

Pre-sell event parking and manage VIP and staff passes with JustPark Passes.

A flexible suite of pre-event parking solutions designed to secure revenue upfront and streamline event-day operations.

Solutions

EventPass

Pre-sell parking passes for single events.

SeasonPass

Pre-sell parking passes for full seasons or multi-day events.

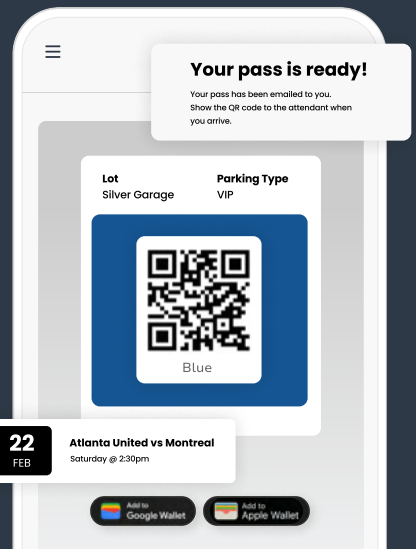

CompPass

Allocate and distribute free event parking passes to VIPs and staff.

Key Features

- ✓ Simple back-end for listing, customizing, & managing pre-sales
- ✓ Ensure stress-free parking for VIPs, staff, and vendors
- ✓ Admin tools for refunds, resends, and customer pass transfers
- ✓ Verify passes quickly to reduce wait times and congestion
- ✓ Compatible with JustPark Prime, PARCS & LPR for pass validation

Clients who trust us

"JustPark's parking management has dramatically improved our fans' arrival into the parking lots and improved our internal controls & operational efficiency."

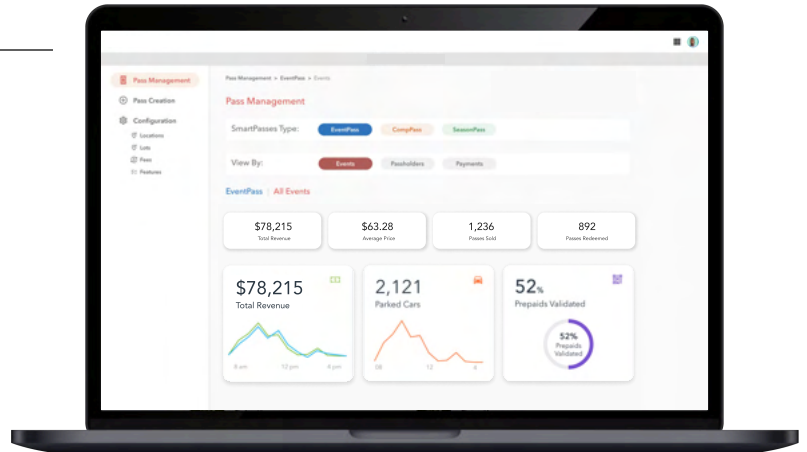

Jerry Jones Jr.

Chief Sales & Marketing Officer, Dallas Cowboys

Powerful management and control

Comprehensive and powerful management of all your JustPark Passes with Suite

Manage passes, track revenue, and monitor transactions in real-time with Suite, JustPark Passes' backend, ensuring oversight, accuracy, and automated reports.

Complementary Products

JustPark Prime

A versatile mobile point-of-sale solution for validating pre-purchased parking passes & processing on-site purchases.

JustPark Reservations

Allow drivers to find, pre-book and pay for your spaces through our award-winning app.

JustPark Reach

A powerful customer engagement solution for driver communication to build loyalty and repeat bookings.

Integrations

ACCESS CONTROL & ENFORCEMENT

Partnering with PARCS and other parking infrastructure to automate and manage entry and exit gates.

BUSINESS INTELLIGENCE

Our integrations offer instant data-driven insights for smarter decisions and strategic planning.

WEBSITE SALES WIDGET

The JustPark Passes iFrame makes it easy to sell from your existing website.
