Tabulations

<i>Question</i>
Could we please have tabulations from the last time this solicitation went out to bid?
<i>Answer</i>
This is a new solicitation, not a re-solicitation for a previous award.

Administrative Fee

<i>Question</i>
Is there a specific Administrative Fee for being part of this contract? If so, what is the total fee?
<i>Answer</i>
Please refer to the Equalis Group Administrative Agreement in Section 3. Historically Administrative fees have been 2%.

Question

<i>Question</i>
What are the allowable cost categories that vendors will be able to pass on to participating agencies? Are there any cost categories that are specifically excluded/prohibited?
<i>Answer</i>
Cost categories should include materials and labor. Incentive fees should only include overhead and profit. As stated in the definitions section of the price sheet, the vendor and participating agency will agree upon the Target Cost at which point participating agencies may discuss any proposed costs that are prohibited with the vendor.

Location

<i>Question</i>
Good evening. I'm not sure if I'm looking in the right place or opening up the correct file, but I can't locate the location of facilities, size of facilities, or is this strictly management services?
<i>Answer</i>
This is an indefinite quantity/indefinite delivery RFP for the national Equalis membership, not an RFP for a specific job. Public agencies of all kinds in all 50 states may use contracts resulting from this RFP.

Should I Apply - Due to Recent Award (24-280)

<i>Question</i>
Hello, I was recently awarded 24-280 (Commodity Discount Providers) on March 8, 2024 - Although we will follow the terms of 23-263 (General Maintenance - Equipment, Parts, Supplies and Services) to provide exterior painting, interior painting, and drywall repairs. Please let me know if we need to submit a bid for this solicitation in order to provide painting and drywall services. Thank you
<i>Answer</i>
I do not recognize the RFP numbers you are referring to. This is RFP R10-1167, put out by Region 10 ESC for the Equalis Group purchasing cooperative, not for a specific entity or job. Region 10 cannot advise vendors on whether or not to respond.
