can also include plates and napkins. All included materials will be clearly outlined on the line-item breakdown for restaurant. End users can request additional equipment, such as food temperature preservation equipment, but this is case by case for each restaurant.
	<i>Outline how your organization adheres to relevant regulations and guidelines including food safety and hygiene standards.</i>	ezCater is a marketplace that connects organizations with local caterers. ezCater is committed to food safety, however, it is important to note that ezCater does not prepare the food. ezCater has established standards that all restaurant partners agree to as part of their agreement to be on the ezCater marketplace.
	<i>Outline how you accommodate dietary needs and preferences of customers.</i>	<p>The ezCater marketplace allows for filtering of restaurants based on cuisine types:</p> <p>Asian, African, American, BBQ, Breakfast, Italian, Mediterranean, Mexican, Pizza, Sandwiches, Bowls, Burgers, Cajun, Caribbean, Chicken, Chinese, Cuban, Deli, Desserts, Diner, Eastern European/Russian, French, German, Greek, Healthy, Hors d'Oeuvres, Indian, Korean, Middle Eastern, Salads, Seafood, Snacks, Soups, Southern, South/Latin American, Spanish/Tapas, specialty Beverages, Steakhouse, Sushi, Thai, and Vietnamese.</p> <p>In addition to cuisine, customers can filter by dietary restriction: Vegan, Vegetarian, Gluten Free, Kosher, Halal. Customers can also specify notes, allergies, and preferences for each item in their order.</p> <p>The website allows for search capabilities as well, so if a customer wants a specific food item, our marketplace search will find all menus that have that item available.</p>
	<i>States Covered - Respondent must indicate any and all states or geographies where products and services are being offered. If your services are limited to a certain area, please be specific on the area your services are provided.</i>	ezCater is a nationwide marketplace with over 110,000 catering partners available. There is coverage in all 50 states.
	<i>List the number and location of offices, or service centers for all states being proposed in solicitation</i>	ezCater Headquarters is in Boston, MA. There are also offices in Denver, CO and Vancouver, CA.
	<i>Outline any other capabilities not already addressed.</i>	ezCater has a network of nearly 18,000 food trucks around the United States. We've seen this service used a lot in higher education, particularly in student events. This service is available to corporate accounts at ezCater and is complimentary.
Response to emergency orders and requests	<i>Describe the type of emergency orders or requests your organization typically receives and how you respond to those requests.</i>	All restaurants set their own cutoff times, however the marketplace allows for same day ordering or even ordering within a few hours of the event. Our 24/7 support line is available to assist as needed to ensure events go on without a problem.
Integration with other platforms	<i>Describe your company's ability to integrate with third part platforms.</i>	ezCater currently has integration with SAP Concur for expense management. We are building out integrations to major procurement providers such as Coupa, Jaggaer, and Ariba. These integrations will be completed and available in the first half of 2024.

Delivery process	<i>Describe how you communicate and coordinate delivery status with the customer.</i>	Email and by text if a customer is opted in
	<i>Describe the delivery method for products and services offered. This could include things such as method of transportation and equipment provided for food handling.</i>	ezCater employs a variety of delivery methods to ensure the food reaches its destination in a timely and safe manner. It is important to note that ezCater employees do not deliver the food, but rather the delivery could be done by the caterers/restaurants, or through professional third-party delivery companies at the caterer/restaurant discretion. ezCater expects all catering partners and delivery partners to operate in a professional manner and have the proper equipment to transport food safely and effectively. Drivers are also expected to provide basic setup at locations, dress professionally, be able to communicate with customers and restaurants, meet all licensing and motor vehicle records requirements.
Customer service/problem resolution	<i>Describe your company's Customer Service Department (hours of operation, how you resolve issues, number of service centers, etc.).</i>	ezCater support is available 24/7, 365 days per year. Support can access over the phone, through chat, by text message, or by email. Our support team has won Stevie awards for best in class for the past three years in a row. Our team is knowledgeable about the company's products and catering partners' businesses, able to amend complaints quickly while using empathy and compassion. The organization takes suggestions and complaints seriously, using that feedback to provide a better end experience. We are committed to ongoing improvement to enhance the customer experience.
Financial condition of vendor	<i>Demonstrate your financial strength and stability with meaningful data. This could include, but is not limited to, such items as financial statements, SEC filings, credit & bond ratings, letters of credit, and detailed reference letters</i>	As of 2021, ezCater has raised funding of nearly \$425 million and the company is valued at \$1.6 billion. The company is privately held, so more detailed data is unavailable.
	<i>What was your annual sales volume over last three (3) years?</i>	We are unable to disclose that information – should ezCater move forward we can discuss further with NDA
Contract implementation / Customer training	<i>Describe training or support you provide to help agencies understand how to utilize the spaces and technology equipment being installed.</i>	All organizational accounts are supported by an ezCater account manager. The account manager assists with the launch of an account, building of settings, handling trainings (either live webinars or recordings), adding users, and general onboarding. Once an account is active and live, the account manager is the point of contact to maintain and strengthen the relationship. Should training need to happen on-going, the account manager would also handle that as needed. Support can come from both the dedicated account manager, as well as from our award-winning customer support team.
Other factors relevant to this section as submitted by the Respondent	<i>Describe the capacity of your company to provide management reports, i.e. consolidated billing by location, time and attendance reports, etc. for each eligible agency</i>	ezCater provides comprehensive reporting for our corporate customers. These reports can be run by users, orders, or groups. The reports themselves will include locations, order information, user information, policy information, as well as any customized fields that a client would like to capture. The reports are very flexible based on the needs of each eligible agency. An example report can be included, should ezCater move forward in this process.

PROPOSAL FORM 9: IMPLEMENTATION OF HOUSE BILL 1295

Certificate of Interested Parties (Form 1295):

In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

The Texas Ethics Commission was required to adopt rules necessary to implement that law, prescribe the disclosure of interested parties form, and post a copy of the form on the commission's website. The commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The commission also adopted new rules (Chapter 46) on November 30, 2015, to implement the law. The commission does not have any additional authority to enforce or interpret House Bill 1295.

Filing Process:

Starting on January 1, 2016, the commission will make available on its website a new filing application that must be used to file Form 1295. A business entity must use the application to enter the required information on Form 1295 and print a copy of the completed form, which will include a certification of filing that will contain a unique certification number. An authorized agent of the business entity must sign the printed copy of the form and have the form notarized. The completed Form 1295 with the certification of filing must be filed with the governmental body or state agency with which the business entity is entering into the contract.

The governmental entity or state agency must notify the commission, using the commission's filing application, of the receipt of the filed Form 1295 with the certification of filing not later than the 30th day after the date the contract binds all parties to the contract. The commission will post the completed Form 1295 to its website within seven business days after receiving notice from the governmental entity or state agency.

Information regarding how to use the filing application will be available on this site starting on January 1, 2016.

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. The contractor will take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color,

national origin, ancestry, marital status, sex, affectional or sexual orientation. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this non-discrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisement for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation.

The contractor or subcontractor, where applicable, will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to P.L. 1975, c. 127, as amended and supplemented from time to time and the Americans with Disabilities Act.

The contractor or subcontractor agrees to attempt in good faith to employ minority and female workers trade consistent with the applicable county employment goal prescribed by N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time or in accordance with a binding determination of the applicable county employment goals determined by the Affirmative Action Office pursuant to N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time.

The contractor or subcontractor agrees to inform in writing appropriate recruitment agencies in the area, including employment agencies, placement bureaus, colleges, universities, labor unions, that it does not discriminate on the basis of age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of its testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the state of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

The contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and lay-off to ensure that all such actions are taken without regard to age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and conform with the applicable employment goals, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

The contractor and its subcontractors shall furnish such reports or other documents to the Affirmative Action Office as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Affirmative Action Office for conducting a compliance investigation pursuant to Subchapter 10 of the Administrative Code (NJAC 17:27).

PROPOSAL FORM 18: C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM**Public Agency Instructions**

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. **It is not intended to be provided to contractors.**

What follows are instructions on the use of form local units can provide to contractors that are required to disclose political contributions pursuant to N.J.S.A. 19:44A-20.26 (P.L. 2005, c. 271, s.2). Additional information is available in Local Finance Notice 2006-1 (https://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html).

1. The disclosure is required for all contracts in excess of \$17,500 that are **not awarded** pursuant to a “fair and open” process (N.J.S.A. 19:44A-20.7).
2. Due to the potential length of some contractor submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. **The form is worded to accept this alternate submission.** The text should be amended if electronic submission will not be allowed.
3. The submission must be **received from the contractor and** on file at least 10 days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.
4. The contractor must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that contractors be provided a list of the affected agencies. This will assist contractors in determining the campaign and political committees of the officials and candidates affected by the disclosure.
 - a) The Division has prepared model disclosure forms for each county. They can be downloaded from the “County PCD Forms” link on the Pay-to-Play web site at https://www.state.nj.us/dca/divisions/dlgs/programs/pay_2_play.html They will be updated from time-to-time as necessary.
 - b) A public agency using these forms **should edit them to properly reflect the correct legislative district(s)**. As the forms are county-based, **they list all legislative districts** in each county. **Districts that do not represent the public agency should be removed from the lists.**
 - c) Some contractors may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.
 - d) The form may be used “as-is”, subject to edits as described herein.
 - e) The “Contractor Instructions” sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.
 - f) The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.
5. It is recommended that the contractor also complete a “Stockholder Disclosure Certification.” This will assist the local unit in its obligation to ensure that contractor did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the 12 months prior to the contract. (See Local Finance Notice 2006-7 for additional information on this obligation) A sample Certification form is part of this package and the instruction to complete it is included in the Contractor Instructions. **NOTE: This section is not applicable to Boards of Education.**

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Contractor Instructions

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a “fair and open” process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

1. any State, county, or municipal committee of a political party
2. any legislative leadership committee*
3. any continuing political committee (a.k.a., political action committee)
4. any candidate committee of a candidate for, or holder of, an elective office:
 1. of the public entity awarding the contract
 2. of that county in which that public entity is located
 3. of another public entity within that county
 4. or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county. The disclosure must list reportable contributions to any of the committees that exceed \$300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

5. individuals with an “interest” ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
6. all principals, partners, officers, or directors of the business entity or their spouses
7. any subsidiaries directly or indirectly controlled by the business entity
8. IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs). When the business entity is a natural person, “a contribution by that person’s spouse or child, residing therewith, shall be deemed to be a contribution by the business entity.” [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure. Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report. The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor’s responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement. The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor’s submission and is disclosable to the public under the Open Public Records Act. The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law.

NOTE: This section does not apply to Board of Education contracts.

* N.J.S.A. 19:44A-3(s): “The term “legislative leadership committee” means a committee established, authorized to be established, or designated by the President of the Senate, the Minority Leader of the Senate, the Speaker

ezCater did not sign the second paragraph for proposal form 7, vendor certifications around background checks and fingerprinting. ezCater does not employ or engage drivers. It contracts with reputable delivery service providers who are responsible for vetting drivers in accordance with applicable laws. Given the breadth of our marketplace offering, we cannot guarantee fingerprinting for all drivers or background checks to be available. ezCater does have services in place, where we could utilize one person who does meet those requirements, who could be available to shepherd a delivery from a driver into a school. Those services were not included in the pricing as it was not within the scope of the original RFP.

PROPOSAL FORM 22: OPEN RECORDS POLICY ACKNOWLEDGEMENT AND ACCEPTANCE

OPEN RECORDS POLICY ACKNOWLEDGMENT AND ACCEPTANCE

Be advised that all information and documents submitted will be subject to the Public Information Act requirements governed by Chapter 552 of the Texas Government Code.

Because contracts are awarded by a Texas governmental entity, all responses submitted are subject to release as public information after contracts are executed. If a Respondent believes that its response, or parts of its response, may be exempted from disclosure to the public, the Respondent must specify page-by-page and line-by-line the parts of the response, which it believes, are exempted from disclosure. In addition, the Respondent must specify which exception(s) are applicable and provide detailed reasons to substantiate the exception(s). Respondent must provide this information on the "Acknowledgement and Acceptance to Region 10 ESC's Public Information Act Policy" form found on the next page of this solicitation. The determination of whether information is confidential and not subject to disclosure is the duty of the Office of Attorney General (OAG). Region 10 ESC must provide the OAG with the information requested in order for the OAG to render an opinion. In such circumstances, Respondent will be notified in writing that the material has been requested and delivered to the OAG. Respondent will have an opportunity to make arguments to the OAG in writing regarding the exception(s) to the TPIA that permit the information to be withheld from public disclosure. Respondents are advised that such arguments to the OAG must be specific and well-reasoned--vague and general claims to confidentiality by the Respondent are generally not acceptable to the OAG. Once the OAG opinion is received by Region 10 ESC, Region 10 ESC must comply with the opinions of the OAG. Region 10 ESC assumes no responsibility for asserting legal arguments on behalf of any Respondent. Respondents are advised to consult with their legal counsel concerning disclosure issues resulting from this procurement process and to take precautions to safeguard trade secrets and other proprietary information.
