

THIS MASTER COOPERATIVE PURCHASING AGREEMENT (this "**Master Agreement**") is entered into by and between The Cooperative Council of Governments, Inc. ("**CCOG**"), Lenovo, Inc. (the "**Winning Supplier**"), and Equalis Group ("**Equalis Group**"). Throughout this Master Agreement, CCOG, Winning Supplier, and Equalis are referred to interchangeably as in the singular "**Party**" or in the plural "**Parties**."

1. RECITALS

A. CCOG is a Council of Governments formed under Chapter 167 of the Ohio Revised Code and serves as a lead agency (a "**Lead Public Agency**") for Equalis Group ("**Equalis Group**"), a national cooperative purchasing organization, by publicly procuring Master Agreements for products and services to be made available to current and prospective Equalis Group members ("**Equalis Group Member**" or "**Member**").

B. Equalis Group is the third-party procurement administrator for and duly authorized agent of CCOG, and in that role manages the procurement, contract management, marketing, sales, reporting, and financial activities of, for, and on behalf of CCOG at the direction and with the authorization of the CCOG Board of Directors.

C. To the extent that the laws of a state, region, territory, and/or country permit, any public sector entity may join Equalis Group as a Member. The term "**Public Sector Entities**" includes, but is not limited to, political subdivisions, municipal corporations, counties, townships, villages, school districts, special districts, public institutions of higher education or training, units of government, state/regional/territorial agencies, state/regional/territorial governments, federal/national agencies, federal/national governments, and other entities receiving financial support from tax monies and/or public funds.

D. Any organization that is exempt from federal income tax under Section 501(c)(3) of the IRS Code, and any other entity if permitted under the IRS Code and other applicable law, including for-profit companies, may also join Equalis Group as a Member.

E. Equalis Group makes its Master Agreements available through groups and associations ("**Association Partners**") that contract with Equalis Group for the purpose of providing additional benefits to the members of such Association Partners.

F. Members, Association Partners, and Association Partners' members are referred to throughout this Master Agreement as Equalis Group participants ("**Equalis Group Participants**").

G. CCOG issued a request for proposal ("**RFP**") on behalf of Equalis Group Participants and solicited responses from companies ("**Respondent**") for computing equipment and related technology products, services, and solutions and awarded a contract to Winning Supplier as a responsible Respondent whose proposal was most advantageous to CCOG. The products and services made available in this contract are defined by the contents of the Winning Supplier's Cost Proposal submission ("**Products & Services**").

H. CCOG and Equalis Group agree to make the Products & Services from Winning Supplier available to Equalis Group Participants and Winning Supplier agrees to provide the same to Equalis Group Participants who purchase Products & Services ("**Program Participants**") subject to the terms of this Master Agreement.

NOW, THEREFORE, in consideration of the mutual promises contained herein, the Parties agree to the following terms and conditions:

2. TERMS & CONDITIONS

2.1. Personnel & Equipment. The Parties agree that the number and types of any subcontractors, dealers, distributors, personnel, or specialized equipment which may be required to furnish Products & Services to Program Participants will be determined by Winning Supplier. Winning Supplier agrees to engage the number and types of subcontractors, personnel, and/or specialized equipment necessary to furnish the types of Products & Services to all Program Participants throughout the Term of this Master Agreement and any Customer Agreement.

2.2. Supplemental Agreements. Winning Supplier may enter into separate supplemental agreements with an Equalis Group Participant and/or Program Participant to further define the terms and conditions of purchasing Products & Services pursuant to this Master Agreement ("**Customer Agreement**"). Notwithstanding the foregoing, by ordering products or services under this Master Agreement, all terms and conditions of this Master Agreement will be incorporated into a resulting Customer Agreement unless the Customer Agreement as mutually agreed between Winning Supplier and the Program Participant states otherwise. Any Customer Agreement entered into as a result of this contract is exclusively between the Program Participant and Winning Supplier. Neither CCOG, Equalis Group, its agents, Member and employees shall be made party to any claim for breach of such agreement.

2.3. Pricing

a. Not-To-Exceed Pricing. All contract pricing is "*Not-To-Exceed Pricing*" where Members will receive pricing that does not exceed the per unit pricing provided by the Respondent in Attachment B. Winning Supplier may adjust pricing lower if needed, without any approval needed, but cannot exceed the pricing on their contract price list.

b. Pricing Adjustments. No price increases are permitted within the first ninety (90) days of this contract's Effective Date. Should it become necessary or proper during the Term of this Agreement to make any change in design or any alterations that will increase expense, Equalis Group must be notified immediately. Price increases must be approved by CCOG and no payment for additional materials or services, beyond the amount stipulated in the Agreement, shall be paid without prior approval. All price increases must be supported by manufacturer documentation, or a formal cost justification letter. In instances of an increase in price, Winning Supplier must honor current pricing for thirty (30) days after approval of new pricing and written notification from Equalis Group.

It is Winning Supplier's responsibility to keep all pricing up to date and on file with Equalis Group. All price changes must be provided to Equalis Group, using the same format as was accepted in the original contract.

c. Rates & Charges. The rates, fees, and charges to be charged to and paid by Program Participants for Products & Services are set forth in contract price list. Winning Supplier agrees that there are no other applicable rates, fees, charges, or other monetary incentives for Products & Services except those set forth in Winning Supplier's cost proposal.

2.4. The Term. This Master Agreement and the Appendices attached hereto will become effective as of effective date identified in the **Master Agreement Signature Form** (the "**Effective Date**"). This Master Agreement will remain in effect for four (4) years and will expire on the date identified in the **Master Agreement Signature Form** (the "**Termination Date**") unless extended, terminated, or cancelled as set forth in the Master Agreement (the "**Initial Term**"). This Master Agreement may be renewed for one (1) additional one (1) year period by CCOG (a "**Renewal Term**") unless this Master Agreement is terminated as set forth herein. By mutual consent of the Parties, the Term of this Master Agreement may be extended beyond the Initial and Renewal Term (the "**Extended Term**"). The Initial Term together with all Renewal Terms and Extended Terms exercised are hereinafter collectively referred to as the "**Term**."

2.5. **Formation of Contract**

a. **Respondent Contract Documents.** CCOG and Equalis Group will review proposed Respondent contract documents. Respondent's contract document shall not become part of CCOG and Equalis Groups' contract with Respondent unless and until an authorized representative of CCOG and Equalis Group reviews and approves it.

b. **Entire Agreement.** This Master Agreement, including its Recitals, together with all components of the RFP, the components of the Winning Supplier's proposal, attachments, appendices, and exhibits hereto, constitutes the entire agreement between the Parties with respect to the subject matter hereof and supersedes all prior oral or written representations and agreements with regard to the same subject matter. The Parties acknowledge that this Master Agreement has been negotiated and incorporates their collective agreement as to the provisions to be contained herein. Therefore, no presumption will arise giving benefit of interpretation by virtue of authorship of any provision of this Master Agreement, and any ambiguity may not be construed for or against any Party. Winning Supplier's complete and final RFP response is hereby incorporated into and made part of this Master Agreement.

c. **Modification.** No release, discharge, abandonment, waiver, alteration, or modification of any of the provisions of this Master Agreement, or any of the Appendices incorporated herein, shall be binding upon any Party unless set forth in a writing signed by authorized representatives of the Parties.

d. **Assignment.** This Master Agreement and the rights and obligations hereunder may not be assignable by any Party hereto without the prior written consent of the other Parties, which consent shall not be unreasonably withheld, conditioned, or delayed, provided, however, that Winning Supplier and Equalis Group may assign their respective rights and obligations under this Master Agreement without the consent of the other Parties in the event either Winning Supplier or Equalis Group shall hereafter effect a corporate reorganization, consolidation, merger, merge into, sale to, or a transfer of all or substantially all of its properties or assets to another entity. Subject to the preceding sentence, this Master Agreement will be binding upon, inure to the benefit of, and be enforceable by the Parties and their respective successors and assigns. Any instrument purporting to make an assignment in violation of this section shall be null and void. This Master Agreement may be extended to additional entities affiliated with the Parties upon the mutual agreement of the Parties. No such extension will relieve the extending Party of its rights and obligations under this Master Agreement.

e. **Order of Precedence.**

- (1) General terms and conditions of Master Agreement
- (2) Specifications and scope of work, as awarded
- (3) Attachments and exhibits to the Master Agreement
- (4) The solicitation and all attachments thereto; and
- (5) The Respondent's proposal and all attachments thereto.

2.6. **Confidentiality.**

a. **Obligation.** The nature and details of the business relationship established by this Master Agreement, and the business information regarding the other Party(ies) (the "**Disclosing Party**") to which a Party(ies) (the "**Receiving Party**") may become privy during the Term of this Master Agreement (collectively, the "**Information**") constitute confidential and proprietary information, the disclosure, copying, or distribution of which could result in competitive harm to the Disclosing Party. Each Party agrees to maintain the other Parties'

Information in the strictest confidence and agrees not to disclose, copy, or distribute the other Parties' Information, whether orally or in writing, directly or indirectly, in whole or in part, except to those of the Receiving Party's employees, agents, subcontractors, and suppliers with a need to know the Information. The foregoing will not limit a Receiving Party, for purposes of marketing, from informing actual or potential Equalis Group Participants of the existence of a contractual relationship between the Parties. The Parties further agree that they will require that all of their employees, agents, subcontractors, and suppliers abide by the terms of these confidentiality obligations. The confidentiality obligations set forth in this section will continue in effect for the Term of this Master Agreement and for a period of two (2) years after the date this Master Agreement is terminated or expires.

b. Exceptions. Nothing herein will apply to any information (a) which is or becomes generally available to the public other than as a result of a disclosure by a Receiving Party or its representatives, (b) which was available on a non-confidential basis prior to its disclosure by the Disclosing Party or its representatives, (c) which becomes available to a Receiving Party on a non-confidential basis from a source other than the Disclosing Party or its representatives, provided that such source is not known to be subject to any prohibition against transmitting the information, (d) which is disclosed pursuant to an order of court; provided that in the event that proprietary information is disclosed or threatened to be disclosed pursuant to this clause (d), the Receiving Party will give the original Disclosing Party prompt, written Notice, as hereinafter defined, of such threatened disclosure and the right to defend against such disclosure, at Disclosing Party's expense, and provided further that the original Receiving Party will cooperate reasonably in such defense, or (e) which is subject to a Freedom of Information Act Request or other public records request to which a Party is, or may be, required to respond by applicable law.

2.7. Indemnification. Winning Supplier shall protect, indemnify, and hold harmless both CCOG and Equalis Group, administrators, employees, and agents ("**Indemnified Parties**") against all claims, damages, losses and expenses ("**Claims**") arising out of or resulting from the actions of Winning Supplier, Winning Supplier employees or subcontractors in the preparation of the solicitation and the later performance under the contract, including any Customer Agreements with Program Participants ("**Losses**").

2.8. Winning Supplier Insurance. During the Term of this Master Agreement, and for two (2) years following expiration or termination of this Master Agreement, Winning Supplier, at its own expense, shall maintain and shall require that its agents, subcontractors, and suppliers engaged in Winning Supplier's performance of its duties under this Master Agreement maintain general liability insurance, property insurance, and automobile insurance (at a minimum, in the amount of \$1,000,000 per occurrence/\$5,000,000 annual aggregate) applicable to any claims, liabilities, damages, costs, or expenses arising out of its performance under this Master Agreement, or any Appendix, and with respect to, or arising out of, Winning Supplier's provision of Products & Services to Program Participants. CCOG, Equalis Group, and their respective officers, directors, employees, and agents will be named as certificate holders on Winning Supplier's related insurance policies. All such insurance policies shall incorporate a provision requiring the giving of written Notice to CCOG and Equalis Group at least thirty (30) days prior to the cancellation, nonrenewal, and/or material modification of any such policies. Winning Supplier shall submit to Equalis Group within ten (10) calendar days after the Effective Date of this Master Agreement, and prior to furnishing Products & Services to any Program Participants, valid certificates evidencing the effectiveness of the foregoing insurance policies. Winning Supplier shall provide such valid certificates on an annual basis until the terms of this section are no longer applicable.

2.9. Termination Rights. The Parties shall have the termination rights set forth below.

a. Insolvency. If a petition in bankruptcy is filed by any Party, or if any Party is adjudicated as bankrupt, or if any Party makes a general assignment for the benefit of creditors, or if a receiver is appointed on account of the insolvency of any Party, then the other Parties, without prejudice to any other right or remedy,

may terminate this Master Agreement upon giving at least five (5) business days prior written Notice of such termination.

b. Mutual Consent. This Master Agreement, or any Appendix, may be terminated at any time by the mutual written consent of the Parties.

c. Breach. In the event that any Party commits a material breach of its obligations under this Master Agreement, except for a payment obligation, the non-breaching Party(ies) may provide written Notice describing the material breach to the breaching Party. The breaching Party will have thirty (30) calendar days to cure such breach or provide acceptable reassurance to the non-breaching Party(ies), or, if the Parties agree that a cure or reassurance is not feasible within thirty calendar (30) days, such period of time for cure or satisfactory reassurance as the Parties may agree in writing. If the breach is not cured within such period or if satisfactory reassurance is not accepted by the non-breaching Party(ies) in such period, then the Party(ies) not in breach may terminate this Master Agreement upon ten (10) business days written Notice at the Addresses for Notices.

2.10. Effects of Termination. Upon termination of this Agreement for any reason, all Customer Agreements entered into with Program Participants shall terminate upon the Customer Agreement's current date of expiration. Winning Supplier shall immediately cease any sales of Products & Services to any Program Participant under and through the terms of this Master Agreement. Following the date of termination, Winning Supplier shall not be precluded from selling its products and services to individuals, businesses, and entities that were Program Participants when this Master Agreement was in effect either directly or through some other contract vehicle. Following the date of termination, CCOG and Equalis Group shall not be precluded from transitioning individuals, businesses, and entities that were Program Participants when this Master Agreement was in effect to another agreement or Equalis Group supplier partner.

2.11. Audit of Winning Supplier. CCOG and Equalis Group, whether directly or through an independent auditor or accounting firm, shall have the right to perform audits, including inspection of books, records, and computer data relevant to Winning Supplier's provision of Products & Services to Program Participants pursuant to this Master Agreement, to ensure that pricing, inventory, quality, process, and business controls are maintained; provided, however, that such inspections and audits will be conducted upon reasonable notice to Winning Supplier and so as not to unreasonably interfere with Winning Supplier's business or operations.

2.12. Force Majeure. This Master Agreement will be temporarily suspended during any period to the extent that any Party during that period is unable to carry out its obligations under this Master Agreement or the Appendices by reason of an Act of God or the public enemy, act of terrorism, epidemic or pandemic, fire, flood, labor disorder not caused by Winning Supplier, civil commotion, closing of the public highways not caused by Winning Supplier, government interference, government regulations, or any other event or occurrence beyond the reasonable control of the affected Party ("**Event of Force Majeure**"). No Party will have any liability to the other Party(ies) for a delay in performance nor failure to perform to the extent this Master Agreement or any Appendix is so temporarily suspended; provided that nothing contained herein shall apply to payment obligations with respect to obligations which have already been performed under this Master Agreement. If the provision of Products & Services are impeded due to an Event of Force Majeure, then Winning Supplier may apportion the provision of Products & Services among its present and future customers on a fair and reasonable basis after consulting with Equalis Group and the Program Participants potentially affected and in a manner that would not reasonably be expected to disproportionately affect Program Participants.

2.13. Notices. All notices, claims, certificates, requests, demands, and other communications required or permitted hereunder ("**Notice**") must be in writing and will be deemed given to the Addresses for Notices (a) when delivered personally to the recipient, (b) upon delivery by reputable overnight courier service (charges prepaid), or (c) upon delivery or refusal of delivery by certified or registered mail, return receipt requested, and addressed to the intended recipient.

The Parties agree that the day-to-day business communications, including notification of a change of address, pricing updates, or revisions to any Appendix, may be made via electronic communication.

2.15. Governing Law; Invalidity. This Master Agreement shall be construed and enforced in accordance with, and governed by, the laws of the State of Ohio without regard to rules of conflict of laws. This could include, but is not limited to, such items as financial statements, SEC filings, credit & bond ratings, letters of credit, and detailed reference letters. Note: If the information disclosed in your response is considered "Trade Secret" as defined in Ohio Revised Code, Respondents may mark the information as a "Trade Secret" and the response will be redacted from any future use of the RFP response.	Lenovo (HKSE: 992) (ADR: LNVGY) is a US\$57 billion revenue global technology powerhouse, ranked #248 in the Fortune Global 500, employing 70,000 people around the world (and approximately 5,000 in the US), and serving millions of customers every day in 180 markets. Lenovo's Annual and Interim Reports, including audited financial statements, are located on our website: investor.lenovo.com/en/publications/reports.php . Lenovo has been a listed public company on the strictly regulated Hong Kong Stock Exchange since 1994 (Stock Symbol: LNVGY), with American depositary receipt (ADR) that trade on the New York Stock Exchange. Lenovo Help Desk Support (Included with all Lenovo Purchases)

Lenovo's experienced multi-vendor, multi-platform technical support team can meet your technical supports needs through a single point of contact. We provide superior, 24/7/365 Help Desk support through our award-winning call centers. The Help Desk provides technical diagnosis, quickly assesses the situation, and determines the appropriate action to quickly resolve the issue.

Spread across geographies and time zones, Lenovo's 19 call centers give customers seamless coverage to support our customers wherever they are. The call center supporting the North American market is in Atlanta, Georgia. The latest telephony technology integrated with call routing and call management applications help to ensure shorter wait times for customers and provides customer call history information to support specialists with each call. Advanced technological links allow the routing of call center calls, transparently to the customer, to provide coverage during emergency situations or natural disasters. For example, when a US call center closed during a hurricane, calls were routed to Canada with no interruption in support to our customers.

	<p>Once an end user places a call to the call center, the caller is routed to the appropriate call center agent for initial problem determination and remote diagnostics to begin. If the problem is not resolved remotely or via the shipment of a self-service customer replaceable unit (CRU) at this stage, the agent will determine if the unit is eligible for repair or service (e.g., depot/repair center, carry-in, on-site). When the warranty involves on-site service, the agent will electronically dispatch a field service technician to the site. Our objective is to have the technician on-site based on the response objectives by location. The specialist will arrive with the right skills and training, the right parts, and an action plan to resolve the problem.</p> <p>Lenovo call centers can be reached via our website (https://support.lenovo.com/us/en) or via telephone (1-855-253-6686 #1).</p> <p>For system details, drivers and software packages, diagnostic/troubleshooting, warranty and services details, and general “how to” information, please visit the PC Technical Support section of our website (https://pcsupport.lenovo.com/us/en/).</p>

If ordered indirectly through a Lenovo partner, the partner may have additional confirmation options including their order number and shipping status.</p> <p>When a Lenovo order ships, the customer is notified of shipping and tracking numbers are available through the Lenovo OVP and reports generated from OVP. D. C. 271 Political Contribution Disclosure Form

PUBLIC AGENCY INSTRUCTIONS

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. **It is not intended to be provided to contractors.** What follows are instructions on the use of form local units can provide to contractors that are required to disclose political contributions pursuant to N.J.S.A. 19:44A-20.26 (P.L. 2005, c. 271, s.2). Additional information is available in Local Finance Notice 2006-1 (https://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html).

1. The disclosure is required for all contracts in excess of \$17,500 that are **not awarded** pursuant to a “fair and open” process (N.J.S.A. 19:44A-20.7).
2. Due to the potential length of some contractor submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. **The form is worded to accept this alternate submission.** The text should be amended if electronic submission will not be allowed.
3. The submission must be **received from the contractor and** on file at least 10 days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.
4. The contractor must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that contractors be provided a list of the affected agencies. This will assist contractors in determining the campaign and political committees of the officials and candidates affected by the disclosure.
 - a) The Division has prepared model disclosure forms for each county. They can be downloaded from the “County PCD Forms” link on the Pay-to-Play web site at https://www.state.nj.us/dca/divisions/dlgs/programs/pay_2_play.html They will be updated from time-to-time as necessary.
 - b) A public agency using these forms **should edit them to properly reflect the correct legislative district(s)**. As the forms are county-based, **they list all legislative districts** in each county. **Districts that do not represent the public agency should be removed from the lists.**
 - c) Some contractors may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.
 - d) The form may be used “as-is”, subject to edits as described herein.
 - e) The “Contractor Instructions” sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.
 - f) The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.
5. It is recommended that the contractor also complete a “Stockholder Disclosure Certification.” This will assist the local unit in its obligation to ensure that contractor did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the 12 months prior to the contract. (See Local Finance Notice 2006-7 for additional information on this obligation) A sample Certification form is part of this package and the instruction to complete it is included in the Contractor Instructions. **NOTE: This section is not applicable to Boards of Education.**

CONTRACTOR INSTRUCTIONS

Business entities (contractors) receiving contracts from a public agency in the state of New Jersey that are NOT awarded pursuant to a “fair and open” process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any State, county, or municipal committee of a political party
- any legislative leadership committee*
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
 - of the public entity awarding the contract
 - of that county in which that public entity is located
 - of another public entity within that county
 - or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county. The disclosure must list reportable contributions to any of the committees that exceed \$300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an “interest” ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs). When the business entity is a natural person, “a contribution by that person’s spouse or child, residing therewith, shall be deemed to be a contribution by the business entity.” [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure. Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report. The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor’s responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement. The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor’s submission and is disclosable to the public under the Open Public Records Act. The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law.

NOTE: This section does not apply to Board of Education contracts.

¹ N.J.S.A. 19:44A-3(s): “The term “legislative leadership committee” means a committee established, authorized to be established, or designated by the President of the Senate, the Minority Leader of the Senate, the Speaker of the General Assembly or the Minority Leader of the General Assembly pursuant to section 16 of P.L.1993, c.65 (C.19:44A-10.1) for the purpose of receiving contributions and making expenditures.”

Lenovo respectfully submits the following exceptions to the General Terms and Conditions of the Master Cooperative Purchasing Agreement (RFP - CCOG Computing Equip (Section 3).pdf).

Section	Explanation of Exception	Proposed Language (redline)
2.6 – Confidentiality	Lenovo is requesting that any confidentiality obligations that are already in existence (or that Lenovo may enter into) between its subcontractors, suppliers, and employees be sufficient to meet the requirements of this section, provided that those confidentiality terms are no less stringent than the terms of the Master Agreement.	<p>“2.6. <u>Confidentiality.</u></p> <p>a. <u>Obligation.</u> The nature and details of the business relationship established by this Master Agreement, and the non-public, proprietary business information regarding the other Party(ies) (the “Disclosing Party”) to which a Party(ies) (the “Receiving Party”) may become privy during the Term of this Master Agreement (collectively, the “Information”) constitute confidential and proprietary information of the Disclosing Party, the disclosure, copying, or distribution of which could result in competitive harm to the Disclosing Party. Each Party agrees to maintain the other Parties’ Information in the strictest confidence and agrees not to disclose, copy, or distribute the other Parties’ Information, whether orally or in writing, directly or indirectly, in whole or in part, except to those of the Receiving Party’s employees, agents, subcontractors, and suppliers with a need to know the Information. The foregoing will not limit a Receiving Party, for purposes of marketing, from informing actual or potential Equalis Group Participants of the existence of a contractual relationship between the Parties. The Parties further agree that they will require that all of their employees, agents, subcontractors, and suppliers who will have access to Information abide by confidentiality terms no less stringent than the terms of these confidentiality obligations in this Master Agreement. The confidentiality obligations set forth in this section will continue in effect for the Term of this Master Agreement</p> ”

		<p>and for a period of two (2) years after the date this Master Agreement is terminated or expires.</p> <p>b. Exceptions. Nothing herein will apply to any Information (a) which is or becomes generally available to the public other than as a result of a disclosure by a Receiving Party or its representatives, (b) which was available on a non-confidential basis prior to its disclosure by the Disclosing Party or its representatives, (c) which becomes available to a Receiving Party on a non-confidential basis from a source other than the Disclosing Party or its representatives, provided that such source is not known to be subject to any prohibition against transmitting the information, (d) which is disclosed pursuant to an order of court; provided that in the event that proprietary information is disclosed or threatened to be disclosed pursuant to this clause (d), the Receiving Party will give the original Disclosing Party prompt, written Notice, as hereinafter defined, of such threatened disclosure and the right to defend against such disclosure, at Disclosing Party's expense, and provided further that the original Receiving Party will cooperate reasonably in such defense, or (e) which is subject to a Freedom of Information Act Request or other public records request to which a Party is, or may be, required to respond by applicable law."</p>
2.7 - Indemnification	<p>Lenovo can agree to a general indemnity that is limited to third-party claims only, and for a few, select matters which - by their nature - would warrant unlimited, uncapped liability (i.e., gross negligence, intentional misconduct, damage to real property or persons). Lenovo can also agree to provide an indemnity for third party intellectual property infringement claims, provided that the infringement is caused by a Lenovo-branded product, and Lenovo is afforded certain reasonable exclusions.</p>	<p>"2.7.</p> <p>a. General Indemnification. Winning Supplier shall protect, indemnify, and hold harmless both CCOG and Equalis Group, administrators, employees, and agents ("Indemnified Parties") against all claims, damages, losses and expenses which arise from a third party claim ("Claims") arising out of or resulting from the actions of (i) the gross negligence or intentional misconduct of Winning Supplier, Winning Supplier employees or subcontractors in the preparation of the solicitation and the later performance under the contract, including any Customer Agreements with Program Participants; (ii) bodily injury (including death) or damage to real or tangible personal property caused by a Winning Supplier-branded hardware Product (collectively "Losses").</p> <p>b. Intellectual Property Indemnification.</p> <p>i. If a third-party files a lawsuit against the Indemnified Parties claiming that a Winning Supplier-branded hardware product infringes that party's patents or copyrights (hereinafter referred to as an "IP Claim"), Winning Supplier will indemnify the Indemnified Parties against that IP Claim at Winning Supplier's expense. At Winning Supplier's option, Winning Supplier may also defend the Indemnified Parties against that IP Claim at Winning Supplier's expense.</p> <p>ii. Winning Supplier's obligations under this section are conditioned on the following: (1) Indemnified Parties promptly notify Winning Supplier in writing of the IP Claim; (2) if Winning Supplier elects to defend, Winning Supplier</p>

		<p>will solely control the conduct of the defense and any settlement of the IP Claim and Indemnified Parties must fully and timely cooperate with Winning Supplier and provide Winning Supplier with all reasonably requested authority, information and assistance in connection with defense of the IP Claim; and (3) the Indemnified Parties are and remain in compliance with the terms of this Master Agreement, including Indemnified Parties' obligations under this section. Winning Supplier will not be responsible for any costs, expenses or compromise incurred or made by the Indemnified Parties in connection with an IP Claim without Winning Supplier's prior written consent.</p> <p>iii. If such an IP Claim is made or appears likely to be made, and Indemnified Parties maintain an inventory of Products, the Indemnified Parties shall permit Winning Supplier, in Winning Supplier's sole discretion, to: (1) enable the Indemnified Parties to continue to use and sell the Products; (2) modify the Products so that they are non-infringing; (3) replace the Products with non-infringing, functionally-equivalent products; or (4) provide a credit to Indemnified Parties equal to the net book value of any Products that the Indemnified Parties promptly return to Winning Supplier at its written request.</p> <p>iv. Winning Supplier shall have no obligation regarding any IP Claim based on: (1) anything Indemnified Parties or a third-party on Indemnified Parties' behalf provides which is incorporated into, or combined with a product; (2) modification of a product by the Indemnified Parties or a third party on Indemnified Parties' behalf; (3) the combination, operation, or use of a product with any products not provided by Winning Supplier as a system, or the combination, operation, or use of a Product with any product, data, apparatus or business method that Winning Supplier did not provide; (4) Winning Supplier's compliance with the Indemnified Parties' specifications or requirements; or (5) infringement by a third-party product alone and used by the Indemnified Parties, as opposed to its combination with Products; or (6) any standard essential patent.</p> <p>v. The foregoing is the Winning Supplier's entire obligation to the Indemnified Parties, and Indemnified Parties' exclusive remedy, regarding any IP Claim."</p>
2.8 - Winning Supplier Insurance	Lenovo can agree to provide written notice, as provided.	<p>During the Term of this Master Agreement, and for two (2) years following expiration or termination of this Master Agreement, Winning Supplier, at its own expense, shall maintain and shall require that its agents, subcontractors, and suppliers engaged in Winning Supplier's performance of its duties under this Master Agreement maintain general liability insurance, property insurance, and automobile insurance (at a minimum, in the amount of \$1,000,000 per occurrence/\$5,000,000 annual aggregate) applicable to any claims, liabilities, damages, costs, or expenses arising out of its performance under this Master Agreement, or any Appendix, and with respect to, or arising out of, Winning</p>

		<p>Supplier's provision of Products & Services to Program Participants. CCOG, Equalis Group, and their respective officers, directors, employees, and agents will be named as certificate holders on Winning Supplier's related insurance policies. All such insurance policies shall incorporate a provision requiring the giving of written Notice to CCOG and Equalis Group at least thirty (30) days prior to the cancellation, nonrenewal, and/or material modification reduction in coverage of any such policies. Winning Supplier shall submit to Equalis Group within ten (10) calendar days after the Effective Date of this Master Agreement, and prior to furnishing Products & Services to any Program Participants, valid certificates evidencing the effectiveness of the foregoing insurance policies. Winning Supplier shall provide such valid certificates on an annual basis until the terms of this section are no longer applicable.</p>
2.11 – Audit of Winning Supplier	Lenovo can agree to an audit that is reasonable in both scope and frequency.	<p>'2.11. Audit of Winning Supplier. CCOG and Equalis Group, whether directly or through an independent auditor or accounting firm, shall have the right to perform audits, including inspection of books, records, and computer data relevant directly related to Winning Supplier's provision of Products & Services to Program Participants pursuant to this Master Agreement, to ensure that pricing, inventory, quality, process, and business controls are maintained; provided, however, that such inspections and audits will be conducted upon reasonable notice (at least ten (10) business days) to Winning Supplier and at reasonable frequency (no more than one (1) time per calendar year), so as not to unreasonably interfere with Winning Supplier's business or operations."</p>
2.19 – Warranties	Lenovo is requesting the inclusion of its standard hardware and services warranty. These warranties apply across all Lenovo customers using the products and services, and consistency is required to better enable warranty administration.	<p>"2.19 Warranties.</p> <p>2.19.1 Warranties for Winning Supplier-branded products: Winning Supplier warrants that each Winning Supplier-branded product supplied under this Master Agreement is free from defects in materials and workmanship under normal use during the applicable warranty period. Unless Winning Supplier specifies otherwise, Winning Supplier's warranties for any Winning Supplier-branded product apply only in the country where it was acquired. Unless otherwise specified in an order, the warranty period shall commence on the invoice's issuance date. During the warranty period, Winning Supplier shall provide repair and exchange service for the Winning Supplier-branded product, without charge, under the type of warranty service designated by Winning Supplier for the Winning Supplier-branded product, or as otherwise agreed to by the Parties. If a defect in materials or workmanship is discovered during the warranty period and Winning Supplier is unable either: (i) to repair the Winning Supplier-branded product; or (ii) to replace it with one that is at least functionally equivalent, CCOG, Equalis Group or the Program Participant(s), as applicable, may return the Winning Supplier-branded product to Winning Supplier for a pro-rated refund. Winning Supplier may change components or parts of a Winning Supplier-branded product without notice, provided that the substituted components or parts provide equal or better</p>

		<p>performance. Any such change shall be at no additional cost to CCOG, Equalis Group or the Program Participant(s), as applicable, and will not change the rights under the warranty applicable to the Winning Supplier-branded product.</p> <p>2.19.2 Warranty for Third Party Hardware Products: Winning Supplier offers no warranty in respect of third products under this Master Agreement. Where the supplier or producer of any third-party product offers its own warranty, and to the extent that Winning Supplier is free to do so, Winning Supplier will, upon request, endeavor to transfer associated warranty service and other rights to CCOG, Equalis Group or the Program Participant(s), as applicable, subject always to the applicable third party's terms and conditions.</p> <p>2.19.3 Warranty for Services: Winning Supplier warrants that it will perform each service using reasonable care and skill and according to its current description, including any completion criteria, contained in this Master Agreement or a relevant order. CCOG, Equalis Group, or the Program Participant(s), as applicable, shall provide timely written notice to Winning Supplier of any failure to comply with this warranty no later than thirty (30) days after completion of the service at issue identifying the failure with reasonable particularity, in order that Winning Supplier may take corrective action as specified in the following sentence. Winning Supplier will either correct the failure or provide a credit of the charges paid to Winning Supplier for the defective portion of the services. Such corrective action shall be CCOG, Equalis Group or the Program Participant(s)', as applicable, sole remedy for a breach of this section.</p> <p>2.19.4 Warranty for Software: Winning Supplier does not offer any warranty in respect of software under this contract. Software or other Data which is provided under its own license terms shall be subject to such terms.</p> <p>2.19.5 Specific Exclusions: The warranties in this section are made to and for the benefit solely of the specific buyer under this Master Agreement and are non-transferable. The warranties stated in this section shall not apply to any product: (i) that: (a) has been subjected to misuse, accident, unauthorized modification, improper installation, damage or mishandling, or rendered inoperable due to willful or negligent acts or omissions; (b) has been operated in an unsuitable physical or operating environment or contrary to the applicable documentation published by Winning Supplier; (c) has been subjected to natural disasters, power surges or discharge, or unauthorized maintenance; or (d) is incapable of being tested by Winning Supplier under its normal test conditions; or (ii) that is sold for beta, evaluation, testing or demonstration purposes. Winning Supplier shall not be liable under this section for claims arising from CCOG, Equalis Group or Program Participant(s)', or any unauthorized third parties', misuse, neglect, improper installation or testing, attempts to repair, or any other cause beyond the range of the intended use of</p>

		<p>the product. The product warranty will become void if a product component is installed as an add-on to or replacement for the original product, without Winning Supplier's prior written approval. Unless otherwise agreed or mandated by statute, such warranties shall not apply to: (1) any third-party product, including those that Winning Supplier may provide or integrate into a Winning Supplier-branded product at CCOG, Equalis Group or a Program Participant's request; or (2) any software, whether provided with a product or installed subsequently. In no event shall the warranties stated in this section include any Winning Supplier responsibility for: (A) uninterrupted or error-free operation of any product; (B) correction of any or all software or software code defects; or (C) any loss of, or damage to, data caused by a product.</p> <p>2.19.6 General Exclusions: TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE WARRANTIES SET FORTH UNDER THIS SECTION ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR SATISFACTORY QUALITY, NON-INFRINGEMENT OR FITNESS FOR A PARTICULAR PURPOSE, WHICH WINNING SUPPLIER HEREBY EXPRESSLY DISCLAIMS. UNLESS OTHERWISE EXPRESSLY SPECIFIED, ALL SOFTWARE, MACHINE CODE, PROGRAMS, SERVICES, SUPPORT AND ALL THIRD-PARTY PRODUCTS AND SERVICES ARE PROVIDED "AS IS", WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, AND WINNING SUPPLIER MAKES NO WARRANTY THAT ANY PRODUCT WILL OPERATE ON AN UNINTERRUPTED OR ERROR-FREE BASIS. THIRD PARTY MANUFACTURERS, SUPPLIERS, DEVELOPERS, SERVICE PROVIDERS, LICENSORS OR PUBLISHERS MAY SEPARATELY PROVIDE THEIR OWN WARRANTIES TO CCOG, EQUALIS GROUP OR PROGRAM PARTICIPANT(S)."</p>
2.20 - Limitation of Liability	<p>Lenovo is requesting that its standard limitation of liability clause be included. Lenovo requires the ability to forecast the level of liability associated with each engagement, and the lack of this provision removes its ability to do so.</p>	<p>"2.20 LIMITATION OF LIABILITY. Except as expressly stated in this Master Agreement, neither Party(ies) shall be liable to the other Party(ies) for any of the following even if informed of their possibility or foreseeable and whether the claim arises in contract, tort, (including gross negligence where legally permissible) or otherwise: (1) third-party claims for damages; (2) loss of, or damage to, data; (3) special, incidental, indirect, punitive, exemplary or consequential damages; (4) loss of profits, business, revenue, goodwill or anticipated savings; (5) loss of use; or (6) wasted management time. The maximum cumulative liability of each Party to the other Party(ies) for all actions arising out of or related to this Master Agreement, and all orders issued hereunder, regardless of the form of the action or the theory of recovery, shall be limited to actual direct damages, not to exceed the total amount paid or payable to Winning Supplier for all orders issued under this Master Agreement in the twelve (12) months immediately preceding the event giving rise to the claim. This section, "Limitation of Liability," shall not apply to Winning</p>

		Supplier's indemnification obligations under this Master Agreement.
