SCHOOL/SCHOOL ACTIVITY

# Type A

TOP OF THE CLASS FOR  
OVER 50 YEARS

Collins Bus has been an industry leader for over 55 years, developing the first Type A school bus in 1967. Since that time, Collins has maintained a steadfast commitment to engineering the safest buses that serve customers and protect the precious lives they transport. Flexible floor plan options mean you can customize the Type A bus to your specific needs, all while enjoying the strength and unparalleled safety that are the foundation of the Collins brand.

## Type A Features

- Collins' exclusive external storage compartment
- From 9- to 34-passenger capacity with up to 6 wheelchair positions
- 5-year body warranty and limited lifetime paint warranty
- Innovative electrical system offers easy-to-access service points
- Altoona-tested, simulating 7 years and 200,000 miles of wear

OUR VEHICLES CONNECT AND PROTECT  
PEOPLE AROUND THE WORLD EVERY DAY.

SCHOOL/SCHOOL ACTIVITY

## Multi-Function School Activity Bus (MFSAB)

ENGINEERED TO EXCEL

Since 1967, Collins Bus has been manufacturing innovative products for the ever-evolving school bus industry. That includes the Multi-Function School Activity Bus (MFSAB) that's engineered to excel in a wide range of applications. Available as a non-CDL activity bus when transporting 14 or fewer passengers, the Collins MFSAB is flexible to fit the needs of your team, class or club. Make it the most valuable player of your fleet.

## MFSAB Features

- Non-CDL when transporting 14 or fewer passengers
- Collins' exclusive external storage compartment
- 5-year body warranty and limited lifetime paint warranty
- Innovative electrical system offers easy-to-access service points
- Altoona-tested, simulating 7 years and 200,000 miles of wear

SCHOOL/SCHOOL ACTIVITY

## "Mini" MPV Type A Bus

### SAFETY IN ACTION

Whether traveling to the next big game or transporting kids to and from after-school or childcare activities, the Collins "Mini" MPV Type A Bus is the ultimate team player. Built with the same Collins standards of superior safety, the Mini is a 70-times\* safer form of student transportation than a 9-passenger van. Available in 5+ 1 W/C or 9-passenger configurations, the Mini is a non-CDL bus that delivers the ideal combination of flexibility, strength and safety.

\*National Highway Traffic  
Safety Administration

### The MPV Features

- Non-CDL multi-passenger vehicle
- Increased visibility over passenger vans
- 3-point school bus seating
- Best-in-class maneuverability
- Innovative structural design provides unparalleled safety
- 5-year body warranty and limited lifetime paint warranty
