## **MASTER AGREEMENT**

The purpose of Region 10 ESC soliciting this Request for Proposal is to create a Master Agreement for Job Order Contracting for use by public agencies supported under this contract (“Members”). Region 10 ESC, as the Lead Agency (as defined in Section Three; Attachment A, Equalis Group Administrative Agreement), has come together with Equalis Group to make the resultant contract (also known as the “Master Agreement”) from this Request for Proposal available to other public agencies, including county, city, state, special district, local government, school district, private K-12 school, higher education institution, other government agency or non-profit organization (“Public Agencies”), for the public benefit through the Equalis Group’s cooperative purchasing program. Region 10 ESC will serve as the contracting agency for any other Public Agency that elects to access the resulting Master Agreement. This process may be referred to as “piggybacking”, “cooperative purchasing”, “joint powers”, or other terminology depending on the specific state or agency location.

The use of the Master Agreement by any Public Agency is preceded by its registration with Equalis Group as a Participating Public Agency in Equalis Group’s cooperative purchasing program, and by using the Master Agreement, any such Public Agency agrees that it is registered with Equalis Group, whether pursuant to the terms of a Master Intergovernmental Purchasing Cooperative Agreement, which can be accessed at <https://equalisgroup.org/member-registration/>, or as otherwise agreed to. . Attachment A contains additional information on Equalis Group and the cooperative purchasing program. Equalis Group provides marketing and administrative support for the awarded vendor (“Supplier”) that promotes the successful vendors’ products and services to the Participating Public Agencies nationwide.

Participating Public Agencies benefit from pricing based on aggregate spending and the convenience of a contract that has already been advertised and competitively awarded. The Supplier benefits from a contract that allows Participating Public Agencies to directly purchase goods and services without the Supplier’s need to respond to multiple competitive solicitations.

Such offerings include but are not limited to the furnishing of all labor, materials, equipment, and supervision for maintenance, repair, alteration, renovation, remediation or minor construction of Region 10 ESC and Participating Public Agencies through the Job Order Contracting Services. Minor construction may include the demolition and/or construction within an existing facility and limited pre-construction design services (i.e. professional services).

### **Project Delivery Order Procedures**

The participating public agency may make a request of the contractor under this contract when the agency has services that need to be undertaken. Notification may occur via phone, the web, e-mail, fax, or in person.

Upon notification of a pending request, the contractor shall make contact with the agency as soon as possible. Contractor shall visit the agency site and conduct a walk-through/project scoping with the agency representative to define the scope. Contractor's representative shall perform due diligence to request and gather all available project relevant existing conditions and record documents from the agency to include, but not limited to, hazardous materials surveys and other relevant documents.

The contractor and the participating public agency will agree on the time when the job order proposal will need to be reviewed for approval by the agency. The contractor will then prepare a job order proposal including a written scope of work using an automated software system that will provide a line item estimate of the individual tasks, the quantities, the city cost index, the bid coefficient, and any applicable cost additions agreed upon by the participating public agency.

Contractors will be required to submit Job Order proposals and shall provide a line item estimate based upon their coefficient and the unit price book (UPB) for that scope of work which must be reviewed and agreed to by the participating public agency prior to their issuance of a PO and DO.

Minimal design work should be covered in the contractor's applicable coefficient, and this design work shall use in house staff or a teamed sub-consultant. In all cases where significant design changes occur, the A/E selection shall conform and be based upon qualifications of the design personnel according to applicable state law for selection and negotiation of fees. The agency may select an architectural consultant or use their own design capabilities providing the plans to the contractor.

The line items taken from the UPB and the estimated quantities totaled will be modified with the application of the city cost index and the contractor's coefficient. Any other cost adjustment factors, as allowed, must clearly identify those individual tasks (line items) to which they are applicable and include corresponding percentage.

The participating public agency will then review the proposal and if the agency's representative is in agreement with the proposed pricing and schedule, then other terms and requirements of the job order will be issued that will contain the approved job order proposal (scope of work) and the Purchase Order (PO). The PO will include the lump sum price, start date, schedule and notice to proceed and will be signed by both parties as a lump sum fixed price contract.

In the event of an emergency such as hurricanes, tornados, flooding, or fire, the contractor will endeavor to meet with the agency within two hours (if possible), expediting these procedures with verbal job orders and a signed field book by the agency's designated agent. Work may commence immediately as required; however, documentation must be provided as soon as possible for this work or for any additional long-term job order requirements.

The agreement must describe an equitable adjustment for added costs caused by any delay or suspension. Any increases will be invoiced as allowed in this agreement.

The schedule for performance of work that can be met without planned overtime is the responsibility of the prime contractor.

The cost for each project shall include all costs of all necessary trained personnel to complete the project on or before the completion date set forth in the contract. The public agency shall not incur additional expense for upsized crews or overtime costs, which might be necessary for the contractor to complete the project on schedule.

If a substitute security is agreed to, the prime contractor must provide the public agency with a signed and acknowledged waiver of any right or power of the obligor to set off any claim against the public agency.

**Rules, Regulations & Codes:** All work will be accomplished in conformance to OSHA safety requirements, and any additional federal, state, or local fire or safety requirements. When specifications or scope of work will result in a violation of a code or result in an unsafe condition, the contractor must inform the public agency of the situation. The contractor will not construct any device or produce any condition that intentionally violates a fire or safety code or standard.

Contractor must advise the public agency whenever work is expected to be hazardous to public agency employees or their charges (i.e. school children, citizens, etc.).

**Worksite:** The condition of the site before start-up will be agreed upon between the buyer and the prime contractor and will be written into the contract.

Upon prior written agreement between the prime contractor and the public agency, payment may be made for materials not incorporated in the work but delivered and suitably stored at the worksite or some other location, for installation at a later date. An inventory of the stored materials must be provided to the public agency prior to payment. Such materials must be stored and protected in a secure location and be insured for their full value by the contractor against loss and damage. Contractor agrees to provide proof of coverage and/or addition of the public agency as an additional insured upon the public agency's request. Additionally, if stored offsite, the materials must also be clearly identified as property of the public agency and be separated from other materials. The public agency must be allowed reasonable opportunity to inspect and take inventory of stored materials, on or offsite, as necessary.

Until final acceptance by the public agency, it shall be the contractor's responsibility to protect all materials and equipment. The contractor warrants and guarantees that title for all work, materials and equipment shall pass to

the public agency upon final acceptance. Payment for stored materials shall not constitute final acceptance of such materials.

**Architect and Engineer Plan:** The contractor should describe in its business plan how it will include and work with local subcontractors and how it will work with local architects and engineers, especially those A&E firms already working with the public agency. Architect and engineering services are not being requested in this RFP and will be rejected by Region 10 ESC if offered in the State of Texas.

**Design Requirements and Permits:** The proposal coefficient should provide reasonable oversight for engineering and architectural (A&E) design to meet both local and state requirements. The contractor should expect as part of its coefficient those services that are required to obtain building permits and meet local and state standards for design and oversight. Services may be provided via its own staff, subcontractor, or working with the public agency's managers, architects and engineers wherever such professional architectural and engineering services are required. The contractor may pay for the engineer or architectural services with the public agency's concurrence. However, selection for engineering or architectural services shall be in accordance with state statutes.

**Micro Estimating:** In estimating delivery orders the contractor shall endeavor not to micro estimate line items. Micro estimating is the intentional breaking down of projects into their smallest components when a single line item or two would suffice. An example would be the need to replace a door and it is obvious that a pre-hung door and frame would be the fastest and cheapest route to use. Instead of the single line item defining the pre-hung door the estimator breaks down this portion of the job into individual line items such as door frame, hinges and screws which will unnecessarily drive up the cost to the public agency. This should be avoided and will be looked for during price verification.

**UPB Division Exceptions:** Region 10 ESC and public agencies retain the right to designate sections of the Unit Price Book as unacceptable for use. It shall be the public agency's responsibility to identify any such designations in writing to the contractor before any work commences.

- 4.2. National Scope: This RFP will be used to establish cooperative contract(s) that will be made available to the national Equalis membership in all 50 states. Respondents are not required to provide national coverage in order to be considered for award: Region 10 ESC may award multiple local and/or regional vendors to cover as much of the national membership as possible.

## 5. PRICING

- 5.1. **Attachment B:** All pricing must be entered into the Attachment B template provided. Products/lines completed will be used to establish the extent of the Respondents product lines, services, warranties, etc. that are available. All services offered under this contract must be priced or listed as free and unlisted services will not be accepted. Respondents have the option to propose pricing in all or any of the following.

5.2. **Auditable Pricing.** It is the responsibility of the Respondent to provide a complete Cost Proposal that includes pricing based on a verifiable pricing methodology for all products and/or services to be considered for award. Region 10 ESC requires the use of a unit pricing model and the unit price book (UPB) Region 10 ESC prefers is the RS Means price book. Pricing must be submitted as a coefficient of the Unit Price Book's line item prices. The RS Means price book published quarterly updates will be allowed if available. In addition to the coefficient, the published City Cost Index from the RS Means price book will be utilized as a modifier for the specific city or region.

Proposers are welcome to submit a proposal regionally or statewide providing a matrix that address the following:

- Coefficients Regular Hours – the priced coefficients for each State, Region or City outlined below that you are willing to work in shall be listed for regular hours \* (State your regular hours spanning from A.M. to P.M.)
- Coefficient After Hours – the priced coefficient for weekends, holidays and hours outside of regular hours.
  - Recognized holidays include: New Year's Day, Martin Luther King, Jr. Day, Presidents Day, Memorial Day, Independence Day, labor Day, General Election Day, Veterans Day, Thanksgiving Day and Friday after, Christmas Eve and Christmas Day and New Year's Eve.
- The coefficient must be rounded to the nearest second decimal place, e.g. .352 would be rounded to .35.

Non-pre-priced Items: Items that are not found in the RS Means unit price book will be listed as "non-pre-priced." This does not include previously discussed minor design costs. The contractor will provide three firm price quotes to establish the average base cost for each item. The contractor's coefficient will then be applied to determine the price and the city cost index will not be applied. This line item will need to be approved by the public agency. Once approved, the item will be added to the price book for future projects and no longer is non-pre-priced.

- Other Restrictions and Fees: All other fees or restrictions must be provided. Examples such as minimum order sizes, restocking fees, and/or any other relevant fee or restriction that may be associated with this contract. Fees or restrictions not listed will not be allowed under this contract.

5.3. **Not to Exceed Pricing:** Region 10 ESC requests pricing be submitted as not to exceed for any participating entity. Unlike fixed pricing, the awarded vendor can adjust submitted pricing lower if needed, but cannot exceed original pricing submitted for solicitation. Vendor must allow for lower pricing to be available for similar product and service purchases.

5.4. **Administrative Fees.** Pricing provided shall include the administrative fee paid to Equalis Group.

5.5. **Cost Plus Pricing is not acceptable as the primary pricing methodology for the solutions provided in your Cost Proposal.** Cost Plus can be defined as adding a markup to the cost of goods or services to arrive at a selling price. Using this pricing methodology is not accepted by Members using Federal Grant Funds to purchase the products or services offered.

- 9.3. **Clarifications:** Region 10 ESC may, by written request, ask a Respondent for additional information or clarification after review of the proposals received for the sole purpose of eliminating minor irregularities, informalities, or apparent clerical mistakes in the proposal. Clarification does not give Respondent an opportunity to revise or modify its proposal, except to the extent that correction of apparent clerical mistakes results in a revision. Region 10 ESC will not assist Respondent in bringing its proposal up to the level of other proposals through discussions. Region 10 ESC will not indicate to Respondent a cost or price that it must meet to either obtain further

consideration nor will it provide any information about other Respondents' proposals or prices.

## **PROPOSAL FORM 9: IMPLEMENTATION OF HOUSE BILL 1295**

### **Certificate of Interested Parties (Form 1295):**

In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

The Texas Ethics Commission was required to adopt rules necessary to implement that law, prescribe the disclosure of interested parties form, and post a copy of the form on the commission's website. The commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The commission also adopted new rules (Chapter 46) on November 30, 2015, to implement the law. The commission does not have any additional authority to enforce or interpret House Bill 1295.

### **Filing Process:**

Starting on January 1, 2016, the commission will make available on its website a new filing application that must be used to file Form 1295. A business entity must use the application to enter the required information on Form 1295 and print a copy of the completed form, which will include a certification of filing that will contain a unique certification number. An authorized agent of the business entity must sign the printed copy of the form and have the form notarized. The completed Form 1295 with the certification of filing must be filed with the governmental body or state agency with which the business entity is entering into the contract.

The governmental entity or state agency must notify the commission, using the commission's filing application, of the receipt of the filed Form 1295 with the certification of filing not later than the 30th day after the date the contract binds all parties to the contract. The commission will post the completed Form 1295 to its website within seven business days after receiving notice from the governmental entity or state agency.

Information regarding how to use the filing application will be available on this site starting on January 1, 2016. [https://www.ethics.state.tx.us/whatsnew/elf\\_info\\_form1295.htm](https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm)

## PROPOSAL FORM 18: C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

### Public Agency Instructions

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. **It is not intended to be provided to contractors.**

What follows are instructions on the use of form local units can provide to contractors that are required to disclose political contributions pursuant to N.J.S.A. 19:44A-20.26 (P.L. 2005, c. 271, s.2). Additional information is available in Local Finance Notice 2006-1 ([https://www.nj.gov/dca/divisions/dlgs/resources/lfns\\_2006.html](https://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html)).

1. The disclosure is required for all contracts in excess of \$17,500 that are **not awarded** pursuant to a “fair and open” process (N.J.S.A. 19:44A-20.7).
2. Due to the potential length of some contractor submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. **The form is worded to accept this alternate submission.** The text should be amended if electronic submission will not be allowed.
3. The submission must be **received from the contractor and** on file at least 10 days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.
4. The contractor must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that contractors be provided a list of the affected agencies. This will assist contractors in determining the campaign and political committees of the officials and candidates affected by the disclosure.
  - a) The Division has prepared model disclosure forms for each county. They can be downloaded from the “County PCD Forms” link on the Pay-to-Play web site at [https://www.state.nj.us/dca/divisions/dlgs/programs/pay\\_2\\_play.html](https://www.state.nj.us/dca/divisions/dlgs/programs/pay_2_play.html) They will be updated from time-to-time as necessary.
  - b) A public agency using these forms **should edit them to properly reflect the correct legislative district(s)**. As the forms are county-based, **they list all legislative districts** in each county. **Districts that do not represent the public agency should be removed from the lists.**
  - c) Some contractors may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.
  - d) The form may be used “as-is”, subject to edits as described herein.
  - e) The “Contractor Instructions” sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.
  - f) The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.
5. It is recommended that the contractor also complete a “Stockholder Disclosure Certification.” This will assist the local unit in its obligation to ensure that contractor did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the 12 months prior to the contract. (See Local Finance Notice 2006-7 for additional information on this obligation) A sample Certification form is part of this package and the instruction to complete it is included in the Contractor Instructions. **NOTE: This section is not applicable to Boards of Education.**

## C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

### Contractor Instructions

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a “fair and open” process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

1. any State, county, or municipal committee of a political party
2. any legislative leadership committee\*
3. any continuing political committee (a.k.a., political action committee)
4. any candidate committee of a candidate for, or holder of, an elective office:
  1. of the public entity awarding the contract
  2. of that county in which that public entity is located
  3. of another public entity within that county
  4. or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county. The disclosure must list reportable contributions to any of the committees that exceed \$300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

5. individuals with an “interest” ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
6. all principals, partners, officers, or directors of the business entity or their spouses
7. any subsidiaries directly or indirectly controlled by the business entity
8. IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs). When the business entity is a natural person, “a contribution by that person’s spouse or child, residing therewith, shall be deemed to be a contribution by the business entity.” [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure. Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report. The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor’s responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement. The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor’s submission and is disclosable to the public under the Open Public Records Act. The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law.

**NOTE: This section does not apply to Board of Education contracts.**

\* N.J.S.A. 19:44A-3(s): “The term “legislative leadership committee” means a committee established, authorized to be established, or designated by the President of the Senate, the Minority Leader of the Senate, the Speaker

of the General Assembly or the Minority Leader of the General Assembly pursuant to section 16 of P.L.1993, c.65 (C.19:44A-10.1) for the purpose of receiving contributions and making expenditures.”

**OPEN RECORDS POLICY ACKNOWLEDGMENT AND ACCEPTANCE**

Be advised that all information and documents submitted will be subject to the Public Information Act requirements governed by Chapter 552 of the Texas Government Code.

Because contracts are awarded by a Texas governmental entity, all responses submitted are subject to release as public information after contracts are executed. Once the OAG opinion is received by Region 10 ESC, Region 10 ESC must comply with the opinions of the OAG. Region 10 ESC assumes no responsibility for asserting legal arguments on behalf of any Respondent. Respondents are advised to consult with their legal counsel concerning disclosure issues resulting from this procurement process and to take precautions to safeguard trade secrets and other proprietary information.

If a vendor submitting a proposal requires Region 10 ESC and/or Member to sign an additional agreement, a copy of the proposed agreement must be included with the proposal.
- 4.3 **Entire Agreement (Parol evidence):** The contract, as specified above, represents the final written expression of agreement. All agreements are contained herein and no other agreements or representations that materially alter it are acceptable.
- 4.4 **Assignment of Contract:** No assignment of contract may be made without the prior written approval of Region 10 ESC. Purchase orders and payment can only be made to awarded vendor unless otherwise approved by Region 10 ESC. Awarded vendor is required to notify Region 10 ESC when any material change in operations is made that may adversely affect Members (i.e. awarded vendor bankruptcy, change of ownership, merger, etc.).
- 4.5 **Contract Alterations:** No alterations to the terms of this contract shall be valid or binding unless authorized and signed with a "wet signature" by a Region 10 ESC staff member.
- 4.6 **Order of precedence:** In the event of a conflict in the provisions of the contract as accepted by Region 10 ESC, the following order of precedence shall prevail:

- General terms and conditions
- Specifications and scope of work
- Attachments and exhibits
- Documents referenced or included in the solicitation

4.7 **Supplemental Agreements:** The entity participating in the Region 10 ESC contract and awarded vendor may enter into a separate supplemental agreement to further define the level of service requirements over and above the minimum defined in this contract i.e. invoice requirements, ordering requirements, specialized delivery, etc. Any supplemental agreement developed as a result of this contract is exclusively between the participating entity and awarded vendor. Neither Region 10 ESC, Equalis Group, its agents, Members and employees shall be made party to any claim for breach of such agreement.

## 5. ARTICLE 5 – TERMINATION OF CONTRACT

5.1 **Cancellation for cause:** If, for any reason, the Vendor fails to fulfill its obligation in a timely manner, or if the vendor violates any of the covenants, agreements, or stipulations of this contract, Region 10 ESC reserves the right to terminate the contract immediately and pursue all other applicable remedies afforded by law. Such termination shall be effective by delivery of notice, to the vendor, specifying the effective date of termination. In such event, participating Member shall retain sole ownership of all data or intellectual property provided to vendor for the performance of services, as well as any material, reports, or data which the participating Member has already paid the vendor for. Vendor shall retain sole ownership of its own intellectual property and may reclaim or otherwise remove access to any material the participating Member has not paid for.. If such event does occur, then vendor will be entitled to receive just and equitable compensation for the satisfactory work completed.

5.2 **Delivery/Service failures:** Region 10 ESC may issue a written deficiency notice to contractor for acting or failing to act in any of the following:

- i. Providing material that does not meet the specifications of the contract;
- ii. Providing work and/or material that was not awarded under the contract;
- iii. Failing to adequately perform the services set forth in the scope of work and specifications;
- iv. Failing to complete required work or furnish required materials within a reasonable amount of time;
- v. Failing to make progress in performance of the contract and/or giving Region 10 ESC reason to believe that contractor will not or cannot perform the requirements of the contract; and/or
- vi. Performing work or providing services under the contract prior to receiving a purchase order for such work.

Upon receipt of a written deficiency notice, contractor shall have ten (10) days to provide a satisfactory response to Region 10 ESC. Failure to adequately address all issues of concern may result in contract cancellation. Failure to deliver goods or services within the time specified or within a reasonable time period as interpreted by the purchasing agent, or failure to make replacements or corrections of rejected articles/services when so requested shall constitute grounds for the contract to be terminated. In the event that the participating Member must purchase in an open market, contractor agrees to reimburse the participating Member, within a reasonable time period, for all expenses incurred.

- 5.3 **Force Majeure:** If by reason of Force Majeure, either party hereto shall be rendered unable wholly or in part to carry out its obligations under this Agreement then such party shall give notice and full particulars of Force Majeure in writing to the other party within a reasonable time after occurrence of the event or cause relied upon, and the obligation of the party giving such notice, so far as it is affected by such Force Majeure, shall be suspended during the continuance of the inability then claimed, except as hereinafter provided, but for no longer period, and such party shall endeavor to remove or overcome such inability with all reasonable dispatch.

The term Force Majeure as employed herein, shall mean acts of God, strikes, lockouts, or other industrial disturbances, act of public enemy, orders of any kind of government of the United States or the State of Texas or any civil or military authority; insurrections; riots; epidemics; landslides; lighting; earthquake; fires; hurricanes; storms; floods; washouts; droughts; arrests; restraint of government and people; civil disturbances; explosions, breakage or accidents to machinery, pipelines or canals, or other causes not reasonably within the control of the party claiming such inability. It is understood and agreed that the settlement of strikes and lockouts shall be entirely within the discretion of the party having the difficulty, and that the above requirement that any Force Majeure shall be remedied with all reasonable dispatch shall not require the settlement of strikes and lockouts by acceding to the demands of the opposing party or parties when such settlement is unfavorable in the judgment of the party having the difficulty

- 5.4 **Cancellation for convenience:** Either party may cancel this contract in whole or in part by providing written notice. The cancellation will take effect 90 business days after the other party receives the notice of cancellation. After the 90th business day all work will cease following completion of final purchase order. Region 10 ESC reserves the right to request additional items not already on contract at any time.

## 6. ARTICLE 6 – LICENSES

- 6.1 **Duty to keep current license:** Vendor shall maintain in current status all federal, state and local licenses, bonds and permits required for the operation of the business conducted by vendor. Vendor shall remain fully informed of and in compliance with all ordinances and regulations pertaining to the lawful provision of services under the contract. Region 10 ESC reserves the right to stop work and/or cancel the contract of any vendor whose license(s) expire, lapse, are suspended or terminated.
- 6.2 **Suspension or Debarment:** Vendor shall provide a letter in the proposal notifying Region 10 ESC of any debarment, suspension or other lawful action taken against them by any federal, state, or local government within the last five (5) years that precludes Vendor or its employees from participating in any public procurement activity. The letter shall state the duration of the suspension or action taken, the relevant circumstances and the name of the agency imposing the suspension. Failure to supply or disclose this information may be grounds for cancellation of contract.
- 6.3 **Survival Clause:** All applicable software license agreements, warranties or service agreements that were entered into between Vendor and Customer/participating Member under the terms and conditions of the Contract shall survive the expiration or termination of the Contract. All Purchase Orders issued and accepted by Order Fulfiller shall survive expiration or termination of the Contract.

## 7. ARTICLE 7 – DELIVERY PROVISIONS

- 7.1 **Delivery:** Vendor shall deliver physical materials purchased on this contract to the participating Member issuing a Purchase Order. Conforming product shall be shipped within the timeframe agreed upon by the participating Member. If delivery is not or cannot be made within the time

specified by the Purchase Order the vendor must receive authorization from the participating Member for the delayed delivery, at which time the participating Member may cancel the order if estimated shipping time is not acceptable.

- 7.2 **Inspection & Acceptance:** If defective or incorrect material is delivered, participating Member may make the determination to return the material to the vendor at no cost to the participating Member. The vendor agrees to pay all shipping costs for the return shipment. Vendor shall be responsible for arranging the return of the defective or incorrect material.
- 7.3 **Responsibility for supplies tendered:** Vendor shall be responsible for the materials or supplies covered by this contract until they are delivered to the designated delivery point.
- 7.4 **Shipping Instructions:** Each case, crate, barrel, package, etc, delivered under this contract must be plainly labeled, securely tagged, and delivered in the place and time designated by the participating Member in their Purchase Order or by other mutual agreement.
- 7.5 **Additional charges:** Unless bought on F.O.B. "shipping point" and Vendor prepays transportation, no delivery charges shall be added to invoices except when express delivery is authorized and substituted on orders for the method specified in the contract. In such cases, the difference between freight or mail and express charges may be added to the invoice.
- 7.6 **Buyer's delays:** Region 10 ESC will not be responsible for any late fees due the prime contractor by the participating Member. The prime contractor will negotiate with the participating Member for the recovery of damages related to expenses incurred by the vendor for a delay for which the Member is responsible, which is unreasonable, and which was not within the contemplation of the parties to the contract between the two parties.

## 8. ARTICLE 8 – BILLING AND REPORTING

- 8.1 **Payments:** The participating entity using the contract will make payments directly to the awarded vendor. Payment shall be made after satisfactory performance, in accordance with all provisions thereof, and upon receipt of a properly completed invoice.
- 8.2 **Tax Exempt Status:** Since this is a national contract, knowing the tax laws in each state is the sole responsibility of the Vendor.
- 8.3 **Progress payments:** Progress payments may be made by the participating agency to the contractor on the basis of a duly certified and approved estimate of the work performed during the preceding month, if both parties agree to such payment schedule. All progress payments must be invoiced to the participating member. It is the responsibility of the member to review and approve any estimates of work completed. If the member issues a written statement to the Respondent that the estimate of work is not approved and certified, the member may withhold an amount from the progress payment that the member reasonably expects to incur in correcting the deficiency set forth in the written finding, as permitted by applicable State law. In such cases, the Respondent agrees to hold member harmless for any deficiency payment.

The prime contractor must agree to pay any subcontractors or material vendors within seven (7) days of their receipt of the progress payment, unless otherwise agreed on in writing between the parties involved. The contractor shall pay Equalis Group progress payments in accordance with this paragraph.

At the time all bonds are in place, the prime contractor and the participating member will agree upon a schedule of payments based on identifiable milestones. Acceptance of final payment is a waiver of all claims except unsettled claims previously made in writing.

- 8.4 **Performance and Payment Bonds (in applicable states):** Upon execution of a contract between participating agency and prime contractor, performance and payment bonds shall be provided to the member as required by pertinent state law. The prime contractor agrees to notify the participating member in writing of this requirement before accepting any work orders. If the prime contractor fails to deliver any required performance or payment bonds, the contract with Region 10 ESC may be terminated. The contractor may be asked to supply copies of performance and payment bonds to Region 10 ESC for administrative purposes.

An irrevocable payment bond in an amount equal to 100% of the price specified in the contract between the prime contractor and the participating member shall be executed by a surety company authorized to do business in the state of the member or in the ruling jurisdiction of the member. This bond will protect all persons supplying labor and material to the prime contractor for the performance of the work provided in the contract. Such bonds are taxable at the contractor's tax rate. An irrevocable performance bond in an amount equal to 100% of the price specified in the contract between the participating member and the prime contractor shall be executed by a surety company authorized to do business in the state of the member or the ruling jurisdiction of the member.

- 8.5 **Retention:** When fifty (50) percent of the work is completed, one half of the amount retained shall be paid to the prime contractor if the prime contractor requests payment and if the participating member is satisfied with the progress of the work. After the work is fifty (50) percent completed, no more than five percent of the amount of any subsequent progress payments shall be retained, unless the governing board of the participating member determines satisfactory progress is not being made, at which point ten percent retention shall be reinstated.

Ten (10) percent of all contract payments shall be retained by the participating member as insurance of proper performance of the prime contractor. Participating member shall deposit retained amounts into an interest-bearing account, if required by applicable law governing the participating member. Interest earned on the retained amounts shall be paid to the prime contractor upon completion of the project, or as otherwise required by applicable governing the participating member. Prime contractor agrees to identify the amount to be retained on invoices to participating member for each progress payment.

If the participating member and the prime contractor agree to a substitute security, the prime contractor must provide participating member with a signed and acknowledged waiver of any right or power of the obligor to set off any claim against the member.

Price increases must be approved by Region 10 ESC and no payment for additional materials or services, beyond the amount stipulated in the contract, shall be paid without prior approval. All price increases must be supported by manufacture documentation, or a formal cost justification letter.

Vendor must honor previous prices for thirty (30) days after approval and written notification from Region 10 ESC if requested.

It is Vendor's responsibility to keep all pricing up to date and on file with Region 10 ESC. All price changes must be provided to Region 10 ESC, using the same format as was accepted in the original contract.

- 9.3 **Additional Charges:** All deliveries shall be freight prepaid, F.O.B. destination and shall be included in all pricing offered unless otherwise clearly stated in writing.

Special, time-limited reductions are permissible under the following conditions: 1) reduction is available to all Members equally; 2) reduction is for a specific time period, normally not less than thirty (30) days; and 3) original price is not exceeded after the time-limit. Vendor shall offer Region 10 ESC any published price reduction during the contract period.
- 9.5 **Prevailing Wage:** It shall be the responsibility of the Vendor to comply, when applicable, with the prevailing wage legislation in effect in the jurisdiction of the purchaser (Region 10 ESC or its Participating Members). It shall further be the responsibility of the Vendor to monitor the prevailing wage rates as established by the appropriate Department of Labor for any increase in rates during the term of this contract and adjust wage rates accordingly.
- 9.6 **Administrative Fees:** The Vendor agrees to pay administrative fees to Equalis Group based on the terms set in the Equalis Group Administration Agreement. All pricing submitted to Region 10 shall include the administrative fee to be remitted to Equalis Group by the awarded vendor.
- 9.7 **Price Calculation:** Cost plus a percentage as a primary mechanism to calculate pricing is not allowed. Pricing may either be in the form of line item pricing, defined as a specific individual price on a product or service, or a percentage discount from a verifiable catalog or price list. Other discounts or incentives may be offered.

## 10. ARTICLE 10 – PRICING AUDIT

- 10.1 **Audit rights:** Vendor shall, at Vendor's sole expense, maintain appropriate due diligence of all purchases made by Region 10 ESC and any participating entity that accesses this Agreement. Equalis Group and Region 10 ESC each reserve the right to audit the accounting for a period of three (3) years from the time such purchases are made. This audit right shall survive termination of this Agreement for a period of one (1) year from the effective date of termination. In the State of New Jersey, this audit right shall survive termination of this Agreement for a period of five (5) years from the date of final payment. Such records shall be made available to the New Jersey Office of the State Comptroller upon request. Region 10 ESC shall have the authority to conduct random audits of Vendor's pricing that is offered to eligible entities at Region 10 ESC's sole cost and expense. Notwithstanding the foregoing, in the event that Region 10 ESC is made aware of any pricing being offered to eligible agencies that is materially inconsistent with the pricing under this agreement, Region 10 ESC shall have the ability to conduct an extensive audit of Vendor's pricing at Vendor's sole cost and expense. Region 10 ESC may conduct the audit internally or may engage a third-party auditing firm. In the event of an audit, the requested materials shall be provided in the format and at the location designated by Region 10 ESC or Equalis Group.

## 11. ARTICLE 11 – PROPOSER PRODUCT LINE REQUIREMENTS

- 11.1 **Current products:** Proposals shall be for products and services in current production and marketed to the general public and education/government agencies at the time the proposal is submitted.

- 11.2 **Discontinued products:** If a product or model is discontinued, Vendor may substitute a new product or model if the replacement product meets or exceeds the specifications and performance of the discontinued model and if the discount is the same or greater than the discontinued model.
- 11.3 **New products/Services:** New products and/or services that meet the scope of work may be added to the contract. Pricing shall be equivalent to the percentage discount for other products. Vendor may replace or add product lines to an existing contract if the line is replacing or supplementing products on contract, is equal or superior to the original products offered, is discounted in a similar or to a greater degree, and if the products meet the requirements of the solicitation. No products and/or services may be added to avoid competitive procurement requirements. Region 10 ESC may require additions to be submitted with documentation from Participating Members demonstrating an interest in, or a potential requirement for, the new product or service. Region 10 ESC may reject any additions without cause.
- 11.4 **Options:** Optional equipment for products under contract may be added to the contract at the time they become available under the following conditions: 1) the option is priced at a discount similar to other options; 2) the option is an enhancement to the unit that improves performance or reliability.

- 12.3 **Registered sex offender restrictions:** For work to be performed at schools, Vendor agrees that no employee or employee of a subcontractor who has been adjudicated to be a registered sex offender will perform work at any time when students are or are reasonably expected to be present. Vendor agrees that a violation of this condition shall be considered a material breach and may result in the cancellation of the purchase order at the Participating Member's discretion. Vendor must identify any additional costs associated with compliance of this term. If no costs are specified, compliance with this term will be provided at no additional charge. Vendor is also responsible for ensuring that their employees or contractors who have direct contact with students are properly fingerprinted and background checked in accordance with local state law, if applicable.

An inventory of the stored materials must be provided to Participating Member with the application for payment seeking compensation for stored materials. Such materials must be stored and protected in a secure location and be insured for their full value by the vendor against loss and damage. Vendor agrees to provide proof of coverage and/or addition of Participating Member as an additional insured upon Participating Member's request. Additionally, if stored offsite, the materials must also be clearly identified as property of buying Participating Member and be separated from other materials. Participating Member must be allowed reasonable opportunity to inspect and take inventory of stored materials, on or offsite, as necessary.
- Until final acceptance by the Participating Member, it shall be the Vendor's responsibility to protect all materials and equipment. Vendor warrants and guarantees that title for all work, materials and equipment shall pass to the Member upon final acceptance.
- 12.7 **Maintenance Facilities and Support:** It is preferred that each contractor should have maintenance facilities and a support system available for servicing and repair of product and/or equipment. 13.8 **Legal Obligations**: It is the Vendor's responsibility to be aware of and comply with all local, state, and federal laws governing the sale of products/services identified in this RFP and any awarded contract and shall comply with all while fulfilling the RFP. ## SECTION 3. TERMS & CONDITIONS

**Contract Administration.** Equalis Group shall perform all of its duties, responsibilities and obligations as contract administrator of the Master Agreement on behalf of Region 10, and Supplier hereby acknowledges

and agrees that all duties, responsibilities and obligations will be undertaken by Equalis Group solely in its capacity as the contract administrator under the Master Agreement.

**Express Limitation of Equalis Liability.** With respect to any purchases of Products & Services by Region 10 or any Program Participant pursuant to the Master Agreement, Equalis shall not be: (i) construed as a, re-marketer, representative, partner, or agent of any type of the Winning Supplier, Region 10, or any Program Participant; (ii) obligated by, liable for, or in any way responsible for any order of Products & Services made by Region 10 or any Program Participant or any employee thereof under the Master Agreement or for any payment required to be made with respect to such order for Products & Services; and (iii) obligated by, liable for, or in any way responsible for any failure by Region 10 or any Program Participant to comply with procedures or requirements of applicable law or the Master Agreement or to obtain the due authorization and approval necessary to purchase Products & Services under the Master Agreement. Equalis makes no representation or guaranty with respect to any minimum purchases by Region 10 or any Program Participant, whether individually or collectively, or any employee thereof under this Agreement or the Master Agreement. The terms of this section shall survive the termination of this Agreement.

**Indemnification.** Equalis Group shall be afforded all of the rights, privileges and indemnifications afforded to Lead Agency by or from Supplier under the Lead Agency Agreement, and such rights, privileges and indemnifications shall accrue and apply with equal effect to Equalis Group, its agents, employees, directors, and representatives under this Agreement including, but not limited to, the Supplier's obligation to provide appropriate insurance.

**Term & Termination.** The Term of this Agreement is the same as the Term of the Region 10 Master Agreement. This Agreement shall be terminated, if and when the Master Agreement is terminated. Upon termination of the Master Agreement for any reason, Winning Supplier shall continue making Administrative Fee and other payments, as set forth in **Appendix C**, to Equalis that are generated by individual Program Participant's purchase of Products & Services for a period of either i) one (1) year from the date of termination, or ii) through the then current expiration date of the Master Agreement, whichever is shorter, to the extent that Winning Supplier continues to generate revenue from each Program Participant's purchase of Products & Services following the termination of the Master Agreement.

**Audit of Winning Supplier.** Equalis, whether directly or through an independent auditor or accounting firm, shall have the right to perform audits, including inspection of books, records, and computer data relevant to Winning Supplier's provision of Products & Services to Program Participants and payment of Administrative Fees to Equalis, pursuant to the Master Agreement and this Administration Agreement, to ensure that pricing, inventory, quality, process, and business controls are maintained; provided, however, that such inspections and audits will be conducted upon reasonable notice to Winning Supplier and so as not to unreasonably interfere with Winning Supplier's business or operations.

**Notices.** All notices, claims, certificates, requests, demands, and other communications required or permitted hereunder (“**Notice**”) must be in writing and will be deemed given to the addresses set forth herein (a) when delivered personally to the recipient, (b) upon delivery by reputable overnight courier service (charges prepaid), or (c) upon delivery or refusal of delivery by certified or registered mail, return receipt requested, and addressed to the intended recipient. The Parties agree that day-to-day business communications, including notification of a change of address or revisions to any Appendix, may be made via electronic communication, including email.

**Waiver and Modification.** This Agreement may not be amended, changed, modified, or altered without the prior written consent of the parties hereto, and no provision of this Agreement may be discharged or waived,

except by a writing signed by the parties. A waiver of any particular provision will not be deemed a waiver of any other provision, nor will a waiver given on one occasion be deemed to apply to any other occasion.

**Governing Law; Invalidity.** This Agreement shall be construed and enforced in accordance with, and governed by, the laws of the State of Texas without regard to rules of conflict of laws. If any provision of this Agreement is declared unlawful or unenforceable by judicial determination or performance, then the remainder of this Agreement shall continue in force as if the invalidated provision did not exist. Any suits filed by either Party pursuant to this Agreement shall be brought in a court of competent jurisdiction located in Richardson, Dallas County, Texas. In the event either Party initiates a suit and that suit is adjudicated by a court of competent jurisdiction, the prevailing Party shall be entitled to reasonable attorney's fees and costs from the non-prevailing Party in addition to any other relief to which the court determines the prevailing Party is entitled or awarded.

**Assignment.** This Agreement and the rights and obligations hereunder may not be assignable by either Party hereto without the prior written consent of the other Party, which consent shall not be unreasonably withheld, conditioned, or delayed, provided, however, that either Party may assign its respective rights and obligations under this Agreement without the consent of the other Party in the event either Party shall hereafter effect a corporate reorganization, consolidation, merger, merge into, sale to, or a transfer of all or substantially all of its properties or assets to another entity. Subject to the preceding sentence, this Agreement will be binding upon, inure to the benefit of, and be enforceable by the Parties and their respective successors and assigns. Any instrument purporting to make an assignment in violation of this section shall be null and void. This Agreement may be extended to additional entities affiliated with either Party upon the agreement of the other Party. No such extension will relieve the extending Party of its rights and obligations under this Agreement.

**No Third-Party Beneficiaries; Survival of Representations.** This Agreement is made solely for the benefit of the Parties to it, and no other persons will acquire or have any right under or by virtue of this Agreement. Except as otherwise provided herein, all representations, warranties, covenants, and agreements of the Parties shall remain in full force and effect regardless of any termination of this Agreement, in whole or in part.

The Parties acknowledge that this Agreement has been negotiated and incorporates their collective agreement as to the provisions to be contained herein. Therefore, no presumption will arise giving benefit of interpretation by virtue of authorship of any provision of this Agreement, and any ambiguity may not be construed for or against any Party.

**Execution in Counterparts.** This Agreement may be executed in one or more counterparts, each of which will be deemed an original. For purposes of this Agreement, a facsimile, scanned, or electronic signature will be deemed an original signature.

### 1. Equalis Services.

**1.1. Winning Supplier Sales Representative Training.** Equalis will develop, as appropriate and subject to Winning Supplier approval, various sales training materials, sales tools, and marketing collateral to promote the Master Agreement and Winning Supplier's Products & Services. Equalis, as appropriate, will i) conduct periodic sales trainings with Winning Supplier sales representatives assigned to sell Products & Services, ii) provide sales representatives with marketing collateral and sales tools to utilize with sales prospects, with particular focus on the procurement process that led to the establishment of the Master Agreement, the legal ability for sales prospects in any state to purchase Products & Services through the Master Agreement without having to conduct their own bid or RFP process, and the key differentiators in the design of this program with Winning Supplier, and iii) attend at least one Winning Supplier company-wide sales and/or leadership meeting per year.

**1.2. Sales Support.** Equalis will engage in Winning Supplier sales efforts as agreed by the Parties through participating in i) individual sales calls, ii) joint sales calls, iii) communications and customer service, iv) discussions and communication with sales prospects during the sales process to address questions relating to the procurement process, legal authority to purchase through the Master Agreement, and program design, v) trainings for Equalis Members' teams, vi) regular business reviews to monitor Program success, and vii) general contract administration.

**1.3. Marketing.** Equalis will incorporate information about the Products & Services into Equalis Group's website and general collateral materials. Equalis and Winning Supplier will jointly develop and approve marketing materials to promote Products & Services, such as website content, brochures and collateral, talking points, press releases, and correspondence. Equalis will market the Products & Services to Prospective Participants as part of Equalis' ongoing marketing activities through Equalis Group; these marketing efforts may consist of a combination of i) general marketing of all of Equalis Group's master group purchasing agreements, including the Master Agreement and Winning Supplier's Products & Services, ii) marketing of Winning Supplier's Products & Services specifically and/or as part of a package of selected master group purchasing agreements to targeted Prospective Participants, and iii) attending trade shows, conferences, and meetings.

### 2. Winning Supplier Roles & Responsibilities.

As a condition to Winning Supplier entering into the Master Agreement, which is available to all Public Sector Entities, Winning Supplier must make certain representations, warranties, and covenants to Equalis designed to ensure the success of the Master Agreement for all Prospective Participants, sales prospects, and Winning Supplier.

**2.1. Equalis Group Membership Agreement.** Winning Supplier will make available the Equalis Group Master Intergovernmental Cooperative Purchasing Agreement (whether in hard copy, electronically, or via [www.EqualisGroup.org](http://www.EqualisGroup.org)) and request any Prospective Participants subject to the Master Agreement who have not already joined Equalis Group to join Equalis Group in conjunction with executing Winning Supplier's Customer Agreements and/or beginning to purchase Products & Services from Winning Supplier to ensure that Winning Supplier and each Program Participant are in full compliance with applicable state procurement statutes.

**2.2. Corporate Commitment.** Winning Supplier commits that i) the Master Agreement has received all necessary corporate authorizations and support of Winning Supplier’s executive management, ii) the Master Agreement will be promoted to Public Sector Entities, and iii) Winning Supplier will identify an executive corporate sponsor and a separate national account manager that will be responsible for the overall management of the Master Agreement and this Agreement.

**2.3. Sales Commitment.** Winning Supplier commits to market the Master Agreement as a market strategy in the public sector and that its sales force will be trained, engaged, and committed to offering the Master Agreement to Public Sector Entities through Equalis Group in the geographies defined in the Master Agreement. Winning Supplier commits that all sales under the Master Agreement will be accurately and timely reported to Equalis. Winning Supplier also commits that its sales force will be compensated, including sales incentives, for sales to Program Participants under the Master Agreement in a consistent or better manner compared to sales to Public Sector Entities if Winning Supplier were not awarded the Master Agreement. Supplier will make available to interested Prospective Participants such price lists or quotes as may be necessary for such Prospective Participants to evaluate potential purchases of Products & Services under the Master Agreement.

## APPENDIX C: FINANCIAL TERMS

This Appendix may be modified at any time with the mutual written consent of the Parties.

### **1. Administrative Fee.**

On or before the fifteenth (15<sup>th</sup>) of each month, Winning Supplier shall remit to Equalis an administrative fee payment (the “**Administrative Fee**”) (percentage to be negotiated) of the total Winning Supplier revenue (the “**Equalis Group Spend**” or “**Spend**”) invoiced to Program Participants during the prior calendar month. “Spend” shall mean the cumulative purchases of Products & Services by Program Participants under the Master Agreement net of taxes, shipping costs, returns, and credits. All Administrative Fees not paid when due shall bear interest at a rate equal to the lesser of one- and one-half percent (1.5%) per month or the maximum rate permitted by law until paid in full.

### **2. Case-by-Case Administrative Fee Adjustments.**

The Parties understand and acknowledge that Wining Supplier may have to provide aggressive deviated pricing on a case-by-case basis to win certain opportunities with Prospective Participants when those opportunities represent a sufficiently large Spend and/or are highly competitive. In such situations, Winning Supplier may request Equalis accept a reduced Administrative Fee. The Parties agree to evaluate each such situation as it arises and utilize best efforts to establish an adjusted Administrative Fee rate upon mutual written agreement (including via email) of the Parties.

### **3. Rebates or Other Payments.**

Insert rebate or other payment language as agreed.
