FireKing®

Since 1951, FireKing has been a trusted leader in manufacturing high-quality fire-rated storage solutions. From our state-of-the-art facility in New Albany, IN, we produce tens of thousands of products each year for businesses, government agencies, and individuals. When it comes to protecting valuable information, assets, and peace of mind, FireKing stands unmatched.

CLASSIC VERTICAL FIRE-RATED FILING CABINETS

The ideal solution for individuals and businesses that require the ultimate in document protection. This cabinet is meticulously engineered to withstand the perils of fire, impact, and explosion, giving you the peace of mind that your files are secure in even the most extreme conditions.

UL® Certified 1-Hour or 2-Hour Class 350 Fire-Rated Options   •   UL® Certified 30-ft Impact-Rated

CLASSIC LATERAL FIRE-RATED FILING CABINETS

Lateral cabinets have big storage capacity and allow for great visibility and quick access to files. The design requires less pull-out space and accommodates both letter and legal file sizes. Add these functional benefits to its UL fire-rating and you have the ultimate mass-file storage solution.

UL® Certified 1-Hour or 2-Hour Class 350 Fire-Rated Options   •   UL® Certified 30-ft Impact-Rated

TURTLE SERIES

Space-saving 22-inch deep cabinet conveniently accommodates letter and legal file sizes while delivering incredible protection. Available in Arctic White, Black, Parchment and all Designer Finishes. Fire and impact rated.

UL® Certified 1-Hour 350 Fire-Rated Options   •   Two and Four Drawer Models Available

FireKing®
