PLAYGROUNDS THAT MOVE YOU®

Without All the Paperwork!

A playground purchase doesn't have to turn into a drawn-out process of writing specifications, issuing RFP's and jumping through hoops. BCI Burke can help thanks to the company's national cooperative award made available through the partnership with Equalis Group. BCI Burke is a provider for Playground Systems and Related Items.

Purchasing your Burke playground through Equalis Group means:

- You've met the necessary legal and competitive bidding requirements.
- Client partners pay no fees to use Equalis Group contracts.
- Your playground is backed by our exclusive Generations Warranty®.
- Our ISO 9001:2015 certification confirms we are consistently ensuring high quality and exceptional customer service.
- You'll be doing business with a "green" company that holds the ISO 14001:2015 certification, reflecting a systematic program for achieving aggressive goals for recycling, use of recycled materials and renewable energy and environmentally sound manufacturing processes.

NO COMPROMISE ON QUALITY

For years, purchasing agents have struggled with the challenge of balancing competitive bid requirements with the need to purchase quality products. Too often, agencies have had to settle for inferior quality and service because of the difficulty of writing RFP's that result in "apples-to-apples" cooperative comparisons.

That's something you won't have to worry about when using Burke's cooperative contract, made available through Equalis Group, because our playgrounds and equipment are built to the highest standards, backed by our Generations Warranty.

THE WAY IT WORKS

Equalis Group is a Member-Driven, public sector cooperative that embodies the power of partnership. Equalis operates with the guiding principle that when the objectives of buyers and sellers are aligned, sustainable value is created, transcending that of the typical short-term transactional relationship.
