

RAISING THE BOOM.

Diamond Mowers' **3-PT BOOMS** are built to clean overgrowth from fence lines, cut back overgrown trees, handle CRP and terraces, ditches, waterways and more.

3-Point Hitch Boom Mowers mount on tractors with ease and dismount just as easily. Diamond uses premium cast steel pumps and motors in a fully self-contained hydraulic system, which prevents any cross contamination between the mower and tractor.

100% **SATISFACTION GUARANTEE**

**PUT YOUR MOWER TO
