CHILDCARE

## Childcare Bus

### PROTECTING THE LITTLEST PASSENGERS

When it comes to transporting the littlest passengers, childcare companies prefer Collins brands' non-CDL Childcare Buses for their versatility and trusted performance. Engineered with the same industry-leading strength and safety for which we are so well known, these childcare buses help protect and deliver children to their destinations safe and sound. Collins brands are proud to protect precious passengers along their travels and continue a legacy of innovation.

### Childcare Features

- Non-CDL for 14 passengers and under
- 5-year body warranty and limited lifetime paint warranty
- Innovative electrical system offers easy-to-access service points
- Altoona-tested, simulating 7 years and 200,000 miles of wear

OUR VEHICLES CONNECT AND PROTECT  
PEOPLE AROUND THE WORLD EVERY DAY.
