

Creating Customers for Life

G&R Controls & Equalis Group *Publicly Procured Contract Vehicle*

G&R Controls Contract Highlights

- Building Automation – A Siemens Building Automation System provider. Each system is custom-designed by our engineers and installed by our technicians to ensure indoor air quality and comfort.
- HVAC Facility Assessments – Our Certified Energy Managers (**CEMs**) evaluate HVAC equipment for energy saving measures.
- Preventive Maintenance – Identify potential problems early to prevent costly, unplanned downtime. We offer customizable contracts.
- Turn-Key Projects – Single point of responsibility for cost, schedule, and performance. Engineers work directly with owners for customized project management and implementation.
- Lighting Assessments – Evaluate lighting systems and analyze energy usage to identify savings opportunities.
- Service – Technicians are available 24/7 for mechanical, hydronic, and temperature control emergencies.

Who is G&R Controls?

G&R Controls is a HVAC Building Automation System (**BAS**) contractor. We are committed to "Creating Customers For Life" by earning and maintaining your trust through designing, installing, commissioning and servicing low voltage digital control systems to automate, schedule and monitor the heating, ventilation and air conditioning systems serving any commercial environment.

Created by Public Sector Organizations *for Public Sector Organizations*

Who is Equalis Group?

Equalis Group is a Member-Driven, Supplier-Centric organization that embodies the power of partnership. Equalis Group operates with the guiding principle that when the objectives of buyers and sellers are aligned, sustainable value is created, transcending that of the typical short-term transactional relationship. With this differentiated approach, Equalis Group is not just a cooperative purchasing organization; we are a family.

We leverage Equalis Group members' combined buying power to command better pricing and favorable contract

terms from suppliers. We develop and administer a diverse portfolio of cooperative purchasing programs that cover a wide range of products and services and provide our members with a legal and compliant exemption to the bid/request for proposals (**RFP**) process.

Each program in our rapidly growing portfolio provides our members with contracting compliance and the ability to configure the solution that best meets their individual needs while achieving the lowest Total Cost of Ownership.

Time Saved through Equalis Group = More Resources for You to Invest

How many hours and over how many weeks or months does your team invest in a typical solicitation process? How many solicitations does your organization publish each year? How much time and effort can your organization save by leveraging Equalis Group's already-procured portfolio of programs? In what ways can you re-invest that saved time and energy to fulfill your organization's purpose?
