

# Equalis Group Delivers *Public Sector Compliance*

## Remain in Compliance with Equalis Group

The Public Sector procurement process is riddled with nuances and regulatory considerations established to safeguard how taxpayer dollars are spent. It is often overwhelming and confusing as purchasers navigate strict guidelines and a combination of local, state, and federal statutory requirements, but it doesn't have to be.

There are three compliant avenues for Public Sector entities to spend taxpayer dollars: 1) conducting stand-alone bids/RFPs/RFOs; 2) purchasing through State Term contracts; and, 3) buying through the types of competitively solicited cooperative agreements Equalis Group offers.

We leverage our extensive Public Sector procurement acumen and decades of experience to ensure our members remain compliant when utilizing our publicly procured cooperative agreements to save time and money.

Equalis Group partners with Lead Agencies, Region 10 Educational Service Center (**Region 10 ESC**) in Texas and The Cooperative Council of Governments (**CCOG**) in Ohio, to conduct rigorous and transparent competitive public sector procurement processes for critical products and services. Winning suppliers, distributors, and manufacturers are selected based on both qualitative criteria and pricing. We then establish compliant already-procured Master Agreements with these winning vendors that are available to public agencies nationwide.
