PROCUREMENT, PROFESSIONAL AND SERVICE CONTRACTS

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. The contractor will take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment

advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this non-discrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisement for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation.

The contractor or subcontractor, where applicable, will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to P.L. 1975, c. 127, as amended and supplemented from time to time and the Americans with Disabilities Act.

The contractor or subcontractor agrees to attempt in good faith to employ minority and female workers trade consistent with the applicable county employment goal prescribed by N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time or in accordance with a binding determination of the applicable county employment goals determined by the Affirmative

Action Office pursuant to N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time.

The contractor or subcontractor agrees to inform in writing appropriate recruitment agencies in the area, including employment agencies, placement bureaus, colleges, universities, labor unions, that it does not discriminate on the basis of age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of it testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the state of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

The contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and lay-off to ensure that all such actions are taken without regard to age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and conform with the applicable employment goals, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

The contractor and its subcontractors shall furnish such reports or other documents to the Affirmative Action Office as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Affirmative Action Office for conducting a compliance investigation pursuant to Subchapter 10 of the Administrative Code (NJAC 17:27).

PUBLIC AGENCY INSTRUCTIONS

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. **It is not intended to be provided to contractors.** What follows are instructions on the use of form local units can provide to contractors that are required to disclose political contributions pursuant to N.J.S.A. 19:44A-20.26 (P.L. 2005, c. 271, s.2). Additional information is available in Local Finance Notice 2006-1 (https://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html).

1. The disclosure is required for all contracts in excess of \$17,500 that are **not awarded** pursuant to a “fair and open” process (N.J.S.A. 19:44A-20.7).
2. Due to the potential length of some contractor submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. **The form is worded to accept this alternate submission.** The text should be amended if electronic submission will not be allowed.
3. The submission must be **received from the contractor and** on file at least 10 days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.
4. The contractor must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that contractors be provided a list of the affected agencies. This will assist contractors in determining the campaign and political committees of the officials and candidates affected by the disclosure.
 - a) The Division has prepared model disclosure forms for each county. They can be downloaded from the “County PCD Forms” link on the Pay-to-Play web site at https://www.state.nj.us/dca/divisions/dlgs/programs/pay_2_play.html. They will be updated from time-to-time as necessary.
 - b) A public agency using these forms **should edit them to properly reflect the correct legislative district(s)**. As the forms are county-based, **they list all legislative districts** in each county. **Districts that do not represent the public agency should be removed from the lists.**
 - c) Some contractors may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.
 - d) The form may be used “as-is”, subject to edits as described herein.
 - e) The “Contractor Instructions” sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.
 - f) The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.
5. It is recommended that the contractor also complete a “Stockholder Disclosure Certification.” This will assist the local unit in its obligation to ensure that contractor did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the 12 months prior to the contract. (See Local Finance Notice 2006-7 for additional information on this obligation) A sample Certification form is part of this package and the instruction to complete it is included in the Contractor Instructions. **NOTE: This section is not applicable to Boards of Education.**

CONTRACTOR INSTRUCTIONS

Business entities (contractors) receiving contracts from a public agency in the state of New Jersey that are NOT awarded pursuant to a “fair and open” process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any State, county, or municipal committee of a political party
- any legislative leadership committee*
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
 - of the public entity awarding the contract
 - of that county in which that public entity is located
 - of another public entity within that county
 - or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county. The disclosure must list reportable contributions to any of the committees that exceed \$300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an “interest” ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs). When the business entity is a natural person, “a contribution by that person’s spouse or child, residing therewith, shall be deemed to be a contribution by the business entity.” [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure. Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report. The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor’s responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement. The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor’s submission and is disclosable to the public under the Open Public Records Act. The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law.

NOTE: This section does not apply to Board of Education contracts.

¹ N.J.S.A. 19:44A-3(s): “The term “legislative leadership committee” means a committee established, authorized to be established, or designated by the President of the Senate, the Minority Leader of the Senate, the Speaker of the General Assembly or the Minority Leader of the General Assembly pursuant to section 16 of P.L.1993, c.65 (C.19:44A-10.1) for the purpose of receiving contributions and making expenditures.”

General Terms and Conditions of Master Agreement

Section Three: General Terms and Conditions of Master Agreement

THIS MASTER COOPERATIVE PURCHASING AGREEMENT (this "**Master Agreement**") is entered into by and between The Cooperative Council of Governments, Inc. ("**CCOG**"), <Insert Name of Winning Supplier> (the "**Winning Supplier**"), and Equalis Group ("**Equalis Group**"). Throughout this Master Agreement, CCOG, Winning Supplier, and Equalis are referred to interchangeably as in the singular "**Party**" or in the plural "**Parties**."

1. RECITALS

A. CCOG is a Council of Governments formed under Chapter 167 of the Ohio Revised Code and serves as a lead agency (a "**Lead Public Agency**") for Equalis Group ("**Equalis Group**"), a national cooperative purchasing organization, by publicly procuring Master Agreements for products and services to be made available to current and prospective Equalis Group members ("**Equalis Group Member**" or "**Member**").

B. Equalis Group is the third-party procurement administrator for and duly authorized agent of CCOG, and in that role manages the procurement, contract management, marketing, sales, reporting, and financial activities of, for, and on behalf of CCOG at the direction and with the authorization of the CCOG Board of Directors.

C. To the extent that the laws of a state, region, territory, and/or country permit, any public sector entity may join Equalis Group as a Member. The term "**Public Sector Entities**" includes, but is not limited to, political subdivisions, municipal corporations, counties, townships, villages, school districts, special districts, public institutions of higher education or training, units of government, state/regional/territorial agencies, state/regional/territorial governments, federal/national agencies, federal/national governments, and other entities receiving financial support from tax monies and/or public funds.

D. Any organization that is exempt from federal income tax under Section 501(c)(3) of the IRS Code, and any other entity if permitted under the IRS Code and other applicable law, including for-profit companies, may also join Equalis Group as a Member.

E. Equalis Group makes its Master Agreements available through groups and associations ("**Association Partners**") that contract with Equalis Group for the purpose of providing additional benefits to the members of such Association Partners.

F. Members, Association Partners, and Association Partners' members are referred to throughout this Master Agreement as Equalis Group participants ("**Equalis Group Participants**").

G. CCOG issued a request for proposal ("RFP") on behalf of Equalis Group Participants and solicited responses from companies ("**Respondent**") for Mobile Parking Payment and Management Solutions and awarded a contract to Winning Supplier as a responsible Respondent whose proposal was most advantageous to CCOG. The products and services made available in this contract are defined by the contents of the Winning Supplier's Cost Proposal submission ("**Products & Services**").

H. CCOG and Equalis Group agree to make the Products & Services from Winning Supplier available to Equalis Group Participants and Winning Supplier agrees to provide the same to Equalis Group Participants who purchase Products & Services ("**Program Participants**") subject to the terms of this Master Agreement.

NOW, THEREFORE, in consideration of the mutual promises contained herein, the Parties agree to the following terms and conditions:

2. TERMS & CONDITIONS

2.1. Personnel & Equipment. The Parties agree that the number and types of any subcontractors, dealers, distributors, personnel, or specialized equipment which may be required to furnish Products & Services to Program Participants will be determined by Winning Supplier. Winning Supplier agrees to engage the number and types of subcontractors, personnel, and/or specialized equipment necessary to furnish the types of Products & Services to all Program Participants throughout the Term of this Master Agreement and any Customer Agreement.

2.2. Supplemental Agreements. Winning Supplier may enter into separate supplemental agreements with an Equalis Group Participant and/or Program Participant to further define the terms and conditions of purchasing Products & Services ("**Customer Agreement**"). Notwithstanding the foregoing, by ordering products or services under this Master Agreement, all terms and conditions of this Master Agreement will be incorporated into a resulting Customer Agreement unless the Customer Agreement as mutually agreed between Winning Supplier and the Program Participant states otherwise. Any Customer Agreement entered into as a result of this contract is exclusively between the Program Participant and Winning Supplier. Neither CCOG, Equalis Group, its agents, Member and employees shall be made party to any claim for breach of such agreement.

2.3. Pricing

a. **Not-To-Exceed Pricing.** All contract pricing is "*Not-To-Exceed Pricing*" where Members will receive pricing that does not exceed the per unit pricing provided by the Respondent in Attachment B. Winning Supplier may adjust pricing lower if needed, without any approval needed, but cannot exceed the pricing on their contract price list.

b. **Pricing Adjustments.** No price increases are permitted within the first ninety (90) days of this contract's Effective Date. Should it become necessary or proper during the Term of this Agreement to make any change in design or any alterations that will increase expense, Equalis Group must be notified immediately. Price increases must be approved by CCOG and no payment for additional materials or services, beyond the amount stipulated in the Agreement, shall be paid without prior approval. All price increases must be supported by manufacturer documentation, or a formal cost justification letter.

It is Winning Supplier's responsibility to keep all pricing up to date and on file with Equalis Group. All price changes must be provided to Equalis Group, using the same format as was accepted in the original contract.

c. **Rates & Charges.** The rates, fees, and charges to be charged to and paid by Program Participants for Products & Services are set forth in contract price list. Winning Supplier agrees that there are no other applicable rates, fees, charges, or other monetary incentives for Products & Services except those set forth in Winning Supplier's cost proposal.

2.4. The Term. This Master Agreement and the Appendices attached hereto will become effective as of effective date identified in the **Master Agreement Signature Form** (the "**Effective Date**"). This Master Agreement will remain in effect for four (4) years and will expire on the date identified in the **Master Agreement Signature Form** (the "**Termination Date**") unless extended, terminated, or cancelled as set forth in the Master Agreement (the "**Initial Term**"). This Master Agreement may be renewed for one (1) additional one (1) year period by CCOG (a "**Renewal Term**") unless this Master Agreement is terminated as set forth herein. By mutual consent of the Parties, the Term of this Master Agreement may be extended beyond the Initial and Renewal Term (the "**Extended Term**"). The Initial Term together with all Renewal Terms and Extended Terms exercised are hereinafter collectively referred to as the "**Term**."

2.5. **Formation of Contract**

a. **Respondent Contract Documents.** CCOG and Equalis Group will review proposed Respondent contract documents. Respondent's contract document shall not become part of CCOG and Equalis Groups' contract with Respondent unless and until an authorized representative of CCOG and Equalis Group reviews and approves it.

b. **Entire Agreement.** This Master Agreement, including its Recitals, together with all components of the RFP, the components of the Winning Supplier's proposal, attachments, appendices, and exhibits hereto, constitutes the entire agreement between the Parties with respect to the subject matter hereof and supersedes all prior oral or written representations and agreements with regard to the same subject matter. The Parties acknowledge that this Master Agreement has been negotiated and incorporates their collective agreement as to the provisions to be contained herein. Therefore, no presumption will arise giving benefit of interpretation by virtue of authorship of any provision of this Master Agreement, and any ambiguity may not be construed for or against any Party. Winning Supplier's complete and final RFP response is hereby incorporated into and made part of this Master Agreement.

c. **Modification.** No release, discharge, abandonment, waiver, alteration, or modification of any of the provisions of this Master Agreement, or any of the Appendices incorporated herein, shall be binding upon any Party unless set forth in a writing signed by authorized representatives of the Parties.

d. **Assignment.** This Master Agreement and the rights and obligations hereunder may not be assignable by any Party hereto without the prior written consent of the other Parties, which consent shall not be unreasonably withheld, conditioned, or delayed, provided, however, that Winning Supplier and Equalis Group may assign their respective rights and obligations under this Master Agreement without the consent of the other Parties in the event either Winning Supplier or Equalis Group shall hereafter effect a corporate reorganization, consolidation, merger, merge into, sale to, or a transfer of all or substantially all of its properties or assets to another entity. Subject to the preceding sentence, this Master Agreement will be binding upon, inure to the benefit of, and be enforceable by the Parties and their respective successors and assigns. Any instrument purporting to make an assignment in violation of this section shall be null and void. This Master Agreement may be extended to additional entities affiliated with the Parties upon the mutual agreement of the Parties. No such extension will relieve the extending Party of its rights and obligations under this Master Agreement.

e. **Order of Precedence.**

- (1) General terms and conditions of Master Agreement
- (2) Specifications and scope of work, as awarded
- (3) Attachments and exhibits to the Master Agreement
- (4) The solicitation and all attachments thereto; and
- (5) The Respondent's proposal and all attachments thereto.

2.6. **Confidentiality.**

a. **Obligation.** The nature and details of the business relationship established by this Master Agreement, and the business information regarding the other Party(ies) (the "**Disclosing Party**") to which a Party(ies) (the "**Receiving Party**") may become privy during the Term of this Master Agreement (collectively, the "**Information**") constitute confidential and proprietary information, the disclosure, copying, or distribution of which could result in competitive harm to the Disclosing Party. Each Party agrees to maintain the other Parties' Information in the strictest confidence and agrees not to disclose, copy, or distribute the other Parties'

Information, whether orally or in writing, directly or indirectly, in whole or in part, except to those of the Receiving Party's employees, agents, subcontractors, and suppliers with a need to know the Information. The foregoing will not limit a Receiving Party, for purposes of marketing, from informing actual or potential Equalis Group Participants of the existence of a contractual relationship between the Parties. The Parties further agree that they will require that all of their employees, agents, subcontractors, and suppliers abide by the terms of these confidentiality obligations. The confidentiality obligations set forth in this section will continue in effect for the Term of this Master Agreement and for a period of two (2) years after the date this Master Agreement is terminated or expires.

b. Exceptions. Nothing herein will apply to any information (a) which is or becomes generally available to the public other than as a result of a disclosure by a Receiving Party or its representatives, (b) which was available on a non-confidential basis prior to its disclosure by the Disclosing Party or its representatives, (c) which becomes available to a Receiving Party on a non-confidential basis from a source other than the Disclosing Party or its representatives, provided that such source is not known to be subject to any prohibition against transmitting the information, (d) which is disclosed pursuant to an order of court; provided that in the event that proprietary information is disclosed or threatened to be disclosed pursuant to this clause (d), the Receiving Party will give the original Disclosing Party prompt, written Notice, as hereinafter defined, of such threatened disclosure and the right to defend against such disclosure, at Disclosing Party's expense, and provided further that the original Receiving Party will cooperate reasonably in such defense, or (e) which is subject to a Freedom of Information Act Request or other public records request to which a Party is, or may be, required to respond by applicable law.

2.7. Indemnification. Winning Supplier shall protect, indemnify, and hold harmless both CCOG and Equalis Group, administrators, employees, and agents ("**Indemnified Parties**") against all claims, damages, losses and expenses ("**Claims**") arising out of or resulting from the actions of Winning Supplier, Winning Supplier employees or subcontractors in the preparation of the solicitation and the later performance under the contract, including any Customer Agreements with Program Participants ("**Losses**").

2.8. Winning Supplier Insurance. During the Term of this Master Agreement, and for two (2) years following expiration or termination of this Master Agreement, Winning Supplier, at its own expense, shall maintain and shall require that its agents, subcontractors, and suppliers engaged in Winning Supplier's performance of its duties under this Master Agreement maintain general liability insurance, property insurance, and automobile insurance (at a minimum, in the amount of \$1,000,000 per occurrence/\$5,000,000 annual aggregate) applicable to any claims, liabilities, damages, costs, or expenses arising out of its performance under this Master Agreement, or any Appendix, and with respect to, or arising out of, Winning Supplier's provision of Products & Services to Program Participants. CCOG, Equalis Group, and their respective officers, directors, employees, and agents will be named as certificate holders on Winning Supplier's related insurance policies. All such insurance policies shall incorporate a provision requiring the giving of written Notice to CCOG and Equalis Group at least thirty (30) days prior to the cancellation, nonrenewal, and/or material modification of any such policies. Winning Supplier shall submit to Equalis Group within ten (10) calendar days after the Effective Date of this Master Agreement, and prior to furnishing Products & Services to any Program Participants, valid certificates evidencing the effectiveness of the foregoing insurance policies. Winning Supplier shall provide such valid certificates on an annual basis until the terms of this section are no longer applicable.

2.9. Termination Rights. The Parties shall have the termination rights set forth below.

a. Insolvency. If a petition in bankruptcy is filed by any Party, or if any Party is adjudicated as bankrupt, or if any Party makes a general assignment for the benefit of creditors, or if a receiver is appointed on account of the insolvency of any Party, then the other Parties, without prejudice to any other right or remedy,

may terminate this Master Agreement upon giving at least five (5) business days prior written Notice of such termination.

b. Mutual Consent. This Master Agreement, or any Appendix, may be terminated at any time by the mutual written consent of the Parties.

c. Breach. In the event that any Party commits a material breach of its obligations under this Master Agreement, except for a payment obligation, the non-breaching Party(ies) may provide written Notice describing the material breach to the breaching Party. The breaching Party will have thirty (30) calendar days to cure such breach or provide acceptable reassurance to the non-breaching Party(ies), or, if the Parties agree that a cure or reassurance is not feasible within thirty calendar (30) days, such period of time for cure or satisfactory reassurance as the Parties may agree in writing. If the breach is not cured within such period or if satisfactory reassurance is not accepted by the non-breaching Party(ies) in such period, then the Party(ies) not in breach may terminate this Master Agreement upon ten (10) business days written Notice at the Addresses for Notices.

2.10. Effects of Termination. Upon termination of this Agreement for any reason, all Customer Agreements entered into with Program Participants shall terminate upon the Customer Agreement's current date of expiration. Winning Supplier shall immediately cease any sales of Products & Services to any Program Participant under and through the terms of this Master Agreement. Following the date of termination, Winning Supplier shall not be precluded from selling its products and services to individuals, businesses, and entities that were Program Participants when this Master Agreement was in effect either directly or through some other contract vehicle. Following the date of termination, CCOG and Equalis Group shall not be precluded from transitioning individuals, businesses, and entities that were Program Participants when this Master Agreement was in effect to another agreement or Equalis Group supplier partner.

2.11. Audit of Winning Supplier. CCOG and Equalis Group, whether directly or through an independent auditor or accounting firm, shall have the right to perform audits, including inspection of books, records, and computer data relevant to Winning Supplier's provision of Products & Services to Program Participants pursuant to this Master Agreement, to ensure that pricing, inventory, quality, process, and business controls are maintained; provided, however, that such inspections and audits will be conducted upon reasonable notice to Winning Supplier and so as not to unreasonably interfere with Winning Supplier's business or operations.

2.12. Force Majeure. This Master Agreement will be temporarily suspended during any period to the extent that any Party during that period is unable to carry out its obligations under this Master Agreement or the Appendices by reason of an Act of God or the public enemy, act of terrorism, epidemic or pandemic, fire, flood, labor disorder not caused by Winning Supplier, civil commotion, closing of the public highways not caused by Winning Supplier, government interference, government regulations, or any other event or occurrence beyond the reasonable control of the affected Party ("**Event of Force Majeure**"). No Party will have any liability to the other Party(ies) for a delay in performance nor failure to perform to the extent this Master Agreement or any Appendix is so temporarily suspended; provided that nothing contained herein shall apply to payment obligations with respect to obligations which have already been performed under this Master Agreement. If the provision of Products & Services are impeded due to an Event of Force Majeure, then Winning Supplier may apportion the provision of Products & Services among its present and future customers on a fair and reasonable basis after consulting with Equalis Group and the Program Participants potentially affected and in a manner that would not reasonably be expected to disproportionately affect Program Participants.

2.13. Notices. All notices, claims, certificates, requests, demands, and other communications required or permitted hereunder ("**Notice**") must be in writing and will be deemed given to the Addresses for Notices (a) when delivered personally to the recipient, (b) upon delivery by reputable overnight courier service (charges prepaid), or (c) upon delivery or refusal of delivery by certified or registered mail, return receipt requested, and addressed to the intended recipient.

The Parties agree that the day-to-day business communications, including notification of a change of address, pricing updates, or revisions to any Appendix, may be made via electronic communication.

a. **Addresses for Notices.** Written notices for the Winning Supplier will be sent to the remittance address provided with the Winning Supplier's proposal.

2.15. Governing Law; Invalidity. This Master Agreement shall be construed and enforced in accordance with, and governed by, the laws of the State of Ohio without regard to rules of conflict of laws. Equalis will market the Products & Services to Prospective Participants as part of Equalis' ongoing marketing activities through Equalis Group; these marketing efforts may consist of a combination of i) general marketing of all of Equalis Group's Master Agreements, including the Master Agreement and Winning Supplier's Products & Services, ii) marketing of Winning Supplier's Products & Services specifically and/or as part of a package of selected Master Agreements to targeted Prospective Participants, and iii) attending trade shows, conferences, and meetings.

2. Winning Supplier Roles & Responsibilities.

As a condition to Winning Supplier entering into the Master Agreement, which is available to all Public Sector Entities, Winning Supplier must make certain representations, warranties, and covenants to Equalis designed to ensure the success of the Master Agreement for all Prospective Participants, sales prospects, and Winning Supplier.

- 2.1. **Equalis Group Membership Agreement.** Winning Supplier will make available the Equalis Group Master Intergovernmental Cooperative Purchasing Agreement (whether in hard copy, electronically, or via www.EqualisGroup.org) and request any Prospective Participants subject to the Master Agreement who have not already joined Equalis Group to join Equalis Group in conjunction with executing Winning Supplier's Customer Agreements and/or beginning to purchase Products & Services from Winning Supplier to ensure that Winning Supplier and each Program Participant are in full compliance with applicable state procurement statutes.

- 2.3. **Sales Commitment.** Winning Supplier commits to market the Master Agreement as a market strategy in the public sector and that its sales force will be trained, engaged, and committed to offering the Master Agreement to Public Sector Entities through Equalis Group in the geographies defined in the Master Agreement. Winning Supplier commits that all sales under the Master Agreement will be accurately and timely reported to Equalis. All Administrative Fees not paid when due shall bear interest at a rate equal to the lesser of one- and one-half percent (1.5%) per month or the maximum rate permitted by law until paid in full.

2. Case-by-Case Administrative Fee Adjustments.

The Parties understand and acknowledge that Winning Supplier may have to provide aggressive deviated pricing on a case-by-case basis to win certain opportunities with Prospective Participants when those opportunities represent a sufficiently large Spend and/or are highly competitive. In such situations, Winning Supplier may request Equalis accept a reduced Administrative Fee. The Parties agree to evaluate each such situation as it arises and utilize best efforts to establish an adjusted Administrative Fee rate upon mutual written agreement (including via email) of the Parties.

RFP #:

COG-2154

ISSUED BY:

The Cooperative Council of Governments
On Behalf of Equalis Group

DATED:

April 22, 2024

This Addendum #2 amends the Request for Proposal (RFP) for Mobile Parking Payment and Management Solutions ("**Addendum #2**"). To the extent of any discrepancy between the original RFP and this Addendum, this Addendum shall prevail.

This Addendum #2 is hereby issued to incorporate all questions and answers addressed during the Q&A Period into the RFP documentation. Below is a summary of all questions and answers through the Bonfire Vendor Discussion feature and during the Pre-Proposal Meeting.

Bonfire Vendor Discussion Q&A Summary

Question

RFP Reference: Mobile payment solutions to facilitate parking (Section 5.1) Question: Could the issuing body specify if the anticipated mobile payment solution should exclusively support mainstream platforms like NFC and QR codes, or is there also a need to accommodate emerging technologies such as biometric payments and cryptocurrency options? Clarity on whether there is a preference for integrating with widely used systems such as Apple Pay and Google Pay, or if there should be provision for including less common or region-specific platforms, would greatly refine the scope of integration and ensure the solution remains adaptable to future payment trends and user preferences.. RFP Reference: Interactive Voice Response (IVR) systems (Section 5.1c) Question: Could the city elaborate on the range of languages that should be supported by the IVR system? Moreover, it is important to determine if the system is expected to incorporate dynamic routing capabilities, which utilize caller ID to tailor interactions based on the caller's history and preferences. Are there any specific requirements for the IVR system to integrate with other city communication platforms to ensure a cohesive user interface across multiple service channels? RFP Reference: Real-time parking management (Section 5.2a) Does the city envision incorporating sensor-based or camera-based systems to facilitate real-time parking availability detection? If so, what are the specific requirements for these technologies in terms of accuracy, data transmission speed, and integration with existing traffic management systems? Moreover, should the data from these sensors or cameras feed directly into both the mobile and web applications to provide users with up-to-date parking availability and guidance on finding parking spots? RFP Reference: Parking management solutions, property management of availability & inventory (Section 5.2b) Question: Are there specific expectations for the property management component of the parking solution to integrate with real-time surveillance systems to physically monitor parking space occupancy? If so, could you specify whether this integration should include capabilities like video analytics or sensor-based data collection to provide live updates on space availability? How should this data interface with the central parking management system to inform dynamic pricing adjustments and user notifications? RFP Reference: Manage rates & pricing (Section 5.2c) Question: Could you clarify whether the system should automatically adjust parking rates based on real-time factors such as peak usage hours, proximity to special events, and geographic demand variations? How critical is the integration of occupancy sensors to modify pricing dynamically? For instance, should the rate adjustment strategy consider additional variables like local traffic conditions or public transport availability to optimize both space usage and revenue in varying economic zones? RFP Reference: Reporting capabilities (Section 5.3b) Question: Could you detail the specific types of operational and financial reports that the system needs to generate? Are there requirements for the reporting module to support custom report creation and should it facilitate data exports in various formats such as CSV, XLS, and PDF? Should the reports include real-time revenue tracking, utilization statistics by zone, or enforcement efficiency? Is there a need for automated reporting features that send updates at scheduled intervals to designated stakeholders? What specific data visualization tools or dashboard functionalities does the city require in the administrative panels of the parking management system? Are there preferences for certain types of visualizations, such as interactive charts, real-time graphs, or geographic information system (GIS) integrations, that are essential for monitoring and reporting purposes? Moreover, should these tools support drill-down capabilities to allow detailed analysis of data points, such as parking duration, revenue by location, or compliance rates, directly from the dashboard interface? RFP Reference: User account management (Section 5.3c) Could you clarify the expected complexity of the user account

management system within the parking solution, particularly regarding the variety of account types required? For instance, should the system differentiate and manage individual user accounts, family-shared accounts with multiple users, and corporate accounts for businesses that require bulk parking management? How should these accounts handle varying payment options or permit privileges across different parking zones? RFP Reference: User Notification and Communication (Section 5.3d) Question: What specific communication channels are anticipated for user notifications within the parking management system? Should the system be capable of sending notifications through diverse channels such as SMS, email, and push notifications from a mobile application? Could you also specify if these notifications need to be configurable based on user-set preferences or must they dynamically adjust according to changing parking regulations and local event schedules? For instance, would there be a requirement for geolocation-based alerts or reminders for parking expiration tailored to the exact location of a user's vehicle? RFP Reference: Support EV charging (Section 5.3e) Question: Could you clarify whether there are specific hardware integrations or software protocols that the system for supporting electric vehicle (EV) charging needs to comply with? RFP Reference: Meets industry standard for data transmission and storage (Section 5.3i) Question: Could you specify the data retention policies that the parking management system must comply with, particularly concerning the safeguarding and storage duration of user data and transaction history? It is crucial to understand whether there are specific local, state, or federal regulations influencing these policies. Are there requirements for encryption of data both in transit and at rest, and must the system provide capabilities for audit trails and data access logs to support compliance monitoring? Question: In our continuous effort to deliver the most effective and forward-thinking learning solutions, we've identified several advanced features that could further enhance the learning experience, operational efficiency, and accessibility of the proposed Mobile Parking Payment and Management. These features, driven by the latest AI and machine learning technologies, offer potential benefits well beyond the current scope outlined in the RFP.
