Midwest Construction Professionals & Equalis Group Publicly Procured Contract Vehicle

Midwest Construction Professionals Contract Highlights

- Proven ability to complete a variety of construction projects, including additions, renovations, athletic fields, and more.
- Extensive experience managing all phases of the construction process including estimating, design, procurement, construction, and project close-out.
- Customizable pre-construction services to meet our clients needs, while maintaining a balance of cost, schedule, and quality with a focus on safety.
- Successful track-record working with local subcontractors, demonstrating our commitment to supporting communities.

Who is Midwest Construction Professionals?

Midwest Construction Professionals, established in 2014, has quickly become a leader in providing construction management services. Working in the public and private sectors, MCP has comprehensive experience providing construction services in a variety of markets including educational, commercial, municipal, retail, and light-industrial.

MCP understands the nuances of working with stakeholders and board members with diverse backgrounds and expectations, often needing guidance in navigating the intricacies of a construction project. MCP's CM services are tailored to specific project or program needs, and their comprehensive project controls are integrated into the process to best manage the critical components of time, costs, scope, quality, and safety.

Gordian's solutions help organizations effectively plan, build and manage their infrastructure and facilities. Thousands of organizations have relied on that partnership to ensure they are providing safe and healthy physical assets for everyone in the community for over thirty years.

Save Time... we've done the procurement work so you don't have to.

Save Money... your dollar goes further with the collective buying power of Equalis Group.

Stay Legal... our competitive procurement process delivers statutory compliance in every state.

Illinois Job Order Contracting (JOC)

In partnership with Gordian, Equalis Group has curated a state-specific JOC program for the state of Illinois. Equalis Group members are able to combine the power of Gordian with the local expertise of in-market contractors and construction firms. JOC projects don't have to be complicated; all Equalis Group Illinois JOC Master Agreements have been publicly procured and are available for use without having to submit time-consuming RFPs/Bids. Get more details at: www.equalisgroup.org/illinois-joc-program

Created by Public Sector Organizations for Public Sector Organizations

Who is Equalis Group?

Equalis Group is a Member-Driven, Supplier-Centric organization that embodies the power of partnership. Equalis Group operates with the guiding principle that when the objectives of buyers and sellers are aligned, sustainable value is created, transcending that of the typical short-term transactional relationship. With this differentiated approach, Equalis Group is not just a cooperative purchasing organization; we are a family.

We leverage Equalis Group members' combined buying power to command better pricing and favorable contract

terms from suppliers. We develop and administer a diverse portfolio of cooperative purchasing programs that cover a wide range of products and services and provide our members with a legal and compliant exemption to the bid/request for proposals (RFP) process.

Each program in our rapidly growing portfolio provides our members with contracting compliance and the ability to configure the solution that best meets their individual needs while achieving the lowest Total Cost of Ownership.

Time Saved through Equalis Group = More Resources for You to Invest

How many hours and over how many weeks or months does your team invest in a typical solicitation process? How many solicitations does your organization publish each year? How much time and effort can your organization save by leveraging Equalis Group's already-procured portfolio of programs? In what ways can you re-invest that saved time and energy to fulfill your organization's purpose?
